IT 4 Instructions

Most individuals are subject to Ohio income tax on their wages, salaries, or other compensation. To ensure this tax is paid, employers maintaining an office or transacting business in Ohio must withhold Ohio income tax, and school district income tax if applicable, from each individual who is an employee.

Such employees who are subject to Ohio income tax (and school district income tax, if applicable) should complete sections I, II, and IV of the IT 4 to have their employer withhold the appropriate Ohio taxes from their compensation. If the employee does not complete the IT 4 and return it to his/her employer, the employer:

- Will withhold Ohio tax based on the employee claiming **zero exemptions**, and
- **Will not** withhold school district income tax, even if the employee lives in a taxing school district.

An individual may be subject to an interest penalty for underpayment of estimated taxes (on form IT/SD 2210) based on under-withholding.

Certain employees may be **exempt** from Ohio withholding because their income is not subject to Ohio tax. Such employees should complete sections I, III, and IV of the IT 4 **only**.

The IT 4 does not need to be filed with the Department of Taxation. Your employer must maintain a copy as part of its records.

R.C. 5747.06(A) and Ohio Adm.Code 5703-7-10.

Section I

Enter the four-digit school district number of your primary address. If you do not know your school district of residence or its school district number, use *The Finder* at tax.ohio.gov. You can also verify your school district by contacting your county auditor or county board of elections.

If you move during the tax year, complete an updated IT 4 immediately reflecting your new address and/ or school district of residence.

Section II

Line 1: If you can be claimed on someone else's Ohio income tax return as a dependent, then you are to enter "0" on this line. Everyone else may enter "1".

Line 2: If you are single, enter "0" on this line. If you are married and you and your spouse file separate Ohio Income tax returns as "Married filing Separately" then enter "0" on this line.

Line 3: You are allowed one exemption for each dependent. Your dependents for Ohio income tax purposes are the same as your dependents for federal income tax purposes. See R.C. 5747.01(O).

Line 5: If you expect to owe more Ohio income tax than the amount withheld from your compensation, you can request that your employer withhold an additional amount of Ohio income tax. This amount should be reported in whole dollars.

Note: If you do not request additional withholding from your compensation, you may need to make estimated income tax payments using form IT 1040ES or estimated school district income tax payments using the SD 100ES. Individuals who commonly owe more in Ohio income taxes than what is withheld from their compensation include:

- Spouses who file a joint Ohio income tax return and both report income, and
- Individuals who have multiple jobs, all of which are subject to Ohio withholding.

Section III

This section is for individuals whose income is deductible or excludable from Ohio income tax, and thus employer withholding is not required. Such employee should check the appropriate box to indicate which exemption applies to him/her. Checking the box will cause your employer to not withhold Ohio income tax and/or school district income tax. The exemptions include:

- **Reciprocity Exemption:** If you are a resident of Indiana, Kentucky, Pennsylvania, Michigan or West Virginia and you work in Ohio, you do not owe Ohio income tax on your compensation. Instead, you should have your employer withhold income tax for your resident state. R.C. 5747.05(A)(2).
- **Resident Military Servicemember Exemption:** If you are an Ohio resident and a member of the United States Army, Air Force, Navy, Marine Corps, or Coast Guard (or the reserve components of these branches of the military) or a member of the National Guard, you do not owe Ohio income tax or school district income tax on your active duty military pay and allowances received while stationed outside of Ohio.

This exemption does not apply to compensation for nonactive duty status or received while you are stationed in Ohio.

R.C. 5747.01(A)(21).

- **Nonresident Military Servicemember Exemption:** If you are a nonresident of Ohio and a member of the uniformed services (as defined in 10 U.S.C. §101), you do not owe Ohio income tax or school district income tax on your military pay and allowances.
- **Nonresident Civilian Spouse of a Military Servicemember Exemption:** If you are the civilian spouse of a military servicemember, your pay may be exempt from Ohio income tax and school district income tax if all of the following are true:

- Your spouse is stationed in Ohio on military orders; and
- You are present in Ohio solely to be with your spouse.

You **must** provide a copy of the employee's spousal military identification card issued to the employee by the Department of Defense when completing the IT 4.

Note: For more information on taxation of military servicemembers and their civilian spouses, see 50 U.S.C.A. 4001 and tax.ohio.gov/military.

