Grades: 6-12

Building Hours:
8 a.m. - 3:30 p.m.

Shaunece Smith
Principal

BELIEVE. BELONG. BECOME.

Welcome to Robbinsdale Virtual Academy (RVA), where students have the flexibility and independence to learn when and where it works best for them, using a laptop to attend classes developed expressly for online delivery. RVA students can receive in-person support from staff at Sandburg Learning Center one day a week.

FLIPPING THE SCRIPT

At RVA, virtual learners from across Minnesota have access to fun and interesting classes for grades 6-12. Even better, they can spend up to an hour with one-to-one access to teachers – live, every day of school.

Grades 6-12

Middle school students build on a foundation of curiosity and peer relationships to develop individual strengths and interests. High school students participate in the same relevant, engaging and rigorous learning that takes place in physical classrooms, but with unmatched flexibility to design learning that works their way.

Many high school students find that the flexibility of RVA allows them to enroll in college courses and complete high school with a year (or more) of college behind them.

We find ways to develop community too. We have groups that focus on social emotional learning, and a new LGBTQ advocacy group began in 2022.

YOUR PATHWAY

RVA advisors support every student as they progress, helping them create plans, schedules, and goals for their education. It's the same learning, in a highly portable classroom.

MISSION

The mission of Robbinsdale Area Schools is to inspire and educate all learners to develop their unique potential and positively contribute to their community.

BELIEVE. BELONG. BECOME.

RVA is a place where students can believe in themselves, belong to a school that meets their needs, and become thoughtful digital learners.

By choosing RVA, students can attend school while they:

- focus on athletic training
- accommodate a work schedule
- attend to health needs from the comfort of home
- benefit from a strong school-family educational partnership.

Learn more about RVA at rva.rdale.org.
