INTERNATIONAL BACCALAUREATE PROGRAM

The International Baccalaureate Diploma program at Norcross High School is one of two in Gwinnett County Public Schools and is for highly motivated, college-bound students. . The IB program includes two years of Middle Years (MYP) courses that challenge the student and leads to two rigorous years of IB curriculum in 11th and 12th grades, culminating, at the highest level of participation, in the IB Diploma. The IB Diploma, which is received in addition to the Norcross High School diploma, is recognized in over 2000 schools worldwide and is structured to meet entrance requirements of the best universities. A directory of credits and university acceptance is available in the IB Office at Norcross High School or at **www.ibo.org**.

Levels of Participation in the IB Program: The principle goal of the IB Program is to have earned the prestigious International Baccalaureate Diploma at the end of the four- year program. However, there are three levels of participation in the NHS IB Program.

Middle Years Participation: All ninth and tenth grade classes at NHS are MYP classes. Teachers design MYP units of study at all levels of instruction that are designed to foster relationships between school subjects, the student as an independent learner, and the community. These instructional units culminate in activities that are assessed by the IB MYP achievement rubrics. Students are offered the opportunity to earn a MYP Certificate at the end of their sophomore year if they have completed all required course work as evaluated by the MYP and the Personal Project and MYP specific service requirements.

Full Diploma Participation: Full Diploma IB students engage in all six IB course sequences during their eleventh and twelfth grade years. In addition, they complete the Theory of Knowledge course, the extended essay, and complete the 150 hour CAS requirements. A Diploma student must submit all work samples for Internal Assessment points, sit for examinations in all six of the content and pass all IB course-work. If the IB Diploma student earns the minimum 24 obligatory points in the IB point system, the pupil is eligible for the awarding of the prestigious International Baccalaureate Diploma.

Course Candidate Level Participation: The Course Candidate Level student is a student who chooses to take one or more higher level IB courses. The Course Candidate student likewise must complete the Internal Assessment work samples for the IB courses completed and sit for the examinations in any Higher Level courses completed upon *teacher* recommendation.

3DE by JUNIOR ACHIEVEMENT

The 3DE by Junior Achievement at Norcross is a full immersion “school within a school” that is designed to provide students with a rigorous standards-based education infused with career readiness, entrepreneurship and financial literacy skills. Students engage in hands-on experiences in an integrated curriculum that combine core high school subjects with career and technical education that blends college and career preparation. The program is a full four year program that prepares students for success in college and careers. Students in the program are able to take advanced course work (Honors, AP, IB Certificate) in addition to the unique opportunities provided by 3DE.

Drawing on 3DE’s partnerships throughout the business community, 3DE students have access and connectivity to elite companies through mentors, executive guest seminars, professional advisors, case studies, project-based business challenges, site visits, and internships. Students in the program

complete one or more College and Career Pathways, while also gaining real-world experience through an internship during their senior year. Students from our feeder middle schools are invited to apply for the program in the 8th grade to begin in their 9th grade year. Students who are interested in joining 3DE in the tenth or eleventh grade year should contact the 3DE office for additional information.

ACADEMICS AND INSTRUCTION

ACADEMIC INTEGRITY

Norcross High School is committed to becoming a system of world-class schools where students acquire the knowledge and skills to be successful in college and careers. Guided by our mission to pursue excellence in academic knowledge, skills, and behavior for each student, we hold high expectations for all, recognizing that excellence is not exclusive, but an achievable goal for every learner. Central to achieving that goal are the principles of integrity, respect, and accountability in all learning environments. By embracing these principles, our students contribute to a culture of trust and high standards that prepares them to thrive in a diverse and ever-changing world.

CORE VALUES

All students are expected to uphold the following pillars of academic integrity:

- Honesty: Be truthful in all academic endeavors.
- Responsibility: Be accountable for your own work and actions.
- Respect: Treat others' work and ideas with fairness and acknowledgment.
- Integrity: Maintain ethical behavior even when unsupervised.

DEFINITIONS OF ACADEMIC DISHONESTY

ACADEMIC LETTERS

Academic letters are available to students seeking a general academic diploma. Upperclassmen that have an overall 90 grade point average may earn an academic letter. These averages are figured without rounding off scores.

CLASS RANK

Class rank is based on cumulative grade average at the end of each semester. The student's class rank is listed on his/her transcript.

ELECTRONIC DEVICES / CELL PHONES

At Norcross High School, we want every student to be fully engaged in learning and actively participating in classroom instruction. Cell phones and other personal electronic devices can be valuable tools, but they can also create distractions that interfere with learning.

