- We have **transcript request forms** on the guidance website. Whenever you need to send your high school transcript somewhere you must complete the online transcript request form by going to www.battlinminers.com, hover over district at the top of the page, then click on school counselors. Click on the transcript request form tab on the left-hand side, and then click on the request form link. If you are applying through the common app, please note that in your request.
- **Letter of recommendation request forms** are located in the paper tower by the main doors of the guidance office. If you are asking someone to write you a letter of recommendation, you should fill out the letter of recommendation request form and give it to the person you are asking to write you a letter. Make sure you are giving enough time for the person to write you a letter – it is never too early to ask!
