

Parents,

The communities of Maynard, Clara City and Raymond along with the MACCRAY School District are teaming up to offer nutritious meals and snacks with a free weekend backpack food program called MACCRAY MAC--PAC. The MAC--PAC backpack program is available to all children attending MACCRAY Public Schools from pre-- school through 12th grade.

The bags will be packed for your child and placed discreetly in their own backpack on the last school day prior to them going home for the weekend or extended breaks. When packing we try to meet any dietary concerns but take no responsibility for food consumed without proper supervision. If at any time you wish to opt out of the MACPAC program, please contact the school office.

If you would like to have your child receive a MAC--PAC weekly food bag, please complete the following form and return it to any school office. One form per family, but list all the children attending school separately on the form below. If you have any questions, please contact Katie – Elementary Secretary 320-847-2154 ext 1301 All information will be kept confidential by the school.
