

Student Transportation Permission & Release Form

Dear Parents,

Arborbrook Christian Academy may provide transportation for students participating in school-sponsored athletic events, competitions, and related activities. Students may be transported in an Arborbrook-owned or school-approved passenger van driven by an authorized Arborbrook employee or approved adult driver.

Transportation & Supervision

Arborbrook Christian Academy maintains a general policy of **two-adult supervision of students whenever possible**. However, because of the nature of transportation to and from athletic events, there may be occasions when **one authorized adult will drive the school van with students as passengers**.

By signing this form, I acknowledge and understand that:

- My child may ride in an Arborbrook school van to and/or from a school-sponsored sporting event.
- The van may be operated by **one authorized adult driver**, even though Arborbrook generally seeks to provide two-adult supervision.
- The adult driver will be responsible for operating the vehicle and supervising students during the trip.
- The driver may be an Arborbrook employee, coach, faculty/staff member, or other adult approved by the school and authorized to drive the vehicle.
- Students are expected to follow all school rules, transportation expectations, and directions given by the driver or supervising adults.
- Students must remain properly seated and use the vehicle's available seat belts at all times while the van is moving.
- The school may establish specific loading, unloading, departure, and return procedures for each event.

- I understand that transportation arrangements may vary depending on the event, schedule, number of students, and availability of approved adult drivers.

Parent/Guardian Permission

I give permission for my child to be transported in an Arborbrook Christian Academy school van for school-sponsored sporting events during the 2026-2027 school year.

I understand that **one authorized adult may serve as the driver and sole adult supervisor in the vehicle** when transportation circumstances require it. I understand that this is an exception to Arborbrook's general two-adult supervision policy and that the school will continue to use reasonable measures to promote student safety.

I understand that this permission applies to transportation associated with school-sponsored sporting events and does not obligate Arborbrook to provide transportation for every event.

I agree to indemnify, defend, and hold harmless Arborbrook from any and all liability arising out of or in any way related to transportation in an Arborbrook vehicle, including any liability resulting from intentional or reckless acts.
