About Eastside Catholic

Our Mission

Eastside Catholic School is a Catholic faith-based educational community where students learn to integrate their thinking and believing in ways that encourage intellectual excellence, nurture relationships and inspire a life of leadership and service to others.

Boasting a robust community of 827 students in grades 6-12, EC is a close-knit community where academic strengths, athletic accomplishments and an emphasis on spiritual and moral growth have translated into long-term life success for our students.

Your Support

We rely on generous sponsors and friends like you to support our mission by caring for our students, faculty and staff. Funds raised go towards supporting academic programming, clubs, campus operations, tuition assistance, scholarships and much more. You are invaluable to our success for which we are grateful.

Eastside Catholic receives no funding from state and local taxes and is a nonprofit charitable organization, so many sponsorship types may be tax deductible.
