During the 2025-2026 school year, Proposition 28 funding has been instrumental in helping us strengthen existing programs and create new opportunities across the District. The program funded additional music teachers and an instructional aide, expanding students' access to band, choir, and small ensemble instruction. The additional staffing allowed us to offer smaller classes, provide more individualized support, and create additional performance opportunities. Proposition 28 funding also supported an art teacher, the mariachi program, and instructional materials for the arts and music program.
