Interim Agreement with the Washington State Department of Children, Youth, and Families for Educational Services at Echo Glen Children's Center – Tow-Yick / Turney / Hood

Action to be taken: **I move that the Board approve the Interim Agreement with the Washington State Department of Children, Youth, and Families for educational services at Echo Glen Children's Center, as presented.**

The District's most recent agreement governing educational services at Echo Glen Children's Center was entered into with the Washington State Department of Social and Health Services. That agreement was effective from July 1, 2019, through June 30, 2021.

Since the prior agreement expired, the District and the Washington State Department of Children, Youth, and Families have continued operating in good faith consistent with its terms while working toward a successor agreement.

The proposed Interim Agreement formally documents and clarifies the parties' respective responsibilities while negotiations continue. Upon execution by both parties, the terms and conditions of the prior DSHS agreement will govern until a successor agreement is executed or the Interim Agreement is otherwise terminated in accordance with its terms.

The Interim Agreement is attached to the agenda for review.
