ABOUT OUR ASTRA MEETINGS

Our meetings are very informal and casual. We do our best to keep the meeting to an hour. We meet in the conference room located at the end of the first hallway on the right. ALL are welcome to attend and join in the discussion. The administrators have always been very supportive of our organization. The principal usually attends our meetings to share school news and upcoming events. Our favorite form of communicating with parents is EMAIL, so please share yours.

Initial Planning Meeting

- Thursday, August 24, 2026, at 6:00 p.m. in the high school office.

We need your help!

ASTRA offers parents an opportunity to remain involved in their children's education. One of the many transitions parents experience as their children enter high school is the loss of communication regarding what is going on at school. There are no more notes from the teachers (unless there are areas of concern). ASTRA offers the opportunity to know the teachers, administrators and other parents. Please come to our next meeting and be a Partner in Education. **If you have questions, please feel free to contact: astrashs01@gmail.com**

Below you will find a list of the activities we support throughout the year. If you would like to help in any way, please sign and return this paper tonight or to the high school office.

Thank You for all of your support!!!