Cell phones should not be used during instructional time unless the teacher explicitly gives students permission to use them for an instructional purpose. Students are responsible for following their teacher's directions regarding cell phone use. If a student uses a phone without permission during instructional time, the teacher will redirect the student and follow the school's established procedures for repeated or continued violations.

We appreciate our families partnering with us to protect instructional time. Parents and guardians should avoid calling or texting students during class whenever possible. If there is an urgent need to contact a student during the school day, families may contact the school.

END OF COURSE TESTS (as mandated by the State of Georgia) will be given in the following subjects:

Literature and Composition II
Algebra Concepts and Connections
Biology
US History

****End-of-Course Test grades will count as 10% of the final course grade**

FINAL EXAMS

Cumulative exams are given over the final days of each semester. We ask that students avoid scheduling appointments the final days of the semester due to review for and administration of final exams. Exams will not be given early. Students are not permitted to check out during an exam period. If a student misses an exam due to an excused absence, the exam can be taken on the announced make-up day. Students are not granted pre-arranged absences on exam days.

GIFTED PROGRAM

The Gwinnett County Public Schools gifted education program serves students in grades K-12 by providing academic challenges for students intellectually advanced. The gifted program is called FOCUS at the elementary level, PROBE at the middle grades and Gifted Program at the high school level. Any responsible person who has knowledge of a student's intellectual abilities may refer a student to the local school's gifted referral committee. The classes offer accelerated learning and enriched academic curriculum experiences that focus on and extend Gwinnett County Public Schools' Academic Knowledge and Skills. Students are identified and placed in gifted education based on criteria established by the Georgia General Assembly and the Georgia State Board of Education. Students who transfer from public gifted education programs within the state of Georgia have reciprocity into the Gwinnett program providing the original placement was correctly completed. Students who transfer from out-of-state must meet Georgia requirements. Parents should notify the school when registering their child that he/she was identified as a gifted education student in their previous school. NHS offers gifted level courses in some core subject areas at all grade levels. Any questions about the gifted education program should be directed to the Gifted Education Lead Teacher.

GOVERNOR'S HONORS PROGRAM

The Georgia Governor's Honors Program (GHP) is a residential summer program for gifted and talented high school students who will be rising eleventh and twelfth grade students during the program. The program offers instruction that is significantly different from the typical high school classroom and that is designed to provide students with academic, cultural, and social enrichment necessary to become the next generation of global critical thinkers, innovators, and leaders. Students are nominated by their teachers and compete at the county and state levels. Selected students pursue academic interest areas during the summer while residing on a college campus.

GRADING SCALE

The graduation ceremony is by invitation to students in good standing who have met all credit requirements, as indicated in the senior letter/application distributed in the fall. Students must also have returned all textbooks, library books, and school issued items, and cleared all fines. Students who have met all requirements except for passing all parts of the Gateway Test may participate in graduation but they will receive a certificate of attendance rather than a diploma. Appropriate behavior before and during ceremonies is expected.

GRADE CORRECTIONS

If a student questions a grade in a course, he/she should contact the teacher for that course. If a grade correction is warranted, the correction must be made no later than the end of the semester following the semester during which the course was taken. No grade changes will be made after one semester has passed since the course was taken.

HONOR GRADUATES

Students in all grades whose grade point average for the previous semester of high school course credit is 90.0% qualify for the Student Honor Roll (GPA is not rounded up). Students who have earned a cumulative average of 90.0% or higher at the end of the 1st Semester their senior year will be recognized as honor graduates. Grades lower than 90 will not be rounded up for this recognition.

HONOR STOLE ELIGIBILITY

Honor stoles are awarded to honor graduations as a symbol of a student's commitment to academic excellence and integrity. Incidents of academic dishonesty may jeopardize a student's eligibility to receive this recognition.

- **Juniors (11th Grade):** Students with three (3) or more documented academic integrity violations during their high school career will be at risk of losing their eligibility for an honor stole.
- **Seniors (12th Grade):** Any single incident of academic dishonesty during senior year will place a student at risk of losing their honor stole, regardless of prior standing.

All academic integrity cases are reviewed individually. The outcome of any disciplinary action, including the decision regarding a student's eligibility for an honor stole, is at the discretion of the local school administration. We believe in promoting integrity, reflection, and growth. Students are encouraged to take responsibility for their actions and seek support to uphold the values of our learning community.

