

2026-2027 Dual Enrollment Registration

Dear Parent/Guardian,

The College of New Jersey (TCNJ) is pleased to offer eligible high school students the opportunity to earn TCNJ college credit through our Dual Enrollment Program during the 2026-2027 school year.

Students participate in dual enrollment through an approved course they are already taking at their high school. **Students remain in their high school classroom and do not attend the course at TCNJ.** Please check with your school administration to confirm that your student is enrolled in an approved TCNJ dual enrollment course and is eligible to register.

REGISTRATION WINDOW	Wednesday, September 16, 2026 - Friday, November 20, 2026
COST	\$550 per course. Students must submit payment as part of the registration process.
HOW TO REGISTER	Follow the registration link, complete the application, and submit payment.

REGISTER ONLINE

<https://connect.tcnj.edu/register/?id=757047fd-956a-490e-9d28-f58ddc755cdd>

Important: To receive TCNJ college credit, students must earn a **final grade of C or better** in the approved high school course.

Students who complete the TCNJ dual enrollment registration process create an official academic record with the College. The final course grade is recorded on the student's TCNJ transcript.

We encourage families to complete registration well before the November 20 deadline. Registration is not complete until the application and payment have been submitted.

If you have questions about TCNJ Dual Enrollment or the registration process, please contact the Office of Dual Enrollment at dualenroll@tcnj.edu or **609-771-2942**.

Sincerely,

Christina Cirigliano

Coordinator, Dual Enrollment
The College of New Jersey
