NHS Back To School Night - Wed, 9/30/26

Dear Newmark High School Parents,

Newmark High School's Back to School Night, scheduled for Wednesday, September 30, 2026 is designed to give parents an overview of our curriculum and the opportunity to meet each of their teens' teachers. During the evening, teachers will share curriculum highlights, expectations for Independent Practice and grading policies.

We strongly encourage all NHS parents to attend. **Please note this is a parent-only event** - students, including high schoolers, should not attend. Any individual questions may be addressed during your teen's teacher's bi-monthly phone calls.