MEDIA/ELECTRONIC PRESENTATIONS

This is a **notice to parents** that NHS may develop, participate in, or be the subject of media and/or electronic based presentations and events that highlight various educational activities that take place during the course of the school year. If you do not want your child to participate in these presentations, contact the Registrar's Office for a form requesting that participation be denied.

NO PASS, NO PLAY REGULATIONS

Norcross High School offers the opportunity for students to participate on various athletic teams and in academic activities. Team membership is subject to tryouts and Georgia High School Association regulations. In order to be eligible to compete in athletic and/or academic competition, students must have earned at least 2.5 credits during the preceding semester and be on track for graduation. Sophomores must have five units, juniors must have eleven units, and seniors must have seventeen units in order to participate.

PARENT PORTAL

The Parent Portal is an online resource that allows parents and guardians the ability to check their student's grades, attendance, and discipline. To participate, parents must register by completing a registration form and showing proof of identification in the front office.

PHOENIX HIGH SCHOOL

Phoenix High School exists to serve the needs of high school students who prefer a non-traditional setting or who need to retake failed classes. The academic year is divided into four nine-week minisemesters. Students may contact Phoenix High School to find out about the cost of the classes. Phoenix is accredited by the Southern Association of Schools and Colleges. Prior to registration students must consult a counselor to obtain a signed course registration form. Students who have withdrawn from their home school in order to attend Phoenix on a full-time basis may not participate in the graduation ceremony of their home school. Phoenix students participate in the Phoenix graduation ceremony upon completion of course requirements. In order for a full-time Phoenix student to graduate from his/her home school, the student must withdraw from Phoenix and enroll in his/her home school for the student's entire final semester of high school.

Students are assigned to grade level homerooms based on the number of credits attained by fall semester. No adjustments of grade level assignments will be made during the school year; however, exceptions will be made for seniors who are on track to graduate. Students are assigned as follows:

- 10th Grade – 5 credits
- 11th Grade – 11 credits
- 12th Grade – 17 credits

REPORT CARDS

Report cards for first semester will be mailed home at the conclusion of the semester. Report cards for second semester will be mailed approximately two weeks after the semester ends.

ROUTE 23

Norcross High School 9th graders are a part of Route 23, a community within Norcross dedicated to providing the structure and support students need in making the transition into high school. Students within this community are supported by dedicated administrators and team of counselors. The purpose of the community is for students to make meaningful connections with trained school personnel and to receive essential educational planning support. Through this program we believe that students will make an effective transition into high school in terms of academic performance and through leading the way as positive role models within the overall NHS community. During the year in Route 23, our student will begin the high school process of being well prepared for college and career success and start down the road of achieving the necessary 23 credits to graduate.

SCHEDULE CHANGES

All students should follow the schedule they receive prior to or on the first day of school. Students and/or parents who desire a schedule change must make the request for a change immediately. Requests made after the first ten days will not be considered.

Inappropriate class placements will be changed for the following reasons only:

1. Student has already passed the course.
2. Student has not passed the pre-requisite.
3. Course needed is a graduation requirement.

Reasons for schedule changes that will not be approved:

1. Request for a specific teacher.
2. Changes in order to rearrange an existing schedule (i.e., student prefers physical education class in the afternoon rather than in the morning.)
3. Change in electives.

STANDARDIZED ASSESSMENT ADMINISTRATION DATES

Test dates are available on the Norcross High School web site. <http://www.norcrosshigh.org>

SUMMER SCHOOL GRADUATION

In order to participate in the summer school graduation ceremony, all courses taken during the graduating summer term must be taken through Gwinnett County Public Schools (classroom instruction or Gwinnett Online Campus).

VALEDICTORIAN/SALUTATORIAN

The Valedictorian and Salutatorian will be determined after the completion of the fall semester. A senior with the highest cumulative grade point average will be recognized as the Valedictorian. The student with the second highest cumulative grade point average will be recognized as Salutatorian. Both students must be enrolled at Norcross High School from the first day in August and meet any other guidelines in Gwinnett County Schools Policy/Procedure.

ATTENDANCE

Absences: The first day a student returns to school after an absence, he/she should bring a note signed by his/her parent or guardian including the date and the reason for the absence. The note must be presented to the Front Desk. If a student has forgotten his/her excuse, he/she has until the second school day after the absence to present it; otherwise, the absence will be considered unexcused. Work missed during unexcused absences may be made up for partial credit at the teacher's discretion.

