ASSESSMENT SCHEDULE Fall 2026

FALL 2026 TEST INFORMATION

October 7, 2026: College and Career Readiness Day (CCRD)

Wednesday, October 7, is College and Career Readiness Day. This will be a half-day for all students. This is a testing day only; no regular classes will be held.

- Test dismissal: 11:45 a.m.
- Lunch will be available at the conclusion of testing.
- Buses will depart at 12:00 p.m.

Please see grade-level information below:

9th Grade

- All freshmen will take the PSAT 9 Readiness Test with their Advisory class.

10th Grade

- All sophomores will take the PSAT 10 Readiness Test with their Advisory class.
- Sophomores who have registered and paid in advance to take a practice PSAT/NMSQT (National Merit Scholarship Qualifying Test) will also test on this day. Interested sophomores should see their counselor for more information.

11th Grade

- Juniors will take the PSAT/NMSQT (National Merit Scholarship Qualifying Test) with their Advisory class.
- Please bring your school ID.
- Students may bring a College Board-approved calculator and a computer mouse for use during testing.

12th Grade

- Seniors may attend school for assistance with college essays and applications in the Library. Interested students should sign up with their counselor through Schoology.
- Seniors who have registered for the ASVAB (Armed Services Vocational Aptitude Battery) will also test on this day. Students should see their counselor if interested.
- Seniors may be contacted to attend on this date to complete graduation requirements.

All students are encouraged to utilize the College Board website throughout the school year to access test preparation materials.

Additional Important College Board Testing Information

- Students must bring their school-issued computers and chargers to school on October 7. Students should ensure their computers are fully charged before testing. Students who arrive without their computers will be unable to test, and no make-up exams will be offered.
- Please ensure that your student's computer and the Bluebook testing application are updated before arriving at school on all testing days (see attachments for instructions).
- PSAT/NMSQT scores can be accessed through your student's College Board account. Please practice logging in with your student using their College Board username and password. The school cannot access this information for students. Please have your student share this information with you so it is readily available for future testing and score reporting throughout high school.
- If there are issues with your student's College Board account, please contact College Board directly at 866-315-6068.

Grandview High School values all assessments as measures of student progress and opportunities for students to demonstrate their learning. Thank you for your support of our testing program.

PSAT/NMSQT INFORMATION FOR JUNIORS

The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is an optional standardized assessment for juniors co-sponsored by the College Board and the National Merit Scholarship Corporation (NMSC). It is the only qualifying test for the National Merit® Scholarship Program, an academic competition that provides recognition and scholarship opportunities.

For more information, visit www.nationalmerit.org.

Juniors do not need to register for the PSAT/NMSQT, as they are automatically registered for the assessment.

Sophomores may also register separately for the PSAT/NMSQT; however, for sophomores, the exam serves only as a practice opportunity and is not a qualifying test for National Merit Scholarship consideration. Sophomores interested in this optional opportunity should contact their counselor for additional information.
