PUBLIC NOTICE:

The Fayetteville City Schools is an Equal Opportunity Employment Agency. This system conforms to the Civil Rights Act of 1964, and the Equal Opportunities Act of 1974. This system assures under Title VI and Title IX that no person shall, on the grounds of race, color, gender, or national origin be excluded from participation in, be denied benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The Fayetteville City School Board's policy outlines the complaint/grievance procedure to assure that these rights are protected under State and Federal law. Any suggestions for the planning or implementation of these programs should be submitted to Mr. Eric Jones, Director of Schools, at the following address:

Fayetteville City Schools**110A South Elk Avenue****Fayetteville, TN 37334****(931)433-5542**

SCHOOL HOURS: As students arrive at school from 7:00-7:40, K-5th Grade students will go to the cafeteria and eat breakfast. PreK students will eat breakfast in the classroom. The students will be dismissed to their classrooms at 7:40 to begin the school day. Instruction will promptly begin at 7:55 am. Your student will be considered officially tardy at 7:55 am.

In the afternoon, each bus rider is dismissed to the main gym or cafeteria where the bus roll is called. Students are released for pickup beginning at 2:40. Please make sure that you pick up your child by 3:05. After 3:05, you will pick up your child in the front of the building. Anyone arriving after 3:05, will have to report to the front office to sign out your child. Being excessively or habitually late to pick up your child, will result in a meeting with the school administrators.

Arrival/Dismissal Procedures for RAS

Arrival: Students may begin arriving at school at 7:00 am. Please, DO NOT drop off your student(s) at school before 7:00 am. Parents may drop off at the front of Ralph Askins at the lobby entrance (3rd Ave) or enter behind the school.

Dismissal: Traffic Flow shall not begin until the school buses depart from the parking lot. This time shall be between 2:40pm-2:50pm. The SRO or a staff member will let parents know when they may begin to enter the parking lot with their vehicles. Dismissal locations:

Kindergarten – 1st – Dismissal will be at the doors of the Kindergarten wing.

2nd-3rd – Dismissal will be at the end of the 2nd/3rd grade hall at the covered awning on the west side

of the building.

4th/5th Grade – Dismissal will be at the Annex

Siblings – Dismissal will be at the front lobby entrance (3rd Ave)

All children must be picked up from the school by 3:05

Other Traffic Reminders:

- 3rd Ave/Shady Lane has STOP signs in place. Please Observe.

- “No Right Turn” into the school entrance off Shady Lane (Buses are the only exception)

- 20 mph on 3rd Ave

- Use proper child restraints when transporting your students to and from school.

- Please have your child ready when arriving at the car rider line with all needed items.

- Utilize the passenger side doors when dropping or picking students up to ensure that

- No children are walking in front or behind of cars. **ALL** traffic should enter from either the Third Avenue entrance OR the Kiwanis Park entrance in a single line and proceed in that line of traffic until reaching one of the above named entrances. At that time, the student can exit the vehicle and safely enter the school.

PLEASE DO NOT drop off any child at other parts of the parking lot and allow him/her to walk through traffic to enter the building! No loitering in or outside the building before, during, or after school hours to ensure the safety of our students and staff.

Our goal is to make Ralph Askins Elementary as safe as possible for our students.

TRANSPORTATION

If your child will need to ride home with someone different or ride a different bus, YOU MUST SEND A NOTE with the following information:

****Name and grade of the student.***

****Name of person and relationship to the student who is making the request.***

****A working telephone number where you can be reached.***

****The address of where the student will be dropped off that day.***

We WILL NOT allow a child to change his/her regular dismissal routine unless the school is contacted in advance with a note or phone call including the information above. Please call the school prior to 1:30pm. This will allow time for the proper staff members to be notified of the change. After this time, your request may be denied.

We always need to have the most up to date contact information including phone number and address so that we can reach you at all times. Please make sure that your contact information is kept current. We don't want to have an emergency with your child and not be able to reach you.

School Attendance

Students are expected to arrive on time each day. If a student is late(tardy), they must check-in through the school front office, and should not go directly to any classroom. (Askins students must be signed in by a parent/guardian). A tardy is issued whenever a student is late to school, or if a student leaves early during the school day.

A student will be recorded as absent if they miss more than 50% of the school day.

Please do not make last minute changes (unless it is a doctor's appointment or emergency) to a child's regular transportation method. If a change needs to be made, contact the school before 2:00pm.

Only a parent/guardian or authorized person will be allowed to check-out a student during the school day.

