Based on the functional assessment, the IEP team shall meet to determine whether a behavioral intervention plan is needed. If such a plan is needed, the IEP team shall be expanded to include a behavioral intervention case manager, qualified staff knowledgeable of the student's health needs, and others with expertise as deemed necessary by the parent/guardian, district or Special Education Local Plan Area (SELPA). This team shall develop a written behavioral intervention plan which includes: (5 CCR 3001)

1. A summary of information gathered from the functional analysis assessment
2. An objective description of the targeted maladaptive behavior(s) and replacement positive behavior(s)
3. The student's goals and objectives specific to the behavioral intervention plan
4. A detailed description of interventions to be used and the circumstances for their use
5. Specific schedules for recording the frequency of intervention use and the frequency of the targeted and replacement behaviors, including specific criteria for discontinuing an ineffective intervention or replacing it with a specified alternative
6. Criteria by which the procedure will be diminished or less restrictive intervention schedules or techniques used
7. The extent to which the behavioral interventions will be used in the home, residential facility, work site or other settings
8. Specific dates when the IEP team will periodically review the efficacy of the program
9. The frequency of the consultation to be provided by the behavioral intervention case manager to the staff and parents/guardians who are responsible for implementing the plan

Based on the results of the functional analysis assessment, interventions specified in the plan may include: (5 CCR 3052)

1. Altering the identified antecedent event to prevent the behavior from occurring
2. Teaching the student alternative behaviors that produce the same consequences as the inappropriate behavior
3. Teaching the student adaptive behaviors
4. Manipulating the consequences of behaviors so that the alternative behaviors more effectively produce desired outcomes

Acceptable responses to targeted behavior may include, but are not limited to, one or more of the following: (5 CCR 3052)

1. Ignoring the behavior but not the student
2. Redirecting the student to an activity
3. Providing verbal feedback
4. Acknowledging the message of the behavior
5. Providing a brief physical prompt to interrupt or prevent aggression, self-abuse or property destruction

The behavioral intervention plan shall become a part of the student's IEP and shall be sufficiently detailed so as to direct the plan's implementation. (5 CCR 3052)

A copy of the behavioral intervention plan shall be provided to the person or agency responsible for implementation in noneducational settings. (5 CCR 3001)

At intervals scheduled by the IEP team, the behavioral intervention case manager, parent/guardian and others as appropriate shall evaluate the effectiveness of the behavioral intervention plan in accordance with law. This review may be conducted in meetings, by telephone conference, or by other means, as agreed upon by the IEP team. (5 CCR 3052)

If the IEP team determines that major changes in the behavioral intervention plan are necessary, the teacher and behavioral intervention case manager shall conduct additional functional analysis assessments and propose changes. The parent/guardian and the behavioral intervention case manager or qualified designee may make minor modifications in accordance with law without an IEP team meeting. The IEP team also may include in the plan contingency schedules for altering specified procedures, their frequency or their duration, without reconvening the IEP team. (5 CCR 3052)

Emergency Interventions

Emergency interventions not specified in a student's behavioral intervention plan shall be used only as long as necessary to control unpredictable, spontaneous behavior which poses clear and present danger of serious physical harm or property damage and which cannot be prevented by a less restrictive response. Emergency interventions shall not be used as a substitute for systematic behavioral intervention plans. (5 CCR 3052)

Only emergency interventions approved by the SELPA may be used. (5 CCR 3052)

Parents/guardians shall be notified within one school day whenever emergency intervention is used. A behavior emergency report shall immediately be completed, kept in the student's file, and forwarded to the Superintendent or designee for review. This report shall include: (5 CCR 3052)

1. The name and age of the student
2. The setting and location of the incident
3. The name of the staff or other persons involved
4. A description of the incident and the emergency intervention used
5. A statement of whether the student is currently engaged in a systematic behavioral intervention plan
6. Details of any injuries sustained by the students or others, including staff, as a result of the incident

If the behavior emergency report is for a student who does not have a behavioral intervention plan, the Superintendent or designee shall, within two days, schedule an IEP team meeting to review the emergency report, to determine the necessity for a functional analysis assessment, and to determine the necessity for an interim behavioral intervention plan. The IEP team shall document the reasons for not conducting an assessment and/or not developing an interim plan. (5 CCR 3052)

If the behavior emergency report is for a student who has a behavioral intervention plan, any incident involving a previously unseen serious behavior problem or where a previously designed intervention is not effective shall be referred to the IEP team. The IEP team shall review the incident and determine whether the student's plan needs to be modified. (5 CCR 3052)

Prohibited Interventions

The district prohibits any use of the following: (5 CCR 3052)

1. Any intervention designed or likely to cause physical pain
2. Releasing harmful or unpleasant sprays or substances near the student's face
3. Any intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort or access to the bathroom
4. Any intervention that subjects the student to verbal abuse, ridicule, humiliation or excessive emotional trauma
5. Use of any material or objects which simultaneously immobilize all hands and feet, except that prone

containment or similar techniques may be used by trained staff as a limited emergency intervention

6. Locked seclusion, unless in a facility otherwise licensed or permitted by law to use a locked room
7. Any intervention that precludes adequate supervision of the student
8. Any intervention that deprives the student of one or more of his/her senses
9. Force exceeding what is reasonable and necessary under the circumstances

---

Policy 6161.1: Selection And Evaluation Of Instructional Materials

Status: DRAFT - Keep

Original Adopted Date: 11/01/2011 **| Last Revised Date:** 10/01/2023

The Governing Board desires that district instructional materials, as a whole, present a broad spectrum of knowledge and viewpoints, accurately reflect and value society's diversity, stimulate thought, the exploration of ideas and intellectual exchanges, and enhance instructors' ability to educate all students through the use of multiple teaching strategies and technologies. The Board shall adopt instructional materials based on a determination that such materials are an effective learning resource to help students achieve grade-level competency and that the materials meet criteria specified in law. Textbooks, technology-based materials, and other educational materials shall be aligned with academic content standards and the district's curriculum to ensure that they effectively support the district's adopted courses of study.

The Board shall select instructional materials for use in grades K-8 that have been approved by the State Board of Education (SBE) or that have, during the district's review process, been determined to be aligned with the state academic content standards adopted by SBE, which includes instructional materials for mathematics and English language arts that are aligned to Common Core State Standards. (Education Code 60200, 60210)

The Board shall adopt instructional materials for grades 9-12 upon determining that the materials meet the criteria specified in law and the accompanying administrative regulation. (Education Code 60400)

In selecting or adopting instructional materials, the Board shall consider the recommendation of the Superintendent or designee and/or an advisory committee established to review the materials.

The degree to which every student has sufficient access to standards-aligned instructional materials shall be included in the district's local control and accountability plan. (Education Code 52060)

Sufficiency of Instructional Materials and Public Hearing

The Board shall annually conduct one or more public hearings on the sufficiency of the district's instructional materials, including textbooks, technology-based materials, other educational materials, and tests. Technology-based materials include, but are not limited to, software programs, video disks, compact disks, optical disks, video and audio tapes, lesson plans, databases, and the electronic equipment required to make use of those materials by students and teachers as a learning resource. (Education Code 60010, 60119)

The hearing shall be held on or before the end of the eighth week from the first day students attend school for that year. (Education Code 60119)

The Board encourages participation by parents/guardians, teachers, interested community members, and bargaining unit leaders at the hearing. Ten days prior to the hearing, the Superintendent or designee shall post a notice in three public places within the district containing the time, place, and purpose of the hearing. The hearing shall not take place during or immediately following school hours. (Education Code 60119)

At the hearing(s), the Board shall determine, through a resolution, whether each student in each school, including each English learner, has sufficient textbooks and/or other instructional materials that are aligned to the content standards adopted by SBE and consistent with the content and cycles of the curriculum framework adopted by SBE in each of the following subjects: (Education Code 60119)

1. Mathematics
2. Science
3. History-social science
4. English language arts, including the English language development component of an adopted program
5. World language

The Board shall also determine the availability of science laboratory equipment, as applicable to science laboratory courses offered in grades 9-12. (Education Code 60119)

In making these determinations, the Board shall consider whether each student has sufficient textbooks or other instructional materials to use in class and to take home. This does not require that each student have two sets of materials. However, materials shall not be considered sufficient if they are photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage. (Education Code 60119)

If materials are in a digital format, they shall be considered sufficient as long as each student, at a minimum, has and can access the same materials in the class and to take home as all other students in the same class or course in the district, and has the ability to use and access them at home. (Education Code 60119)

If the Board determines that there are insufficient textbooks or other instructional materials, the Board shall, by resolution, provide information to classroom teachers and to the public setting forth, for each school in which an insufficiency exists, the percentage of students who lack sufficient standards-aligned textbooks or instructional materials in each subject area and the reasons that each student does not have sufficient textbooks and/or instructional materials. The Board shall submit a copy of the resolution to the County Superintendent of Schools no later than three business days after the hearing. The Board shall take any action to ensure that each student has sufficient materials within two months of the beginning of the school year in which the determination is made. (Education Code 60119)

In addition, if the County Superintendent, in accordance with Education Code 1240, makes the district aware of a school that does not have sufficient textbooks or instructional materials, the district shall take any action to ensure that each student has sufficient materials within two months of the beginning of the school year.

Prohibition Against Refusal to Approve or Prohibit the Use of Specified Instructional Materials

The use of any textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction, or any book or other resource in a school library shall not be rejected or prohibited by the Board or district on the basis that it includes a study of the role and contributions of any individual or group consistent with the requirements of Education Code 51204.5 and 60040, unless such study would violate Education Code 51501 or 60044. (Education Code 243)

Complaints

Complaints concerning instructional materials shall be handled in accordance with Board Policy 1312.2 - Complaints Concerning Instructional Materials, Board Policy 1312.3 - Uniform Complaint Procedures, or Administrative Regulation 1312.4 - Williams Uniform Complaint Procedures, as applicable.

Regulation 6161.1: Selection And Evaluation Of Instructional Materials

Status: DRAFT - Keep

Original Adopted Date: 11/01/2010 **| Last Revised Date:** 10/01/2023

Review Process

The district's review process for evaluating instructional materials shall involve teachers in a substantial manner and shall encourage the participation of parents/guardians and community members in accordance with Education Code 60002. The review process may also involve administrators, other staff who have subject-matter expertise, and students as appropriate. The Superintendent or designee shall seek input from stakeholders with diverse backgrounds and perspectives.

If the district is considering the use of instructional materials for grades K-8 that have not been adopted by the State Board of Education (SBE), the Superintendent or designee shall ensure that a majority of the participants in the district's review process are classroom teachers who are assigned to the subject area or grade level of the materials. (Education Code 60210)

The Superintendent or designee may establish an advisory committee to conduct the review of instructional materials.

The Superintendent or designee shall present to the Governing Board recommendations for instructional materials and documentation that supports the recommendations.

All recommended instructional materials shall be available for public inspection at the district office.

When possible, the district may pilot instructional materials in a representative sample of classrooms for a specified period of time during a school year, in order to determine the extent to which the materials support the district's curricular goals and academic standards, and accurately reflect and value society's diversity. Feedback from teachers piloting the materials shall be made available to the Board before the materials are adopted.

Criteria for Selection and Adoption of Instructional Materials

In recommending instructional materials for adoption by the Board, the Superintendent or designee shall ensure that the materials:

1. Are aligned to the content standards adopted by SBE and consistent with the content and cycles of the curriculum framework adopted by SBE

   For grades K-8, only instructional materials on the list of materials adopted by SBE and/or other instructional materials that have not been adopted by SBE but are aligned with the state academic content standards or the Common Core State Standards may be recommended for selection. (Education Code 60200, 60210)

   For grades 9-12, instructional materials in history-social science, mathematics, English/language arts, and science shall be reviewed using a standards map in order to determine the extent to which the materials are aligned to state academic content standards.

2. Do not reflect adversely upon persons because of any characteristic specified in law and Board Policy 0410 - Nondiscrimination in District Programs and Activities, nor contain any sectarian or denominational doctrine or propaganda contrary to law (Education Code 51501, 60044)

3. To the satisfaction of the Board, are accurate, objective, current, and suited to the differing needs and comprehension of district students at their respective grade levels (Education Code 60045)

4. With the exception of literature and tradebooks, use proper grammar and spelling (Education Code 60045)

5. Do not expose students to a commercial brand name, product, or corporate or company logo unless the Board makes a specific finding that the use is appropriate based on one of the following: (Education Code 60048, 60200)

   a. The commercial brand name, product, or corporate or company logo is used in text for an educational

purpose as defined in guidelines or frameworks adopted by SBE

b. The appearance of a commercial brand name, product, or corporate or company logo in an illustration is incidental to the general nature of the illustration

6. Meet the requirements of Education Code 60040-60043 for specific subject content, including, but not limited to:

    a. Accurately portraying society's cultural and racial diversity, including:

        i. The contributions of all genders in all types of roles, including professional, vocational, and executive roles

        ii. The role and contributions of Native Americans, African Americans, Latino Americans, Asian Americans, Pacific Islanders, European Americans, LGBTQ+ Americans, persons with disabilities, and members of other ethnic, cultural, religious, and socioeconomic groups to the total development of California and the United States

        iii. The role and contributions of the entrepreneur and labor in the total development of California and the United States

    b. Accurately portraying humanity's place in ecological systems and the necessity for the protection of the environment

    c. Accurately portraying the effects on the human system of the use of tobacco, alcohol, and narcotics, and restricted dangerous drugs as defined in Health and Safety Code 11032, and other dangerous substances

    d. Encouraging thrift, fire prevention, and the humane treatment of animals and people

    e. Requiring, when appropriate to the comprehension of students, that textbooks for social science, history, or civics classes contain the Declaration of Independence and the United States Constitution

7. Support the district's adopted courses of study and curricular goals, including the district's local control and accountability plan

8. Contribute to a comprehensive, balanced curriculum

9. Demonstrate reliable quality of scholarship as evidenced by:

    a. Accurate, up-to-date, and well-documented information

    b. Objective presentation of diverse viewpoints

    c. Clear, concise writing and appropriate vocabulary

    d. Thorough treatment of subject matter

10. Provide for a wide range of materials at all levels of difficulty, with appeal to students of varied interests, abilities, and developmental levels

11. Stimulate discussion of contemporary issues, exploration of ideas, and intellectual exchanges, and improve students' thinking and decision-making skills

12. As appropriate, have corresponding versions available in languages other than English

13. Include high-quality teacher's guides

14. When available, include options for lighter weight materials, including materials in digital format, in order to help minimize any injury to students by the combined weight of instructional materials

In addition to meeting the above criteria as applicable, technology-based materials shall:

1. Be both available and comparable to other, equivalent instructional materials (Education Code 60052)

2. Be accessible to all students, including economically disadvantaged students, students with disabilities, and English learners

3. Protect the privacy of student data

Conflict of Interest

To ensure integrity in the evaluation and selection of instructional materials, individuals who are participating in the evaluation of instructional materials and are not otherwise designated in the district's conflict of interest code shall sign a disclosure statement indicating that they:

1. Will not accept any emolument, money, or other valuable thing or inducement to directly or indirectly introduce, recommend, vote for, or otherwise influence the adoption or purchase of any instructional material (Education Code 60072)

   Sample copies of instructional materials are excepted from this prohibition (Education Code 60075)

2. Are not employed by nor receive compensation from the publisher or supplier of the instructional materials or any person, firm, organization, subsidiary, or controlling entity representing it

3. Do not have an interest as a contributor, author, editor, or consultant in any textbook or other instructional material submitted to the district

---

Policy 6161.11: Supplementary Instructional Materials

Status: DRAFT - Keep

Original Adopted Date: 12/01/1990 **| Last Revised Date:** 10/01/2023

The Governing Board encourages the use of supplementary instructional materials to enrich the curriculum and enhance student learning. Such materials shall be aligned with district goals, curriculum objectives, and academic standards and shall supplement and not supplant the use of Board-adopted basic instructional materials that serve as the primary learning resources.

Supplementary instructional materials include, but are not limited to, instructional materials that are designed to serve one or more of the following purposes: (Education Code 60010)

1. To provide more complete coverage of one or more subjects included in a given course
2. To meet the various learning ability levels of students in a given age group or grade level
3. To meet the diverse educational needs of students with a language disability in a given age group or grade level
4. To meet the diverse educational needs of students reflective of a condition of cultural pluralism
5. To use current, relevant technology that further engages interactive learning in the classroom and beyond

Supplementary instructional materials may be selected by the Superintendent or designee, school administrators, or teachers, as applicable, and obtained through donations to the district and/or available funding sources designated for these purposes.

The use of any supplemental instructional material shall not be rejected or prohibited by the Board or district on the basis that it includes a study of the role and contributions of any individual or group consistent with the requirements of Education Code 51204.5 and 60040, unless such study would violate Education Code 51501 or 60044. (Education Code 243)

As appropriate, supplementary instructional materials shall meet the criteria developed for the selection and evaluation of basic instructional materials as described in AR 6161.1 - Selection and Evaluation of Instructional Materials.

Supplementary instructional materials shall be directly related to the course of study in which they are being used and shall be appropriate for the age and maturity level of the students.

The use or reproduction of supplementary instructional materials shall be in accordance with federal copyright law.

Appropriateness of Materials

Whenever a district employee proposes to use a supplementary resource which is not included in the approved learning resources of the district, the employee shall preview the material to determine whether, in the employee's professional judgment, it is appropriate for the grade level taught and is consistent with district criteria for the selection of supplementary instructional materials.

The employee shall confer with the Superintendent or designee as necessary to determine the compliance of the material with district criteria. The primary considerations should be the educational value, factual accuracy, appropriateness, including whether the material contains pervasive vulgarity or profanity, and relevance of the materials, as well as the ages and maturity of the students.

The Superintendent or designee may provide training to administrators and teachers in the selection and evaluation of supplementary instructional materials, including the criteria to be utilized and applicable legal considerations.

Complaints

Complaints concerning supplemental instructional materials shall be handled in accordance with Board Policy 1312.2 - Complaints Concerning Instructional Materials and Board Policy 1312.3 - Uniform Complaint Procedures, as applicable.

Policy 6161.2: Damaged Or Lost Instructional Materials

Status: DRAFT - Keep

Original Adopted Date: 03/01/1987 **| Last Revised Date:** 07/01/2005

The Governing Board recognizes that instructional materials are an expensive resource and that each student is entitled to sufficient instructional materials in accordance with law. Instructional materials provided for use by students remain the property of the district. Students are responsible for returning borrowed materials in good condition, with no more wear and tear than usually results from normal use.

When materials are lost or so damaged that they are no longer usable, the student shall be immediately issued a replacement material. However, students or parents/guardians shall be responsible for reparation equal to the current replacement cost of the materials. When materials are damaged but still usable, the Superintendent or designee shall determine an appropriate charge.

If it can be demonstrated to the Superintendent or designee's satisfaction that the student has taken all reasonable precautions to safeguard instructional materials issued to him/her, the Superintendent or designee may excuse the student or parent/guardian from payment of reparation.

If reparation is not excused and not paid by the student or parent/guardian, the district may withhold the student's grades, diploma and transcripts in accordance with law, Board policy, and administrative regulation.

Policy 6162.5: Student Assessment

Status: DRAFT - Keep

Original Adopted Date: 07/01/2010 **| Last Revised Date:** 09/01/2023

The Governing Board recognizes that student assessments are an important instructional and accountability tool. To obtain the most accurate evaluation of student performance, the district shall use a variety of measures, including district, state, and/or national assessments.

Any student use of technology to complete assessments shall be as specified in Board Policy 5131.9 - Academic Honesty and Board Policy 6163.4 - Student Use of Technology.

Assessment data shall be used to help determine individual students' progress, mastery of academic standards, appropriate placement in district programs, and/or eligibility for graduation. In addition, summary data on student assessment results shall be used by the district to identify and review student achievement goals in the district's local control and accountability plan, evaluate district educational programs in order to identify needed improvements, and, as appropriate, evaluate staff performance.

In selecting or developing any district assessment, the Superintendent or designee shall examine evidence of its reliability, its validity for the intended purpose and for various student populations, and the extent to which it aligns with the material that is being taught.

The Superintendent or designee shall ensure that assessments are administered in accordance with law and test publisher's directions, and that test administration procedures are fair and equitable for all students.

As appropriate, assessment results shall be disaggregated by student subgroup, classroom, grade level, and/or school site to allow for critical analysis of student needs.

The Superintendent or designee shall provide professional development as needed to assist administrators and teachers in interpreting and using assessment data to improve student performance and the instructional program.

When districtwide and school-level results of student assessments are published by the state, the Superintendent or designee may provide supplementary information to assist parents/guardians and the community in understanding test results.

Interim and Formative Assessments

State interim and formative assessments may be used in combination with other sources of information to gain timely feedback about student progress in an effort to continually adjust instruction to improve learning, and for communicating with students' parents/guardians and identifying professional development goals. Results from interim and formative assessments shall not be used for any high-stakes purpose, including, but not limited to, teacher or other school staff evaluation, accountability, student grade promotion or retention, graduation, course or class placement, identification for gifted or talented education, reclassification of English learners, or identification as an individual with exceptional needs. (Education Code 60642.6, 60642.7)

The Superintendent or designee shall ensure that teachers who administer interim and formative assessments have access to all functions and information designed for teacher use related to such assessments and student performance on the assessments. (Education Code 60642.6)

Individual Record of Accomplishment

The Superintendent or designee shall ensure that each student, by the end of grade 12, has an individual record of accomplishment that includes the following: (Education Code 60607)

1. The results of the state achievement tests required and administered as part of the California Assessment of Student Performance and Progress, or any predecessor assessments, pursuant to Education Code 60640-60649

2. The results of any end-of-course examinations taken

3. The results of any vocational education certification examinations taken

No individual record of accomplishment shall be released to any person, other than the student's parent/guardian or a teacher, counselor, or administrator directly involved with the student, without the written consent of the student's parent/guardian, or the student if the student is an adult or emancipated minor. The student or the student's parent/guardian may authorize the release of the record of accomplishment to a postsecondary educational institution for the purposes of credit, placement, or admission. Furthermore, the results of an individual student on the CAASPP may be released to a postsecondary educational institution for the purpose of credit, placement, or admission. (Education Code 60607)

Policy 6162.51: State Academic Achievement Tests

Status: DRAFT - Keep

Original Adopted Date: 03/01/2007 **| Last Revised Date:** 12/01/2013

The Governing Board recognizes that state achievement test results provide an indication of student progress in achieving state academic standards and may be used to promote high-quality teaching and learning. The Superintendent or designee shall administer mandatory student assessments within the California Assessment of Student Performance and Progress (CAASPP) as required by law and in accordance with Board policy and administrative regulation.

The Board strongly encourages all students at the applicable grade levels to participate in the state assessments in order to maximize the usefulness of the data and enable the district to meet participation levels required for state and federal accountability systems. The Superintendent or designee shall notify students and parents/guardians about the importance of these assessments and shall develop strategies to encourage student participation. Students shall be exempted from participation only in accordance with law and administrative regulation.

The Board shall annually examine state assessment results by school, grade level, and student subgroup as one measure of the district's progress in attaining its student achievement goals and shall revise the local control and accountability plan and other district or school plans as necessary to improve student achievement for underperforming student groups.

Regulation 6162.51: State Academic Achievement Tests

Status: DRAFT - Keep

Original Adopted Date: 12/01/2013 **| Last Revised Date:** 06/01/2021

The Superintendent or designee shall administer the California Assessment of Student Performance and Progress (CAASPP) to all district students at applicable grade levels, except those students exempted by law.

The students of any charter school that receives its state funding allocation through the district shall be tested in coordination with the testing of district students. In addition, the Superintendent or designee shall arrange for the testing of students in any alternative education program or program conducted off campus, including, but not limited to, non-classroom based programs, continuation schools, independent study, community day schools, county community schools, juvenile court schools, or nonpublic, nonsectarian schools. No test shall be administered in a home or hospital except by a test administrator or test examiner. (5 CCR 851)

On or before July 1 of each year, the Superintendent or designee shall identify any district school(s) with students who are unable to access the computer-based assessment of a CAASPP test and shall report the number of such students to the test contractor. If available, a paper and pencil version of the assessment may be administered to such students. (5 CCR 853, 857)

On or before July 1 of each year, the Superintendent or designee shall designate a district coordinator who shall oversee all matters related to the testing program and serve as the district representative and liaison with the test contractor and the California Department of Education (CDE). The Superintendent or designee shall also designate a coordinator for each test site. The duties of the district and site test coordinators shall include those specified in 5 CCR 857-858. (5 CCR 857-858)

The Superintendent or designee also shall appoint trained test administrator(s) to administer the CAASPP achievement tests and test examiner(s) to administer the California Alternate Assessments. A test examiner shall be a certificated or licensed employee or contractor of the district or county office of education. (5 CCR 850)

As appropriate, the Superintendent or designee shall assign a specially trained district employee to serve as a test proctor to assist the test examiner; a specially trained district employee, or other person supervised by a district employee, to serve as a translator to translate the test directions into a student's primary language; and a district employee to serve as a scribe to transcribe a student's responses to the format required by the test. A student's parent/guardian or sibling shall not be eligible to be that student's translator or scribe. (5 CCR 850)

All test administrators, test examiners, proctors, translators, scribes, district and site test coordinators, and other persons having access to any of the CAASPP achievement tests and corresponding test materials, assessment technology platform, or tests administered pursuant to Education Code 60640 shall acknowledge the limited purpose of their access to the achievement tests by signing a test security affidavit. In addition, all district and site test coordinators shall sign a test security agreement before receiving any CAASPP achievement tests and corresponding test materials. The test security affidavit and test security agreement shall be those set forth in 5 CCR 859. (5 CCR 850, 859)

Tests Included in the State Assessment System

The district shall administer the following CAASPP assessments: (Education Code 60640; 5 CCR 851.5)

1. The Smarter Balanced summative assessments for English language arts and mathematics in grades 3-8 and 11, except that:

    a. Recently arrived English learners, defined pursuant to Education Code 60603 as English learners who are in their first 12 months of attending a school in the United States, shall be exempted from taking the English language arts assessment to the extent allowed by federal law. A recently arrived English learner may be administered the test upon request by the student's parent/guardian.

    b. Students with disabilities who are unable to participate in the English language arts and mathematics assessments, even with the resources described in the section "Testing Variations" below, shall be provided an alternate test when designated in their individualized education program (IEP), as provided in item #3 below.

2. The California Science Test (CAST) at grades 5, 8, and once in grades 10-12

   However, students with disabilities who are unable to participate in the CAST, even with the resources described in the "Testing Variations" section below, shall be provided an alternate test when designated in their IEP, as provided in item #3 below.

3. The California Alternate Assessments (CAA) in English language arts, mathematics, and science for students with significant cognitive disabilities who are unable to take the tests specified in items #1-2 above, even with appropriate accommodations or other testing resources, and who have an IEP that designates the use of alternate tests at the applicable grade levels

In addition, the Superintendent or designee may administer the California Spanish Assessment (CSA) to English learners. Administration of this test shall not replace the administration of the above tests, administered in English, to English learners. (Education Code 60640)

The CSA also may be used to assess students in a dual language immersion program who are not limited English proficient or who are redesignated fluent English proficient, subject to approval by CDE of an agreement between the district and the state testing contractor. (Education Code 60640)

Throughout the school year, schools may use Smarter Balanced interim assessments and formative assessment tools at any grade level to provide timely feedback regarding students' progress toward mastery of the skills measured by the summative assessments in English language arts and mathematics and to assist teachers in continually adjusting instruction to improve learning. The Superintendent or designee may determine the timing and frequency of the administration of such assessments.

Exemptions

Each year the Superintendent or designee shall notify parents/guardians of their child's participation in the CAASPP and of the provisions of Education Code 60615 related to exemptions from testing. (5 CCR 852)

Parents/guardians may annually submit to the school a written request to excuse their child from any or all parts of the CAASPP assessments for the school year, and such a request shall be granted by the Superintendent or designee. However, district employees shall not solicit or encourage any exemption request on behalf of any student or group of students. (Education Code 60615; 5 CCR 852)

If a parent/guardian submits an exemption request after testing has begun, any test(s) completed before the request is submitted will be scored and the results reported to the parent/guardian and included in the student's records. (5 CCR 852)

Testing Period

The Superintendent or designee shall establish testing days for district students within the following available testing windows: (5 CCR 855)

1. Unless otherwise specified in state regulations, assessments shall be administered between the date on which at least 66 percent of the school's or track's annual instructional days have been completed, but no earlier than the second Tuesday in January, and the last day of instruction for the regular annual calendar of the school or track, but no later than July 15 or, if July 15 is not a weekday, then the next weekday following July 15.

2. The CAA for science shall be administered annually beginning on a date in September as determined by CDE through the last day of instruction for the regular annual calendar of the school or track, but no later than July 15 or, if July 15 is not a weekday, then the next weekday following July 15.

3. The CSA shall be administered to English learners within the testing window specified in item #1.

Within the above testing windows, the Superintendent or designee may designate one testing period for each school or track or, if a school has multiple tracks, a selected testing period for each track. The district shall not exceed six selected testing periods within the available testing window. The testing period shall be no fewer than 25 consecutive instructional days and may be extended up to an additional 10 consecutive instructional days if still within the available testing window set forth in items #1-2 above. (5 CCR 855)

Students who are absent during testing shall be provided an opportunity to take the tests within the testing window.

Testing Variations

All CAASPP tests shall be administered in accordance with the manuals or other instructions provided by the test contractor or CDE except that, as appropriate, the following testing variations may be used: (5 CCR 850, 853-854.4)

1. Universal tools specified in 5 CCR 854.1-854.4 may be used with any student.

2. Designated supports specified in 5 CCR 854.1-854.4 may be used with a student for whom the need has been indicated by an educator or team of educators, with parent/guardian and student input as appropriate, or for whom the need is specified in the student's IEP or Section 504 plan.

3. Accommodations specified in 5 CCR 854.1-854.4 may be used with a student with disabilities when included in the student's IEP or Section 504 plan as resources that are regularly used in the classroom for the student's instruction and/or assessment(s). Such accommodations shall be either utilized in the assessment environment or consist of changes in procedures or materials that increase equitable access during the assessment.

4. An unlisted resource that has not been specifically identified as an approved universal tool, designated support, or accommodation may be used with a student who has an IEP or Section 504 plan provided that the resource is one that is regularly used in the classroom for instruction and/or assessment and CDE has approved its use. At least 10 business days prior to the student's first day of CAASPP testing, the district or school site test coordinator may electronically submit a request to CDE for approval to use that unlisted resource during that year. If CDE determines that the unlisted resource changes the construct being measured, the unlisted resource may nevertheless be used with the student in order to generate an individual score report even though the student shall not be counted in the participation rate for accountability measures. (5 CCR 854.9)

In the administration of the CAA to a student with significant cognitive disabilities, the student may have all instructional supports that may be used in daily instruction or assessment, including language and physical supports, with the exception of any inappropriate test practices listed in test administration manuals. (5 CCR 850, 854.5)

Report of Test Results

For any state assessments that produce valid individual student results, the Superintendent or designee shall forward or transmit the student's test results to the student's parents/guardians within 20 working days from receipt of the results from the test contractor or, if the district receives the results from the contractor after the last day of instruction for the school year, then within the first 20 working days of the next school year. The report shall include a clear explanation of the purpose of the test, the student's score, and its intended use by the district. An individual student's scores shall also be reported to the school and teacher(s) and shall be included in the student record. (Education Code 60641; 5 CCR 863)

With parent/guardian consent, the Superintendent or designee may release a student's test results to a postsecondary educational institution for the purposes of credit, placement, determination of readiness for college-level coursework, or admission. (Education Code 60641)

The Superintendent or designee shall present districtwide, school-level, and grade-level results to the Governing Board at a regularly scheduled meeting. The Board shall not receive individual students' scores or the relative position of any individual student. (Education Code 49076, 60641)

Policy 6162.54: Test Integrity/Test Preparation

Status: DRAFT - Keep

Original Adopted Date: 03/01/2001 **| Last Revised Date:** 04/01/2014

The Governing Board desires to protect the integrity of student assessments in order to obtain accurate and reliable student achievement data and to ensure accountability to the community and state. Staff and students shall maintain a high level of integrity in the completion and handling of student assessments.

In administering standardized tests, staff shall not engage in any acts that could result in the invalidation of test results, such as:

1. Providing inappropriate test preparation
2. Modifying test administration procedures, except as allowed by law
3. Providing inappropriate assistance to students during test administration
4. Changing or filling in answers on student answer sheets
5. Providing inaccurate data on student header sheets
6. Discouraging or excluding certain students from taking the test
7. Engaging in any other practice to artificially raise student scores without actually improving underlying student achievement

Appropriate Test Preparation

The Superintendent or designee, principals, and teachers shall not implement any program for the sole purpose of test preparation of students for the statewide assessment system or a particular test used in the statewide assessment system. (Education Code 60611)

The primary preparation for assessments shall be high-quality instruction in the content specified in state and district academic standards. In addition, staff may prepare students for assessments by teaching general test-taking strategies and familiarizing them with item types or the computer-based testing environment used in state assessments.

Investigation and Consequences of Testing Irregularities

Reports of cheating on assessments shall be submitted to the Superintendent or designee. The Superintendent or designee shall immediately investigate with due diligence any reports of inappropriate test preparation or other testing irregularities.

Students found to have cheated on assessments shall be subject to disciplinary procedures in accordance with Board policy and administrative regulations.

A staff member found to have committed testing irregularities shall be subject to discipline in accordance with law, applicable collective bargaining agreements, Board policy, and administrative regulations.

If the Superintendent or designee is made aware of a testing irregularity on state assessments, he/she shall report the irregularity to the California Department of Education.

Policy 6162.6: Use Of Copyrighted Materials

Status: DRAFT - Keep

Original Adopted Date: 06/01/1988 **| Last Revised Date:** 08/01/2013

The Governing Board recognizes that district staff and students may use a variety of copyrighted materials in the educational program and other district operations. When such materials have not been purchased by the district for the intended use, the Board expects staff and students to respect the protections afforded by federal law to the copyright owners of those materials and respect any limitations by the copyright holder to the license of such materials.

Any literary, musical, dramatic, choreographic, pictorial, graphic, sculptural, audiovisual or motion picture, sound, architectural, or other original work shall be assumed to be a copyrighted work, regardless of whether the work appears in print, audio, video, electronic, or other fixed and tangible form.

Before reproducing a copyrighted material for instructional or other district purposes, a staff member shall determine if the material is in the public domain or if the intended use of the material meets the criteria for fair use or another exception pursuant to 17 USC 107-122. If the material is not in the public domain or no recognized exception applies, the staff member shall seek permission of the copyright holder before using the material.

The Superintendent or designee shall inform staff that inclusion of an attribution citing the author and source of a copyrighted material does not absolve the staff member from the responsibility to either obtain permission or satisfy criteria for fair use or another exception.

If a staff member is uncertain as to whether the intended use of the material meets the criteria for fair use or another exception, he/she shall take the safest course and seek permission from the copyright holder to use the material or, if it is impracticable to obtain permission, shall contact the Superintendent or designee for clarification and assistance.

Students shall not copy or distribute copyrighted works to others. Staff members shall take reasonable precautions to prevent copying or the use of unauthorized copies on school equipment.

The Superintendent or designee shall ensure that staff and students receive information and training about copyright laws and the penalties for violating such laws.

Regulation 6162.6: Use Of Copyrighted Materials

Status: DRAFT - Keep

Original Adopted Date: 06/01/1988 **| Last Revised Date:** 08/01/2013

Prior to reproducing, distributing, displaying, posting, performing, or otherwise using a copyrighted material for an instructional purpose or in the course of other district business, district staff shall determine whether it is necessary to request permission of the copyright holder. Unless the staff member is reasonably certain that the material is in the public domain or the intended use meets the criteria for an exception specified in 17 USC 107-122 and this administrative regulation, he/she shall either obtain permission from the copyright holder or avoid use of the material. In addition, permission of the copyright holder shall be requested whenever district staff intend to publicly disseminate a copyrighted work, such as by posting on the district or school web site or using another method of communications accessible to the public.

Any reproduction or other use of a copyrighted work shall include the copyright notice.

District staff shall not reproduce and distribute copyrighted works of any type in any of the following circumstances:

1. When the copyrighted work is a "consumable" work such as a workbook, standardized test, answer sheet, or similar material
2. To substitute for the purchase of the work
3. To create, replace, or substitute for anthologies or collective works

Request for Permission to Use Copyrighted Material

As necessary, district staff desiring to use a copyrighted material shall identify and contact the copyright holder to request permission to use the material. The request shall include the following information:

1. Title, author(s), editor(s) or publisher, producer(s) or distributor
2. Edition, copyright, and/or production year
3. Exact amount of material to be used, such as the number of lines, pages, or chapters or percentage of the work
4. Nature of the use, such as the course in which it will be used, the grade level of the students, the number of students, and the frequency of use
5. How the material will be reproduced and distributed

If the copyright holder requires a fee to grant permission, district staff shall seek approval from the Superintendent or designee prior to incurring the cost.

Criteria for Fair Use

In considering whether a copyrighted work may be used without the copyright holder's permission on the grounds that the intended use is "fair use" pursuant to 17 USC 107, including reproduction in copies, phonorecords, or any other reproductive form for purposes such as criticism, comment, news reporting, teaching (including multiple copies for classroom use), scholarship, or research, district staff shall consider all of the following factors: (17 USC 107)

1. The purpose and character of the use, including whether the use is of a commercial nature or for nonprofit educational purposes
2. The nature of the copyrighted work
3. The amount and substantiality of the portion used in relation to the copyrighted work as a whole
4. The effect of the use upon the potential market for or value of the copyrighted wor

Any determination of fair use shall weigh together all the factors specified in items #1-4 above in addition to any applicable guidelines presented in this administrative regulation for specific types of copyrighted works.

Guidelines for Copying Text

Staff may reproduce text from a copyrighted work from a printed resource, the Internet, or other source, without permission from the copyright holder, under the following conditions:

1. A single copy of a chapter of a book, article from a periodical or newspaper, short story, short essay, short poem, chart, graph, diagram, drawing, cartoon, or picture may be made by or for a teacher for his/her scholarly research or use in teaching or preparation to teach a class.

2. Multiple copies, not to exceed one copy per student in a course, may be made by or for a teacher for classroom use or discussion, provided that:

    a. The amount to be copied does not exceed:

        i. 250 words for a complete poem or excerpt from a poem

        ii. 2,500 words for a complete article, story, or essay

        iii. 1,000 words or 10 percent of the whole (with a minimum of 500 words), whichever is less, for an excerpt from a larger prose work

        iv. One illustration (e.g., chart, graph, diagram, cartoon, or picture) per book or periodical issue

    b. The copying is for only one course in the school.

    c. With the exception of newspapers and other news periodicals, not more than one work is copied from the same author per term, not more than three works are copied from the same collective work or periodical volume per term, and there are no more than nine instances of multiple copying per course per term.

    d. A delay to request permission from the copyright holder would preclude the most effective instructional use of the material.

Guidelines for Reproducing Sheet and Recorded Music

District staff may reproduce sheet music and recorded music without permission from the copyright holder under the following conditions:

1. Emergency copies may be made when purchased copies needed for an imminent performance are not available, provided that replacement copies shall be purchased in due course.

2. Single or multiple copies of excerpts of works may be made for academic purposes other than performances, provided that the excerpt does not constitute an entire performable unit (e.g., a section, movement, or aria), no more than 10 percent of the total work is used, and the number of copies made does not exceed one per student.

3. Printed copies that have been purchased may be edited or simplified provided that the character of the work is not distorted and lyrics are not added or altered.

4. A single copy of a recorded performance by students may be made for evaluation or rehearsal purposes.

5. A single copy of recordings of copyrighted music owned by the district or individual teacher may be made for the purpose of constructing exercises or examinations.

Guidelines for Performing or Displaying Copyrighted Works

In the course of face-to-face instruction in a classroom or similar place devoted to instruction, teachers or students may recite, render, play, dance, act, or show a copyrighted work either directly or by means of any device or process or, in the case of a motion picture or other audiovisual work, show its images in any sequence or to make the sounds accompanying it audible, provided that: (17 USC 101, 110)

1. The performance or display is given by means of a lawfully obtained copy of the work.

2. The performance or display is made by, at the direction of, or under the actual supervision of a teacher as an integral part of a class session.

3. The performance or display is directly related and of material assistance to the teaching content of the transmission.

4. The transmission is limited to students enrolled in the course or to Governing Board members or employees as part of their official duties or employment.

5. If the work is to be digitally transmitted, the district has applied technological protections that reasonably prevent retention of the work in accessible form for longer than the class session and the unauthorized further dissemination of the work

Any use of a motion picture or other audiovisual work outside the curriculum, such as for entertainment, a school or class reward, or a fundraiser, shall require permission from the copyright holder or a special viewing license.

Guidelines for Recording Broadcast Programming

Teachers may make recordings of television programs for use in a classroom for educational purposes under the following conditions:

1. Only programs provided to the public free of charge may be recorded and shown. Any use of programming from paid television services shall require permission of the copyright holder.

2. The recording may be shown only during the first 10 consecutive school days after it is made. It may be used once by an individual teacher in the course of relevant teaching activities and may be repeated once only when instructional reinforcement is necessary.

3. A limited number of copies may be reproduced from each recording to meet the legitimate needs of the teacher. Each copy shall be subject to all the provisions governing the original recording.

4. The recording may be retained for 45 calendar days after it is made and then shall be erased or destroyed. However, after the first 10 consecutive school days, the recording may only be used for purposes of determining whether or not to include the broadcast program in the teaching curriculum. If the teacher decides to keep the program for use in the curriculum, he/she shall request permission from the copyright owner.

5. Off-air recordings need not be used in their entirety, but the content of recorded programs may not be altered.

Guidelines for Copying Computer Programs or Software

District staff shall observe all licensing agreements between vendors and the district, including monitoring the number of users permitted by an agreement. Unless the applicable licensing agreement authorizes multiple users of a single computer program or software, the district shall not make multiple copies.

Copies of district-owned software may be made under either of the following conditions: (17 USC 117)

1. The copy is needed as an essential step in using the computer program with a particular machine.

2. The copy is used for archival or "backup" purposes only. This copy may be held only as a file copy and must be destroyed in the event that continued possession of the program ceases to be rightful, unless the copyright owner authorizes its sale, lease, or transfer as part of the sale, lease, or transfer of the original program.

Policy 6162.8: Research

Status: DRAFT - Keep

Original Adopted Date: 03/01/1992 **| Last Revised Date:** 11/01/2002

The Governing Board recognizes the value of academic research to improve educational programs and practices. Researchers shall respect the privacy rights of students, including their right to refrain from participation in research projects in accordance with law, Board policy and administrative regulation.

The Superintendent or designee may authorize research projects within the district by outside groups or persons when such research is aligned with district goals and objectives and is likely to benefit the district without disrupting the school program.

The Superintendent or designee shall ensure that parents/guardians receive prior notification of any surveys or evaluations that collect personal student information and that consent is obtained in accordance with law.

Regulation 6162.8: Research

Status: DRAFT - Keep

Original Adopted Date: 03/01/1992 **| Last Revised Date:** 11/01/2002

Persons or groups wishing to use district staff, students or property in connection with an academic research project shall submit to the Superintendent or designee a written proposal which includes:

1. Name of researcher(s) and academic credentials
2. Purpose and scope of the project
3. Method of study or investigation to be used
4. Extent of participation expected of students and staff
5. Use to which project results will be put
6. Benefits to the school(s) or the district

The Superintendent or designee shall evaluate the extent to which the proposal:

1. Shows potential for improving instructional programs and strategies
2. Addresses a relevant educational problem, concern or issue
3. Is designed to minimize interruptions and demands upon the time of students and staff

The Superintendent or designee may approve the proposed project for a period of one school year or less. To extend any project into a second school year, the researcher(s) must obtain approval from the Superintendent or designee.

Researchers shall certify that they will use no school names in the publication of findings without the approval of the Superintendent or designee.

Policy 6163.1: Library Media Centers

Status: DRAFT - Keep

Original Adopted Date: 03/01/2011 **| Last Revised Date:** 10/01/2023

The Governing Board recognizes that school libraries support the educational program by providing access to a variety of informational and supplemental resources that can inspire a love of reading, stimulate thought, the exploration of ideas and intellectual exchanges, and contribute to the academic achievement of all students. The Board desires that school libraries be stocked with up-to-date books, reference materials, and electronic resources that promote literacy, support academic standards, contain a broad spectrum of knowledge and viewpoints, accurately reflect and value society's diversity, and prepare students to become lifelong learners.

The Superintendent or designee may, in consultation with teacher librarians, classroom teachers, administrators, parents/guardians, and students as appropriate, develop and regularly update a plan for school libraries that describes the district's goals for school libraries and the distribution of funds to school sites to support libraries. As appropriate, the plan may also address staffing, facilities, selection and evaluation of materials, the development and maintenance of classroom libraries, prevention of loss or damage of library materials, prioritization of needs, and other related matters. The Superintendent or designee shall ensure that the library plan is aligned with the district's local control and accountability plan and other district and school plans.

Staffing

To staff school libraries, the district may employ one or more teacher librarians who possess appropriate credentials issued by the Commission on Teacher Credentialing. (Education Code 18120, 44868; 5 CCR 80024.6, 80053)

The Superintendent or designee may assign teacher librarians to perform the following duties in accordance with the authorizations of their credential: (5 CCR 80053, 80053.1)

1. Instruct students in accessing, evaluating, using, and integrating information and resources in the library program and/or provide departmentalized instruction in information literacy, digital literacy, and digital citizenship

2. Plan and coordinate school library programs with the district's instructional programs through collaboration with teachers

3. Select materials for school and district libraries

4. Develop and deliver staff development programs for school library services

5. Coordinate or supervise library programs at the school or district level

6. Plan and conduct a course of instruction for students who assist in the operation of school libraries

7. Supervise classified personnel assigned school library duties

8. Develop procedures for and management of the school and district libraries

The Board also may appoint classified paraprofessionals to serve as library aides or library technicians. Volunteers may assist with school library services in accordance with law, Board policy, and administrative regulation.

Hours of Operation

School libraries shall be open for use by students and teachers during the school day to the extent possible based on staffing. (Education Code 18103)

With the approval of the Board, a school library may be open at other hours outside the school day, including evenings and Saturdays. Any library open to serve students during evening and Saturday hours shall be under the supervision of a certificated employee who consents to the assignment. (Education Code 18103)

Selection and Evaluation of School Library Materials

Library materials shall include print and electronic resources that align with the curriculum and are accessible to

students with varying cognitive and/or language needs.

Library materials shall be selected and evaluated through a process that invites recommendations from administrators, teachers, other staff, parents/guardians, and students as appropriate.

The use of any book or other resource in a school library shall not be rejected or prohibited by the Board or district on the basis that it includes a study of the role and contributions of any individual or group consistent with the requirements of Education Code 51204.5 and 60040, unless such study would violate Education Code 51501 or 60044. (Education Code 243)

Library materials shall be continually evaluated in relation to evolving curricula, new formats of materials, new instructional methods, and the needs of students and teachers. Materials that contain outdated subject matter or are no longer appropriate shall be removed.

All gifts and donations of school library materials shall be subject to the same criteria as materials selected for purchase by the district.

Complaints regarding the appropriateness of library materials shall be addressed in accordance with Board Policy 1312.2 - Complaints Concerning Instructional Materials and Board Policy 1312.3 - Uniform Complaint Procedures, as applicable.

Fees

Students shall be allowed to borrow school library materials at no charge for use in the library and classrooms as well as out of school. (5 CCR 16042)

To encourage students to return materials in a timely manner, a nominal fee shall be charged for the late return of materials.

Library Instruction

Teacher librarians and/or classroom teachers shall provide library instruction to support the development of students' information literacy skills. Such instruction shall be aligned with the state academic standards for library instruction and shall prepare students to:

1. Access information by applying knowledge of the organization of libraries, print materials, digital media, and other sources

2. Evaluate and analyze information to determine appropriateness in addressing the scope of inquiry

3. Organize, synthesize, create, and communicate information

4. Integrate information literacy skills into all areas of learning and pursue information independently to become life-long learners

Teacher librarians also may provide support to teachers, administrators, and other staff by identifying instructional materials that will aid in the development of curriculum and instructional activities and by providing information about effective and ethical uses of school library services and equipment.

Program Evaluation

The Superintendent or designee shall annually assess and report to the Board regarding the condition and use of school libraries. The assessment shall evaluate, at a minimum:

1. Access of students and staff to school libraries during school hours and, as appropriate, access outside the school day

2. The process and frequency by which students are allowed to check out library materials

3. Staffing levels, qualifications, and number of hours worked

4. The quality of the collection at each library, including, but not limited to, the total number of books in the collection, number of books per student, types of materials (fiction, non-fiction, newspapers, magazines, encyclopedias, materials in other languages, and reference materials), alignment with curriculum, provision of a broad spectrum of knowledge and viewpoints, amount expended during the year for the purchase of new resources, and the number of resources discarded and added during the year

5. Any special programs offered at the school to encourage reading and/or library use

6. The adequacy of the facility space and equipment designated for the school library

7. The source(s) and adequacy of funding for school libraries

8. Knowledge by principals, teachers, and library personnel of the process to follow when a library material(s) is challenged

The district shall, on or before August 31 each year, report to the California Department of Education on the condition of its school libraries for the preceding year ending June 30. (Education Code 18122)

Policy 6163.2: Animals At School

Status: DRAFT - Keep

Original Adopted Date: 10/01/1996 **| Last Revised Date:** 03/01/2011

The Governing Board recognizes that animals can contribute to the district's instructional program by being effective teaching aids to students and by assisting individuals with disabilities to access district programs and activities. In addition, instruction related to the care and treatment of animals teaches students a sense of responsibility and promotes the humane treatment of living creatures.

The Superintendent or designee shall develop rules and procedures to ensure that when animals are brought to school, the health, safety, and welfare of students, staff, and the animals are protected. However, the district assumes no liability for the safety of animals allowed on district property.

Regulation 6163.2: Animals At School

Status: DRAFT - Keep

Original Adopted Date: 10/01/1996 **| Last Revised Date:** 03/01/2011

Use of Animals for Instructional Purposes

Before any student or employee brings an animal to school for an instructional purpose, he/she shall receive written permission from the principal or designee. The principal or designee shall give such permission only after he/she has provided written notification to all parents/guardians of students in the affected class, asking them to verify whether their child has any known allergies, asthma, or other health condition that may be aggravated by the animal's presence. When a parent/guardian has provided notification that his/her child has an allergy, asthma, or other health condition that may be aggravated by the animal, the principal shall take appropriate measures to protect the student from exposure to the animal.

All animals brought to school must be in good physical condition and must be appropriately immunized. The teacher shall ensure that the species of animal is appropriate for the instructional purpose and age and maturity of the students.

All animals brought to school shall be adequately fed, effectively controlled, humanely treated, and properly housed in cages or containers suitable for the species. The teacher shall ensure that cages and containers are cleaned regularly and that waste materials are removed and disposed of in an appropriate manner.

The teacher shall ensure that students receive instructions regarding the proper handling of and personal hygiene around animals.

Except for service animals, as defined below, all animals are prohibited on school transportation services. (Education Code 39839; 13 CCR 1216)

Use of Service Animals by Individuals with Disabilities

For an individual with a disability, service animal means any dog that is individually trained to do work or perform tasks related to the individual's disability and for his/her benefit. For example, for an individual who is blind or has low vision, a service animal would mean a dog that helps him/her with vision, navigation, and other tasks; for an individual who is deaf or hard of hearing, a service animal would mean a dog that alerts him/her to the presence of people or sounds; and for an individual with psychiatric or neurological disabilities, a service animal would mean a dog that assists him/her by preventing or interrupting impulsive or destructive behaviors. (28 CFR 35.104)

Individuals with disabilities may be accompanied on school premises and on school transportation by service animals, including specially trained guide dogs, signal dogs, or service dogs. (Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

The Superintendent or designee may ask any individual with a disability to remove his/her service animal from school premises or transportation if the animal is out of control and the individual does not take effective action to control it or the animal is not housebroken. When an individual's service animal is excluded, he/she shall be given an opportunity to participate in the service, program, or activity without having the service animal present. (Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

Policy 6163.4: Student Use Of Technology

Status: DRAFT - Keep

Original Adopted Date: 07/01/2007 **| Last Revised Date:** 09/01/2024

The Governing Board believes that effective use of technology is integral to the education and development of students. In order to promote digital citizenship, the Board recognizes that students must have access to the latest digital tools and receive instruction that allows students to positively engage with technology in ways that respect human rights and avoids Internet dangers. Technological resources provided to students, including technology based on artificial intelligence (AI), shall be aligned to district goals, objectives, and academic standards. The use of technology shall augment the use of Board adopted instructional materials.

The Board intends that technological resources provided by the district be used in a safe and responsible manner in support of the instructional program and for the advancement of student learning. Students shall be allowed to use such technology, including AI technology, in accordance with district policies, including, but not limited to, policies on academic honesty, data privacy, nondiscrimination, and copyright protections. All students using these resources shall receive instruction in the proper and appropriate use of technology. Such instruction shall incorporate students' responsibilities regarding academic honesty, honoring copyright provisions, assessing the reliability and accuracy of information, protecting personal data, and the potential for biases and errors in artificially generated content.

District technology includes, but is not limited to, computer hardware, software, or software as a service provided or paid for by the district, whether accessed on or off site or through district-owned or personally owned equipment or devices, including tablets and laptops; computer servers, wireless access points (routers), and wireless computer networking technology (wi-fi); the Internet; email; applications (apps), including AI apps; telephones, cellular telephones, smartphones, smart devices, and wearable technology; or any wireless communication device, including radios.

Teachers, administrators, and/or library media specialists are expected to review the technological resources and online sites that will be used in the classroom or assigned to students in order to ensure that they are appropriate for the intended purpose and the age of the students.

The Superintendent or designee shall notify students and parents/guardians about authorized uses of district technology, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities in accordance with this board policy and the district's Acceptable Use Agreement.

Before a student is authorized to use district technology, the student and the student's parent/guardian shall sign and return the Acceptable Use Agreement. In that agreement, the student and parent/guardian shall agree not to hold the district or any district staff responsible for the failure of any technology protection measures or user mistakes or negligence and shall agree to indemnify and hold harmless the district and district staff for any damages or costs incurred.

The district reserves the right to monitor student use of technology within the jurisdiction of the district without advance notice or consent. Students shall be informed that the use of district technology, as defined above, is not private and may be accessed by the district for the purpose of ensuring proper use. Students have no reasonable expectation of privacy in the use of district technology. Students' personally owned devices shall not be searched except in cases where there is a reasonable suspicion, based on specific and objective facts, that the search will uncover evidence of a violation of law, district policy, or school rules.

The Superintendent or designee may gather and maintain information pertaining directly to school safety or student safety from the social media activity of any district student in accordance with Education Code 49073.6 and Board Policy/Administrative Regulation 5125 - Student Records.

Whenever a student is found to have violated board policy or the district's Acceptable Use Agreement, the principal or designee may cancel or limit a student's user privileges or increase supervision of the student's use of the district's equipment and other technological resources, as appropriate. Inappropriate use also may result in disciplinary action and/or legal action in accordance with law and board policy.

The Superintendent or designee, with input from students and appropriate staff, shall regularly review and update procedures to enhance the safety and security of students using district technology and to help ensure that the district adapts to changing technologies and circumstances.

Internet Safety

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that protects against access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced. (20 USC 7131; 47 USC 254; 47 CFR 54.520)

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities.

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors. (Penal Code 313)

The district's Acceptable Use Agreement shall establish expectations for appropriate student conduct when using the Internet or other forms of electronic communication, including, but not limited to, prohibitions against:

1. Accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs

2. Intentionally uploading, downloading, or creating computer viruses and/or maliciously attempting to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking"

3. Distributing personal identification information, including the name, address, telephone number, Social Security number, or other personally identifiable information, of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person

The Superintendent or designee shall regularly review current guidance regarding cybersecurity, data privacy, and digital media awareness and incorporate recommended practices into the district's processes and procedures related to the protection of the district's network infrastructure, the monitoring and response to cyberattacks, ensuring data privacy, and monitoring suspicious and/or threatening digital media content, in accordance with Board Policy 5125 - Student Records.

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting one's own personal identification information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying.

Policy 6164.2: Guidance/Counseling Services

Status: DRAFT - Use District

Original Adopted Date: 11/01/2007 **| Last Revised Date:** 06/01/2024

The Governing Board recognizes that a comprehensive counseling program can help promote academic achievement and serve the diverse needs of all district students. Counseling staff shall be available to meet with students to discuss academic, social, or personal difficulties, as well as other issues that may impact student learning.

Academic Counseling

The district's academic counseling program shall help students establish immediate and long-range educational plans, achieve academic standards, prepare for the high school exit examination and complete the required curriculum in accordance with their individual needs, abilities and interests. Insofar as possible, parents/guardians shall be included when making educational plans.

Counseling staff shall help students to plan for the future and become aware of their career goal. Academic planning for higher education shall include information about courses needed for admission to colleges and universities, standardized admission tests, financial aid, and scholarships.

The Superintendent or designee shall establish and maintain a program of guidance, placement, and follow-up for all district students subject to compulsory continuation education. (Education Code 48431)

*Colleges and *prospective employers, including *military recruiters, shall have the same access to students for recruiting purposes. (20 USC 7908; 10 USC 503; Education Code 49603)

Supplemental School Counseling Program for Students in Grades 7-12

The Board has adopted the Supplemental School Counseling Program in order to provide supplemental counseling services to all students in grades 7-12 to be delivered by personnel who hold a valid pupil personnel services credentials. In accordance with law and as specified in administrative regulation, the district's program shall provide for an individualized review of student records, an opportunity for a counselor to meet with **students to discuss educational and vocational options, and specialized counseling services for students identified as at risk of not passing the high school exit examination.

Personal Counseling

Counseling staff also shall identify and work with students whose personal problems may prevent them from reaching their goal. As appropriate, students shall be informed about agencies that offer qualified professional assistance.

Counselors shall respect student confidentiality as appropriate and shall consult with the Superintendent or designee or with the district's legal counsel whenever unsure of how to respond to a student's personal problem. Parental consultation and consent shall be obtained as appropriate.

Crisis Counseling

The Board recognizes the need for a prompt and effective response when students are confronted with a traumatic incident. School counselors shall assist in the development of the comprehensive school safety plan, emergency and disaster preparedness plan, and other prevention and intervention practices designed to assist students before and after a crisis.

In addition, the Superintendent or designee shall identify crisis counseling resources to train district staff in appropriate response techniques and/or to directly help students cope with such crises if they occur.

Early identification and intervention plans shall be developed to help identify those students who may be at risk for violence so that support may be provided before they engage in violent or disruptive behavior.

*Parents may request in writing to the school's principal to withhold their child's name from colleges, prospective employers and military recruiters.

**SCUSD strongly encourages parent participation.

Policy 6164.4: Identification And Evaluation Of Individuals For Special Education

Status: DRAFT - Use District

Original Adopted Date: 03/01/2007 **| Last Revised Date:** 09/01/2021

The Governing Board recognizes the need to actively seek out and evaluate district residents from birth through age 21 within the district, who have disabilities in order to provide them with appropriate educational opportunities in accordance with state and federal law.

The Superintendent or designee shall establish a means whereby parents/guardians, teachers, appropriate professionals and others may request screening for any child they believe to have a disability that significantly interferes with his/her learning. The Superintendent or designee shall identify screening processes to determine when an individual's academic, behavioral or other difficulties may be related to disabilities and shall establish systematic procedures for special education program identification, screening, referral, assessment, planning, implementation, review and triennial assessment.

For assessment purposes, staff shall use appropriate tests to identify specific information about the student's abilities in skill areas. In addition, staff shall use multiple measures, including direct observation, to study the effect of interventions or modifications to the regular instructional program. Staff also may consider the student's personal history, development and adaptive behavior.

The Superintendent or designee shall develop a method to ensure that that all children residing and enrolled within the district are currently receiving needed special education and related services in accordance with state and federal law and regulations. In addition, the Superintendent or designee shall consult with appropriate representatives of private school children with disabilities on how to identify, locate and evaluate these children.

The Superintendent or designee shall notify parents/guardians in writing of their rights related to identification, referral, assessment, instructional planning, implementation and review, including the district's procedures for initiating a referral for assessment to identify individuals who need special education services.

Regulation 6164.4: Identification And Evaluation Of Individuals For Special Education

Status: DRAFT - Use District

Original Adopted Date: 03/01/2007 **| Last Revised Date:** 12/01/2022

A student shall be referred for special educational instruction and services only after the resources of the regular education program have been considered and used where appropriate. (Education Code 56303)

All referrals from school staff shall include a brief reason for the referral and describe the regular program resources that were considered and/or modified for use with the student, and their effect. (5 CCR 3021)

Within 15 days of a referral for assessment, the student's parent/guardian shall receive a notice of parental rights and a written proposed assessment plan explaining the types of assessments to be conducted and stating that no individualized education program will result from the assessment without parental consent. (Education Code 56321)

Upon receiving the proposed assessment plan, the parent/guardian shall have at least 15 days to decide whether or not to consent to the assessment. The assessment may begin as soon as parental consent is given. (Education Code 56321)

Personnel assessing the student shall prepare a written report of assessment results which specifies: (Education Code 56327)

1. Whether the student may need special education and related services
2. The basis for making this determination
3. Relevant behavior noted while observing the student in an appropriate setting
4. The relationship of the student's behavior to his/her academic and social functioning
5. Educationally relevant health, development and medical findings, if any
6. For students with learning disabilities, whether the discrepancy between achievement and ability cannot be corrected without special education and related services
7. Where appropriate, a determination concerning the effects of environmental, cultural or economic disadvantage
8. The need for specialized services, materials and equipment for students with low incidence disabilities, consistent with California Department of Education guidelines

The parent/guardian shall receive written notice that he/she may obtain a copy of the assessment findings upon request. This notice shall inform the parent/guardian that an individualized education program team conference, including the parent/guardian and his/her representatives, shall be scheduled to discuss the assessment, education recommendations, and reasons for these recommendations. The notice also shall inform the parent/guardian of his/her rights related to obtaining an independent educational assessment. (Education Code 56329)

Students with exceptional needs shall be reassessed at least every three years, or more frequently if requested by the parent/guardian or teacher. (Education Code 56381)

Before entering kindergarten or first grade, children with exceptional needs who are in a preschool program shall be reassessed to determine if they still need special education and services. Individualized education program teams shall identify a means of monitoring the continued success of children who are determined to be eligible for less intensive special education programs. (Education Code 56445)

Policy 6164.41: Children With Disabilities Enrolled By Their Parents In Private School

Status: DRAFT - Keep

Original Adopted Date: 03/01/2007 **| Last Revised Date:** 09/01/2021

The Governing Board recognizes its obligations under state and federal law to locate, identify, evaluate, and provide equitable services to children voluntarily enrolled by their parents/guardians in private schools located within the district.