An absence will be unexcused unless it qualifies to be excused under one of the following areas as defined by state law:

- A. Students who are personally ill and whose attendance in school would endanger their health or the health of others.
- B. Students in whose immediate family there is a serious illness or death that would reasonably necessitate absence from school.
- C. Students who observe special and recognized religious holidays observed by their faith.
- D. Students who are mandated by order of governmental agencies (pre-induction physical examination for service in armed forces or court order).
- E. Students who are expelled from school for short-term suspension.
- F. Students who are at least 12 years of age and are serving as pages in the General Assembly.
- G. Students may be excused from school attendance when prevented from such attendance due to conditions rendering school attendance impossible or hazardous to their health and safety.

Tardy Procedures: Students arriving to class after the tardy bell rings are considered tardy and will be marked tardy in attendance records. Consequences for excessive tardies may include restricted lunch, detention, in school suspension, and out of school suspension.

Absences - Pre-Arranged: If parents find it necessary for students to miss school due to a prescheduled event, absences must be approved by the attendance administrator 3 days in advance. If the absence is approved, it will be classified as unexcused, but students may be allowed to make up missed work. The required pre-arranged absence form should be obtained from the attendance office, completed and returned 3 days prior to the days missed. This procedure should also be followed for college visits. All pre-arranged absences will count toward the attendance requirement per class, per semester and will effect senior exemptions.

Absences - Make-up Work: Students are allowed to make up work only if a note is brought verifying the absence is excused based on the seven state approved reasons previously noted.

A student returning from an excused absence has two school days to make up work. Arrangements to make up work must be completed within *two school days* of receiving permission to make up work. Exceptions to the two-day rule may be made for students with three or more consecutive excused absences based on a plan devised by the individual teachers. Every effort should be made to make up work as soon as possible.

It is the student's responsibility to see that this is done at the teacher's convenience, outside the regular class period. The two day rule does not apply to long-standing due dates on assignments such as projects or term papers. In these cases, the students would be expected to make arrangements to return the assignment on time.

Other Attendance Guidelines: No student is allowed out of the room for the first and last 10 minutes of class.

Attendance Protocol: Under Georgia law (O.C.G.A. Section 20-2-690.1), it is mandatory for a parent to ensure that their child(ren) attend school. Students must be present at least half the school day in order to be recorded present, and participate in, or attend any extra-curricular activity that afternoon, evening, or weekend. This includes practices or rehearsals. Extenuating circumstances may be appealed through the administration.

Checking In: Students arriving after 7:20 a.m. must enter the school through the front doors and proceed directly to the Front Desk to check in prior to attending class.

Late arriving students must present a note signed by a parent stating the reason for tardiness, which will be verified. A note must be presented at the time of checking in. Only 5 personal illnesses will be accepted per semester, after that unexcused tardies will be issued. Students checking in from a doctor or dentist appointment must have a note or fax from the doctor or dentist otherwise a tardy will be issued. Students may not make up work that is missed because of an unexcused tardy to school. Unexcused check-ins may result in disciplinary action. Failure to follow check-in procedures may result in disciplinary action.

Tardies: If a student checks in late to school due to a doctor's appointment, they must provide a doctor's note; otherwise, an unexcused tardy to class will be given. The doctor's office may fax a note to 770 447-2664 and the tardy will be changed.

Checking In/Out Repeated: Administrator's monitor student check ins and check outs. Students who have excessive check ins and/or check outs may be given restrictions or use some other alternative. A student who checks in/out of school five or more times in a semester may have his/her parking privileges revoked at any time or not be given permits to make-up work.

Checking Out: Once a student arrives on campus, he/she must check out through the Front Desk. Contact with the parent will be required before a student is released. Parents checking students out will be required to present identification. Parents will not be permitted to check out students after 1:30 pm. Students leaving without checking out are considered truant, even if the school day has not yet begun. Truant students will not be allowed to make up any work and will face disciplinary measures. Students who check out or attempt to check out under a false pretense will be subject to disciplinary action.

Check Outs/Emergency: Students who leave school during the day due to illness or emergency must follow routine check out procedures. Only parents or guardians may give permission for a student's release from school. No student may be released prior to contact with a parent either in person or by telephone. Alternate numbers listed on the student clinic card are for emergency purposes only, not for routine checking out.

Check Outs/Pre-Planned: If a student has a note from the parent requesting permission for the student to leave school for an appointment, the students should present the note to the Attendance Office prior to the beginning of first period so that the appointment can be confirmed. The student must report back to the Attendance Office to sign out at the appropriate time. If the parent intends to pick up the student, no note is necessary. However, the student must present proof of the medical appointment upon return to school in order for schoolwork to be made up. A receipt for services will be sufficient.

