From the Principal's Desk

Good evening, families!

Our school year is off to a wonderful start, and it has been so exciting to see our students settling into routines, building friendships, and growing more confident each day.

We practiced some very important **safety procedures and a tornado drill**. I want to take a moment to celebrate our students as **they truly impressed us!** They listened to directions, remained calm, respectful, and demonstrated that they understand the importance of knowing what to do in an emergency. Practicing these drills helps us make sure everyone knows how to respond calmly and safely when it matters most.

Thank you, families, for your continued partnership and support. We are looking forward to another great week together!

Warmly, Mr. Ohlson, Principal
