Parents:

We ask your student for information about themselves, and we often get input from their teachers to include in our letters of recommendation to colleges. We also look forward to hearing from you! Please tell us about your child. Information can include: your proudest moments and/or biggest frustrations in parenting, why your child will succeed in college, what will be the hardest part in letting go, your student's career goals, personality traits, etc. While we encourage you to share this information with your child, you can alternatively email it to your student's counselor. Please label the subject of the email "*parent senior profile info*" and make sure you include the name of your student. Thank you.
