## Mission

The mission of Christian Brothers Academy is to develop intellectually mature and morally responsible leaders. Drawing from the ethos of the founder of the Christian Brothers and the patron saint of teachers, St. John Baptiste de La Salle, Christian Brothers Academy not only imparts knowledge but transforms adolescent boys into Christian gentlemen of strong moral character who are aware of the larger world and ready to serve society. Excellent academics and diverse extracurricular programs are invaluable parts of this mission, but it is the totality of education, the development of the whole person - spirit, mind, and body - that Christian Brothers Academy is uniquely suited to provide.

## Academic Program

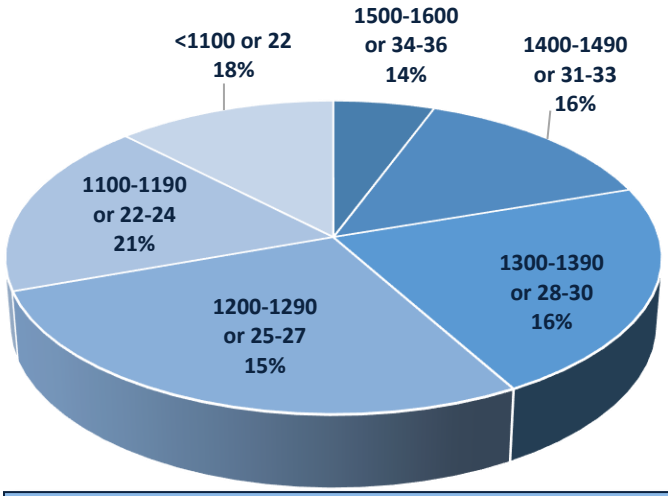

- Christian Brothers Academy engages students in a rigorous liberal arts curriculum.
- All courses, no matter the level, are academically rigorous and promote high-level analytical thinking.
- Students must enroll in at least six classes per year, while most students complete seven classes per year.
- Gaining entrance to honors, accelerated and/or AP courses is predicated on earning a qualifying final grade in the prerequisite course.
- All students enrolled in an AP course must sit for the corresponding AP exam.
- Linear Algebra & Differential Equations, Anatomy & Physiology, Business, and Economics are demanding courses offered to seniors and should be regarded as college-level courses.
- Students earning below 70 as a final average in an academic year course are required to take a summer course for remediation.

## Signature Programs

- The **Brother Michael Dwyer, FSC Scholars Program** is comprised of a cohort of students who complete a two-year program of focused research in a selected area of study before presenting their projects to the CBA community senior year. Students are also required to complete both AP Seminar and AP Research.
- The **Christian Service Program** requires each student to complete a minimum of 70 hours of service to those in need over their 4 years of high school. Seniors particularly committed to service can enroll in a **Christian Service Class** where they perform weekly volunteer service at a site of their choosing.
- The **Peer Ministry Program** selects 30 seniors to serve as "GURU's" to members of the freshman class. The GURU's lead weekly meetings with small groups of freshmen to help foster their personal, spiritual, academic, and social growth.
