Action to be taken: **I move the Board adopt Resolution No. 1277 authorizing the Superintendent to execute an agreement with Graduation Alliance, Inc. for an Alternative Learning Experience Dropout Recovery Program, as presented.**

The agreement will provide flexible educational opportunities for eligible students under age twenty-one who have not met high school graduation requirements. Graduation Alliance will provide instruction, academic coaching, tutoring, outreach, and student support, while the District retains responsibility for approving student enrollment and overseeing the program.

There is no upfront cost or minimum enrollment commitment. The District will reimburse Graduation Alliance only for eligible students enrolled in the program and reported by the District for state funding. Reimbursement ranges from 7.6% to 8.6% of the Basic Education Allocation, depending on monthly enrollment.

The agreement has an initial three-year term. The District retains authority to approve each student's enrollment.

Resolution No. 1277 and the agreement are attached for Board review.

Martin Turney, Chief of Finance and Operations, and Jacqueline Downey, Chief of Schools, Leadership and Learning, will be available to answer questions.
