PARENT ENGAGEMENT SURVEY

SATISFACTION WITH SPECIAL EDUCATION SERVICES

The Parent Engagement Survey is given to the parents/guardians of children with Individualized Education Programs (IEP). The purpose of the survey is to provide districts/charters with feedback from parents/guardians regarding their satisfaction with the IEP process.

About the Parent Engagement Survey

- Submissions are anonymous.
- Includes 11 Questions
- Available in English, Spanish and Haitian-Creole languages

The Importance of the Parent Survey

The Parent Engagement Survey is important because the results are used to help districts/charters improve the special education and related services provided to children with IEPs.
