SUPERINTENDENT

RENÉ METZGAR
BUSINESS ADMINISTRATOR/
BOARD SECRETARY

6/17/2026

Dear Stillwater Township School Families,

As we reach the final day of the school year, I want to extend my sincere gratitude to you for your continued partnership and support. It has been a pleasure to witness our students grow, learn, and achieve so much over this school year. None of this would be possible without our families who work alongside our dedicated staff to create such a vibrant and nurturing school environment for our students. Thank you for your involvement, your encouragement, and for being such an integral part of the Stillwater Township School community.

As we look toward the future of our facilities, the Stillwater Township Board of Education has scheduled a Special Meeting on **Monday, June 29, 2026, at 6:00 p.m.** in the Stillwater School Gymnasium. The purpose of this initial meeting is to present essential information regarding the 1988 Building Stabilization, Repairs, and Renovations. During this session, Parette Somjen Architects and French and Parello Engineers will present the findings from their recent research and communicate their formal proposal on how to address and resolve the identified structural concerns. Furthermore, our Bond Counsel and our financial advisor will be in attendance to explain the fiscal plan and the path forward. We encourage all interested parties to attend to stay informed about these vital updates to our school building. We will communicate our future meeting dates for the fall toward the end of the summer.

If you have any questions prior to the meeting, please feel free to reach out to my office. Thank you in advance for your support and partnership in this endeavour. I hope you have a relaxing and joyful summer filled with wonderful memories.

Sincerely,

Dr. Daniel Papa
