

Jefferson Elementary

5000 Sharman St. Houston, TX. 77009 713-696-2778

Ms. Yesenia Garcia, Principal

Mrs. Rosa Codina, Assistant Principal

SDMC Meeting Minutes - September 9, 2026

The SDMC meeting began at 4:30 p.m. Ms. Garcia welcomed attendees and introduced the new committee members.

The following items were discussed during the meeting:

1. Current Enrollment

Ms. Garcia provided an update on current student enrollment. The campus currently has 266 students, successfully meeting the projected enrollment target.

2. Staffing Updates

The committee discussed recent staffing considerations. A proposed staffing adjustment that would have added a Pre-K teacher and removed a 4th-grade teacher was reconsidered. Because Pre-K enrollment did not require an additional teacher, the campus was able to retain the 4th-grade teaching position.

Additionally, following the resignation of Ms. Jimenez from the 5th-grade team, the instructional structure was adjusted from a triad model to a two-way split to accommodate the staffing change.

3. Beginning of Year (BOY) NWEA Data

Ms. Garcia reviewed the campus's Beginning of Year (BOY) NWEA assessment data. The results shared with the committee included:

- Science – 66th percentile
- Math – 61st percentile
- Reading – 56th percentile

Based on the BOY results, the committee discussed the need to prioritize Reading as an instructional focus. The campus will continue monitoring student progress and implementing strategies designed to support academic growth in Reading.

4. Open House

The committee discussed the upcoming Open House, scheduled for September 24, 2026, from 4:30 p.m. to 6:00 p.m. Open House will take the place of the previously scheduled Demo Day.

The meeting adjourned at 5:00 p.m.
