Mission Statement

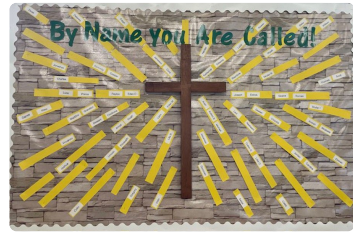

Good Shepherd Catholic School develops successful students with the support of the entire community. Our students reach their maximum academic and personal potential in a safe and nurturing environment, leading them to be people of faith, socialization, and character through study and service.

Let us pray

- + that our Lenten pledge of prayer, fasting, and charity may help us build the Kingdom of God
 - + for all of the intentions of our school community
-

By Name You Are Called

Forgive Offenses Willingly

Do I give others a second chance? That's the question for this Spiritual Work of Mercy. To give someone a second chance is to believe that a person is more than their worst mistake.

In the Gospels, Jesus constantly restores rather than rejects. When Peter denies Him three times, Jesus does not forget him; He asks him three times, “Do you love me?” and entrusts him again with responsibility (John 21). In the woman caught in adultery, Jesus does not deny the woman’s sin but He refuses to let condemnation define her future (John 8). With Zacchaeus, a public sinner becomes a public witness to restitution and renewal (Luke 19).

In leadership—especially in schools and communities—second chances create cultures of growth rather than fear. Students learn resilience. Colleagues learn trust. Communities learn that mistakes are not endings but invitations to new beginnings.

To give a second chance is also to remember how often we have received one. God’s patience with us becomes the measure of our patience with others. Perhaps the deeper question is not, “Do they deserve another chance?” But “What kind of person do I become when I give one?”

From Mrs. Ingraham

Hello Lent!

Aftercare bills went home today. Please return then by **Tuesday February 24th**. The March Lunch Order Form also went home today. We thank you in advance for filling out the order form and returning it promptly. It helps us to plan in ordering and cooking food. We want to ensure that we do not run out of food or have excess leftover that gets wasted.

A quick note about re-enrollment...

You may have noticed that a registration fee was invoiced to your FACTS account in the last few days, stating it is for the 2025-2026 School Year. Please disregard this. This is actually the

registration fee for the 2026-2027 School Year. We apologize for the confusion. We have begun enrollment for the 2026-2027 School Year for students not currently attending Good Shepherd and siblings of students attending Good Shepherd.

Please don't forget to order your Little Caesar's pizza during the month of February and it will shipped directly to your house. It is one less dinner to have to think of and cook! Please save Friday's during Lent, except for Good Friday to come support our Knights of Columbus and their Fish Fry. Lastly, afterare will be held in the Kindergarten classroom on Friday's during Lent to allow for the Fish Fry.

Please know that my door is always open and that no concern or idea is too small, we are all part of one team and family. I truly value our partnership and our whole staff values you and your children. We thank you for choosing a Catholic Education at Good Shepherd Catholic School!