Funerals: If a parent/guardian wishes for a student to check out to attend a funeral, he or she should write a note and it should be turned in to the Attendance Office prior to first period. A parent will be contacted to verify the note.

CLINIC INFORMATION

STUDENT INFORMATION

For the safety and well-being of students, it is imperative that every student has updated information online. Please make sure the following information is up-to-date, current address and phone number, medical conditions, emergency numbers, and a parent contact information. If changes occur during the year, parents should notify the clinic.

CLINIC POLICY

The clinic worker is present in your child's school to act as a liaison between home and school regarding health concerns. Although we provide this service, clinic workers are not registered nurses, therefore, we cannot diagnose or treat illness. Prompt arrival of the parent/legal guardian upon notification of your child's illness is extremely important. By working together and keeping contagious illnesses contained at home, we can strive to ensure the health and well-being of every student so that he/she can benefit from the educational program. Please remember to make sure the school knows how to reach you during the day.

MEDICATIONS ON SCHOOL CAMPUS

Gwinnett county regulations indicate that our Clinic Worker must have permission in writing to administer medication to your child. Please complete one form for each medication. A "Parent/Guardian Authorization to Administer Medication at School" form is available for your convenience on the school website or in the clinic.

- Students may not possess prescription or over the counter medications on campus. However, self-administration of asthma medication and prescription auto-injectable epinephrine is permitted with written parental approval and required documentation to the principal or his designee. See an administrator for completion of proper forms/procedures.
- The clinic does not store any kind of medication except for medications brought into the clinic by the parent for their child. The medication is then stored in a student file and only given to the student in whom it belongs.
- Administration of prescription and over the counter medicine (even for a short period of time) is discouraged. Parents should check with their physician regarding the need for medications to be administered during school hours. Medications prescribe for three times daily often can be given before school, after school and at bedtime. If you have any questions about this procedure, please call the school clinic.
- All medications, both prescription and over the counter, must be accompanied by the medicine release form and brought to the school clinic by an adult. All medications must be in the unopened ORIGINAL CHILD PROOF CONTAINER. Prescription medications must be in the labeled prescription bottle. Medication stored in envelopes, baggies, etc, will not be administered, and will be discarded.
- Medications must be picked up at the end of the year, or the school will dispose of them.

DRESS CODE

Norcross High School acknowledges that appropriate and personal attire positively affects student achievement and conduct. The dress code for Norcross High School is designed to reduce the likelihood of distraction or disruption and to maintain an academic focus in the classroom and on campus.

Dress Code Violations: Instruction is interrupted when a student has to be seen by an administrator because of inappropriate dress. If in the judgment of the administration or staff, a student is dressed inappropriately, the student will be required to change clothing. There may be additional disciplinary consequences as well. Students will be required to disclose conviction of designated felony acts, whether they currently are serving a suspension or expulsion from another school, the reason for such discipline, and the term of the discipline. Schools can refuse to admit students under disciplinary action from other school systems. In lieu of compliance, a student may be admitted on a conditional basis if he or she and his or her parent or legal guardian execute a document providing the name and address of the school last attended authorizing the release of all academic and disciplinary records to the school administration. Every school system in the state will be obligated to provide complete information to a requesting school within ten (10) days of receipt of request.

These include: the right to inspect and review educational records of their child, the right to challenge the content of those records, the right to control the release of educational records of their child, the right to complain to the Family Educational Rights and Privacy Office about the school's failure to comply with the law, and the right to be informed of these rights just listed. Certificates of Attendance are available in Main Office and there is a minimum 24-hour turnaround time to process the form. This form certifies that a student has not missed ten or more unexcused absences in the current and/or prior school year. **Students who need attendance verified AND a replacement ADAP form will be charged \$5 for both forms.**

ELEVATOR ACCESS

An elevator is available for those who are unable to use the stairs. Students must have written permission from an administrator to obtain access to elevator.

EMERGENCY PREPAREDNESS PLAN

A comprehensive safety plan has been established for the welfare of all students. A copy of this plan is located in all administrative offices.

Gwinnett County Public Schools is a 1:1 district. When a device has been assigned to a student and taken home or a technology resource has been checked out to a student, it is the family's responsibility to monitor its use to ensure the student is following the Student Conduct Behavior Code and to ensure that the device or resource is returned in the condition it was received.

Such disciplinary actions may include confiscation of technology being used inappropriately if an incident occurs.
