Come Join us for the ACT Prep Night Class

The ACT Prep Night Class is only *\$40, and includes training booklets worth more than that cost. Each 4 class session leads up to a specific ACT test. To sign up for a session, students should speak to Mrs. Melissa King in the Counseling Center. To pay for the session, a check for \$40 should be written to Lee's Summit West High School and given to Mrs. King.

Students have experienced **impressive test score gains** from the ACT Prep Night Class. To achieve that same success, please follow these guidelines:

1. Students should **look for an email** from one of their instructors that will be sent **before the first day of class**. The email will include the location for each class, the name of the instructor for each class, the time of instruction for each class, and the required materials for each class. Students should look for follow-up emails and reminder emails as well.
2. Each session consists of four classes.
 - **Class 1 is a Practice Test.** (Most students **score 1 or 2 points higher** the second time they take the test, even without focused preparation. Come prepared with a pencil and a calculator for this class and all the others.)
 - **Classes 2 and 3 have tips and tricks for English, Math, Reading and Science.** (Specific, dedicated preparation like this has contributed to **gains of 2 to 4 points**. Come focused, and we'll help you stay focused.)
 - **Class 4 is our final Practice Test.** (We are aiming to make you **comfortable and confident** by the time you see the actual ACT.)
3. In addition to the four classes, students will have extra practice opportunities in the materials that their instructor gives them. All students who have registered to take the ACT can also access ACT Prep information at <http://www.actstudent.org/onlineprep/> using the information they used to create an account and register for the test.

***Please note** that while we have scheduled the classes to lead up to a specific test date, the cost of the class does not include the registration cost of the actual ACT. Students should register and pay for the test online at <http://www.actstudent.org/regist/>.
