

Schoology Tutorial

Parent Registration Directions

Access the Sign Up for Schoology Page

- Scan the QR code provided below, or
- Type the address provided below
 - <https://app.schoology.com/register.php?type=parent>

A screenshot of the Schoology Learning web interface. At the top is the 'Schoology Learning' logo. Below it is a white box titled 'Sign up for Schoology' with a 'Back' link. Inside the box is an 'Access Code' input field with the instruction 'Enter the access code provided by your child's instructor' below it. A blue 'Continue' button is at the bottom of the box.

Enter Access Code

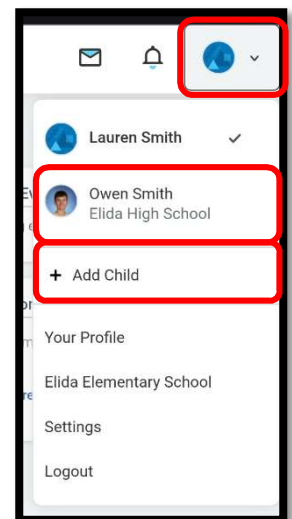

- Use the Parent Access Code provided, in the format XXXX-XXXX-XXX.
- Click Continue

Enter Contact Information and Register

- First Name and Last name
- Email address
- Password and Password Confirmation
- Click Register

Accessing Your Child's Schoology and Adding Children

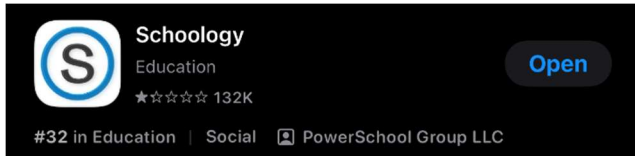

- Once logged in, use the account menu in the upper right to select your child's name
- You can also choose the option to **Add Child**, if you have more than one student in the district.

Accessing Schoology on the Mobile App

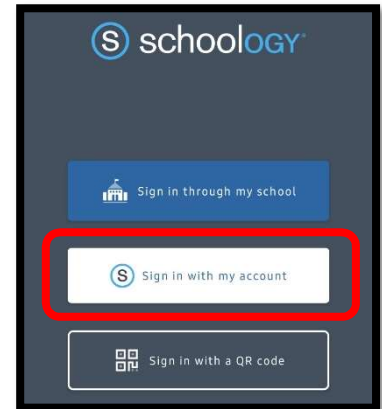

Download the Schoology App

- Open the Apple App Store or Google Play Store.
- Search for Schoology.
- Download and install the app.

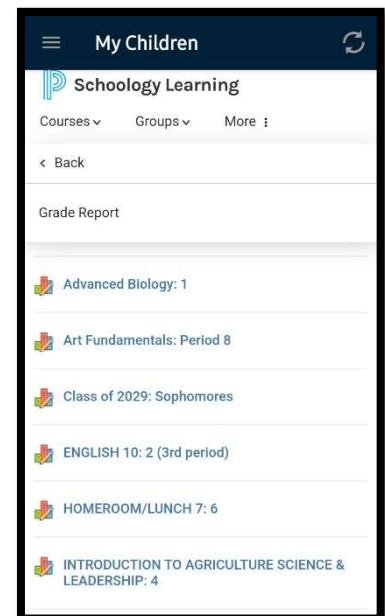

Sign in to the Schoology App

- Select **Sign in with my account**
- Enter the email address and password you used when creating your Schoology Parent Account.
- Tap Log In

View Your Child's Account

- Use the menu in the upper left to switch from your parent account to your child's account.
- From your child's view, you can access courses, assignments, grades, and updates.

Warning: Apple and Google versions of the app may differ in features and locations of grades/materials. Contact the school or teacher if you need additional support.
