LICKING VALLEY SCHOOLS EARNS 3 STARS ON STATE REPORT CARD

Sep 16 2026

School Report cards for the 2025-2026 school year have been released and Licking Valley Schools has earned an overall rating of 3 stars. This year's report card is currently available at the following link:

The report card results show improvement in our overall attendance rate and the rate of chronic absenteeism in our schools. Our overall achievement results remain steady as well as our Performance Index score, although we continue work to improve achievement in specific core subject areas. Progress and Gap Closing are key areas in which we work to enhance our students' ability to learn and grow in their academic studies.

Our Graduation Rate as again earned 4 stars and we are extremely proud of our students and staff as over 95% of our students graduate on time. Our College, Career, Workforce, and Military Readiness ratings fell below expectations, something that our administrative team is already analyzing in order to better understand the results and improve these areas of emphasis.

As educators, we are never completely satisfied with the annual report card ratings. We celebrate the improvements but strive to get better each and every year. We will review every component of the report card and work hard to implement programs that continue to enhance our students' ability to achieve at their very highest level.

The annual report card is only part of the Licking Valley story. The relationships we create with our students and community and the vast opportunities to shape students' lives in and outside of the classroom are just as important as we strive to prepare our students for graduation and for

success once they leave our schools. The support of our staff, parents, and community continues to prove that there's no place like the Valley. Thanks to everyone for what you continue to do in support of our mission. Our commitment to all of you is to continue to work to provide the best education and most supportive atmosphere for all of our students. It's GREAT to be a Panther!