The Superintendent or designee shall ensure that activities to locate, identify, and evaluate children with disabilities enrolled by their parents/guardians in private schools within the district are comparable to activities undertaken for individuals with disabilities aged three to 22 in public schools within the district. (Education Code 56171; 34 CFR 300.131)

The Superintendent or designee shall develop a budget for the provision of services to children with disabilities enrolled by their parents/guardians in private school based on the proportionate share of federal funds received and the number of eligible children, including the possibility of mid-year enrollees, and the types of services to be provided.

Policy 6164.5: Student Success Teams

Status: DRAFT - Use District

Original Adopted Date: 09/01/1990 **| Last Revised Date:** 09/01/2021

The Governing Board encourages the collaboration of parents/guardians, teachers, administrators and students in evaluating the strengths and needs of students having academic, attendance or behavioral difficulties and in identifying strategies and programs that may assist the students.

The Governing Board recognizes that some students require individualized attention to their learning needs to be successful. The Superintendent or designees shall establish Student Success Teams (SST) at each school site to address student needs as part of and in alignment with the District's multi-tiered system of supports (MTSS), particularly at Tier 3. The Board expects Student Success Teams to collaborate in identifying each student's learning strengths and areas of need, and to design specific and supportive plans and strategies that empower students to be successful academically, socially, emotionally, and behaviorally. The Board expects that Student Success Teams will engage in a culturally proficient, equitable, and trauma-informed problem-solving process which will improve communications between the school and parents, provide support to teachers and monitor the effectiveness of interventions. Such strategies may include changes in program placement or instructional methods, recommendation of supplemental educational services, parent involvement strategies, positive behavioral interventions and supports, referrals to other agencies or resources, assessment for special education and related services, and/or other appropriate interventions.

Each SST may collect and analyze relevant student data, as appropriate. The SST may also review the student's educational history, work samples, strengths and areas for growth, and identify available resources and strategies. Data should include multiple measures (academic, behavioral, attendance, and social-emotional indicators, to guide decision-making).

The SST process is intended to support students within general education and shall not delay or deny a referral for evaluation for eligibility for special education or 504 Plan, as may be required under state or federal law.

Regulation 6164.5: Student Success Teams

Status: DRAFT - Use District

Original Adopted Date: 09/01/1990 **| Last Revised Date:** 09/01/2021

The principal or designee at each school shall:

1. Select a coordinator who will set student study meeting times and procedures
2. Establish a process by which teachers, other staff members or parents/guardians may initiate a student referral
3. Design provisions for:
    a. Contacting parents/guardians
    b. Observing the student in the problem setting
    c. Collecting background information
    d. Helping the student and parent/guardian prepare for the meeting
    e. Bringing in other school or district resource personnel

Members of individual student study teams may include:

1. The principal or designee
2. Resource teachers or specialists: psychologists, nurses, school counselors, bilingual staff, categorically funded staff, department chairpersons, speech and language specialists
3. One or more of the student's teachers or previous teachers
4. The student's parents or guardians, and the student if appropriate
5. Representatives of community or law enforcement agencies, if appropriate

Team Meetings

Because a positive solution to a student's difficulties often grows out of the student's strengths and potential, the initial study team meeting shall always begin by discussing the student's strengths. His/her problems shall be described as precisely as possible, and a plan for resolving these problems shall be developed.

Strategies and interventions may include, but are not limited to:

1. Program changes involving different classes, a different level and/or variety of instructional materials, and/or more time for completing assignments
2. Contracts for task completion and/or behavior modification
3. Daily progress reports
4. Use of after-school tutoring, peer tutoring, cross-age or cross-grade tutoring or buddy system
5. Reinforcement and modifications at home
6. Special instructional strategies for students of limited English proficiency
7. Strategies for improving social skills and peer relationships
8. Special school projects or programs
9. Independent study

10. Modified day
11. Period-by-period attendance
12. Inschool suspension
13. Detention
14. Saturday school or work program
15. Leave of absence
16. Work experience education
17. Transfer to a different school
18. Referral to district resource staff for academic assessment
19. Referral for health examination
20. Referral to school psychologist
21. Referral to community agency or other community resource
22. Referral of family to community agency

Whenever the student study team is considering the possibility of transferring a disruptive student to another school, the principal or designee of the school to which the student may be transferred shall be invited to attend the study team meeting before a final decision is made.

A follow-up meeting shall be scheduled to evaluate the effectiveness of the plan and the extent to which the recommended strategies have been implemented. The plan shall be modified as needed. Subsequent review meetings may be held to monitor the student's progress and reinforce the fact that real change for students takes sustained effort over time.

Policy 6164.6: Identification And Education Under Section 504

Status: DRAFT - Use District

Original Adopted Date: 11/01/2007 **| Last Revised Date:** 12/01/2016

The Governing Board recognizes the need to identify and evaluate students with disabilities in order to provide them with a free, appropriate public education. The Superintendent or designee shall work to identify students with disabilities who reside within the jurisdiction of the District in order to ensure that they receive educational and related services required by law. Under Section 504 of the federal Rehabilitation Act of 1973, individuals with a physical or mental impairment that substantially limits one or more major life activities, including learning, are eligible to receive services and aids designed to meet their needs as adequately as the needs of nondisabled students are met.

The Superintendent or designee shall establish culturally proficient, nondiscriminatory screening and evaluation procedures to be used whenever there is reason to believe that a student has a disability that limits their ability to attend or function at school.

To evaluate the student's eligibility under Section 504, the Superintendent or designee shall convene a school site committee of professionals knowledgeable about the student's individual needs and school history, the meaning of evaluation data, and accommodation options. The student's parent/guardian shall be invited to participate on this committee. The district's process for identifying and evaluating students with disabilities who may be in need of special education or related services under Section 504 includes, but is not limited to, a review of the student's school records; effectiveness of general education and/or Student Success Team (SST) interventions, as applicable; information provided by a student's teacher(s), other professionals, and the parent/guardian, and consideration of the student's needs.

If the student is found to have a disability that requires services under Section 504, the school site committee shall develop a written accommodation plan for the student. Upon reviewing the nature of the disability and how it affects the student's education, the committee shall determine what modifications and/or special services and aids are needed. The student shall be educated with nondisabled students to the maximum extent appropriate to the student's individual needs.

The school site committee shall provide the parent/guardian with a written copy of the plan and notice of procedural safeguards guaranteed by law.

In providing services to students with disabilities under Section 504, the Superintendent or designee shall ensure district compliance with law, including providing the students and their parents/guardians with applicable procedural safeguards and required notifications. Any dispute as to the identification, evaluation, or placement of any student with a disability shall be resolved in accordance with the processes specified in the "Procedural Safeguards" section of the accompanying administrative regulation.

In addition, qualified students with disabilities shall be provided an equal opportunity to participate in programs and activities that are integral components of the district's basic education program, including, but not limited to, extracurricular athletics, interscholastic sports, and/or other nonacademic activities. (34 CFR 104.37)

Regulation 6164.6: Identification And Education Under Section 504

Status: DRAFT - Use District

Original Adopted Date: 03/01/2009 **| Last Revised Date:** 12/01/2016

Eligibility

A disabled student eligible for services under Section 504 is one who (a) has a physical or mental impairment that substantially limits one or more major life activities, including learning, (b) has a record of such an impairment, or (c) is regarded as having such an impairment. (Code of Federal Regulations, Title 34, Part 104.3)

Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. Examples of students with such impairments include, but are not limited to:

1. Students with a normal ability to learn but who have a mobility impairment
2. Students with a normal ability to learn academically but who require occupational or physical therapy in order to function physically
3. Students with emotional disabilities manifested by behavior problems which result in exclusion from classes or school

Indications of a possible disability that significantly interferes with learning include, but are not limited to:

1. Medical conditions such as severe asthma or heart disease
2. Temporary medical condition due to illness or accident
3. Poor or failing grades over a lengthy period of time

Referral and Identification Procedures

1. Any student may be referred by a parent/guardian, teacher, other certificated school employee or community agency for consideration of eligibility as a disabled student under Section 504. This referral should be made to the school site principal.
2. The school site committee shall promptly consider the referral and determine whether an evaluation under this procedure is appropriate. This determination shall be based on a review of the student's school records (including academic, social and behavioral records) and the student's needs. Students requiring evaluation shall be referred to appropriate evaluation specialists.
3. If a request for evaluation is denied, the school site committee shall inform the parents/guardians of this decision and of their procedural rights as described below.

Accommodation Plan

1. When a student is identified as disabled within the meaning of Section 504, the school site committee shall determine what services are necessary to ensure that the student's individual education needs are met as adequately as the needs of nondisabled students.
2. In making this determination, the school site committee shall consider all significant factors relating to the learning process for the student, including his/her adaptive behavior and cultural and language background. The evaluation may include, but is not limited to, classroom and playground observation, performance-based testing, academic assessment information, and data offered by the parent/guardian.
3. The parents/guardians shall be invited to participate in the school site committee meeting where services for the student will be determined and shall be given an opportunity to examine all relevant records.
4. The school site committee shall develop a written plan describing the disability and specifying the services needed by the student. A copy of this plan shall be kept in the student's cumulative file. The student's teacher and any other staff who provide services to the student shall be informed of the services necessary for the

student, to the extent that they need to be informed in order to provide for the student in the school setting.

5. If the school site committee determines that no services are necessary for the student, the record of the committee's meeting shall reflect the identification of the student as a disabled person under Section 504 and shall state the basis for the decision that no special services are presently needed.

6. The disabled student shall be placed in the regular educational environment unless the district demonstrates that a more restrictive placement is required in order to meet the student's needs. The disabled student shall be educated with those who are not disabled to the maximum extent appropriate to his/her individual needs.

7. The parents/guardians shall be notified in writing of the final decision concerning services to be provided, if any, and of the Section 504 procedural safeguards, including the right to an impartial hearing to challenge the decision.

8. The district shall complete the identification, evaluation and placement process within a reasonable time frame.

9. The student's plan shall include a schedule for periodic review of the student's needs and indicate that this review may occur sooner at the request of the parent/guardian or school staff.

Review of the Student's Progress

1. The school site committee shall monitor the progress of the disabled student and the effectiveness of the student's plan. The committee shall periodically determine whether the services are appropriate and necessary and whether the disabled student's needs are being met as adequately as the needs of nondisabled students.

2. A reevaluation of the student's needs will be conducted before any subsequent significant change in placement.

Procedural Safeguards

Parents/guardians shall be notified in writing of all district decisions regarding the identification, evaluation or educational placement of students with disabilities or suspected disabilities. Notifications shall include a statement of their rights to: (Code of Federal Regulations, Title 34, Part 104.36)

1. Examine relevant records

2. Have an impartial hearing with an opportunity for participation by the parents/guardians and their counsel

3. Have a review procedure

Notifications shall also set forth the procedures for requesting a hearing, the name, address and telephone number of the person with whom the request should be made, and the fact that reimbursement for attorney's fees is available only as authorized by law.

The Superintendent or designee shall maintain a list of impartial hearing officers who are qualified and willing to conduct Section 504 hearings. To ensure impartiality, such officers shall not be employed by or under contract with the district in any capacity other than that of hearing officer and shall not have any professional or personal involvement that would affect their impartiality or objectivity in the matter.

If a parent/guardian disagrees with the identification, evaluation or educational placement of a student with disabilities under Section 504, he/she may initiate the following procedures:

1. Within 30 days of receiving the student's accommodation plan, set forth in writing his/her disagreement and request that the school principal and school site committee review the plan in an attempt to resolve the disagreement. This review shall be held within 14 days of receiving the parent/guardian's request, and the parent/guardian shall be invited to attend the meeting at which the review is conducted.

2. If disagreement continues, request in writing that the Superintendent or designee review the plan. This review shall be held within 14 days of receiving the parent/guardian's request, and the parent/guardian shall be invited to meet with the Superintendent or designee to discuss the review.

3. If disagreement continues, request in writing a Section 504 due process hearing. The request shall include:

    a. The specific nature of the decision with which the parent/guardian disagrees

    b. The specific relief the parent/guardian seeks

    c. Any other information the parent/guardian believes pertinent

Within 20 days of receiving the parent/guardian's request, the Superintendent or designee shall select an impartial hearing officer. This 20 days may be extended for good cause or by mutual agreement of the parties.

Within 45 days of the selection of the hearing officer, the Section 504 due process hearing shall be conducted and a written decision mailed to all parties. This 45 days may be extended for good cause or by mutual agreement of the parties. The Superintendent or designee shall represent the district at this hearing.

Any party to the hearing shall be afforded the right to:

1. Be accompanied and advised by counsel and by individuals with special knowledge or training related to the problems of students who are qualified as disabled under Section 504

2. Present written and oral evidence

3. Question and cross-examine witnesses

4. Receive written findings by the hearing officer

If desired, either party may seek a review of the hearing officer's decision by a federal court of competent jurisdiction.

Policy 6170.1: Transitional Kindergarten

Status: DRAFT - Use District

Original Adopted Date: 10/01/2015 **| Last Revised Date:** 12/01/2024

The governing board desires to offer a high-quality Transitional Kindergarten Program for eligible children who do not yet meet the minimum age criterion for kindergarten. The program shall assist children in developing the academic, social, and emotional skills they need to succeed in kindergarten and beyond.

The district's Transitional Kindergarten shall be the first year of a two-year kindergarten program (Education Code 48000)

The Board encourages ongoing collaboration among district preschool staff, other preschool providers, elementary teachers, administrators, and parents/guardians in program development, implementation, and evaluation.

Eligibility

The district's Transitional Kindergarten Program shall prioritize student enrollment for children whose fifth birthday lies between: (Education Code: 48000)

September 2nd and February 2nd for the 2022–23 school year

September 2nd and April 2nd for 2023-24 school year.

September 2nd and June 2nd for the 2024–25 school year.

In the 2025–26 school year, and in each school year thereafter, children who will turn four-years old by September 1 are eligible for Transitional Kindergarten.

Parents/guardians of eligible children shall be notified of the availability of this program and the age, residency, and any other enrollment requirements. Enrollment in the Transitional Kindergarten Program shall be voluntary.

Out of District Transfers into Transitional Kindergarten

Students transferring from a Transitional Kindergarten program in an out-of-district public school may be admitted to Transitional Kindergarten to allow for continuity of service, pending receipt and review of school records.

Transitional Kindergarten Waivers

The District will implement the following transitional kindergarten waiver programs as outlined in the accompanying AR and consistent with the Education Code if transitional kindergarten classes are not fully enrolled with age-eligible students:

Over-Age Transitional Kindergarten Waiver

Upon request of a child's parents/guardians, the district may, on a case-by-case basis after the Superintendent or designee determines that it is in the child's best interest, admit into the district's Transitional Kindergarten program a child whose fifth birthday is on or before September 1 and who is therefore eligible for kindergarten.

Under-Age Transitional Kindergarten Waiver

Upon request of a child's parents/guardians, the district may, on a case-by-case basis, admit into the district's Transitional Kindergarten program, a child who will have their fifth birthday between April 2, 2024 and September 1, 2024 for the 2023-24 school year and fifth birthday between June 2, 2025 and September 1, 2025 for the 2024-25 school year. This waiver shall apply if transitional kindergarten classes are not fully enrolled to capacity for the 2023-24 or the 2024-25 school years only.

Special Under-Age Transitional Kindergarten Waiver

To provide maximum continuity of services, children who are eligible for a waiver as described above and who

have an active Individual Education Program ("IEP") through the school district and who have a sibling at a school with a transitional kindergarten program such that the child will attend kindergarten at that school, will be eligible for a "Special Temporary Transitional Kindergarten Waiver."

A Special Temporary Transitional Kindergarten Waiver allows a qualifying child to participate in the regular transitional kindergarten enrollment process as though they were born before the codified cut-off date.

To qualify, parents or guardians must apply for a "Special Waiver" within the timeframe allowed for ordinary transitional kindergarten enrollment.

Education Code Title II, Division 4, Part 27, Chapter 1, Article I §48000(c).

Id. at §48000(c)(2)(A)

Curriculum and Instruction

The district's Transitional Kindergarten Program shall be based on a modified kindergarten curriculum that is age and developmentally appropriate (Education Code: 48000)

The program shall be aligned to the preschool learning foundations and preschool curriculum frameworks developed by the California Department of Education. It shall be designed to facilitate students' development in essential skills related to language and literacy, mathematics, physical development health, visual and performing arts, science, history-social studies, English language development, and social-emotional development.

The Board shall fix the length of the school day in district's Transitional Kindergarten program, which shall be at least three hours but no more than four hours.

Transitional Kindergarten students may be placed in the same classrooms as Kindergarten students when necessary, provided that the instructional program is differentiated to meet student needs.

TK students may be commingled in the same classroom with four-year-old students from a CSPP program as long as the commingled program meets all of the requirements of each program as well as the following requirements (Education Code 8207, 48000):

1. The classroom does not include students enrolled in TK for a second year or students enrolled in a regular kindergarten

2. An early childhood environment rating scale, as specified in 5 CCR 18281, is completed for the classroom

3. All children enrolled for 10 or more hours per week are evaluated using the Desired Results Developmental Profile, as specified in 5 CCR 18272

4. The classroom is taught by a teacher that holds a credential issued by the Commission on Teacher Credentialing in accordance with Education Code 44065 and 44256

5. The classroom is in compliance with the adult-child ratio specified in Education Code 8241

6. Contractors of the district report the services, revenues, and expenditures for children in the preschool program in accordance with 5 CCR 18068 except for contractors of the TK program

Staffing

The Superintendent or designee shall ensure that teachers assigned to teach in the Transitional Kindergarten classes possess a teaching credential or permit from the Commission on Teacher Credentialing (CTC) that authorizes such instruction.

A credentialed teacher who is first assigned to an Transitional Kindergarten class after July 1, 2015, shall, by August 1, 2020, have at least 24 units in early childhood education and/or child development, comparable experience in a preschool setting, and/or a child development teacher permit issued by the CTC. (Education code 48000)

The Superintendent or designee may provide professional development as needed to ensure that Transitional Kindergarten teachers are knowledgeable about standards and effective instructional methods for teaching young children.

Continuation to Kindergarten

Students who complete the Transitional Kindergarten program shall be eligible to continue in kindergarten the following school year. Parents /guardians of such students shall not be required to submit a signed Kindergarten Continuance Form for kindergarten attendance. However, whenever children who would otherwise be age-eligible for kindergarten are enrolled in Transitional Kindergarten, the Superintendent or designee shall obtain a Kindergarten Continuance Form signed by the parent/guardian near the end of the Transitional Kindergarten year consenting to the child's enrollment in kindergarten the following year.

Students enrolled at a regional non-neighborhood Transitional Kindergarten school site shall return to their assigned/neighborhood home school to continue their regular 2nd year in kindergarten. Parents requesting to continue the second year of kindergarten at a regional non-neighborhood school would apply to do so through the Open Enrollment Process.

A student shall not attend more than two years in a combination of Transitional Kindergarten and kindergarten. (Education Code 46300)

Program Evaluation

The Superintendent or designee shall develop or identify appropriate formal and/or informal assessments of Transitional Kindergarten students' development and progress. He/she shall monitor and regularly report to the Board regarding program implementation and the progress of students in meeting related academic standards.

Policy 6171: Title I Programs

Status: DRAFT - Keep

Original Adopted Date: 11/01/2002 **| Last Revised Date:** 03/01/2018

The Governing Board desires to provide a high-quality education that enables all students to meet challenging state academic standards. In schools with a large number or percentage of economically disadvantaged families, the district shall use Title I funds to provide services that strengthen the academic program and provide support to students at risk of failing to achieve academic standards.

Title I funds shall be used to supplement, not supplant, funds available from state and local sources for the education of students participating in Title I programs. (20 USC 6314, 6321)

Descriptions of how the district will address the required components of the Title I local educational agency plan, as specified in 20 USC 6312, shall be included within the district's control and accountability plan (LCAP), the LCAP Federal Addendum, or another document. School-level strategies shall be aligned with the district's plan and be tailored to the specific needs of the students at the school.

In addition, the district and each school receiving Title I funds shall develop a written parent/guardian and family engagement policy in accordance with 20 USC 6318.

Comparability of Services

In schools receiving Title I funds, state and local funds shall be used to provide services that, taken as a whole, are at least comparable to services in schools that are not receiving Title I funds or, if all district schools are receiving Title I funds, that are substantially comparable in each school. Comparability may be determined on a school-by-school basis or by grade span. (20 USC 6321)

To demonstrate comparability of services among district schools, the district shall:

1. Adopt and implement a districtwide salary schedule

2. Ensure equivalence in teachers, administrators, and other staff, as measured by either or both of the following:

    a. The ratio of students to instructional staff at each Title I school within a grade span, which shall not exceed 110 percent of the average ratio for all non-Title I district schools within that grade span

    b. Salary expenditures for instructional staff at each Title I school, which shall be no less than 90 percent of the average salary expenditure across non-Title I district schools.

3. Ensure equivalence in the provision of curriculum materials and instructional supplies, by determining whether the per-student expenditure of state and local funds for curriculum materials and instructional supplies in Title I schools is between 90 and 110 percent of the district wide average

4. Determine whether the amount of state and local funds allocated per student for each grade span is between 90 and 110 percent of the per student average for each grade span in non-Title I schools

In determining comparability, the district shall not include staff salary differentials for years of employment. The district also may exclude unpredictable changes in student enrollment or personnel assignments that occur after the beginning of the school year, state and local funds expended for language instruction educational programs, state and local funds expended for the excess costs of providing services to students with disabilities, and supplemental state or local funds expended in any school attendance area or school for programs that specifically meet the intent and purposes of Title I. (20 USC 6321)

The Superintendent or designee shall annually assess comparability in accordance with the above criteria and maintain records documenting the district's compliance. If any instances of noncomparability are identified, the Superintendent or designee shall promptly implement adjustments as needed to ensure comparability.

Program Evaluation

The Board shall regularly monitor the progress of economically disadvantaged and low-achieving students in Title I schools. During the annual evaluation of the district's progress toward achieving each goal identified in the LCAP or

other planning document addressing 20 USC 6312, the Board shall review disaggregated data on academic achievement, school attendance, and other outcomes for such students and shall ensure that strategies are revised as necessary to support continuous improvement.

Regulation 6171: Title I Programs

Status: DRAFT - Keep

Original Adopted Date: 08/01/2006 **| Last Revised Date:** 03/01/2018

Schoolwide Programs

A school may operate a Title I schoolwide program in order to upgrade the entire educational program of the school when at least 40 percent of the students in the school attendance area, or at least 40 percent of the students enrolled in the school, are from low-income families. (20 USC 6314; 34 CFR 200.25)

A school that does not meet these criteria may operate a Title I schoolwide program if it receives a waiver from the California Department of Education. (20 USC 6314)

Any school operating a schoolwide program shall develop a comprehensive plan with the involvement of parents/guardians, other members of the community to be served, and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, administrators (including administrators of other federal education programs), the district, tribes and tribal organizations present in the community, and, if appropriate, specialized instructional support personnel, technical assistance providers, school staff, secondary school students as applicable, and other individuals determined by the school. (20 USC 6314)

The schoolwide program plan shall be based on a comprehensive needs assessment of the entire school and shall be incorporated into a single plan for student achievement which also incorporates the plans required for other categorical programs included in the state's consolidated application. (Education Code 64001; 20 USC 6314)

The plan shall describe the strategies that the school will implement to address school needs, including a description of how such strategies will: (20 USC 6314)

1. Provide opportunities for all students, including economically disadvantaged students, ethnic subgroups, students with disabilities, and English learners, to meet state academic standards

2. Use methods and instructional strategies that strengthen the school's academic program, increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education

3. Address the needs of all students in the school, but particularly the needs of those at risk of not meeting state academic standards, through activities which may include the following:

    a. Counseling, school-based mental health programs, specialized instructional support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas

    b. Preparation for and awareness of opportunities for postsecondary education and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school

    c. Implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervention services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act

    d. Professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments and to recruit and retain effective teachers, particularly in high-need subjects

    e. Strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs

The plan shall also include a description of any applicable federal, state, and local programs that will be consolidated in the schoolwide program. (20 USC 6314; 34 CFR 200.27)

The plan and its implementation shall be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet state academic standards. (20 USC 6314)

Targeted Assistance Programs

Any school that receives Title I funds but does not operate a schoolwide program shall use Title I funds to provide services to eligible students who are failing, or most at risk of failing, to meet state academic standards. Students shall be identified on the basis of multiple, educationally related, objective criteria, except that students in preschool through grade 2 shall be selected solely on the basis of criteria, including objective criteria, established by the district and supplemented by the school. (20 USC 6315)

Eligible students include those who are economically disadvantaged; students with disabilities; migrant students, including those who participated in a migrant education program pursuant to 20 USC 6391-6399 in the preceding two years; English learners; students who participated in a Head Start or state preschool program in the preceding two years; students in a local institution for neglected or delinquent children and youth or attending a community day program for such students; and homeless students. (20 USC 6315)

Any targeted assistance program shall: (20 USC 6315)

1. Use program resources to help participating students meet state academic standards, which may include programs, activities, and academic courses necessary to provide a well-rounded education

2. Use methods and instructional strategies that strengthen the academic program, through activities which may include:

    a. Expanded learning time, before- and after-school programs, and summer programs and opportunities

    b. A schoolwide tiered model to prevent and address behavior problems, and early intervention services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act

3. Coordinate with and support the regular education program, which may include services to assist preschool students in the transition to elementary school programs

4. Provide professional development to teachers, principals, other school leaders, paraprofessionals, and, if appropriate, specialized instructional support personnel and other school personnel who work with eligible students in Title I programs or in the regular education program. The professional development shall be provided using funds from Title I and, to the extent practicable, other sources.

5. Implement strategies to increase the involvement of parents/guardians of participating students

6. If appropriate and applicable, coordinate and integrate federal, state, and local services and programs, such as programs supported by the Elementary and Secondary Education Act, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career technical education programs, and comprehensive or targeted support and improvement activities under 20 USC 6311

7. Provide assurances to the Superintendent or designee that the program will:

    a. Help provide an accelerated, high-quality curriculum

    b. Minimize the removal of students from the regular classroom during regular school hours for instruction supported by Title I funds

    c. On an ongoing basis, review the progress of participating students and revise the targeted assistance program, if necessary, to provide additional assistance to enable such students to meet state academic standards

Policy 6172: Gifted And Talented Student Program

Status: DRAFT - Keep

Original Adopted Date: 11/01/2005 **| Last Revised Date:** 08/01/2014

The Governing Board believes that all students deserve an education that challenges them to reach their full potential. The district shall provide gifted and talented students with opportunities for learning commensurate with their particular abilities and talents. By cultivating their exceptional abilities or talents, these students may contribute significantly to our society's progress in diverse fields.

The Superintendent or designee shall identify students for the district's gifted and talented education (GATE) program on the basis of any of all of the following demonstrated or potential intellectual development, creative or productive thinking , consistently high achievement levels, academic ability or in a particular subject area(s).

The Superintendent or designee shall provide all eligible students, including economically disadvantaged students, English learners, Twice-Exceptional and students of varying cultural backgrounds, with full opportunities to participate in the GATE program and shall provide targeted supports to help such students to succeed in the program.

The district's GATE program shall be designed to provide articulated learning experiences across subjects and grade levels and shall meet or exceed state academic content standards .

Educational opportunities in the district's GATE program may include:

1. Cluster groupings in which students are grouped within a regular classroom setting and receive appropriately differentiated learning activities from the classroom teacher who is trained in gifted education.

2. Part-time flexible groupings, in which students attend classes or seminars that are organized to provide advanced or enriched subject matter for a part of the school day

3. Special day classes which are taught by a classroom teacher who is training in gifted education and are designed to meet specific academic needs of gifted and talented students and are appropriately differentiated from other classes in the same subjects at the school.

4. Acceleration, in which students are placed in grade levels or classes more advanced than those of their chronological age group.

5. Opportunities to attend classes conducted by a post-secondary institution.

6. Enrollment in Advanced Placement classes, International Baccalaureate program or honors classes.

In addition, the district's program shall support the social and emotional development of GATE students in order to promote student engagement in school and success in life.

Ongoing professional learning, including GATE certification, shall be provided to support teachers in understanding the unique learning styles and diverse abilities of gifted and talented students and in developing appropriate instructional strategies.

As appropriate, the Superintendent or designee may involve certificated staff, students, parents/guardians, and community members in the planning, implementation, and evaluation of the GATE program.

The Superintendent or designee shall evaluate the effectiveness of the Gifted and Talented Program. He or she shall monitor and report to the Board regarding the program implementation and progress of students.

Regulation 6172: Gifted And Talented Student Program

Status: DRAFT - Keep

Original Adopted Date: 11/01/2005 **| Last Revised Date:** 08/01/2014

Identification of Gifted and Talented Students

Students may be recommended for the GATE program by administrators, teachers, counselors, other staff, or parents/guardians. Parent/guardian consent shall be obtained before administering any assessments for the sole purpose of identifying students for this program or for placing a student in the program.

The Superintendent or designee shall develop methods for identifying students from varying backgrounds based on their demonstrated or potential ability for high performance by virtue of one or more of the following:

1. School, class, and individual student records
2. Individual tests, including summary and evaluation by a credentialed school psychologist
3. Group tests
4. Interviews and questionnaires of teachers, parents/guardians, and others

The Superintendent or designee shall base selection decisions upon the evaluation of pertinent evidence by the principal or designee, a classroom teacher familiar with the student's work, and, when appropriate, a credentialed school psychologist and/or other expert. These persons may review screening, identification, and placement data and shall meet when necessary to resolve any differences in assessment and recommendations. In reviewing evidence of a student's abilities, the Superintendent or designee also shall consider the economic, linguistic, and cultural characteristics of the student's background.

A student who transfers into the district shall be considered for the GATE program if he/she was identified as a gifted and talented student in his/her previous district or school.

The Superintendent or designee may verify that GATE Identification would be appropriate for the student by examining evidence of the student's abilities based on documentation submitted from the students prior district or school. Such documentation may include: Identification Letters, District or School Administered Cognitive Assessment scores, or Report Cards/Transcripts indicating inclusion in Gifted Education services.

Policy 6172.1: Concurrent Enrollment In College Classes

Status: DRAFT - Keep

Original Adopted Date: 07/01/2008 **| Last Revised Date:** 03/01/2020

The Governing Board desires to provide opportunities for eligible district students to enroll concurrently in courses offered at postsecondary institutions in order to foster individual student achievement, increase opportunities for students to complete college preparatory course requirements and/or participate in career technical education (CTE), and prepare students for a smooth transition into college by providing exposure to the collegiate environment.

When it is determined that the postsecondary course in which the student intends to enroll is substantially equivalent to a course provided by the district, the student may receive credit toward high school graduation requirements in addition to credit received from the college.

Approval of Concurrent Enrollment

The Board may approve students to apply for part-time dual enrollment in a community college or four-year college when it is determined to be in the student's best interest and the student has earned a “C” or better in all course work. Exceptions to this criteria may be considered on a case by case basis. .

Upon recommendation of the principal and with parent/guardian consent, the Board may authorize a student to attend a community college during any session or term as a special part-time or student and to undertake one or more courses of instruction offered at the community college level. (Education Code 48800)

The Board may authorize a student who is pursuing a high school diploma or a high school equivalency certificate through an adult education program, upon recommendation of the administrator of the student's adult school, to attend a community college during any session or term as a special part-time student. (Education Code 52620)

College and Career Access Pathways Partnerships

The Board may enter into a College and Career Access Pathways (CCAP) partnership agreement with the board of a community college district for the purpose of offering or expanding dual enrollment opportunities for students. The agreement shall be approved at an open public Board meeting, with an opportunity for public input provided prior to the Board taking action. If the CCAP agreement provides for CTE pathways, the Board shall consult with and consider input from appropriate local workforce board(s) to determine the extent to which the pathways are aligned with regional and statewide employment needs. (Education Code 76004)

Program Evaluation

The Superintendent or designee shall regularly report to the Board regarding the number and demographics of district students participating in the concurrent enrollment option, their success in completing college preparatory courses ("a-g" courses) and postsecondary courses, and any impact on their achievement in district courses and graduation rates.

Regulation 6172.1: Concurrent Enrollment In College Classes

Status: DRAFT - Keep

Original Adopted Date: 07/01/2008 **| Last Revised Date:** 03/01/2020

Credit

Unless enrolled as part of a College and Career Access Pathways (CCAP) partnership agreement in which students are authorized to take up to 15 units per term in a community college, as described below, district students enrolled in a community college as special part-time students may enroll in up to 11 units per semester, or the equivalent. Such students shall receive credit for community college courses that they complete in an amount jointly determined appropriate by the district and the community college governing board. (Education Code 48800, 76001, 76004)

A written agreement regarding the student's enrollment in postsecondary courses and the credits to be awarded for successful completion shall be signed by the student, parent/guardian, principal, and college representative. The student shall be informed whether the credits to be earned are considered academic credits or elective credits, whether the credits count towards high school graduation requirements, and whether the course would need to be completed again during the college years to satisfy college graduation requirements.

To receive district credit for coursework completed at a community college or four-year college, the student or parent/guardian shall submit a transcript showing completion of the course with a passing grade.

College and Career Access Pathways Partnerships

The district may enter into a CCAP agreement, in accordance with Education Code 76004, which includes terms regarding course offerings, student eligibility, protocols for sharing information, joint facilities use, and staff qualifications.

A copy of the CCAP agreement shall be filed with the Office of the Chancellor of the California Community Colleges and with the California Department of Education before the start of the agreement. (Education Code 76004)

Only courses that provide career technical education or transfer to CSU/UC, assist in improving high school graduation rates, or help high school students achieve college and career readiness shall be offered, and physical education courses shall not be provided for original credit. (Education Code 76004)

Students may enroll in up to 15 units of community college courses per term if all of the following circumstances are satisfied: (Education Code 76004)

1. The units constitute no more than four community college courses per term.

2. The units are part of an academic program that is part of a CCAP agreement.

3. The units are part of an academic program that is designed to award students both a high school diploma and an associate degree or a certificate or credential.

A high school student shall submit one parental consent form and principal recommendation for the duration of the student's concurrent enrollment under a CCAP partnership. (Education Code 76004)

The district shall report information annually to the office of the Chancellor of the California Community Colleges as specified in Education Code 76004.

Minimum School Day

The minimum day of attendance in district schools shall be 300 minutes for any student who is enrolled part-time in a community college and any student in grades 11-12 who is enrolled part-time in the California State University or University of California, when the student is enrolled in classes for which academic credit will be provided upon satisfactory completion of enrolled courses. (Education Code 46146, 48801)

However, both part-time and full-time community college students shall be required to undertake courses of instruction of a scope and duration sufficient to satisfy the requirements of law. (Education Code 48800.5, 48801)

Policy 6173: Education For Homeless Children

Status: DRAFT - Keep

Original Adopted Date: 07/01/2005 **| Last Revised Date:** 02/01/2026

The Governing Board believes that the identification of students experiencing homelessness is critical to improving the educational outcomes of such students and ensuring that students experiencing homelessness have access to the same free and appropriate public education provided to other students within the district. The district shall provide students experiencing homelessness with access to education and other services necessary for such students to meet the same challenging academic standards as other students.

When there are at least 15 students experiencing homelessness in the district or a district school, the district's local control and accountability plan (LCAP) shall include goals and specific actions to improve student achievement and other outcomes of students experiencing homelessness. (Education Code 52052, 52060, 52064)

The Superintendent or designee shall review district policies at least once every three years and recommend updates to ensure removal of any barriers to the education of students experiencing homelessness and unaccompanied youth. Any such review shall address identification, enrollment, and retention of such students, including those barriers that are due to absences or outstanding fees or fines. (Education Code 48851.3, 42 USC 11432)

The Superintendent or designee shall designate an appropriate staff person to serve as a liaison for homeless children and youths. The district liaison for homeless students shall fulfill the duties specified in 42 USC 11432 to assist in identifying and supporting students experiencing homelessness to succeed in school, and as specified in Education Code 48851.3 related to trainings for district staff providing assistance to students experiencing homelessness.

The Superintendent or designee shall ensure that each district school identifies all students experiencing homelessness and unaccompanied youths enrolled at the school. (Education Code 48851)

To ensure easy identification of students experiencing homelessness, the Superintendent or designee shall annually provide and administer a housing questionnaire developed by the California Department of Education (CDE) to all parents/guardians of students and all unaccompanied youths. (Education Code 48851)

If the primary language of a student's parent/guardian or an unaccompanied youth is not English, either the housing questionnaire shall be made available in the primary language of the student's parent/guardian or the unaccompanied youth pursuant to Education Code 48985, or an appropriate translation of the housing questionnaire shall be provided upon request of a student's parent/guardian or an unaccompanied youth. (Education Code 48851)

The Superintendent or designee shall report to CDE the number of students experiencing homelessness, including unaccompanied youths, enrolled in the district as identified from the housing questionnaire described above. (Education Code 48851)

Additionally, the Superintendent or designee shall ensure that the district liaison's contact information and other information on homelessness, including, but not limited to, information regarding the educational rights and resources available to persons experiencing homelessness, are posted on the district and school websites as specified in the accompanying administrative regulation. (Education Code 48852.6)

The Superintendent or designee shall ensure that placement decisions for students experiencing homelessness are based on the student's best interest as defined in law and administrative regulation.

Each student experiencing homelessness shall be provided services that are comparable to services offered to other students in the school, including, but not limited to, transportation, educational programs for which the student meets the eligibility criteria (such as federal Title I services or similar state or local programs, programs for students with disabilities, and educational programs for English learners), career and technical education programs, programs for gifted and talented students, and school nutrition programs. (Education Code 48850; 42 USC 11432)

Students experiencing homelessness shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way. However, the Superintendent or designee may separate students experiencing homelessness on school grounds as necessary for short periods of time for health and safety emergencies or to provide temporary, special, and supplementary services to meet their unique needs. (42 USC 11432, 11433)

The Superintendent or designee shall ensure that information and/or materials for students experiencing homelessness are provided in a manner and form understandable to the student's parents/guardians and to unaccompanied youths.

Information about the living situation of a student experiencing homelessness shall be considered part of a student's educational record, subject to the Family Educational Rights and Privacy Act, shall not be deemed to be directory information as defined in 20 USC 1232g, and shall not be released without written consent. (42 USC 11432)

The Superintendent or designee shall coordinate with other agencies and entities to ensure that students experiencing homelessness are promptly identified, ensure that students experiencing homelessness have access to and are in reasonable proximity to available education and related support services, and raise the awareness of school personnel and service providers of the effects of short-term stays in a shelter and other challenges associated with homelessness. Toward these ends, the Superintendent or designee shall collaborate with local social services agencies, other agencies or entities providing services to students experiencing homelessness, and, if applicable, transitional housing facilities. Additionally, the Superintendent or designee shall coordinate transportation, transfer of school records, and other interdistrict activities with other local educational agencies. As necessary, the Superintendent or designee shall coordinate, within the district and with other involved local educational agencies, services for students experiencing homelessness and services for students with disabilities. (42 USC 11432)

At least annually, the district liaison and other appropriate staff shall participate in professional development and other technical assistance activities to assist them in identifying and meeting the needs of students experiencing homelessness. Such professional development and technical assistance shall include, but are not limited to, training on the district's homeless education program policies, definitions of terms related to homelessness, recognition of signs that students are experiencing or are at risk of experiencing homelessness, the steps that should be taken once a potentially homeless student is identified, and how to connect students experiencing homelessness with appropriate housing and service providers. (Education Code 48851.3, 48852.5; 42 USC 11432)

At least annually, the Superintendent or designee shall report to the Board on the identification of and outcomes for students experiencing homelessness, which may include, but are not limited to, the housing questionnaire responses, school attendance, student achievement test results, promotion and retention rates by grade level, graduation rates, suspension/expulsion rates, and other outcomes related to any goals and specific actions identified in the LCAP. Based on the evaluation data, the district shall revise its strategies as needed to more effectively identify and support the education of students experiencing homelessness.

Regulation 6173: Education For Homeless Children

Status: DRAFT - Keep

Original Adopted Date: 12/01/2014 **| Last Revised Date:** 02/01/2026

Definitions

Homeless students or students experiencing homelessness means students who lack a fixed, regular, and adequate nighttime residence and includes: (Education Code 48859; 42 USC 11434a)

1. Students who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals

2. Students who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings

3. Students who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings

4. Migratory children who qualify as homeless because they are living in conditions described in Items #1-3 above

Unaccompanied youth includes a homeless child or youth not in the physical custody of a parent or guardian. (Education Code 48859; 42 USC 11434a)

School of origin means the school that the student experiencing homelessness attended when permanently housed or the school in which the student was last enrolled, including a preschool. If the school the student experiencing homelessness attended when permanently housed is different from the school in which the student was last enrolled, or if there is some other school that the student attended within the preceding 15 months and with which the student is connected, the district liaison for homeless students, in consultation with and with the agreement of the student experiencing homelessness and the person holding the right to make educational decisions for the student, shall determine which school is, in the best interests of the student experiencing homelessness, deemed the school of origin. (Education Code 48852.7; 42 USC 11432)

Best interest means that, in making educational and school placement decisions for a student experiencing homelessness, consideration is given to, among other factors, educational stability, the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress, and the student's access to academic resources, services, and extracurricular and enrichment activities that are available to all district students. (Education Code 48850, 48853; 42 USC 11432)

District Liaison

The Superintendent designates the following staff person as the district liaison for homeless students: (42 USC 11432)

Homeless Education Services Program Coordinator
5735 47th Avenue
https://www.scusd.edu/explore/programs-services/homeless-education-services
(916) 507-3452

The district's liaison for homeless students shall: (Education Code 48851.3, 48851.5, 48852.5; 42 USC 11432)

1. Ensure that students experiencing homelessness are identified by school personnel through outreach and coordination activities with other entities and agencies

2. Ensure that students experiencing homelessness are enrolled in, and have a full and equal opportunity to succeed in, district schools

3. Ensure that families and students experiencing homelessness have access to and receive educational services for which they are eligible, including services through Head Start and Early Head Start programs, early intervention services under Part C of the federal Individuals with Disabilities Education Act, and other

preschool programs administered by the district

4. Ensure that families and students experiencing homelessness receive referrals to health care services, dental services, mental health and substance abuse services, housing services, and other appropriate services

5. Inform parents/guardians of the educational and related opportunities available to their children and ensure that they are provided with meaningful opportunities to participate in the education of their children

6. Disseminate public notice of the educational rights of students experiencing homelessness in locations frequented by parents/guardians of students experiencing homelessness and by unaccompanied youth, including schools, shelters, public libraries, and hunger relief agencies (soup kitchens)

   The rights shall be presented in a manner and form understandable to the parents/guardians of homeless students and unaccompanied youth.

7. Mediate enrollment disputes in accordance with law and the section "Resolving Enrollment Disputes" below

8. Fully inform parents/guardians of students experiencing homelessness and unaccompanied youth of all transportation services, including transportation to the school of origin, and assist them in accessing transportation to the school of choice

9. Offer annual training related to the district's homeless education program policies to school personnel who provide services to students experiencing homelessness, including principals and other school leaders, attendance officers, teachers, enrollment personnel, and specialized instructional support personnel, to ensure that such employees are informed of available training, professional development, and other support, and the services provided by the district liaison for homeless students

10. Ensure that unaccompanied youth are enrolled in school, have opportunities to meet the same challenging state academic standards established for other students, and are informed of their status as independent students under 20 USC 1087vv and that they may receive assistance from the district liaison to receive verification of their independent student status for purposes of applying for federal student aid pursuant to 20 USC 1090

11. Coordinate and collaborate with state coordinators and community and school personnel responsible for the provision of education and related services to students experiencing homelessness, including the collection and provision of comprehensive data to the state coordinator as required by law

Additionally, when notified pursuant to Education Code 48918.1, the district liaison shall assist, facilitate, or represent a student experiencing homelessness who is undergoing a disciplinary proceeding that could result in the student's expulsion. When notified pursuant to Education Code 48915.5, the district liaison shall participate in an individualized education program (IEP) team meeting to make a manifestation determination regarding the behavior of a student with a disability.

The Superintendent or designee shall inform students experiencing homelessness, their parents/guardians, school personnel, service providers, and advocates working with homeless families of the duties of the district's liaison. Additionally, the Superintendent or designee shall provide the name and contact information of the district's liaison to the California Department of Education (CDE) for publishing on CDE's website. (42 USC 11432)

Enrollment

The district shall make placement decisions for students experiencing homelessness based on the student's best interest. (Education Code 48850; 42 USC 11432)

In determining a student's best interest, a student experiencing homelessness shall, to the extent feasible, be placed in the school of origin, unless the student's parent/guardian or the unaccompanied youth requests otherwise. (Education Code 48852.7; 42 USC 11432)

When determining the best interest of any student experiencing homelessness, the district shall give priority to the request of the student's parent/guardian, or in the case of an unaccompanied youth, the request of the student. Additionally, the student's educational stability and opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress and other student-centered factors related to the student's best

interest, including the impact of mobility on the student's achievement, education, health, and safety, shall be considered. (Education Code 48850; 42 USC 11432)

Such factors may include, but are not limited to, the age of the student, the distance of the commute and the impact it may have on the student's education, personal safety issues, the student's need for special instruction, the length of anticipated stay in the temporary shelter or other temporary location, likely area of future housing, school placement of siblings, and the time remaining in the school year.

However, placement decisions shall not be based on whether a student experiencing homelessness lives with the student's homeless parent/guardian or has been temporarily placed elsewhere. (42 USC 11432)

In the case of an unaccompanied youth, the district liaison shall assist in placement or enrollment decisions, give priority to the views of the student, and provide notice to the student of the right to appeal. (42 USC 11432)

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice. The student shall be enrolled even if the student: (Education Code 48850, 48852.7; 42 USC 11432)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended

2. Does not have clothing normally required by the school, such as school uniforms

3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and records of immunization and other required health records

4. Has missed application or enrollment deadlines during any period of homelessness

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other required health records, the principal or designee shall immediately refer the parent/guardian to the district liaison for homeless students. The district liaison shall assist the parent/guardian, or the student if the student is an unaccompanied youth, in obtaining the necessary immunizations, screenings, or records for the student. (42 USC 11432)

If the student is placed at a school other than the school of origin or the school requested by the student's parent/guardian or the student, if an unaccompanied youth, the Superintendent or designee shall provide the parent/guardian or the unaccompanied youth with a written explanation of the reasons for the decision, including why placement in the student's school of origin or requested school is not in the student's best interest, along with a statement regarding the right to appeal the placement decision. The written explanation shall be in a manner and form understandable to such parent/guardian or unaccompanied youth. (42 USC 11432)

At the point of any change or subsequent change in the residence of a student experiencing homelessness, the student may continue attending the student's school of origin for the duration of the homelessness. (Education Code 48852.7; 42 USC 11432)

To ensure that the student experiencing homelessness has the benefit of matriculating with the student's peers in accordance with the established feeder patterns, the following shall apply: (Education Code 48852.7; 42 USC 11432)

1. If the student is transitioning between grade levels, the student shall be allowed to continue in the same attendance area

2. If the student is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, the student shall be allowed to continue to the school designated for matriculation in that district

If the student's housing status changes before the end of the school year so that the student is no longer experiencing homelessness, the student shall be allowed to stay in the school of origin: (Education Code 48852.7)

1. Through the duration of the school year if the student is in grades K-8

2. Through graduation if the student is in high school

When the district offers an intersession program, priority access shall be given to students experiencing homelessness. If a student experiencing homelessness will be moving during an intersession period, the student's parent/guardian, educational rights holder, or Indian custodian in the case of an Indian child, or, if there is no parent/guardian, educational rights holder, or Indian custodian, the unaccompanied homeless youth, shall determine which school the student attends for the intersession period. (Education Code 48850)

Resolving Enrollment Disputes

If a dispute arises over student eligibility, school selection, or enrollment in a particular school, the matter shall be referred to the district liaison, who shall carry out the dispute resolution process as expeditiously as possible. (42 USC 11432)

The parent/guardian or unaccompanied youth shall be provided with a written explanation of any decisions related to eligibility, school selection, or enrollment and of the right of the parent/guardian or unaccompanied youth to appeal such decisions. (42 USC 11432)

The written explanation shall include:

1. A description of the action proposed or refused by the district
2. An explanation of why the action is proposed or refused
3. A description of any other options the district considered and the reasons that any other options were rejected
4. A description of any other factors relevant to the district's decision and information related to the eligibility or best interest determination including the facts, witnesses, and evidence relied upon and their sources
5. Appropriate timelines to ensure any relevant deadlines are not missed
6. Contact information for the district liaison and state coordinator, and a brief description of those roles

The written explanation shall be complete, as brief as possible, simply stated, and provided in language that the parent/guardian or student can understand.

The district liaison may use an informal process as an alternative to formal dispute resolution procedures, provided that the parents/guardians or unaccompanied youth have access to the more formal process if informal resolution is not successful in resolving the matter.

In working with a student's parents/guardians or unaccompanied youth to resolve an enrollment dispute, the district liaison shall:

1. Inform the student's parents/guardians or unaccompanied youth that written and/or oral documentation to support their position may be provided
2. Inform the student's parents/guardians or unaccompanied youth that they may seek the assistance of social services, advocates, and/or service providers in having the dispute resolved
3. Provide a simple form that they may use and turn in to the school to initiate the dispute resolution process
4. Provide a copy of the dispute form they submit for their records
5. Provide the outcome of the dispute for their records

When a student's parent/guardian or an unaccompanied youth involved in the enrollment dispute is an English learner, Items #1-5 shall be provided either in the native language of the parent/guardian or unaccompanied youth or through an interpreter. Any additional support needed because of a disability of that parent/guardian or unaccompanied youth shall be made available without a charge.

If a parent/guardian or unaccompanied youth disagrees with the district liaison's enrollment decision, the decision may be appealed to the Superintendent. The Superintendent shall make a determination within five working days.

If the parent/guardian chooses to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the liaison for homeless students at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434a)

Transportation

The district shall provide transportation for a student experiencing homelessness to and from the student's school of origin when the student is residing within the district and the parent/guardian, or the district liaison in the case of an unaccompanied youth, requests that such transportation be provided. If the student moves outside of district boundaries, but continues to attend the student's school of origin within this district, the Superintendent or designee shall consult with the superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation. (42 USC 11432)

Any fees that the district charges for home-to-school transportation and other transportation as expressly provided by law shall be waived for students experiencing homelessness. (Education Code 39807.5)

The district shall not be obligated to provide transportation to students who continue attending their school of origin after they secure permanent housing, unless the formerly homeless student has an IEP that includes transportation as a necessary related service for the student. (Education Code 48852.7)

Transfer of Coursework and Credits

When a student experiencing homelessness transfers into a district school, the student's coursework and credits shall be transferred as specified in Education Code 51225.2 and Board Policy and Administrative Regulation 6146.3 - Reciprocity of Academic Credit.

Applicability of Graduation Requirements

A student experiencing homelessness who transfers to a district school shall be expected to complete all courses and fulfill graduation requirements as specified in Board Policy 6146.1 - High School Graduation Requirements, unless the student has completed the second year of high school and thereby exempted from such requirements in accordance with Education Code 51225.1.

Eligibility for Extracurricular Activities

A student experiencing homelessness who enrolls in any district school shall have access to extracurricular and enrichment activities that are available to all students in the school, including but not limited to, interscholastic sports administered by the California Interscholastic Federation. (Education Code 48850)

Notification and Posting Requirements

The Superintendent or designee shall ensure that a list of the district's liaison(s) and the contact information for such liaison(s), as well as specific information on homelessness, including, but not limited to, information regarding the educational rights and resources available to students experiencing homelessness, are posted on the district's website. (Education Code 48852.6)

Additionally, each district school that has a website shall post the contact information for the district liaison and the name and contact information of any employee or other person under contract with the school who assists the district liaison in completing the liaison's duties pursuant to 42 USC 11432. (Education Code 48852.6)

DISTRICT EXPLANATION OF DECISION
RELATED TO ELIGIBILITY, SCHOOL SELECTION, OR ENROLLMENT

Instructions: The following form provides notice and explanation to a student's parent/guardian or an unaccompanied youth regarding the district's decision related to student eligibility, school selection, or enrollment.

Date:_____ Name of person completing form:_____
Title:_____ Phone number:_____

In accordance with the federal McKinney-Vento Homeless Assistance Act (42 USC 11431-11435), this notification is being provided to either:
Name of parent(s)/guardian(s): _____
Name of unaccompanied student: _____

School requested:_____
District's placement decision (name of school):_____

Action(s) proposed/refused by the district related to eligibility, school selection, or enrollment:
_____
_____
_____
_____
_____

The district's determination regarding eligibility, school selection, or enrollment was based upon the following evidence and for the following reasons:
_____
_____
_____
_____
_____

Other options that the district considered, if any, included the following options which were rejected for the following reasons:
_____
_____
_____
_____
_____

Factors relevant to the district's decision and information related to the eligibility or best interest determination including the facts, witnesses, and evidence relied upon and their sources, if any:
_____
_____
_____
_____
_____

You have the right to appeal this decision to the district Superintendent. To do so, contact the district's homeless liaison listed below within the next 5 days to request a Dispute Form. You may provide written or verbal documentation to support your position, and may also seek the assistance of social services, advocates, and/or service providers in the dispute process. The Superintendent or designee will review all the evidence and will notify you of their decision within 10 days.

If you are not satisfied with the Superintendent's decision, you may appeal to the Sacramento County Office of Education (SCOE). If you are not satisfied with the county office's decision, you may then appeal to the California

Department of Education. The district's homeless liaison can assist you with this appeal.

CONTACT INFORMATION:

District Liaison: The district liaison is one of the primary contacts between families experiencing homelessness and school or district staff. The district liaison for homeless students is responsible for coordinating services to ensure that students experiencing homelessness enroll in school and have the opportunity to succeed academically, and mediates enrollment disputes as needed.

Name of district's homeless liaison: Aliya Holmes
Address: 5735 47th Ave Sacramento, CA. 95824
Email Address: Aliya-holmes@scusd.edu
Phone number:(916) 643-7991

County Liaison: If you appeal the district's decision to the county office of education, the district liaison shall forward all written documentation and related paperwork to the homeless liaison at the county office. The county liaison will review the materials and determine the eligibility, school selection, or enrollment decision within five working days of receiving the materials. The county liaison will notify you of the decision.

Name of County Office of Education homeless liaison: Monica Gonzalez-Williams
Address:10474 Mather Blvd. Mather, CA 95655
Email Address: mgonzalez@scoe.net
Phone number:(916) 228-2500

State Coordinator: If you appeal the county office's decision to the California Department of Education, the county homeless liaison shall forward all written documentation and related paperwork to the State Homeless Coordinator. The state coordinator will review the district, county office, and parent/guardian information and will notify you of the decision within ten working days of receiving the materials.

Name of state homeless coordinator:Leanne Wheeler
Address:1430 N. Street Sacramento CA. 95814
Email Address: lwheeler@cde.gov
Phone number: 1-866-856-8214

RIGHTS:

Pending the final resolution of this dispute, including the period of all appeals, the student has the right to immediately enroll in the school requested and to participate fully in school activities at that school.

Name of school requested:_____

I wish to appeal the eligibility, school selection, or enrollment decision made by:

□ District liaison □ District Superintendent □ County office of education liaison

Reason for the appeal: You may include an explanation to support your appeal in this space or provide your explanation verbally.

_____
_____
_____
_____

I have been provided with:

□ A written explanation of the district's decision
□ Contact information for the district's homeless liaison
□ Contact information for the county office of education's homeless liaison
□ Contact information for the state homeless coordinator

Policy 6173.1: Education For Foster Youth

Status: DRAFT - Keep

Original Adopted Date: 03/01/2008 **| Last Revised Date:** 02/01/2026

The Governing Board recognizes that foster youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs that may be addressed with the provision of a safe, positive learning environment that is free from discrimination and harassment and that promotes students' self-esteem and academic achievement.

The Superintendent or designee shall provide foster youth with full access to the district's educational program and implement strategies necessary for the improvement of the academic achievement of foster youth. Additionally, as identified in the district's local control and accountability plan (LCAP), the Superintendent or designee shall develop strategies to build a foster youth's feeling of connectedness with school, including, but not limited to, strategies that promote positive discipline and conflict resolution, the development of resiliency and interpersonal skills, and the involvement of foster parents, group home administrators, and/or other caretakers in school programs and activities.

The Superintendent or designee shall ensure that placement decisions for foster youth are based on the students' best interests as defined in law and as specified in the accompanying administrative regulation. The Superintendent or designee shall designate a staff person as the district liaison for foster youth to help facilitate the enrollment, placement, and transfer of foster youth.

The Superintendent or designee and district liaison shall ensure that all appropriate staff, including, but not limited to, each principal, school registrar, and attendance clerk, receive training on the enrollment, placement, and transfer of foster youth and other related rights.

To address the needs of foster youth and help ensure the maximum utilization of available funds, the Superintendent or designee shall collaborate with local agencies and officials including, but not limited to, the county placing agency, social services, probation officers, and juvenile court officers. The Superintendent or designee shall explore the feasibility of entering into agreements with these groups to coordinate services and protect the rights of foster youth.

At least annually and in accordance with the established timelines, the Superintendent or designee shall report to the Board on the outcomes for foster youth regarding the goals and specific actions identified in the LCAP, including, but not limited to, school attendance, student achievement test results, promotion and retention rates by grade level, graduation rates, and suspension/expulsion rates. As necessary, evaluation data shall be used to determine and recommend revisions to the LCAP for improving or increasing services for foster youth.

Regulation 6173.1: Education For Foster Youth

Status: DRAFT - Keep

Original Adopted Date: 12/01/2013 **| Last Revised Date:** 02/01/2026

Definitions

Foster youth, foster child, or student in foster care means any of the following: (Education Code 42238.01, 42921, 48853.5)

1. A child who is the subject of a petition filed pursuant to Welfare and Institutions Code 300, regardless of whether the child has been removed from the child's home by the juvenile court pursuant to Welfare and Institutions Code 319 or 361

2. A child who is the subject of a petition filed pursuant to Welfare and Institutions Code 602, regardless of whether the child has been removed from the child's home

3. A child who is the subject of a petition filed pursuant to Welfare and Institutions Code 602, has been removed from the child's home by the juvenile court pursuant to Welfare and Institutions Code 727, and is in foster care as defined by Welfare and Institutions Code 727.4(d)

4. A nonminor who is under the transition jurisdiction of a juvenile court, as described in Welfare and Institutions Code 450, and satisfies the criteria specified in Education Code 42238.01

5. A child who has been removed from the youth's home pursuant to Welfare and Institutions Code 309

6. A dependent child of the court of an Indian tribe, consortium of tribes, or tribal organization who is the subject of a petition filed in the tribal court pursuant to the court's jurisdiction in accordance with the tribe's law

7. A child who is the subject of a voluntary placement agreement, as defined in Welfare and Institutions Code 11400(p)

8. A child who is detained in a county-operated juvenile detention facility, or a child who is the subject of a petition filed pursuant to Welfare and Institutions Code 602 and has been identified by a county child welfare agency, a probation department, or an Indian tribe that entered into an agreement pursuant to Welfare and Institutions Code 10553.1 as being at imminent risk of removal and placement into foster care

Person holding the right to make educational decisions means a responsible adult appointed by a court pursuant to Welfare and Institutions Code 361 or 726.

School of origin means the school that the foster youth attended when permanently housed or the school in which the foster youth was last enrolled. If the school the foster youth attended when permanently housed is different from the school in which the foster youth was last enrolled, or if there is another school that the foster youth attended with which the foster youth is connected and that the foster youth attended within the preceding 15 months, the district liaison, in consultation with, and with the agreement of, the foster youth and the person holding the right to make educational decisions for the foster youth shall determine, in the best interests of the foster youth, the school that shall be deemed the school of origin. If a foster youth is also a student with a disability and attends a certified nonpublic, nonsectarian school, then that school shall be deemed to be the school of origin. (Education Code 48853.5)

B*est interests of a foster youth* means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, the proximity to the school at the time of placement, appropriateness of the educational setting, educational stability, the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress, and the foster youth's access to academic resources, services, and extracurricular and enrichment activities that are available to all district students. (Education Code 48850, 48853; 20 USC 6311)

District Liaison

The Superintendent designates the following position as the district's liaison for foster youth: (Education Code 48853.5)

Coordinator, Foster Youth Service
5735 47th Avenue
(916) 643-9409
https://www.scusd.edu/explore/programs-services/foster-youth-services

The liaison for foster youth shall:

1. Ensure and facilitate the proper educational placement, enrollment in school, and checkout from school of students in foster care (Education Code 48853.5)

2. Ensure proper transfer of credits, records, and grades when students in foster care transfer from one school to another or from one district to another (Education Code 48645.5, 48853.5)

   When a student in foster care is enrolling in a district school, the liaison shall contact, within two business days of the student's request for enrollment, the school last attended by the student to obtain all academic and other records. When a foster youth is transferring to a new school, the liaison shall provide the student's records to the new school within two business days of receiving the new school's request. (Education Code 48853.5)

3. Notify a foster youth's educational rights holder, attorney, and county social worker when a foster youth is undergoing any expulsion or other disciplinary proceeding including a manifestation determination for a foster youth who is a student with a disability, prior to a change in the foster youth's placement (Education Code 48853.5, 48911, 48915.5, 48918.1)

4. As needed, make appropriate referrals to ensure that students in foster care receive necessary special education services and services under Section 504 of the federal Rehabilitation Act of 1973

5. As needed, ensure that students in foster care receive appropriate school-based services, such as counseling and health services, supplemental instruction, and after-school services

6. Develop protocols and procedures for creating awareness for district staff, including principals, school registrars, and attendance clerks, of the requirements for the proper enrollment, placement, and transfer of foster youth

7. Collaborate with the county office of education, county placing agency, county child welfare agency, county probation department, juvenile court, and other appropriate agencies to help coordinate instruction, counseling, tutoring, mentoring vocational training, and other related services for the district's foster youth

8. Monitor the educational progress of foster youth and provide reports to the Superintendent or designee and the Governing Board based on indicators identified in the district's local control and accountability plan

The Superintendent or designee shall regularly monitor the liaison's caseload, as well as additional duties outside of the foster youth program, to ensure that adequate time and resources are provided to meet the needs of foster youth in the district.

Enrollment

A student placed in a licensed children's institution or foster family home within the district shall attend programs operated by the district unless one of the following circumstances applies: (Education Code 48853, 48853.5)

1. The student has an individualized education program requiring placement in a nonpublic, nonsectarian school or agency or in another local educational agency

2. The parent/guardian or other person holding the right to make educational decisions for the student determines that it is in the best interests of the student to be placed in another education program and submits a written statement to the district indicating that determination and an awareness of the following:

   a. The student has a right to attend a regular public school in the least restrictive environment

   b. The alternate education program is a special education program, if applicable

c. The decision to unilaterally remove the student from the district school and to place the student in an alternate education program may not be financed by the district

d. Any attempt to seek reimbursement for the alternate education program may be at the expense of the parent/guardian or other person holding the right to make educational decisions for the student

3. At the initial placement or any subsequent change in placement, the student exercises the right to continue in the school of origin, as defined above

   In any such circumstance, the following shall apply:

   a. The student may continue in the school of origin for the duration of the court's jurisdiction

   b. If the court's jurisdiction over a grade K-8 student is terminated prior to the end of a school year, the student may continue in the school of origin for the remainder of the school year

   c. If the court's jurisdiction is terminated while the student is in high school, the student may continue in the school of origin through graduation

   d. If the student is transitioning between school grade levels, the student shall be allowed to continue in the district in the same attendance area to provide the student the benefit of matriculating with the student's peers in accordance with the established feeder patterns of school in the district

      A student who is transitioning to a middle school or high school shall be allowed to enroll in the school designated for matriculation in another school district.

