BELIEVE. BELONG. BECOME.

Welcome to Zachary Lane Elementary, a community school where everyone feels like family and reading is a really big deal!

READING, RIGOR, AND RELATIONSHIPS

In our school we embrace a culture of kindness and belonging. Students, families and community come together to make the school better.

Reading is at the center of our daily experience, and we celebrate the importance of literacy with experiences like Literacy Night and our Read-a-Thon. Zachary Lane boasts an environment that will create a passion for lifelong literacy.

We use a rigorous hands-on approach to our learning through our community garden and Grow Lab. Certification in the Junior Master Gardener program, as well as an on-site Farmer's Market and a new, optional way to do recess called Explored Learning, make for many engaging opportunities for students to experience Earth Sciences.

The arts are also an important focus at Zachary Lane: visual art, band, orchestra, singing, dancing, and drumming spur self-expression, social growth, and just plain fun.

Families love our school and it shows. A large, active PTA annually sponsors enjoyable activities each year, with a little something for everyone.
