School Board Notes

9-16-26

- Homecoming
  - We have a committee – working with student council
  - Committee is working on finalizing everything and bringing back some of the traditions
  - We will send formal info out to staff, students, and family next week
  - Similar to last year with Coronation on Monday during the day, Friday will be 12:15 parade, VB @ 1:30, and FB @ 7:00
- PLC work
  - Gabe Hackett – First Education
    - Great experience! Teachers did a wonderful job participating!
    - Established norms
    - I am doing a follow up meeting with Gabe and then he is coming back on 12/7/26 - 2-hour late day
    - 5 parts identified: Purpose before process, shared ownership & participation, focused & efficient collaboration, respectful, productive team culture, and accountability, follow-through & impact
    - Basically: teachers want it to be meaningful work and have an impact on students
- Intervention and Capti testing
  - Testing has started
  - Grouping will happen after we have results
    - Intervention will be Tu, W, Th – All group meetings on M & F
  - Work in progress – learning together
- Still working on supervision roles for high school teachers
  - Hallways, lunchroom, locker room: getting better but still needs work
- Vapes: Bathrooms – kids have generally been honest about it
  - They will get smarter and try new ways to do it at school