The role of the liaison shall be advisory with respect to placement decisions and determination of the school of origin. (Education Code 48853.5)

The district liaison may, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the foster youth, recommend that the foster youth's right to attend the school of origin be waived and the foster youth be enrolled in any school that students living in the attendance area in which the foster youth resides are eligible to attend. All decisions shall be made in accordance with the foster youth's best interests. (Education Code 48853.5)

Prior to making any recommendation to move a foster youth from the school of origin, the liaison shall provide the foster youth and the person holding the right to make educational decisions for the youth with a written explanation of the basis for the recommendation and how the recommendation serves the youth's best interests. (Education Code 48853.5)

If the liaison, in consultation with the foster youth and the person holding the right to make educational decisions for the foster youth, agrees that the best interests of the foster youth would be served by a transfer to a school other than the school of origin, the principal or designee of the new school shall immediately enroll the foster youth, regardless of whether the foster youth: (Education Code 48853.5)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended

2. Does not have clothing normally required by the school, such as school uniforms

3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and medical records, including, but not limited to, immunization records or other documentation

If the foster youth or a person holding the right to make educational decisions for the foster youth disagrees with the liaison's enrollment recommendation, an appeal may be filed with the Superintendent. The Superintendent shall make a determination within 30 calendar days of receipt of the appeal. Within 30 calendar days of receipt of the Superintendent's decision, the foster youth or the person holding the right to make educational decisions for the foster youth may appeal that decision to the Board. The Board shall consider the issue at its next regularly scheduled meeting. The Board's decision shall be final.

If any dispute arises regarding the request of a foster youth to remain in the school of origin, the foster youth has the right to remain in the school of origin pending resolution of the dispute. (Education Code 48853.5)

When the district offers an intersession program, priority access shall be given to students who are foster youth. If a foster student will be moving during an intersession period, the student's educational rights holder, or Indian custodian in the case of an Indian child, shall determine which school the student attends for the intersession period. (Education Code 48853.5)

Transportation

The Superintendent or designee shall collaborate with the local child welfare agency to determine how transportation will be provided, arranged, and funded in a cost-effective manner to enable a foster youth to remain in the school of origin, for the duration of the time spent in foster care, when it is in the foster youth's best interest to do so. Such transportation costs may be paid by either the child welfare agency or the district, or shared by both. (20 USC 6312)

Any fees that the district charges for home-to-school transportation and other transportation as expressly provided by law shall be waived for foster youth. (Education Code 39807.5)

Effect of Absences on Grades

The grades of a student in foster care shall not be lowered for any absence from school that is due to either of the following circumstances: (Education Code 49069.5)

1. A decision by a court or placement agency to change the student's placement, in which case the grades shall be calculated as of the date the student left school

2. A verified court appearance or related court-ordered activity

Transfer of Coursework and Credits

When a foster student transfers into a district school, the student's coursework and credits shall be transferred as specified in Education Code 51225.2 and Board Policy and Administrative Regulation 6146.3 - Reciprocity of Academic Credit.

Applicability of Graduation Requirements

A foster student who transfers to a district school shall be expected to complete all courses and fulfill graduation requirements as specified in Board Policy 6146.1 - High School Graduation Requirements, unless the student has completed the second year of high school and thereby exempted from such requirements in accordance with Education Code 51225.1.

Eligibility for Extracurricular Activities

A foster youth whose residence changes pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities. (Education Code 48850)

Notification and Complaints

Information regarding the educational rights of foster youth shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 48853, 48853.5, 49069.5, 51225.1, 51225.2)

Any complaint alleging that the district has not complied with requirements regarding the education of foster youth may be filed in accordance with the district's procedures in AR 1312.3 - Uniform Complaint Procedures. If the district finds merit in a complaint, the district shall provide a remedy to the affected student. A complainant not satisfied with the district's decision may appeal the decision to the California Department of Education (CDE) and shall receive a written decision regarding the appeal within 60 days of CDE's receipt of the appeal. If CDE finds merit in an appeal, the district shall provide a remedy to the affected student. (Education Code 48853, 48853.5, 49069.5, 51225.1, 51225.2)

Regulation 6173.3: Education For Juvenile Court School Students

Status: DRAFT - Keep

Original Adopted Date: 12/01/2016 **| Last Revised Date:** 02/01/2026

The Superintendent or designee shall collaborate with the County Superintendent of Schools and the county probation department to facilitate the transition of students from a juvenile court school into the regular schools of the district. Such collaboration may include, but not be limited to, the development of data-sharing systems, communication strategies, and other structures that aid in the enrollment, placement, and continuous educational progress of such students.

Enrollment

A former juvenile court school student transferring into a regular district school shall be immediately enrolled in the school. The Superintendent or designee shall not deny enrollment to a student solely on the basis of an arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other contact with the juvenile justice system. (Education Code 48645.5)

Transfer of Coursework and Credits

When a former juvenile court school student transfers into a district school, the student's coursework and credits shall be transferred as specified in Education Code 51225.2 and Board Policy and Administrative Regulation 6146.3 - Reciprocity of Academic Credit.

Applicability of Graduation Requirements

If a student completes district graduation requirements while being detained in a juvenile facility, the district shall issue the student a diploma from the school the student last attended, unless the County Superintendent issues the diploma. (Education Code 48645.5)

A former juvenile court school student who transfers to a district school shall be expected to complete all courses and fulfill graduation requirements as specified in Board Policy 6146.1 - High School Graduation Requirements, unless the student has completed the second year of high school and thereby exempted from such requirements in accordance with Education Code 51225.1.

Policy 6173.4: Education For American Indian Students

Status: DRAFT - Keep

Original Adopted Date: 06/01/2023 **| Last Revised Date:** 02/01/2026

The Governing Board recognizes that American Indian students may have unique cultural, language, and educational needs that may be addressed by increasing student knowledge about American Indian history, including the history and culture of local tribes, and by providing American Indian students with access to education and other services necessary for such students to meet the same challenging academic standards as other students.

The Superintendent or designee shall provide all students with culturally relevant curriculum related to local American Indian tribes and implement strategies necessary for the improvement of the academic achievement of American Indian students.

In order to discuss, gain a shared understanding of, and develop curriculum for use within the district, and to identify the extent and nature of any achievement gaps between American Indian students and other district students, and strategies to address any such gaps, the district may form a California Indian Education Task Force with tribes local to the region. Participants in the task force meetings may consider issues of mutual concern, which include: (Education Code 33391)

1. Developing a thorough, shared understanding of accurate, high-quality curricular materials about the history, culture, and government of local tribes, and developing such materials for use within the district that include tribal experiences and perspectives

2. Developing a shared understanding of proper or improper instructional materials when these materials use depictions of Native Americans

3. Encouraging the adoption of the curriculum developed by the California Indian Education Task Force

4. Identifying the extent and nature of any achievement gap between American Indian students and other students, and strategies necessary to close it

If formed, the California Indian Education Task Force shall, within one year and thereafter annually, submit a report to the California Department of Education on the findings, including progress of work on Items #1-4, above. (Education Code 33391)

The Superintendent or designee shall identify American Indian students most at-risk of not meeting state academic standards and provide to such students the needed support(s), including making referrals, as appropriate, for special education services or services under Section 504 of the federal Rehabilitation Act of 1973, or other school-based services such as counseling and health services, supplemental instruction, before- or after-school services, and summer learning programs.

Suspension, expulsion, assignment to a supervised suspension classroom, or involuntary transfer to a continuation school of an American Indian student shall be in accordance with law and as specified in Administrative Regulation 5144.1 - Suspension and Expulsion/Due Process, Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities), and Board Policy/Administrative Regulation 6184 - Continuation Education.

The Superintendent or designee shall provide programs to facilitate the successful transition of American Indian students to post-secondary education and employment, which may include college and career fairs as specified in Board Policy 6164.2 - Guidance/Counseling Services and Board Policy 6178 - Career Technical Education, apprenticeship and preapprenticeship programs, mentorship programs, and counseling services.

As needed, the Superintendent or designee shall provide professional development to teachers and other school staff to assist them in understanding and responding to the unique needs of American Indian students.

At least annually, the Superintendent or designee shall report to the Board on the outcomes of American Indian students including, but not limited to, school attendance, student achievement test results, promotion and retention by grade level, graduation rates, and suspension/expulsion rates.

Title VI Indian Education Program

With the assistance of federal Title VI funding for the education of children from federally recognized tribes, the

district shall offer programs and activities to meet the unique cultural, language, and educational needs of American Indian students, as defined in 20 USC 7491. Program objectives and outcomes shall be based on state academic standards. (20 USC 7424)

In developing, implementing, and evaluating Title VI programs and activities, the Superintendent or designee shall consult with and involve parents/guardians and family members of American Indian students and other community representatives. (20 USC 7424)

The district shall establish a committee that is composed of, and selected by, parents/guardians and family members of American Indian students, representatives of tribes on tribal lands located within 50 miles of any district school that serves any children of the tribes, teachers, and, if appropriate, American Indian students enrolled in secondary schools in the district. The majority of the committee shall be parents/guardians and family members of American Indian students. The committee shall participate in program development and provide written approval for the program. (20 USC 7424)

The district's Title VI program for American Indian education may include any of the following services and activities: (20 USC 7425)

1. Activities that support Native American language programs and Native American language restoration programs, which may be taught by traditional leaders

2. Culturally related activities that support the district's program

3. Early childhood and family programs that emphasize school readiness

4. Enrichment programs that focus on problem solving and cognitive skills development and directly support the attainment of state academic standards

5. Integrated educational services in combination with other programs that meet the needs of American Indian students and their families, including programs that promote parent/guardian involvement in school activities and increase student achievement

6. Career preparation activities that enable American Indian students to participate in career technical education programs, including programs for mentoring and apprenticeship

7. Activities to educate individuals so as to prevent violence, suicide, and substance abuse

8. The acquisition of equipment that is essential to achieve program goals

9. Activities that promote the incorporation of culturally responsive teaching and learning strategies into the district's educational program

10. Family literacy services

11. Activities that recognize and support the unique cultural and educational needs of American Indian students, and incorporate appropriately qualified tribal elders and seniors

12. Dropout prevention strategies for American Indian students

13. Strategies to meet the educational needs of American Indian students in correctional facilities, including such strategies that support American Indian students who are transitioning from such facilities to schools served by the district

Any federal funds received to support American Indian education programs shall be used to supplement, not supplant, state or local funds allocated for such purposes. (20 USC 7424)

Program funds may be used to support a Title I schoolwide program pursuant to 20 USC 6314 if approved by the committee established pursuant to 20 USC 7424, provided that the schoolwide program is consistent with the purpose of American Indian education programs and the district's application identifies how the use of such funds in a schoolwide program will produce benefits to American Indian students that would not be achieved if not used in a schoolwide program. (20 USC 7424)

As needed, professional development shall be provided to teachers and other school staff to assist them in working with American Indian students and carrying out Title VI programs. (20 USC 7424)

The Superintendent or designee shall maintain a record of the information establishing the status of each student as an American Indian student eligible for assistance through the federal American Indian education program. (20 USC 7427)

The Superintendent or designee shall periodically assess the progress of all American Indian students, including American Indian students who do not participate in programs funded through Title VI, in meeting program goals and objectives. Assessment results shall be provided to the Board, the committee established pursuant to 20 USC 7424, tribes whose children are served by the district, and the community. (20 USC 7424)

Policy 6174: Education For English Learners

Status: DRAFT - Keep

Original Adopted Date: 03/01/2017 **| Last Revised Date:** 12/01/2024

The Governing Board is committed to providing English learner students with a challenging, standards-based core curriculum and instruction designed to develop English proficiency as rapidly and effectively as possible and to ensure full access to the district's educational program.

The district shall provide language acquisition programs that are based on sound instructional theory, comply with state and federal requirements, and are appropriately resourced to support English learners in achieving academic success comparable to their English-proficient peers.

The Superintendent or designee shall ensure that all language acquisition programs implemented in the district are designed to meet the diverse linguistic and academic needs of English learners and are evaluated for effectiveness on an ongoing basis.

Identification and Assessment

Procedures shall include:

- Administration of the Home Language Survey upon enrollment
- Initial English language proficiency assessment using the ELPAC or Alternate ELPAC
- Determination of English learner classification or Initial Fluent English Proficient (IFEP) status
- Placement in an appropriate language acquisition program based on English proficiency level

Parents/guardians shall be notified in writing of initial identification results, program placement, and available language acquisition program options.

Language Acquisition Programs

The district shall offer structured language acquisition programs designed to ensure that English learners acquire full proficiency in English as rapidly and effectively as possible while accessing grade-level academic content.

Language acquisition programs shall include:

- Structured English Immersion (SEI)
- English Language Mainstream Program
- Additional language programs authorized by the Governing Board (e.g., dual language immersion or bilingual programs, where implemented)

Instruction in all language acquisition programs shall include:

- Designated and integrated English Language Development (ELD)
- Access to grade-level academic content aligned with state standards
- Instruction delivered by appropriately credentialed and authorized staff
- Instructional supports appropriate to students' English proficiency levels

Placement shall be based on English language proficiency level, academic needs, and program availability.

Reclassification of English Learners (RFEP)

English learners shall be reclassified as Reclassified Fluent English Proficient (RFEP) when they meet all district-established criteria in accordance with Education Code 313 and applicable state regulations.

Reclassification criteria shall include multiple measures:

- Objective assessment of English language proficiency (ELPAC or Alternate ELPAC)
- Teacher evaluation of academic performance and curriculum mastery
- Parent/guardian consultation and input
- Objective measures of academic performance in basic skills

Reclassification may occur at any time during the school year when all criteria are met.

Parent/guardian consultation shall be included in the process; however, parent approval is not required for reclassification.

Documentation of reclassification determinations shall be maintained in the student's cumulative record.

Staff Qualifications and Training

The Superintendent or designee shall ensure:

- Teachers assigned to English learner programs hold appropriate English learner authorization issued by the California Commission on Teacher Credentialing
- Instructional staff are trained in:
    - Designated and integrated ELD
    - Sheltered instruction strategies
    - Culturally and linguistically responsive practices
- Administrators responsible for EL programs receive training in:
    - Program implementation requirements
    - Compliance with state and federal EL laws
    - Monitoring of EL and RFEP student outcomes
- Ongoing professional development is provided to support continuous improvement in EL instruction

Program Evaluation and Accountability

The Superintendent or designee shall annually evaluate the effectiveness of language acquisition programs.

Evaluation shall include analysis of:

- Progress in English language proficiency (ELPAC growth data)
- Academic achievement of English learners and RFEP students
- Reclassification rates and student outcomes following reclassification
- Longitudinal performance of RFEP students (minimum four-year monitoring period)
- Program implementation fidelity across school sites

Findings shall be used to refine instructional practices, improve program effectiveness, and ensure equitable access to grade-level curriculum for all English learners.

Parent and Community Engagement

The district shall establish and support site-level English Learner Advisory Committees (ELACs) and a District English Learner Advisory Committee (DELAC) in accordance with state and federal requirements. These committees shall provide opportunities for meaningful parent and guardian engagement in district and school-level English learner programs and services and shall advise the district on issues related to program effectiveness and student needs.

Regulation 6174: Education For English Learners

Status: DRAFT - Keep

Original Adopted Date: 03/01/2017 **| Last Revised Date:** 12/01/2024

This Administrative Regulation establishes procedures for identifying, assessing, and supporting English Learners (ELs) and Reclassified Fluent English Proficient (RFEP) students. It ensures compliance with applicable California Education Code, state regulations, and federal requirements while providing equitable access to instruction for multilingual learners. This AR applies to all district schools serving students in transitional kindergarten through grade 12.

Identification and Initial Assessment

Upon enrollment, all students shall complete a Home Language Survey.

Students whose survey indicates a language other than English shall be assessed using the English Language Proficiency Assessments for California (ELPAC) or Alternate ELPAC, as appropriate.

Based on assessment results, students shall be classified as:

- English Learner (EL)
- Initially Fluent English Proficient (IFEP)

Placement in Language Acquisition Programs

English learners shall be placed in a language acquisition program appropriate to their English proficiency level and instructional needs.

Placement shall consider:

- English proficiency level
- Academic performance data
- Program availability
- Instructional needs

Programs include:

- Structured English Immersion (SEI)
- English Language Mainstream Program
- Board-approved alternative programs (e.g., dual language immersion where available)

All programs shall provide:

- Designated ELD instruction
- Integrated ELD instruction
- Access to grade-level content standards
- Instruction delivered by appropriately credentialed teachers

Structured English Immersion (SEI)

Students who are not yet reasonably fluent in English shall be placed in Structured English Immersion programs designed to facilitate rapid acquisition of English.

Instruction shall include:

- Explicit English Language Development
- Sheltered content instruction
- Support as appropriate for student needs

Primary language support may be provided when necessary to support comprehension.

English Language Mainstream Program

English learners who demonstrate sufficient English proficiency shall be placed in English language mainstream classrooms where instruction is delivered in English and includes continued ELD support and access to grade-level curriculum.

Reclassification Procedures (RFEP)

A student shall be reclassified as RFEP when all district criteria are met. Certificated staff shall review student data, including ELPAC results, academic performance, and teacher input.

The Criteria and process is as follows:

1. **English Language Proficiency Assessment:** Students shall meet district-established proficiency standards on the ELPAC or Alternate ELPAC.

2. **Teacher Evaluation**

   Teachers shall evaluate student readiness based on academic performance and curriculum mastery.

3. **Parent/Guardian Consultation**

   Parents/guardians shall be informed and provided opportunity for consultation prior to reclassification. Interpretation/translation shall be provided as needed.

4. **Basic Skills Assessment**

   Objective measures of academic achievement shall indicate readiness for participation in a mainstream academic program.

Reclassification may occur at any time during the school year when criteria are met.

Documentation

The following shall be recorded in the student's cumulative file:

- Home Language Survey
- Initial ELPAC/Alternate ELPAC results
- Placement decisions
- Reclassification documentation
- Parent consultation records

Monitoring of RFEP Students

RFEP students shall be monitored for a minimum of four years following reclassification.

Monitoring shall include review of:

- Academic grades
- State and district assessments
- Course placement and progression
- Teacher input and intervention needs

If academic concerns arise, appropriate support and interventions shall be provided.

Staff Qualifications and Training

All staff serving English learners shall:

- Hold appropriate EL authorization issued by the California Commission on Teacher Credentialing
- Receive training in ELD instruction and sheltered content strategies
- Participate in ongoing professional development related to EL instruction and equity practices

Administrators shall ensure program fidelity and compliance with state requirements.

Program Evaluation and Accountability

The district shall annually evaluate the effectiveness of English learner programs.

Evaluation shall include:

- English language proficiency growth
- Reclassification rates
- Academic achievement of EL and RFEP students
- Long-term RFEP outcomes (minimum four-year data review)
- Program implementation quality across sites

Evaluation findings shall inform program improvement, staffing, and professional development priorities.

Parent and Community Engagement (ELAC and DELAC)

Each school with 21 or more English learners shall establish an English Learner Advisory Committee (ELAC) to advise the principal and staff on programs and services for English learners and to support parent engagement.

The ELAC shall:

- Advise the principal and school staff on English learner programs and services
- Assist in the development of the school's needs assessment and EL program goals
- Support communication with parents/guardians of English learners
- Elect representatives to the District English Learner Advisory Committee (DELAC)

The District English Learner Advisory Committee (DELAC) shall advise the Governing Board and district administration on districtwide English learner programs and services, including program effectiveness, parent engagement, and annual program evaluation.

The district shall provide training, materials, and interpretation services to support meaningful participation in ELAC and DELAC meetings.

- SA Title I/III requirements

Policy 6175: Migrant Education Program

Status: DRAFT - Keep

Original Adopted Date: 07/01/2003 **| Last Revised Date:** 02/01/2026

The Governing Board desires to provide a comprehensive program for students who are migratory that attempts to mitigate the impact of educational disruption, cultural and language barriers, social isolation, health-related problems, and other factors that may inhibit their ability to succeed in school. The district shall make use of available funds to provide supplementary services for students who are migratory.

The Superintendent or designee shall cooperate with the regional migrant service center in outreach and identification of eligible students who are migratory and in the provision of migrant education services. Additionally, the Superintendent or designee shall coordinate migrant education services with other programs within the district and with other public agencies that serve migrant workers and their families.

The district shall give first priority for services to students who are migratory and have made a qualifying move within the previous one year period, and are failing or are most at risk of failing to meet state academic standards or have dropped out of school. (20 USC 6394, 6399)

The district shall provide services to eligible private school students residing within the district on an equitable basis with participating public school students. (20 USC 7881; 34 CFR 200.87)

The Superintendent or designee shall ensure that each student who is migratory is placed at the appropriate grade level upon enrollment and is provided services in accordance with an individual needs assessment and learning plan.

The Superintendent or designee shall annually report to the Board regarding student performance on statewide assessments of core academic subjects and English language development, as appropriate, for students enrolled in the district's migrant education program. Additionally, the Superintendent or designee shall periodically report to the Board regarding the alignment of district services with the needs of students as identified in student needs assessments conducted pursuant to Education Code 54443.1. As necessary, the Board shall seek technical assistance from the migrant education regional service center and/or make changes in the services provided by the district in order to improve student achievement.

Regulation 6175: Migrant Education Program

Status: DRAFT - Keep

Original Adopted Date: 07/01/2003 **| Last Revised Date:** 02/01/2026

Eligibility

Students 3 to 21 years of age shall be eligible for the district's migrant education program if they, their parents/guardians, or their spouses are migratory agricultural workers or fishers who, in the preceding 36 months, moved into the district due to economic necessity and engaged in new temporary or seasonal employment or personal subsistence in agriculture or fishing. If such employment was not secured soon after the move, students may be considered students who are migratory if the student, the student's parents/guardians, or the student's spouse actively sought such new employment and have a recent history of moves for temporary or seasonal agricultural or fishing employment. (20 USC 6399; 34 CFR 200.81)

A student who ceases to be a student who is migratory during a school term shall be eligible for services until the end of the term. If comparable services are not available through other programs, a student who is no longer migratory may continue to receive services for one additional school year. Students who were eligible for services in secondary school may continue to be served through credit accrual programs until graduation. (20 USC 6394)

Enrollment

A student who is migratory shall be immediately enrolled in the district even if the student: (Education Code 48204.7)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended
2. Does not have clothing normally required by the school, such as school uniforms
3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, medical records, including, but not limited to, records or other proof of immunization history, or other documentation

If a student who is migratory experiences a change in residence, the student may remain enrolled in the school of origin for the duration of the student's status as a student who is migratory. (Education Code 48204.7)

If a student's status as a student who is migratory changes during a school year, the Superintendent or designee shall allow the student to continue at the school of origin through the duration of that school year or, if the student is enrolled in a high school, through graduation. (Education Code 48204.7)

A student who is migratory and is transitioning between school grade levels shall be allowed to continue in the district of origin in the same attendance area to provide the student the benefit of matriculating with peers in accordance with the established feeder patterns of school districts. A student who is migratory and is transitioning to a middle school or high school designated for matriculation in another school district shall be allowed to enroll in that school. (Education Code 48204.7)

The Superintendent or designee shall inform a student who is migratory and the student's parent/guardian of the impact of remaining in the school of origin on the student's eligibility to receive migrant education services pursuant to Education Code 54440-54445. (Education Code 48204.7)

The Superintendent or designee may, but is not required to, provide transportation to enable a student who is migratory to attend the school of origin, unless otherwise required by federal law, or provide programs for online instruction as a substitute for physical attendance. (Education Code 48204.7)

Student Records

The Superintendent or designee shall maintain records documenting the eligibility of students enrolled in the district's migrant education program. However, the district shall not collect information or documents regarding the citizenship or immigration status of students or their family members for the purpose of determining eligibility for migrant education services.

The Superintendent or designee shall acquire education and health records from the previous school districts of a

student who is migratory, as appropriate.

When a student who is migratory transfers to another district, the student's records shall be provided to the receiving district upon request at no cost in order to assist that district in meeting the needs of the student. (20 USC 6398)

Program Components

The migrant education program shall include all of the following components: (Education Code 54443.1)

1. A general needs assessment summarizing the needs of the population to be served

2. A comprehensive program to meet the educational, health, and related needs of participating students which supplements the district program and includes, but is not limited to:

    a. Instructional services, including academic, remedial and compensatory, bilingual-crosscultural, and career technical instruction

    b. Counseling and career education services

    c. Preschool services in accordance with Education Code 54443

    d. Other educational services that are not otherwise available in sufficient quantity or quality to eligible students who are migratory

    e. The acquisition of instructional materials and equipment necessary to adequately provide the appropriate services

    f. Other related services to meet the special needs of eligible students who are migratory to enable them to participate effectively in instructional services

    g. The coordination and teaming of existing resources serving students who are migratory, such as bilingual-crosscultural education, health screening, and compensatory education

3. Individual assessment of the educational and relevant health needs of each participating student, within 30 days of enrollment, including assessments concurrently provided pursuant to compensatory education, bilingual-crosscultural education, school improvement programs, and other programs serving the student

4. A brief individual learning plan listing the services to be provided to each student, which shall be given to the parent/guardian in writing or at a parent/guardian conference, annually and when the student moves to a new district

5. Staffing and staff development plans and practices to meet the needs of students and implement the program

6. Parent/guardian and community involvement as specified in Education Code 54444.2, including, but not necessarily limited to, the establishment of a parent/guardian advisory council to actively involve parents/guardians in planning, operating, and evaluating the district's migrant education program

7. The migrant education program shall provide for the same opportunities for parent/guardian involvement that are provided to parents/guardians for federal Title I programs. (20 USC 6394)

8. Evaluations which include annual student progress and overall program effectiveness and quality control reports

Summer School and Extended School Year Program

The district shall conduct summer school program(s) for eligible students who are migratory. The summer school program shall respond to the individual needs of participating students and shall build on and be consistent with the instructional programs offered to these students during the regular school year. Coursework shall be of the same level of difficulty in each subject as that provided to students enrolled in regular classes of instruction within the district in the preceding year. (Education Code 54444.3)

Teachers in the summer school program shall have cultural training or background and understanding of the special needs of students who are migratory and possess the proper credential for the subjects and grade levels to which they are assigned. (Education Code 54444.3)

The program shall comply with the following requirements for instructional time: (Education Code 54444.3)

1. For kindergarten class, a minimum of 180 minutes per day, including recesses, for not less than 20 instructional days

2. For grades 1-8, a minimum of 200 minutes per day, including recesses and passing time but excluding noon intermissions, for not less than 20 instructional days

3. For grades 7-12, a minimum of 240 minutes per day, including passing time but excluding noon intermissions, for not less than 30 instructional days

The number of instructional days may be less than as described above if, during the summer school program, there is a holiday for which schools are required to be closed. (Education Code 37220, 54444.3).

When district facilities that are suitable for the summer climate are available, the district shall make facilities available at cost to other agencies that request facilities for the operation of migrant summer school programs, unless just cause for denial exists. When approved by the Superintendent of Public Instruction, the district may jointly offer facilities with a neighboring district to meet the needs of the migrant summer school program for the entire area. (Education Code 54444.3)

If the district receives authorization and average daily attendance funding from the California Department of Education to provide an extended school year program to students who are migratory who, due to family movement, enroll in transitional kindergarten, kindergarten, or any of grades 1-6, on or after March 1 of the school year and depart on or before December 1 of the next school year, the Superintendent or designee shall operate the program in accordance with Education Code 41601.6

Transfer of Coursework and Credits

When a student who is migratory transfers into a district school, the student's coursework and credits shall be transferred as specified in Education Code 51225.2 and Board Policy/ Administrative Regulation 6146.3 - Reciprocity of Academic Credit.

Applicability of Graduation Requirements

A student who is migratory that transfers to a district school shall be expected to complete all courses and fulfill graduation requirements as specified in Board Policy 6146.1 - High School Graduation Requirements, unless the student has completed the second year of high school and is thereby exempted from such requirements in accordance with Education Code 51225.1.

Parent Advisory Council

The parent advisory council shall be comprised of members who are knowledgeable of the needs of students who are migratory and shall be elected by the parents/guardians of students enrolled in the district's migrant education program. The composition of the council shall be determined by the parents/guardians at a general meeting to which all parents/guardians of participating students shall be invited. The parents/guardians shall be informed, in a language they understand, that they have the sole authority to decide on the composition of the council. (Education Code 54444.2)

At least two-thirds of the advisory council shall consist of parents/guardians of students who are migratory. (Education Code 54444.2)

All parent/guardian candidates for the council shall be nominated by parents/guardians. Nonparent candidates, such as teachers, administrators, other school personnel, or students, shall be nominated by the groups they represent. All other community candidates shall be nominated by the parents/guardians. (Education Code 54444.2)

The parent/guardian advisory council shall meet at least six times during the year and shall: (Education Code

54444.4)

1. Establish program goals, objectives, and priorities

2. Review annual needs and year-end assessments, program activities for each school, and individual learning plans

3. Advise on the selection, development, and reassignment of migrant education program staff

4. Participate actively in planning and negotiating program applications and service agreements

5. Perform all other responsibilities required under state and federal laws or regulations

The Superintendent or designee shall establish and implement a training program for advisory council members to enable them to carry out their responsibilities. The training program shall be developed in consultation with the council and shall include appropriate training materials in a language understandable to each member. (Education Code 54444.2)

The Superintendent or designee shall provide the council, without charge, a copy of all applicable state and federal migrant education statutes, rules, regulations, guidelines, audits, monitoring reports, and evaluations. Upon request, these materials also shall be provided without charge to each member of the council. (Education Code 54444.2)

Policy 6176: Weekend/Saturday Classes

Status: DRAFT - Use District

Original Adopted Date: 11/01/2000 **| Last Revised Date:** 03/01/2017

Cautionary Notice 2010-13: AB 1610 (Ch. 724, Statutes of 2010) amended Education Code 37252.2 to relieve districts from the obligation, until July 1, 2013, to perform any activities that are deemed to be reimbursable state mandates under that section. As a result, certain provisions of the following policy or administrative regulation that reflect those requirements may be suspended.

The Superintendent or designee may provide extended day/weekend learning opportunities, as needed, including but not limited to any of the following:

1. Classes in subjects offered during the regular school week
2. Continuation classes
3. Enrichment classes
4. Makeup classes for unexcused absences occurring during the week
5. The programs of a regional occupation center or regional occupation program

Attendance at weekend classes shall be voluntary (Education Code 37223)

However, the principal or designee will require truants to attend makeup classes on one day of a weekend in order to make up lost instructional time. (Education Code 37223)

The student shall be excused from the weekend class if it is held on a day when such attendance would be in conflict with his/her religious beliefs. (Education Code 48205)

Except in regional occupational centers or programs, weekend attendance shall not result in crediting any student with more than five days of attendance per week. Truant makeup classes therefore should be completed at the end of the week in which the absences occurred.

Supplementary Instruction in Small Classes

The Governing Board encourages schools with low academic performance to offer extended learning opportunities of supplementary instruction in core academic subjects, in other courses that provide credit toward high school graduation, and in programs for students in grades K-12 who have been assessed as not meeting district standards of proficiency in basic skills.

Such classes shall have an average student/teacher ratio of not more than 20 to one. Saturday instruction shall not exceed three hours, and student attendance shall be voluntary. (Education Code 42239.5)

When enrolling in the regular summer school program, students unable to attend Saturday classes for religious reasons shall have priority over students who have attended Saturday classes. (Education Code 42239.5)

Policy 6177: Summer Learning Programs

Status: DRAFT - Keep

Original Adopted Date: 04/01/2013 **| Last Revised Date:** 06/01/2024

The Governing Board recognizes that an extended break from the instructional program may result in significant learning loss, especially among disadvantaged and low-achieving students, and desires to provide opportunities during the summer for students to practice essential skills, make academic progress, and focus on developing social, emotional, and physical needs and interests through hands-on engaging learning experiences.

Summer programs offered by the district shall be aligned with the district's local control and accountability plan (LCAP), other applicable district and school plans, and the educational program provided during the school year. When feasible, summer programs shall blend high-quality academic instruction in core curricular and/or elective subjects with recreation, nutrition programs, social and emotional development, and support services that encourage attendance, student engagement in learning, and student wellness.

Summer School

The Superintendent or designee, with Board approval, may establish summer school day and/or evening classes.

The district's summer school program may be used to provide supplemental instruction to students needing remediation and/or enrichment in core academic subjects.

The district shall provide students with supplemental instruction and support in a tiered framework that bases universal, targeted, and intensive supports on students' needs for academic, social-emotional, and other integrated student supports through a program of engaging learning experiences in a positive school climate.

As appropriate, priority for enrollment in summer school programs shall be given to district students who:

1. Need course credits in order to graduate from high school before the beginning of the next school year

2. Have been retained or are at risk of being retained at their grade level

3. Demonstrate academic deficiencies in core curriculum areas

4. Are in student groups identified in the district's LCAP as needing increased or improved services to succeed in the educational program

5. Are foster youth and/or are students experiencing homelessness

   If during an intersession period the student will be moving, the student's educational rights holder or, in the case of an American Indian child, Indian custodian, shall determine which school the student attends for the intersession period, if applicable. (Education Code 48850, 48853.5)

6. Are transitional kindergarten or kindergarten children, or in any of grades 1-6 and are required to be offered or provided access to Expanded Learning Opportunities (ELO) Programs pursuant to Education Code 46120 and BP/AR 5184.2 - Before/After School Programs

The remaining openings shall be offered to other district students on a first-come first-served basis.

Because summer courses cover extensive instructional content in a relatively short time period, students who have more than three excused absences or one unexcused absence may not receive credit for summer session class(es) unless they make-up missed work in accordance with law, Board policy, and administrative regulation.

Sites for summer school programs may be rotated in an effort to make summer school programs more accessible to all students, regardless of residence or regular attendance area, and to accommodate the maintenance needs of district schools.

The district shall provide any student who attends a school that is not operating an ELO program transportation to attend at a location that is providing an ELO program and to return to the original location or another location that is established by the district. (Education Code 46120)

The Superintendent or designee shall annually report to the Board on summer school enrollment in the current year and previous year for the program as a whole and disaggregated by grade level, school that the students attend during the regular school year, and student population. In addition, the Superintendent or designee may report on the extent to which students successfully achieved the outcomes established for the program.

Additional Summer Learning Opportunities

The Superintendent or designee may collaborate with parents/guardians, city and county agencies, community organizations, child care providers, and/or other interested persons to develop, implement, and build awareness of organized activities that support summer learning.

Strategies to support summer learning may include, but are not limited to:

1. Providing information to students and parents/guardians about summer reading programs scheduled to be conducted by public libraries or community organizations

2. Collaborating with the local parks and recreation agency and/or community organizations to provide day camps, sports programs, or other opportunities for physical education and activity

3. Collaborating with workforce development agencies, businesses, and community organizations to provide summer job training opportunities that include an academic component

4. Encouraging reading in the home, such as providing lists of recommended reading to students and parents/guardians, establishing a target number of books or pages, and providing prizes for achievement of reading goals

5. Assigning summer vacation homework in core curricular subject(s) for extra credit

6. Conducting occasional, interactive "fun days" during the summer to provide activities related to art, music, science, technology, mathematics, environmental science, multicultural education, debate, or other subject

7. Arranging opportunities for community service

Policy 6178: Career Technical Education

Status: DRAFT - Keep

Original Adopted Date: 03/01/2008 **| Last Revised Date:** 10/31/2022

The Governing Board desires to provide a comprehensive career technical education (CTE) program in the secondary grades which integrates core academic instruction with technical and occupational instruction in order to increase student achievement, graduation rates, and readiness for postsecondary education and employment. The district's CTE program shall be designed to help students develop the academic, career, and technical skills needed to succeed in a knowledge- and skills-based economy.

The district's CTE program shall focus on preparing students to enter current or emerging high-skill, high-wage, and/or high-demand occupations by providing a rigorous academic component and practical experience in all aspects of an industry. CTE opportunities may be offered through linked learning programs, partnership academies, apprenticeship programs or orientation to apprenticeships, regional occupational centers or programs (ROC/Ps), charter schools, small learning communities, magnet programs, or other programs that expose students to career options while preparing them for future careers in a given industry or interest area.

The Superintendent or designee shall explore available funding sources that may be used to support CTE programs. The Board shall review and approve all district plans and applications for the use of district, state, and/or federal funds supporting CTE.

The Board shall adopt district standards for CTE which meet or exceed the state's model content standards and describe the essential knowledge and skills that students enrolled in these courses are expected to master. The course curriculum shall be aligned with district-adopted standards and the state's curriculum framework.

At least every three years, the Board shall compare the district's curriculum, course content, and course sequence of CTE with the model state curriculum standards. (Education Code 52376)

The Superintendent or designee shall systematically review the district's CTE courses to determine the degree to which each course may offer an alternative means for completing and receiving credit for specific portions of the course of study prescribed by the district for high school graduation. CTE courses approved for these purposes shall be equivalent in content and rigor to the courses prescribed for graduation. (Education Code 52376)

The Superintendent or designee shall develop partnerships with local businesses and industries to ensure that course sequences, career technical and integrated curriculum, classroom instruction and projects, and assessments have real-world relevance and reflect labor market needs and priorities. The Superintendent or designee shall also work to develop connections with businesses, postsecondary institutions, community organizations, and/or other employers to provide students with actual or simulated work-based learning opportunities.

The Superintendent or designee shall collaborate with postsecondary institutions to ensure that the district's program is articulated with postsecondary programs in order to provide a sequential course of study. Articulation opportunities may include dual or concurrent enrollment in community college courses.

The Board shall appoint a CTE advisory committee to develop recommendations on the district's CTE program and to serve as a liaison between the district and potential employers. The committee shall consist of required participants in alignment with Education Code 8070. (Education Code 8070)

Prior to the beginning of each school year, the Superintendent or designee shall advise students, parents/guardians, employees, and the general public that all CTE opportunities are offered without regard to any actual or perceived characteristic protected from discrimination by law. The notification shall be disseminated in languages other than English as needed and shall state that the district will take steps to ensure that the lack of English language skills will not be a barrier to admission and participation in the district's CTE program. (20 USC 2354; 34 CFR 100 Appendix B, 104.8, 106.9)

To the extent required by law, the Superintendent or designee shall invite the participation of private school students in CTE programs supported by federal funding under the Strengthening Career and Technical Education for the 21st Century Act (Perkins). (20 USC 2397)

When planning to hold a college or career fair, the Superintendent or designee shall notify each apprenticeship program in the county. The notification shall include the planned date, time and location of the college or career fair.

(Labor Code 3074.2)

The Superintendent or designee shall ensure that teachers of CTE courses possess the qualifications and credentials necessary to teach their assigned courses. The Superintendent or designee shall also provide teachers and administrators with professional development designed to enhance their knowledge of standards-aligned CTE and shall provide opportunities for CTE teachers to collaborate with teachers of academic courses in the development and implementation of integrated curriculum models.

The Superintendent or designee shall provide counselors and other guidance personnel with professional development that includes, but is not limited to, information about current workforce needs and trends, requirements of the district's CTE program, work-based learning opportunities, and postsecondary education and employment options following high school.

The Superintendent or designee shall annually report to the Board achievement data on participating students, including, but not limited to, the percentage of participating students who successfully complete CTE programs, their performance on state and district academic achievement tests, and graduation rates. Data shall be disaggregated by program and various student subgroups. Based on such data, the Board shall determine the need for program improvements and update the goals in the district's local control and accountability plan as necessary.

Regulation 6178: Career Technical Education

Status: DRAFT - Keep

Original Adopted Date: 03/01/2008 **| Last Revised Date:** 09/01/2022

Federal Grants for Career Technical Education (Perkins)

The district shall submit to the California Department of Education an application for a basic grant of the federal Strengthening Career and Technical Education for the 21st Century Act. The application shall address the components specified in 20 USC 2354 and any additional requirements specified in the state plan developed pursuant to 20 USC 2342. (20 USC 2354)

The district shall conduct a needs assessment in accordance with 20 USC 2354, which shall be updated at least once every two years. The needs assessment shall be conducted in consultation with representatives of district career technical education (CTE) programs, postsecondary CTE programs, state or local workforce development boards and businesses, parents/guardians, students, and other specified stakeholders. (20 USC 2354)

To meet the needs identified in the needs assessment, the Superintendent or designee shall develop, coordinate, implement, or improve CTE programs that are of sufficient size, scope, and quality to be effective and that fulfill the following purposes: (20 USC 2355)

1. Provide career exploration and career development activities through an organized, systematic framework designed to aid students in making informed plans and decisions about future education and career opportunities and programs of study. Such activities shall occur before students enroll and while they are participating in a CTE program, and may include:

    a. Introductory courses or activities focused on career exploration and career awareness, including non-traditional fields

    b. Readily available career and labor market information, including information on occupational supply and demand, educational requirements, other information on careers aligned to economic priorities, and employment sectors

    c. Programs and activities related to the development of student graduation and career plans

    d. Career guidance and academic counselors who provide information on postsecondary education and career options

    e. Any other activity that advances knowledge of career opportunities and assists students in making informed decisions about future education and employment goals, including nontraditional fields

    f. Activities that provide students with strong experience in, and comprehensive understanding of, all aspects of an industry

2. Provide the skills necessary to pursue careers in high-skill, high-wage, or in-demand industry sectors or occupations

3. Integrate academic skills into CTE programs and programs of study to support participating students in meeting state academic standards

4. Provide professional development for teachers, school leaders, administrators, specialized instructional support personnel, guidance counselors, and/or paraprofessionals, which may include the types of activities listed in 20 USC 2355

5. Plan and carry out elements that support the implementation of CTE programs and programs of study and that result in increased student achievement. Such elements may include curriculum aligned with program requirements, sustainable relationships among community stakeholders, opportunities for students to participate in accelerated learning programs, equipment and instructional materials aligned with business and industry needs, and other activities specified in 20 USC 2355.

6. Develop and implement evaluations of the activities funded by the grant

The district's program shall provide activities to prepare special populations for high-skill, high-wage, or in-demand industry sectors or occupations that will lead to self-sufficiency. Special populations shall be provided with equal access to CTE programs and shall not be unlawfully discriminated against. Special populations include, but are not limited to, students with disabilities, students from economically disadvantaged families, pregnant and parenting students, out-of-work individuals, English learners, homeless students, foster youth, children of military families, and students preparing for nontraditional fields. Nontraditional fields include occupations or fields of work, including careers in computer science, technology, and other emerging high-skill occupations, for which individuals from one gender constitute less than 25 percent of the individuals employed in each such occupation or field of work. (20 USC 2302, 2354, 2373)

Upon written request from a nonprofit private school within the geographical area served by the district, the Superintendent or designee shall consult with private school representatives in a timely and meaningful manner and may provide for the participation of private school secondary students in the district's programs and activities funded pursuant to 20 USC 2301-2414. To the extent practicable, the Superintendent or designee shall also, upon request, permit participation of CTE teachers, administrators, and other personnel from private schools in the district's inservice and preservice professional development programs funded through such grants. (20 USC 2397)

Linked Learning Programs

The district shall offer one or more comprehensive, multi-year linked learning programs in grades 9-12 that are organized around a broad theme, interest area, or industry sector including, but not limited to, the industry sectors identified in model standards adopted by the State Board of Education pursuant to Education Code 51226. The program shall provide all participating students with curriculum choices that prepare them for career entry and a full range of postsecondary options, including two-year and four-year colleges, apprenticeships, and formal employment training.

At a minimum, the district's linked learning program shall include:

1. An integrated core curriculum that meets the eligibility requirements for admission to the University of California (UC) and the California State University (CSU) and is delivered through project-based learning and other engaging instructional strategies that bring real-world context and relevance to the curriculum where broad themes, interest areas, and CTE are emphasized

2. An integrated technical core of a sequence of at least four related courses that may reflect CTE standards-based courses and that provide students with career skills, are aligned to academic principles, and fulfill academic core requirements described in Item #1 above to the extent possible

3. A series of work-based learning opportunities that begin with mentoring and job shadowing and evolve into intensive internships, school-based enterprises, or virtual apprenticeships

4. Support services, including supplemental instruction in reading and mathematics, that help students master the advanced academic and technical content that is necessary for success in college and career

Partnership Academies

The district shall operate one or more partnership academies as a school-within-a-school focused on a broad career theme. The program shall be available to students in grades 10-12, at least half of whom shall be students who are "at promise" as indicated by three or more of the following criteria: (Education Code 54690-54691)

1. Past record of irregular attendance, with absence from school 20 percent or more of the school year

2. Past record of underachievement in which the student is at least one-third of a year behind the coursework for the respective grade level, or as demonstrated by credits achieved

3. Past record of low motivation or disinterest in the regular school program

4. Economic disadvantage

5. Scores below basic or far below basic on the mathematics or English language arts test of the California Assessment of Student Performance and Progress

6. A grade point average of 2.2 or below or the equivalent of a C minus

Ninth-grade teachers and counselors shall identify students eligible to participate in a partnership academy. Participating students shall be selected by academy staff from among those who have expressed an interest in the academy and whose parents/guardians have approved the student's participation. (Education Code 54695)

The district's program shall provide: (Education Code 54692)

1. During each regular school term, instruction in at least three academic subjects that:

    a. Prepares students for a regular high school diploma

    b. Where possible and appropriate, prepares students to meet subject requirements for admission to UC and CSU

    c. Contributes to an understanding of the occupational field of the academy

2. CTE or science, technology, engineering, and mathematics courses offered at each grade level at the academy that are part of an occupational course sequence that targets comprehensive skills and meets the criteria specified in Education Code 54692

3. Classes that are block scheduled in a cluster whenever possible to provide flexibility to academy teachers and which may vary in number during grade 12

4. A mentor from the business community for students during grade 11

5. An employer-based internship or work experience that occurs during the summer following grade 11 or during grade 12

6. Additional motivational activities with private sector involvement to encourage academic and occupational preparation

Attendance in academy classes shall be limited to students enrolled in the academy. (Education Code 54692)

The Superintendent or designee shall establish an advisory committee consisting of individuals involved in academy operations, including district and school administrators, lead teachers, and representatives of the private sector. (Education Code 54692)

Student Organizations

The district may provide support, including supplies, materials, activities, and advisor expenses, to student organizations which engage in activities that are integral to the CTE program and provide for the development of student leadership skills. However, no state or federal funds shall be used to pay students' membership dues, food or lodging expenses, out-of-state travel, or the cost of a social activity or assemblage.

Policy 6178.1: Work-Based Learning

Status: DRAFT - Keep

Original Adopted Date: 03/01/2008 **| Last Revised Date:** 09/01/2025

The Governing Board desires to improve student educational outcomes and successes and support student workforce preparedness by facilitating work-based learning opportunities which link classroom learning with real-world experiences. The district's work-based learning program shall be designed to teach students the skills, attitudes, and knowledge necessary for successful employment and to reinforce mastery of both academic and career technical education (CTE) standards.

The district's work-based learning program may offer opportunities for paid and/or unpaid work experiences, including, but not limited to:

1. Work experience education as defined in Education Code 51764
2. Simulated work-based learning
3. Cooperative CTE or community classrooms as defined in Education Code 52372.1
4. Job shadowing experience as defined in Education Code 51769
5. Student internships
6. Pre Apprenticeships/ Apprenticeships
7. Service learning
8. Employment in social/civic or school-based enterprises
9. Technology-based or other simulated work experiences

The Superintendent or designee may provide students employment opportunities with public and private employers in areas within or outside the district, including in any contiguous state. (Education Code 51768)

The Board may elect to pay wages to students participating in a work-based learning program, but shall not make payments to or for private employers except for students with disabilities who are participating in work experience education programs funded by the state for such students. (Education Code 51768)

Any district plan for work-based learning shall be submitted to the Board for approval. When required, the plan shall be submitted to the California Department of Education or other state agency or official.

At the beginning of the first semester or quarter of the regular school term, the Superintendent or designee shall notify parents/guardians of students in grades 11-12 about local apprenticeship and pre-apprenticeship programs and make the Division of Apprenticeship Standards' database accessible through a direct link on the district's website. (Education Code 48980.5)

As specified in Board Policy 6142.94 - History-Social Science Instruction, the district shall annually observe "Workplace Readiness Week." (Education Code 49110.5)

When required by law, the Superintendent or designee shall develop a written training agreement with the employer that describes the conditions and requirements to be met by all parties and shall develop an individual training plan for each student which outlines the objectives or competencies that the student is expected to accomplish at the work site. (5 CCR 10070-10071, 10087, 10108)

To ensure appropriate guidance and supervision of participating students and maximize the educational benefit from placement in any work-based learning program, district staff shall coordinate with the workplace supervisors or mentors.

A minor student shall be allowed employment through a paid work-based learning program only if the student has been issued a work permit, in accordance with law, Board policy, and administrative regulation. (Education Code 49113, 49160)

All laws or rules applicable to minors in employment relationships shall be applicable to students enrolled in work-based learning programs. (Education Code 51763)

The Superintendent or designee may ensure that any student participating in a work-based learning program off school grounds is covered under the employer's or district's insurance, as applicable, in the event the student is injured.

The Superintendent or designee shall ensure that any teacher-coordinator of a work-based learning program possesses the appropriate experience and credential issued by the Commission on Teacher Credentialing. (5 CCR 10075, 10080, 10100)

The Superintendent or designee shall maintain records related to each student's participation in the district's work-based learning program, including, but not limited to, the student's individualized training plan, employment hours and job site, work permit if applicable, the employer's report of student's attendance and job performance, the teacher-coordinator's consultations and observations, and reports of the student's grade and credits earned.

Regulation 6178.1: Work-Based Learning

Status: DRAFT - Keep

Original Adopted Date: 03/01/2008 **| Last Revised Date:** 09/01/2025

1. Program Structure and Approved Opportunities

   The district's work-based learning (WBL) program links classroom instruction with real-world experiences to reinforce academic and career technical education (CTE) standards. The Superintendent or designee shall oversee the development and implementation of the following approved opportunities, which may be paid or unpaid:

   - Work Experience Education (WEE): General, vocational, or exploratory work experience as defined in Education Code 51764
   - Cooperative CTE Community/Classrooms: Off-campus instruction and training synchronous with a CTE course (Education Code 52372.1).
   - Job Shadowing: Brief structured site visits giving students a first-hand look at a career field (Education Code 51769).
   - Apprenticeships and Pre-Apprenticeships: Formally registered or recognized programs introducing students to skilled trades.
   - Additional Modalities: Student internships, service learning, social/ civic enterprises, and simulated or technology-based work environments. The Superintendent or designee may facilitate these opportunities with public or private employers within or outside district boundaries, including contiguous states (Education Code 51768).

2. Student Eligibility, Permits, and Labor Law Compliance

   - Labor Laws: All state and federal laws regarding the employment of minors apply strictly to students in WBL programs (Education Code 51763).
   - Work Permits and AB 800 Compliance: Minor students participating in programs where they are paid to perform work duties, such as internships, need to obtain a work permit in accordance with Education Codes 49113 and 49160. In accordance with AB 800, the district's work permit verifying authority shall provide a physical copy of the official Labor Rights Information Sheet to every minor student at or before the time the work permit application is signed.

3. Annual Notifications, Events, and Observations

   - Parental Notification (Grades 11 -12): At the beginning of the first semester or quarter of the regular school term, the Superintendent or designee shall send a mandatory notification to parents/ guardians of students in grades 11-12 regarding local apprenticeship and pre-apprenticeship programs. These notifications must include a direct link to the California Division of Apprenticeship Standards' database on the district website (Education Code 48980.5).
   - Workplace Readiness Week (AB 800): In alignment with BP 6142.94, schools shall annually observe Workplace Readiness Week during the week that includes April 28th (Education Code 49110.5). For students in grades 11 and 12, the Superintendent or designee shall ensure that instruction regarding worker rights, including child labor laws, wage/ hour protections, the right to organize a union, and the history of the labor movement, is explicitly integrated into the regular school curriculum in alignment with the state History-Social Science Framework.

4. Liability Insurance

   - Insurance Verification: The Superintendent or designee shall verify that any student participating in a WBL program off school grounds is appropriately covered under either the employer or the district's liability and/ or workers' compensation insurance in the event of an injury.
   - Safety Protocols: No student shall be placed in an environment that violates state or Federal occupational safety standards.

5. Records Retention and Data Management

   The teacher/ coordinator or program administrator shall maintain digital or physical records for each participating student. Records must be obtained in accordance with district policy:

- The Individualized Training Plan (ITP) and fully executed Training Agreements
- Records of employment hours and specific job site locations.
- Valid work permits (if applicable)
- Employer reports concerning student attendance and job performance evaluations.
- Documentation of teacher/ coordinator consultations, site visits, and observations.
- Final reports of student grades and academic credits earned.

Work Experience Education

The district's work experience education (WEE) program shall consist of one or more of the following types of unpaid and paid on-the-job experiences: (5 CCR 10071)

1. Exploratory WEE, which provides students with a combination of related classroom instruction in WEE and unpaid opportunities to observe and sample systematically a variety of conditions of work for the purpose of ascertaining their interest and suitability for the occupation they are exploring

   The length of exploratory WEE assignments may vary depending on the aptitude of the student, the occupation being explored, the facilities of the work station, and the job classification. A student may not participate in an exploratory WEE assignment if the student receives pay for like work at the same work station or similar job outside of the WEE program.

2. General WEE, which has as its purpose the application of basic skills of reading, writing, and computation and which provides students an opportunity to acquire general and specific occupational skills through a combination of supervised paid employment in any occupational field and related classroom instruction in WEE

3. Career technical WEE, which reinforces and extends career learning opportunities for students through a combination of related classroom instruction in WEE and supervised paid or unpaid employment in the occupation for which their career technical course in school prepares them

The student-teacher ratio in any WEE program shall not exceed 125 students per full-time equivalent certificated teacher/coordinator. (Education Code 46300)

The minimum day for students enrolled in a WEE program shall be four periods totaling at least 180 minutes in duration, unless the school or student meets one of the conditions specified in Education Code 46144 or 46147. (Education Code 46144, 46147)

A WEE program offered during the summer shall be conducted in the same time period as the regular summer school program and shall conform to all appropriate laws and regulations applicable to WEE.

Each WEE program shall operate under the supervision of a teacher-coordinator. The teacher/coordinator shall prepare individual training plans, observe and consult with students, and make at least two on-site contacts per semester with each work supervisor and at least one on-site contact during summer school to evaluate student performance. (Education Code 51764; 5 CCR 10074)

Any student who is 16 years of age or older and who satisfactorily completes a WEE program with a minimum of one instructional period per week of related classroom instruction or counseling by a certificated employee, in sessions scheduled intermittently throughout the semester, shall be granted up to 40 semester periods of credit for WEE within the following limits: (Education Code 51760.3; 5 CCR 1635)

1. For exploratory WEE, the student may earn 10 semester periods for each semester, with a maximum of 20 semester periods earned in two semesters

2. For either general or career technical WEE, the student may earn 10 semester periods for each semester, with a maximum of 40 semester periods

The district shall actively provide pathways for qualified students under 16 years of age to enroll in WEE programs, provide they meet one or more statutory criteria below. Staff shall review student profiles during annual academic counseling to identify under-16 students who qualify for these provisions. Any student who satisfies the above requirements but is under 16 years of age may be granted credit under any of the following conditions: (Education Code 51760.3)

1. The student is enrolled in grade 11 or higher

2. The principal certifies that the student is in need of immediate work experience education in order to pursue employment opportunities

3. The principal certifies that, without being provided an opportunity to enroll in the WEE program, there is a high probability that the student will no longer be enrolled as a full-time student

4. The student is at least 14 years of age and the principal certifies that such credit is necessary for the student's participation in a career technical education (CTE) program

5. The student has an individualized education program that prescribes the type of training for which participation in a WEE program is deemed appropriate

Cooperative Career Technical Education Program/Community Classrooms

To be eligible for program participation, a student shall be concurrently enrolled in a CTE course or program approved by the California Department of Education. (5 CCR 10082, 10103)

Additionally, to be eligible for participation in the cooperative CTE program, a student shall: (5 CCR 10103)

1. Be at least 16 years of age, unless the principal determines that the program is appropriate for a younger student due to the student's financial, motivational, or other exceptional needs

    a. For students under 16 years of age, the principal's determination may be requested by a CTE teacher, counselor or parent/guardian. Approval shall be prioritized for students enrolled in an introductory course of an approved CTE pathway to ensure a continuity of sequential coursework.

2. Be a full-time student, as defined

3. Have parent/guardian consent if under 18 years of age

At least one instructional period per week of formal CTE classroom instruction shall be provided to participating students. A minimum of three CTE instructional periods shall be provided per week. Each of the CTE instructional periods shall be at least 50 minutes. (5 CCR 10085, 10106)

Teachers assigned to the program shall locate and select training stations to provide participating students with unpaid on-the-job learning experiences in the specific occupation related to the approved course or program. (5 CCR 10086, 10107)

Job Shadowing

Job shadowing opportunities shall be available to all eligible students, including students under 16 years of age, to encourage early career exploration and informed pathway selection prior to entering upper-grade work-based learning programs. The program coordinator shall identify job shadowing placements with the goal of providing students with exposure to a broad range of career options and employment settings.

The program coordinator shall supervise job shadowing activities, including the coordination of the student's and employer's schedules and consultation with the student's other teachers when necessary.

Participating students may attend job shadowing opportunities for three to 25 hours in one semester, intersession, or summer school session. However, a student may be permitted to participate for up to 40 hours in one semester, intersession, or summer school session, if the principal certifies that it is necessary for the student's participation in a CTE program. (Education Code 51769)

Policy 6179: Supplemental Instruction

Status: DRAFT - Use District

Original Adopted Date: 12/01/2015 **| Last Revised Date:** 07/01/2019

Cautionary Notice 2010-13: AB 1610 (Ch. 724, Statutes of 2010) amended Education Code 37252.2 to relieve districts from the obligation, until July 1, 2013, to perform any activities that are deemed to be reimbursable state mandates under that section. As a result, certain provisions of the following policy or administrative regulation that reflect those requirements may be suspended.

The Governing Board shall provide supplemental instructional programs to motivate and support students to overcome academic deficiencies, attain grade-level academic standards, or enhance critical skills.

Supplemental instructional programs shall be offered outside the regular school day. Such programs may be offered during the summer, before school, after school, on Saturday and/or during intersessions. (Education Code 37252, 37252.5, 37252.6, 37253)

The Board shall offer direct, systematic and intensive supplemental instruction for students in grades 2 through 9 who have been retained or recommended for retention pursuant to Education Code 48070.5. (Education Code 37252.5)

The Board shall offer direct, systematic and intensive supplemental instruction for students in grades 7 through 12 who do not demonstrate "sufficient progress" toward passing the state exit examination required for high school graduation. (Education Code 37252, 60851)

For purposes of determining eligibility for supplemental instruction for students in the class of 2004 or later, "sufficient progress" toward passing the high school exit examination shall be determined by students' grades and other indicators of academic achievement designated by the Board.

Prior to the class of 2004, students shall be eligible for supplemental instruction if they are assessed as not meeting the district's adopted standards of proficiency in basic skills.

As funding, facilities and staffing permit, supplemental instruction may be offered to:

1. Students in grades 2 through 6 who have been identified as being at risk of retention pursuant to Education Code 48070.5 (Education Code 37252.5)

2. Students in grades 2 through 6 who have been identified as having a deficiency in mathematics, reading or written expression based on the results of the Standardized Testing and Reporting Program (Education Code 37252.6)

3. Students in grades kindergarten through 12 who seek enrichment in mathematics, science or other core academic areas designated by the Superintendent of Public Instruction (Education Code 37253; 5 CCR 11472)

4. Students in grades kindergarten through 4 who need or desire intensive reading opportunities that meet the standards specified in Education Code 44259 and 53027 for a research-based comprehensive reading program (Education Code 53025-53031)

5. Students in grades 7 and 8 who need or desire intensive opportunities to practice skills in algebra and prealgebra in accordance with standards specified in Education Code 53092 (Education Code 53091-53094)

6. Students in grades kindergarten through 12, including English language learners, who need or desire intensive English language and literacy instruction (Education Code 422-424)

The programs described in items #4 through #6 above shall be offered during summer school except when facilities constraints or other educational reasons make it not feasible to offer these programs during summer school, in which case they may be offered before school, after school, on Saturday and/or during intersessions. (Education Code 423, 53029, 53093)

Policy 6181: Alternative Schools/Programs Of Choice

Status: DRAFT - Use District

Original Adopted Date: 12/01/1992 **| Last Revised Date:** 07/01/2009

The Governing Board recognizes that educational goals are best achieved through programs that address students' diverse individual learning needs. The Board encourages parents/guardians and staff to develop proposals for innovative, alternative programs designed to meet such needs and maximize self-motivation. All proposals should be consistent with current research on effective educational practices.

Alternative schools must teach the Board-adopted core curriculum. With Board approval, they may differ from ongoing programs in other ways that include, but are not limited to, the following:

1. They may emphasize specific components of the approved curriculum.
2. They may present the approved curriculum in a sequence different from that used in other schools.
3. Their staff may emphasize specific instructional strategies.
4. The decision making process for their governance may differ from the processes used in other schools.
5. They may utilize partnerships with community businesses and CBOs to develop standards to be infused into curriculum and determine a delivery mode.

Alternative schools may not result in segregated schools, discrimination on the basis of sex, race or religious preference, inequitable distribution of staff or resources, unequal access to programs, or any other circumstances which adversely affect the learning environment of students not enrolled in the alternative school or class.

The Superintendent or designee may establish an advisory committee of staff and community members which will evaluate proposals for alternative schools. The Board shall approve or disapprove proposals after considering the recommendation of the committee and the Superintendent or designee.

The Superintendent or designee shall annually evaluate alternative schools in accordance with the Education Code and school law. Such schools shall be discontinued if they fail to demonstrate positive effects on student achievement over a reasonable period of time, or if interest in the school declines and no longer justifies its staffing requirements.

Regulation 6181: Alternative Schools/Programs Of Choice

Status: DRAFT - Use District

Original Adopted Date: 12/01/1992 **| Last Revised Date:** 07/01/2009

The district shall maintain and fund alternative schools at the same level of support as other district educational programs for students of the same age level. (Education Code 58507)

Teachers employed and students enrolled in alternative schools shall be selected entirely from volunteers. (Education Code 58503)

Students enrolled in alternative schools shall be eligible for district transportation in the same manner as students attending regular schools.