Excused and Unexcused

An absence or tardy can be excused if a note from the parent/guardian or a doctor's office is submitted within three (3) days of the absence or tardy. A note must be written and sent to the school (phone calls or using the sign-in sheet does not qualify as an excuse note.)

Parent/Guardians are allowed to submit five (5) parent notes for the entire school year. After five (5) notes have been used, only doctor notes will be accepted to excuse a tardy or absence.

Absences or tardies may be excused for the following reasons:

1. Personal illness/injury
2. Illness of immediate family member
3. Death in the family
4. Extreme weather conditions
5. Religious observances
6. Pregnancy
7. School-endorsed activities
8. Summons, subpoena, or court order
9. Circumstances which in the judgment of the principal create emergencies over which the student has no control

EXCESSIVE TRUANCY

Ten (10) unexcused events (absences or tardies, or a combination of the two) will result in a court citation. Once a student acquires five (5) or more days of unexcused absences, the parent/guardian will be required to speak with the administration to discuss student attendance expectations and/or penalties for additional absences and alleged school offences, including potential disciplinary action and/or referral to juvenile court.

ALL visitors MUST check in through the main office. An ID must be presented by all visitors when checking in to the office. (See Fayetteville City Board Policy A 15)

HEALTH SERVICES

A Student Health History completed by the parent will be requested for each student upon initial enrollment and an updated form must be completed at the beginning of each school year. Parents will be asked to make an appointment with the school nurse and principal to discuss any specific or serious health conditions, or change in the child's health status or change in medication.

Medication Guidelines

Any medication taken during school hours should be limited to that which is necessary to maintain a child in school. No school official or teacher will routinely assist in the self-medication of a student except in unique situations in which a child's health is dependent upon medical aid. To help ensure safety and accountability, the child will be supervised during self-administration of medication and written feedback will be forwarded to the parent/guardian regarding any problems.

If, under exceptional circumstances, a child is required to take medication during school hours and the parent, guardian, or school nurse is not available to administer the medication, only the principal or the principal's designee will assist in self-administration of the medication.

NO MEDICATION WILL BE SUPPLIED BY THE SCHOOL OR SCHOOL SYSTEM. IT IS THE RESPONSIBILITY OF A STUDENT'S PARENT/GUARDIAN TO SUPPLY ANY MEDICATION TO BE TAKEN DURING SCHOOL HOURS, FOLLOWING THE GUIDELINES OF THIS POLICY.

A. Prescription Medication

All prescription drugs to be taken at school shall be prescribed by a licensed prescriber on an individual basis and must comply with the following:

- (a) must be delivered to the principal's office by the parent/guardian of the student at which time the amount of medication will be recorded by school personnel
- (b) must be brought in the original pharmacy-labeled container and shall display:
 - Child's name
 - Prescription number
 - Medication name and dosage
 - Administration route or other directions
 - Date
 - Licensed prescriber's name
 - Pharmacy name, address and phone number
- (c) A physician's order and consent form signed by the parent/guardian must be on file at the school prior to any prescription medication being taken by the student. Also, any change in

prescription medication must be authorized in writing by the licensed prescriber and signed by the parent/guardian.

All prescriptions for long-term medications shall be reviewed at least annually.

B. Over-the-Counter (OTC) or Non-prescription Medication

All non-prescription drugs taken at school shall comply with the following:

- (a) must be delivered to the principal's office by the parent/guardian of the student at which time the amount of medication will be recorded by school personnel
- (b) must be brought in the manufacturer's original container with the ingredients listed and the child's name affixed to the container
- (c) require a signed parent/guardian request which shall include (refer to prescription meds. Part B)

If the child is required to take non-prescription medication on a long-term basis, the parent/guardian should indicate this in writing.

ALL UNUSED MEDICATION (PRESCRIPTION AND NON PRESCRIPTION) SHOULD BE PICKED UP BY THE PARENT/GUARDIAN WITHIN FIVE (5) DAYS OF NOTIFICATION OR IT WILL BE DESTROYED.

C. Short-term Medication

If a student is required to take prescription or non-prescription medication on a short-term basis (for example, 1-2 weeks), scheduling doses before and after school hours is recommended.

D. Medical Procedures/Treatment

All procedures/treatments require written orders by a licensed practitioner and signed parental consent prior to the procedure being performed in the school setting by licensed personnel. If a student self-performs a medical treatment or procedure, a designated area shall be provided to ensure the student's privacy. All other healthcare procedures not performed by the student with or without assistance must be performed by a licensed healthcare professional/school nurse.

