MORE THAN A SPORT.

CONFIDENCE. DISCIPLINE. GRIT.

Give your child something that builds more than strength.
Give them a place to work hard, belong, and discover what
they can do.

WE ARE THE CARSON VALLEY WILDCATS

We're a local wrestling club for elementary and middle school athletes. Our coaches focus on developing character alongside wrestling skills, helping kids build courage, confidence, and pride in their effort. We want kids to grow as wrestlers, teammates, and people.

SMALL STEPS. BIG GROWTH.

CONFIDENCE

Learning a new skill and seeing hard work pay off gives kids a reason to believe in themselves.

DISCIPLINE & FOCUS

Listening, following directions, and practicing with purpose build habits kids can carry into school and everyday life.

RESILIENCE

Wrestling teaches kids to learn from setbacks, reset, and keep going. One tough match doesn't define them.

ACCOUNTABILITY & RESPECT

Kids learn to own their effort, support their partners, and treat coaches, officials, and opponents with respect.

FITNESS & COORDINATION

Wrestling develops strength, balance, body control, and conditioning through active practice and skill building.

INDIVIDUAL EFFORT. TEAM SUPPORT.

Athletes of different sizes and experience levels have a place in wrestling. Each child works toward personal progress while helping teammates improve. New to the sport? There's a place for you here.

COME GROW WITH THE WILDCAT FAMILY.