Notifications

At the beginning of each school year, the "Notice of Alternative Schools" shall be sent to all parents/guardians as set forth in Education Code 58501. During March of each year, a copy of this notice shall be posted at each school in at least two places normally visible to students, teachers and visiting parents. (Education Code 58501)

Copies of Education Code 58500-58512, providing for alternative schools, shall be placed in the district office and in the principal's office at each school and shall be made available to any interested parent/guardian, teacher or student. (Education Code 58501)

Proposals

All proposals for the establishment of an alternative school shall:

1. Meet district program goals and student outcomes contained in the state curriculum frameworks.
2. Demonstrate that the number of students interested in enrolling in the alternative school is sufficient to meet normal student/teacher staffing ratios.
3. Demonstrate that teachers are willing to work within the program.
4. Include a comprehensive plan for a yearly evaluation of the program to be carried out by the district.
5. Demonstrate that the proposed operational plan conforms with district timelines and makes equitable use of district staff, facilities and resources.
6. Provide a statement of the specific anticipated costs of launching the proposal. The proposal may draw upon outside funding sources as well as requesting district support for start-up costs which will not continue after the first year. As long as individual school allocations are not affected, start-up costs may include such items as staff development, purchase and/or renovation of facilities, purchase of an initial inventory of equipment and supplies, and staff and travel expenses for program planning.
7. Provide assurance that there will be no racial, sex or ethnic discrimination in any aspect of the operation of the alternative school. (Education Code 58508)
8. Provide assurance that previous classroom performance will not limit any student from the opportunity of attending the alternative school. (Education Code 58504)

Enrollment

Any student may apply for enrollment in any alternative school.

The Superintendent or designee shall establish a three-week enrollment period for alternative schools and shall provide timely information about these programs to students, parents/guardians and the community.

When the number of requests for admission to an alternative school exceeds its capacity, applicants will be chosen by lot.

No tests or other screening devices shall be used to determine admission unless the particular program has a need for unique entrance requirements. Such requirements will be subject to Governing Board approval.

When an alternative class group is established within a school, the Superintendent or designee shall ensure that students currently enrolled in the school will not be displaced. The school shall further preserve a small number of spaces for new neighborhood enrollees. New students thus shall have priority access to the school, but shall be obliged to wait along with other applicants before entering an alternative class group within the school.

Parents/guardians may request that a student's enrollment in an alternative school be rescinded at any time. Such requests will be effective at the end of the school year in which they are received unless an earlier date is agreed upon by the principals of the schools involved or by the principal and teachers of the class groups involved.

Regulation 6183: Home And Hospital Instruction

Status: DRAFT - Keep

Original Adopted Date: 06/01/1989 **| Last Revised Date:** 12/01/2018

A student with a temporary disability which makes school attendance impossible or inadvisable shall be entitled to receive individual instruction at home or in a hospital or other residential health facility, excluding state hospitals. (Education Code 48206.3)

Temporary disability means a physical, mental, or emotional disability incurred while a student is enrolled in regular day classes or an alternative education program, and after which the student can reasonably be expected to return to regular day classes or the alternative education program in which the student is enrolled. Temporary disability does not include a disability that would qualify a student for special education pursuant to Education Code 56026. (Education Code 48206.3)

At the beginning of the school year, the Superintendent or designee shall notify parents/guardians of district students regarding: (Education Code 48206.3, 48208, 48980)

1. The availability of individual instruction for any student with a temporary disability, including information regarding student eligibility for, and the duration of, individual instruction

2. The rights and responsibilities of parents/guardians of any student with a temporary disability pursuant to Education Code 48207 and 48208

Parents/guardians shall notify the principal or designee when their child is temporarily disabled and needs individual instruction at home or in a hospital or other residential health facility.

Determination of Student Eligibility

Not later than five working days after receiving notification from a parent/guardian that a student has a temporary disability, the Superintendent or designee shall determine whether the student will be able to receive individual instruction at home or in a hospital or residential health facility. (Education Code 48208)

The Superintendent or designee may require verification through any reasonable means that the student is temporarily disabled and needs individual instruction.

Provision of Individual Instruction

Individual instruction at a student's home or in a hospital or other residential health facility shall begin no later than five working days after the Superintendent or designee makes the determination that the student is eligible to receive individual instruction. (Education Code 48207.5, 48208)

The district shall be responsible for providing individual instruction to any temporarily disabled student who is in a hospital or other residential health facility located within district boundaries, whether or not the student is enrolled in the district. If the student is enrolled in another district, the Superintendent or designee may enter into an agreement to have the student's district of residence provide the individual instruction. The Superintendent or designee may also enter into an agreement to provide individual instruction to a district student who is in a hospital or other residential health facility located within the boundaries of another district. (Education Code 48208)

Whenever the district provides individual instruction to a non-district student who is in a hospital or other residential health facility located within district boundaries, the Superintendent or designee shall, within five working days of the beginning of the individual instruction, provide written notification to the student's district of residence that, effective on the date on which individual instruction began, the district of residence may not count the student for purposes of computing that district's average daily attendance. (Education Code 48208)

A student receiving individual instruction in a hospital or residential health facility for a partial week shall be entitled to attend school or receive individual instruction at home on days in which the student is not receiving individual instruction in the hospital or other residential health facility, if the student is well enough to do so. (Education Code 48207.3)

Home or hospital instruction shall be provided only by teachers with valid California teaching credentials who consent to the assignment. (Education Code 44865)

Insofar as possible, the teacher providing home or hospital instruction shall consult with the student's current classroom teacher(s) so as to provide a continuity of instruction that enables the student to stay abreast with the regular school program.

The district's attendance supervisor shall ensure that the absences of any temporarily disabled student receiving individual instruction at home or in a hospital or other residential health facility are excused until the student is able to return to the regular school program. (Education Code 48240)

Return to School

A student receiving individual instruction who is well enough to return to school shall be allowed to return to the school that the student attended immediately before receiving individual instruction, if the return occurs during the school year in which the individual instruction was initiated. (Education Code 48207.3)

Policy 6184: Continuation Education

Status: DRAFT - Use District

Original Adopted Date: 06/01/1989 **| Last Revised Date:** 04/01/2014

The Governing Board provides a continuation education program to meet the individual needs of students 16 and 17 years old who are not attending a high school or other appropriate educational institution and who are not legally exempted from compulsory school attendance. (Education Code 48400) Continuation education classes shall provide:

1. An opportunity for the student to complete courses required for high school graduation.

2. A program of instruction that emphasizes occupational orientation, or a work-study program that offers intensive guidance services to meet students' needs.

   The Board further expects this program to help students develop self-confidence, a sense of responsibility, and tolerance for a variety of viewpoints.

3. A program designed to meet each student's educational needs, with classroom instruction supplemented by independent study, regional occupational programs, job training and placement, career counseling, and School to Career opportunities. (Education Code 48430)

The Superintendent may allow the voluntary enrollment of students under 16 in this program.

The Superintendent may enroll students involuntarity in the continuation programs of the district.

The Superintendent or designee shall develop administrative regulations governing the involuntary transfer of students into the continuation program, including students under the age of 16.

The Board shall annually evaluate its continuation education program.

Regulation 6184: Continuation Education

Status: DRAFT - Use District

Original Adopted Date: 06/01/1989 **| Last Revised Date:** 03/01/2023

Minimum Attendance Requirement

Each student in the continuation education program shall attend classes for not less than four 60-minute hours per week for the regular school term. The requirement may be met by attendance in a continuation education class and/or regional occupational center or program. (Education Code 48400)

If a student subject to compulsory attendance in continuation education classes cannot give satisfactory proof of regular employment, the student shall attend continuation education classes and/or a regional occupational center or program for not less than 15 hours per week. (Education Code 48402)

Students Exempted

Minors may be exempted from compulsory continuation education if they have regular work and present evidence that they attend adult classes at least four full hours a week.

Voluntary Enrollment

With the consent of the Superintendent or designee, any high school student may enroll in continuation classes in order to receive special attention, such as individualized instruction. (Education Code 48432.5) Students so enrolled may return to the regular high school at the beginning of the following year, or at any time the Superintendent or designee gives consent.

Reenrollment

Any person 16 or 17 years old who left school after obtaining a certificate of proficiency may reenroll in the district without prejudice. If the student leaves a second time, the district may deny reenrollment until the beginning of the next semester. (Education Code 48414)

Involuntary Transfer

1. Grounds

   A decision to transfer the student involuntarily shall be based on a finding that the student (a) committed an act enumerated in Education Code 48900, or (b) has been habitually truant or irregular in legally required school attendance. High school students under age 16 may be so transferred when they have used up 20 days of suspension at their school of attendance.

2. Limitation

   Involuntary transfer to a continuation school shall be made only when other means fail to bring about student improvement. However, a student may be involuntarily transferred the first time he/she commits an act enumerated in Education Code 48900 if the principal determines that the student's presence causes a danger to persons or property or threatens to disrupt the instructional process. (Education Code 48432.5)

3. Duration

   No involuntary transfer to a continuation school shall extend beyond the end of the semester following the semester when the acts leading to the involuntary transfer occurred. (Education Code 48432.5)

4. Notice and Hearing

   The student and parent/guardian shall be given written notice that they may request a meeting with the Superintendent's designee prior to an involuntary transfer.

   At the meeting, the student and/or parent/guardian shall be told specific facts and reasons for the proposed transfer. The student or parent/guardian shall have the opportunity to inspect all documents relied upon, and to present evidence on the student's behalf. The student may designate one or more representatives and witnesses to be present with him/her at the meeting.

The persons making the final decision for involuntary transfer shall not be members of the staff of the school in which the student is enrolled at the time. (Education Code 48432.5)

A written decision to transfer, stating the facts and reasons for the decision, shall be sent to the student and to the parent/guardian. If the decision is subject to annual review, the letter shall explain the procedure involved.

Policy 6185: Community Day School

Status: DRAFT - Use District

Original Adopted Date: 02/01/1997 **| Last Revised Date:** 10/01/2016

The Governing Board recognizes the need to provide an appropriate alternative educational program for expelled students who are prohibited from attending regular schools in the district and for certain students referred by probation or district processes. The district shall operate one or more community day schools designed to meet the needs of these students. The Superintendent or designee shall ensure that any such school is operated in accordance with legal requirements related to enrollment, re-entry procedures, instructional time and facilities.

The Board perceives the community day school as a flexible component of a comprehensive effort to meet the needs of expelled and other at-risk students throughout the county. The Superintendent or designee shall solicit input from the County Superintendent of Schools and neighboring districts when designing the district community day school and shall collaborate with them in fulfilling countywide needs.

In order to foster positive attitudes and academic progress, the Board recognizes that community day schools must give students substantial individual help with their problems. Community day school staff shall collaborate with district counselors, psychologists, and other support staff and with the county office of education, law enforcement, probation, and human services agency staff who work with at-risk youth. To the extent practical, community day school programs shall provide a reduced student-teacher ratio as well as individualized instruction and assessment.

The Superintendent or designee shall establish procedures for the involuntary transfer of students to a community day school in accordance with law.

The Superintendent or designee may require community day school students to attend school for up to seven days each week in a directed program designed to provide students with the skills and attitudes necessary for success when they are returned to a regular school environment.

Regulation 6185: Community Day School

Status: DRAFT - Use District

Original Adopted Date: 02/01/1999 **| Last Revised Date:** 10/01/2016

Involuntary Transfer

A student may be assigned to a community day school only upon meeting one or more of the following conditions: (Education Code 48662)

1. The student is expelled for any reason.
2. The student is probation-referred pursuant to Welfare and Institutions Code 300 and 602.
3. The student is referred by a school attendance review board.

Unless the district has an agreement that the County Superintendent of Schools shall serve any of the above students, first priority for assignment to a community day school shall be given to a student expelled pursuant to Education Code 48915, subdivision (d). Second priority shall be given to students expelled for other reasons, and third priority shall be given to students referred according to item #2 or #3 above. (Education Code 48662)

In the case of any student who has been identified as eligible for services under the federal Individuals with Disabilities Education Act or Section 504 of the federal Rehabilitation Act of 1973, assignment to a community day school shall be first approved by the student's IEP team or school site committee.

Instructional Time

The minimum school day for community day school students shall be 360 minutes of classroom instruction provided by a certificated employee. Independent study shall not be used as a means of providing any part of this minimum day. (Education Code 48663)

Facilities

To house community day school operations, the district shall do one or more of the following: (Education Code 17292.5)

1. Use available school facilities conforming with Field Act requirements specified in the Code of Regulations, Title 24, Part 2 (Section 101 to 2327a.3), Part 3 (Section 089-1 to 70-848), Part 4 (Section 403 to 1313.13) and Part 5 (Section 102 to 1218.8).
2. Apply for emergency portable classrooms pursuant to Education Code 17085-17095.
3. Upon certifying to the State Allocation Board that all reasonable efforts have been made to use facilities that conform with the requirements of item #1 above, enter into lease agreements for facilities for which a structural engineer has submitted a report stating that substantial structural hazards do not exist.

As needed, the Board shall provide certifications related to the absence of satisfactory alternative facilities for community day schools. Such certifications shall be valid for not more than one school year and may be renewed by a subsequent two-thirds vote of the Board. (Education Code 48661)

A community day school serving any of grades K-6 shall not be situated on the same site as an elementary, middle, junior high, comprehensive senior high, opportunity or continuation school except when the Board certifies by a two-thirds vote that no satisfactory alternative facilities are available for a community day school in those grades. (Education Code 48661)

A community day school serving any of grades 7-12 shall not be situated on the same site as an elementary, middle, junior high, comprehensive senior high, opportunity, or continuation school except when the Board certifies by a two-thirds vote that no satisfactory alternative facilities are available for a community day school in those grades. (Education Code 48661)

On or before September 1, 1996, and every three years thereafter, the Superintendent or designee shall report to the State Allocation Board on the facilities used for the district's community day programs and efforts to place these programs in facilities that conform with the requirements of item #1 above. (Education Code 17292.5)

Policy 6190: Evaluation Of The Instructional Program

Status: DRAFT - Keep

Original Adopted Date: 03/01/2007 **| Last Revised Date:** 10/01/2018

The Governing Board recognizes that it is accountable to students, parents/guardians, and the community for the effectiveness of the district's educational program in meeting district goals for student learning. The Superintendent or designee shall conduct a continual evaluation of the curriculum and the instructional program in order to identify strategies for improving student achievement.

The Superintendent or designee shall provide the Board and the community with regular reports on student achievement. The reports shall include data for each district school and for each numerically significant student subgroup, as defined in Education Code 52052, including, but not limited to, school and subgroup performance on statewide achievement indicators and progress toward goals specified in the district's local control and accountability plan (LCAP).

In addition, the Superintendent or designee shall conduct an evaluation of any new instructional program implemented in the district and shall regularly assess district progress toward increasing student achievement in all subject areas taught in the district. The findings of such evaluations and assessments shall be reported to the Board.

Based on these reports, the Board shall take appropriate actions to maintain the effectiveness of programs and to improve the quality of education provided to district students.

Annual Evaluation of Consolidated Application Programs

The Board and the Superintendent or designee shall annually determine whether the district's categorical programs funded through the state's consolidated application are effective in meeting the needs of the students they are intended to serve. As a basis for this evaluation, the Superintendent or designee shall recommend for Board approval the specific, measurable criteria that shall be used at each school and at the district level. These criteria may include, but are not necessarily limited to, the progress of all students participating in the program and of each numerically significant subgroup toward goals contained in the district's LCAP, the school's single plan for student achievement, and/or other applicable district or school plans.

Western Association of Schools and Colleges (WASC) Accreditation

The Board believes that accreditation by the Western Association of Schools and Colleges (WASC) can foster excellence and ongoing academic improvement in the district's schools. The results of the accreditation process also may demonstrate to parents/guardians and the community that the schools are meeting their goals and objectives and the WASC criteria for school effectiveness through a viable instructional program.

The Superintendent or designee shall undertake procedures whereby district schools may achieve and maintain full WASC accreditation status. The schools shall conduct a self-study in accordance with WASC requirements, cooperate with the WASC committee during a site visit, and develop and review action plans to increase the effectiveness of the instructional program for students. The Superintendent or designee shall regularly report to the Board on the status of district schools and any WASC recommendations for school improvement.

Not later than 60 days after receiving the results of an inspection of a school by WASC or any other accrediting agency, the Superintendent or designee shall notify parents/guardians in writing of the inspection results and/or shall post the information on the district's or school's web site. (Education Code 35178.4)

If any district school loses its accreditation status, the Board shall give official notice at a regularly scheduled Board meeting. The Superintendent or designee shall provide written notification to each parent/guardian of a student in the school that the school has lost its accreditation status, including the potential consequences of the loss of accreditation status. This notice shall also be posted on the district's web site and the school's web site. (Education Code 35178.4)

Policy 6200: Adult Education

Status: DRAFT - Keep

Original Adopted Date: 06/01/1997 **| Last Revised Date:** 09/01/2022

The Governing Board believes that education is a lifelong endeavor and that it is important for individuals to continuously develop new skills necessary to participate effectively as citizens, workers, parents/guardians, and family and community members. Eligible adults shall be offered opportunities to enroll in programs and courses that develop academic and workforce skills and, as appropriate, lead to completion of requirements for high school graduation.

The Superintendent or designee shall recommend, for approval by the Board and the California Department of Education, courses to be offered through the district's adult education program.

Adult education classes may be offered any day or evening, including weekends, for such length of time during the school year as determined by the Board. (Education Code 52505)

The Superintendent or designee shall ensure that all teachers of adult education classes possess an appropriate credential issued by the Commission on Teacher Credentialing and have access to high-quality professional development to continuously enhance their knowledge and skills.

Upon recommendation of the administrator of the student's adult school or noncredit program of attendance, the Board may authorize an adult education student pursuing a high school diploma or a high school equivalency certificate to attend a community college during any session or term as a special part-time student. (Education Code 52620)

The Board may award diplomas or certificates to adults and eligible minors enrolled in adult schools upon satisfactory completion of a prescribed course of study in an elementary school program. (Education Code 52508, 52509)

Adult education students who fulfill the district's graduation requirements shall receive a diploma of high school graduation.

If the district has an adult school or classes for adults but is unable to maintain such school or classes because of an inability to secure a teacher(s) or because of a lack of facilities, the district may, with the approval of the County Superintendent of Schools and the Superintendent of Public Instruction, contract with another district for the instruction of such students. (Education Code 52511)

To ensure efficient and coordinated adult education services, the district may join a regional adult education consortium. The district shall participate in the consortium's identification of the educational needs of adults in the region, identification of available funding and services, development and approval of an adult education plan pursuant to Education Code 84906, and implementation of strategies to address the identified needs, improve the effectiveness of district services, and improve students' transitions into postsecondary education and the workforce.

The district's representative to the regional adult education consortium shall be designated by the Board. (Education Code 84905)

The Superintendent or designee shall regularly report to the Board on the effectiveness of the district's adult education program. This report shall include, but not be limited to, the number of adults and high school students participating in the program, student participation in each type of adult education course or class, and the extent to which students successfully completed these programs, including, as applicable, the completion of requirements for the high school diploma or certificate of equivalency.

Regulation 6200: Adult Education

Status: DRAFT - Keep

Original Adopted Date: 06/01/1997 **| Last Revised Date:** 09/01/2022

Enrollment

For adult education programs, adults include persons age 18 or older and other persons not concurrently enrolled in a regular high school program. However, high school students may be concurrently enrolled in adult education under the conditions specified in the section "Concurrent Enrollment of High School Students" below. (Education Code 52523, 52610)

Adults shall have first priority for enrollment in any adult education class, provided they enroll during the regular enrollment period. (Education Code 52523)

With the exception of programs for adults with disabilities specified in Education Code 52570, adult education classes shall be located in a facility which clearly identifies attendance in the class as being open to the general public. (Education Code 52517, 52570)

Concurrent Enrollment of High School Students

High school students may be permitted to enroll in an adult education program, course, or class for sound educational purposes, including, but not limited to, the following: (Education Code 52523)

1. The adult education program, course, or class is not offered in the regular high school curriculum.

2. The student needs the adult education program, course, or class in order to make up deficient credits for graduation from high school.

3. The adult education program, course, or class allows the student to gain vocational and technical skills beyond that provided by the regular high school's vocational and technical education program.

4. The adult education program, course, or class supplements and enriches the high school student's educational experience.

High school students are expected to enroll in regular high school classes before seeking admission to any similar classes offered in the adult education program. A failed course, however, may be repeated through adult education.

Before enrolling in an adult education class, the high school student shall complete a counseling session that includes the student, the student's parent/guardian, and a certificated representative of the high school. The certificated high school representative shall ensure that the student's school record includes written documentation of the counseling session and both of the following statements: (Education Code 52500.1, 52523)

1. That the student is enrolling voluntarily in the adult education course or class

2. That the enrollment will enhance the student's progress toward meeting educational requirements for high school graduation

The above statement shall be signed by the student, the student's parent/guardian, and the certificated high school representative.

Classes offered in the district's adult education program shall supplement and not supplant the regular high school curriculum. No course required by the district for high school graduation or necessary for students to maintain satisfactory academic progress shall be offered exclusively through the adult education program. (Education Code 52523)

Programs and Courses

The district's adult education program shall offer instruction in one or more of the following areas: (Education Code 41976)

1. Programs in elementary and secondary basic skills, including programs leading to a high school diploma or high

school equivalency certificate

2. Programs for immigrants eligible for educational services in citizenship, English as a second language, workforce preparation, and immigrant integration

3. Programs that are primarily related to entry or reentry into the workforce

4. Programs that are primarily designed to develop knowledge and skills to assist elementary and secondary students to succeed academically in school

5. Programs for adults with disabilities

6. Short-term career technical education programs with high employment potential

7. Programs offering pre-apprenticeship training activities in coordination with one or more apprenticeship programs approved by the Division of Apprenticeship Standards for the occupation and geographic area.

The district may also offer programs in parenting, family and consumer awareness, English as a second language, classes for older adults, home economics, and health and safety education. Such programs shall not be paid for with Adult Education Program Funds.

The Superintendent or designee shall regularly submit to the California Department of Education for approval the titles of classes that have been approved by the Governing Board to be offered in any of the program areas listed above.

Adults may also be enrolled in community service classes offered by the district. (Education Code 51811)

All adult education programs, courses, and classes and their enrollment period shall be published in the district's catalog of adult education classes provided to the public. (Education Code 52523)

Independent Study

The Superintendent or designee may make independent study available as an instructional strategy for students enrolled in adult education as appropriate to meet their individual needs.

Student participation in independent study shall be voluntary and no student shall be required to participate. (Education Code 51747)

Fees

The district may require fees for enrollment in an adult education class. However, no fees shall be charged for the following adult education programs or classes: (Education Code 52612, 52613)

1. A class for which high school credit is granted, if the class is taken by an individual who does not hold a high school diploma.

2. A class in an elementary subject or a class in English as a second language or citizenship, unless the student is a nonimmigrant with an F-1 visa status. Any nonimmigrant enrolled in these classes shall be charged a fee to cover the full cost of the instruction, not to exceed actual costs. The fee shall be adopted by the Board at a regular meeting at least 90 days before the beginning of the class for which the fee is charged.

Except for those fees required by law, the payment of fees may be waived in cases of hardship at the recommendation of the Superintendent or designee.

The Board may fix a charge, not to exceed cost, for books furnished to adult education students. In lieu of fixing such charge, books may be loaned to students with the payment of a refundable deposit. (Education Code 60410)

Policy 7000: Concepts And Roles

Status: DRAFT - Keep

Original Adopted Date: 09/01/1988 **| Last Revised Date:** 11/01/2025

The Governing Board recognizes that one of its major responsibilities is to provide healthful, safe and adequate facilities that enhance the instructional program and align with the needs of the district. The Board shall endeavor to provide and maintain high-quality school facilities that support the district's educational program. Because the schools serve as a focal point for the community, the Board shall strive to provide district facilities that are compatible with surrounding neighborhoods and have the flexibility of design to meet future educational and community needs. As part of its intent to make use of each facility, the Board recognizes that, in some instances, the best use may be reuse by a third party, and in other instances, may be lease or sale.

In order to plan for long-range facilities needs, the Superintendent or designee may develop, for Board approval, a school facilities master plan in accordance with Board Policy 7110 - Facilities Master Plan, and regularly review such plan in light of the district's educational goals. In accordance with this plan, the Board shall:

1. Approve additions or major alterations to existing buildings
2. Determine what new buildings shall be built, when and where, and what equipment shall be purchased for them
3. Determine the method of financing that will be used
4. Select and purchase school sites for future expansion, as needed, and facilities for new school sites or other district use
5. Sell or lease facilities, including via joint occupancy or joint use, when no other better use is identified
6. Approve the selection of architects and structural engineers
7. Award contracts for design and construction
8. Authorize the use of school facilities by district residents and community groups in accordance with Board Policy/Administrative Regulation 1330 - Use of School Facilities
9. Consider the use of district property for workforce housing
10. Advocate school facility needs to the community

The Superintendent or designee shall:

1. Assess the district's short- and long-term facilities needs
2. Direct the preparation and updating of the facilities master plan
3. Oversee the preparation of bids and awarding of contracts
4. Supervise the implementation of the district's building program in accordance with the master plan, Board policy, and state and local requirements, including collaboration with the architect and contractor on the construction of new facilities and modernization of existing facilities
5. Represent the district in official governmental interactions related to the building program

Policy 7110: Facilities Master Plan

Status: DRAFT - Keep

Original Adopted Date: 02/01/1996 **| Last Revised Date:** 05/01/2026

The Governing Board recognizes the importance of long-range planning for school facilities in order to address changes in student enrollment, teacher housing needs, the district's educational program, and carrying out the district's vision, mission, and goals. The Superintendent or designee shall develop, for Board approval, a master plan for district facilities which describes the district's anticipated short- and long-term facilities needs and priorities.

Plan Development

The district's facilities master plan shall be based on an assessment of the condition and adequacy of existing facilities, a projection of future enrollments, and alignment of facilities with the district's vision for the instructional program.

To solicit broad input into the planning process, the Superintendent or designee may establish a facilities advisory committee consisting of staff, parents/guardians, and business, local government, and other community representatives. The Superintendent or designee shall ensure that the public is informed of the need for construction and modernization of facilities and of the district's plans for facilities.

At least 45 days prior to completion of any facilities plan that relates to the potential expansion of existing school sites or the necessity to acquire additional school sites, the Superintendent or designee shall notify and provide copies of the plan or any relevant and available information to the planning commission or agency of the city or county with land use jurisdiction within the district. (Government Code 65352.2)

If the city or county commission or agency requests a meeting, the Superintendent or designee shall meet with the commission or agency within 15 days following the notification. Items that the parties may discuss at the meeting include, but are not limited to, methods of coordinating planning with proposed revitalization efforts and recreation and park programs, options for new school sites, methods of maximizing the safety of persons traveling to and from the site, and opportunities for financial assistance. (Government Code 65352.2)

The master plan shall be regularly reviewed and updated as necessary to reflect changes in the educational program, existing facilities, finances, or demographic data.

Plan Components

The facilities master plan shall include:

1. A statement of purpose, including district goals, philosophy, and related policies
2. A description of the planning process
3. Description and demographics of the community, such as economic trends, migration patterns, employment base, residential base, socioeconomic makeup, historical school enrollments, and inventory of physical resources and needs
4. A description of the educational program, such as grade-level organization, class size, staffing patterns, technology plans, special programs and support services, and other educational specifications
5. Analysis of the safety, adequacy, and equity of existing facilities and potential for expansion, including the adequacy of classrooms, school cafeterias and food preparation areas, physical activity areas, playgrounds, parking areas, and other school grounds
6. Site selection criteria and process
7. Development of a capital planning budget and identification of potential funding sources
8. Policy for reviewing and updating the plan

Planning shall ensure that school facilities meet the following minimum standards: (5 CCR 14001)

1. Are aligned with the district's educational goals and objectives
2. Provide for maximum site enrollment at school facilities
3. Are located on a site that meets California Department of Education standards as specified in 5 CCR 14010
4. Are designed for the environmental comfort and work efficiency of the occupants
5. Are designed to require a practical minimum of maintenance
6. Are designed to meet federal, state, and local statutory requirements for structure, fire, and public safety
7. Are designed and engineered with flexibility to accommodate future need

Additionally, plans for the design and construction of new school facilities shall meet the standards described in 5 CCR 14030, the California Green Building Standards Code, Title 24, Part 11 of the California Code of Regulations ("CALGreen"), the Americans with Disabilities Act (ADA) pursuant to 42 USC 12101-12213, and any other requirements applicable to the funding source and type of project.

However, plans for residential housing, which includes any building used or intended to be used by the district as a personal residence by a teacher or employee of the district, is not considered to be a "school building" and does not require approval by the Department of General Services regarding earthquake safety and/or the ADA. (Education Code 17283.5; Government Code 4454.5)

In addition, plans for the design and construction of facilities, including furnishing of such facilities, shall promote safe environments for learning and engagement in accordance with Board Policy 5142 - Safety.

To facilitate the efficient use of public resources when planning for new construction or modernization of school facilities, the district may consider designs that facilitate joint use of the facility with a local governmental agency, public postsecondary institution, or nonprofit organization.

Regulation 7111: Evaluating Existing Buildings

Status: DRAFT - Keep

Original Adopted Date: 02/01/1999 **| Last Revised Date:** 03/01/2016

The Superintendent or designee shall periodically evaluate the adequacy, design, and conditions of existing district facilities to determine whether they meet the needs of the instructional program and provide a healthful and pleasing environment for students and staff. He/she also shall determine whether district facilities fulfill legal requirements for safety and structural soundness, access for the disabled, and energy conservation.

In addition, the Superintendent or designee shall regularly calculate the capacity of existing school buildings to adequately house the district's current students and projected enrollments.

Any identified needs for repair, modernization, or construction shall be incorporated into the district's facilities planning process.

Structural Safety

In the event that the Department of General Services or any licensed structural engineer or licensed architect finds and reports to the Governing Board that a district building is unsafe for use, the Superintendent or designee shall immediately obtain an estimate of the cost of repairs or reconstruction necessary to bring the building up to legal standards for structural safety. The Board shall establish a system of priorities for the repair, reconstruction, or replacement of unsafe school buildings. (Education Code 17367)

A relocatable school building or structure shall meet the requirements of Education Code 17280-17317 and 17365-17374 pertaining to structural safety. (Education Code 17291)

Energy Efficiency

To the extent that services are available, the Superintendent or designee shall arrange for the energy audit of school buildings to identify the type and amount of work necessary to retrofit buildings and obtain an estimate of projected energy savings. The district may contract with qualified businesses capable of retrofitting these buildings and may borrow funds which do not exceed the amount of energy savings to be accumulated from the improvement of the buildings. (Education Code 17651-17653)

Policy 7131: Relations With Local Agencies

Status: DRAFT - Keep

Original Adopted Date: 02/01/1996 **| Last Revised Date:** 11/01/2025

The Governing Board recognizes the importance of collaborating and communicating with other local agencies in order to provide the best possible school facilities and to allocate facility resources in an effective and efficient manner. The Board and district staff shall consult and coordinate with local agencies as required by law, and shall utilize the expertise and resources of such agencies when useful to the district in the planning, design, and construction of facilities.

The Board shall meet with the appropriate local agency recreation and park authorities to review all possible methods of coordinating the planning, design, and construction of new school facilities and school sites, or major additions to existing school facilities and recreation and park facilities in the community. (Education Code 35275)

Upon receiving notification of proposed action to adopt or substantially revise a city or county general plan, the Board may request a meeting with the local planning agency to discuss possible methods of coordinating planning, design, and construction of new school facilities and school sites. (Government Code 65352.2)

The Superintendent or designee shall monitor land development proposals within district boundaries and shall ensure that an exchange of accurate information is maintained with city/county planning staff regarding the impact of land development on the district's educational programs and facility needs. When necessary, the district shall recommend measures for inclusion in the city/county general plan to ensure the availability of adequate school facilities to address the new development.

Recognizing that available funds may not suffice to eliminate overcrowding in district schools caused by new development, the Board urges the city/county to adopt in its general plan or other appropriate planning documents, to the extent permitted by law, a provision which ensures that adequate school facilities will be available.

Notifications to Other Local Agencies

In order to adequately mitigate the additional students generated by new development within the district, the Board may make a finding, based on clear and convincing evidence, that: (Government Code 65971)

1. That conditions of overcrowding, as defined in Government Code 65973, exist in one or more attendance areas within the district which will impair the normal functioning of the educational programs, and the reason for the existence of those conditions

2. That all reasonable methods of mitigating conditions of overcrowding have been evaluated and no feasible method for reducing those conditions exists

Upon making such a finding, the Board shall notify the city council or county board of supervisors of such finding. The notice shall include a completed application to the Office of Public School Construction for preliminary determination of eligibility for school construction under applicable state law. (Government Code 65971)

The Superintendent or designee shall notify the appropriate city or county planning agency of the adoption of a school facility needs analysis; facilities master plan or other long-range plan; the acquisition of a school site; and any other action regarding school facilities, in accordance with law.

District Workforce Housing Development

The Superintendent or designee shall ensure that the use of district-owned real property for workforce housing is consistent with the criteria specified in Government Code 65914.7.

Policy 7140: Architectural And Engineering Services

Status: DRAFT - Keep

Original Adopted Date: 10/01/1996 **| Last Revised Date:** 10/01/2019

The Governing Board desires to provide school facilities that support the educational program and meet all applicable safety and design standards. When required by law, the Board shall employ or contract with a licensed and certified architect and/or structural engineer to design and supervise the construction of district schools and other facilities.

The architect and/or structural engineer shall be responsible for preparing all construction plans, specifications, and estimates and for the observation of the work of construction. (Education Code 17302)

To ensure compliance with state design and safety standards, preliminary and final plans for any state-funded school facility project, including Board-approved educational specifications for school design when necessary, shall be submitted to the California Department of Education and the Department of General Services, Division of the State Architect. (Education Code 17267; 5 CCR 14030-14032)

The Superintendent or designee shall devise a competitive process for the selection of architects, structural engineers, and other design professionals that is based on demonstrated competence and on the professional qualifications necessary for the satisfactory performance of the services required. For each project, the Superintendent or designee shall recommend architectural and engineering firms to the Board for approval. The Board shall pay fair and reasonable amounts warranted by the provider's qualifications and competence. The Board need not select the lowest responsible bidder.

Regulation 7140: Architectural And Engineering Services

Status: DRAFT - Keep

Original Adopted Date: 02/01/1996 **| Last Revised Date:** 09/01/2023

Contractors for any private architectural, landscape architectural, engineering, environmental, land surveying or construction project management services shall be selected, at fair and reasonable prices, on the basis of demonstrated competence and professional qualifications necessary for the satisfactory performance of the services required. (Government Code 4526)

The Superintendent or designee shall ensure that the selection process for projects receiving state funding: (Government Code 4526)

1. Assures maximum participation by small business firms as defined pursuant to Government Code 14837

2. Prohibits practices which might result in unlawful activity such as rebates, kickbacks, or other unlawful consideration

3. Prohibits district employees from participating in the selection process when they have a relationship with a person or business entity seeking a contract which would subject the employee to the prohibition of Government Code 87100

The selection process may also include: (Government Code 4527)

1. Evaluation of current statements of qualifications and performance data on file with the district and evaluation of statements that may be submitted by other firms regarding the proposed project

2. Discussion with at least three firms regarding anticipated concepts and the relative utility of alternative approaches for furnishing the required services

3. Selection, in order of preference, of at least three firms deemed to be the most highly qualified to provide the required services in accordance with established district criteria

The district shall negotiate a contract with the best qualified firm at compensation determined by the district to be fair and reasonable. If the district is unable to negotiate a contract with the most qualified firm, the district shall negotiate a contract with the second most qualified firm and, if unsuccessful, with the third most qualified firm. If the district is unable to negotiate a satisfactory contract with any of the selected firms, the district shall select additional firms in order of their competence and qualification and continue negotiations until an agreement is reached. (Government Code 4528)

The above procedures shall not apply if the Superintendent or designee determines that the services needed are more of a technical nature and involve little professional judgment and that requiring bids would be in the public interest. (Government Code 4529)

Contracts shall specify that all plans, including, but not limited to, record drawings, specifications, and estimates prepared by the architect or structural engineer shall become the property of the district for the purpose of repair, maintenance, renovation, modernization, or other purposes, but only as they relate to the project for which the architect or structural engineer was retained. The contract shall also specify terms and conditions for reuse within the district of any plans prepared by the architect or structural engineer. (Education Code 17316)

A design-build contract may be awarded to a single entity for both design and construction of any school facility if the contract is in excess of $1,000,000, or an alternative design-build contract may be awarded if the contract is in excess of $5,000,000, as specified in Administrative Regulation 3311.3 - Design-Build Contracts. (Education Code 17250.20, 17250.62)

Policy 7150: Site Selection And Development

Status: DRAFT - Keep

Original Adopted Date: 02/01/1999 **| Last Revised Date:** 09/01/2022

The Governing Board believes that a school site should serve the district's educational needs in accordance with the district's master plan, as well as show potential for contributing to other community needs.

The Board recognizes the importance of community input in the site selection process. To this end, the Board will solicit community input whenever a school site is to be selected and shall provide public notice and hold public hearings in accordance with law.

The Superintendent or designee shall establish a site selection process which complies with law and ensures that the best possible sites are acquired and developed in a cost-effective manner.

Before acquiring property for a new school or an addition to an existing school site, the Board, at a public hearing, shall either evaluate the property using state site selection standards specified in 5 CCR 14010 or, if a district advisory committee was appointed to evaluate the property, receive the committee's report of findings based on those standards. (Education Code 17211, 17251)

Environmental Impact Investigation for the Site Selection Process

The Superintendent or designee shall determine whether any proposed development project is subject to the requirements of the California Environmental Quality Act (CEQA) and shall ensure compliance with this Act, including any web site posting requirements. When evaluating district projects, the CEQA guidelines shall be used.

Environmental review documents, including a draft environmental impact report, environmental impact report, negative declaration or mitigated negative declaration, and public notice of the preparation and availability of such documents, shall be posted on the district's web site. (Public Resources Code 21082.1, 21092, 21092.2)

Agricultural Land

If the proposed site is in an area designated in a city, county, or city and county general plan for agricultural use and zoned for agricultural production, the Board shall determine all of the following: (Education Code 17215.5)

1. That the district has notified and consulted with the city, county, or city and county within which the prospective site is to be located

2. That the Board has evaluated the final site selection based on all factors affecting the public interest and not limited to selection on the basis of the cost of the land

3. That the district shall attempt to minimize any public health and safety issues resulting from the neighboring agricultural uses that may affect students and employees at the site

Regulation 7150: Site Selection And Development

Status: DRAFT - Keep

Original Adopted Date: 11/01/2000 **| Last Revised Date:** 09/01/2022

As part of the district's site selection process, the Superintendent or designee shall:

1. Meet with appropriate local government recreation and park authorities to review all possible methods of coordinating the planning, design, and construction of new school facilities and school sites or major additions to existing school facilities and recreation and park facilities in the community. (Education Code 35275)

2. Notify the appropriate local planning agency in writing and request its report and recommendations regarding the proposed site or proposed addition's conformity with the adopted general plan. (Government Code 65402; Public Resources Code 21151.2)

3. Have the site investigated by competent personnel with regard to population trends, transportation, water supply, waste disposal facilities, utilities, traffic hazards, surface drainage conditions, and other factors affecting initial and operating costs. This investigation shall include geological and soil engineering studies to preclude locating the school on terrain that has the potential for earthquake or other geologic hazard damage as specified in Government Code 65302. (Education Code 17212-17212.5)

4. Make a written request for information necessary or useful to assess and determine the safety of a proposed school site, or an addition to an existing school site, from a person, corporation, public utility, locally publicly owned utility, or governmental agency regarding pipelines, electric transmission and distribution lines, railroads, and storage tanks in accordance with law. (Education Code 17212.2, 17251)

5. Ensure that the site meets state standards for school site selection as specified in 5 CCR 14010-14012.

6. Ensure compliance with the California Environmental Quality Act (CEQA) as required by law, including posting required notices to the district web site. (Public Resources Code 21000-21177)

7. Notify the California Department of Education in writing before acquiring title or leasing the site if the proposed site is within two miles of the air line of an airport runway or proposed runway. (Education Code 17215)

8. Conduct an air quality analysis pursuant to Health and Safety Code 44360 and Education Code 17213 if the proposed site is within 500 feet of the edge of the closest traffic lane of a freeway or other busy traffic corridor and determine that the air quality at the proposed site is such that neither short-term nor long-term exposure poses significant health risks to students. (Education Code 17213)

In the selection and development of projects funded pursuant to the School Facilities Program of 1998 (Proposition 1A) as contained in Education Code 17070.10-17077.10, the Superintendent or designee shall:

1. Determine whether the proposed site is free of toxic contamination by ensuring that a Phase I environmental assessment and/or preliminary endangerment assessment is conducted as required by law (Education Code 17213.1)

   The Superintendent or designee shall ensure that the preliminary endangerment assessment is made available for public review and comment in accordance with Education Code 17213.1.

2. Submit an annual summary report of expenditures to the State Allocation Board in accordance with law (Education Code 17076.10)

3. Include in the plans a hard-wired connection to a public switched telephone network or utilization of wireless technology (Education Code 17077.10)

4. Establish a participation goal of at least three percent, per year, of the overall dollar amount expended each year by the district for disabled veteran business enterprises (Education Code 17076.11)

Policy 7160: Charter School Facilities

Status: DRAFT - Keep

Original Adopted Date: 07/01/2008 **| Last Revised Date:** 03/01/2012

The Governing Board believes that all students, including those attending charter schools, should have access to adequate facilities that are safe and support student learning.

Facilities to be used by a charter school shall be specified in the school's charter pursuant to Education Code 47605 and also may be addressed in a written memorandum of understanding between the district and charter school.

As applicable, charter school facilities shall comply with the California Building Standards Code adopted by the local building enforcement agency pursuant to 24 CCR 101 et seq. or the Field Act pursuant to Education Code 17280-17317 and 17365-17374. (Education Code 47610, 47610.5)

Upon request, the Board shall make facilities available to an eligible charter school operating in the district, as defined in law and administrative regulation. In accordance with law, such facilities shall be contiguous, furnished, equipped, and sufficient to accommodate all the charter school's in-district students in conditions reasonably equivalent to those in which the students would be accommodated if they were attending other district schools. The Board shall make reasonable efforts to provide the charter school with facilities near where the charter school wishes to locate and shall not move the charter school unnecessarily. If the district's preliminary proposal or final notification of space does not accommodate the charter school at a single school site, the Board shall make a specific finding that the charter school could not be accommodated at a single site and shall adopt a written statement of reasons explaining the finding. (Education Code 47614; 5 CCR 11969.1-11969.10)

The district shall not be required to use unrestricted general fund revenues to rent, buy, or lease facilities for charter schools. (Education Code 47614)

The Superintendent or designee may assist eligible charter schools in applying for state facilities funding for new construction or rehabilitation of facilities pursuant to Education Code 17078.52-17078.66 and/or for rent and lease expenditures pursuant to Education Code 47614.5.

Regulation 7160: Charter School Facilities

Status: DRAFT - Keep

Original Adopted Date: 07/01/2004 **| Last Revised Date:** 03/01/2012

Definitions

Average daily classroom attendance (ADA) or classroom ADA is ADA for classroom-based apportionment as used in Education Code 47612.5. (5 CCR 11969.2)

In-district classroom ADA is classroom ADA attributable to in-district students. (5 CCR 11969.2)

In-district students are those charter school students who are entitled to attend a district school. Students eligible to attend district schools based on an interdistrict attendance agreement or parent/guardian employment shall be considered students of the district where they reside. (5 CCR 11969.2)

Operating in the district means the charter school is either currently providing public education to in-district students or has identified at least 80 in-district students who are meaningfully interested in enrolling in the charter school for the following year, regardless of whether the district is or is proposed to be the chartering entity and whether or not the charter school has a facility inside the district's boundaries. (Education Code 47614; 5 CCR 11969.2)

Reasonably equivalent facilities are facilities that are sufficient to accommodate charter school students in conditions reasonably equivalent to those in which the students would be accommodated if they were attending other public schools of the district. Reasonable equivalency shall be determined based on a comparison group of district schools with similar grade levels, the capacity of facilities, and the condition of facilities, as described below in the section "Submission and Review of Facilities Requests." (5 CCR 11969.2, 11969.3)

Furnished and equipped means the facilities include reasonably equivalent furnishing necessary to conduct classroom instruction and to provide for student services that directly support classroom instruction as found in the comparison group schools established under 5 CCR 11969.3(a) and that the facilities have equipment that is reasonably equivalent to the comparison group schools. Equipment means property that does not lose its identity when removed from its location and is not changed materially or consumed immediately (e.g., within one year). Equipment has relatively permanent value and its purchase increases the total value of the district's physical properties. Examples include furniture, vehicles, machinery, motion picture film, videotape, furnishings that are not an integral part of the building or building system, and certain intangible assets such as major software programs. Furnishings and equipment acquired for a school site with nondistrict resources are excluded when determining reasonable equivalence. (5 CCR 11969.2)

Contiguous facilities are those facilities contained on a school site or immediately adjacent to a school site. If the in-district classroom ADA of the charter school cannot be accommodated on any single school site, contiguous facilities also include facilities located at more than one site, provided that the district minimizes the number of sites assigned and considers student safety. If none of the district-operated schools has grade levels similar to the charter school, then a contiguous facility shall be an existing facility that is most consistent with the needs of students in the grade levels served at the charter school. (5 CCR 11969.2, 11969.3)

Conversion charter school is a charter school established through the conversion of an existing public school. (Education Code 47605)

Eligibility for District Facilities

A charter school shall be operating in the district, as defined above, before it submits a request for facilities. A new or proposed charter school operating in the district is eligible to request facilities for a particular fiscal year only if it submits its charter petition before November 1 of the fiscal year preceding the year for which facilities are requested. A new charter school is entitled to be allocated and/or provided access to facilities only if it receives approval of its charter petition before March 15 of the fiscal year preceding the year for which facilities are requested. (5 CCR 11969.9)

Submission and Review of Facilities Requests

The following procedures shall apply to a charter school's request for facilities:

1. On or before November 1, a charter school shall submit a written request for facilities to the Superintendent or designee for the next fiscal year. The request shall include: (Education Code 47614; 5 CCR 11969.2, 11969.9)

    a. Reasonable projections of in-district and total ADA and in-district and total classroom ADA, based on ADA claimed for apportionment, if any, in the fiscal year prior to the fiscal year in which the facilities request is made, adjusted for expected changes in enrollment in the forthcoming fiscal year

        Projections of in-district ADA, in-district classroom ADA, and the number of in-district students shall be broken down by grade level and by the district school that the students would otherwise attend.

        Nonclassroom ADA may be included in the ADA calculation only to the extent of instructional time that students generating nonclassroom ADA are actually in the classroom under the direct supervision and control of a charter school employee, and only if the district and the charter school agree upon the time(s) that the facilities devoted to students generating nonclassroom-based ADA will be used.

    b. A description of the methodology for the projections

    c. If relevant (i.e., when a charter school is not yet open or to the extent an operating charter school projects a substantial increase in ADA), documentation of the number of in-district students meaningfully interested in attending the charter school that is sufficient for the district to determine the reasonableness of the projection, but that need not be verifiable for precise arithmetical accuracy

    d. The charter school's operational calendar

    e. Information regarding the district's school site and/or general geographic area in which the charter school wishes to locate

    f. Information on the charter school's educational program that is relevant to assignment of facilities, if any

        In submitting a facilities request, the charter school shall use a form specified by the district. The charter school shall distribute a reasonable number of copies of the written request to parents/guardians, school staff, and/or other interested parties, or shall otherwise make the request available for review.

2. On or before December 1, the district shall review the charter school's projections of in-district and total ADA and in-district and total classroom ADA, express any objections in writing, and state the projections the district considers reasonable. If the district does not express any objections in writing and state its own projections by the deadline, the charter school's projections are no longer subject to challenge and the district shall base its offer of facilities on those projections. (5 CCR 11969.9)

3. On or before January 2, the charter school shall respond to any objections expressed by the district and to the district's attendance projections provided pursuant to item #2 above. The charter school shall reaffirm or modify its previous projections as necessary to respond to the information received from the district pursuant to item #2. If the charter school does not respond by January 2, the district's projections provided pursuant to item #2 are no longer subject to challenge and the district shall base its offer of facilities on those projections. (5 CCR 11969.9)

4. The district shall determine what facilities it will offer to the charter school, ensuring that the facilities are reasonably equivalent to other district facilities. (5 CCR 11969.3)

    If a charter school was established through the conversion of an existing public school pursuant to Education Code 47605(a)(2), the condition of the facility previously used by the district shall be considered to be reasonably equivalent for the first year the charter school uses the facility. (5 CCR 11969.3)

    For any other charter school, reasonable equivalency shall be based on the following criteria as detailed in 5 CCR 11969.3: (5 CCR 11969.3)

    a. A comparison group of district schools with similar grade levels

        If a charter school's grade-level configuration is different from the configuration of the district's schools, the district shall not pay for the modification of a school site to accommodate the charter school's configuration

b. Capacity, including equivalency of the ratio of teaching stations (classrooms), specialized classroom space, and nonteaching space to ADA

c. Condition of facilities, as determined by assessing such factors as age of facilities (from last modernization), quality of materials, and state of maintenance, including:

   i. School site size

   ii. Condition of interior and exterior surfaces

   iii. Condition of mechanical, plumbing, electrical, and fire alarm systems, including conformity to applicable codes

   iv. Availability and condition of technology infrastructure

   v. Condition of the facility as a safe learning environment, including, but not limited to, the suitability of lighting, noise mitigation, and size for intended use

   vi. Condition of the facility's furnishing and equipment

   vii. Condition of athletic fields and/or play area space

5. On or before February 1, the district shall prepare a written preliminary proposal regarding the space to be allocated to the charter school and/or to which the charter school is to be provided access. In evaluating and accommodating the charter school's request, the charter school's in-district students shall be given the same consideration as students in the district's schools, subject to the requirement that the facilities provided must be contiguous. At a minimum, the preliminary proposal shall include: (5 CCR 11969.2, 11969.3, 11969.9)

   a. The projections of in-district classroom ADA on which the proposal is based

   b. The specific location(s) of the space

   c. All conditions pertaining to the space, including a draft of any proposed agreement pertaining to the charter school's use of the space

   d. The projected pro rata share amount and a description of the methodology used to determine that amount

   e. A list and description of the comparison group schools used in developing the district's preliminary proposal and a description of the difference between the preliminary proposal and the charter school's request submitted pursuant to item #1 above

6. On or before March 1, the charter school shall respond in writing to the district's preliminary proposal made pursuant to item #5 above and shall express any concerns, including differences between the preliminary proposal and the charter school's request, and/or make a counter proposal. (5 CCR 11969.9)

7. On or before April 1, having reviewed any concerns and/or counter proposals made by the charter school pursuant to item #6 above, the district shall submit, in writing, a final notification of the space to be offered to the charter school. The notification shall include a response to the charter school's concerns and/or counter proposal, if any. The final notification shall specifically identify: (5 CCR 11969.9)

   a. The teaching stations, specialized classroom spaces, and nonteaching station spaces offered for the exclusive use of the charter school and the teaching stations, specialized classroom spaces, and nonteaching spaces to which the charter school is to be provided access on a shared basis with district-operated programs

   b. Arrangements for sharing any shared space

   c. The assumptions of in-district classroom ADA for the charter school upon which the allocation is based, and if the assumptions are different than those submitted by the charter school pursuant to item #3

above, a written explanation of the reasons for the differences

d. The specific location(s) of the space

e. All conditions pertaining to the space

f. The pro rata share amount

g. The payment schedule for the pro rata amount, which shall take into account the timing of revenues from the state and from local property taxes

8. By May 1 or within 30 days after the district notification pursuant to item #7 above, whichever is later, the charter school shall notify the district in writing whether or not it intends to occupy the offered space. (5 CCR 11969.9)

   The charter school's notification may be withdrawn or modified before this deadline. After the deadline, if the charter school has notified the district that it intends to occupy the offered space, the charter school is committed to paying the pro rata share amount as identified. If the charter school does not notify the district by this deadline that it intends to occupy the offered space, then the space shall remain available for district programs and the charter school shall not be entitled to use facilities of the district in the following fiscal year. (5 CCR 11969.9)

Availability of Facilities

The space allocated to the charter school by the district, or the space to which the district provides the charter school access, shall be furnished, equipped, and available for occupancy at least 10 working days prior to the first day of instruction of the charter school. For good cause, the district may reduce the period of availability to a period of not less than seven working days. (5 CCR 11969.9)

Space allocated for use by the charter school, subject to sharing arrangements, shall be available for the charter school's entire school year regardless of the district's instructional year or class schedule. (5 CCR 11969.5)

For a conversion charter school, the school site identified in the school's charter shall be made available to the charter school for its second year of operation and thereafter upon annual request for facilities from the district pursuant to this administrative regulation. If, as a result of a material revision of the charter, either the location of the conversion charter school is changed or the district approves the operation of additional sites by the school, then the school may request, and the district shall provide, facilities in accordance with law, the revised charter, and this administrative regulation. (5 CCR 11969.3)

Written Agreement Regarding Facilities Operations

The district and charter school shall negotiate an agreement regarding the use of and payment for the space which contains, at a minimum, the information included in the district's final notification pursuant to item #7 in the section "Submission and Review of Facilities Requests" above. (5 CCR 11969.9)

A reciprocal hold-harmless/indemnification provision shall be established between the district and the charter school. The charter school shall maintain general liability insurance naming the district as an additional insured in order to indemnify the district for any damage and losses. The district shall maintain first party property insurance for the facilities allocated to the charter school. (5 CCR 11969.9)

Responsibilities for facility maintenance and improvements shall be as follows: (5 CCR 11969.4, 11969.9)

1. The district shall be responsible for:

   a. Modifications necessary to maintain the facility in accordance with applicable building codes pursuant to Education Code 47610 or 47610.5

   b. Replacement of district-provided furnishings and equipment in accordance with district schedules and practices

   c. Projects eligible to be included in the district's deferred maintenance plan

2. The charter school shall be responsible for the ongoing operations and maintenance of facilities, furnishings, and equipment.

The charter school shall not sublet or use the facilities for purposes other than those that are consistent with district policies and practices without permission of the Superintendent or designee. (5 CCR 11969.5)

Facilities, furnishings, and equipment provided to a charter school by the district shall remain the property of the district. (5 CCR 11969.4)

The district may charge the charter school, in accordance with 5 CCR 11969.7, for a pro rata share of the district's facilities costs for activities related to keeping the physical plant open, comfortable, and safe for use and keeping the grounds, buildings, and equipment in working condition. Such activities include maintaining safety in buildings, on grounds, and in the vicinity of schools; plant maintenance and operations; facilities acquisition and construction; and facilities rents and leases. (Education Code 47614; 5 CCR 11969.2)

The charter school shall report actual in-district and total ADA and classroom ADA to the district every time that the charter school reports ADA for apportionment purposes. If the charter school generates less ADA than projected, the following provisions shall apply to any overallocated space: (Education Code 47614; 5 CCR 11969.3, 11969.8, 11969.9)

1. The charter school shall reimburse the district for the overallocated space as set forth in 5 CCR 11969.8, unless the district agrees, in response to the notification by the charter school of overallocation, to exercise its sole discretion to use the overallocated space for district programs.

2. In the case of a conversion charter school, the overallocated space shall not be subject to reimbursement under the following circumstances:

    a. The school notifies the district, by February 1 of its first year of operation, that it will have overallocated space in the following fiscal year. In such cases, the district may occupy all or a portion of the space identified. A charter school that wants to recover space surrendered to the district shall apply to the district and the district shall evaluate the application in accordance with law and this administrative regulation.

    b. Based on the State Board of Education's waiver of attendance area requirements in Education Code 47605(d)(1), the district makes a decision, between November 1 and June 30, to change the school's attendance area in the forthcoming fiscal year.

Mediation of Disputes

If a dispute arises between the district and a charter school pursuant to Education Code 47614 or 5 CCR 11969.1-11969.10, both parties may agree to settle the dispute using mediation, in accordance with the following procedures: (5 CCR 11969.10)

1. If both parties agree to mediation, the initiating party shall select a mediator, subject to the agreement of the responding party. If the parties are unable to agree on a mediator, the initiating party shall request the CDE to appoint a mediator within seven days to assist the parties in resolving the dispute. The mediator shall meet with the parties as quickly as possible.

2. Within seven days of the selection or appointment of the mediator, the party initiating the dispute resolution process shall send a notice to the responding party and the mediator. The notice shall include the following information:

    a. Name, address, and phone numbers of designated representatives of the parties

    b. A statement of the facts of the dispute, including information regarding the parties' attempts to resolve the dispute

    c. The specific sections of the statute or regulations that are in dispute

    d. The specific resolution sought by the initiating party

3. Within seven days of receiving the notice, the responding party shall file a written response.

4. The mediation shall be entirely informal in nature. Each party shall share copies of exhibits upon which its case is based with the other party. The relevant facts shall be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses.

5. Any agreement reached by the parties shall be in writing and shall not set a precedent for any other case.

6. The mediation shall be terminated if the district and the charter school fail to meet within the specified timelines, have not reached an agreement within 15 days from the first meeting held by the mediator, or if the mediator declares an impasse.

7. The costs of the mediation shall be divided equally between the parties and paid promptly.

Policy 7210: Facilities Financing

Status: DRAFT - Keep

Original Adopted Date: 02/01/1997 **| Last Revised Date:** 03/01/2021

The Governing Board recognizes its responsibility to identify the most cost-efficient and effective method of financing when purchasing or modifying district facilities. Financing may be necessary when it is determined that school facilities must be built or expanded to accommodate an increased or projected increased enrollment or when safety considerations and educational program improvements require the replacement, reconstruction, or modernization of existing facilities.

The Superintendent or designee shall research funding alternatives and recommend to the Board the method of funding that will best serve district needs as identified in the district's master plan for school facilities.

Funding alternatives may include, but are not be limited to:

1. Levying developer fees pursuant to Education Code 17620 and Government Code 65995-65998

2. Forming a community facilities district pursuant to Government Code 53311-53368.3, the Mello-Roos Community Facilities Act

3. Forming a school facilities improvement district pursuant to Education Code 15300-15425

4. Issuing voter-approved general obligation bonds

5. Imposing a parcel tax pursuant to Government Code 50079

6. Using lease revenues for capital outlay purposes from surplus school property

7. Applying for state facilities funding pursuant to the Leroy F. Greene School Facilities Act (Education Code 17070.10-17079.30)

   The district shall provide reports, maintain records, and provide for audits of the expenditure of state facilities funds as required by law and AR 3460 - Financial Reports and Accountability. (Education Code 41024)

As applicable, the district shall comply with BP 3470 - Debt Issuance and Management.

Policy 7211: Developer Fees

Status: DRAFT - Keep

Original Adopted Date: 02/01/1999 **| Last Revised Date:** 06/01/2021

In order to finance the construction or reconstruction of school facilities needed to accommodate increased student enrollment resulting from new development, the Governing Board may establish, levy, and collect developer fees on residential, commercial, and industrial construction within the district, subject to restrictions specified by law.

Level 1 Fees: Residential, Commercial and Industrial Construction

Before taking action to establish, increase, or impose Level 1 developer fees, the Board shall conduct a fee justification study which: (Government Code 66001)

1. Identifies the purpose of the fee and the use to which the fee will be put
2. Determines a reasonable relationship between the fee's use and the type of development project for which the fee is imposed
3. Determines a reasonable relationship between the need for the facility and the type of development project for which the fee is imposed
4. Determines a reasonable relationship between the amount of the fee and the cost of the facility or portion of the facility attributed to the development for which the fee is imposed

Before levying developer fees or prior to increasing an existing fee, the Board shall hold a public hearing. The Superintendent or designee shall mail notice of the time and place of the meeting at which a public hearing shall occur, including a general explanation of the matter to be considered and a statement that the required data are available, at least 14 days prior to the meeting to any interested party who has requested such information. Any written request for mailed notices shall be valid for one year from the date on which it is filed unless a renewal request is filed. Renewal requests for mailed notices shall be filed on or before April 1 of each year. The district may charge a fee reasonably related to the cost of providing these materials. (Government Code 66016)

Information on the anticipated amount of fees, other available funds and funding sources, and the estimated cost of planning, land acquisition, and school construction shall be made available to the public at least 10 days before the hearing. (Government Code 66016)

At the hearing, the Board shall adopt a resolution for the levying of the developer fees. (Government Code 66016)

The resolution shall set forth:

1. The purpose of the fee, the use to which the fee is to be put, and the public improvement(s) that the fee will be used to finance (Government Code 66001, 66006)
2. The Board's findings of reasonable relationship which justify the fees pursuant to Government Code 66001
3. If the district requires payment of the fee at a time earlier than the date of final inspection or the issuance of a certificate of occupancy, the district's determination of either of the following conditions which allow collection of the fees at the time when building permits are issued: (Government Code 66007)
    a. That the fees are to reimburse the district for previous expenditures
    b. That the fees shall be collected for public improvements or facilities for which an account has been established, funds have been appropriated, and the district has adopted a proposed construction schedule or plan

In the case of any commercial or industrial development, the Board shall make findings on either an individual project basis or on the basis of categories of commercial or industrial development. Those categories may include, but are not limited to, the following uses: office, retail, transportation, communications and utilities, light industrial, heavy industrial, research and development, and warehouse. The Board shall also conduct a study to determine the impact of the increased number of employees anticipated to result from the commercial or industrial development upon the cost of providing school facilities within the district. (Education Code 17621)

Level 2 Fees: Residential Construction

In order to impose Level 2 residential construction fees within the limits of Government Code 65995.5, the Board shall, in addition to fulfilling the requirements above for Level 1 fees, undertake the following: (Government Code 65995.5)

1. Make a timely application to the State Allocation Board (SAB) for new construction funding and be determined to be eligible by SAB

2. Conduct and adopt a school facility needs analysis pursuant to Government Code 65995.6

3. Satisfy at least two of the requirements set forth in Government Code 65995.5(b)(3)(A-D)

At least 45 days prior to completion of the school facility needs analysis, the Board shall notify and provide copies of the analysis to the planning commission or agency of the city or county with land use jurisdiction within the district. Upon request of either party, the Board and city or county shall meet within 15 days following notification. (Government Code 65352.2)

The Board shall adopt the school facility needs analysis by resolution at a public hearing. (Government Code 65995.6)

This analysis shall not be adopted until the analysis, in its final form, has been made available to the public for a period of not less than 30 days. Prior to its adoption, the public shall have the opportunity to review and comment on the analysis and the Board shall respond to written comments it receives regarding the analysis. (Government Code 65995.6)

Not less than 30 days prior to the hearing, notice of the time and place of the hearing, including the location and procedure for viewing or requesting a copy of the proposed analysis, shall be published in at least one newspaper of general circulation within the jurisdiction of the district. If there is no paper of general circulation, the notice shall be posted in at least three conspicuous places within the district's jurisdiction not less than 30 days prior to the hearing. (Government Code 65995.6)

In addition, the Superintendent or designee shall mail a copy of the needs analysis not less than 30 days prior to the hearing to any person who has made a written request if the written request was made 45 days prior to the hearing. The district may charge a fee reasonably related to the cost of providing these materials. (Government Code 65995.6)

During the period of public review, the analysis shall be provided to the local agency responsible for land use planning for its review and comment. (Government Code 65995.6)

The school facility needs analysis may be revised at any time. The revision is subject to the same conditions and requirements applicable to the adoption of the analysis. The existing school building capacity shall be recalculated as part of any revision to the needs analysis. (Government Code 65995.6)

The fees authorized by Government Code 65995.6 and 65995.7 shall be adopted by resolution as part of the adoption or revision of the school facilities needs analysis. The fees shall take effect immediately upon adoption of the resolution and may not be effective for more than one year. (Government Code 65995.6)

Level 3 Fees: Residential Construction

When Level 3 fees are authorized by law and the district qualifies for Level 2 fees pursuant to Government Code 65995.5, the Board may assess a fee on residential construction pursuant to Government Code 65995.7.

