Dear Montgomery Township School District Community,

Our district could never achieve its mission without the strong support of the community and our volunteers. To make it easier than ever for you to connect with our schools, we are launching a new Volunteerism webpage on our district website. You can access the page at <http://www.mtsd.k12.nj.us/volunteerism>.

In alignment with our Strategic Plan, we created this page to make it easy for everyone in our school district community to find ways to get involved with our schools. Whether you have a little time or a lot, and whatever your interests may be, there's a place for you to make a difference.

When you visit the new webpage, you will find information on:

- **Our Parent-Teacher Groups:** Learn how to join and collaborate with the parent organizations that are active at each of our school buildings.
- **Performing Arts Parent Groups:** Discover how you can support our student musicians, actors, artists, and crew members.
- **Athletics Booster Clubs:** Find out how to join our booster clubs for each sport to cheer on and support our student-athletes and coaches.
- **District Donations:** Access information on how to make a contribution (gift, grant, or donation) to support the district.
- **Additional Volunteerism Resources:** A list that will be continually updated with key information about volunteerism.

You will be able to find the new Volunteerism webpage in several different areas across our sites:

- A new Volunteerism tab will be added to the main navigation menu at the top of our district website.
- A link to the page will be added to the Our District tab and the Parents tab on our district website.

- On each school website, a link will be added to the Parents tab and in the Parents section.

We strongly believe that the time, talent, and energy of our volunteers directly enrich the educational experiences of our students. We invite you to explore the new Volunteerism page and find an opportunity that excites you.

Thank you for your continued dedication, support, and partnership.

Sincerely,

Mrs. Mary E. McLoughlin
Superintendent of Schools
