BELIEVE. BELONG. BECOME.

Welcome to Meadow Lake Elementary, a community school committed to our students, families, and our wonderful neighborhood. Our motto of "Be Respectful, Be Responsible, Belong, and Be a Bucket Filler," coupled with our strong academic programming, create the foundation for our caring and scholarly community.

DEVELOPING EACH CHILD'S UNIQUE POTENTIAL

Our school believes in developing the whole child. In addition to our focus on academics, we explicitly teach skills such as emotional management, empathy, kindness, and problem solving. Our goal is to develop strong minds and caring hearts through a growth mindset. We find many reasons to celebrate with students and families throughout the year. Our celebrations focus on both our accomplishments and our commitment to developing deeper relationships with one another.

Building on a foundation of trust and caring, Meadow Lake's educators work with students in small groups, using high quality curricula to make sure everyone has the support they need. We believe no two students learn in the same way and at the same rate. This knowledge drives how we create a wide range of learning activities to help students become masters of their own learning.

Meadow Lake students and staff benefit from the rich diversity evident in every classroom. We believe in honoring each of us while continuing to expand our worldview. We recognize and celebrate the strength in our similarities and differences.

DEVELOPING LEADERS THROUGH OPPORTUNITIES AND COMMUNITY PARTNERSHIPS

Leadership opportunities abound here, like patrolling crosswalks, sharing the morning announcements on video, and helping new students learn what it means to be a Meadow Lake Eagle.

Strong community partners support our students by developing relationships, supporting academic growth, and donating generously.

MISSION

The mission of Robbinsdale Area Schools is to inspire and educate all learners to develop their unique potential and positively contribute to their community.