The notice and hearing requirements, resolution requirement, and term of effectiveness for Level 3 fees shall be the same as the requirements for Level 2 fees as specified above. (Government Code 65995.7)

Use of Fees

The Board shall review information provided by the Superintendent or designee pursuant to Government Code 66006 regarding each account or fund into which developer fees have been deposited, at the first regularly

scheduled public Board meeting which occurs 15 days after the information is made available to the public. Fifteen-day prior notice of this meeting shall be mailed to any parties filing a written request pursuant to Government Code 66006. (Government Code 66006)

In addition to discharging its public disclosure duties regarding the levying of developer fees, the Board shall, for the fifth fiscal year after the first deposit into the account or fund and every five years thereafter, make all of the following findings with respect to the portion of the account or fund that remains unexpended, whether committed or uncommitted: (Government Code 66001)

1. Identify the purpose to which the fee is to be put

2. Demonstrate a reasonable relationship between the fee and the purpose for which it is charged

3. Identify all sources and amounts of funding anticipated to complete financing in incomplete improvements originally identified

4. Designate the approximate dates on which the funding referred to in item #3 is expected to be deposited into the appropriate account or fund

---

Regulation 7211: Developer Fees

Status: DRAFT - Keep

Original Adopted Date: 02/01/1999 **| Last Revised Date:** 06/01/2021

The district shall send a copy of any Governing Board resolution adopting or increasing Level 1, 2, or 3 developer fees to the city and county, accompanied by all relevant supporting documentation and a map indicating the boundaries of the area subject to the fee. (Education Code 17621)

In cooperation with local governmental agencies issuing building permits, the Superintendent or designee shall establish a means by which all of the following shall be accomplished:

1. The project applicant shall receive a written statement of the amount of the fees and notification that the 90-day approval period during which the applicant may protest has begun. (Government Code 66020)

2. The Superintendent or designee shall receive and retain acknowledgment that the above notification was received.

3. Before a permit is issued and upon the payment of the applicable fee or requirement, the Board shall immediately certify that the fee has been paid or that the district has determined that the fee does not apply to the development project. (Education Code 17620)

Developer fees shall be deposited, invested, accounted for, and expended pursuant to Government Code 66006. Developer fees shall be deposited in a separate capital facilities account, except for temporary investments allowed by law, and shall be used only for the purpose for which they were collected. Interest income earned by the capital facilities account shall also be deposited in that account and used only for the purpose for which the fee was originally collected. (Government Code 66006)

For each separate account so established, the Superintendent or designee shall, within 180 days after the last day of each fiscal year, make available to the public and the Board the following information for the fiscal year: (Government Code 66006)

1. A brief description of the type of fee in the account or fund

2. The amount of the fee

3. The beginning and ending balance of the account or fund

4. The amount of the fees collected and the interest earned

5. An identification of each public improvement on which fees were expended and the amount of the expenditures on each improvement, including the total percentage of the cost of the public improvement that was funded with fees

6. An identification of an approximate date by which the construction of the public improvement will commence if the district determines that sufficient funds have been collected to complete financing on an incomplete public improvement

7. A description of each interfund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned fees will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid, and the rate of interest that the account or fund will receive on the loan

8. The amount of refunds made pursuant to Government Code 66001(e) and any allocations made pursuant to Government Code 66001(f)

When sufficient funds have been collected to complete the financing of public improvements but such improvements remain incomplete, the district shall, within 180 days of the date that a determination of sufficient funding was made, either identify an approximate date by which construction will begin or refund the unexpended revenues in accordance with Government Code 66001. (Government Code 66001)

Appeals Process for Protests by Developers

The Superintendent or designee shall establish an appeals process for the handling of protests by developers. (Education Code 17621)

Developers of residential, commercial, and industrial projects who claim that the developer fee has been inappropriately levied shall use the following procedures: (Government Code 66020)

1. The developer shall tender any required payment in full or provide satisfactory evidence of arrangements to pay the fee when due or ensure performance of the conditions necessary to meet the requirements of the imposition.

2. The developer shall serve written notice to the Board which shall include:

    a. A statement that the required payment is tendered or will be tendered when due, or that any conditions which have been imposed are provided for or satisfied, under protest

    b. A statement informing the Board of the factual elements of the dispute and the legal theory forming the basis for the protest

3. The protest shall be filed at the time of approval or conditional approval of the development or within 90 days after the date of the imposition of the fees.

At the time of the imposition of the fee, the Superintendent or designee shall provide each project applicant written notice that the 90-day period in which the applicant may initiate a protest has begun. The developer may file an action to attack, review, set aside, void, or annul the imposition of the fees imposed on the development project within 180 days of delivery of the notice. (Government Code 66020)

Policy 7212: Mello-Roos Districts

Status: DRAFT - Keep

Original Adopted Date: 02/01/1999 **| Last Revised Date:** 07/01/2017

The Governing Board desires to provide adequate facilities in order to enhance student learning and to help the district achieve its vision for educating district students. Toward that end, the Board may order the formation of a community facilities district (CFD) (Mello-Roos district) for the acquisition or improvement of school facilities when, in the Board's judgment, it is in the best interest of district students and the community. The issuance of debt through the CFD shall be consistent with law and the district's debt management policy.

Proceedings to establish a CFD may be instituted at the Board's discretion. In addition, such proceedings shall be instituted when a written request to establish a CFD has been filed by any two Board members, or a petition has been submitted by at least 10 percent of registered voters residing within the territory of the proposed CFD or by the owners of at least 10 percent of the area of land to be included within the proposed CFD. (Government Code 53318)

Prior to initiating proceedings to form a CFD, the Board shall consider and adopt local goals and policies that include the following elements: (Government Code 53312.7)

1. The priority that various facilities shall have for financing through the Mello-Roos Community Facilities Act, including public facilities to be owned and operated by other public agencies and services to be provided by other public agencies

2. The credit quality to be required of bond issues and criteria to be used in evaluating the credit quality

3. Steps by which prospective property purchasers will be fully informed about their related taxpaying obligations

4. Criteria for evaluating the equity of tax allocation formulas, including desirable and maximum amounts of special tax to be levied against any parcel

5. Definitions, standards, and assumptions to be used in appraisals required by Government Code 53345.8

6. To the extent authorized by law, priority for students residing within the CFD to attend schools financed in whole or in part by the CFD, in a manner that reflects the proportion of each school's financing provided through the CFD

Within 45 days of receiving a written request or petition to establish a CFD, the Board shall determine a fee to be paid by the requesters or petitioners which shall be sufficient to compensate the district for the costs incurred in conducting proceedings to create the CFD. Proceedings for establishing the CFD shall only be initiated after payment of the fee. (Government Code 53318)

Upon Board action to form a CFD, or within 90 days after the receipt of a petition or request to form a CFD and the payment of any applicable fee, the Board shall adopt a resolution of intention and conduct a hearing in accordance with law. The resolution shall fix the time and place for holding a public hearing on the establishment of the CFD, which shall be within 30-60 days after the adoption of the resolution. Notice of the hearing shall be given by publishing the text or a summary of the resolution of intention once, in a newspaper of general circulation published in the area of the proposed CFD, at least seven days before the hearing, and shall include other requirements specified in Government Code 53322. Notice of the hearing may also be sent by first-class mail to each registered voter and to each landowner within the proposed CFD. (Government Code 53320, 53321, 53322, 53322.4)

If, after the hearing, the Board decides to establish a CFD, the Board shall adopt a resolution of formation in accordance with law. (Government Code 53325, 53325.1)

If a special tax is proposed to be levied in the CFD, the Board shall submit the resolution of formation and other information specified in Government Code 53326 to the elections official within three business days after the adoption of the resolution of formation, and the question of levying the special tax shall be submitted to the qualified electors of the proposed CFD in accordance with law. (Government Code 53326)

Upon approval by two-thirds of the voters in the proposed CFD, the tax may be levied in accordance with Government Code 53340. (Government Code 53328)

Whenever the Board deems it necessary for the CFD to incur a bonded indebtedness, it shall follow the procedures specified in Government Code 53345-53365.7, as applicable.

The proceeds of any bonds, notes, or other securities issued pursuant to the Mello-Roos Community Facilities Act shall be deposited or invested in accordance with Government Code 53356.03.

The Superintendent or designee shall, within seven months after the last day of each fiscal year, prominently display the following reports on the district's web site: (Government Code 53343.2)

1. A copy of an annual report for that fiscal year, if requested pursuant to Government Code 53343.1

2. A copy of the report provided to the California Debt and Investment Advisory Commission pursuant to Government Code 53359.5

3. A copy of the report provided to the State Controller's Office pursuant to Government Code 12463.2

Policy 7213: School Facilities Improvement Districts

Status: DRAFT - Keep

Original Adopted Date: 02/01/1999 **| Last Revised Date:** 11/01/2017

The Governing Board desires to provide adequate facilities in order to enhance student learning and to help the district achieve its vision for educating district students.

The Board has determined that it is necessary and in the best interest of the district to form a school facilities improvement district to finance any or all of the improvements set forth in Education Code 15100 and finds that the overall cost of financing the bonds issued would be less than the overall cost of other school financing options available to the district including, but not limited to, issuing bonds pursuant to the Mello-Roos Community Facilities Act. The Board shall define the boundaries of the school facilities improvement district to include any portion of territory within the jurisdiction of the school district, including the option of including the territory of an existing Mello-Roos community facilities district. (Education Code 15301)

The Superintendent or designee shall establish procedures consistent with Education Code 15100-15262 governing the financing of bonds, bond elections, and the issuance and sale of bonds.

Board Resolution of Intention

The Board may pursue the authorization and issuance of bonds by approval of either 66.67 percent majority or 55 percent majority of the voters within the proposed territory of the school facilities improvement district and shall adopt a resolution of intent to form an improvement district. In order to proceed with an election requiring a 55 percent approval of the voters, two-thirds of the Board shall agree to such an election and the district shall comply with the accountability provisions, including the requirements regarding the citizens' oversight committee, required for 55 percent approval set forth in Education Code 15264-15288. (Education Code 15266)

The Board's resolution of intention shall state all of the following: (Education Code 15320)

1. The Board's intention to form the proposed school facilities improvement district
2. The purpose for which the proposed district is to be formed
3. The estimated cost of the school facilities improvement project
4. That any taxes levied for financing general obligation bonds issued to finance the project shall be levied exclusively upon the lands in the proposed school facilities improvement district
5. That a map showing the exterior boundaries of the proposed district is on file with the Board and available for public inspection, and that these boundaries meet the requirements of Education Code 15301
6. The time and place for a Board hearing on the formation of the proposed district
7. That any interested persons, including all persons owning lands in the district or in the proposed school facilities improvement district, may appear and be heard at the above hearing

The Board shall hold the hearing as specified in its resolution and may, at the hearing, adopt a resolution proposing modifications of its above-stated purposes. (Education Code 15322, 15323)

Notice of the hearing shall be given by publishing a copy of the resolution of intention in a newspaper of general circulation pursuant to Government Code 6066, starting at least 14 days before the hearing. No other notice shall be required. (Education Code 15321)

When hearings are concluded, the Board may, by resolution, order the formation of a school facilities improvement district with the boundaries described in the resolution. The resolution shall state the estimated cost of carrying out described purposes and shall number and designate the improvement district as specified in Education Code 15326. (Education Code 15326)

Policy 7214: General Obligation Bonds

Status: DRAFT - Keep

Original Adopted Date: 11/01/2012 **| Last Revised Date:** 06/01/2024

The Governing Board recognizes that school facilities are an essential component of the educational program and that the Board has a responsibility to ensure that the district's facilities needs are met in the most cost-effective manner possible. The Board may direct the Superintendent to explore the possibility of a bond measure, which may include, but is not limited to, conducting community focus groups, surveys, and Board presentations. When the Board determines that it is in the best interest of district students, it may order an election on the question of whether bonds shall be issued to pay for school facilities.

The Board's decision to order a bond election, as well as its determinations regarding the appropriate amount, timing, and structure of the bond issuance, shall be consistent with law and the district's debt management policy.

Before ordering a bond election, the Board shall obtain reasonable and informed projections of assessed valuations that take into consideration projections of assessed property valuations made by the county assessor. (Education Code 15100)

When any project to be funded by bonds will require state matching funds for any phase of the project, the ballot materials for the bond measure shall include a statement as specified in Education Code 15122.5, advising voters that, because the project is subject to approval of state matching funds, passage of the bond measure is not a guarantee that the project will be completed. (Education Code 15122.5)

Bonds Requiring 55 Percent Approval by Local Voters

The Board, by a two-thirds vote and subject to Education Code 15100, may adopt a resolution to incur bonded indebtedness and order an election. Pursuant to the California Constitution, Article 13A, Section 1(b)(3) and Article 16, Section 18(b), a bond election authorized pursuant to Education Code 15266 requires the approval of at least a 55 percent majority of the voters voting in the election. (Education Code 15266)

The bond election may only be ordered at a primary or general election, a statewide special election, or a regularly scheduled local election at which all of the electors of the district are entitled to vote. (Education Code 15266)

Bonded indebtedness incurred by the district pursuant to Education Code 15266 shall be used only for the following purposes: (California Constitution Article 13A, Section 1(b)(3) and 1(b)(3)(A))

1. The construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities

2. The acquisition or lease of real property for school facilities

3. The refunding of any outstanding debt issuance used for the purposes specified in Items #1-2 above

The proposition approved by the voters shall include the following accountability requirements: (California Constitution Article 13A, Section 1(b)(3))

1. Certification that proceeds from the sale of the bonds will be used only for the purposes specified in Items #1-2 above, and not for any other purposes including teacher and administrative salaries and other school operating expenses

2. A list of specific school facilities projects to be funded and certification that the Board has evaluated safety, class size reduction, and information technology needs in developing that list

3. A requirement that the Board conduct an annual, independent performance audit to ensure that the funds have been expended only on the specific projects listed

4. A requirement that the Board conduct an annual, independent financial audit of the proceeds from the sale of the bonds until all of those proceeds have been expended for the school facilities projects

If a district general obligation bond requiring a 55 percent majority is approved by the voters, the Board shall appoint an independent citizens' oversight committee to inform the public concerning the expenditure of bond revenues as

specified in Education Code 15278 and the accompanying administrative regulation. This committee shall be appointed within 60 days of the date that the Board enters the election results in its minutes pursuant to Education Code 15274. (Education Code 15278)

The Superintendent or designee shall ensure that the annual, independent performance and financial audits required pursuant to Items #3-4 above are issued in accordance with the U.S. Comptroller General's Government Auditing Standards and submitted to the citizens' oversight committee at the same time they are submitted to the Superintendent or designee and no later than March 31 of each year. (Education Code 15286)

The Board shall provide the citizens' oversight committee with responses to all findings, recommendations, and concerns addressed in the performance and financial audits within three months of receiving the audits. (Education Code 15280)

The Board may disband the citizens' oversight committee when the committee has completed its review of the final performance and financial audits.

Bonds Requiring 66.67 Percent Approval by Local Voters

The Board may decide to pursue the authorization and issuance of bonds by approval of 66.67 percent majority of the voters pursuant to Education Code 15100 and California Constitution, Article 13A, Section 1(b)(2). If a majority of the Board agrees to such an election, or upon a petition of the majority of the qualified electors residing in the district, the Board shall adopt a resolution ordering an election on the question of whether to incur bonded indebtedness if approved by a 66.67 percent majority of the voters. (Education Code 15100)

The bond election may be ordered to occur on any Tuesday, except a Tuesday that is a state holiday or the day before or after a state holiday, is within 45 days before or after a statewide election unless conducted at the same time as the statewide election, or is an established election date pursuant to Elections Code 1000 or 1500. (Education Code 15101)

Subject to limits specified in Article 13A, Section 1 of the California Constitution, bonds shall be sold to raise money for any of the following purposes: (Education Code 15100)

1. Purchasing school lots
2. Building or purchasing school buildings
3. Making alterations or additions to school building(s) other than as may be necessary for current maintenance, operation, or repairs
4. Repairing, restoring, or rebuilding any school building damaged, injured, or destroyed by fire or other public calamity
5. Supplying school buildings and grounds with furniture, equipment, or necessary apparatus of a permanent nature
6. Permanently improving school grounds
7. Refunding any outstanding valid indebtedness of the district, evidenced by bonds or state school building aid loans
8. Carrying out sewer or drain projects or purposes authorized in Education Code 17577
9. Purchasing school buses with a useful life of at least 20 years
10. Demolishing or razing any school building with the intent to replace it with another school building, whether in the same location or in any other location

Except for refunding any outstanding indebtedness, any of the purposes listed above may be united and voted upon as a single proposition by an order of the Board entered into the minutes. (Education Code 15100)

The Board may appoint a citizens' oversight committee to review and report to the Board and the public as to

whether the expenditure of bond revenues complies with the intended purposes of the bond.

Certificate of Results

If the certificate of election results received by the Board shows that the appropriate majority of the voters is in favor of issuing the bonds, the Board shall record that fact in its minutes. The Board shall then certify to the County Board of Supervisors all proceedings it had in connection with the election results. (Education Code 15124, 15274)

Resolutions Regarding Sale of Bonds

Following passage of the bond measure by the appropriate majority of voters, the Board shall pass a resolution directing the issuance and sale of bonds. In accordance with law, the resolution shall prescribe the total amount of bonds to be sold and may also prescribe the maximum acceptable interest rate, not to exceed eight percent, and the time(s) when the whole or any part of the principal of the bonds shall be payable. (Education Code 15140; Government Code 53508.6)

In passing the resolution, the Board shall consider each available funding instrument, including, but not limited to, the costs associated with each and their relative suitability for the project to be financed.

Prior to the sale of bonds, the Board shall place an agenda item at a public meeting and adopt as part of the bond issuance resolution, or in a separate resolution, disclosures of the available funding instruments, the costs and sustainability of each, and all of the following information: (Education Code 15146)

1. Express approval of the method of sale, such as competitive or negotiated sales

2. Statement of the reasons for the method of sale selected

3. Disclosure of the identity of the bond counsel, and the identities of the bond underwriter and the financial adviser if either or both are utilized for the sale, unless these individuals have not been selected at the time the resolution is adopted, in which case the Board shall disclose their identities at the public meeting occurring after they have been selected

4. Estimates of the costs associated with the bond issuance, including, but not limited to, bond counsel and financial advisor fees, printing costs, rating agency fees, underwriting fees, and other miscellaneous costs and expenses of issuing the bonds

When the sale involves bonds that allow for the compounding of interest, such as a capital appreciation bond (CAB), the resolution to be adopted by the Board shall include Items #1-4 above as well as the financing term and time of maturity, repayment ratio, and the estimated change in the assessed value of taxable property within the district over the term of the bonds. The resolution shall be publicly noticed on at least two consecutive meeting agendas, first as an information item and second as an action item. The agendas shall identify that bonds that allow for the compounding of interest are proposed. (Education Code 15146)

Prior to adopting a resolution for the sale of bonds that allow for the compounding of interest, the Board shall be presented with the following: (Education Code 15146)

1. An analysis containing the total overall cost of the bonds that allow for the compounding of interest

2. A comparison to the overall cost of current interest bonds

3. The reason bonds that allow for the compounding of interest are being recommended

4. A copy of the disclosure made by the underwriter in compliance with Rule G-17 adopted by the federal Municipal Securities Rulemaking Board

At least 30 days prior to the sale of any debt issue, the Superintendent or designee shall submit a report of the proposed issuance to the California Debt and Investment Advisory Commission (CDIAC). (Government Code 8855)

After the sale, the Board shall be presented with the actual issuance cost information and shall disclose that information at the Board's next scheduled meeting. The Board shall ensure that an itemized summary of the costs of the bond sale and all necessary information and reports regarding the sale are submitted to the CDAIC. (Education

Code 15146; Government Code 53509.5)

Bond Anticipation Notes

Whenever the Board determines that it is in the best interest of the district, it may, by resolution, issue a bond anticipation note, on a negotiated or competitive-bid basis, to raise funds that shall be used only for a purpose authorized by a bond that has been approved by the voters of the district in accordance with law. (Education Code 15150)

Payment of principal and interest on any bond anticipation note shall be made at note maturity, not to exceed five years, from the proceeds derived from the sale of the bond in anticipation of which that note was originally issued or from any other source lawfully available for that purpose, including state grants. Interest payments may also be made from such sources. However, interest payments may be made periodically and prior to note maturity from an increased property tax if the following conditions are met: (Education Code 15150)

1. A resolution of the Board authorizes the property tax for that purpose

2. The principal amount of the bond anticipation note does not exceed the remaining principal amount of the authorized but unissued bonds

A bond anticipation note may be issued only if the tax rate levied to pay interest on the note would not cause the district to exceed the tax rate limitation set forth in Education Code 15268 or 15270, as applicable.

Deposit of Bond Proceeds

With regard to general obligation bonds, the district shall invest new money bond proceeds in the county treasury pool as required by law. (Education Code 15146)

Regulation 7214: General Obligation Bonds

Status: DRAFT - Keep

Original Adopted Date: 03/01/2012 **| Last Revised Date:** 06/01/2024

Election Notice

Whenever the Governing Board orders an election on the question of whether general obligation bonds shall be issued to pay for school facilities, the Superintendent or designee shall ensure that election notice and ballot requirements comply with Education Code 15120-15126 and 15272, as applicable, and the section "Ballot Materials" below.

At least 88 days prior to the date of the election, the Superintendent or designee shall deliver to the officer conducting the election the resolution calling the election, including the date and purpose of the election, the authority for ordering the election and the specification of the election order, the signature of the officer or the clerk of the Board authorized to make such designations, and all other applicable ballot materials. (Education Code 5322)

Ballot Materials

The ballot question to appear on the ballot shall not exceed 75 words and shall appear in the form specified in Elections Code 13119. (Education Code 5322)

The Superintendent or designee shall ensure that the ballot materials comply with applicable laws including a brief statement of the measure setting forth the amount of the bonds to be voted upon, the maximum rate of interest, and the purposes for which the proceeds of the sale of the bonds are to be used. (Education Code 15122)

In addition to the 75 word ballot question, a separate statement shall be included with the sample ballot, which includes the best estimate from official sources of all of the following: (Elections Code 9401)

1. The average annual tax rate that would be required to be levied to fund the bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of the election or a projection based on experience within the same jurisdiction or other demonstrable factors

   The estimate shall also identify the final fiscal year in which the tax is anticipated to be collected.

2. The highest tax rate that would be required to be levied to fund the bond issue, and an estimate of the year in which that rate will apply, based on assessed valuations available at the time of the election or a projection based on experience within the same jurisdiction or other demonstrable factors

3. The total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold

   The estimate may include information about the assumptions used to determine the estimate.

For bond measures requiring 55 percent majority of the voters, the Superintendent or designee shall ensure that the text of the ballot measure includes a statement that the Board will appoint a citizens' oversight committee and that annual independent audits will be conducted to assure that funds are spent only on school and classroom improvements and for no other purposes. (Education Code 15272)

For bond funded projects that require state matching funds, the Superintendent or designee shall ensure the sample ballot contains a statement advising the voters that the project is subject to the approval of state matching funds and, therefore, passage of the bond measure is not a guarantee that the project will be completed. (Education Code 15122.5)

Arguments in support or in opposition of the bond measure shall be submitted in accordance with Elections Code 9160-9170.

Citizens' Oversight Committee

If a bond is approved under the 55 percent majority threshold pursuant to Proposition 39 to the California Constitution, Article 13A, Section 1(b)(3) and Article 16, Section 18(b), then the district's citizens' oversight committee shall consist of at least seven members, including, but not limited to: (Education Code 15282)

1. One member active in a business organization representing the business community located within the district

2. One member active in a senior citizens' organization

3. One member active in a bona fide taxpayers' organization

4. One member who is a parent/guardian of a district student

5. One member who is a parent/guardian of a district student and is active in a parent-teacher organization, such as the Parent Teacher Association or school site council

Members of the citizens' oversight committee shall be subject to the conflict of interest prohibitions regarding incompatibility of office pursuant to Government Code 1125-1129 and financial interest in contracts pursuant to Government Code 1090-1099. (Education Code 15282)

No employee, Board member, vendor, contractor, or consultant of the district shall be appointed to the citizens' oversight committee. (Education Code 15282)

Members of the citizens' oversight committee may serve for no more than three consecutive terms of two years each. They shall serve without compensation. (Education Code 15282)

The purpose of the citizens' oversight committee shall be to inform the public concerning the expenditure of bond revenues. The committee shall actively review and report on the proper expenditure of taxpayers' money for school construction and shall convene to provide oversight for, but not limited to, the following: (Education Code 15278)

1. Ensuring that bond revenues are expended only for the purposes described in California Constitution, Article 13A, Section 1(b)(3), including the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities

2. Ensuring that, as prohibited by California Constitution, Article 13A, Section 1(b)(3)(A), no funds are used for any teacher and administrative salaries or other school operating expenses

In furtherance of its purpose, the committee may engage in any of the following activities: (Education Code 15278)

1. Receiving and reviewing copies of the annual, independent performance and financial audits required by California Constitution, Article 13A, Section 1(b)(3)(C) and (D)

2. Inspecting school facilities and grounds to ensure that bond revenues are expended in compliance with the requirements of California Constitution, Article 13(A), Section 1(b)(3)

3. Receiving and reviewing copies of any deferred maintenance proposals or plans developed by the district

4. Reviewing efforts by the district to maximize bond revenues by implementing cost-saving measures, including, but not limited to, the following:

    a. Mechanisms designed to reduce the costs of professional fees

    b. Mechanisms designed to reduce the costs of site preparation

    c. Recommendations regarding the joint use of core facilities

    d. Mechanisms designed to reduce costs by incorporating efficiencies in school site design

    e. Recommendations regarding the use of cost-effective and efficient reusable facility plans

The district shall, without expending bond funds, provide the citizens' oversight committee with any necessary technical assistance and shall provide administrative assistance in furtherance of the committee's purpose and sufficient resources to publicize the committee's conclusions. The district shall also provide the citizens' oversight committee with responses to any and all findings, recommendations, and concerns addressed in the annual independent financial and performance audits within three months of receiving the audits. (Education Code 15280)

All citizens' oversight committee proceedings shall be open to the public and noticed in the same manner as proceedings of the Board. Committee meetings shall be subject to the provisions of the Ralph M. Brown Act. (Education Code 15280; Government Code 54952)

The citizens' oversight committee shall issue regular reports, at least once a year, on the results of its activities. Minutes of the proceedings and all documents received and reports issued shall be a matter of public record and shall be made available on the district's website. (Education Code 15280)

Reports

Within 30 days after the end of each fiscal year, the district shall submit to the County Superintendent of Schools a report concerning any bond election(s) containing the following information: (Education Code 15111)

1. The total amount of the bond issue, bonded indebtedness, or other indebtedness involved
2. The percentage of registered electors who voted at the election
3. The results of the election, with the percentage of votes cast for and against the proposition

By each January 31 following a bond issuance, the district shall submit an annual report to the California Debt Investment and Advisory Commission in accordance with Government Code 8855 and as specified in BP 3470 - Debt Issuance and Management.

Policy 7310: Naming Of Facility

Status: DRAFT - Keep

Original Adopted Date: 02/01/1986 **| Last Revised Date:** 07/01/2011

The Governing Board shall name district schools and other district-owned or leased buildings, grounds, and facilities in recognition of:

1. The geographic area in which the school or building is located

The Board encourages community participation in the process of selecting names. Facilities shall host community meetings to gather input and recommendations to create report for the board.

Any name adopted for any new school shall not be so similar to the name of any existing district school as to result in confusion to members of the community.

Before adopting any proposed name, the Board shall hold a public hearing at which members of the public will be given an opportunity to provide input.

When naming or renaming a district school, building, or facility, the Board may specify the duration for which the name shall be in effect.

Memorials

Upon request, the Board shall consider planting commemorative trees, erecting monuments, or dedicating buildings, parts of buildings, athletic fields, gardens, or other district facilities, in memory of deceased students, staff members, community members, and benefactors of the district.

Naming Rights

The Board may grant to any person or entity the right to name any district building or facility. In doing so, the Board shall enter into a written agreement which shall:

1. Specify the benefits to the district from entering into the agreement

2. State the roles and responsibilities of the parties to the agreement, including whether or not the Board shall retain the power to approve any proposed name

3. Provide details related to the naming right granted, including the building, grounds, or facility involved and the duration for which the name shall be in effect

4. Prohibit any message, image, or other depiction that advocates or endorses the use of drugs, tobacco, or alcohol, encourages unlawful discrimination against any person or group, or promotes the use of violence or the violation of any law or district policy

5. Reserve the authority to terminate the naming right if it determines that the grantee, subsequent to receiving the naming right, has engaged in any of the prohibited acts stated in item #4 above or other criminal or unlawful acts that might bring the district into disrepute

Bylaw 9000: Role Of The Board

Status: DRAFT - Keep

Original Adopted Date: 02/01/1997 **| Last Revised Date:** 07/01/2006

The Governing Board has been elected by the community to provide leadership and citizen oversight of the district. The Board shall ensure that the district is responsive to the values, beliefs, and priorities of the community.

The Board shall work with the Superintendent to fulfill its major responsibilities, which include:

1. Setting the direction for the district through a process that involves the community, parents/guardians, students, and staff and is focused on student learning and achievement
2. Establishing an effective and efficient organizational structure for the district by:
    a. Employing the Superintendent and setting policy for hiring of other personnel
    b. Overseeing the development and adoption of policies
    c. Establishing academic expectations and adopting the curriculum and instructional materials
    d. Establishing budget priorities and adopting the budget
    e. Providing safe, adequate facilities that support the district's instructional program
    f. Setting parameters for negotiations with employee organizations and ratifying collective bargaining agreements
3. Providing support to the Superintendent and staff as they carry out the Board's direction by:
    a. Establishing and adhering to standards of responsible governance
    b. Making decisions and providing resources that support district priorities and goals
    c. Upholding Board policies
    d. Being knowledgeable about district programs and efforts in order to serve as effective spokespersons
4. Ensuring accountability to the public for the performance of the district's schools by:
    a. Evaluating the Superintendent and setting policy for the evaluation of other personnel
    b. Monitoring and evaluating the effectiveness of policies
    c. Serving as a judicial (hearing) and appeals body in accordance with law, Board policies, and negotiated agreements
    d. Monitoring student achievement and program effectiveness and requiring program changes as necessary
    e. Monitoring and adjusting district finances
    f. Monitoring the collective bargaining process
5. Providing community leadership and advocacy on behalf of students, the district's educational program, and public education in order to build support within the local community and at the state and national levels

The Board is authorized to establish and finance any program or activity that is not in conflict with, inconsistent with, or preempted by law. (Education Code 35160)

Bylaw 9005: Governance Standards

Status: DRAFT - Keep

Original Adopted Date: 07/01/1984 **| Last Revised Date:** 09/01/2025

The Governing Board expects itself to act in the best interests of every student in the district within the legal confines established by law and the fiscal confines established by the budget. The Board also has major commitments to parents/guardians, employees, all members of the community, the state of California, laws pertaining to public education, and established policies of the district. To maximize Board effectiveness and public confidence in district governance, the Board shall govern the district responsibly and uphold the highest standards of ethical conduct.

In order to set the direction for the district, provide a high quality education to each student, ensure proper accountability and oversight of the district and the Superintendent, and offer community leadership on behalf of the district and public education, the Board expects itself to have a unity of purpose and to:

1. Keep the district focused on learning and achievement for all students
2. Communicate a common vision
3. Operate openly, with trust and integrity
4. Govern in a dignified and professional manner, treating everyone with civility and respect
5. Govern within Board-adopted policies and procedures
6. Take collective responsibility for the Board's performance
7. Periodically evaluate its own effectiveness
8. Ensure opportunities for the diverse range of views in the community to inform Board deliberations

In fulfilling its role, the Board is responsible for:

1. Involving the community, parents/guardians, students, and staff in regularly developing or updating a common vision for the district focused on learning and achievement and responsive to the needs of all students
2. Adopting and updating policies consistent with law and the district's vision and goals
3. Maintaining accountability for student learning by adopting curricula and monitoring student progress
4. Hiring and supporting the Superintendent so that the vision, goals, and policies of the district can be implemented
5. Conducting regular and timely evaluations of the Superintendent based on the vision, goals, and performance of the district, and ensuring that the Superintendent holds district personnel accountable
6. Adopting a fiscally responsible budget based on the district's vision and goals, and regularly monitoring the fiscal health of the district
7. Ensuring that a safe and appropriate educational environment is provided to all students
8. Establishing a framework for the district's collective bargaining process and adopting responsible agreements
9. Providing community leadership on educational issues and advocating on behalf of students and public education at the local, state, and federal levels

In addition, each individual Board member is expected to:

1. Keep learning and achievement for all students as the primary focus
2. Value, support, and advocate for public education

3. Recognize and respect differences of perspective and style on the Board and among staff, students, parents/guardians, and the community

4. Act with dignity, and understand the implications of demeanor and behavior

5. Keep confidential matters confidential

6. Participate in professional development and commit the time and energy necessary to be an informed and effective leader

7. Understand the distinctions between Board and staff roles, and refrain from performing management functions that are the responsibility of the Superintendent and staff

8. Understand that authority rests with the Board as a whole and not with individuals

---

Bylaw 9010: Public Statements

Status: DRAFT - Keep

Original Adopted Date: 09/01/1990 **| Last Revised Date:** 09/01/2024

The Governing Board recognizes the rights and responsibility of Board members in their role as community leaders to participate in public discourse on matters of civic or community interest, including those involving the district, and their right to freely express their personal views. However, to ensure communication of a consistent, unified message regarding district issues, Board members are expected to respect the authority of the Board to choose its representatives, to communicate its positions, and to abide by established protocols.

Board Spokesperson

All public statements authorized to be made on behalf of the Board shall be made by the Board president or, if appropriate, by the Superintendent or, with respect to a specific issue or topic, other representative as designated by the Board or Board president.

When speaking for the Board, a spokesperson shall exercise restraint and tact and communicate in a manner that promotes public confidence in the Board's leadership.

Board spokespersons shall not disclose confidential information or information received in closed session except when authorized by a majority of the Board or by law. (Government Code 54963)

Statements by Individual Board Members

When speaking to community groups, members of the public, or the media, individual Board members should recognize that their statements may be perceived as reflecting the views and positions of the Board. Board members have a responsibility to identify when a viewpoint is held by an individual Board member rather than the Board as a whole. For example, a Board member may include a disclaimer on the Board member's personal social media account that the Board member is expressing personal viewpoints and not those of the Board or the district.

Board members who opt to express their opinions on district matters, whether in-person or online, are expected to conduct themselves in a respectful, courteous, and professional manner and to model good behavior for district students and the community.

Bylaw 9011: Disclosure Of Confidential/Privileged Information

Status: DRAFT - Keep

Original Adopted Date: 03/01/1988 **| Last Revised Date:** 06/01/2025

The Governing Board recognizes the importance of maintaining the confidentiality of information acquired as part of a Board member's official duties.

A Board member shall not disclose confidential information to any person, except as authorized by law, this Bylaw or other Board bylaws or policies, or the Board.

Confidential information means any information that is prohibited from disclosure by law, this Bylaw or other Board bylaws or policies, or by the Board at the time disclosed and is not a public record subject to disclosure under the California Public Records Act (CPRA). Confidential information includes, but is not limited to, any of the following:

1. Information acquired by being present in a closed session that is specifically related to the basis for the Board to meet lawfully in closed session (Government Code 54963)

2. Information acquired in anticipation of a closed session, or as follow-up to a closed session, that is specifically related to the basis for the Board to meet lawfully in closed session

3. Information contained in communications provided to Board members from the district's attorney

4. Information deemed confidential by the Board

Confidential information does not include information that is already publicly disclosed, provided that the initial disclosure did not violate law, this Bylaw, or other Board bylaws or policies.

It is a misdemeanor for any Board member to willfully and knowingly use or disclose for pecuniary gain any information acquired in the course of the Board member's official duties where all of the following conditions are met: (Government Code 1098)

1. The information is not a public record subject to disclosure under the CPRA

2. The information is prohibited from disclosure by law, this Bylaw, or other Board bylaws or policies

3. The information will have, or could reasonably be expected to have, a material financial effect on the Board member if used or disclosed

If a Board member threatens to disclose or does disclose confidential information, the Board may pursue or enact one or more of the following actions as it deems appropriate: (Government Code 54963)

1. Injunctive relief to prevent disclosure

2. Referral to the grand jury

3. Censure or other disciplinary action, provided the Board member has received training or been informed of the requirements of this Bylaw

However, the Board shall not take any action against a Board member for disclosing confidential information, nor shall the disclosure be considered a violation of this Bylaw, when the Board member does any of the following: (Government Code 1098, 54963)

1. Makes a confidential inquiry or complaint to a district attorney or grand jury concerning a perceived violation of law, including disclosing facts necessary to establish the illegality or potential illegality of a Board action that has been the subject of deliberation during a closed session

2. Expresses an opinion concerning the propriety or legality of Board action in closed session, including disclosure of the nature and extent of the illegal or potentially illegal action

3. Discloses information to law enforcement officials or to the joint legislative audit committee when reporting on improper governmental activities in accordance with law

Bylaw 9012: Board Member Electronic Communications

Status: DRAFT - Keep

Original Adopted Date: 11/01/2008 **| Last Revised Date:** 09/01/2024

The Governing Board recognizes that electronic communication is an efficient and convenient way for Board members to communicate and expedite the exchange of information with each other, district staff, and members of the public. Board members shall exercise caution to ensure compliance with the Brown Act, the Public Records Act, and other applicable laws.

A majority of the Board shall not, outside of an authorized meeting, use a series of electronic communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. (Government Code 54952.2)

Examples of permissible electronic communications concerning district business include, but are not limited to, dissemination of Board meeting agendas and agenda packets, reports of activities from the Superintendent, and reminders regarding meeting times, dates, and places.

Board members may engage in separate conversations or communications with members of the public on a social media platform to answer questions, provide information, or solicit information regarding a matter that is within the subject matter jurisdiction of the Board as long as a majority of the Board does not use the platform to discuss among themselves any business of a specific nature that is within the subject matter jurisdiction of the Board. Additionally, Board members are prohibited from using digital icons, such as "likes" or "emojis," that express reactions to communications made by other Board members regarding matters within the subject matter jurisdiction of the Board. (Government Code 54952.2)

Board members shall make every effort to ensure that their electronic communications conform to Board Bylaw 9010 - Public Statements and shall forward any complaints or requests for information to the Superintendent in accordance with applicable Board bylaws.

To the extent possible, electronic communications regarding any district-related business shall be transmitted through a district-provided device or account. When any such communication is transmitted through a Board member's personal device or account, the Board member shall copy the communication to a district electronic storage device for easy retrieval.

This Bylaw does not apply to Board member electronic communications not related to district business or not conducted by a Board member in the Board member's official capacity.

Bylaw 9100: Organization

Status: DRAFT - Keep

Original Adopted Date: 09/01/1992 **| Last Revised Date:** 09/01/2022

Each year, the Governing Board shall hold an annual organizational meeting. In any year in which a regular election of district Board members is conducted, the organizational meeting shall be held within 15 days following the second Friday in December after the regular election. During all other years, the meeting may be held on any date in December, but no later than December 20th. (Education Code 35143)

During any year in which a regular election is conducted, the Board, at the regular meeting held immediately prior to the second Friday in December, shall select the day and time of the organizational meeting. For any other year, the day and time of the organizational meeting shall be selected at the last regular meeting held immediately before the annual meeting. On behalf of the Board, the Superintendent shall notify the County Superintendent of Schools of the day and time selected. Within 15 days prior to the date of the annual meeting, the Superintendent shall notify in writing all Board members and members-elect of the date and time selected for the meeting. (Education Code 35143)

At this meeting the Board shall:

1. Elect a president and two vice presidents from its members
2. Appoint the Superintendent as secretary to the Board
3. Authorize signatures
4. Approve a schedule of regular meetings for the year and a Board governance calendar stating the time when the Board will address important governance matters
5. Designate Board representatives to serve on committees or commissions of the district, other public agencies, or organizations with which the district partners or collaborates
6. Review and/or consider resources that define and clarify the Board's governance and leadership roles and responsibilities including, but not limited to, governance standards, meeting protocols, Board rules and bylaws, and other Board development materials

Election of Officers

The Board shall each year elect its entire slate of officers.

The election of Board officers shall be conducted during an open session of the annual organizational meeting.

Bylaw 9110: Terms Of Office

Status: DRAFT - Keep

Original Adopted Date: 12/01/1992 **| Last Revised Date:** 10/01/2018

The Governing Board shall consist of seven members whose terms shall be staggered so that as nearly as practicable, one half of the members shall be elected in each year in which the Board's elections are regularly held. (Education Code 35012)

The term of office for Board members elected in regular elections shall be four years, commencing on the second Friday in December following their election. (Education Code 5017)

Board members whose terms have expired shall continue to discharge the duties of office until their successors have qualified by taking the oath of office. (Education Code 5017; Government Code 1302, 1360)

If a regularly scheduled Board election date is changed due to consolidation with a statewide or municipal general election, the term of incumbent Board members shall be extended to align with the next applicable election. (Elections Code 10404.5)

Bylaw 9121: President

Status: DRAFT - Keep

Original Adopted Date: 09/01/1989 **| Last Revised Date:** 07/01/2017

The Governing Board shall elect a president from among its members to provide leadership on behalf of the governance team and the educational community it serves.

To ensure that Board meetings are conducted in an efficient, transparent, and orderly manner, the president shall:

1. Call such meetings of the Board as he/she may deem necessary, giving notice as required by law
2. Consult with the Superintendent or designee on the preparation of Board meeting agendas
3. Call the meeting to order at the appointed time and preside over the meeting
4. Announce the business to come before the Board in its proper order
5. Enforce the Board's bylaws related to the conduct of meetings and help ensure compliance with applicable requirements of the Brown Act
6. Recognize persons who desire to speak, and protect the speaker who has the floor from disturbance or interference
7. Facilitate the Board's effective deliberation, ensuring that each Board member has an opportunity to participate in the deliberation and that the discussion remains focused
8. Rule on issues of parliamentary procedure
9. Put motions to a vote, and clearly state the results of the vote

The president shall have the same rights as other members of the Board, including the right to discuss and vote on all matters before the Board.

The president shall perform other duties in accordance with law and Board policy including, but not limited to:

1. Signing all instruments, acts, orders, and resolutions necessary to comply with legal requirements and carry out the will of the Board
2. Working with the Superintendent or designee to ensure that Board members have necessary materials and information
3. Subject to Board approval, appointing and dissolving all committees
4. In conjunction with the Superintendent or designee, representing the district as the Board's spokesperson in communications with the media
5. Leading the Board's advocacy efforts to build support within the local community and at the state and national levels

The president shall participate in the California School Boards Association's Board President's Workshop and other professional development opportunities to enhance his/her leadership skills.

When the president resigns or is absent, the first vice president shall perform the president's duties. When both the president and vice president are absent, the second vice president shall perform the president's duties.

Bylaw 9122: Secretary

Status: DRAFT - Keep

Original Adopted Date: 07/01/1984 **| Last Revised Date:** 07/01/2003

The Governing Board shall appoint the Superintendent to serve as secretary to the Board. The secretary to the Board shall be responsible for maintaining an accurate and complete record of all Board proceedings and shall:

1. Prepare, distribute and maintain the Board agenda
2. Record, distribute and maintain the Board minutes
3. Maintain Board records and documents
4. Conduct official correspondence for the Board
5. Certify or attest to actions taken by the Board when required.
6. As directed by the Board, sign and execute official papers on behalf of the district, and sign all other items that require the signature of the secretary.
7. Perform other duties as assigned by the Board

Bylaw 9124: Attorney

Status: DRAFT - Keep

Original Adopted Date: 06/01/1991 **| Last Revised Date:** 09/01/2023

The Governing Board recognizes the complex legal environment in which districts operate, the need to provide legal representation for the district, and the importance of reliable, cost-effective, high-quality legal advice and services.

In order to meet the district's legal needs, the Board may appoint legal counsel and fix and order paid legal counsel's compensation as an employee or as an independent contractor. (Education Code 35041.5)

The Board may enter into independent contractor services agreements with county counsel, law firms, attorneys in private practice, and other public or private legal services entities. (Education Code 35204, 35205; Government Code 26520, 26529)

The Board also supports pursuing collaborative legal efforts with other districts as well as other government agencies as appropriate.

Duties of Legal Counsel

The district's legal counsel may: (Education Code 35041.5)

1. Render legal advice to the Board and the Superintendent or designee
2. Serve the Board and the Superintendent or designee in the preparation and conduct of district litigation and administrative proceedings
3. Render advice on school bond and tax increase measures and prepare the necessary forms for the voting of these measures
4. In consultation with the Superintendent, retain, supervise, and coordinate, as needed, other counsel and staff to meet the needs of the district.
5. Perform other administrative duties as assigned by the Board and Superintendent or designee

Retaining Legal Counsel

When the district is seeking legal advice or representation, the Superintendent or designee shall identify prospective attorney(s), firm(s), and/or legal services entity(ies).

The district may, but is not required to, initiate a Request for Proposals to advertise and solicit proposals for legal services. In evaluating the prospective attorney(s), firm(s), and/or entity(ies), the Board and Superintendent may consider the attorney's, firm's, and/or entity's background, experience, and relevant legal reputation; experience advising and representing school districts in California; fees; and experience of attorneys at the firm who will provide legal services.

Any attorney representing the district shall be admitted to practice law in California. (Education Code 35041.5)

The Board and Superintendent shall periodically evaluate the performance of the firm(s) and/or attorney(s); the efficiency and adequacy of advice; the results obtained for the district; the reasonableness of fees; and the responsiveness to and interactions with the Board, administration, and community.

The Board may use such evaluation(s) to determine whether to renew any current agreement(s) for legal services.

The Board may also contract for specialized legal services, as appropriate, when a majority of the Board determines that the unique demands of a particular issue or emergency situation require such representation.

Contacting Legal Counsel

The Board president, or Superintendent or designee, may, at their discretion, confer with district legal counsel subject to any limits or parameters established by the Board. In addition, the Board president, or Superintendent or designee, may contact district legal counsel to provide the Board with legal information or advice when so directed

by a majority of the Board.

Individual Board members other than the Board president may not seek advice from district legal counsel on matters of district business unless so authorized by the Superintendent, the Board president, or a majority of the Board.

Bylaw 9130: Board Committees

Status: DRAFT - Use District

Original Adopted Date: 10/01/1997 **| Last Revised Date:** 04/01/2013

The Board may establish a committee whenever it determines that such a committee would benefit the District by providing diverse viewpoints, specialized knowledge or expertise, support to the mission of the District, or increased efficiency. Such committees may be subcommittees of the Board or committees that include members of the community, staff, or other stakeholder groups. The Board committees shall include, at a minimum, those committees required by statute including: the Community Advisory Committee (Education Code § 56190); District English Learner Advisory Committee (Education Code § 52063(c)(1); 7-11 Committee (Education Code § 17389); Citizens' Bond Oversight Committee (Education Code §§ 15278, 15280, 15282); LCAP Parent Advisory Committee (Education Code §§ 52062, 52063), and any other committees that the Board may establish from time to time.

Upon establishing a committee, the Board shall clearly define the committee's purpose, any timeline for completion of assigned responsibilities, any stakeholder groups or individuals to be represented on the committee, length of time that committee members are expected to serve, and an expectation for periodic reporting to the Board at a regularly scheduled meeting of the Board. Unless specifically authorized by the Board to act on its behalf, the committee shall act in an advisory capacity. The Board committees shall act in furtherance and not in derision of the Board's objectives.

The Board President will recommend committee member assignments to Board subcommittees and standing committees, and the Board will approve these recommendations. For Board committees that include appointed members of the community, each Board Trustee will recommend a member of the community to represent their area, and the Board will approve these recommendations. Priority consideration of appointment to a Board committee shall be given to: 1) an applicant living within the specific Trustee Area; 2) an applicant not a current member of any other Board committee; and 3) when appropriate, an applicant that is a parent or caregiver of a student currently enrolled in the District.

The Board President will appoint a Board liaison to each Board Committee. The Board liaison shall provide the Board committee members with information and assistance necessary for the fulfillment of the committee's charges, and may serve as a non-voting advisor to the committee.

Whenever so charged, committees may actively seek input and participation by parents/guardians, staff, community, and students and may consult with local public boards and agencies.
Any committee not required by law may be dissolved when its duties or term has been completed or whenever the Board deems necessary.

Committee Meetings

Unless otherwise exempted by law, Board-created committees shall provide public notice of their meetings and conduct meetings in accordance with Government Code §§ 54950-54963 (the Brown Act). The requirements of the Green Act shall apply to those committees specified by statute.

However, Board subcommittees composed solely of less than a quorum of the members of the Board are not subject to open meeting laws unless they are standing committees. Standing committees of the Board, irrespective of membership, are those that have a continuing subject matter jurisdiction or a meeting schedule established by action of the Board. (Government Code § 54952.)

Standing committees with a continuing subject matter jurisdiction include, but are not limited to, those responsible for providing advice on budgets, audits, Board policy, contracts, and personnel matters at the Board's request.

When a majority of the members of the Board attend an open and noticed meeting of a standing committee, the Board members who are not members of the standing committee shall attend only as observers. (Government Code § 54952.2.)

Whenever any advisory or standing committee, including a committee not otherwise subject to the Brown Act, posts a meeting agenda at least 72 hours in advance of the meeting, that meeting shall be considered as a regular meeting of the Board for purposes of the Brown Act and therefore must be held within district boundaries unless otherwise authorized by law. (Government Code § 54954.)

Committees may meet in a closed session during a regular or special meeting only for those purposes specifically authorized by law for closed sessions held by the Board.

Bylaw 9140: Board Representatives

Status: DRAFT - Keep

Original Adopted Date: 03/01/2011

The Governing Board recognizes that effective performance of its community leadership responsibilities may require its participation in district or community committees on matters of concern to the district and its students. As needed, the Board may appoint any of its members to serve as its representative on a district committee or on a committee of another public agency or organization of which the Board or district is a member or to which the Board is invited to participate.

When making such appointments, the Board shall clearly specify the authority and responsibilities of the representative(s), including, but not limited to, reporting back to the Board regarding committee activities and/or actions. Board representatives shall not exercise the authority of the Board without prior Board approval.

If a committee discusses a topic on which the Board has taken a position, the Board member shall express the position of the Board. When contributing his/her own ideas or opinions, the representative shall clearly indicate that he/she is expressing his/her individual idea or opinion.

Board Representative to Elect Members of County Committee on School District Organization

At its annual organizational meeting, the Board shall designate one Board member as its representative to elect members to the county committee on school district organization. (Education Code 35023)

Bylaw 9150: Student Board Members

Status: DRAFT - Keep

Original Adopted Date: 12/01/2019 **| Last Revised Date:** 03/01/2025

The Governing Board believes it is important to seek out and consider students' ideas, viewpoints and reactions to the educational program. In order to enhance communication and collaboration between the Governing Board and the student body and to teach students the importance of civic involvement, the Board supports the participation of high school students in district governance.

Credit, Compensation, and Liability

The student Board member(s) shall receive elective course credit for service as a student Board member based on the number of equivalent daily instructional minutes for the student Board member's services provided. (Education Code 35120)

The student Board member(s) shall be entitled to be reimbursed for mileage to the same extent as other members of the Board. (Education Code 35012)

A student Board member is not liable for any acts of the Board. (Education Code 35012)

Student Board Member Positions Based on Board Authority

There shall be 1 student Board member position(s) on the Board. (Education Code 35160)

Student Board Member Eligibility, Selection, and Term

Each student Board member shall be enrolled in a district high school and shall be selected by a vote of the applicable student body. (Education Code 35012)

If the district has more high schools than student Board member positions, the student Board member position(s) shall rotate annually between the high schools of the district.

The term of the student Board member(s) shall be one year, commencing each July 1. The Board may adjust the term of a student Board member only if a vacancy occurs or to provide more students with an opportunity to serve on the Board. (Education Code 35012)

Role and Responsibilities of Student Board Members

The student Board member(s) shall have the right to attend all Board meetings except closed sessions. (Education Code 35012)

The student Board member(s) shall also be invited to attend staff briefings, or be provided with a separate staff briefing, within the same timeframe as the briefing of other Board members. Additionally, the student Board member(s) shall receive all materials given to Board members between meetings, except for materials that pertain to closed session items, at the same time they are presented to other Board members. (Education Code 35012)

The student Board member(s) shall be recognized at Board meetings as full member(s), shall be seated with other members of the Board, and shall be allowed to participate in questioning witnesses and discussing issues. (Education Code 35012)

The student Board member(s) shall be allowed to cast preferential votes on all matters except those subject to closed session discussion. *Preferential voting* means a formal expression of opinion that is recorded in the minutes and cast before the official vote of the Board.

Preferential votes shall not affect the final numerical outcome of a vote. (Education Code 35012)

The student Board member(s) may make motions that may be acted upon by the Board, except on matters dealing with employer-employee relations pursuant to Government Code 3540-3549.3. (Education Code 35012)

The student Board member(s) shall be appointed to subcommittees of the Board in the same manner as other Board

members, although a student Board member may decline an appointment. The availability of all subcommittee members, including the availability of the student Board member(s), may be considered when scheduling subcommittee meetings. (Education Code 35012)

The student Board member(s) shall not be considered members of the Board for purposes of the Brown Act. (Education Code 35012)

The student Board member(s) shall not be counted in determining the vote required to carry any measure before the Board or whether a quorum is in attendance at a Board meeting.

The student Board member(s) shall be invited to attend functions of the Board, such as forums, meetings with students and parents/guardians, and other general assemblies. (Education Code 35012)

On a case-by-case basis, the student Board member(s) may make restorative justice recommendations to the Board regarding specific expulsion matters. In order for such a recommendation to be made, the student who is subject to the expulsion and that student's parent/guardian shall first provide written consent. If such consent is given, the Superintendent or designee shall provide the student Board member(s) with information regarding the expulsion but only to the extent necessary for the student Board member(s) to provide a recommendation related to restorative justice to the Board. (Education Code 35012)

Student Board Member Training

The Superintendent or designee may, at district expense, provide learning opportunities to the student Board member(s) through trainings, workshops, and conferences, such as those offered by the California School Boards Association and other organizations, to enhance their knowledge, understanding, and performance of leadership skills and their Board responsibilities.

The Superintendent or designee may periodically provide information to student Board member candidates to give them an understanding of the position. Once selected, the incoming student Board member(s) shall be provided an orientation designed to build knowledge of the district and an understanding of the responsibilities and expectations of the position.

Alternate Student Board Member

If the Board determines that a student Board member is not fulfilling the duties of the position, the Board may appoint another student to serve out the term of the student Board member. If an alternate student Board member is appointed, the Board shall suspend the prior student Board member's rights and privileges related to service on the Board. (Education Code 35012)

Elimination of Student Board Member Position

Once established, the student Board member position shall continue to exist until the Board, by majority vote of all voting Board members, approves a motion to eliminate the position. Such a motion shall be listed as a public agenda item for a Board meeting prior to the motion being voted upon. (Education Code 35012)

Bylaw 9200: Limits Of Board Member Authority

Status: DRAFT - Keep

Original Adopted Date: 02/01/1994 **| Last Revised Date:** 05/01/2026

The Governing Board recognizes that the Board is the unit of authority over the district and expects individual Board members to conduct themselves in accordance with Board Bylaw 9000 - Role of the Board and Board Bylaw 9005 - Governance Standards.

Unless agreed to by the Board as a whole, an individual Board member possesses no authority to direct staff, represent the Board or the district, or exercise administrative responsibility with respect to the schools.

Additionally, individual Board members do not have the authority to investigate, resolve, or otherwise actively engage with community members with respect to complaints, personnel or student matters, or legal issues. Any Board member who receives a communication regarding such a topic shall forward the communication to or otherwise inform the Superintendent or Board president, as appropriate, who shall respond or otherwise follow-up, as needed. The Board member shall not respond substantively to the communication beyond acknowledging receipt and explaining the limits of the Board member's authority. It shall be the responsibility of the Superintendent or Board president to inform the Board or place the topic on a future Board agenda.

Individual Board members are permitted to engage with community members, including responding to general inquiries or expressions of opinion. Such engagement shall be consistent with Board policies and bylaws such as Board Bylaw 9010 - Public Statements and Board Bylaw 9012 - Board Member Electronic Communications, and may not purport to represent the position of the Board.

Requests for information by an individual Board member shall be submitted to the Superintendent.

A Board member may observe and/or volunteer in a school or classroom, including in the school or classroom in which the Board member's child is enrolled, in accordance with Board Policy/Administrative Regulation 1240—Volunteer Assistance and Board Policy/Administrative Regulation 5020 - Parent Rights and Responsibilities. Prior to observing or volunteering, a Board member shall inform the Superintendent. Additionally, a Board member who is present on district property or at district programs or activities is expected to be aware of the role and limits on authority as a Board member.

A Board member who chooses to observe or volunteer shall do so in a manner that does not disrupt school operations. Any questions or concerns regarding operational or personnel matters shall be directed to the Superintendent or designee. Any questions or concerns specific to the Board member's child may be directed to appropriate site staff. If a question or concern is both specific to the Board member's child and involves operational or personnel matters, the Board member shall collaborate with the Superintendent or designee to determine whether the Board member shall direct the question or concern to site staff or whether the responsibility to investigate or resolve the question or concern, if necessary, lies with the Superintendent or designee.

Bylaw 9220: Governing Board Elections

Status: DRAFT - Keep

Original Adopted Date: 06/01/2006 **| Last Revised Date:** 06/01/2024

Board Member Qualifications

Any person is eligible to be a member of the Governing Board, without further qualifications, if the person is: 18 years of age or older; a citizen of California; a resident of the school district or, if applicable, the trustee area; a registered voter; and not legally disqualified from holding civil office. (Education Code 35107)

A person is not eligible to be a member of the Board if they have been convicted of an offense(s) as specified in law and the accompanying Exhibit, except when the person has been granted a pardon in accordance with law. A district employee duly elected to the Board shall resign from district employment, or shall otherwise cease being a district employee, before being sworn in. If a district employee duly elected to the Board is sworn in and remains a district employee, then the employment shall automatically terminate upon being sworn into office. (Education Code 35107)

The Board encourages all candidates to become knowledgeable about the role of board members. The Superintendent or designee shall provide a Board candidate, upon request by the candidate, with information that will enable them to understand the responsibilities and expectations of being a Board member, including information regarding available workshops, seminars, and/or training. Additionally, the Superintendent or designee shall provide a Board candidate, upon request by the candidate, the county election official's contact information and general information about school programs, district operations, and Board responsibilities.

Recalling a Board Member

A Board member may be recalled as permitted by Elections Code 11000-11386. To commence a recall of a Board member, proponents shall serve, file, and publish or post a notice of intention to circulate the recall petition as specified by law and any applicable county elections official directives. Additionally, the recall petition shall be in the format provided by the Secretary of State and include, among other things, an estimate of the cost of conducting the special election, as determined by the county elections official, in consultation with the district.

Within 14 days after the regular meeting at which the Board receives a certificate of sufficiency of signatures on a recall petition from a county elections official, the Board shall order an election to be held to determine whether the Board member named in the petition shall be recalled. The election shall be held not less than 88, nor more than 125, days after the date that the Board orders the election. However, the election may be conducted within 180 days after the issuance of the Board's order to consolidate the election with a regularly scheduled election. (Elections Code 11240-11242)

A recall election of a Board member shall be conducted in accordance with Elections Code 11381-11386.

If a recall of a Board member is successful, that Board member's seat becomes vacant and shall be filled in accordance with Education Code 5090-95 and Board Bylaw 9223 - Filling Vacancies.

Consolidation of Elections

The Board may consolidate Board elections with the local municipal or statewide primary or general election in accordance with Elections Code 1302. Additionally, if a regularly scheduled Board election held other than on a statewide election date results in a decrease in local voter turnout of 25 percent or more compared to the average local turnout for the previous four statewide general elections, the Board shall take action to consolidate Board elections with statewide elections in accordance with Elections Code 14051-14052.

In order to consolidate elections, the Board shall adopt a resolution and submit it to the County Board of Supervisors for approval not later than 240 days prior to the date of the currently scheduled district election. (Elections Code 10404.5)

Whenever a regularly scheduled Board election is changed due to consolidation of elections, the terms of office of incumbent Board members shall be extended to align with the next applicable election. (Elections Code 10404.5)

Elections Process and Procedures

For each election, upon certification by the County Board of Supervisors, the Board shall declare who has been elected to the Board in accordance with law. (Election Code 15400)

A Board member whose term has expired shall continue to discharge the duties of the office until a successor has qualified by taking the oath of office. (Government Code 1302, 1360)

Each Board member shall reside in the trustee area they represent and shall be elected by voters residing within that trustee area. Trustee areas shall be balanced by population as required by state and federal law.

Following each decennial federal census the Board shall adjust the boundaries of the district's trustee areas in accordance with Elections Code 21100-21180. (Education Code 5019.5)

The Board may review the district's Board election method to determine whether any modification is necessary.

If the district seeks to change its election method, the Board shall follow procedural requirements and hold public hearings in accordance with Elections Code 10010 and 21100-21150 before adopting a resolution at an open meeting specifying the change and obtain approval from the county committee on school district organization having jurisdiction over the district in accordance with Education Code 5019.

The election method or trustee-area boundaries in effect at the beginning of a Board member's term shall be used when any vacancy that occurs during that term is to be filled, even if, during the term, the district has adopted "by-trustee area" election method or trustee area boundaries have been adjusted.

Campaign Conduct

All candidates, including current Board members running as incumbents, shall abide by local, county, state, and federal requirements regarding campaign contributions, funding, and expenditures.

A Board member shall not expend, and a candidate shall not accept, any public money for the purpose of seeking elective office. However, the district may establish a dedicated fund for those seeking election to the Board, provided that the funds are available to all candidates who are qualified pursuant to Education Code 35107 without regard to incumbency or political preference. (Government Code 85300)

In order to help protect the public's trust in the electoral process as well as the public's confidence in the Board and district, the Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code 20440.

Statement of Qualifications

On the 125th day prior to the day fixed for the general district election, the Board secretary or designee shall deliver a notice, bearing the secretary's signature and district seal, to the county elections official describing both of the following: (Elections Code 10509)

1. The elective offices of the district to be filled at the general election and which offices, if any, are for the balance of an unexpired term

2. Whether the district or the candidate is to pay for the publication of a statement of qualifications pursuant to Elections Code 13307

Candidates for the Board may submit a candidate statement to the elections official for inclusion in the voter's pamphlet. Candidate statements shall be limited to no more than 200 words. (Elections Code 13307)

When the elections official allows for the electronic distribution of candidate statements, a candidate for the Board may, in addition to or instead of submitting a candidate statement for inclusion in the mailed voter's pamphlet, prepare and submit a candidate statement for electronic distribution.

