

STRATEGIC PLANNING

COMMUNITY UPDATE

ONE COMMUNITY. ONE VISION. OUR FUTURE.

Eanes ISD is building a community-informed roadmap for its students through 2040. The work is grounded in a shared commitment to preserve and evolve - protecting the excellence, relationships and community that define Eanes ISD while considering how student experiences must evolve for the future.

MILESTONES AND PROGRESS

AUG 20 | Core Team launch

Planned activities for Vision Team to enable them to translate community goals into actionable goals.

AUG 27 | Vision Team launch

Examined Eanes ISD legacy, future workforce demands and the essential experiences students will need in 2040 and beyond.

SEPT 3 | Core Team meeting

Analyzed Vision Team input and developed tools for advisory groups, focus groups and the Data Team.

SEPT 8 | Academic Excellence Advisory Group

Educators identified practices to preserve and evolve, along with conditions needed for successful implementation.

SEPT 10 | Data Team meeting

Identified surveys for collecting feedback from alumni and community.

SEPT 14 | Communications Team meeting

Identified communication strategies, key messages and assigned roles to capture stories.