- **Statutory Withholding Exemptions:** Compensation earned in any of the following circumstances is not subject to Ohio income tax or school district income tax withholding:

- Agricultural labor (as defined in 26 U.S.C. §3121(g));
- Domestic service in a private home, local college club, or local chapter of a college fraternity or sorority;
- Services performed by an employee who is regularly employed by an employer to perform such service if she or he earns less than \$300 during a calendar quarter;

- Newspaper or shopping news delivery or distribution directly to a consumer, performed by an individual under the age of 18;
- Services performed for a foreign government or an international organization; and
- Services performed outside the employer's trade or business if paid in any medium other than cash.

*These exemptions are not common.

Note: While the employer is not required to withhold on these amounts, the income is still subject to Ohio income tax and school district income tax (if applicable). As such, you may need to make estimated income tax payments using form IT 1040ES and/or estimated school district income tax payments using form SD 100ES.

See R.C. 5747.06(A)(1) through (6).

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 and you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4.

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 **Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 5. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____

- 2 **Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

 - b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 5 and enter this amount on line 2b **2b** \$ _____
 - c Add the amounts from lines 2a and 2b and enter the result on line 2c **2c** \$ _____

Step 4(b)—Deductions Worksheet (Keep for your records.)

Annual 403(b) Plan Eligibility Notice

Mohawk Schools offers our eligible employees the opportunity to save for retirement by participating in a “403(b) plan.” You can participate in this plan by making pre-tax contributions and Roth 403(b) after-tax contributions. You are eligible to participate in this plan, whether or not you are actively contributing to it.

Not yet contributing to the 403(b) plan?

To start your contributions to the 403(b) plan, complete and return a salary reduction agreement to Cathryn Zimmer or Erika Kirian. Please note that in addition to completing and returning a salary reduction agreement, you must also establish an account with an approved investment provider. You may also need to provide additional information as required by the provider to enroll you in the 403(b) plan.

Already contributing to a 403(b) plan? Great news! You have an opportunity to increase your contributions to the 403(b) plan.

If you are already contributing to the 403(b) plan, you may be able to increase your pre-tax contributions and Roth 403(b) after-tax contributions. To change your contributions, complete and return a salary reduction agreement to Cathryn Zimmer or Erika Kirian. Of course, you can keep your contributions at their current level. In the alternative, if your current financial situation means that you need to lower your savings for retirement, you can change your contribution rate by completing and returning a salary reduction agreement as described above.

How much can I contribute?

In general, you may contribute up to \$24,500 in 2026. This amount may be adjusted annually. Also, if you are at least 50 years old and/or you have completed at least 15 years of service, you may also be able to make additional catch-up contributions. Each catch-up has its own limits. This Notice is not intended as tax or legal advice. Neither your employer nor the investment providers offering retirement savings products under the plan can provide you with tax or legal advice. Employees are encouraged to contact their financial representative or tax professional with any questions.

Cathryn Zimmer, Treasurer

Information about Social Security Form **SSA-1945** Statement Concerning Your Employment in a Job Not Covered by Social Security

The Social Security Protection Act of 2004, Pub. L. No. 108-203, Section 419 requires State and local government employers to provide a statement to employees hired January 1, 2005, or later in a job not covered under Social Security. Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers must use to meet the requirements of the law.

While the earlier version of the SSA-1945 discussed the effect of the Windfall Elimination Provision and/or Government Pension Offset on an employee's potential future benefits, the Social Security Fairness Act (SSFA) of 2023 enacted on January 5, 2025, eliminated the reduction of Social Security benefits under the Windfall Elimination Provision and/or Government Pension Offset for individuals entitled to certain pensions from work not covered by Social Security, starting January 2024. However, this did not remove the requirement for State and local government employers to provide a statement to employees hired January 1, 2005, or later in jobs not covered under Social Security. This version of SSA-1945 explains to an employee that non-covered earnings will not be used to determine eligibility to or calculate the amount of potential future benefits.

Employers must:

- Get the employee's signature on the form
- Give the signed statement and information page to the employee prior to the start of employment
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

A fillable, downloadable version of the SSA-1945 is available online at the Social Security website, www.ssa.gov/online/ssa-1945.pdf.

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 12-31-2026)

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings on your premium that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit, that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%¹ of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.¹²

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

¹ Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

² An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services is offering a **temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.**

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

How Can I Get More Information?
