CLINT INDEPENDENT SCHOOL DISTRICT

THE DISTRICT OF INNOVATION

Carroll T. Welch Elementary School

School-Parent Compact

2026-2027

Our PFE policy is posted on our website, distributed at our Title I Nights and is available by request. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education. We strive to coordinate PFE programs with other Federal, State, and local programs.

Funding and Review

Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children. All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the of the PFE Program.

School-Family Meetings/Trainings/Materials

Our school will share materials and trainings to help parents work with their children to improve student achievement. Our school will host Title I meetings in the Fall/Spring and provide support to families in understanding academic standards/assessments and monitoring a child's progress. We will provide training to school personnel and parents in the value parents and offer ways to build a strong partnership between home and school. We will communicate dates and times with ample time for you to make arrangements. Meetings will be offered both in person and virtually and at different meeting times for family convenience.

Ways to be involved at our school

We believe parents and families are key partners in student success! There are many ways you can get involved and make a difference in your child's education. Stay connected by attending our scheduled Open House Nights and in-person conferences during each school year. Sign up for text alerts, emails, and apps and follow our school social media pages and website. Join our Title I meetings to learn about school programs and your rights. You can serve as a parent representative on the district-level or campus-level planning committees that develop educational goals and plans to improve student achievement. Contact our school to learn about volunteer opportunities.

Curriculum/Forms of Assessment/Expected Growth Levels

Our school tracks each child's growth throughout the year through the use of common formative assessments and state-mandated assessments to measure student learning, progress, and readiness. The main assessment system is the State of Texas Assessments of Academic Readiness (STAAR). The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards. Assessment results help guide instruction, interventions, and academic planning. For information regarding the curriculum utilized by our elementary schools, you can contact the Elementary Curriculum and Instruction Department at (915) 926-4042. Questions pertaining to middle school and high school, can be addressed to the Secondary Curriculum and Instruction Department at (915) 926-4031.

Ways to request meetings with the school

We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome. Parents can request a meeting with a teacher, principal, or other staff member as needed by calling the school office for an appointment. If parents have concerns regarding the Campus Improvement Plan, they may contact the school office to submit their comments or concerns. Upon parent request, the school will provide reasonable support for parental involvement activities.

School-Parent Compact

This document outlines how parents, teacher, school staff, and students will share the responsibilities for improved student achievement. This compact will be discussed during our Title I meetings in the Fall/Spring. Our school will provide reasonable access to staff, opportunities for parents to be involved, and regular two-way meaningful communication in a language and format families can understand. We will communicate through newsletters, our website, telephone calls, and parent apps such as Dojo and Remind. We will offer parent meetings to help students achieve academic success and meet the state's academic achievement standards. Grades and attendance can be monitored through the Skyward parent portal and progress reports sent home.

The School's Responsibilities

- Provide high-quality curriculum and instruction
- Provide a supportive & effective learning environment classroom
- Opportunities for parents to participate, in decisions relating to the education of their children and the positive use of extracurricular time
- Provide opportunities for parents to observe/ volunteer
- Provide annual parent conferences

The Guardian's Responsibilities

- Encourage your child
- Ensure your child comes to school prepared, rested and ready to learn
- Monitor attendance, academic progress, and homework completion
- Stay informed and attend parent meetings to learn ways to help at home
- Complete feedback surveys

The Student's Responsibilities

- Come to school prepared, rested and ready to learn
- Attend school every day and on time
- Ask for help when needed
- Follow the Student Code of Conduct
- Be respectful, safe, and responsible

Parents can provide feedback on the School Parent Compact and the PFE Policy by calling our school at 915-926-4400. The School-Parent Compact & the PFE policy were developed and revised jointly with parents on September 11, 2026.
