P. Public Comment

1. In order to conduct its meetings properly and efficiently, the Board shall require the following procedures to public participation at Board Meetings:
 - Any individual desiring to speak shall give his/her name, address and group, if any, that is represented.
 - The presentation shall be as brief as possible but no more than three (3) minutes per individual.
 - The Board vests in its President, or other presiding officer, authority to terminate the remarks of any individual if he/she deems it in the best interest of those

present to do so.

Q. Executive Session

1. Legal Matters

R. Adjournment

POLICY 5131.8 USE OF ELECTRONIC COMMUNICATION AND RECORDING DEVICES

The Palisades Park Board of Education recognizes that the use of electronic communication and recording devices (ECDRD) can disrupt the educational environment, interfere with instruction, and pose risks to student privacy and safety. In compliance with State law and Department of Education regulations, the Board establishes strict controls over student possession and use of personal ECDRDs during the school day.

A. Definitions

1. "Electronic Communication and Recording Device" (ECDRD) means any personal device capable of sending, receiving, storing, or displaying wireless, cellular, or internet communications, or capturing images, audio, or video. This includes, but is not limited to: cellular telephones, smartphones, smartwatches/wearables, tablets, personal computers, media players, smart glasses, wireless earbuds/headphones, and handheld gaming consoles.
2. "School Day" or "Bell-to-Bell Period" means the entire period of time from the official morning entry/tardy bell through the final afternoon dismissal bell. This includes instructional class periods, study halls, passing times in hallways, lunch periods, recess, physical education blocks, assemblies, and school-sponsored activities during standard school hours.

B. General Prohibition ("Bell-to-Bell")

1. Personal ECDRDs brought to school by students must be turned off completely (not placed on silent, vibrate, or airplane mode) and stored out of sight during the entire school day.
2. Students are strictly prohibited from using, displaying, or activating personal ECDRDs from the time they enter the school building in the morning until the final dismissal bell at the end of the school day.
3. ECDRDs must be stored in designated locations established by the building administration, which may include assigned lockers, backpack storage in elementary cubbies, classroom storage units/wall caddies, or district-issued lockable pouches.

C. Prohibited Uses at All Times

1. Privacy Violations: The capture, recording, or transmission of audio, video, or photographic images of any student or staff member without explicit, prior administrative approval is strictly prohibited.
2. Restricted Areas: ECDRDs are strictly forbidden in restrooms, locker rooms, dressing areas, and health offices under any circumstances.
3. Academic Integrity: The use of an ECDRD to cheat, plagiarize, share assessment materials, or access unauthorized information during academic activities is a severe violation of the Code of Student Conduct.

4. Harassment, Intimidation, and Bullying (HIB): Using an ECRD to commit acts of HIB on school grounds or off-site (where it causes a substantial disruption to the school environment) will be addressed under Policy 5131.1 (HIB).

D. Exceptions

Exceptions to the bell-to-bell prohibition shall be granted only under the following documented conditions:

1. Individualized Needs (IEP / 504 / IHP): An ECRD is explicitly required as an accommodation or assistive technology outlined in a student's Individualized Education Program (IEP), Section 504 Plan, or Individualized Healthcare Plan (e.g., continuous glucose monitoring). Access is restricted solely to the designated medical/educational application.
2. Language Translation: An English Language Learner (ELL) requires real-time translation where district-issued technology is unavailable, as authorized by the classroom teacher or administration.
3. Caregiver Responsibilities: Documented authorization is granted by the Building Principal for a student who acts as a primary caregiver for a family member.
4. Official Emergencies: When explicitly authorized by the Superintendent or Building Principal during an active, declared school emergency.

E. Parent-Student Communication

1. Parents/guardians needing to transmit urgent messages to their children during the school day must contact the school's Main Office. School staff will promptly deliver messages to the student.
2. Parents are instructed not to call or text their child's personal ECRD during school hours, as this causes a direct disruption to instruction and may subject the student to disciplinary action.
3. If a student needs to contact a parent/guardian due to illness or an urgent matter, the student must request a pass to the Main Office or Nurse's Office to use a district telephone.

F. Violations and Progressive Discipline

Students who violate this Policy shall be subject to progressive disciplinary measures as outlined in the Code of Student Conduct.

- First Offense: Verbal warning; the device shall be powered off immediately and placed in the designated classroom storage unit/office until the end of the period/day.
- Second Offense: Confiscation of the ECRD by school staff and submission to the Main Office. The student may retrieve the device at the end of the school day. Parent notification.
- Third Offense: Confiscation of the ECRD. The device will be released only to a parent/guardian. Administrative conference and detention assigned.

- Fourth/Repeated Offense: Loss of the privilege to bring an ECRD onto school grounds, mandatory daily morning check-in of the device at the Main Office, and/or in-school suspension.

Note on Confiscation: School staff holding a confiscated ECRD shall place it in a secure location. Staff shall not search the digital contents of an ECRD unless there is specific, articulable reasonable suspicion of a crime or safety violation, in accordance with state and federal legal standards.

G. District Liability

The Board of Education assumes no responsibility or liability for the loss, damage, theft, or destruction of any personal ECRD brought onto school property, district transportation, or to school-sponsored events. Students who bring personal devices to school do so at their own risk.

Policy 1316 - Posting of Signs or Displays Prohibited

It is the policy of the Board of Education that school property, buildings, facilities and equipment not be used for the posting or display of signs, posters, banners or other displays, unless pre-authorized in writing by the Superintendent or designee, whose authorization shall only be given in accord with this Policy. Vehicles, trailers, or other personal property may not be parked or otherwise located on school or other Board of Education property if signs, posters, banners or other displays are located on said vehicle or property; vehicles and property found on school or other Board of Education property in violation of this Policy will be subject to removal at the owner's sole expense.

No signs, posters, banners or other displays by, on behalf of, in support of, or otherwise regarding candidates for any elected office, politicians, political parties, political causes, political or electoral campaigns, or other politics, shall be permitted to be located, erected, installed or otherwise placed on any school property, facility, equipment or grounds. This prohibition shall apply without exception, including during the use of any school property as a polling place during an election, but shall not prohibit informational signage placed by the County Board of Elections.

Signs, posters, banners and other displays on behalf of, in support of, or otherwise advertising commercial entities or interests shall not be permitted without the Board's pre-approval. This policy does not prohibit the temporary parking, in the normal course of business, of commercial vehicles with markings advertising their business.

Signs, posters, banners, and other displays regarding school information, events, clubs and activities must be pre-approved by the Superintendent or their designee. Signs, posters, banners, and other displays regarding non-profit non-political community events, activities or information may be posted only with the written pre-approval of the Superintendent or their designee.

Signs, posters, banners, or other displays posted or erected without written pre-approval, or otherwise in violation of this or any Policy, shall be immediately removed by district staff. The knowing, intentional, or repeated posting on Board property in violation of this Policy may be considered trespass; the Board reserves all rights to seek compensation for damages caused by unapproved posting, including the costs of removal, as well as all other remedies available under the law.

See, Ringwood Education Association v. Ringwood Board of Education, A-1159-24, 2026 WL 2083585 (App. Div. 2026) (The board of education "could certainly" prohibit "members of the public from erecting political lawn signs on school grounds...").