E. Unauthorized Medication

A student's possession of any unauthorized medication with the exception of inhalers for asthmatic conditions could be considered a zero tolerance offense.

F. Exemptions By Law

Tennessee law permits certain emergency procedures to be performed by school personnel with appropriate training. Those laws include T.C.A. 68-140-510 training for epinephrine injections which allows any lay person who has been trained to administer epinephrine and the amendment to T.C. A. 49-5-415 regarding Glucagon administration. It states that school personnel who volunteer and have been properly trained may administer Glucagon in emergency situations. No school system is required to have volunteer school staff trained. Fayetteville City Schools will not use volunteers. Each school shall have a plan of action in case of such an emergency. The school nurse will be responsible for handling any emergency of this nature and the plan of action will be used if the nurse is not in the building.

Illness, Injury or Accident

If the child becomes sick, injured or involved in an accident while at school, the parent will be notified

of the extent of the illness, injury or accident. He/she will be admitted to the school health clinic for assessment and evaluation. In cases of extreme emergency the following steps will be implemented, unless otherwise instructed by parent/guardian:

- attempt to contact parent/guardian or emergency contact listed on school record
- if illness, injury or accident is life-threatening, emergency assistance (911) will be contacted and child will be transferred to the nearest healthcare facility
- continued efforts will be made to contact parent/guardian, along with the child's physician, in order that the child may receive the best possible care

Head Lice

It shall be the responsibility of the principal or school nurse to notify the parents in the event a child has pediculosis (head lice). A letter shall be sent home by the child to explain the condition, requirements for readmission and deadlines for satisfactory completion of treatment.

In order for the child to return to school, the following steps must be completed:

1. proof of lice treatment must be presented to a school official
2. student must be accompanied by a parent/guardian to the school office to be checked
3. student must be lice free **before returning to the classroom**

Written instruction and verbal information about the treatment and prevention of future outbreaks of head lice will be provided to the parent/guardian.

Other Contagious Diseases

Schools appear to be the perfect place for contagious childhood diseases such as chicken pox, pink eye, flu, colds, rashes, strep throat, viral infections, etc. In order to minimize these health problems, we ask that students not attend school when contagious. The nurse or school official will determine if a child needs to be dismissed from school because of illness. Parents will be called and will be required to pick up their child within two hours of the phone call.

EMERGENCY PROCEDURES

Periodically the school holds emergency fire, tornado, bomb threat, earthquake and intruder drills. On and off, repeated sounds from the alarm system will signal immediate evacuation of the building. Continuous sounding of the bell is the signal for a shelter drill. All students take shelter inside as directed by the teacher. **A Crisis Plan is in place. (See Fayetteville City Board Policy F8A)**

PARENTS VISITING THE CAMPUS

If you need to speak with your child's teacher, please call the school or message the teacher to make an appointment. Teachers are available before and after school and during their planning period, but cannot be pulled out of class other times during the school day.

If you should send balloons or a large floral arrangement for your child's birthday or any other occasion, for safety reasons, we will NOT be able to allow your child to carry these on the bus in the afternoon. (Flowers must NOT be sent in glass containers.)

INVITATIONS

No invitations should be passed out in the classroom unless all children in that class are going to receive one.

SNOW DAYS AND INCLEMENT WEATHER

If schools are closed due to inclement weather, the director of schools will have it announced over the local radio stations (WEKR and WYTM-FM.) **Please note that you will be listening for the Fayetteville City Schools, not the Lincoln County Schools.** If bad weather develops during the day, parents should listen to the radio for possible announcements of school closings. We will also provide the school messenger robocall to the custodial parent only when school is releasing early due to weather. **Phone numbers need to be kept current so parents will receive the call.** Also, check our school's website, school app, Facebook, and Twitter pages for information on school closings.

REPORT CARDS

Report cards are issued every nine weeks. They are to be signed by a parent or guardian and returned. This does not mean that the parent approves or disapproves of the report, only that he/she has seen it. If your child's report card is lost, notify the school office **in writing**. A duplicate card will be sent home for signing.

