The School District of Haverford Township

Haverford High School

200 Mill Road
Havertown, PA 19083

To the Parent/Guardian of a Visiting Student:

Thank you for your interest in Haverford High School. We are pleased to offer a Student Shadow Program for students who are considering enrolling at Haverford High School. This program provides prospective students with the opportunity to follow a current student for a full school day in order to experience our academic programs, extracurricular activities, and school community firsthand.

To participate, please complete and sign the attached form and provide current emergency contact number(s). We also ask that the visiting student sign the form, acknowledging their agreement to follow all school rules, policies, and regulations during their visit.

Visitors must be students who are actively considering enrollment at Haverford High School for the upcoming months or the following school year. All visits require prior approval. Clearance must be obtained at least 48 hours in advance of the requested visit date. Students who have not received advance approval will not be permitted to attend.

If you have any questions, please contact our office. We look forward to welcoming your student to Haverford High School.
