BELIEVE. BELONG. BECOME.

At Neill Elementary, we believe every child deserves to feel known, valued, challenged, and inspired. Together with families, we create a school where strong relationships, engaging learning, and a culture of kindness help every student believe in themselves, find where they belong, and become their very best.

EVERY CHILD WILL FEEL CONNECTED

We create a welcoming school where students are known, respected, and supported.

- Caring adults build trusting relationships with every student.
- Families are valued as essential partners.
- Clear expectations and consistent routines create safe, calm learning environments.
- Kindness, respect, and belonging are intentionally taught and practiced every day

EVERY CHILD WILL LEARN WITH CONFIDENCE

We believe all students can succeed when they are challenged and supported.

- Engaging, high-quality instruction encourages curiosity and productive struggle.
- Students collaborate, think critically, and share their thinking through meaningful academic conversations.
- Every learner receives the support needed to grow and achieve.

EVERY CHILD WILL GROW

We prepare students for success in school and beyond.

- Students build confidence, responsibility, and resilience.
- Social-emotional learning is woven into each day.
- Restorative practices help students solve problems, repair relationships, and learn from mistakes.
- Every student is celebrated for their unique strengths and contributions.

OUR PROMISE

Every adult at Neill is committed to creating a school where students feel safe to learn, confident to grow, and empowered to succeed.

We help students BELIEVE in themselves.

We create a place where they BELONG.

Together, we prepare them to BECOME their very best.