GRADING POLICY

This school believes that the issuance of grades serves to promote continuous evaluation of student performance, to inform the student and parents of student progress, and to provide a basis for causing needed changes in student performance. Pre-Kindergarten and Kindergarten use a report card checklist. In addition, teachers will have averaged grades of individual work to substantiate the letter assignment. First through Fifth grades use the state grading system. Grades are expressed by numerical values with corresponding letter grades according to Tennessee's uniform grading policy. The numerical values are equivalent to the following letter grades:

A	(90-100)	D	(60-69)
B	(80-89)	F	(below 60)
C	(70-79)	I	Incomplete

**Fayetteville City School System's Honor Roll Requirements are the following:
95 – 100 is High Honors and 90 – 94 is Honors.**

CHILD CUSTODY/PARENTAL ACCESS - (See Fayetteville City Board Policy F 1 C)

No principal or teacher shall permit a change in the physical custody of a child at school unless:

The person seeking custody of the child presents the school official with a certified copy of a valid court order from a Tennessee court designating the person who has custody of the child. The person seeking custody gives the school official reasonable advance notice of his/her intent to take custody of the child at school.

The Elementary and Secondary Education Act (ESEA) makes it clear that Congress expects Local Educational Agencies (LEAs) and schools receiving federal funds to ensure that parents are actively involved and knowledgeable about their schools and their children’s education. The law requires

schools to give parents many different kinds of information and notices in a uniform and understandable format and, to the extent practicable, in a language that the parents can understand. Listed below are some of these required notices that must be made to parents by school districts or individual public schools.

Written complaint procedures: LEAs disseminate free of charge to parents of students, and to appropriate private school officials or representatives, adequate information about the State Educational Agency's (SEA) written complaint procedures for resolving issues of violation(s) of a Federal statute or regulation that applies to Title I, Part A programs. [34 CFR §200.11(d)]

Teacher qualifications: At the beginning of each school year, a district that receives Title I funds must notify parents that they may request information regarding the professional qualifications of their children's classroom teachers. If a parent requests the information, it must include at least:

- whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas taught;
- whether the teacher is teaching under emergency or other provisional status;
- the baccalaureate degree major of the teacher; and
- any other graduate certification or degree held by the teacher and the field of discipline of the certification or degree.

The information must also disclose whether the child is provided services by paraprofessionals, and if so, their qualifications. [20 U.S.C. §6311(h)(6)]

Title III requires that each eligible entity receiving a subgrant under §3114 shall include in its plan a certification that all teachers in any language instruction educational program for limited English proficient children that is, or will be, funded under this part are fluent in English and any other language used for instruction, including having written and oral communication skills. [ESEA Title III, Part A, §3116(c)]

Non-highly qualified teachers: A Title I school shall provide each individual parent timely notice that the parent's child has been assigned, or has been taught for four or more consecutive weeks, by a teacher who is not highly qualified. Student privacy: Districts must give parents annual notice at the beginning of the school year of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

- activities involving the collection, disclosure or use of personal student information for the purpose of marketing or selling that information;
- administration of surveys containing request for certain types of sensitive information;

- any non-emergency, invasive physical examination that is required as a condition of attendance, administered by the school, scheduled in advance and not necessary to protect the immediate health and safety of students.

A district must develop and adopt policies regarding the rights of parents to inspect:

- third party surveys before they are administered or distributed to students;
- measures to protect student privacy when surveys ask for certain sensitive information;
- parental right to inspect any instructional materials;
- administration of physical examinations or screening of students;
- collection, disclosure or use of personal information from students for the purpose of marketing or selling that information; and
- the parental right to inspect any instrument used to collect personal information before it is distributed to students.

Districts must give parents annual notice of an adoption or continued use of such policies and within a reasonable period of time after any substantive change in such policies. *[20 U.S.C. §1232h(c)(2)] [ESEA Title II, Part F, §1061(c)]*

Public release of student directory information: Under the Family Education Rights and Privacy Act (FERPA), an LEA must provide notice to parents of the types of student information that it releases publicly. This type of student information, commonly referred to as “directory information,” includes such items as names, addresses and telephone numbers and is information generally not considered harmful or an invasion of privacy if disclosed. The notice must include an explanation of a parent’s right to request that the information not be disclosed without prior written consent.

Additionally, §9528 requires that parents be notified that the school routinely discloses names, addresses and telephone numbers to military recruiters upon request, subject to a parent’s request not to disclose such information without written consent.

A single notice provided through a mailing, student handbook or other method that is reasonably calculated to inform parents of the above information is sufficient to satisfy the parental notification requirements of both FERPA and §9528. The notification must advise the parent of how to opt out of the public, nonconsensual disclosure of directory information and the method and timeline within which to do so. *[ESEA §9528]*