The district shall assume no part of the cost of printing, handling, translating, mailing, or electronically distributing candidate statements filed pursuant to Elections Code 13307. As a condition of having candidate statements included in the voter's pamphlet, the district may require candidates to pay their estimated pro rata share of these costs to the district in advance pursuant to Elections Code 13307.

Tie Votes in Board Member Elections

Whenever the County Superintendent of Schools certifies to the Board that there is a tie vote such that it is impossible to determine which of two or more candidates has been elected to the Board, the Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the Board. The Board at that time and place shall determine the winner by lot. (Education Code 5016)

Exhibit 9220-E(1): Governing Board Elections

Status: DRAFT - Keep

Original Adopted Date: 06/01/2024

This exhibit is a non-exhaustive list of offenses the conviction of which disqualifies a person from holding public office, including as a Governing Board member of a school district, in the State of California.

1. California Constitution, Article VII, Section 8: Giving or offering a bribe to procure personal election or appointment

2. California Constitution, Article VII, Section 8: Committing bribery, perjury, forgery, malfeasance in office, or other high crimes

3. Penal Code section 67: Giving or offering a bribe to any executive officer in the state to influence any decision made by that officer in their official capacity

4. Penal Code section 68: While an executive or ministerial officer, employee, or appointee of the state, a county, a city, or another political subdivision of the state, asking for, receiving, or agreeing to receive any bribe to influence any decision made by that person in their official capacity

5. Penal Code section 74: As a public officer, for gratuity or reward, appointing another person to public office, or permitting another person to exercise or discharge the duties of their office

6. Penal Code section 88: While a member of the Legislature or of a legislative body of a city, county, city and county, school district, or other special district, committing any of various crimes against the Legislative power, including bribery and logrolling

7. Penal Code section 98: While an officer, committing any of various bribery and corruption crimes against the public justice as specified in Penal Code 92-100, including bribing or threatening judges or jurors

8. Penal Code section 165: Giving or offering a bribe to a member of a city council or a board of supervisors to influence any decision made by that member in their official capacity

9. Penal Code section 424: While an officer of the state or of any county, city, town, or district of the state, or while otherwise charged with the receipt, safekeeping, transfer, or disbursement of public moneys, appropriating such moneys for personal use, or refusing to pay any public moneys as required by law

10. Penal Code section 2772: Interfering with the work of prisoners employed at a road camp, or giving or attempting to give such prisoners any controlled substances, intoxicating liquors, firearms, weapons, or explosives of any kind

11. Penal Code section 2790: Interrupting the work of prisoners employed at a public park or camp, or giving or attempting to give such prisoners any controlled substances, intoxicating liquors, firearms, weapons, or explosives of any kind

12. Government Code section 1021: Committing designated crimes as specified in the California Constitution or state law

13. Government Code section 1097: While a public official, being financially interested in a contract made in their official capacity, or by any body or board of which he or she is a member, or aiding or abetting a public official in committing such a violation

14. Government Code section 9055: While a member of the Legislature or of a legislative body of a city, county, city and county, school district, or other special district, committing any of various crimes against the Legislative power, including bribery and logrolling

15. Government Code section 9412: While a member of the Legislature, refusing to appear before the Senate, Assembly, or any committee of the Legislature after being summoned to testify, or while appearing before the Senate, Assembly, or any committee, refusing to be sworn or to answer any material and proper question, or refusing to produce, upon reasonable notice, any material and proper books, papers, or documents in their

possession and under their control

16. Elections Code section 20: Committing a felony involving accepting or giving, or offering to give, any bribe, the embezzlement of public money, extortion or theft of public money, perjury, or conspiracy to commit any of those crimes

17. Elections Code section 18501: While a public official, aiding the illegal casting of a vote at an election or otherwise facilitating the perpetration of election fraud

---

Bylaw 9222: Resignation

Status: DRAFT - Keep

Original Adopted Date: 07/01/1984 **| Last Revised Date:** 05/01/2016

A member of the Governing Board who wishes to resign from the Board shall file a written resignation with the County Superintendent of Schools. (Education Code 5090)

The resigning Board member shall also notify the Board and give a copy of his/her written resignation to the Board secretary.

The resignation shall become effective when filed with the County Superintendent, except when a deferred effective date is specified in the resignation. A Board member may not defer the effective date of his/her resignation for more than 60 days after he/she files the resignation with the County Superintendent. (Education Code 5090, 5091)

Once filed, a written resignation, whether specifying a deferred effective date or otherwise, shall be irrevocable. (Education Code 5090)

A Board member who tenders his/her resignation with a deferred effective date shall, until the effective date of the resignation, continue to exercise all the powers of the office, except that he/she shall not have the right to vote for his/her successor in an action taken by the Board to make a provisional appointment. (Education Code 5091, 35178)

A Board member who resigns shall file, within 30 days of leaving office, a revised Statement of Economic Interest/Form 700 covering the period of time between the closing date of the last statement required to be filed and the date he/she leaves office. (Government Code 87302, 87500)

Bylaw 9223: Filling Vacancies

Status: DRAFT - Keep

Original Adopted Date: 09/01/1989 **| Last Revised Date:** 06/01/2024

Events Causing a Vacancy

A vacancy on the Governing Board may arise from any of the following events:

1. The death of an incumbent (Government Code 1770)
2. The adjudication pursuant to a quo warranto proceeding declaring that an incumbent is physically or mentally incapacitated due to disease, illness, or accident and that there is reasonable cause to believe that the incumbent will not be able to perform the duties of the office for the remainder of the term (Government Code 1770)
3. A Board member's resignation in accordance with Board Bylaw 9222 - Resignation (Government Code 1770)
4. A Board member's removal from office by recall (Elections Code 11000-11386; Government Code 1770)
5. A Board member's ceasing to be a resident of the district (Government Code 1770)
6. A Board member's ceasing to inhabit the trustee area represented by the Board member (Government Code 1770)
7. A Board member's absence from the state for more than 60 days, except in the following situations: (Government Code 1064, 1770)
    a. Upon district business with the approval of the Board
    b. With the consent of the Board for an additional period not to exceed a total absence of 90 days or, in the case of illness or other urgent necessity and upon a proper showing thereof, for more than 90 days
    c. For federal military deployment, not to exceed an absence of a total of six months, as a member of the armed forces of the United States or the California National Guard

    If the absence of the Board member for this purpose exceeds six months, the Board may approve an additional six-month absence upon a showing that there is a reasonable expectation that the member will return within the second six-month period, and the Board may appoint an interim member to serve during the absence. If two or more Board members are absent by reason of these circumstances, and those absences result in the inability to establish a quorum at a regular meeting, the Board may immediately appoint one or more interim members as necessary to enable the Board to conduct business and discharge its responsibilities. The term of an interim member appointed in these circumstances shall not extend beyond the return of the absent Board member or beyond the next regularly scheduled election for that office, whichever occurs first.
8. A Board member's ceasing to discharge the duties of the office for the period of three consecutive months, except when prevented by sickness or when absent from the state with the permission required by law (Government Code 1770)
9. A Board member's conviction of a felony or any offense involving a violation of official duties or conviction of a designated crime resulting in a forfeiture of office (Government Code 1770, 3000-3003)
10. A Board member's refusal or neglect to file the required oath within the time prescribed (Government Code 1770)
11. The decision of a competent tribunal declaring void a Board member's election or appointment (Government Code 1770)
12. A Board member's commitment to a hospital or sanitarium as a drug addict, dipsomaniac, inebriate, or stimulant addict by a court of competent jurisdiction, in which case the office shall not be deemed vacant until

the order of commitment has become final (Government Code 1770)

13. A "failure to elect" in which no candidate or an insufficient number of candidates have filed to run for a Board seat(s) (Education Code 5090, 5326, 5328)

Timelines for Filling a Vacancy

When a vacancy occurs, the Board shall take the following action, as appropriate:

1. When a vacancy occurs within four months of the end of a Board member's term, the Board shall take no action. (Education Code 5093)

2. When a vacancy occurs between six months and 130 days before a regularly scheduled Board election at which the vacant position is not scheduled to be filled, the vacancy shall be filled by a special election consolidated with the regular election. The person so elected shall take office at the first regularly scheduled Board meeting following the certification of the election and shall serve only until the end of the term of the position which the person was elected to fill. (Education Code 5093)

3. When a vacancy occurs any time outside of the statutory time windows identified in Items #1 and #2 above, the Board shall either order an election or make a provisional appointment within 60 days of the date of the vacancy or the filing of the member's deferred resignation, whichever is sooner. (Education Code 5091, 5093)

Eligibility for Appointment

In order to be appointed to fill a vacancy on the Board, a person must meet the eligibility requirements specified in law and Board Bylaw 9220 - Governing Board Elections.

Provisional Appointments

When, as authorized by law, the Board has opted to make a provisional appointment to fill a vacancy, the Board, by resolution, may approve the procedures for selecting the person to be provisionally appointed to fill the vacancy. These procedures may, but are not required to, include the following:

1. Advertising in the local media to solicit candidate applications

2. Establishing a committee consisting of less than a quorum of the Board to ensure that applicants are eligible for Board membership and announce the names of the eligible candidates

3. Interviewing the candidates at a public meeting

Within 10 days after the Board makes a provisional appointment to fill a Board vacancy, the Superintendent or designee, on behalf of the Board, shall post a notice of the actual vacancy, or the filing of a deferred resignation, and the provisional appointment. The Superintendent or designee shall post the notice as follows: (Education Code 5092)

1. In three public places in the district or, if applicable, trustee area

2. On the district's website

3. In a newspaper of general circulation published in the district, if such a newspaper exists

The notice shall contain: (Education Code 5092)

1. The fact of the vacancy or resignation

2. The date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation

3. The full name of the provisional appointee to the Board and the date of the provisional appointee's appointment

4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent of Schools within 30 days of the provisional

appointment, the appointment shall become effective

The person appointed shall only hold office until the next regularly scheduled election for district Board members. (Education Code 5091)

If within 30 days of the Board's appointment, registered voters of the district or, where elections are by trustee areas, of the trustee area, submit a petition for special election that the County Superintendent determines to be legally sufficient, the provisional appointment is terminated, and a special election shall be held in accordance with Education Code 5091 to fill the vacancy.

Appointment Due to Failure to Elect

When a vacancy occurs because no candidate or an insufficient number of candidates have been nominated and a district election will not be held, the Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the district election. (Education Code 5328)

When an appointment is being made because of a failure to elect, the district shall publish a notice once in a newspaper of general circulation published in the district, or if no such newspaper exists, in a newspaper having general circulation within the district. This notice shall state that the Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

When, as authorized by law, the Board seeks to make an appointment because of a failure to elect, the Board, by resolution, may approve any additional the procedures for selecting the person to be appointed to fill the vacancy.

Bylaw 9224: Oath Or Affirmation

Status: DRAFT - Keep

Original Adopted Date: 09/01/1991 **| Last Revised Date:** 03/01/2025

Prior to entering upon the duties of the office of a Governing Board member or exercising any function of a Board member, each Board member shall take the oath or affirmation required by law. (California Constitution, Article 20, Section 3; Government Code 1360)

The oath or affirmation may be administered and certified by a Board member, the secretary or assistant secretary to the Board, the Superintendent, the County Superintendent of Schools, the Superintendent of Public Instruction, or any other person authorized in Education Code 60 or Government Code 1225.

The executed oath shall be filed with the County Clerk. (Government Code 1363)

Bylaw 9230: Orientation

Status: DRAFT - Keep

Original Adopted Date: 07/01/2008 **| Last Revised Date:** 07/01/2017

The Governing Board recognizes the importance of providing all newly elected or appointed Board members with support and information to assist them in becoming effective members of the Board. Incoming Board members shall be provided an orientation designed to build their knowledge of the district and an understanding of the responsibilities of their position. Such orientation may include the provision of information, support, and/or training related to Board functions, policies, protocols, and standards of conduct.

As early as possible following the election or appointment of Board members, one or more orientation sessions shall be held during open meeting(s) of the Board. The Board president and the Superintendent or designee shall develop an agenda for the meeting(s) and shall identify resources that may be useful for incoming Board members.

Upon their election or appointment, incoming Board members shall be provided a copy of the Brown Act and informed that, pursuant to Government Code 54952.1, they must conform to the Act's requirements as if they had already assumed office. Additional information for incoming Board members may include, but is not limited to, Board bylaws related to the limits of individual Board member authority, the conduct of Board meetings, and other Board operations; governance standards for ethical conduct; legal requirements related to conflict of interest and prohibited political activity; protocols for speaking with district staff, members of the public, and the media; and publications on effective governance practices.

In addition, the Superintendent or designee shall provide incoming Board members with specific background information regarding the district, including, but not limited to, the district's vision and goals statements, local control and accountability plan and other comprehensive plans, student demographic data, student achievement data, district policy manual, district budget, and minutes of recent open Board meetings.

The Superintendent or designee may offer incoming Board members a tour of district schools and facilities, and may introduce them to district and school site administrators and other staff.

Incoming members are encouraged, at district expense and with approval of the Board, to attend the California School Boards Association's Orientation for New Trustees, Institute for New and First-Term Board Members, and workshops and conferences relevant to the needs of the individual member, the Board as a whole, or the district.

Bylaw 9240: Board Training

Status: DRAFT - Keep

Original Adopted Date: 12/01/1987 **| Last Revised Date:** 12/01/2024

The Governing Board believes that the Board's ability to effectively and responsibly govern the district is essential to promoting student achievement, building positive community relations, and protecting the public interest in district schools. Board members shall participate in mandatory ethics training, as outlined below, and are encouraged to participate in ongoing opportunities for professional development sufficient to help them understand their responsibilities, stay abreast of new developments in education, and improve governance skills.

Unless a Board member's term expires prior to January 1, 2026, each Board member shall complete ethics training in accordance with Government Code 53234-53235.2 by January 1, 2026, and at least once every two years thereafter. (Government Code 53235)

Once completed, the Board member shall inform the Board president and Superintendent, who shall ensure that records are retained for each Board member's participation in the required ethics training.

The Board president and/or the Superintendent or designee shall provide an orientation to newly elected or appointed Board members consistent with Board Bylaw 9230 - Orientation.

The Board president shall work with the Superintendent or designee to include funds for professional development and associated reasonable travel expenses for the Board as a whole and for each individual Board member in the district's proposed annual budget.

Consistent with the availability of funds in the district's adopted annual budget, the Board president or designee shall annually develop, and bring to the Board for adoption at a Board meeting, a Board professional development calendar designed to assist the Board as a whole in understanding the principles of effective governance, including, but not limited to, information on school finance and budgets, student achievement and assessment, labor relations, community relations, program evaluation, open meeting laws (the Brown Act), conflict of interest laws, and other topics necessary to govern effectively and in compliance with law.

Consistent with the availability of funds in the district's adopted annual budget, individual Board members may identify and participate in additional professional development opportunities, and shall timely inform the Board president and the Superintendent upon doing so. Additionally, the Superintendent or designee shall establish timelines and procedures for how an individual Board member shall request that the district pay for such professional development opportunities, whether in advance or by reimbursement.

Board members are encouraged to consider participating in the professional development opportunities offered by CSBA such as the Institute for New and First-Term Board Members, Masters in Governance Program, Annual Education Conference and Trade Show, Legal Symposium for Experienced Board Members, Board Presidents Workshop, Brown Act Workshop, Policy Update Webinars, and Ethics Trainings.

Individual Board members are encouraged to share the knowledge or skills acquired from individual professional development opportunities with the full Board, thereby benefiting the Board and district.

Consistent with Board Bylaw 9320 - Meetings And Notices, Board members may attend a professional development opportunity as part of a conference or similar public gathering, such as the Annual Education Conference and Trade Show hosted by CSBA, so long as a majority of the Board members do not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the district's jurisdiction

Bylaw 9260: Legal Protection

Status: DRAFT - Keep

Original Adopted Date: 03/01/1988 **| Last Revised Date:** 03/01/2025

Liability Insurance

The Governing Board shall provide insurance necessary to protect Board members from liability caused by a negligent act or omission that occurs within the scope of the Board member's office in accordance with Education Code 35208.

Protection Against Personal Liability

No Board member shall be liable for any harm caused by the Board member's negligent act or omission when acting within the scope of the Board member's responsibilities, including, but not limited to, Board responsibilities as specified in Board Bylaw 9000 - Role Of The Board. Additionally, no Board member shall be vicariously liable for injuries caused by the district's acts or omissions. (Education Code 35208; Government Code 820.9)

In addition, no Board member shall be liable for any harm caused by the Board member's act or omission if the Board member was acting within the scope of the Board member's responsibilities, made in conformity with federal, state, and local laws, and made in furtherance of an effort to control, discipline, expel or suspend a student, or maintain order or control in the classroom or school. (20 USC 7946)

This protection against liability shall not apply when: (20 USC 7946)

1. The Board member acted with willful or criminal misconduct, gross negligence, recklessness, or a conscious, flagrant indifference to the harmed person's right to safety
2. The Board member caused harm by operating a motor vehicle
3. The Board member was not properly licensed, if required, by the State for such activities
4. The Board member was found by a court to have violated a federal or state civil rights law
5. The Board member was under the influence of alcohol or any drug at the time of the misconduct
6. The misconduct constituted a crime of violence pursuant to 18 USC 16 or an act of terrorism for which the Board member has been convicted in a court
7. The misconduct involved a sexual offense for which the Board member has been convicted in a court

Nothing in this Board bylaw is intended to protect a Board member from criminal or civil liability for injury caused by the Board member's own wrongful conduct, for certain violations of law, including the Brown Act, or for liability from the requirement to reimburse the district under certain circumstances as specified in law. (Government Code 820.9, 825, 825.6, 54959, 54960)

Bylaw 9270: Conflict Of Interest

Status: DRAFT - Keep

Original Adopted Date: 07/01/2010 **| Last Revised Date:** 12/01/2024

The Governing Board desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. Accordingly, no "District Official," defined as a Board member or position designated in the district's conflict of interest code, shall participate in the making of any decision for the district when the decision will or may be affected by the District Official's financial, family, or other personal interest or consideration, as defined by law.

Additionally, a Board member shall abstain from voting on personnel matters that uniquely affect the Board member's relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which the Board member's relative belongs. Relative means an adult who is related to the Board member by blood or affinity within the third degree, as determined by common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner, unless the individual is widowed or divorced.

Conflict of Interest Code

The Board shall adopt a conflict of interest code for the district that incorporates the provisions of 2 CCR 18730 by reference, delineates the District Officials, and provides the disclosure categories required for each position. The conflict of interest code shall be submitted to the district's code reviewing body for approval, in accordance with Government Code 87303 and within the deadline for submission established by the code reviewing body.

Upon direction by the code reviewing body, the Board shall review its conflict of interest code and submit any changes to the code reviewing body or, if no change is required, the Board shall submit a written statement to that effect. (Government Code 87306.5)

When a change in the district's conflict of interest code is necessitated due to changed circumstances, such as the creation of new District Officials or changes to the duties of District Officials, the Board shall amend the code, which shall then be submitted to the code reviewing body within 90 days after the changed circumstances necessitating the amendments have become apparent. (Government Code 87306)

When reviewing and preparing the district's conflict of interest code, the Superintendent or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

Conflict of Interest under the Political Reform Act

A District Official shall not make, participate in making, or in any way use or attempt to use an official position to influence a governmental decision in which the District Official knows or has reason to know that there is a disqualifying conflict of interest. A disqualifying conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect," which is distinguishable from the effect on the public generally, on the District Official's immediate family, or any financial interest described in 2 CCR 18700. (Government Code 87100, 87101, 87103; 2 CCR 18700-18707)

A District Official makes a governmental decision when, acting within the authority of the office or position, the District Official authorizes or directs any action on a matter, votes or provides information or opinion on it, contacts or appears before other District Officials for the purpose of affecting the decision, or takes any other action specified in 2 CCR 18704.

However, a District Official is not prohibited from participating in the making of a contract in which the District Official has a financial interest if such participation is required by the rule of necessity or legally required participation pursuant to Government Code 87101 and 2 CCR 18705.

Conflict of Interest from Campaign Contributions

Prior to the district rendering a decision in a proceeding before the district involving a contract, license, permit, or other entitlement for use, as defined by Government Code 84308, a Board member whose campaign committee received a contribution of more than $500 from any party or participant to the proceeding, or from an agent of such a party or participant, in the prior 12 months, and the party who made such a contribution, shall both publicly disclose that fact on the record of the proceeding. Additionally, if a Board member willfully or knowingly received a contribution to the Board member's campaign committee of more than $500 from any party or participant to such a proceeding, or from an agent of a party or participant, in the prior 12 months, and knows or has reason to know that the participant has a financial interest in the district's decision, the Board member shall not make, participate in making, or in any way attempt to use the Board member's official position to influence the district's decision in the proceeding. However, a Board member may make, participate in making, or attempt to use the Board member's official position to influence the decision if the contribution is returned within 30 days after the decision was made or after the Board member knows or should have known about the contribution and the proceeding, whichever is later.

All Board members and the Superintendent are prohibited from accepting, soliciting, or directing a contribution of more than $500 to a candidate or ballot measure campaign committee from any party or participant to a proceeding before the district involving a contract, license, permit, or other entitlement for use, as defined by Government Code 84308, or from an agent of a party or participant, while the proceeding is pending before the district and for 12 months following the date the district renders a final decision in the proceeding, if the Board member or Superintendent knows or has reason to know that the participant has a financial interest in the district's decision. However, if a Board member or the Superintendent does accept, solicit, or direct such a contribution during those 12 months but did not do so knowingly or willingly, the Board member or the Superintendent may cure the violation by ensuring that the contribution, or the portion exceeding $500, is returned within 30 days of accepting, soliciting, or directing the contribution. The Board member or Superintendent shall maintain records of curing the violation. (Government Code 84308)

For a Board member or the Superintendent, a proceeding becomes "pending" when an item involving the contract, license, permit, or other entitlement for use, as defined by Government Code 84308, is placed on a Board agenda for discussion or decision or when it is reasonably foreseeable that the proceeding will come before the district for a decision. For a party or participant, and the agent of a party of participant, a proceeding becomes "pending" when an application is filed with the district, or, if the proceeding process does not require an application, when the proceeding is before the district for a decision or other action. (Government Code 84308)

The contributions disclosure requirements and restrictions above do not apply to contracts that are required to be competitively bid, labor contracts, personal employment contracts, contracts valued under $50,000, contracts where no party receives financial compensation, or contracts with another governmental agency. (Government Code 84308)

Form 700

Each District Official shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict of interest code. An individual who ceases to be a District Official shall, within 30 days, file a revised statement covering the period of time between the closing date of the last required statement and the date the individual ceased to be a District Official. (Government Code 87302)

Additional Requirements for Boards that Manage Public Investments

Any Board member, district employee, or district consultant who manages public investments, as defined by Government Code 87200, and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict of interest and immediately prior to the consideration of the matter, do all of the following: (Government Code 87105; 2 CCR 18707)

1. Publicly identify each financial interest that gives rise to the conflict or potential conflict of interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required

2. Not discuss or vote on the matter, or otherwise act in violation of Government Code 87100

   For a Board member, the Board member shall not be counted toward achieving a quorum while the item is discussed.

3. Leave the room until after the discussion, vote, and any other disposition of the matter is concluded

   However, the Board member, district employee, or district consultant who manages public investments, as defined by Government Code 87200, may speak on the issue during the time that the general public speaks on it. Additionally, for a Board member, if the matter has been placed on the consent calendar, the Board member shall abstain from voting on the consent calendar or, if the Board removes the item from the consent calendar, the Board member shall abstain from voting on the item. In any event, the Board member shall refrain from discussing or voting on the item. However, the Board member is not required to leave the room during consideration of the consent calendar.

4. If a decision is made during closed session, disclose the interest orally during the open session preceding the closed session

   This disclosure shall be limited to a declaration that the recusal is because of a conflict of interest pursuant to Government Code 87100. The Board member, district employee, or district consultant who manages public investments, as defined by Government Code 87200, shall not be present when the item is considered in closed session and shall not knowingly obtain or review a recording or any other nonpublic information regarding the decision.

Conflict of Interest under Government Code 1090 - Financial Interest in a Contract

A District Official shall not be financially interested in any contract made by the district, including in the development, internal discussions, negotiations, modifications, planning, deliberation of issues, and specifications and solicitations for bids. If a District Official has such a financial interest in a contract made by the district, the contract is void. (Government Code 1090)

Remote Interest Exception to Government Code 1090

A Board member shall not be considered to be financially interested in a contract in which there is only a "remote interest," as specified in Government Code 1091, if the interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. (Government Code 1091)

Noninterest Exception to Government Code 1090

A District Official shall not be considered to be financially interested in a contract if the interest is reimbursement for actual and necessary expenses incurred in the performance of official duties, in the employment of a spouse/registered domestic partner who has been a district employee for at least one year prior to the Board member's election or appointment, or in any other "noninterest" specified in Government Code 1091.5.

Common Law Doctrine Against Conflict of Interest

A District Official shall abstain from any official action in which the District Official's private or personal interest may conflict with official duties pursuant to the common law doctrine against conflict of interest.

Incompatible Offices and Activities

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district. (Government Code 1099, 1126)

Gifts

District Officials may accept gifts only under the conditions and limitations specified in law including, but not limited to, Government Code 89503 and 2 CCR 18730.

Gifts of travel and related lodging and subsistence shall be subject to the current gift conditions and limitations, except when: (Government Code 89506)

1. The travel is in connection with a speech given by a District Official, provided the lodging and subsistence expenses are limited to the day immediately preceding, the day of, and the day immediately following the

speech and the travel is within the United States

2. The travel is provided by a person or agency specified in Government Code 89506, including a government, governmental agency or authority, bona fide public or private educational institution, as defined in Revenue and Taxation Code 203, or nonprofit organization exempt from taxation under section 501(c)(3) of the Internal Revenue Code

Gifts of travel exempted from the gift limitation, as described in Items #1 and 2 above, shall nevertheless be reportable on the recipient's Statement of Economic Interest/Form 700 as required by law.

A gift of travel does not include travel provided by the district for District Officials. (Government Code 89506)

Honoraria

District Officials shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private conference, convention, meeting, social event, meal, or like gathering. (Government Code 89501, 89502)

The term honorarium does not include: (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession, unless the sole or predominant activity of the business, trade, or profession is making speeches

2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

Advice

Any District Official, who, in good faith, believes that they may be subject to the requirements of this Bylaw and has questions, is unclear, or is unsure regarding the application of the requirements of this Bylaw to any particular instance or situation, may seek advice from the district's legal counsel with the permission of the Superintendent, Board President, or majority of the Board.

Training

Unless a Board member's term expires prior to January 1, 2026, each Board member shall complete ethics training in accordance with Government Code 53234-53235.2 by January 1, 2026, and at least once every two years thereafter as specified in Board Bylaw 9240 - Board Training.

APPENDIX

Disclosure Categories

Category 1: A District Official designated "Category 1" shall disclose the following:

a. Interests in real property located entirely or partly within district boundaries, or within two miles of district boundaries, or of any land owned or used by the district

b. Investments or business positions in or income from sources which are engaged in the acquisition or disposal of real property within the district, are contractors or subcontractors which are or have been within the past two years engaged in work or services of the type used by the district, or manufacture or sell supplies, books, machinery, or equipment of the type used by the district

Category 2: A District Official designated "Category 2" shall disclose the following:

a. Investments or business positions in or income from sources which are contractors or subcontractors engaged in work or services of the type used by the department which the designated person manages or directs

b. Investments or business positions in or income from sources which manufacture or sell supplies, books, machinery, or equipment of the type used by the department which the designated person manages or directs

   For a principal in this category, the principal's department is the principal's entire school.

Category 3 (Applicable to positions that "manage public investments," as defined by Government Code 87200): A District Official designated "Category 3" shall disclose, in accordance with Government Code 87200-87210, the following:

a. Interests in real property located entirely or partly within district boundaries, or within two miles of district boundaries, or of any land owned or used by the district

b. Investments, business positions, and sources of income, including gifts, loans, and travel payments

Designated Positions

District Officials	Disclosure Category
Governing Board Members	1 or 3
Superintendent	1 or 3
Assistant/Associate Superintendent	1 or 3
Purchasing Agent	1
Director	2
Principal	2

Disclosures for Consultants

The Superintendent or designee shall annually determine, on a case-by-case basis, which district consultants, if any, shall constitute District Officials and who shall disclose financial interests. The Superintendent or designee's written determination shall include a description of the consultant's duties and a statement of the extent of disclosure requirements based upon that description. All such determinations are public records and shall be retained for public inspection along with this conflict of interest code.

A consultant is an individual who, pursuant to a contract with the district, makes a governmental decision whether to: (2 CCR 18700.3)

1. Approve a rate, rule, or regulation

2. Adopt or enforce a law

3. Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement

4. Authorize the district to enter into, modify, or renew a contract that requires district approval

5. Grant district approval to a contract that requires district approval and in which the district is a party, or to the specifications for such a contract

6. Grant district approval to a plan, design, report, study, or similar item

7. Adopt or grant district approval of district policies, standards, or guidelines

A consultant is also an individual who, pursuant to a contract with the district, serves in a staff capacity with the district and in that capacity participates in making a governmental decision as defined in 2 CCR 18704 or performs the same or substantially all the same duties for the district that would otherwise be performed by an individual holding a position specified in the district's conflict of interest code. (2 CCR 18700.3)

Bylaw 9310: Board Policies

Status: DRAFT - Keep

Original Adopted Date: 06/01/1999 **| Last Revised Date:** 11/01/2025

Definitions

Board policies are the written rules of the district. They establish the parameters by which staff, students, parents/guardians, volunteers, contractors, visitors, and others shall abide while attending or participating in district programs or activities, on district property, or otherwise within the jurisdiction of the district. Additionally, Board policies clarify the roles and responsibilities of the Governing Board and Superintendent, and communicate Board philosophy and values to students, staff, parents/guardians, and the community.

Board bylaws are specific Board policies that govern the operations of the Board and establish the rights and obligations of Board members.

Administrative regulations, which shall not be inconsistent with Board policies, are written rules that implement Board policies or prescribe the operations and administration of the district. In case of conflict between an administrative regulation and a Board policy, the Board policy, or applicable portion thereof, shall prevail.

Board policies and administrative regulations shall align with the district's vision and goals, promote student learning and achievement, provide for consistent and fair treatment of students and staff, and proactively address equity and the provision of equal access to opportunities for all students.

The Board recognizes the importance of maintaining Board policies and administrative regulations that are up to date and reflect the mandates of law. Board policies or administrative regulation shall be binding to the extent that they do not conflict with federal or state law and are consistent with the district's collective bargaining agreements. No Board policy or administrative regulation, or any portion thereof, shall be operative if the Superintendent determines, based on advice of district legal counsel, it is in conflict with applicable federal or state law or regulations or court decisions. However, any portion of a Board policy or administrative regulation so determined to be inoperative shall not affect the operability of other provisions of the Board policy or administrative regulation.

Board Policy Development and Adoption

The Board shall regularly review Board policies and shall do so at Board meetings or Policy Committee meetings, as applicable. Additionally, the Board shall annually review the policies specified in Education Code 35160.5. If no revisions are deemed necessary, the Board minutes for the applicable meeting shall nevertheless indicate that the review was conducted. Other Board policies shall be monitored and reviewed as specified in the Board policy itself or as needed to reflect changes in law or district circumstances.

The following steps shall be used to develop, propose, and adopt a new Board policy or revisions to an existing Board policy:

1. The Board and/or Superintendent or designee shall identify the need for a new or revised Board policy

2. As needed, the Superintendent or designee shall gather fiscal data, staff and public input, related Board policies or administrative regulations, sample Board policies from the California School Boards Association, legal advice, and other useful information and data

3. The Board may agendize one or more discussions or presentations with respect to the need for a new or revised Board policy

   As part of those discussions or presentations, the Board may request additional information or research and may provide direction to the Superintendent or designee regarding how to proceed with proposing a new or revised Board policy, including a request for review by district legal counsel.

4. Once drafted, the proposed new or revised Board policy shall be agendized at two separate Board meetings, with the first for public input and Board review and direction, and the second for further discussion, if warranted, and Board action

The Board may waive or modify any of the above requirements on a case-by-case basis.

All Board policies shall be formally adopted by a majority vote of the Board.

Board policies shall become effective upon Board adoption or at a future date if so designated by the Board at the time of adoption.

At any time, the Board and Superintendent or designee may determine that progress reports to the Board on the implementation and/or effectiveness of a Board policy are necessary. If so, the Board and Superintendent or designee shall agree upon a timeline and, as applicable, measures for evaluating the effectiveness of the Board policy in achieving its purpose.

Administrative Regulation Development and Approval

The Superintendent or designee shall be responsible for the development and approval of administrative regulations.

When new Board policies are created or existing Board policies are revised, the Superintendent or designee shall, as necessary, create or revise any applicable administrative regulations to ensure that they conform to the intent of the new or revised Board policy.

To carry out the intent of the Board, the Superintendent or designee may, in addition to developing and approving administrative regulations, develop procedures manuals, handbooks, or other guides.

Access

The Superintendent or designee shall ensure that all district employees and the public have easy and free access to all Board policies, administrative regulations, and, as applicable, related documents

Bylaw 9320: Meetings And Notices

Status: DRAFT - Keep

Original Adopted Date: 03/01/2008 **| Last Revised Date:** 02/01/2026

Meetings of the Governing Board are conducted for the purpose of accomplishing district business. The Board may meet in open session or closed session, as necessary, in accordance with applicable open meeting laws (Brown Act), and Board Bylaw 9320.1 - Remote Meetings and Attendance, Board Bylaw 9321 - Closed Session, Board Bylaw 9322 - Agenda/Meeting Materials, and Board Bylaw 9323 - Meeting Conduct.

A Board meeting exists whenever a majority of Board members gathers at the same time and location, including remotely or electronically, to hear, discuss, deliberate, or take action upon any item within the subject matter jurisdiction of the Board. (Government Code 54952.2)

In accordance with Board Bylaw 9012 - Board Member Electronic Communications, a majority of the Board shall not use a series of communications of any kind, directly or through intermediaries or technology, including official or personal social media accounts, to discuss, deliberate, or take action on any matter that is within the subject matter jurisdiction of the Board. (Government Code 54952.2)

However, the Superintendent or designee may engage in separate conversations or communications with Board members in order to answer questions or provide information regarding any matter within the subject matter jurisdiction of the Board, as long as that employee or district official does not communicate the comments or position of any Board members to other Board members. (Government Code 54952.2)

Regular Meetings

Unless otherwise determined by the Board, the Board shall hold 2 regular Board meeting(s) each month starting at 6:30 p.m. on the first and third Thurs (day(s)) of the month at Sacramento City USD, Serna Center, 5735 46th Ave, Sacramento, CA 95824.

At least 72 hours prior to a regular Board meeting, the agenda shall be posted at one or more locations freely accessible to members of the public, on the district's website, and at any location required by Board Bylaw 9320.1 - Remote Meetings and Attendance. (Government Code 54954.2)

Consistent with Board Bylaw 9322 - Agenda/Meeting Materials, whenever agenda materials relating to an open session of a regular Board meeting are distributed to the Board less than 72 hours before the meeting, the Superintendent or designee shall make the materials available for public inspection at a public office or location designated for that purpose. The records shall be posted on the district website at the time the materials are distributed to all or a majority of the Board if distributed outside of business hours. (Government Code 54957.5)

Special Meetings

Special meetings of the Board may be called at any time by the presiding officer or a majority of the Board members on any topic within the subject matter jurisdiction of the Board unless otherwise prohibited by law or as specified in BB 9323.2 - Actions by the Board. (Government Code 54956)

At least 24 hours before the noticed start time, written notice of a special Board meeting shall be: (Government Code 54953.8, 54953.8.3, 54956)

1. Delivered personally or by any other means to all Board members and the local media who have requested such notice in writing

2. Posted on the district's website and in a location freely accessible to the public.

3. Posted in any location required by Board Bylaw 9320.1 - Remote Meetings and Attendance

The notice shall specify the time and location of the special Board meeting and the business to be transacted or discussed. No other business shall be considered. (Education Code 35144; Government Code 54956)

Any Board member may waive the 24-hour written notice requirement prior to the time of the special Board meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it convenes. (Education Code 35144; Government Code 54956)

Emergency Meetings

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency Board meeting as long as it complies with all requirements of a special Board meeting, except the 24-hour notice and/or 24-hour posting requirements. (Government Code 54956.5)

The Board may meet in closed session during an emergency Board meeting so long as two-thirds of the members present at the meeting agree or, if less than two-thirds of the members are present, by unanimous vote of the members present. (Government Code 54956.5)

Except in the case of a dire emergency, the Board president or designee shall give notice of the emergency Board meeting by telephone or email at least one hour before the meeting to the local media that have requested notice of special Board meetings. As applicable, all telephone numbers or email addresses provided by the media in the most recent request for notification shall be exhausted. If telephone or internet services are not functioning, the notice requirement of one hour is waived and, as soon after the emergency Board meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time notification as is given to the other members of the Board. (Government Code 54956.5)

The minutes of the emergency Board meeting, a list of persons the Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted for at least 10 days in a public place as soon as possible after the meeting. (Government Code 54956.5)

An *emergency* means a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the Board. (Government Code 54956.5)

A *dire emergency* means a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency Board meeting may endanger the public health and/or safety as determined by a majority of the members of the Board. (Government Code 54956.5)

Adjourned/Continued Meetings

The Board may adjourn/continue any regular or special Board meeting to a later time and location that shall be specified in the order of adjournment. Less than a quorum of the Board may adjourn/continue such a meeting. If no Board members are present, the secretary or the clerk may declare the Board meeting adjourned/continued to a later time and location and shall give notice in the same manner required for special Board meetings. (Government Code 54955)

Within 24 hours after the time of adjournment/continuance, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the location where the Board meeting was held. (Government Code 54955)

Study Sessions, Retreats, Public Forums, and Discussion Meetings

The Board may convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public. Additionally, the Board may convene a retreat to discuss Board roles and relationships. Any such Board meeting, regardless of title or topic, shall be held as a regular or special Board meeting, as appropriate, and shall comply with all other requirements for regular or special Board meetings. (Government Code 54956)

Other Gatherings

Attendance by a majority of Board members at any of the following events is not subject to the Brown Act provided that a majority of the Board members do not discuss specific district business among themselves other than as part of the scheduled program: (Government Code 54952.2)

1. A conference or similar public gathering open to the public that involves a discussion of issues of general interest to the public or to school board members

2. An open, publicized meeting organized by a person or organization other than the district to address a topic of local community concern

3. An open and noticed meeting of another body of the district

4. An open and noticed meeting of a legislative body of another local agency

5. A purely social or ceremonial occasion

6. An open and noticed meeting of a standing committee of the Board established pursuant to Board Bylaw 9130 - Board Committees, provided that the Board members who are not members of the standing committee attend only as observers

Individual contacts or conversations between a Board member and any other person that are not part of a series of communications prohibited by the Brown Act are permitted. (Government Code 54952.2)

Location of Meetings

Unless the Board is holding a remote Board meeting during a proclaimed state of emergency or local emergency in accordance with Board Bylaw 9320.1 - Remote Meetings and Attendance, all Board meetings shall be held within district boundaries, except to do any of the following: (Government Code 54954)

1. Comply with state or federal law or court order or attend a judicial or administrative proceeding to which the district is a party

2. Inspect real or personal property which cannot conveniently be brought into the district, provided that the topic of the meeting is limited to items directly related to the property

3. Participate in meetings or discussions of multiagency significance, provided these meetings are held within one of the other agencies' boundaries, with all participating agencies giving the notice required by law

4. Meet in the closest meeting facility if the district has no meeting facility within its boundaries or if its principal office is located outside the district

5. Meet with elected or appointed state or federal officials when a local meeting would be impractical, solely to discuss legislative or regulatory issues affecting the district over which the state or federal officials have jurisdiction

6. Meet in or near a facility owned by the district but located outside the district, provided the meeting agenda is limited to items directly related to that facility

7. Visit the office of the district's legal counsel to meet in closed session on pending litigation, when doing so would reduce legal fees or costs

8. Attend conferences on nonadversarial collective bargaining techniques

9. Interview residents of another district regarding the Board's potential employment of an applicant for Superintendent of the district

10. Interview a potential employee from another district

All Board meetings, regardless of location, shall comply with the applicable notice and open meeting requirements. Additionally, no such meeting may be held in a facility that prohibits the admittance of any person on the basis of ancestry or any characteristic listed in Government Code 11135, which is inaccessible to individuals with disabilities, or where members of the public must make a payment or purchase in order to be admitted. (Government Code 54961)

If a fire, flood, earthquake, or other emergency renders the posted regular or special Board meeting location unsafe and the deadline for posting the location has passed, the meeting shall be held at a location designated by the Board president or designee, who shall so inform all news media who have requested notice of meetings pursuant to

Government Code 54956 by the most rapid available means of communication. (Government Code 54954)

Bylaw 9320.1: Remote Meetings and Attendance

Status: DRAFT - Keep

Original Adopted Date: 02/01/2026

The Governing Board recognizes the need, when permitted by law, to hold Board meetings in which the Board members meet remotely or in which individual Board members attend and participate remotely.

Definitions

Local emergency means either of the following that impacts persons under the jurisdiction of the district or property within the boundaries of the district: (Government Code 54953.8.2)

1. A condition of extreme peril proclaimed by a city, county, or city and county pursuant to Government Code 8630

2. A local health emergency proclaimed pursuant to Health and Safety Code 101080

Remote means not being physically present at the primary in-person location of a Board meeting, and includes the terms "teleconference" and "virtual."

Remote attendance and participation means the ability to attend and participate in a Board meeting by electronic means, through either audio or visual technology, or both.

Remote Board Member means a Board member, not physically present at the Board meeting, who nonetheless seeks to attend and participating in a Board meeting.

State of Emergency means state of emergency proclaimed pursuant to Government Code 8625.

Traditional Method of Remote Attendance

A remote Board member may attend and participate in a Board meeting so long as all of the following conditions are met: (Government Code 54953)

1. All votes taken during the meeting are by rollcall

2. The meeting is conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board

3. The physical location of the remote Board member is open and accessible to the public during the meeting, except during closed session, such that members of the public may observe in person the remote Board member; may hear, listen to, or watch the meeting to the same extent as the remote Board member; and may make public comment during the same portion of the agenda as other members of the public from the same location as the remote Board member

4. The location from which the remote Board member will attend the meeting is noted in the agenda and the agenda is posted at that location in advance of the meeting as statutorily required based on the type of meeting

5. At least a quorum of the Board is within district boundaries

Remote Attendance as an Accommodation

A Board member with a qualifying disability under the Americans with Disabilities Act that precludes the Board member from attending a Board meeting in person or from attending and participating remotely in a Board meeting using the method specified in "Traditional Method of Remote Attendance" above may request to attend and participate remotely as a reasonable accommodation for the Board member's disability.

If the request is granted based on the district's process for reviewing reasonable accommodations, the remote Board member shall be permitted to attend and participate in the Board meeting as long as the following requirements are met: (Government Code 54953)

1. All votes taken during the meeting are by rollcall

2. The remote Board member utilizes both audio and visual technology to participate in the meeting, except no visual technology shall be required if a physical condition related to their disability results in a need to participate off camera

3. The remote Board member publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual

In this circumstance, the following conditions are not required: (Government Code 54953)

1. Including the location of the remote Board member in the agenda

2. Making the location of the remote Board member open and accessible to the public

3. Posting the agenda at the location of the remote Board member

Additionally, in this circumstance, the remote Board member shall be considered to be attending in-person at the physical meeting location for all purposes, including any requirement that a quorum participate from any particular location. (Government Code 54953)

These requirements and conditions may be modified as required by law or the district may offer another reasonable accommodation as appropriate.

Remote Attendance Due to Just Cause

Beginning July 1, 2026, a remote Board member may attend and participate in a Board meeting based on any of the following "just cause" reasons: (Government Code 54953.8.3)

1. A childcare or caregiving need of a Board member's child, parent, grandparent, grandchild, sibling, spouse, or domestic partner that requires the Board member to attend and participate remotely

2. A contagious illness that prevents a Board member from attending in person

3. A need related to a Board member's physical or mental condition not otherwise reasonably accommodated

4. A Board member is traveling while on official business of the Board or another state or local agency

5. An immunocompromised child, parent, grandparent, grandchild, sibling, spouse, or domestic partner of a Board member requires the Board member to attend and participate remotely

6. A physical or family medical emergency prevents a Board member from attending in person

7. Military service obligations that result in a Board member being unable to attend in person because the Board member is serving under official written orders for active duty, drill, annual training, or any other duty required as a member of the California National Guard or a United States Military Reserve organization that requires the Board member to be at least 50 miles outside the boundaries of the district

The remote Board member shall notify the Board at the earliest possible opportunity, including at the start of a Board meeting, of the need to attend and participate remotely for just cause, including the general circumstances of the Board member's need to attend and participate remotely. The remote Board member need not disclose any medical diagnosis or disability, or any personal medical information that is otherwise exempt under existing law. The minutes for the Board meeting shall identify the specific provision that is the basis for the just cause. (Government Code 54953, 54953.8.3)

Additionally, when a remote Board member attends and participates in a Board meeting based on just cause, all of the following conditions shall be met: (Government Code 54953, 54953.8, 54953.8.3)

1. All votes taken during the meeting are by rollcall

2. The meeting is conducted in a manner that protects the statutory and constitutional rights of the parties or the

public appearing before the Board

3. The public is able to access the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with real-time public comment being allowed via the platform or service, in addition to public comment being available in person

   The platform or service may require members of the public to register in order to make public comments as long as the platform or service is not controlled by the district.

4. The agenda for the meeting includes information describing how members of the public can access the platform or service and how members of the public can offer public comment

5. The minutes of the Board meeting state that the remote Board member attended and participated remotely

6. At least a quorum of the Board participates in person from a singular physical location clearly identified on the agenda and which is within district boundaries and is open to the public

7. The remote Board member utilizes both audio and visual technology to participate in the meeting

8. The remote Board member publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual

In this circumstance, the agenda need not include the location of the remote Board member or be posted at that location, and the location of the remote Board member need not be open and accessible to the public. (Government Code 54953, 54953.8)

The Board shall give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option. (Government Code 54953.8)

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the Board meeting may continue but the Board may not take action on any agenda item until public access to the meeting is restored. (Government Code 54953.8)

A remote Board member may attend and participate in no more than two Board meetings per year for just cause. (Government Code 54953.8.3)

A remote Board member's attendance and participation in multiple Board meetings that begin on the same calendar day shall only count as one Board meeting for purposes of this limit.

Remote Board Meetings During a Proclaimed State of Emergency

The Board may conduct a remote Board meeting during a proclaimed state of emergency or local emergency in either of the following circumstances: (Government Code 54953.8.2)

1. For the purpose of determining, by majority vote, whether meeting in person would present imminent risks to the health or safety of attendees due to the emergency

2. When the Board, pursuant to Item #1 above, has determined that meeting in person would present imminent risks to the health or safety of attendees due to the emergency

In either such circumstance, the Board may hold a remote Board meeting without: (Government Code 54953.8, 54953.8.2)

1. Including the location of Board members in the agenda

2. Making the locations of Board members open and accessible to the public

3. Posting the agenda at the locations of Board members

4. Having at least a quorum of the Board members within the district boundaries

When the Board holds such a meeting, all of the following shall be followed: (Government Code 54953.8, 54953.8.2)

1. All votes taken during the meeting are by rollcall

2. The public is able to access the meeting via a call-in or audiovisual platform or service, with real-time observation of the meeting and public comment being allowed via the platform or service

   The platform or service may require members of the public to register in order to make public comments so long as the platform or service is not controlled by the district.

3. The agenda for the meeting includes information describing how members of the public can access the platform or service

The Board may continue to conduct all Board meetings remotely throughout one or more 45-day periods as long as, prior to the beginning of each 45-day period, the Board has reconsidered the circumstances of the proclaimed state of emergency or local emergency and determined that it continues to directly impact the ability of the Board to meet safely in person. (Government Code 54953.8.2)

Bylaw 9321: Closed Session

Status: DRAFT - Keep

Original Adopted Date: 12/01/2014 **| Last Revised Date:** 11/01/2025

The Governing Board is committed to complying with state open meeting laws and modeling transparency in its conduct of district business. The Board shall meet in closed session during a regular, special, or emergency meeting only for purposes authorized by law.

Each agenda shall contain a general description of each closed session item to be discussed at the meeting as required by law and provided in the accompanying Exhibit (1). (Education Code 35145; Government Code 54954.2, 54954.5, 54957)

In the open session preceding closed session, the Board shall disclose the items to be discussed in closed session as specified in this bylaw. The Board chair, who is either the Board president or the Board member chairing the meeting at the time if the Board president is absent, shall either verbally state the closed session items listed in the agenda or refer the public to the closed session item(s) as listed by number or letter in the agenda. In closed session, the Board shall consider only those items covered in its statement. (Government Code 54957, 54957.7)

Prior to closed session, members of the public shall be given an opportunity to address the Board on any closed session item in the agenda in accordance with Board Bylaw 9322 - Agenda/Meeting Materials and Board Bylaw 9323 - Meeting Conduct. (Education Code 35145.5; Government Code 54954.3)

After closed session, the Board shall reconvene in open session before adjourning the meeting and, when applicable, shall disclose any actions taken in closed session, the votes or abstentions thereon, and other disclosures as specified in this bylaw. Such disclosures may be made in writing or orally at the location announced in the agenda for closed session as required by law and provided in the accompanying Exhibit (2). (Education Code 32281; Government Code 54957.1, 54957.7)

When an action taken during closed session involves final approval or adoption of a document, such as a contract or settlement agreement, that becomes public upon such approval or adoption, the Superintendent or designee shall immediately provide a copy of the document to any person present at the conclusion of closed session who has submitted a written request or made a standing request for all documentation as part of a request for notice of meetings. (Government Code 54957.1)

If, when adopting or approving a document during closed session, substantive amendments are required to finalize the document, the Superintendent or designee shall make the document available as soon as the necessary changes to the document are completed. Whenever such a document will not be immediately released, the Board chair shall orally summarize the substance of the amendment in open session as part of the required disclosures. (Government Code 54957.1)

Attendance in Closed Session

Each Board member may attend closed session for each agenda item except if the Board member is required to recuse themselves or is prohibited by law from attending. Additionally, the Superintendent may attend closed session for each agenda item, except for personnel matters, complaints, or charges regarding the Superintendent under Government Code 54957, or to discuss the Superintendent's compensation under Government Code 54957.6.

In addition, the Board secretary or designee shall attend closed session for each agenda item to keep minutes of topics discussed and decisions made. (Government Code 54957.2)

Except as prohibited by law, the following individuals may attend closed session for a particular item upon invitation by the Board chair or the Superintendent:

1. District legal counsel, district negotiators, or other district staff authorized by statute to attend for the particular item

2. Any other individual whose attendance is essential to the Board's ability to conduct its closed-session business with respect to the particular item

Any other individual shall not attend closed session.

Confidentiality

Any person in attendance in closed session shall not disclose information received in closed session except as permitted by Board Bylaw 9011 - Disclosure of Confidential/Privileged Information or Board Policy 4119.23 - Unauthorized Release Of Confidential/Privileged Information, as applicable.

The Board shall not disclose any information that is protected by state or federal law. Additionally, no victim or alleged victim of tortious sexual conduct or child abuse shall be identified in any Board agenda, notice, announcement, disclosure, or report required by the Brown Act, unless the identity of the person has previously been publicly disclosed. (Government Code 54957.7, 54961)

Personnel Matters: Appointment, Employment, Performance Evaluation, or Discipline/Dismissal/Release

The Board may meet in closed session to consider the appointment, employment, performance evaluation, discipline, dismissal, or change in employment status of an employee. Except as permitted by law, such a closed session item shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline. (Government Code 54957, 54957.1)

For the purpose of such an agenda item, "employee" includes an officer or independent contractor who functions as an officer or employee, but excludes Board members and other independent contractors. (Government Code 54957)

Personnel Matters: Specific Complaints or Charges

The Board may meet in closed session to hear complaints or charges brought against an employee, unless the employee who is the subject of the complaint requests an open session. Before the Board meets in closed session on specific complaints or charges brought against an employee, the Superintendent or designee shall ensure that the employee receives written notice of the right to have the complaints or charges heard in open session. This notice shall be delivered personally or by mail at least 24 hours before the time of closed session. (Government Code 54957)

For the purpose of such an agenda item, "employee" includes an officer or independent contractor who functions as an officer or employee, but excludes Board members and other independent contractors. (Government Code 54957)

Personnel Matters: Application for Early Withdrawal of Funds in Deferred Compensation Plan

The Board may meet in closed session to discuss an employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan. (Government Code 54957.10)

Negotiations/Collective Bargaining

The Board may meet in closed session to review the Board's position and/or instruct its designated representative(s) regarding salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation. A closed session item regarding salaries, salary schedules, or compensation paid in the form of fringe benefits may include discussions of the district's available funds and funding priorities, but only insofar as they relate to providing instructions to the Board's designated representative. Final action on the proposed compensation of one or more unrepresented employees shall not be taken in closed session. (Government Code 54957.6)

Additionally, the Board may meet in closed session with a state conciliator who has intervened in proceedings regarding any of the purposes enumerated in Government Code 54957.6.

Pursuant to Government Code 54957.1, approval in closed session of an agreement concluding labor negotiations with represented employees pursuant to Government Code 54957.6 shall be disclosed after the agreement is final and has been accepted or ratified by the other party. The disclosure shall identify the item approved and the other parties to the negotiation. However, the Board may, at its sole discretion, vote on such an agreement in open session. (Government Code 54957.1)

Pursuant to Government Code 3549.1, the Board may, without following the requirements of the Brown Act, meet in closed session exclusively for the purpose of discussing its position regarding any matter within the scope of

representation or for the purpose of instructing its designated representatives. The Board shall not discuss any other items, either in closed session or open session, as part of such a meeting. (Government Code 3549.1)

Matters Related to Students

The Board shall meet in closed session to consider an appeal by a parent/guardian of a denial of a request to amend incorrect, inaccurate, or misleading information in a student record maintained by the district in accordance with Administrative Regulation 5125.3 - Challenging Student Records. (Education Code 49070)

If a public hearing would lead to the disclosure of confidential student information such as grades or discipline information, the Board shall meet in closed session to consider any action, including discipline, against a student, except expulsion. At least 72 hours prior to the start of the meeting of which closed session is a part, the Superintendent or designee, on behalf of the Board, shall, in writing, by registered or certified mail or by personal service, notify the student and the student's parent/guardian of the intent of the Board to hear the item in closed session. If a written request for open session is received from the student or the student's parents/guardians within 48 hours of receiving the notice, the meeting shall be public, except that any discussion at that meeting which may be in conflict with the right to privacy of any other student shall remain in closed session. (Education Code 35146, 48912)

If the Board conducts an expulsion hearing pursuant to Board Policy 5144.1 - Suspension and Expulsion/Due Process, the Board shall do so in closed session unless the student submits a written request at least five days before the date of the hearing that the hearing be held in open session. Regardless of whether the expulsion hearing is conducted in open or closed session, the Board shall meet in closed session for the purpose of deliberating and determining whether to expel the student. (Education Code 48918)

On a case-by-case basis, the student Board member(s) may make restorative justice recommendations to the Board regarding specific expulsion matters in accordance with Board Bylaw 9150 - Student Board Members.

In order to protect student privacy rights provided in 20 USC 1232g or other applicable laws, the identity of a student shall not be listed in the agenda and, unless the item is heard in open session, shall not be included in any disclosure after closed session. Additionally, a student matter shall be listed in the open session portion of the agenda with the same description and numbering system as it was listed in the closed session portion of the agenda.

Security Matters

The Board may meet in closed session with the Governor, Attorney General, District Attorney, district legal counsel, sheriff or chief of police, or other law enforcement or security personnel on matters posing a threat to any of the following: (Government 54957)

1. The security of public buildings

2. The security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service

3. The public's right of access to public services or public facilities

4. Critical infrastructure controls or critical infrastructure information relating to cybersecurity

The Board may meet in closed session to consult with law enforcement officials on the development of a plan for tactical responses to criminal incidents and to approve the plan. (Education Code 32281)

Real Property Negotiations

The Board may meet in closed session with its real property negotiator prior to the purchase, sale, exchange, or lease of real property by or for the district in order to grant its negotiator authority regarding the price and terms of payment for the property. (Government Code 54956.8)

Anticipated Litigation/Initiation of Litigation

Based on the advice of legal counsel, the Board may meet in closed session to confer with or receive advice from legal counsel regarding anticipated litigation or whether to initiate litigation when discussion of either matter in open

session would prejudice the district's position with respect to such litigation. For this purpose, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered to be "anticipated" when, in the Board's opinion based on the advice of legal counsel regarding the existing facts and circumstances, there is a significant exposure to litigation against the district or against a district officer or employee based on prior or prospective activities or alleged activities during and potentially during the course and scope of that office or employment. (Government Code 54956.9)

Existing facts and circumstances are limited to the following: (Government Code 54956.9)

1. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiff(s)

2. Facts and circumstances including, but not limited to, an accident, disaster, incident, or transactional occurrence that might result in litigation against the district, which are already known to potential plaintiff(s)

3. The receipt of a claim pursuant to the Government Claims Act or a written threat of litigation from a potential plaintiff

4. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board

5. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting

Each agenda item related to anticipated, or initiation of, litigation shall only contain one such matter. For an anticipated litigation item that is anticipated based on Items #2, #3, or #5 above, the agenda item shall also include the facts or circumstances that might result in litigation, the claim or written threat of litigation, or the record of the threat. However, the agenda item shall not identify the alleged victim of unlawful or tortious sexual conduct or anyone making the threat on the alleged victim's behalf, or identify a public employee who is the alleged perpetrator of any unlawful or tortious conduct upon which a threat of litigation is based, unless the identity of the person has been publicly disclosed. (Government Code 54956.9)

Existing Litigation

Based on the advice of legal counsel, the Board may meet in closed session to confer with or receive advice from legal counsel regarding existing litigation when discussion of the matter in open session would prejudice the district's position with respect to such litigation. Litigation is considered to be "existing" when the district has been named a party to the litigation, or a district officer or employee has been named a party to the litigation based on prior or prospective activities or alleged activities during the course and scope of that office or employment, including litigation which involves whether an activity is outside the course and scope of the office or employment. For this purpose, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Tort, Public, or Workers' Compensation Liability

The Board may meet in closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by a joint powers agency (JPA) formed for the purpose of insurance pooling or self-insurance authority of which the district is a member. (Government Code 54956.95)

Joint Powers Agency Issues

The Board may meet in closed session in order to receive, discuss, and take action concerning information that has direct financial or liability implications for the district and that was obtained in a closed session of a JPA of which the district is a member. However, a Board member serving on the JPA board may only disclose confidential information acquired during a closed session of the JPA to fellow Board members if the governing board of the JPA has so authorized and upon advice of district legal counsel. (Government Code 54956.96)

Review of Audit Report from California State Auditor's Office

Upon receipt of a confidential final draft audit report from the California State Auditor's Office and before the report has been made public, the Board may meet in closed session to discuss its response to that report. After public release of the report from the California State Auditor's Office, any Board meeting to discuss the report shall be conducted in open session, unless exempted from that requirement by some other provision of law. (Government Code 54956.75)

Review of Assessment Instruments

The Board may meet in closed session to review the contents of any student assessment instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review. (Education Code 60617)

Bylaw 9322: Agenda/Meeting Materials

Status: DRAFT - Keep

Original Adopted Date: 03/01/2008 **| Last Revised Date:** 02/01/2026

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning and well-being.

Each agenda shall state the meeting time and location(s) and shall briefly describe each item listed in the agenda, including items to be discussed in closed session in accordance with Board Bylaw 9321 - Closed Session. (Government Code 54954.2)

For a regular meeting, the Board may consider an item not included in the posted agenda in accordance with Board Bylaw 9323.2 - Actions by the Board.

Public Comment

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item, including items to be considered in closed session in accordance with Board Bylaw 9321 - Closed Session and items listed on the consent agenda. (Education Code 35145.5; Government Code 54954.3)

As part of every open session item, there shall be an opportunity for members of the public to address the Board on that item. The time set aside for public comment on each item shall last no longer than 15 minutes unless extended in accordance with Board Bylaw 9323 - Meeting Conduct. No member of the public may be permitted to speak more than once on each item.

The agenda need not provide an opportunity for public comment on an item that has previously been considered at an open meeting by a committee comprised exclusively of Board members, provided that all of the following conditions were met: (Government Code 54954.3)

1. Members of the public were afforded an opportunity to comment on the item, before or during the committee's consideration of the item

2. The item has not been substantially changed since the committee considered it

3. A quorum of the committee attended and participated in the committee meeting at which the item was considered from a singular physical location that was clearly identified on the agenda, open to the public, and situated within the boundaries of the district

4. Any other applicable provisions of Government Code 54954.3

Additionally, the agenda for a regular meeting shall provide members of the public with an opportunity to address the Board regarding matters within the subject matter jurisdiction of the Board which are not on the agenda. (Education Code 35145.5; Government Code 54954.3)

The notice and agenda shall include information describing how members of the public can access the platform or service and how members of the public can offer public comment if required pursuant to Board Bylaw 9320.1 - Remote Meetings and Attendance.

Disability-Related Accommodations or Modifications

The agenda shall include information regarding how, when, and to whom a request for disability-related accommodations or modifications, including auxiliary aids and services, may be made by an individual who requires accommodations or modifications in order to participate in the meeting, as well as the procedure for receiving and resolving such requests as required by law. (Government Code 54953.8, 54954.2)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item, or for records of a statement threatening litigation against the district to be discussed in closed session, when such documents have been distributed to the Board less than 72 hours before the meeting. (Government Code 54956.9, 54957.5)

Each agenda shall include a statement regarding the option for students and parents/guardians to request that directory information or personal information of the student or parent/guardian, as defined in Education Code 49061 and/or 49073.2, be excluded from the minutes. Additionally, the agenda shall state that the request must be made in writing to the secretary or clerk of the Board. (Education Code 49073.2)

Agenda Preparation

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each meeting, including whether an item requires Board action and whether an item shall be considered in open or closed session.

Any member of the public, or an individual Board member acting in that Board member's capacity as a member of the public, may request that a matter within the subject matter jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information. (Education Code 35145.5)

The Board president and Superintendent shall decide whether such a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board shall not be placed on the agenda. Additionally, if the Board president and Superintendent determine that the request is merely a request for information, then the request shall not be placed on the agenda.

A Board member may request in writing, at a meeting as part of a related open session item, or at a meeting as part of an open session item intended for this purpose that a specific matter within the subject matter jurisdiction of the Board be placed on an upcoming Board agenda. Within thirty (30) days of receiving the request, the Board member shall be informed by the Board president if the request has been approved or denied by the Board president and Superintendent.

