

Nutri Serve - Welcome Back to School 26-27

Welcome back to school! Nutri-Serve is excited to start another year at Swedesboro-Woolwich School District. We are looking forward to seeing your smiling faces this school year.

School meals are important to fuel healthy minds and bodies, and we strive to offer student favorites that are both delicious and nutritious. We can't wait to welcome you back into the cafeteria!

Why choose school meals?

School meals include nutritious foods including fruits, vegetables, lean proteins, milk, and whole grains. Consistent exposure to a wide variety of foods not only encourages students to try something new, but also helps build lifelong healthy habits and a positive relationship with food. School meals are also a great value. Breakfast comes with a **GRAIN**, **FRUIT**, & **MILK**. Each lunch meal comes with a **PROTEIN**, **GRAIN**, **FRUITS**, **VEGETABLES**, & **MILK**. Students must take at least 1 serving of fruit or vegetable, but can select up to 4 different sides.

At the Swedesboro-Woolwich School District, we participate in the Breakfast After the Bell program.

What if my student has a food allergy or other special dietary needs?

We take food allergies and other special dietary needs very seriously and work with you and the school nurse to provide a safe meal to your student. If your student is diagnosed with a new food allergy or dietary need throughout the course of the school year, please update the school nurse as soon as possible.

Does my child qualify for free or reduced price school meals? We encourage all parents and guardians to complete a new 2026-2027 Application for Free and school. Even if you think you do not qualify, enter an application as the requirements have changed to allow more students access to meals. **All 25/26 applications WILL EXPIRE SEPTEMBER 2026** so remember to fill out a new application every September. Include all in your household that attend the Swedesboro-Woolwich School District. We are not associated with Kingsway District.
