ADDENDUM 2

Project: Camera Installation

Date: September 16, 2026

Invitation for Bid No: 27-00-01

Instructions to Prospective Bidders:

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents and/or prior Addenda as noted below. All conditions, requirements, materials and workmanship are to be as described in the Contract Documents unless specifically stated otherwise. This Addendum consists of two (2) pages.

Questions and Answers:

Q1: Must the prime bidder itself hold the Oregon Construction Contractors Board license at bid submission, or may a prime bidder rely on an appropriately licensed Oregon installation subcontractor for the regulated field work?

A1: Under Oregon public contracting law, both the prime contractor (bidder) and their subcontractors must be licensed or registered with the Oregon Construction Contractors Board.

Q2: Must the prime bidder itself have the Oregon CCB Public Works Bond on file at bid submission, or may that requirement be satisfied by the licensed installation subcontractor performing the public-works scope?

A2: The contractor and every subcontractor must independently have a public works bond filed with the CCB.

Q3: If the prime must hold either credential directly, please confirm the required license classification and the point in the procurement when each credential must be active.

A3: Any contractor that submits a bid to do work must hold a current license and bonds at the time of bidding.
