OUR COMMUNITY

The Roslyn School District, located less than 20 miles from midtown Manhattan, serves a five-square-mile area on Long Island's north shore. It includes the historic Village of Roslyn and parts of East Hills, Flower Hill, Greenvale, Roslyn Estates, Roslyn Harbor, and Roslyn Heights.

Roslyn School District is the learning epicenter of the community. It has a total enrollment of over 3,300 students.

OUR PHILOSOPHY

EXCELLENCE. ELEVATED: *Excellence takes on a different meaning in Roslyn. It is both a constant and an aspiration. Our expertise and experience form an everyday expectation that each student will thrive and flourish, and be surrounded by the care, and encouragement they need. Add in our willingness to create and innovate, as well as the support from our community, and our journey toward success becomes the ever-present motivation. We push ourselves to adjust what we do and how We support each other. Success is our motivator and reality, enhanced and redefined every day in our schools.*

HIGH SCHOOL ACADEMIC PROGRAM

To foster a well-rounded educational experience, our students participate in a rigorous college preparatory academic program that is complemented by an array of extracurricular opportunities, including more than [50 clubs and organizations](#), a three-season athletic program, and comprehensive creative and performing arts offerings. The curriculum features accelerated tracks and honors-level coursework across all academic areas, and a broad selection of Advanced Placement (AP) courses. Through partnerships with SUNY Farmingdale, Rochester Institute of Technology, St. John's University, and Adelphi University, students have dual enrollment opportunities. Roslyn students also benefit from extensive course offerings in art, business, industrial arts, and music.
