Superintendent Report: introduced what schools our district serves (not only THABEF schools), 3 of 4 schools are charter and about 70% total are out of district. Measure A bond passed for facilities. These funds should be in hand by the end of October to start planning with the oversight committee (only people that live within district boundaries)

Principal's Report Twin Hills: NA

Principal's Report Apple Blossom: Off to a great start with enrollment. 318 students currently. New TK/K combo. Today AB launched the first ELOP programming (funding through the state) all through after care. Walk/Jog-a-thon next friday the 25th. All of the money is not a foundation event, it is strictly the AB school- field trips, buses, activities for school–student activities. Ms. Elliott is open to hearing about new in-house field trip ideas, if families want to share with her. The new ceramics class is also thriving and funded by Prop 28. Going around for school expectations in each class, almost completed school-wide. October- safe school ambassadors for 4th and 5th graders. Back-to-school night went great and was overflowing with parents.

Treasurer Report: $1300 spent on Kona Ice at AB, and $697 at TH. Total of $6800 in family donations so as of now, net revenue of $5787

Foundation: introduction to new attendees on what the foundation's focus is and where the money goes at both TH and AB.
Motion: adoption of new policies approved.
Fundraising- great start to the year- had one at hook and ladder, and bubbles and boba. Family donations keep coming in. Goal is $15,000 in family donations for this year.
Schools Rule fundraising - check distribution last night. 40 ED foundations received. THABEF received over $2,000.
Discussing how to create new foundation member ideas and making space for more parents to be involved: events, fundraising, PR, etc.Foundation is open to creating smaller roles in hopes of having more families feel able to help without being overwhelmed.
Monique- working on grocery store donations through shopping experiences. She's going to create the forms and create it for our schools.
Discussed sunshine foundation and what the plan is for this school year.