If the request is approved, the Board president and Superintendent shall inform the Board member of the general timeframe that the matter will be placed on an agenda, on which part of the agenda the item will appear, and whether the item requires action by the Board. If the request is denied, the Board president and Superintendent fail to provide a response to the request, or the requesting Board member disagrees with the timeframe that the matter will be placed on an agenda, on which part of the agenda the item will appear, or whether the item requires action by the Board, then the Board member may appeal the response to the request to the Board. The Board president and Superintendent shall place the appeal on the next upcoming regular meeting agenda for Board action, but only as to whether, when, and how to agendize the requested matter. If a majority of the Board agrees with the appeal, the item will be considered in accordance with the decision of the majority of the Board.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda, except as required by law. Consent items shall be items of a routine nature for which Board discussion is not anticipated and for which the Superintendent recommends approval.

Agenda Dissemination to Board Members

At least 72 hours before each regular meeting, each Board member shall be provided a copy of the agenda and all related materials such as the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, and others; and other available supporting documents pertinent to the meeting. Additionally, the Superintendent or designee may distribute to the Board additional materials related to agenda items less than 72 hours before each regular meeting, as permitted by law.

When a special meeting is called, Board members shall receive the agenda and all related materials at least 24 hours prior to the meeting. (Government Code 54956)

Board members shall review the agenda and all related materials before each regular or special meeting. Individual Board members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not, outside of a noticed meeting, directly or through intermediaries or electronic means, discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

Regular Meeting Agenda Dissemination to Members of the Public

The agenda and all related materials distributed to the Board related to a regular meeting shall be made available to

the public upon request without delay. However, only those documents which are disclosable public records under the California Public Records Act (CPRA) and which relate to an agenda item scheduled for the open session portion of a regular meeting or which contain a claim or written threat of litigation which will be discussed in closed session shall be made available to the public. (Government Code 54956.9, 54957.5)

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public. (Government Code 54954.2)

Additionally, the Superintendent or designee shall post the agenda on the homepage of the district website. The posted agenda shall be accessible through a prominent direct link to the current agenda or to the district's agenda management platform in accordance with Government Code 54954.2. When the district utilizes an integrated agenda management platform, the link to that platform shall take the user directly to the website with the district's agendas, and the current agenda shall be the first available. (Government Code 54954.2)

If a writing which relates to an open session agenda item or which contains a claim or written threat of litigation which will be discussed in closed session during a regular meeting is distributed to the Board less than 72 hours prior to the meeting, the Superintendent or designee shall make the writing available for public inspection at a designated location at the same time the document is distributed to all or a majority of the Board. However, if the writing is distributed to at least a majority of the Board at a time when the designated location is closed to the public, this requirement may be satisfied by posting the writing on the district website if the following conditions are met: (Government Code 54957.5)

1. An initial staff report or similar document containing an executive summary and any staff recommendations related to the agenda item is made available for public inspection at the designated location at least 72 hours before the meeting

2. The writing is immediately posted on the district's website in a position and manner that makes it clear that the writing relates to an agenda item for the upcoming meeting

3. The district lists the website address where such writings may be accessed on all Board meeting agendas

4. A physical copy of the document is made available for public inspection at the designated location at the beginning of the next regular business hours, but not less than 24 hours before the meeting

The Superintendent or designee shall mail a copy of the agenda or a copy of all the documents constituting the agenda packet to any person who requests the items. The materials shall be mailed at the time the agenda is posted or upon distribution of the agenda to a majority of the Board, whichever occurs first. (Government Code 54954.1)

The Superintendent or designee shall email a copy of, or a website link to, the agenda or a copy of all the documents constituting the agenda packet to any person who requests such items to be delivered by email. If the Superintendent or designee determines that it is technologically infeasible to do so, a copy of the agenda or a website link to the agenda and a copy of all other documents constituting the agenda packet shall be sent to the person who has made the request in accordance with mailing requirements specified in law. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee, as determined by the Superintendent or designee, not to exceed the cost of providing the service.

Any document prepared by the district or Board and distributed during an open meeting shall be made available for public inspection at the meeting. Any document prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the CPRA. (Government Code 54957.5)

Upon request, the Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

Special Meeting Agenda Dissemination to Members of the Public

The requirements for the dissemination of regular meeting agendas and related materials and writings to members of the public found in "Regular Meeting Agenda Dissemination to Members of the Public" shall be applicable to the dissemination of special meeting agendas and related materials and writings to members of the public except that the 24-hour requirement shall apply rather than the 72-hour requirement.

Bylaw 9323: Meeting Conduct

Status: DRAFT - Keep

Original Adopted Date: 11/01/2006 **| Last Revised Date:** 02/01/2026

Meeting Procedures

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

The Board chair, who is either the Board president or the Board member chairing the meeting at the time if the Board president is absent, shall conduct Board meetings in accordance with Robert's Rules of Order to enable the Board to efficiently consider issues and carry out the will of the majority.

The Board believes that late night meetings can deter public participation, affect the Board's decision-making ability, and be a burden to staff. Agendas shall not be scheduled to run past 10:30 p.m.

When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a separate agenda item. The Board chair shall determine where on the agenda the former consent item is placed.

Quorum and Abstentions

Except as required by law, the Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

Except when prohibited by law, the Board expects its members to vote on all issues before them. When a member abstains, the abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

Provided the Board typically consists of seven members and there are no more than two vacancies on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. Additionally, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall not be counted for purposes of determining the total membership constituting the Board. (Education Code 35165)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, members of the public attending a Board meeting shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting, except if a member of the public desires to observe the meeting or make public comment through the use of a third party website or online platform as required by the third party provider.

To facilitate public comment, the Board may request that members of the public who wish to give public comment provide their names or other identifying information to determine speaking order.

In order to conduct district business in an orderly and efficient manner, public comment shall occur in accordance with Board Bylaw 9322 - Agenda Meeting/Materials and in compliance with the following procedures:

1. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law (Education Code 35145.5; Government Code 54954.2)

2. Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda (Government Code 54954.2)

   Additionally, on their own initiative or in response to questions posed by the public, Board members or staff members may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. (Government Code 54954.2)

In addition, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

3. A member of the public wishing to be heard by the Board shall first be recognized by the Board chair

   An individual speaker shall be allowed a maximum of two minutes to address the Board. The Board shall limit the total time for public input on each item to 16 minutes. However, the Board chair, or a majority of the Board, may adjust the amount of time allowed for public input and/or the time allotted for each speaker. Any such adjustment shall be done equitably so as to allow a diversity of viewpoints. Additionally, the Board chair may ask members of the public with the same viewpoint to select a few individuals to address the Board on behalf of that viewpoint.

   In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)

4. For any public comment period with a time limit when a remote Board member is attending and participating based on just cause pursuant to Board Bylaw 9320.1 - Remote Meetings and Attendance, the Board may not close that public comment period or the opportunity to register to provide public comment via the two-way audiovisual platform or two-way audio service until the full time for public comment has elapsed (Government Code 54953.8)

   For any other public comment period when a remote Board member is attending and participating based on just cause pursuant to Board Bylaw 9320.1 - Remote Meetings and Attendance, the Board shall allow a reasonable amount of time to permit members of the public to provide public comment and to register to do so via the two-way audiovisual platform or two-way audio service. (Government Code 54953.8)

5. The Board chair shall determine whether an individual's public comment is within the scope of the public comment period, subject to the following conditions:

   a. If the public comment is within the scope of a different public comment period, the Board chair shall so indicate

   b. Public criticism of the Board, individual Board members, the district, its policies, procedures, programs, services, acts, or omissions shall not be prohibited (Government Code 54954.3)

   c. Public criticism of district employees shall not be prohibited

      However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board chair shall inform the complainant of the appropriate complaint procedure.

Disruptions

The Board chair shall not permit an individual to actually disrupt a Board meeting. Actual disruption by an individual or any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the Board chair to terminate the privilege of addressing the Board for that meeting and remove the individual from the meeting. (Government Code 54957.95)

Prior to removal, the individual shall be warned that the individual's behavior is disrupting the meeting and that failure to cease the disruptive behavior may result in removal. If, after being warned, the individual does not promptly cease the disruptive behavior, the Board chair, or designee, may then remove the individual from the meeting. (Government Code 54957.95)

When an individual's behavior constitutes the use of force or a true threat of force, the individual shall be removed from a Board meeting without a warning. (Government Code 54957.95)

Disrupting means engaging in behavior during a Board meeting that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, a failure to comply with reasonable

and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law, or engaging in behavior that constitutes use of force or a true threat of force. (Government Code 54957.95)

True threat of force means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat. (Government Code 54957.95)

Additionally, the Board may order the room cleared when a group or groups of persons willfully interrupts so as to render the orderly conduct of the meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to such a group disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such group disruptive conduct occurs, the Board may decide to recess the meeting to help restore order, remove the disruptive individual(s), or clear the room. Additionally, the Board may adjourn the meeting to another time and location specified in an order of adjournment. The Board chair may direct the Superintendent or designee to contact local law enforcement as necessary. (Government Code 54955, 54957.9, 54957.95, 54957.96)

Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee may designate locations from which members of the public may make such recordings without causing a distraction.

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

Bylaw 9323.2: Actions By The Board

Status: DRAFT - Keep

Original Adopted Date: 03/01/2011 **| Last Revised Date:** 03/01/2024

The Governing Board shall act by a majority vote of all of the membership constituting the Board, unless otherwise required by law. (Education Code 35164, 35165)

An "action" by the Board means: (Government Code 54952.6)

1. A collective decision by a majority of the Board members
2. A collective commitment or promise by a majority of the Board members to make a positive or negative decision
3. A vote by a majority of the Board members when sitting as the Board upon a motion, proposal, resolution, order, or ordinance

The Board shall not take action by secret ballot, whether preliminary or final. (Government Code 54953)

Actions taken by the Board in open session shall be recorded in the Board minutes. (Education Code 35145)

Action on Non-Agenda Items

The Board may take action on a subject not appearing on the posted meeting agenda only after publicly identifying the item and if any one of the following conditions are met: (Government Code 54954.2)

1. When a majority of the Board determines that an emergency situation exists, as defined for emergency meetings pursuant to Government Code 54956.5
2. When two-thirds of the members present, or if less than two-thirds of the members are present then by a unanimous vote of all members present, determine that the need to take immediate action came to the district's attention after the agenda was posted
3. When an item appeared on the agenda of, and was continued from, a meeting that occurred not more than five days earlier

Challenging Board Actions

Before seeking to file a civil action to stop or prevent a Brown Act violation or to invalidate a prior action taken by the Board, the district attorney's office or interested person shall first present a demand to "cure and correct" the alleged violation to the district. If the district receives a proper demand from the district attorney's office or any interested person to "cure and correct" an alleged violation of the Brown Act, the Board shall consult with legal counsel on if and how to respond as provided by law. (Government Code 54960-54960.5)

Exhibit 9323.2-E(1): Actions By The Board

Status: DRAFT - Keep

Original Adopted Date: 10/01/2016 **| Last Revised Date:** 03/01/2024

RESTRICTIONS ON BOARD ACTIONS

This exhibit is a non-exhaustive list of the Governing Board actions that require more than a majority vote as well as restrictions and prohibitions on when the Board may take certain actions. Other such actions may exist and may be identified in the future.

Actions Requiring a Two-Thirds Vote of the Membership of the Board

1. Resolution declaring the Board's intention to sell or lease real property (Education Code 17466)

2. Resolution declaring the Board's intent to convey or dedicate property to the state or any political subdivision for the purposes specified in Education Code 17556 (Education Code 17557)

3. Resolution authorizing and directing the Board president, or any other presiding officer, secretary, or member, to execute a deed of dedication or conveyance of property to the state or a political subdivision (Education Code 17559)

4. Lease, for up to three months, of school property which has a residence on it and which cannot be developed for district purposes because funds are unavailable (Education Code 17481)

5. Request for temporary borrowing of funds needed for immediate requirements of the district to pay district obligations incurred before the receipt of district income for the fiscal year sufficient to meet the payment(s) (Government Code 53821)

6. Upon complying with Government Code 65352.2 and Public Resources Code 21151.2, action to render city or county zoning ordinances inapplicable to a proposed use of the property by the district so long the proposed use of property is not for nonclassroom facilities (Government Code 53094)

7. When the district is organized to serve only grades K-8, action to establish a community day school for any of grades K-8 (Education Code 48660)

8. When the district is organized to serve only grades K-8, has an average daily attendance (ADA) of 2,500 or less, or desires to operate a community day school to serve any of grades K-6 (and no higher grades) and seeks to situate a community day school on an existing school site, certification that satisfactory alternative facilities are not available for a community day school (Education Code 48661)

9. Decision to pursue the authorization and issuance of general obligation bonds pursuant to paragraph (3) of subdivision (b) of Section 1 of Article XIII A of the California Constitution and subdivision (b) of Section 18 of Article XVI of the California Constitution (Education Code 15266)

10. Resolution of necessity to proceed with an eminent domain action and, if the Board subsequently desires to use the property for a different use than stated in the resolution of necessity, a subsequent resolution so authorizing the different use (Code of Civil Procedure 1245.240, 1245.245)

11. When the district has a three-member Board and has adopted the procedures set forth in the Uniform Public Construction Cost Accounting Act (UPCCAA), action to respond to an emergency facilities condition without giving notice for bids to award contracts, including the repair or replacement of district facilities, the taking of any other action that is directly related to and immediately required by that emergency, the procurement of the necessary equipment, services, and supplies for those purposes, the delegation of authority to the Superintendent or designee to take such action, and the determination during a regular Board meeting of the need to continue the action (Public Contract Code 22035, 22050)

Actions Requiring a Two-Thirds Vote of the Board Members Present at the Meeting

1. Determination that there is a need to take immediate action and that the need for action came to the district's attention after the posting of the agenda. If less than two-thirds of the Board members are present at the meeting, a unanimous vote of all members present is required. (Government Code 54954.2)

2. Determination that a closed session is necessary during an emergency meeting. If less than two-thirds of the Board members are present, a unanimous vote of all members present is required. (Government Code 54956.5)

Actions Requiring a Four-Fifths Vote of the Membership of the Board

1. Resolution for district borrowing based on issuance of notes, tax anticipation warrants, or other evidences of indebtedness, in an amount up to 50 percent of the district's estimated income and revenue for the fiscal year or the portion not yet collected at the time of the borrowing (Government Code 53822, 53824)

2. Resolution for district borrowing, between July 15 and August 30 of any fiscal year, of up to 25 percent of the estimated income and revenue to be received by the district during that fiscal year from apportionments based on ADA for the preceding school year (Government Code 53823, 53824)

3. Declaration of an emergency in order to authorize the district to include a particular brand name or product in a bid specification (Public Contract Code 3400)

4. When the district has a five-member or seven-member Board and has adopted the procedures set forth in UPCCAA, action to respond to an emergency facilities condition without giving notice for bids to award contracts, including the repair or replacement of district facilities, the taking of any other action that is directly related to and immediately required by that emergency, the procurement of the necessary equipment, services, and supplies for those purposes, the delegation of authority to the Superintendent or designee to take such action, and the determination during a regular Board meeting of the need to continue the action (Public Contract Code 22035, 22050)

5. Resolution to award a contract for a public works project at $212,500 or less to the lowest responsible bidder, when the district is using the informal process authorized under the UPCCAA for projects of $200,000 or less, all bids received are in excess of $200,000, and the Board determines that the district's cost estimate was reasonable (Public Contract Code 22034)

Actions Requiring a Four-Fifths Vote of the Board Members Present at the Meeting

1. Approval of the expenditure and transfer of necessary funds and use of district property or personnel to meet a national or local emergency created by war, military, naval, or air attack, or sabotage, or to provide for adequate national or local defense (Government Code 53790-53792)

Actions Requiring a Unanimous Vote of the Membership of the Board

1. Resolution authorizing and prescribing the terms of a lease of district property for extraction and taking of gas not associated with oil (Education Code 17510, 17511)

2. Authorization of the use of day labor or force account, or waiver of the competitive bid process pursuant to Public Contract Code 20111, when the Board determines that an emergency exists requiring the repair, alteration, work, or improvement to any facility to permit the continuance of existing classes or to avoid danger to life or property, and upon approval of the County Superintendent of Schools (Public Contract Code 20113)

Actions Requiring a Unanimous Vote of the Board Members Present at the Meeting

1. Private sale of surplus property without advertisement in order to establish that such property is not worth more than $2,500. Disposal of surplus property or donation to a charitable organization requires the unanimous vote of the Board members present to establish that the value of such property would not defray the cost of arranging its sale. (Education Code 17546)

Actions Required to Occur During a Regular Board Meeting

1. Termination of the Superintendent or an assistant superintendent without cause (Education Code 35150)

2. Discussion or action regarding the contract, salary, salary schedule, or other compensation of the Superintendent, assistant superintendent, or other management employee as described in Government Code 3511.1 (Government Code 54956)

Prohibitions on Certain Board Actions

1. Termination of the Superintendent or an assistant superintendent without cause within 30 days after the first convening of the Board after an election at which one or more Board members are elected or recalled (Education Code 35150)

2. When the District is disposing of surplus land and has received a notification from the Department of Housing and Community Development pursuant to Government Code 54230.5 with regard to the surplus land, final action to ratify or approve the proposed disposal of surplus land unless the district holds an open and public meeting in compliance with Government Code 54230.7 to review and consider the substance of the notice

Bylaw 9324: Minutes And Recordings

Status: DRAFT - Keep

Original Adopted Date: 07/01/2008 **| Last Revised Date:** 12/01/2018

The Governing Board recognizes that maintaining accurate minutes of Board meetings helps foster public trust in Board governance and provides a record of Board actions for use by district staff and the public.

The secretary of the Board shall keep minutes and record all official Board actions. The Board's minutes shall be public records and shall be made available to the public upon request. (Education Code 35145, 35163)

The minutes of Board meetings shall include, but not be limited to:

1. A notation of which Board members are present, in person or by teleconference, and whether a member is not present for part of the meeting due to late arrival and/or early departure

2. A brief summary of the Board's discussion on each agenda topic, rather than a verbatim record of each Board member's specific points of view during the discussion

3. A summary of the public comments made on agendized items and unagendized topics

4. The specific language of each motion and the names of the Board members who made and seconded the motion

5. Preferential votes cast by student Board member(s) (Education Code 35012)

6. Any action taken by the Board, and the vote or abstention on that action of each Board member present (Education Code 35145; Government Code 54953)

Upon request by a student's parent/guardian, or by the student if age 18 or older, the minutes shall not include the student's or parent/guardian's address, telephone number, date of birth, or email address, or the student's name or other directory information as defined in Education Code 49061. The request to exclude such information shall be made in writing to the secretary or clerk of the Board. (Education Code 49073.2)

The Board agenda shall include a statement of the option and process for students and parents/guardians to request that such information be excluded from the minutes.

The Superintendent or designee shall distribute a copy of the "unapproved" minutes of the previous meeting(s) with the agenda for the next regular meeting. The Board shall approve the minutes as circulated or with necessary amendments.

Upon approval by the Board, the minutes shall be signed by Superintendent.

Official Board minutes and recordings shall be stored in a secure location and shall be retained in accordance with law.

Any minutes or recordings kept for Board meetings held in closed session shall be kept separately from the minutes or recordings of regular and special meetings. Minutes or recordings of closed sessions are not public records. (Government Code 54957.2)

Recording or Broadcasting of Meetings

The district may tape, film, stream, or broadcast any open Board meeting. At the beginning of the meeting, the Board president shall announce that a recording or broadcasting is being made at the direction of the Board and that the recording or broadcast may capture images and sounds of those attending the meeting. As practicable, the recorder or camera shall be placed in plain view of meeting participants.

Any district recording may be erased or destroyed 30 days after the meeting. Recordings made at the direction of the Board during a meeting are public records and, upon request, shall be made available for inspection by members of the public on district equipment without charge. (Government Code 54953.5)

Bylaw 9400: Board Self-Evaluation

Status: DRAFT - Keep

Original Adopted Date: 09/01/1988 **| Last Revised Date:** 07/01/2017

The Governing Board shall annually conduct a self-evaluation in order to demonstrate accountability to the community and ensure that district governance effectively supports student achievement and the attainment of the district's vision and goals.

The evaluation may address any area of Board responsibility, including, but not limited to, Board performance in relation to vision setting, curriculum, personnel, finance, policy development, collective bargaining, community relations, and advocacy. The evaluation may also address objectives related to Board meeting operations, relationships among Board members, relationship with the Superintendent, understanding of Board and Superintendent roles and responsibilities, communication skills, or other governance or boardsmanship skills.

The Board shall evaluate itself as a whole. Individual Board members are also expected to use the evaluation process as an opportunity to assess and set goals for their own personal performance.

Each year, the Board, with assistance from the Superintendent, shall determine an evaluation method or instrument that measures key components of board responsibility and previously identified performance objectives. Visual and/or audio recordings of a Board meeting may only be used as an evaluation tool when consent is given by all Board members.

Any discussion involving the Board's self-evaluation shall be conducted in open session.

At the request of the Board, a facilitator may be used to assist with the evaluation process. The Board may invite the Superintendent or other individual(s) with pertinent information to provide input into the evaluation process.

Following the evaluation, the Board shall set goals, define and/or refine protocols, and establish priorities and objectives for the following year's evaluation. The Board shall also develop strategies for strengthening Board performance based on identified areas of need, including, but not limited to, Board trainings such as those offered by the California School Boards Association.

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

Agenda Item# 10.2

Meeting Date: September 17, 2026

Subject: Initial Public Hearing: Charter Renewal for Capitol Collegiate Academy

- ☐ Information Item Only
- ☐ Approval on Consent Agenda
- ☐ Conference (for discussion only)
- ☐ Conference/First Reading (Action Anticipated: _____)
- ☐ Conference/Action
- ☐ Action
- ☒ Public Hearing

Division: Chief of Schools

Recommendation: Not Applicable

Background/Rationale: On July 24, 2026, Capitol Collegiate Academy submitted a petition to renew its charter. It is requesting to renew the term of its charter, which expires on June 30, 2027. The purpose of the public hearing is to consider the support for the petition from the district's teachers, other employees, and parents.

Staff is currently reviewing the submitted petition. Following the review of the petition and this public hearing, the governing board of the school district shall either grant or deny the charter within 90 days of receipt of the petition. That decision is scheduled to occur at the **October 15** SCUSD Board Meeting. The governing board of the school district shall publish all staff recommendations, including the recommended findings, at least 15 days before the public hearing at which the governing board of the school district will either grant or deny the charter. Staff is scheduled to publish this report by **September 30, 2026**.

Financial Considerations: The petitioners include budget details in their petition to renew the charter. District staff will review the petition and fiscal history before publishing recommendations and/or findings.

LCAP Goal(s): Not Applicable

Documents Attached:

1. The Charter School's submitted petition and exhibits are available at https://www.scusd.edu/departments/dso/innovative-schools-and-charter-oversight/charter-renewal-and-submission
2. Notice of Public Hearing

Estimated Time of Presentation: 10 minutes
Submitted by: Dr. Leah Clougherty, Instructional Assistant Superintendent
Approved by: Cancy McArn, Superintendent

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

Agenda Item# 11.1

Meeting Date: September 17, 2026

Subject: **Approve the Updated 2026-27 Local Control and Accountability Plan (LCAP)**

- ☐ Information Item Only
- ☐ Approval on Consent Agenda
- ☐ Conference (for discussion only)
- ☐ Conference/First Reading
- ☐ Conference/Action
- ☒ Action
- ☐ Public Hearing

Division: Academic Office

Recommendation: Approve the Updated 2026-27 Local Control and Accountability Plan.

Background/Rationale:

The California Department of Education requires all Local Education Agencies to complete and approve an LCAP. Following Board adoption on June 18, 2026, the Sacramento County Office of Education (SCOE) provided a Letter of Clarification on August 14, 2026, requesting technical, narrative, and fiscal adjustments pursuant to EC § 52070.

Because 2026–27 is the final year of the current three-year cycle, staff is addressing SCOE's required technical revisions to secure approval by the statutory September 30 deadline. Key adjustments include:

- **SBE Template & Metric Alignment:** Added missing Science performance metrics to Equity Multiplier Focus Goals (4, 6, 14, 16, 20, 21) and updating school/student group classifications.
- **Increased or Improved Services:** Expanded narrative descriptions to clarify how specific actions (interventions, parent engagement) prioritize unduplicated pupils and removed general facilities maintenance from unduplicated pupil group contributing calculations.

- **Fiscal Reconciliation:** Aligning LCAP action tables District budgeting forms and LCFF Budget Overview for Parents calculations, and properly accounting for Learning Recovery Emergency Block Grant (LREBG) funds.

This year, SCUSD will launch a collaborative process with the Board, staff, LCAP PAC, and community to build a streamlined LCAP from the ground up for the 2027/28–2029/30 three-year cycle, shifting focus specifically to targeted Supplemental and Concentration funds (approximately 12% or ~$92M of revenue) rather than an all-inclusive budget model ($407M).

Financial Considerations:
The LCAP serves as a guide to the district's budget priorities. Revisions ensure proper alignment with District budget and LCFF funding allocations.

.

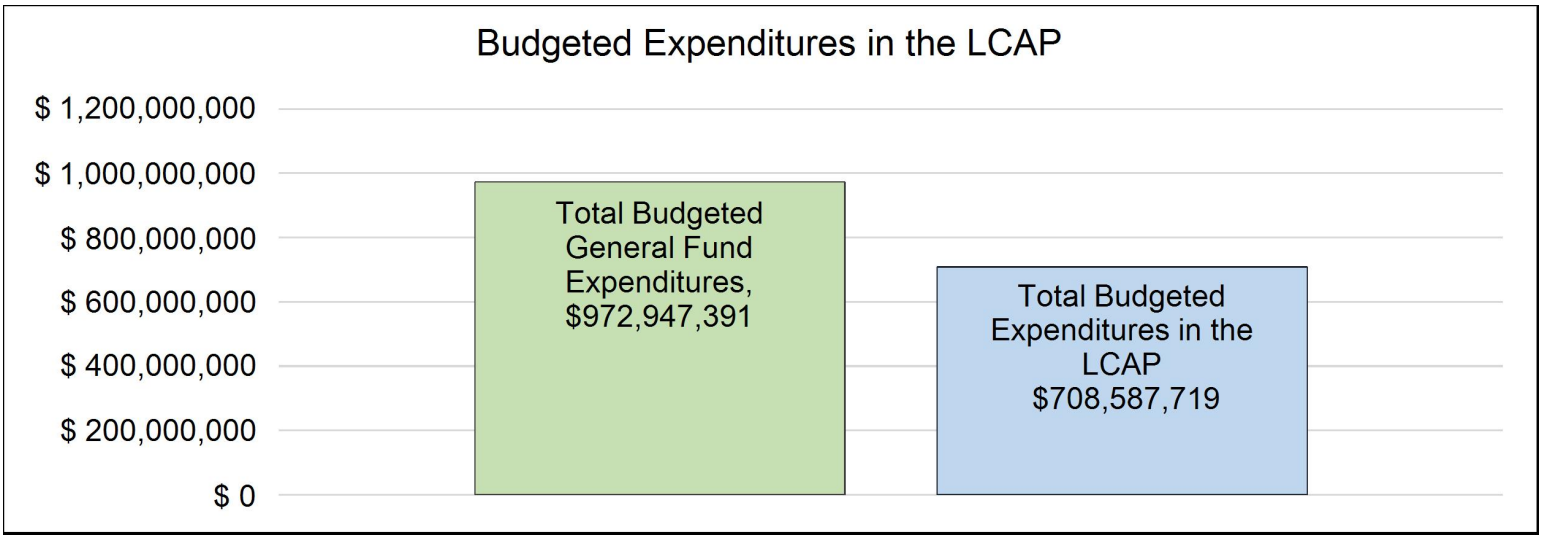
LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Sacramento City Unified School District
CDS Code: 34674390000000
School Year: 2026-27
LEA contact information:
Cancy McArn
Superintendent
superintendent@scusd.edu
916.643.7400

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2026-27 School Year



This chart shows the total general purpose revenue Sacramento City Unified School District expects to receive in the coming year from all sources.

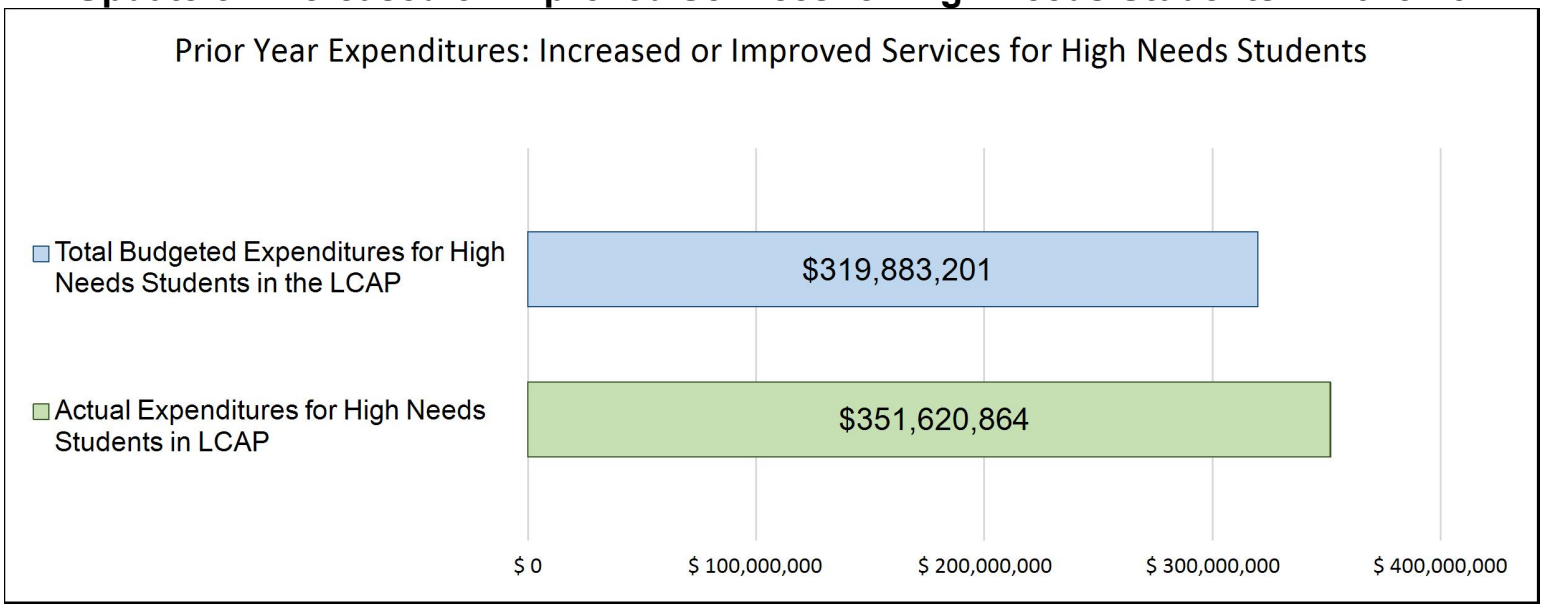
The text description for the above chart is as follows: The total revenue projected for Sacramento City Unified School District is $747,611,277, of which $499,530,669 is Local Control Funding Formula (LCFF), $195,106,704 is other state funds, $12,674,276 is local funds, and $40,299,628 is federal funds. Of the $499,530,669 in LCFF Funds, $92,390,563 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Sacramento City Unified School District plans to spend for 2026-27. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Sacramento City Unified School District plans to spend $972,947,391 for the 2026-27 school year. Of that amount, $708,587,719.00 is tied to actions/services in the LCAP and $264,359,672 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:



Central office department budgets (except for those specifically included), other employee salaries and benefits (except for those specifically included), transportation, Title 1, 2, and 3 funds (except for those specifically included) and special education services (except for those specifically included).

Increased or Improved Services for High Needs Students in the LCAP for the 2026-27 School Year

In 2026-27, Sacramento City Unified School District is projecting it will receive $92,390,563 based on the enrollment of foster youth, English learner, and low-income students. Sacramento City Unified School District must describe how it intends to increase or improve services for high needs students in the LCAP. Sacramento City Unified School District plans to spend $359,299,396 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2025-26

This chart compares what Sacramento City Unified School District budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Sacramento City Unified School District estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2025-26, Sacramento City Unified School District's LCAP budgeted $319,883,201 for planned actions to increase or improve services for high needs students. Sacramento City Unified School District actually spent $351,620,864 for actions to increase or improve services for high needs students in 2025-26.

Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Sacramento City Unified School District	Cancy McArn Superintendent	superintendent@scusd.edu 916.643.7400

Plan Summary [2026-27]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

The Sacramento City Unified School District's (SCUSD) Local Control and Accountability Plan (LCAP) provides for educational planning, goals, actions, and outcomes for 36,423 students in grades transitional kindergarten through 12 in 70 schools as of the December 2025 California School Dashboard. There is a diverse body of students and their families within SCUSD as: nearly 65% are socioeconomically disadvantaged, about 19% are English Learner students (including 2,844 Long- Term English Learners), and approximately 17% of students served receive Special Education services. A total of 1,568 students in the district have been identified as homeless youth, and 127 students are receiving foster youth services.

Additionally, SCUSD also has a rich ethnic/racial diversity of students as well as demonstrated by the following (rounded to the nearest decimal):

Hispanic/Latino - 41%
White - 18%
Asian - 17%
African American - 11%
Two or More Races - 9%
Pacific Islander - 2%
Filipino - 1%

American Indian - 1%

The following schools will be expending Equity Multiplier (EM) funding during the 2026-27 school year:

Schools Currently Receiving Funding in 2025-26 (and Carryover Funds in 2026-27) Which Are Not Receiving Additional Equity Multiplier Funds in 2026-27
Bret Harte Elementary (Goal 5)
Martin Luther King Jr Elementary (Goal 10)
Success Academy K-8 (Goal 11)
Woodbine Elementary (Goal 12)
Nicholas Elementary (Goal 14)
Pacific Elementary (Goal 15)

Schools Currently Receiving Funding in 2025-26 (and Carryover EM Funds in 2026-27) Which Are Receiving Additional Equity Multiplier Funds in 2026-27
American Legion HS (Goal 4)
Capital City School (Goal 6)
Caroline Wenzel Elementary (Goal 7)
Isador Cohen Elementary (Goal 8)
John Morse Therapeutic Center (Goal 9)
Father Keith B Kenny K-6 School (Goal 13)

NEW Schools Not Currently Receiving Funding in 2025-26 Which Are Newly Identified to Receive Equity Multiplier Funds in 2026-27
Hiram Johnson (Goal 16)
John Bidwell (Goal 17)
John Cabrillo (Goal 18)
Leataata Floyd (Goal 19)
Oak Ridge (Goal 20)
Parkway (Goal 21)

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The California School Dashboard (Dashboard) provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning. The information on the Dashboard is especially informative with respect to the development of the three-year LCAP cycle, as it provides the district and its education partners a roadmap of the district's strengths and most needed areas of improvement. Based upon the state’s requirement that 2023 California Dashboard areas of Red and CCI Very Low be addressed in the three-year LCAP cycle beginning with the 2024-25 school year, the following groups and their related outcomes remain a

central focus of the improvement efforts we move into 2026-27 -- the last year of our current three-year plan:

Red Areas from Baseline 2023 Dashboard

- African American students' graduation rate (improved to Green on 2025 Dashboard) and suspension rate (Red on 2025 Dashboard)
- American Indian students' suspension rate (Red on 2025 Dashboard)
- English Learner students' academic indicator in English Language Arts (ELA) and Math (both improved to Orange on 2025 Dashboard)
- Foster Youth students' College / Career Indicator (CCI) (improved to Yellow on 2025 Dashboard), graduation rate (improved to Yellow on 2025 Dashboard), and academic indicator in ELA and Math (improved to Orange on 2025 Dashboard)
- Homeless Youth students' CCI (improved to Yellow on 2025 Dashboard), graduation rate (improved to Yellow on 2025 Dashboard), and suspension rate (improved to Orange on 2025 Dashboard)
- Students With Disabilities CCI (improved to Orange on 2025 Dashboard), graduation rate (improved to Yellow on 2025 Dashboard), and suspension rate (Red as of 2025 Dashboard)

In collaboration with its educational partners, the district has focused this educational plan on improving the outcomes of those who have historically been underserved. In our community, these groups are those that comprise the Local Control Funding Formula's Unduplicated Pupil Count – English Learner, Foster Youth, and Socioeconomically Disadvantaged (low income) students – and students in one of the following groups because of their very low performance as indicated on the 2023 California School Dashboard: African American students, American Indian students, Homeless Youth students, and Students With Disabilities. The district and its educational partners believe the LCAP needs to emphasize the importance of intentionally focusing the primary actions and metrics of our LCAP on its historically underserved students. The theory of action is that as the district improves its services to and the outcomes for students in these groups, it will also improve services and outcomes for all district students.

The 2026-27 LCAP continues actions to address all of the instances on the 2023 California School Dashboard with the lowest level of performance. The color table included after this section includes the list of district schools along with information indicating instances where the overall and/or any student group in the school performed at the lowest level on one or more indicators on the 2023 Dashboard (as indicated by the red shading). The color table also includes the responsive district level required actions be taken to address these areas of lowest performance over the three-year LCAP cycle. A list of the instances of red areas across the district and its schools on the 2025 California School Dashboard are provided for reflection purposes.

A reflection of the 2025 California School Dashboard results released in November 2025 for the district revealed the following:

The overall Graduation Rate improved by 3.5 percentage points, increasing from 84.6% to 88.1%. Additionally, the percentage of graduates prepared for College/Career has increased by 6.1 percentage points, rising to 38.1%. Furthermore, every student group in the district has demonstrated an improvement in their graduation rates and preparedness for College/Career.

Student performance improved in English Language Arts (ELA) and Math, with increases of 4.7 and 6.7 points, respectively, as measured by the Distance From Standard (DFS) on the CAASPP. Average ELA and Math CAASPP results were 28.2 and 57.2 scale score points below the Standard Met score, respectively.

Other notable improvements include a slight (+0.6) increase in the percent of English Learner students making progress towards becoming fluent in English (from 41.2% to 41.8%), and a reduction in Chronic Absenteeism by 2.3 percentage points (from 25.4% to 23.1%).

However, it is worth noting that the district's Suspension Rate has increased by 0.4 percentage points from 5.8% to 6.2%, with the following student groups all receiving rating of Red and showing an increase in the percent of students suspended over the prior year: American Indian (+1.2%), African American (+0.7%), Long Term English Learners (+0.7), and Students With Disabilities (+0.1).

The district Met Standards for each of the local areas on the Dashboard: Basics (Teachers, Instructional Materials, Facilities), Implementation of Academic Standards, Parent and Family Engagement, Local Climate Survey, and Access to a Broad Course of Study.

The District achieved an overall Green performance level in Science. This rating reflects an average of 49.4 science points, which represents a 2.1-point increase from the previous reporting period. While the district-wide status is high, the data reveals significant performance gaps among specific demographics. Six student groups currently sit at the Orange (Low) performance level. The Hispanic student group, the largest of these cohorts with 3,209 students, maintained a score of 44.3 points. Socioeconomically Disadvantaged students followed closely with 43.8 points, reflecting a slight increase of 1.1 points. English Learners scored 38.6 points, while Pacific Islander students reached 38.1 points. Long-Term English Learners and Foster Youth recorded the lowest scores at 35.7 and 34.9 points respectively, though the Foster Youth group showed the most significant growth with an 8-point increase. Students with Disabilities and African American students both reached the Yellow (Medium) performance level. Students with Disabilities averaged 36.6 points, showing a 1.7-point increase, while African American students averaged 37.1 points, maintaining their level with a 1.1-point increase. American Indian students also landed in the Yellow category with 44.4 points, though this group saw a slight decline of 1.4 points.

Based on the 2025 California School Dashboard, the District employs a total teaching full-time equivalent (FTE) of 1,647.2 staff members. Within this workforce, 84.2% of teachers are considered "Clear," meaning they are fully credentialed and properly assigned for their specific subject and student placement. This performance level places the district above the statewide average of 82.5% and significantly ahead of the Sacramento County average, which sits at 80.8%.

SCUSD anticipates having unexpended Learning Recovery Emergency Block Grant (LREBG) funds after June 30, 2026. These funds will be used to improve ELA, Mathematics, and attendance student outcomes.

Across the district, 47.8% of students received a scale score on CAASPP that places them in the Standards Not Met or on the low end of Standards Nearly Met level in ELA.

A review of our district’s ELA results on the 2025 California School Dashboard reveals that at the district level, African American (AA), American Indian (AI), Pacific Islander (PI), English Learner (EL), Long-Term English Learner (LTEL), Foster Youth (FY), Homeless (HY), Socioeconomically Disadvantaged (SED), and Students With Disabilities (SWD) received a status level of either Very Low or Low. It is promising to note that although their performance was low, AA, AI, PI, EL, FY, HY, SED, and SWD all demonstrated an improvement in their average Distance From Met (DFM) in ELA. However, at 53 of the 64 schools who received a 2025 Dashboard, at least one student group

received a status level of either Very Low or Low. In 51 of the 53 schools noted above, at least one of the following groups received performed low in ELA: ALL, AA, AI, EL, FY, HY, SED, and SWD.

Districtwide, 56.3% of students received a scale score on CAASPP that places them in the Standards Not Met or on the low end of Standards Nearly Met level in Mathematics.

A review of our district's Mathematics results on the 2025 School Dashboard reveals that at the district level, AA, AI, PI, EL, LTEL, FY, HY, and SWD received a status level of either Very Low or Low. Similar to a promising trend noted in ELA, the following groups that performed low in Mathematics did demonstrate improvement in their average DFM: AA, AI, EL, FY, HY, PI, and SWD. However, at 52 of the 64 schools who received a 2025 Dashboard, at least one student group received a status level of either Very Low or Low. In 50 of the 52 schools noted above, at least one of the following groups received performed low in Math: ALL, AA, AI, EL, FY, HY, SED, and SWD.

The 2025 Dashboard also reveals that student attendance in grades K-8 remains an area of concern as 23.1% students across the district were chronically absent. Despite the high level of chronic absenteeism across the district, a number of student groups demonstrated an improvement (decrease) in the number of students who were chronically absent: ALL, AA, AI, Asian (A), EL, LTEL, Hispanic (H), HY, Two of More (TOM), PI, SED, and SWD. Chronic Absenteeism by student group ranged from 49.1% and 41.5% for HY and AA students, respectively, to 13.5% and 10.5% for W and A students, respectively. Across 56 schools in the district serving students between the grades of K thru 8, at least one student group had a Very High or High rate of chronic absenteeism.

Based on the above needs assessment, the district's remaining allocation of LREBG funds ($7.95 million) will be used to in action 3.2 to provide supplemental mental health services as an intervention to improving chronic absenteeism and ELA and Math outcomes.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

With positive growth in student group outcomes, SCUSD is no longer eligible for Direct Technical Assistance based on the 2025 Dashboard. Legislation now requires that all districts describe two years of eligibility for Differentiated Assistance:

- On the 2024 California School Dashboard (Dashboard) the district is eligible for African American students in Academics (Priority 4) and Suspension (Priority 6) and Foster Youth in Academics (Priority 4), Chronic Absenteeism and Graduation (Priority 5), Suspension (Priority 6), and College/Career Indicator (Priority 8).

- On the 2025 Dashboard the district is eligible for the American Indian student group in Academics (Priority 4) and Suspension (Priority 6). During the 2025-26 school year, the American Indian Education Program team chose to participate in the Insight to Action improvement network meetings offered by the Sacramento County Office of Education (SCOE) as its technical assistance provider to address the status of differentiated assistance.

During the meetings of the Insight to Action network, the team completed activities facilitated by the SCOE Continuous Improvement Team beginning with Dashboard data analysis and identification of an area of focus. The AIEP team selected academics as its area of focus. From

there, the team conducted a root cause analysis, developed and prioritized change ideas, and worked with a SCOE leader on action planning for the area of focus. One of the projects planned is to develop a training video to provide asynchronous professional development on the Native American Studies Master Curriculum that will enhance educators' cultural understanding of factors that may be impacting student outcomes. The Native Youth Advisory Council and the American Indian Education Program Parent Committee have been engaged in studying the cause and brainstorming change ideas to implement in 2026-27.

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

The SCUSD school that was identified for Comprehensive Support and Improvement (CSI) based their performance as reported in the Dashboard released in December 2025:

Low-Performing Criteria

- John Morse Therapeutic Center

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

SCUSD provides multiple layers of support for the school to engage in a Cycle of Continuous Improvement (CCI). These include tools that scaffold the needs assessment, goal setting, implementation, and resource allocation processes. Instructional Assistant Superintendents incorporate significant time to support these processes in monthly principal meetings and in their one-on-one support to site leadership.

Additional district staff provide support through review of the school plan content and through individual consultations with leaders on an as needed basis. Site staff are encouraged to review their overall performance by dashboard area (Chronic Absenteeism, Suspension Rate, ELA/Math, English Learner Progress, and Graduation Rate) and select those areas of greatest need (Red and Orange). Upon confirmation of eligibility, staff were notified and provided a detailed overview of the process, requirements, eligibility, allowable expenditures, and exemplar content.

To provide additional and more individualized support, district staff hosted a series of office hours specific to supporting the CSI and aligned School Plan for Student Achievement (SPSA) process. These occur over three weeks in the spring and offer staff the opportunity to engage with peers in the following:

- Review CSI requirements and eligibility criteria
- Requirements for SPSA planning and LCAP alignment
- Support for needs assessment and resource inequity identification
- Identification of effective strategies and supports

- Support for goal setting and identification of appropriate measurable outcomes
- Assistance with funding allocations and appropriate use of targeted funding resources
- Guidance for engaging stakeholders and requirements for plan approval

The site's leadership team members have ongoing access to support from their Instructional Assistant Superintendents through regular principal professional learning sessions, one-on-one check-ins, and additional individual support as needed. They also have ongoing access to support from State and Federal Programs and Research and Strategy, Academic office, Student Support and Health Services, and more. The School Site Council (SSC) is the body primarily responsible for developing their respective site's CSI plan. This group, with the guidance of the principal with the support of district staff works to conduct a needs assessment, identify resource inequities, and determines what evidence-based interventions to implement. This process is supported by broader educational partner feedback at the district level that involve students, staff, and parents/guardians. Examples include the annual School Climate Survey, student engagement surveys, the annual Local Control and Accountability Plan engagement process, and targeted surveys. These sources of stakeholder feedback help the site to better understand the specific needs of their community. The School Climate Survey provides the site an overall and disaggregated view of their community's sense of belongingness/connectedness and safety. Student engagement surveys help the site to understand the overall level of engagement of their students while also identifying and responding to specific student needs. Results such as these allow the site to identify specific areas in which all students need additional support as well as instances in which significant gaps are indicated in student experiences and/or performance. This informs more targeted planning and implementation of actions/services to improve the performance of the student group(s) for which the site has been identified for CSI.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

SCUSD continues to use a SPSA Mid-Year review tool to support the site in monitoring and evaluating the effectiveness of the site's plan. The required reflection upon student outcome data, identified successes, revealed gaps, and implementation challenges will all support the ongoing development and refinement of CSI plans.

In the Mid-Year review, the school is required to:

1. Describe the overall implementation of the strategies/activities and the overall effectiveness to achieve the articulated goal:
   - Restate the expected outcome of the strategy in terms of student achievement.
   - Detail the specific actions taken to date.
   - Describe current progress in achieving the expected outcomes as a result of implementing the strategy.
   - Detail how identified student groups were impacted by the strategy.

2. Describe the level of implementation:
   - Detail any major differences between the intended implementation and/or the budgeted expenditures to achieve the articulated goal.

3. Describe any changes that will be made to the annual outcomes, metrics, or strategies/activities to achieve the goal as a result of the

midyear reflection.
Guidance provided to principals/school site at the outset of the year includes the expectation that the site is regularly monitoring the plans outlined in the SPSA. This includes specific review of their goals, strategies, and outcomes as part of the Mid-Year review process as well as continued monitoring to inform any revisions based on identified needs. Guidance also includes direction to review their plan for alignment to district LCAP goals.

District staff will continue to work in partnership with various offices including but not limited to Instructional Assistant Superintendents, State and Federal, and the Academic Office to directly support, monitor, and evaluate the plans of CSI schools. Quality SPSA goal setting and plan implementation is a key focus of the district and is viewed as a key lever to improving outcomes for all students, and in particular those students who have historically performed, disproportionately below their peers.

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
LCAP Parent Advisory Committee (PAC)	Monthly meetings were held from October 2025 through March 2026 to facilitate monitoring of the implementation of Year 2 of the current plan, inclusive of the Mid-Year Update, available mid-year metrics, and mid-year financial data as part of the mid-year action implementation status update. Various department subject matter experts met with the PAC to review their implementation of various actions to improve graduation, academic, and welcoming and safety outcomes. Additionally, a draft of the LCAP was shared with the PAC on April 13, 2026, and written comments from the PAC were solicited. The full draft of the LCAP, inclusive of budget information, was presented at the Public Hearing on June 4, 2026. The adoption of the LCAP was on June 18, 2026.
Local Collective Bargaining Partners	Sacramento City Teachers' Association (SCTA) Consultation with SCTA and the district occurred in February 2026. During this consultation, the following were discussed: There were several investments discussed to improve student outcomes, including funds identified to support Reading Intervention Teachers (Action 2.14) and mental health support (Action 3.2). The LCAP remains focused on supporting underserved student groups, with targeted resources directed toward African American and American Indian students, English Learners, Foster Youth, Homeless Youth, students with disabilities, and students in socioeconomically disadvantaged households. Current data from the 2025 California School Dashboard shows positive growth in several areas: graduation

Educational Partner(s)	Process for Engagement
	rates and college/career readiness are rising, and academic performance in Math and ELA is improving across most student groups. While the District has seen a decrease in chronic absenteeism, there is a noted increase in suspension rates that the district is actively investigating. Current analysis is focused on Office Discipline Referrals (ODRs) and the correlation with suspension rates. Service Employees International Union (SEIU) Consultation with SEIU and the district occurred in January 2026. During this consultation, the following were discussed: We discussed the LCAP's goals and outcomes around graduation, academics, and welcoming and safe schools. A point of concern were attendance and suspension outcomes for American Indian and African American students. We reviewed the high suspension rates, indicating a need for continued MTSS implementation. One of the potential ways to address attendance might be attendance enforcement. SIEU discussed about the past role of attendance enforcement officers to effectively encouraged student attendance. Potentially consider of reinstating a similar position for improved attendance. Teamsters and TCS Consultation with Teamsters and TCS and the district occurred in January 2026. During this consultation, the following were discussed: We discussed the intersection between LCAP Goal 3 (Safety and Sense of Welcome) and the care and maintenance of school facilities. The team highlighted a strong correlation between school climate, facility quality, and student learning. Central to the discussion was the belief that conducive learning environments are crucial for student motivation. Therefore, investing in facility upkeep and presentation can positively impact student well-being and attendance. Feedback emphasized the need to maintain and increase investments to prevent Williams Act infractions and to continually improve the number of schools receiving a "Good" rating on the Facility Inspection Tool (FIT). United Professional Educators (UPE)

Educational Partner(s)	Process for Engagement
	Consultation with UPE and the district occurred in January 2026. During this consultation, the following were discussed: We reviewed the district's three primary LCAP goals. The discussion highlighted the provision of social workers and counselors (action 3.2) to improve school culture and climate and reading intervention teachers (within action 2.14) to improve reading literacy. This is the first year of implementation of reading intervention teachers, and early reports are that there is increased student engagement. Social worker support is making a positive impact across all schools. There is a recommendation that additional support be considered through the re-instatement of Learning Support Coordinator positions. The full draft of the LCAP, inclusive of budget information, was presented at the Public Hearing on June 4, 2026. The adoption of the LCAP was on June 18, 2026.
Student Advisory Council (SAC)	The LCAP framework, including an overview of current actions, was discussed with the SAC in November 2025. During this consultation, the following were discussed: The objectives of the District's Big 3 Goals: Goal 1 - Improving graduation outcomes, Goal 2 - Improving academic outcomes, and Goal 3 - Improving sense of welcoming and safety outcomes. The students' focus on improved culture and climate were evident. Key takeaways from the conversation include an interest in ensuring the success of our historically underserved students. It was also evident that the students appreciate the importance of early learning literacy in achieving academic success, as demonstrated by their comments regarding the recently implemented action of placing reading specialists on all elementary campuses throughout the district.
District English Learner Advisory Committee (DELAC)	The DELAC was consulted in March 2026, and the LCAP's framework around improving graduation, academic, and welcoming and safety outcomes was reviewed. Available mid-year metrics and the mid-year action implementation status update was shared to solicit feedback from the DELAC. Additionally, a draft of the LCAP was sent to the DELAC on May 6, 2026 to solicit their written comments. The full draft of the LCAP, inclusive of budget information, was presented at

Educational Partner(s)	Process for Engagement
	the Public Hearing on June 4, 2026. The adoption of the LCAP was on June 18, 2026.
SELPA Administrator and Community Advisory Committee (CAC)	The LCAP framework and focus areas were discussed with the SELPA Administrator and CAC in March 2026. The following topics were highlighted: Community partners requested increased transparency regarding LCAP implementation, specifically focusing on the monitoring of IEP transition planning and the rigorous vetting of instructional aides. Inquiries were raised concerning the management of social worker vacancies and the specific triggers for student health services. Furthermore, there is a call for data on the scale of college and career programs—such as the Summer Career Launch Pad and four-year graduation planning—alongside a recommendation to partner with more inclusive work-readiness providers to better serve students with moderate-to-severe disabilities.
African American/Black Student Focal Group Committee (AABSFGC)	Consulted with the African American / Black Students' Community Committee on February 4, 2026. The consultation included a discussion about African American student support and advocacy, highlighting student data and specific actions (1.2, 3.2, and 3.7) for academic and career counseling and mentoring. A representative from the Black African American Advisory Board provided information regarding their role in monitoring continuous improvement for African American students in academics, culture, and climate. Part of the discussion involved implementation of an African American Studies course starting next fall, concern about the need for diverse and highly qualified teachers with lived experiences for the course, and recruitment efforts for African American teachers and the importance of a supportive environment.
General Community Updates	Updates regarding the development of the LCAP were provided to parents, students, and community members at several times throughout the school-year. September 2025 - Reviewed New LCAP and underlying framework with parents and community members at the Parent Information

Educational Partner(s)	Process for Engagement
	Exchange (PIE) lunch meeting facilitated by the Family and Community Empowerment (FACE) office. February 2026 - Shared Mid-Year Update with parents, community members, and board members as part of Mid-Year Update. This opportunity provided the district's educational partners a status of the available metrics and implementation levels of all actions within the LCAP.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The adopted LCAP update was influenced by feedback provided by nine (9) district-level educational partners and various site-based educational partners at Equity Multiplier schools.

Below is a reference to these actions grouped by each educational partner for the adopted 2026-27 LCAP. Note that many actions will appear more than once as they are provided in response to feedback received from multiple partners.

PAC - Actions 1.1, 1.2, 1.3, 1.4, 1.5, 1.6, 2.1, 2.2, 2.3, 2.4, 2.5, 2.6, 2.9, 2.10, 2.11, 2.12, 2.13, 2.16, 2.17, 2.18, 2.22, 3.1, 3.3, 3.6, 3.7, 3.8, 3.10, 3.11, 3.12, 3.13, 3.14, 3.15, 3.17, 3.18, 3.20, 3.21
DELAC - Actions 1.2, 1.3, 2.3, 2.5, 2.7, 2.12, 2.22, 3.6, 3.10, 3.12, 3.14, 3.17, 3.18
CAC - Actions 1.2, 1.3, 1.4, 2.7, 2.8, 3.2, 3.5, 3.12
AABSFGC - Actions 1.2, 3.2, 3.7
SAC - Actions 1.1, 1.2, 1.5, 2.3, 2.5, 2.9, 3.8

Recommendations were solicited and received at various community meetings conducted from October 2025 through May 2026. Although various specific actions within the plan were influenced by feedback provided by educational partners, the following actions seem enjoy consensus support across various groups:

Improve Career and Technical Education Pathways and Programs (Action 1.1)
Provide Academic and Career Counseling (Action 1.2)

Provide Supplemental College and Career Supports (Action 1.3)
Accelerate Progress Toward Graduation Through Credit Recovery (Action 1.5)
Engagement and Training for Parents of English Learners (Action 2.3)
Implement English Learner Master Plan (Action 2.5)
Provide Attendance and Engagement Strategies (Action 3.12)

Additionally, for each of the 18 sites identified to receive Equity Multiplier funding, educational partner feedback influenced their actions as follows:

Goal 4 - American Legion: Resource Specialist; Additional Section of English; and Additional Social Worker Services (Actions 4.1, 4.2, and 4.3)

Goal 5 - Bret Harte: Additional Clerk Hours; Field Trips and Reverse Field Trips (Actions 5.1 and 5.7)

Goal 6 - Capital City: Implement Schools PLP; ELA Resource Specialist; Math Resource Specialist; Field Trips; Supplemental Curriculum; Clerk; Stipends for ELPAC and CAASPP Testing Coordinators; and College and Career Readiness Intervention Incentives; Engagement/Participation Support; PE Supplemental Materials; School Safety; and Family Engagement Translator (Actions 6.1, 6.3, 6.4, 6.7, 6.8, 6.13, 6.14, 6.15, 6.16, 6.17, 6.18, 6.19, 6.20, and 6.21)

Goal 7 - Caroline Wenzel: Instructional Aides; Campus Monitor; Social Worker; Library Media Tech; Yard Duty; Play Works; and AVID (Actions 7.3, 7.4, 7.5, 7.6, 7.7, 7.8, and 7.9)

Goal 8 - Isador Cohen: Instructional Aide; Social Worker; Attendance Clerk; ELD Program; Bilingual Aide; and CABE Conference / Teacher Training (Actions 8.2, 8.3, 8.4, 8.5, 8.6, and 8.7)

Goal 9 - John Morse: Develop a School-wide Behavior Management Plan (SBMP); Wellness Room; Student Elective Club; Sensory Room; Building Staff Skills to Support Students With Disabilities; and Behavior Advantage Program (Actions 9.7, 9.8, 9.9, 9.10, and 9.11)

Goal 10 Martin Luther King: Provide Additional Social Worker Services (Action 10.6)

Goal 11 Success Academy: Student and Family Assemblies; Professional Development - Release Time; Positive Behavior Intervention and Support (PBIS) Materials and Incentives; School Intervention Staff Assistant (Actions 11.3, 11.4, 11.5, and 11.6)

Goal 12 Woodbine: Site Instruction Coordinator; Additional Clerical Support; Teacher Assistant Bilingual-Hmong; Academic Instruction Professional Development; Additional Technology for Students; SBMP Professional Development; and Adaptive Environments for Academic Self-Regulation (Actions 12.3, 12.4, 12.5, 12.6, 12.7, 12.8, and 12.6)

Goal 13 Fr Keith B Kenny: Professional Development - Coaching and Literacy Consulting; Teacher Release Time; Attendance Incentives; Field Trips and Reverse Field Trips; Additional Attendance Clerk Support; Additional Social Worker Support; Additional Campus Monitor Support; and Additional Assistant Principal Support (Actions 13.1, 13.3, 13.6, 13.7, 13.8, 13.9, 13.10, and 13.11)

Goal 14 Nicholas: Resource Specialist; Leveled Library, Teacher Release Time; Professional Learning; Teacher Intervention; Recess Organized Student Activities; Field Trips; Supplemental Materials, Technology, and Supplies; ELD Curriculum; Fingerprinting Costs; PBIS; Assistant Principal; Summer Teacher Planning; Kinder Orientation; Library Technician; and Additional Supervision (Actions 14.1, 14.2, 14.3, 14.4, 14.5, 14.6, 14.7, 14.8, 14.9, 14.10, 14.11, 14.12, 14.13, 14.14, 14.15, 14.16, and 14.17)

Goal 15 Pacific: Site Instructional Coordinator (Intervention Lead); PlayWorks Intervention; Additional Nursing Services; Instructional Aides; Teacher Release Time; Positive Behavior and Intervention Support (PBIS) Professional Learning; California Association for Bilingual Education (CABE) Professional Learning; Additional Clerk Hours; Yard Monitor; Field Trips and Reverse Field Trips; Structured Literacy Intensification Block; Math Acceleration System and Project Based Learning System; Teacher Professional Development Resources; and Tier 2 Behavior Intervention System (Actions 15.1, 15.2, 15.3, 15.4, 15.5, 15.6, 15.7, 15.8, 15.9, 15.10, 15.11, 15.12, 15.13, 15.14, and 15.15)

Goal 16 Hiram Johnson: Training Specialist – High School; Resource Teacher – Secondary; Site Instructional Coordinator; Youth & Family Mental Health Advocate; Parent Advisor; Professional Development; Mentorship for African American Students; Campus Monitor; and Clerk III (Actions 16.1, 16.2, 16.3, 16.4, 16.5, 16.6, 16.7, 16.8, and 16.9)

Goal 17 John Bidwell: Additional Social Worker Services; School-wide Field Trips; and Extend the Attendance Clerk's Hours (Actions 17.1, 17.2 and 17.3)

Goal 18 John Cabrillo: Additional Clerk Hours; Additional Noon Duty Hours; Field Trips & Reverse Field Trips; Teacher Release Time; Staff Per Diem; Leader in Me Curriculum; and Attendance Incentives (18.1, 18.2, 18.3, 18.4, 18.5, 18.6, and 18.7)

Goal 19 Leataata Floyd: Additional Clerk Hours; Noon Duty; Field Trips; and Instructional Aides (Actions 19.1, 19.2, 19.3 and 19.4)

Goal 20 Oak Ridge: Transportation Resources; Health Services; Support Services Coordinator; Noon Duty; Outreach Per Diem Hours; Professional Development; and Instructional Aid Support (Actions 20.1, 20.2, 20.3, 20.4, 20.5, 20.6, and 20.7)

Goal 21 Parkway: Specialist II, Student Support Center; School Intervention Staff Assistant; Campus Monitor; Additional Yard Duty/Walking School Bus; Additional Yard Duty Positions; Additional Clerk Support; Academic Planning Days; PBL Professional Development; PBL Professional Development Curriculum Resources; PBIS, Restorative Practices, PBL, and Student Engagement Materials; PBIS Professional Development and Release / Collaboration Time; PBIS Rewards Voyage Training; Equity Book Audit; and Newsletter Communication Subscription (Actions 21.1, 21.2, 21.3, 21.4, 21.5, 21.6, 21.7, 21.8, 21.9, 21.10, 21.11, 21.12, 21.13, and 21.14)

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	Goal 1 is about graduation outcomes. By 2027, the following cohort outcomes will be achieved: • Graduation rate increased by 5% and • College/Career Indicator (CCI) indicator increased by 1 Status Level from the 2023-24 Dashboard	Focus Goal

State Priorities addressed by this goal.

