BELIEVE. BELONG. BECOME.

Welcome to Forest Elementary, where the light coming into our beautiful building shines on a joyful community of learning and connection.

A WARM HELLO

Building strong relationships is the heart of what we do at Forest Elementary School. All our students are known and called by name – and understood as the uniquely wonderful individuals they are.

Our school community is important to us, including our families and partners from around the neighborhood. Students enjoy making cards for the residents of Saint Therese Home, for example, and we often welcome volunteers from St. James Lutheran Church.

Students at Forest Elementary enjoy:

- Reading – and all the adventures it makes possible
- Flexible classrooms and blended learning, which result in more teacher time with smaller groups of kids
- The Gaga ball pit in our playground!

From pre-kindergarten to KinderCamp, from our expansive art rooms to our Scooter City event in the gym, Forest offers multiple ways for students to connect all the things they're learning. They know that if they need a little extra help to master a concept or skill, our exceptional staff will make sure they're supported.

Likewise, students ready for bigger challenges will find them here.

MISSION

The mission of Robbinsdale Area Schools is to inspire and educate all learners to develop their unique potential and positively contribute to their community.
