Dear Ross School Parents/Guardians,

Starting this fall, instrumental lessons will be offered to 4th graders interested in playing the **clarinet, trumpet, snare drum, or bell kit (xylophone)**. We also offer 3rd graders the chance to play **bell kit only**. Learning to play an instrument is a wonderful experience, and I hope you will discuss the opportunity with your child.

Lessons will take place during the school day, once a week. The students will be responsible for any missed class work, as they will be missing about forty minutes of class time for each lesson. I do my best to schedule lessons so that students do not miss the same class each week. As a band member, your child is responsible for attending their lessons, attending band rehearsals and any performances, and practicing their instruments at home, not just in school. **The majority of what students learn should be practiced at home.**

The student's family must provide the instrument and practice book for the program. I recommend renting from Music & Arts in Northfield (musicarts.com 609-646-2345). This rental program allows students to rent instruments for a 10-month or 2-month period. This rental fee also goes towards the purchase price if you later decide to purchase the instrument, or you may continue to rent for another window of time.

If you are interested in signing your child up for Band, we will be hosting a Band informational meeting on Monday, September 28th at 3pm for any parents/guardians and 3rd/4th grade students who would like to hear a little bit more about the program and get a feel for the instruments. We will have rental forms from Music & Arts to fill out as well. **Students must be accompanied by a parent or guardian to attend.** I look forward to seeing you there!

If you have any questions, feel free to message me on Dojo or email me at levans@margateschools.org.

Musically,
Mrs. Evans
