- This recommendation closes John M. Sexton Elementary School (SES) at the end of the 2026-27 school year.
- The current Sexton Elementary zone will be rezoned to Lynch and Woodlawn elementary schools. Both schools earned an A school grade in 2025-26.
- Students who live in the current Sexton Elementary zone will be assigned to these schools based on their home address, with 46th Avenue serving as the boundary line.
- The ESE program will transition to the new fundamental elementary school at Pinellas Park. Transportation may be provided in alignment with School Board policy.
- Sexton Elementary earned an A school grade in 2025-26. The recommendation for closure and rezoning is driven by districtwide enrollment trends, facility utilization, and the need to align resources to best serve students across the district.
