BELIEVE. BELONG. BECOME.

Robbinsdale Area Schools offers exceptional early learning programs designed to strengthen families and support children's healthy growth and development.

EARLY CHILDHOOD FAMILY EDUCATION (ECFE)

ECFE offers daytime and evening classes for expecting families and families with infants, toddlers and preschoolers. Families have time to play and learn with other children and a licensed teacher. Families also have time to connect with other caregivers and a licensed parent educator to discuss a variety of parenting topics.

ECFE also offers free home visits with a licensed parent educator who can come to your home or meet with you virtually to answer your parenting questions and provide information on child development and community resources. For more information, call 763-504-4170.

PRESCHOOL

Teachers help children engage and learn in ways that support all areas of growth and development (cognitive, physical, language and social). Our preschool programs have received the highest possible rating by Minnesota's quality rating system for early education settings. Call 763-504-5330 for more information. We offer:

- **Drop-Off Preschool for 3 & 4 year olds:** Classes meet 2-5 days per week, for 2.5 hours each day.
- **ECFE Preschool for 3 & 4 year olds:** Classes are 2-5 days per week. Parents attend with their child one day per week and children attend without a parent the remaining days of the week. It's the perfect combination!
- **5-Day Preschool for 4 year olds:** Classes meet 5 days per week, for 2.5 hours each day. Classes are held at elementary schools across the district and at the New Hope Learning Center. Transportation is available within your attendance area school boundaries.

MISSION

The mission of Robbinsdale Area Schools is to inspire and educate all learners to develop their unique potential and positively contribute to their community.

EARLY CHILDHOOD SCREENING

Early Childhood Screening is a free and simple check of how your child is growing, developing and learning. The screening helps to identify children who may need additional support or services prior to kindergarten. Screening is recommended when a child is 3-4 years old and must be completed before starting kindergarten. We find the ideal age for screening is 3 ½ years old.

Schedule an appointment at rdale.arux.app or call the screening office at 763-504-4180.

EARLY CHILDHOOD SPECIAL EDUCATION/EARLY INTERVENTION

Early Childhood Special Education provides opportunities for growth and support for children and their families. Any child between birth and five years of age with a demonstrated developmental delay, and who meets the Minnesota eligibility criteria in early childhood special education, is eligible to receive services. Call 763-504-4160 for more information.

MINNESOTA HELP ME GROW

Help Me Grow provides resources for families to understand developmental milestones and learn if there are concerns. This helps families take the lead in seeking additional support or referring their child for a comprehensive, confidential screening or evaluation at no cost. Visit helpmegrowmn.org to learn more.
