Outside Teaching Experience: One year of credit will be provided for each year of approved outside teaching experience.

A year's experience on the Salary Schedule will correspond to the same amount of time that the State of Colorado uses to determine a year for the purpose of granting probationary credit (120 days under assignment).

This salary schedule is used primarily for initial placement of certified new hires, based upon verified educational level and relevant years of teaching experience.

Salary amounts are subject to annual review and approval. As such, please note that the salary schedules are not a guarantee of future compensation.
