3. Board Members' Business**A. Review of District Finances and Forecast**

- Treasurer Ciarniello compared the February 2026 forecast to the draft August 2026 forecast. This includes all changes that happened between the two forecasts.
- The 20 year capital plan was discussed and what that pays for and how it is funded.
- A discussion was had in regards to building closures and the timeline should a levy pass or fail. A passage would mean Eastlake Middle and Thomas Jefferson Elementary closing within a couple years, but a failure would mean next year. As for the high schools, with a failure, how soon would we rebalance? The timeline will be determined and reviewed after the November election results.
- There will be a forecast update done after the November election to continue to drive the conversation.
