2026 Graduation Rate: > 95%*

*4-year cohort

Providence High School, located in suburban South Charlotte, currently serves approximately 2,200 students. We have a rich tradition of excellence which began when the school opened in August 1989. The academic program at Providence is among the best in the state. PHS is a National Blue Ribbon School, the highest recognition available to schools. For the last several years, we have been recognized by the State as one of the top comprehensive high schools with the highest graduation cohort rate. We are currently the **highest ranked school in CMS** for overall growth as determined by the annual NC Department of Public Instruction report. Our students consistently have the highest average SAT and ACT scores in the Charlotte region. Our AP course enrollment is high and our AP exam pass rate is the highest in CMS.

- ❖ Finalists: 9

Graduating Class of 2026

- ❖ 85% PHS graduates attend four-year colleges or universities
- ❖ 13% attend community or junior colleges
- ❖ 2% join the military or the workforce

GRADE POINT AVERAGE AND CLASS RANK

Grade Point Average (GPA) is computed on a 4.0 scale as follows:

- Quality points are assigned per semester of coursework based on A-4, B-3, C-2, D-1, and F-0. One-half extra quality point is added for each Honors course. One extra quality point is added for each Advanced Placement (AP) course or Central Piedmont Community College (CPCC) course passed.
- Students must take 8 courses per year (except seniors who may have Early Release). Each course successfully completed receives 1 credit, except for AP Science labs which do not receive any credit. Seniors must take at least two courses per semester.

Class rank is determined by the weighted GPA at the end of junior year and at the beginning, middle, and end of senior year.

DIPLOMA REQUIREMENTS

In order to receive a high school diploma, a student must successfully complete the graduation requirements of the Charlotte-Mecklenburg School System and the State of North Carolina. To receive a high school diploma, a student must earn 24 credits.