Priority 5: Pupil Engagement (Engagement)
Priority 7: Course Access (Conditions of Learning)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Goal 1 is to improve the graduation outcomes of historically underserved students in the district. Outcomes are concerned with students successfully graduating from district schools and prepared for college / career. Each of the following student groups have historically been underserved in the district based on their graduation and college/career preparedness rates. Although the data for these student groups are being highlighted by each unique demographic, the district and its educational partners are aware that there is intersectionality between the demographics.

The overall graduation rate on the California School Dashboard released in December 2023 was 83.8%. Below are the respective graduation rates for each of our historically underserved groups:

African American: 74.0
American Indian: 72.2
English Learner: 72.1
Students With Disabilities: 67.0
Foster Youth: 57.1
Homeless Youth: 59.2
Socioeconomically Disadvantaged: 81.7

Of the students who did graduate, only 33.2% were deemed Prepared on the College and Career Indicator (CCI) resulting in a Low rating. Below are the respective college/career preparedness rates for each of our historically underserved groups:

African American: 12.6
American Indian: No baseline data reported on CA Dashboard

English Learner: 12.3
Students With Disabilities: 6.9
Foster Youth: 0.0
Homeless Youth: 9.8
Socioeconomically Disadvantaged: 27.4

Our analysis of student outcomes has identified that individuals in the above student groups are historically underserved in our district. To promote equity and excellence in education, our plan prioritizes the achievement and success of these students, providing them with the support and resources they need to reach their full potential.

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

1.1 COUNSELING, COLLEGE, AND CAREER READINESS - Improve Career and Technical Education (CTE) Pathways and Programs: Substantially implemented as planned.
1.2 COUNSELING, COLLEGE, AND CAREER READINESS - Provide Academic and Career Counseling: Substantially implemented as planned.
1.3 COUNSELING, COLLEGE, AND CAREER READINESS - Provide Supplemental / Enrichment College and Career Supports: Implemented, but UCAN contract was not operationalized.
1.4 COUNSELING, COLLEGE, AND CAREER READINESS - Central Support for Aligned Master Scheduling: Substantially implemented as planned.
1.5 COUNSELING, COLLEGE, AND CAREER READINESS - Accelerate Progress Toward Graduation Through Credit Recovery: Substantially implemented as planned.

1.6 CURRICULUM AND INSTRUCTION - Pathways to Multiliteracy: Substantially implemented as planned.

1.7 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Provide support for International Baccalaureate (IB) Program: Substantially implemented as planned at Umoja International Academy, Luther Burbank, and Caleb Greenwood.
1.8 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Eliminate Financial Barriers for College Pathways: Substantially implemented as planned as AP and IB exams will be administered in mid-May 2026.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below due to higher than budgeted salaries and benefits:

1.1 COUNSELING, COLLEGE, AND CAREER READINESS - Improve Career and Technical Education (CTE) Pathways and Programs
1.3 COUNSELING, COLLEGE, AND CAREER READINESS - Provide Supplemental / Enrichment College and Career Supports
1.7 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Provide support for International Baccalaureate (IB) Program

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

When taken together, the suite of actions implemented under Goal 1 has proven highly effective in moving the district toward its 2027 graduation and college-readiness targets. The synergy between academic guidance, credit recovery, and the removal of financial barriers resulted in a significant 4.3% increase in the overall graduation rate (reaching 88.1%) and a 4.9% increase in students graduating "Prepared" for college and career.

The progress observed in the Measuring and Reporting Results section is the direct result of the following interconnected efforts:

- Graduation and Foundation Supports: The combined impact of Provide Academic and Career Counseling (Action 1.2) and Central Support for Aligned Master Scheduling (Action 1.4) ensured that students remained on a viable path toward completion. These foundational supports were augmented by Accelerate Progress Toward Graduation Through Credit Recovery (Action 1.5), which effectively increased the number of 12th graders reaching "On-Track" status by providing necessary seats and teacher support at the Sacramento Accelerated Academy.
- College and Career Pathway Strength: The district saw a measurable rise in the College/Career Indicator (CCI) due to the focus on Improve Career and Technical Education (CTE) Pathways and Programs (Action 1.1). By aligning these pathways with professional standards, the district increased the percentage of students meeting "Prepared" criteria. This was further bolstered by the action to Eliminate Financial Barriers for College Pathways (Action 1.8), which helped lead to a dramatic jump in AP pass rates from 30.0% to 58.3% by removing the cost burden of exams.
- Specialized and Advanced Programming: The district maintained its commitment to high-level rigorous coursework through Provide support for International Baccalaureate (IB) Program (Action 1.7), ensuring specialized staff and resources remained available at Umoja, Luther Burbank, and Caleb Greenwood. While Pathways to Multiliteracy (Action 1.6) faced proctoring challenges, its redesign for the coming year ensures it remains a core component of the district's equity strategy.
- Targeted Outreach and Intervention: The intent of Provide Supplemental / Enrichment College and Career Supports (Action 1.3) remains vital for closing the achievement gap for underrepresented groups. The district's ability to track a 12.5% increase in the African American graduation rate demonstrates that when these collective actions reach the intended student groups, the impact is profound.

By integrating master scheduling, personalized counseling, and robust credit recovery, the district has created a comprehensive safety net that is effectively moving all student groups toward the 2027 focus goals.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2025-26

The collaborative efforts to enhance graduation outcomes across the district have begun to demonstrate promising results based on the data collected during the first year of this LCAP's three-year cycle. While we continue to address specific challenges as noted, the district remains committed to implementing the goals and actions outlined in the adopted plan. These efforts will be continued and refined as noted below to achieve our objectives:

Action 1.6 CURRICULUM AND INSTRUCTION - Pathways to Multiliteracy: Beginning with the 2025-26 school year, this action is modified to indicate that the district will offer the Avant and Alta language proficiency exams in-person at a centralized district location, and will cover transportation costs to ensure equitable access for all eligible students.

Long-Term English Learner was added to metrics 1.1 and 1.2.

For the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	COUNSELING, COLLEGE, AND CAREER READINESS - Improve Career and Technical Education (CTE) Pathways and Programs	Improve Career and Technical Education (CTE) pathways and programs. Improvement efforts will include the implementation of Linked Learning at high schools with a focus on the implementation integrated projects aligned to cross-curricular standards within CTE pathways. The CTE Completer Rate (Metric 1.4) and College/Career Prepared Rate (Metric 1.2) are some of the intended impacted areas of this action. Graduation and College/Career Rates Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, Student Advisory Council.	$5,226,707.00	Yes
1.2	COUNSELING, COLLEGE, AND CAREER READINESS - Provide Academic and Career Counseling	Maintain base academic and career counseling supports for students including scheduling guidance, mental health support/crisis intervention, suicide awareness, assistance with college applications, FAFSA support, and planning for credit recovery. On-Track Graduation Status (Metric 1.6), On-Track A-G Status (Metric 1.7), College/Career Prepared Rate (Metric 1.2), Graduation Rate (Metric 1.1), A-G Rate (Metric 1.3), and A-G and CTE Completer Combined Rate (Metric 1.5) are some of the intended impacted areas of this action. Graduation and College/Career Rates Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee, Community Advisory Committee, African American/Black Student Focal Group Committee, Student Advisory Council.	$10,579,745.00	Yes

Action #	Title	Description	Total Funds	Contributing
1.3	COUNSELING, COLLEGE, AND CAREER READINESS – Provide Supplemental / Enrichment College and Career Supports	Continue providing additional counseling supports to principally benefit students in the Unduplicated Pupil Count. Provide additional counseling supports, including at-risk conferencing, campus visits, college and career awareness activities, summer school registration, college matriculation support, and scholarship assistance. Collaboration with the Urban College Action Network (U-CAN) is focusing efforts on Black/African American students across all high schools to address credit recovery needs. On-Track Graduation Status (Metric 1.6), On-Track A-G Status (Metric 1.7), College/Career Prepared Rate (Metric 1.2), Graduation Rate (Metric 1.1), A-G Rate (Metric 1.3), and A-G and CTE Completer Combined Rate (Metric 1.5) are some of the intended impacted areas of this action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee, Community Advisory Committee.	$483,066.00	Yes
1.4	COUNSELING, COLLEGE, AND CAREER READINESS - Central Support for Aligned Master Scheduling	Coordinate districtwide scheduling and direct support to school sites. Increase percentage of students graduating from high school (Metric 1.1) college and career ready (Metric 1.2). Graduation and College/Career Rates Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, Community Advisory Committee.	$248,847.00	Yes
1.5	COUNSELING, COLLEGE, AND CAREER READINESS - Accelerate Progress Toward Graduation Through Credit Recovery	Provide students who are off-track for graduation access and support to program options that accelerate their progress toward on-track status, providing targeted access at individual high school sites as well as the district's central credit recovery program at Sacramento Accelerated Academy. Increase percentage of students graduating from high school (Metric 1.1) and meeting A-G requirements (Metric 1.3). Graduation and College/Career Rates Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$3,717,579.00	Yes

Action #	Title	Description	Total Funds	Contributing
1.6	CURRICULUM AND INSTRUCTION - Pathways to Multiliteracy (Modified 2025-26)	Provide the Avant and ALTA World Language Placement Exam to eligible incoming 9th grade students (who speak a language other than English at home) in order to ensure appropriate placement. The exam will also be offered to newly enrolled high school students who completed 6th grade in a country whose instruction was in a language other than English to waive the state and district world language graduation requirement. Additionally, this process should build world language and heritage language programs (sections and FTE) by appropriately placing our multiliterate students in Advanced Placement (AP) world language courses, increasing college and career readiness for English Learners. Increase the percent of English Learner students who graduate (Metric 1.1) and are prepared for College/Career (Metric 1.2). Beginning with the 2025-26 school year, this action is clarified to indicate that the district will offer the Avant and Alta language proficiency exams in-person at a centralized district location, and will cover transportation costs to ensure equitable access for all eligible students. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$6,637.00	Yes
1.7	INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Provide support for International Baccalaureate (IB) Program	Provide personnel and materials support for International Baccalaureate (IB) Program, including continuing expanding access to the International Baccalaureate (IB) program at target schools, aimed at reducing disproportionality in college-going rates. This allocation requires IB Programs have: IB Site Coordinators (a requirement of the IB Program) at the three IB sites (Umoja International Academy, Luther Burbank High School, and Caleb Greenwood Elementary), IB specific professional learning, instructional materials, and membership fees. Increase the percent of students who pass college preparation exams (Metric 1.9) and graduate college and career ready (Metric 1.2).	$608,056.00	No
1.8	INSTRUCTIONAL ASSISTANT SUPERINTENDENTS -	Provide students access to Advanced Placement (AP), International Baccalaureate (IB), and SAT Suite of Assessments, removing financial barriers for participation. Increase the percent of students who graduate college and career ready (Metric 1.2).	$65,000.00	Yes

	Eliminate Financial Barriers for College Pathways			

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	Goal 2 is about improving academic outcomes as students move through the district. At least 80% of all students in grades 4-8 will demonstrate growth toward mastering standards in English Language Arts (ELA) and Mathematics as demonstrated by the Smarter Balanced Assessment (SBAC) Distance From Met (DFM) by 2026-27.	Broad Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 2: State Standards (Conditions of Learning)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

To facilitate the achievement of the district's graduation and college/career preparedness outcomes, Goal 2 is designed to improve the academic performance outcomes of historically underserved students in the district as they move from grade to grade and from school to school. Improvement in student performance in English Language Arts (ELA) and Math is a critical focus of this goal, as is the growth of students on the California School Dashboard's academic indicators for these subjects.

A review of the 2022-23 Smarter Balanced Assessment (SBAC) ELA results revealed that 51.1% of students with matched scores improved their Distance From Met (DFM) from 2021-22 to 2022-23. Across all students, the ELA Distance From Met was -34.8. Below are the respective SBAC ELA DFM for each of our historically underserved groups:

African American: -91.9
American Indian: -76.1
English Learner: -84.2
Students With Disabilities: -111.8
Foster Youth: -119.6
Homeless Youth: -122.3
Socioeconomically Disadvantaged: -61.0

A review of the 2022-23 SBAC Math results revealed that 47.1% of students with matched scores improved their DFM from 2021-22 to 2022-23. Across all students, the Math DFM was -67.3. Below are the respective SBAC Math DFM for each of our historically underserved groups:

African American: -132.0
American Indian: -103.5
English Learner: -106.5
Students With Disabilities: -141.4
Foster Youth: -138.9
Homeless Youth: -162.6
Socioeconomically Disadvantaged: -93.0

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

2.1 EARLY LEARNING AND CARE - Provide access to early childhood education for eligible students and families: Substantially implemented as planned.
2.2 EARLY LEARNING AND CARE - Provide access to a two-year Transitional Kindergarten program for students who meet the state-defined age eligibility: Substantially implemented as planned.

2.3 MULTILINGUAL EDUCATION - Engagement and Training for Parents of English Learners: Substantially implemented as planned.
2.4 MULTILINGUAL EDUCATION - Professional Learning specific to instruction for English Learners: Substantially implemented as planned.
2.5 MULTILINGUAL EDUCATION - Implement English Learner Master Plan: Substantially implemented as planned.
2.6 MULTILINGUAL EDUCATION - Intervention and Supports specific to English Learners: Substantially implemented as planned.

2.7 SPECIAL EDUCATION - School Psychologists: Substantially implemented as planned.
2.8 SPECIAL EDUCATION - Instructional assistance for Students with Disabilities: Substantially implemented as planned.

2.9 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - School Site Council-determined, SPSA-based actions to improve English Language Arts and Mathematics results: Substantially implemented as planned.
2.10 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Secondary department-level data-based decision-making: Substantially implemented as planned.

2.11 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Weekly Collaboration Time for certificated staff: Substantially implemented as planned.
2.12 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - English Language Development: Substantially implemented as planned.
2.13 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Grade Level Readiness Intervention: Substantially implemented as planned.

2.14 HUMAN RESOURCES - Base and Supplemental Staffing in Support of Core Curriculum: Substantially implemented as planned.
2.15 HUMAN RESOURCES - Employee Pipelines and Recruitment / Retention: Substantially implemented as planned.

2.16 CURRICULUM AND INSTRUCTION - Design & Implement a Multi-year Professional Learning Plan for Literacy & Numeracy: Substantially implemented as planned.
2.17 CURRICULUM AND INSTRUCTION - Design & Implement District-Wide Multi-Tiered System of Supports Framework: Partially implemented, but several of the planning sessions delayed and cancelled.
2.18 CURRICULUM AND INSTRUCTION - Implement District-wide Common Assessments: Substantially implemented as planned.
2.19 CURRICULUM AND INSTRUCTION - Provide Equitable Access to Advanced Learner Services: Substantially implemented as planned.
2.20 CURRICULUM AND INSTRUCTION - Facilitate Teacher Induction Program & Provide Credential Support: Substantially implemented as planned.
2.21 CURRICULUM AND INSTRUCTION - Provide Instructional Materials for Students and Staff: Substantially implemented as planned.

2.22 LCAP Office - Evaluation, Assessment, and Data Literacy Support: Substantially implemented as planned.

2.23 IAS - Eight (8) Additional School Days - LREBG: Substantially implemented as planned.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below due to higher than budgeted salaries and benefits:

2.1 EARLY LEARNING AND CARE - Provide access to early childhood education for eligible students and families
2.7 SPECIAL EDUCATION - School Psychologists
2.8 SPECIAL EDUCATION - Instructional assistance for Students with Disabilities
2.13 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Grade Level Readiness Intervention
2.15 HUMAN RESOURCES - Employee Pipelines and Recruitment / Retention
2.20 CURRICULUM AND INSTRUCTION - Facilitate Teacher Induction Program & Provide Credential Support
2.21 CURRICULUM AND INSTRUCTION - Provide Instructional Materials for Students and Staff
2.22 LCAP Office - Evaluation, Assessment, and Data Literacy Support

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to reduced substitute and per diem costs.

2.17 CURRICULUM AND INSTRUCTION - Design & Implement District-Wide Multi-Tiered System of Supports Framework

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The synergy of these actions is most evident in the English Learner Progress Indicator and the English Learner Reclassification Rate, which has climbed from a baseline of 5.8% to 9.5%. This suggests that the specialized instructional strategies and parent engagement efforts are successfully moving students toward English proficiency. Additionally, the Percent of Time Students With Disabilities are Served in a Least Restrictive Environment has shown a steady increase to 61.6%, indicating that the district's focus on inclusion is yielding systemic change.

While secondary outcomes, such as 7-12 Math Grades and i-Ready Reading Growth, show positive movement, the SBAC Distance From Met for both ELA and Math highlights a persistent gap. Although most student groups are showing "Distance From Met" improvements, the pace of growth needs to increase significantly to reach the Year 3 targets of 80% of students demonstrating growth. The data suggests that while the foundational "Conditions of Learning" (staffing and materials) are being met, the instructional interventions are currently in a stage of incremental rather than transformative improvement.

To achieve these results, the district has deployed a comprehensive set of actions across several key departments:

Early Childhood & Foundations: Action 2.1 focuses on providing early childhood education, while Action 2.2 provides access to the two-year Transitional Kindergarten program to build early literacy and numeracy.

Multilingual Education: A multi-pronged approach includes Action 2.3 (Parent Engagement/Training), Action 2.4 (Professional Learning), Action 2.5 (EL Master Plan Implementation), and Action 2.6 (Targeted Interventions/Tutoring).

Special Education: Support is funneled through Action 2.7 (School Psychologists) and Action 2.8 (Instructional Assistance) to ensure students with disabilities are supported in the least restrictive environments.

Site-Based Leadership & Field Support: Action 2.9 empowers School Site Councils to determine SPSA-based actions, while Action 2.10, Action 2.11, Action 2.12, and Action 2.13 provide localized data decision-making, collaboration time, and readiness interventions.

Staffing & Professional Growth: The district maintains core conditions through Action 2.14 (Base and Supplemental Staffing) and Action 2.15 (Employee Pipelines/Retention).

Instructional Systems: Strategy is aligned and expanded through Action 2.16 (Literacy/Numeracy PL Plan), Action 2.17 (MTSS Framework), Action 2.18 (Common Assessments), Action 2.19 (Advanced Learner Services), Action 2.20 (Teacher Induction), Action 2.21 (Instructional Materials), and Action 2.23 (Additional School Days - LREBG) which increases instructional time to address learning recovery.

Evaluation: Oversight and analytical support is provided by Action 2.22 (LCAP Office Data Support).

Together, these actions form a comprehensive framework that addresses the "Conditions of Learning" while striving to improve "Pupil Outcomes" through data-driven instruction and targeted student support.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2025-26

The collaborative efforts to enhance graduation outcomes across the district have begun to demonstrate promising results based on the data collected during the first year of this LCAP's three-year cycle. While we continue to address specific challenges as noted, the district remains committed to implementing the goals and actions outlined in the adopted plan. These efforts will be continued and refined as noted below to achieve our objectives:

Action 2.3 MULTILINGUAL EDUCATION - Engagement and Training for Parents of English Learners: Beginning in 2025-26, this action is modified to reflect its intent to increase the percent of English Learner students progressing in English Language Development and improving the English Learner Reclassification Rate.

Actions 2.4, 2.5, 2.6, and 2.12 are modified to include additional detail in services provided to improve the outcomes of English Learners and Long-Term English Learners.

Action 2.14 HUMAN RESOURCES - Base and Supplemental Staffing in Support of Core Curriculum: Beginning with the 2025-26 school year, this action is modified to provide Supplemental and Concentration funding for Reading Intervention Teachers Specialists at all school sites. This is action is intended to improve the percent of teachers who are fully credentialed (Metric 2.18) and to improve literacy (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11) results across the district.

Action 2.16 CURRICULUM AND INSTRUCTION - Design & Implement a Multi-year Professional Learning Plan for Literacy & Numeracy: Beginning with the 2025-26 school year, this action is modified to also incorporate the design and coordination of a multi-year Professional Learning Plan for classified, certificated, and management staff focused on implementing Multi-Tiered Systems of Support (MTSS) to strengthen literacy instruction across all elementary sites. This plan includes strategic utilization of Reading Intervention Teachers at each elementary site to provide targeted, data-driven interventions aligned to student needs. Professional learning will emphasize Foundational Literacy practices, structured interventions, and Integrated Multi-Tiered Systems of Support (MTSS) frameworks

Action 2.22 LCAP Office - Evaluation, Assessment, and Data Literacy Support: Beginning with the 2025-26 school year, this action is modified to reflect that it is intended to increase the percent of students making progress in ELA (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11), Math (Metrics 2.2, 2.4, 2.9, 2.10, and 2.12), and percent of English Learner students reclassified to English proficient (Metric 2.6).

Action 2.23 IAS - Eight (8) Additional School Days - LREBG: Beginning with the 2025-26 school year, this action is added to reflect the use of Learning Recovery Emergency Block Grant (LREBG) funds to increase instructional time by eight (8) days at the beginning of the school year in response to the district's needs assessment.

Long-Term English Learner was added to metrics 2.3, 2.4, 2.5, and 2.15.

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Modified for 2026-27

Action 2.1 EARLY LEARNING AND CARE - Provide access to early childhood education for eligible students and families
Action 2.2 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Provide access to a two-year Transitional Kindergarten program for students who meet the state-defined age eligibility
Action 2.5 MULTILINGUAL EDUCATION - Implement English Learner Master Plan
Action 2.6 MULTILINGUAL EDUCATION - Intervention and Supports specific to English Learners
Action 2.19 CURRICULUM AND INSTRUCTION - Provide Equitable Access to Advanced Learner Services

Actions Discontinued June 2026

Action 2.20 CURRICULUM AND INSTRUCTION - Facilitate Teacher Induction Program & Provide Credential Support
Action 2.23 IAS - Eight (8) Additional School Days - LREBG

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	EARLY LEARNING AND CARE - Provide access to early childhood education for eligible students and families (Modified 2026-27)	Provide access to early childhood education for eligible students and families to build a strong foundation for academic success, social emotional development, early literacy skills, and school readiness. Universal PreKindergarten Programs (UPK) offer a combination of state-funded and Head Start-funded programs, ranging from Infant/Toddler to School-Age. Program eligibility is income-based and the location of programs are prioritized to Title 1-designated sites. Increase the percent of TK/K-6 ELA Grades of 3 or Higher (Metric 2.7). The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$14,434,886.00	No

Action #	Title	Description	Total Funds	Contributing
2.2	INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Provide access to a two-year Transitional Kindergarten program for students who meet the state-defined age eligibility (Modified 2026-27)	Provide access to a two-year Transitional Kindergarten program for students who meet the state-defined age eligibility which uses a modified curriculum that is developmentally appropriate and aligns the PK Learning Foundations and the Kindergarten Content Standards. Students enroll in a full year of Early/Transitional Kindergarten programming to strengthen school readiness skills and build upon a strong learning foundation for success in elementary, secondary, and beyond. Increase the percent of students demonstrating academic success in ELA (Metric 2.7) and Math (Metrics 2.9). The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$14,409,746.00	No
2.3	MULTILINGUAL EDUCATION - Engagement and Training for Parents of English Learners (Modified 2025-26)	Update English Language Development support structure to provide direct services to engage and train parents of English Learner students. Support school sites with establishing operational English Language Advisory Committees, enhancing district and site parent communication, interpreting and translating (oral and writing) communication using specific home languages, coordinating services to assist families in obtaining access to school programs and resources, recruiting parents for site and district programs (ELAC, DELAC, SSC, LCAP PAC, etc.), and meeting with parents of students that are in need of additional tier 2 and 3 support. English Language Arts, Math, and English Learner Progress Indicators Required Action. Beginning in 2025-26, this action is modified to reflect its intent to increase the percent of English Learner students progressing in English Language Development (Metric 2.5) and improving the English Learner Reclassification Rate (Metric 2.6). The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee, Student Advisory Council.	$431,051.00	No
2.4	MULTILINGUAL EDUCATION - Professional Learning specific to instruction for English	Professional learning to support English Language Development services. Beginning with the 2025-26 school year, this action is modified to include the following additional detail: The district will provide professional learning opportunities for teachers and administrators at all school sites to enhance English Language Development (ELD) services. This action aligns with the	$836,399.00	Yes

Action #	Title	Description	Total Funds	Contributing
	Learners (Modified 2025-26)	goal of increasing the percentage of English Learner (EL) students making progress in ELD, English Language Arts (ELA), Math, and the English Learner Progress Indicators (ELPI). The professional development will focus on research-based ELD practices, data-driven instruction, and strategies for supporting ELs across content areas. These opportunities will be ongoing and tailored to meet the needs of different school sites and grade levels. This action is designed to improve outcomes for EL and LTEL students. Increase the percent of English Learner students progressing in English Language Development (Metric 2.5). English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.		
2.5	MULTILINGUAL EDUCATION - Implement English Learner Master Plan (Modified 2026-27)	Refocus implementation of the English Learner (EL) Master Plan on activities that are explicitly mandated under California Education Code and federal requirements, including Every Student Succeeds Act (ESSA) and Title III of the Elementary and Secondary Education Act. The district will ensure that all required components of the EL Master Plan are implemented with fidelity, including identification, placement, program services, progress monitoring, and reclassification procedures for English Learners. The district will prioritize mandated activities such as the provision of both Integrated and Designated English Language Development (ELD), annual assessment of English proficiency, and timely reclassification processes, ensuring that all practices meet state and federal compliance standards. Coordination with school sites will focus on consistent execution of these required elements, supported by clear guidance, training, and monitoring systems. Implementation will emphasize legally required supports to address the needs of diverse EL populations, including newcomers and Long-Term English Learners (LTELs) through differentiated instruction and access to grade-level curriculum. Professional learning will be aligned to mandated instructional requirements to ensure educators are equipped to deliver standards-based ELD and content instruction. These efforts are designed to improve required accountability outcomes, including increased progress in English Language Development (Metric 2.5) and improved reclassification rates	$399,658.00	Yes

Action #	Title	Description	Total Funds	Contributing
		(Metric 2.6), in alignment with state accountability systems and federal reporting obligations. All activities will continue to reflect input from educational partners, including advisory committees, in accordance with stakeholder engagement requirements under Local Control Funding Formula (LCFF).		
2.6	MULTILINGUAL EDUCATION - Intervention and Supports specific to English Learners (Modified 2026-27)	The district will provide targeted tutoring and intervention services, including in-person, online, and technology-based programs, to support English Learner, migrant, and long-term English Learner students, with priority given to secondary newcomer students. Services will include virtual tutoring, adaptive learning platforms, and digital intervention tools to accelerate language development and improve achievement in English Language Arts and Mathematics. Professional learning and ongoing coaching will be provided for teachers, paraprofessionals, administrators, and site teams in new state standards, designated and integrated English Language Development (ELD) and effective use of instructional technology to support English learners. Beginning in the 2025–26 school year, supports will be delivered on an as-needed basis to ensure individualized student support, with professional development emphasizing evidence-based practices that promote timely English Learner reclassification. These actions are designed to strengthen language acquisition, improve academic outcomes, and advance educational equity, with the goal of increasing English Learner progress in ELD (Metric 2.5) and improving the English Learner Reclassification Rate (Metric 2.6), consistent with English Language Arts, Mathematics, and English Learner Progress Indicators, and aligned with feedback from the LCAP Parent Advisory Committee.	$140,869.00	Yes
2.7	SPECIAL EDUCATION - School Psychologists	Provide school psychological services, including participation on Student Success Teams (SSTs). Increase the amount of time students receiving Special Education services are in a least restrictive environment (Metric 2.13). English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): Community Advisory Committee, District English Learner Advisory Committee.	$11,957,622.00	No

Action #	Title	Description	Total Funds	Contributing
2.8	SPECIAL EDUCATION - Instructional assistance for Students with Disabilities	Provide students with disabilities specific instructional aide supports as identified in their Individualized Education Program (IEP). The percent of students who receive Special Education services and are served in a Least Restricted Environment (LRE) is one of the intended impacted areas of this action (Metric 2.13). English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): Community Advisory Committee.	$58,138,278.00	No
2.9	INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - School Site Council-determined, SPSA-based actions to improve English Language Arts and Mathematics results	School Site Council-determined, SPSA-based actions to improve ELA and Math performance. These funds are used to implement actions/strategies that benefit the targeted student groups identified by the site's Needs Assessment. Actions are described by each school site in their School Plan for Student Achievement (SPSA) and each school site defines measurable outcomes for monitoring progress and measuring effectiveness. Actions or strategies in each school's SPSA support achievement of the school's established goals, which represent each site's efforts to achieve the overall goals present in the district's LCAP. Examples of actions/strategies in Goal 1 include increased counseling services, expanded credit recovery options, and field trip experiences. Examples of actions/strategies in Goal 2 include bilingual instructional aides, targeted academic intervention, after school tutoring, and professional development for staff, including those teaching English Learner students. Increase the percent of students making progress in ELA (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11) and Math (Metrics 2.2, 2.4, 2.9, 2.10, and 2.12). English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, Student Advisory Council.	$5,895,690.00	Yes
2.10	INSTRUCTIONAL ASSISTANT SUPERINTENDENT	Use student data for secondary department chairs to provide interventions for secondary students. Increase the percent of students making progress in ELA (Metric 2.8) and Math (Metric 2.10) secondary coursework.	$745,329.00	No

Action #	Title	Description	Total Funds	Contributing
	S - Secondary department-level data-based decision-making	English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.		
2.11	INSTRUCTIONAL ASSISTANT SUPERINTENDENT S - Weekly Collaboration Time for certificated staff	Provide one hour of time per week for teachers to collaborate with peers on approaches to improving student achievement. Increase the percent of students making progress in ELA (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11) and Math (Metrics 2.2, 2.4, 2.9, 2.10, and 2.12). English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$172,947.00	No
2.12	INSTRUCTIONAL ASSISTANT SUPERINTENDENT S - English Language Development (Modified 2025-26)	School Site Council-determined, SPSA-based actions to improve English Language Development performance and progress. Beginning with the 2025-26 school year, this action is modified to include the following additional detail: Professional learning for both elementary and secondary educators will center on the implementation of high-quality, standards-aligned instruction to support English learners, including newcomers and Long-Term English Learners (LTELs). At the secondary level, the focus will be on integrated English Language Development (ELD) across content areas, ensuring that language development is embedded in all disciplines. At the elementary level, emphasis will be placed on foundational skills development, integrated with designated and integrated ELD practices. These professional learning priorities align with the district's English Learner Master Plan and reflect School Site Council-determined, SPSA-based actions aimed at improving English Language Development (ELD) outcomes. Increase the percent of students making progress in English Language Development (Metric 2.5). English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee.	$1,059,856.00	Yes

Action #	Title	Description	Total Funds	Contributing
2.13	INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Grade Level Readiness Intervention	Provide research and evidence-based interventions at Title 1 schools for students who are low income and for students demonstrating high needs. Intervention is intended to accelerate progress towards grade-level readiness, particularly for those students who demonstrate gaps in grade-level proficiency. Increase the percent of students making progress in ELA (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11) and Math (Metrics 2.2, 2.4, 2.9, 2.10, and 2.12), and increase the percent of students progressing in English Language Development (Metric 2.5). English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$7,612,278.00	No
2.14	HUMAN RESOURCES - Base and Supplemental Staffing in Support of Core Curriculum (Modified 2025-26)	Provide certificated and classified staffing at a level sufficient to provide the core curriculum to all students. Smaller class sizes allow for teachers and instructional staff to be better attuned to the unique needs of each learner. Although this strategy benefits all students, the targeted assistance that SCUSD provides to site leaders during the annual staffing and budget development process ensures that unduplicated pupils' needs are prioritized. The targeted assistance allows the district to maintain schools and school sites to maintain programs above and beyond what would be possible with base funding alone. SCUSD is reduced class size at grades K-3 and to provide targeted school assistance in the form of additional staffing across the district. Class size reduction (maintaining class size at 24:1) at K-3 is implemented districtwide for all school sites. This action also provide additional staffing to high-needs sites where the percentage of students who are English Learner, Foster Youth, and/or Low Income comprise more than 55% of the student enrollment. Beginning with the 2025-26 school year, this action is modified to provide $12,198,186 in Supplemental and Concentration funding for Reading Intervention Teachers Specialists at all school sites. This action is intended to improve the percent of teachers who are fully credentialed (Metric 2.18) and to improve literacy (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11) results across the district.	$290,050,486.00	Yes

Action #	Title	Description	Total Funds	Contributing
2.15	HUMAN RESOURCES - Employee Pipelines and Recruitment / Retention	Develop and implement pathways and pipelines for current employees and community members to acquire credentials and certifications (e.g. teaching credential). Increase SCUSD's presence in the community and around the nation to recruit highly qualified individuals and retain valued employees. This action is particularly focused on recruitment and retention of teachers to improve outcomes for low-income students and students of color, as teacher attrition disproportionately impacts these schools. Full credential teacher recruitment and retention (Metric 2.18) is one of the intended impacted areas of this action.	$4,741,364.00	No
2.16	CURRICULUM AND INSTRUCTION - Design & Implement a Multi-year Professional Learning Plan for Literacy & Numeracy (Modified 2025-26)	Design and coordinate a comprehensive, multi-year Professional Learning Plan for classified, certificated and management staff anchored in the district's commitment High Quality Instruction and focused on the District's Academic Literacy & Numeracy Priorities: Foundational Reading Skills, Integrated ELD Across Disciplines and Mathematical Number Sense. Beginning with the 2025-26 school year, this action is clarified to also incorporate the design and coordination of a multi-year Professional Learning Plan for classified, certificated, and management staff focused on implementing Multi-Tiered Systems of Support (MTSS) to strengthen literacy instruction across all elementary sites. This plan includes strategic utilization of Reading Intervention Teachers at each elementary site to provide targeted, data-driven interventions aligned to student needs. Professional learning will emphasize Foundational Literacy practices, structured interventions, and Integrated Multi-Tiered Systems of Support (MTSS) frameworks. Increase State Standards Survey Results (Metric 2.20) and the percent of students making progress in ELA (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11) and Math (Metrics 2.2, 2.4, 2.9, 2.10, and 2.12). The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$1,296,398.00	Yes
2.17	CURRICULUM AND INSTRUCTION - Design & Implement	Develop and implement a district-wide Multi-Tiered System of Supports. This action includes coordinating a District MTSS Design Team to collaboratively define tiers of instruction and intervention; establish	$500,000.00	No

Action #	Title	Description	Total Funds	Contributing
	District-Wide Multi-Tiered System of Supports Framework	common teaming structures and assurances; and develop a comprehensive assessment, intervention, and progress monitoring system. Provide professional learning for teachers, site-based teams, and site/department leaders on MTSS principles and practices, including universal tier one instructional best practices, data-based decision-making, tiered instruction, and progress monitoring and intervention strategies. TK-6 ELA Grades of 3 or Higher (Metric 2.7), TK-6 Math Grades of 3 or Higher (Metric 2.9), 7-12 ELA Grades of C or Higher (Metric 2.8), 7-12 Math Grades of C or Higher (Metric 2.10), i-Ready Reading Spring Scale Scores (Metric 2.11), i-Ready Math Spring Scale Scores (Metric 2.12), SBAC ELA Scores (Metrics 2.1 and 2.3), SBAC Math Scores (Metrics 2.2 and 2.4), and California Science Test (Metric 2.15) outcomes for students are intended areas of this action. English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.		
2.18	CURRICULUM AND INSTRUCTION - Implement District-wide Common Assessments	To assess the effectiveness of standards implementation, staff will: coordinate and support the administration of district-wide universal screeners and common assessments; engage in ongoing progress monitoring of academic performance and growth of students, particularly those from traditionally underserved communities; and collect and analyze data related to academic performance, student demographics, and program effectiveness to identify trends and areas for improvement, measure the impact of actions, and design professional learning. i-Ready Reading Spring Scale Scores (Metric 2.11), i-Ready Math Spring Scale Scores (Metric 2.12), and Reclassification Rate (Metric 2.6) outcomes for students are intended areas of this action. English Language Arts, Math, and English Learner Progress Indicators Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$285,000.00	No
2.19	CURRICULUM AND INSTRUCTION -	Eliminate barriers to equitable identification for, and student receipt of, advanced learner services Grade 2-12. Administer the Cognitive Abilities	$902,054.00	No

Action #	Title	Description	Total Funds	Contributing
	Provide Equitable Access to Advanced Learner Services (Modified 2026-27)	Test (CogAT) to facilitate universal screening of all students for recommended access to advanced learner opportunities in Grades 2-6 and placement in advanced Middle School courses. Provide ongoing professional learning for elementary teachers providing GATE services in grades 2-6. The CoGAT pass rate for Age Percentile Rank for grade 3 students is one of the intended impacted areas of this action (Metric 2.14).		
2.20	CURRICULUM AND INSTRUCTION - Facilitate Teacher Induction Program & Provide Credential Support (Discontinued June 2026)	Provide professional learning and coaching support to new teachers and new administrators. Continuously improve and align the SCUSD Teacher Induction Program to address district priorities and support new teachers (those pursuing preliminary credentials, including clear single-subject, multiple-subject, or teacher-specialist credentials, intern credentials, short-term permits, and credentials outside of teachers) as they develop their proficiency to deliver High Quality Instruction in alignment with the California Standards for the Teaching Profession. Provide teachers and administrators new to SCUSD with a comprehensive orientation and support process aligned with district priorities. Establish and maintain alternative pathways for acquiring a teaching credential by way of teacher internship and residencies opportunities for grades TK-12. Increase retention of site and district administrators by providing them with professional learning and coaching opportunities to enhance their knowledge and skills to fulfill their roles and responsibilities as instructional leaders, including individual and small group mentoring and networking, site visits, new administrator training, and just in time supports. Full credential teacher recruitment and retention (Metric 2.18) is one of the intended impacted areas of this action.		No
2.21	CURRICULUM AND INSTRUCTION - Provide Instructional Materials for Students and Staff	Provide all students and staff sufficient instructional materials (print, manipulatives, and digital) for board-adopted curricula and library books for TK-12 aligned with District Academic Priorities: Culture & Climate, Literacy and Numeracy. Includes project-based learning opportunities utilizing school libraries. Includes newly adopted materials and replacement materials for lost/damaged items. The sufficiency of student textbooks is one of the intended impacted areas of this action (Metric 2.19).	$3,626,256.00	No

Action #	Title	Description	Total Funds	Contributing
2.22	LCAP Office - Evaluation, Assessment, and Data Literacy Support (Modified 2025-26)	Provide data analysis and program evaluation support to guide continuous improvement planning and decision making. District leadership will use data to identify where schools are identifying low student achievement to focus the goals of school single plans for student achievement. Deepen data literacy across the district, including integrating the goals and actions within the LCAP and school SPSAs. Beginning with the 2025-26 school year, this action is modified to reflect that it is intended to increase the percent of students making progress in ELA (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11), Math (Metrics 2.2, 2.4, 2.9, 2.10, and 2.12), and percent of English Learner students reclassified to English proficient (Metric 2.6). The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee.	$2,089,088.00	Yes
2.23	IAS - Eight (8) Additional School Days - LREBG (Discontinued June 2026)	The purpose of this action is to use Learning Recovery Emergency Block Grant (LREBG) funds to increase instructional time by eight (8) days at the beginning of the school year in response to the district's needs assessment. Research supports that there is a positive correlation between additional instruction time and student progress and performance in core academic subjects. Across the district, 50.3% of students received a scale score on CAASPP that places them in the Standards Not Met or on the low end of Standards Nearly Met level in ELA. For at least 75% of the district’s schools, the district received a status level indicating low performance in Mathematics for one of more of the following student groups on the 2024 Dashboard: ALL, AA, EL, H, SED, and SWD. This action accounts for the district's entire remaining allocation of $5,078,574 in LREBG funds, and the district does not anticipate receiving any additional LREBG funds in 2026-27 and 2027-28. Increase State Standards Survey Results (Metric 2.20) and the percent of students making progress in ELA (Metrics 2.1, 2.3, 2.7, 2.8, and 2.11) and Math (Metrics 2.2, 2.4, 2.9, 2.10, and 2.12).		No

Goals and Actions

Goal

Goal #	Description	Type of Goal
3	Goal 3 is about creating the same sense of being welcomed and safe for all students and families within the district. All students and families will feel safe and connected in their school community as measured by the annual LCAP School Climate and Culture survey and behavior data as a result of engaging all staff in professional learning on Anti-Bias/Anti-Racist/Trauma-Informed principles and practices.	Broad Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 3: Parental Involvement (Engagement)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

The district and its education partners understand that the best learning happens when all students and families will feel safe and connected in their school community. To improve our district's culture and climate, Goal 3 is strategically designed to leverage professional learning on Anti-Bias/Anti-Racist/Trauma-Informed principles and practices to decrease the incidents that arise and result in students being suspended and removed from their learning environments.

More than 6 (6.1%) of every 100 students were excluded from their education via suspension, resulting in an Orange rating on the Dashboard released in December 2023. Below are the respective suspension rates for each of our historically underserved groups:

African American: 15.3
American Indian: 9.0
English Learner: 4.3
Students With Disabilities: 9.3
Foster Youth: 17.8
Homeless Youth: 13.4
Socioeconomically Disadvantaged: 7.4

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

3.1 STUDENT SUPPORT AND HEALTH SERVICES - Services and Support for Foster Youth: Substantially implemented as planned.
3.2 STUDENT SUPPORT AND HEALTH SERVICES - Provide Student Support Services: Substantially implemented as planned.
3.3 STUDENT SUPPORT AND HEALTH SERVICES - Services and Support for Homeless Youth: Substantially implemented as planned.
3.4 STUDENT SUPPORT AND HEALTH SERVICES - School Nurses and Immunization Clinic: Substantially implemented as planned.

3.5 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Provide a range of Expanded Learning Programs: Substantially implemented as planned.
3.6 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Address the Unique Needs of American Indian and Alaska Native students: Substantially implemented as planned.
3.7 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Men's and Women's Leadership Academy (MWLA): Partially implemented, but the district entered into fewer contracts for expanded learning services.
3.8 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Student Advisory Council: Substantially implemented as planned.
3.9 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Implement State Seal of Civic Engagement: Substantially implemented as planned.

3.10 SUMMER SCHOOL - Summer Programming: Substantially implemented as planned.

3.11 ENROLLMENT CENTER - Centralized Enrollment Services: Substantially implemented as planned.

3.12 ATTENDANCE - Attendance and Engagement Strategies: Substantially implemented as planned.
3.13 ATTENDANCE - Family Communication Tools: Not implemented as the district did not continue the contract a third party service provider.

3.14 STATE AND FEDERAL - Family and Community Empowerment (FACE):Substantially implemented as planned.
3.15 STATE AND FEDERAL - Parent Teacher Home Visits: Substantially implemented as planned.

3.16 STUDENT PLACEMENT AND HEARING OFFICE - Bullying Prevention Training, Intervention, and Response: Substantially implemented as planned.

3.17 SPECIAL EDUCATION - Social, Emotional, and Mental Health Supports: Substantially implemented as planned.

3.18 SAFETY - Re-imagine School Safety: Substantially implemented as planned.

3.19 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Restructured Salary Schedule: Substantially implemented as planned.
3.20 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Fingerprinting for Volunteers: Substantially implemented as planned.
3.21 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - School Site Council-Determined, SPSA-Based School Climate Actions: Implemented, but fewer funds were allocated to sites as a result of less LCFF received by the district.

3.22 FACILITIES SUPPORT SERVICES - School Facilities Maintenance: Substantially implemented as planned.

3.23 CURRICULUM AND INSTRUCTION - Improve District and School Culture & Climate through Anti-Bias, Anti-Racist, Trauma-Informed Practices: Partially implemented as less professional development sessions were provided than originally planned.
3.24 CURRICULUM AND INSTRUCTION - Implement the District Visual and Performing Arts Strategic Arts Plan: Substantially implemented as planned.

3.25 CURRICULUM AND INSTRUCTION - Provide Visual and Performing Arts Opportunities in Expanded Learning Spaces: Substantially implemented as planned, including with enhanced services due to additional grant received.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below due to higher than budgeted salaries and benefits:

3.4 STUDENT SUPPORT AND HEALTH SERVICES - School Nurses and Immunization Clinic
3.5 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Provide a range of Expanded Learning Programs
3.8 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Student Advisory Council
3.9 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Implement State Seal of Civic Engagement
3.10 SUMMER SCHOOL - Summer Programming
3.14 STATE AND FEDERAL - Family and Community Empowerment (FACE)

Expenditures were less than budgeted due to the estimated salaries and benefits for the following actions:

3.7 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Men’s and Women’s Leadership Academy (MWLA): Reduced contract costs related to expanding learning programs.

3.13 ATTENDANCE - Family Communication Tools: The contract for third party service provider was not continued.

3.21 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - School Site Council-Determined, SPSA-Based School Climate Actions: Fewer funds were allocated to sites as the amount of LCFF estimated was less than the actual amount received.

3.23 CURRICULUM AND INSTRUCTION - Improve District and School Culture & Climate through Anti-Bias, Anti-Racist, Trauma-Informed Practices: Reduced substitute and per diem costs.

3.25 CURRICULUM AND INSTRUCTION - Provide Visual and Performing Arts Opportunities in Expanded Learning Spaces: The 2025-26 ELOP award was $15 million greater than expected at adopted.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Based on the data provided in the Measuring and Reporting Results section, the collective implementation of the actions under Goal 3 has proven effective in improving school climate and reducing exclusionary barriers to learning. The district’s holistic approach—combining mental health services, student engagement programs, and family support—has led to a measurable increase in student and family belongingness.

The most significant indicator of effectiveness is the Chronic Absenteeism Indicator, which saw a substantial district-wide decrease, highlighted by a notable drop for Homeless Youth. This is bolstered by the Attendance Rate, which shows an increasing percentage of students reaching high attendance thresholds.

Furthermore, the district's focus on culture is validated by the Student Connectedness Perception and the Kelvin Student Voice Survey, both of which show upward trends in positivity across almost all student groups. While the Suspension Rate showed a slight uptick in the most recent Dashboard year, the data regarding Middle School and High School Dropout Rates shows significant declines. These results suggest that the "Engagement" and "Conditions of Learning" priorities are successfully keeping more students connected to their school communities and ensuring that the vast majority of schools maintain a “Good” Facility Rating.

The following actions work in coordination to achieve the progress noted above:

Direct Student & Health Support: Action 3.1 (Services and Support for Foster Youth), Action 3.2 (Provide Student Support Services), Action 3.3 (Services and Support for Homeless Youth), and Action 3.4 (School Nurses and Immunization Clinic) provide essential wrap-around health and social services.

Youth Development & Engagement: Students are empowered through Action 3.5 (Provide a range of Expanded Learning Programs), Action 3.6 (Address the Unique Needs of American Indian and Alaska Native students), Action 3.7 (Men’s and Women’s Leadership Academy), Action 3.8 (Student Advisory Council), and Action 3.9 (Implement State Seal of Civic Engagement).

Academic & Connection Bridges: Transition and continuous learning support are provided via Action 3.10 (Summer Programming) and Action 3.11 (Centralized Enrollment Services).

Attendance & Specialized Support: Targeted re-engagement is driven by Action 3.12 (Attendance and Engagement Strategies), Action 3.13 (Family Communication Tools), and Action 3.17 (Social, Emotional, and Mental Health Supports).

Family & Community Empowerment: Partnerships are strengthened by Action 3.14 (Family and Community Empowerment), Action 3.15 (Parent Teacher Home Visits), and the engagement activities measured by the Community Advisory Committee and School Site Council Training.

Safety & School Culture: Building inclusive environments is the focus of Action 3.16 (Bullying Prevention Training, Intervention, and Response), Action 3.18 (Re-imagine School Safety), Action 3.21 (SSC-Determined School Climate Actions), and Action 3.23 (Improve District and School Culture & Climate through Anti-Bias, Anti-Racist, Trauma-Informed Practices).

Environment & Talent Foundations: Structural and professional supports include Action 3.22 (School Facilities Maintenance), Action 3.19 (Restructured Salary Schedule), and Action 3.20 (Fingerprinting for Volunteers).

Visual and Performing Arts: Engagement through the arts is facilitated by Action 3.24 (Implement the District Visual and Performing Arts Strategic Arts Plan) and Action 3.25 (Provide Visual and Performing Arts Opportunities in Expanded Learning Spaces).

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2025-26

The collaborative efforts to enhance graduation outcomes across the district have begun to demonstrate promising results based on the data collected during the first year of this LCAP's three-year cycle. While we continue to address specific challenges as noted, the district remains committed to implementing the goals and actions outlined in the adopted plan. These efforts will be continued and refined as noted below to achieve our objectives:

Action 3.3 STUDENT SUPPORT AND HEALTH SERVICES - Services and Support for Homeless Youth: Beginning with the 2025-26 school year, this action is modified to reflect its intent is to improve students' perception regarding their belongingness and connectedness to their school community.

Action 3.9 YOUTH DEVELOPMENT AND SUPPORT SERVICES - Implement State Seal of Civic Engagement: Beginning with the 2025-26 school year, this action is modified to reflect that CURRICULUM AND INSTRUCTION is overseeing the implementation of this action.

Action 3.11 ENROLLMENT CENTER - Centralized Enrollment Services: Beginning with the 2025-26 school year, this action is modified to reflect an intent to improve families' perception regarding their belongingness and connectedness to their school community.

Action 3.18 SAFETY - Re-imagine School Safety: Beginning with the 2025-26 school year, this action is modified to reflect that it is intended to also improve the Expulsion Rate, Family Safety Perception, student dropout rates, and Staff Safety Perception.

Action 3.19 INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Restructured Salary Schedule: Beginning with the 2025-26 school year, this action is modified to reflect that it is intended to improve Staff Connectedness Perception and Staff Safety Perception.

Long-Term English Learner was added to metrics 3.1 and 3.2.

Metric 3.14, Percentage of School Site Councils (SSC) Provided Updated Training, was added.

Metric 3.15, Number of LCAP Office Engagement Activities With the Community Advisory Committee, was added.

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Discontinued June 2026

Action 3.13 ATTENDANCE - Family Communication Tools

Actions Modified for 2026-27

Action 3.2 STUDENT SUPPORT AND HEALTH SERVICES - Provide Student Support Services (including use of LREBG funds)
Action 3.15 STATE AND FEDERAL - Parent Teacher Home Visits

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	STUDENT SUPPORT AND HEALTH SERVICES - Services and Support for Foster Youth	Foster Youth Services (FYS) staff provide an array of supports for Foster Youth and families. Improve student perception regarding their belongingness and connectedness to their school community (Metrics 3.6 and 3.9). Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$1,246,776.00	Yes
3.2	STUDENT SUPPORT AND HEALTH SERVICES - Provide Student Support Services (including use of LREBG funds) (Modified 2026-27)	Provide services that address a wide range of needs: social emotional, health, mental health, behavioral, attendance, and basic. Improve students' perception regarding their belongingness and connectedness to their school community (Metrics 3.6 and 3.9). These services are rooted in research showing that integrated student supports are essential for fostering the school connectedness required to improve attendance and reduce exclusionary discipline. Suspension and Chronic Absenteeism Rate Required Action. This action accounts for the district's entire remaining allocation of $7.95 million in LREBG funds, and the district does not anticipate receiving any additional LREBG funds in 2027-28. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): Community Advisory Committee, African American/Black Student Focal Group Committee.	$11,125,097.00	Yes
3.3	STUDENT SUPPORT AND HEALTH SERVICES - Services and	Continue to provide direct support for Homeless Youth and families in compliance with state and federal requirements. Continue to develop and refine procedures and policies for referral of students and families to be identified as Homeless, including data collection via the refined	$1,723,258.00	No

Action #	Title	Description	Total Funds	Contributing
	Support for Homeless Youth (Modified 2025-26)	implementation of a universal housing survey administered twice annually. Families that indicate housing instability will be identified and offered supportive services for homelessness. Data collection and analysis enables Homeless Services staff to provide better direct support for Homeless Youth and families in compliance with state and federal requirements. Beginning with the 2025-26 school year, this action is modified to reflect its intent is to improve students' perception regarding their belongingness and connectedness to their school community (Metrics 3.6 and 3.9). Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.		
3.4	STUDENT SUPPORT AND HEALTH SERVICES - School Nurses and Immunization Clinic	Provide nursing services as a key component of the district's wrap-around health services. Reduce students' rates of chronic absenteeism (Metric 3.2) and increase students' rates of attendance (Metric 3.3). Suspension and Chronic Absenteeism Rate Required Action.	$21,447,374.00	Yes
3.5	YOUTH DEVELOPMENT AND SUPPORT SERVICES - Provide a range of Expanded Learning Programs	Provide expanded learning programs at 70 school sites, including before school, after school, summer, and intersession learning. At district high schools, integrated services implemented in collaboration with District staff, community partners and external providers also include including home visits, outreach, referral to resources, enrichments (music, arts, dance), small group instruction, tutoring, homework help, structured games and sports, and credit recovery/elective courses. Student Connectedness Perception (Metrics 3.6 and 3.9) is one of the intended impacted areas of this action. Suspension and Chronic Absenteeism Rate Required Action.	$30,863,768.00	No
3.6	YOUTH DEVELOPMENT AND SUPPORT SERVICES - Address the Unique Needs of American Indian and	Address the unique cultural, language, and educationally-related academic needs of American Indian and Alaska Native students via the American Indian Educational Program by providing tutoring, reading groups and classroom visits, cultural programs and events, college prep programs, scholarship writing, student support and advocacy, and milestone celebrations. Family Connectedness Perception (Metric 3.8) is one of the	$34,967.00	No

Action #	Title	Description	Total Funds	Contributing
	Alaska Native students	intended impacted areas of this action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee.		
3.7	YOUTH DEVELOPMENT AND SUPPORT SERVICES - Men's and Women's Leadership Academy (MWLA)	Provide leadership academy services to intentionally combat the school-to-prison-pipeline for underserved low-income students of color by creating supportive and productive learning environments, empowering students through wraparound services that promote Social Emotional Learning, culturally relevant and responsive leadership development, meaningful mentorship, and academic support that engages students through their own means of learning. Student Connectedness Perception (Metrics 3.6 and 3.9) is one of the intended impacted areas of this action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, African American/Black Student Focal Group Committee.	$48,180.00	No
3.8	YOUTH DEVELOPMENT AND SUPPORT SERVICES - Student Advisory Council	Provide student advisory services that promote student voice and problem-solving, and introduce students to the concepts of policy advocacy, applied social research, democratic governing, and grassroots organizing. Student Advisory Council delegates work to develop policy initiatives, meet with district staff and committees, and work to ensure that all student voices are represented. Student Connectedness Perception (Metrics 3.6 and 3.9) is one of the intended impacted areas of this action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, Student Advisory Council.	$684,000.00	No
3.9	CURRICULUM AND INSTRUCTION - Implement State Seal of Civic Engagement (Modified 2025-26)	Continue implementation of State Seal of Civic Engagement (SSCE) program for students initiated in 2021-22, including refinement of rubrics, expansion of entry points for students, creation of additional opportunities for engagement in K-12 curriculum, and expansion of the number and range of partnerships that provide students opportunity for community engagement. Students interview participants, front line staff and	$684,000.00	No

		management of expanded learning programs to assess needs in the area of continuous quality improvement. Once students assess the needs, they plan and propose program changes/improvements to YDSS management. Beginning with the 2025-26 school year, this action is modified to reflect that CURRICULUM AND INSTRUCTION is overseeing the implementation of this action. Student Connectedness Perception is one of the intended impacted areas of this action (Metrics 3.6 and 3.9).		
3.10	SUMMER SCHOOL - Summer Programming	Provide summer programming to address learning loss to give students opportunities to reconnect in their learning environments in a way that lead to healing and accelerated classroom learning and academic success. In addition to the morning academic session, there is a strong emphasis on enrichment activities to promote connectedness. Activities include art, dance, music, and STEM programming held in the afternoon hours. At high schools, credit recovery and Bridge programming for incoming 9th graders are the prioritized. Summer programs are open for all students, however, English Learners, students from low socio-economic groups, Foster youth and unhoused students are prioritized in the program. Student Connectedness Perception is one of the intended impacted areas of this action (Metrics 3.6 and 3.9). The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee.	$10,105,000.00	No
3.11	ENROLLMENT CENTER - Centralized Enrollment Services (Modified 2025-26)	Provide centralized enrollment services as a gateway for families and students transitioning into the district or between school sites. In addition to enrollment support, available services include translation services, family services and referrals to support families in transition (e.g. students with disabilities, homeless youth, foster youth, and student immunizations). Facilitate open enrollment and enrollment in high-school specialty programs. Beginning with the 2025-26 school year, this action is modified to reflect an intent to improve families' perception regarding their belongingness and connectedness to their school community (Metric 3.7). Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback	$3,458,553.00	No

Action #	Title	Description	Total Funds	Contributing
		received from the following educational partner(s): LCAP Parent Advisory Committee.		
3.12	ATTENDANCE - Attendance and Engagement Strategies	Support school sites in focused efforts to reduce chronic absenteeism, including promoting best practices (e.g. regular meeting of attendance teams, data-based goal setting, development of attendance-specific MTSS structures, student case management, and participation in a monthly peer network). Providing expanded supports to include capacity building for staff, tiered re-engagement and absence support, engaging youth voice to promote positive engagement and attendance, implementation of a restorative School Attendance Review Board (SARB) process, and summer community outreach events. Chronic Absenteeism (Metric 3.2) is one of the intended impacted areas of this action. Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee, Community Advisory Committee.	$6,000.00	No
3.13	ATTENDANCE - Family Communication Tools (Discontinued June 2026)	Provide family outreach to partner with parents/caregivers in increasing student engagement and reducing chronic absenteeism, including the delivery of personalized messages to families based on an analysis of individual student attendance data. Communications help families take action to support attendance and participate in student support. Reduce students' rates of chronic absenteeism (Metric 3.2). The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.		No
3.14	STATE AND FEDERAL - Family and Community Empowerment (FACE)	Provide a range of capacity-building and constituent service opportunities to families and guardians. Improve families' perception regarding their belongingness and connectedness to their school community (Metric 3.8). Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee.	$1,688,264.00	Yes

Action #	Title	Description	Total Funds	Contributing
3.15	STATE AND FEDERAL - Parent Teacher Home Visits (Modified 2026-27)	Provide parent and teacher home visits. Student Suspension Rate (Metric 3.1), Chronic Absenteeism (Metric 3.2), Student Connectedness Perception (Metrics 3.6 and 3.9), and Family Connectedness Perception (Metric 3.8) are some of the intended impacted areas of this action. Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$548,192.00	Yes
3.16	STUDENT PLACEMENT AND HEARING OFFICE - Bullying Prevention Training, Intervention, and Response	Develop and deliver training to school sites, providing direct response and intervention for bullying incidents, and collaborating with constituent services and the Student Hearing and Placement Department. Bullying Prevention staff works closely with Constituent Services and Student Support and Health Services to align with Social Emotional Learning (SEL) and Positive Behavioral Intervention and Supports (PBIS) efforts. Suspension Rate (Metric Metric 3.1), Chronic Absenteeism (Metric 3.2), and Student Safety Perception (Metric 3.5) are some of the intended impacted areas of this action. Suspension and Chronic Absenteeism Rate Required Action.	$534,173.00	No
3.17	SPECIAL EDUCATION - Social, Emotional, and Mental Health Supports	Provide students with disabilities access to trained mental health professionals (School Social Workers) that can assist with mental health concerns, behavioral concerns, positive behavioral support, academic and classroom support, and consultation with teachers, parents, and administrators. The student Suspension Rate (Metric 3.1) is one of the intended impacted areas of this action. Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee.	$2,717,534.00	No

Action #	Title	Description	Total Funds	Contributing
3.18	SAFETY - Re-imagine School Safety (Modified 2025-26)	Building upon past learnings from Phase I for the effort to re-image school safety by using data to identify safety-based behavior concerns, continue providing safety evidence-based services that positively impact students, staff, and school campus safety and culture. Such services include conflict mediation and partnering with agencies to identify and address causation factors. Momentum from Phase II is moving the district quickly to Phase III, which includes a process to reduce suspensions at the middle and high school levels and address other equity concerns that contribute to the "school to prison pipeline" disproportionately impacting black and brown students. The district's strategy continues to emphasize and value the collaboration with community based organizations, grass roots organizations (lived experience), and other district partners to accomplish district wide school safety. The student Suspension Rate (Metric 3.1) is one of the intended impacted areas of this action. Beginning with the 2025-26 school year, this action is modified to reflect that it is intended to also improve the Expulsion Rate (Metric 3.4), Family Safety Perception (Metric 3.7), student dropout rates (Metrics 3.11 and 3.13), and Staff Safety Perception (Metric 3.10). Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee.	$3,340,691.00	Yes
3.19	INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Restructured Salary Schedule (Modified 2025-26)	Maintains a competitive salary and benefits package for certificated staff in order to improve student learning, close achievement gaps and ensure students have an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options, the district will maintain a competitive salary and benefit package for the certificated staff who serve them. Students in high-poverty schools experience greater turnover in teaching staff, more long-term substitutes, and a higher proportion of early-career teachers. (Carver-Thomas and Darling-Hammond [2017] Teacher Turnover: Why It Matters and What We Can Do About It). With a competitive salary and benefit package, the district expects to see a reduction of teacher turnover and the retention of experienced classroom teachers, as well as an increased ability to recruit highly qualified candidates who will be effective in improving the academic	$12,339,412.00	No

Action #	Title	Description	Total Funds	Contributing
		outcomes of the unduplicated students who are the majority of our district. Being able to recruit, hire, and retain highly qualified teachers, including teachers who reflect the racial, ethnic, and linguistic demographics of the district remains a key priority for improving unduplicated student outcomes. Beginning with the 2025-26 school year, this action is modified to reflect that it is intended to improve Staff Connectedness Perception (Metric 2.16) and Staff Safety Perception (Metric 3.10).		
3.20	INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Fingerprinting for Volunteers	Provide family and community volunteers access to required fingerprinting services at no cost or reduced cost to ensure that all community members are able to equitably and actively support student success. Family Connectedness Perception (Metric 3.8) is one of the intended impacted areas of this action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee.	$20,000.00	No
3.21	INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - School Site Council-Determined, SPSA-Based School Climate Actions	School Site Council-determined, SPSA-based actions to improve school culture and climate. These funds are used to implement actions/strategies that benefit the targeted student groups identified by the site's Needs Assessment. Actions are described by each school site in their School Plan for Student Achievement (SPSA) and each school site defines measurable outcomes for monitoring progress and measuring effectiveness. Actions or strategies in each school's SPSA support achievement of the school's established goals, which represent each site's efforts to achieve the overall goals present in the district's LCAP. Examples of actions/strategies in Goal 3 include staffing for Student Support Centers, programs and materials to incentivize positive attendance, enrichment experiences, Social Emotional Learning (SEL) programs, Positive Behavioral Interventions and Supports (PBIS) efforts, and professional development, family/community events, Parent Resource Center supports, and time/staff to engage in school-home outreach. Reduce students' rates of chronic absenteeism (Metric 3.2), increase students' rates of attendance (Metric 3.3), and reduce the percent of students suspended (Metric 3.1). Suspension and Chronic Absenteeism Rate Required Action. The activities in this action are consistent with recommendations and feedback	$3,166,296.00	Yes

Action #	Title	Description	Total Funds	Contributing
		received from the following educational partner(s): LCAP Parent Advisory Committee.		
3.22	FACILITIES SUPPORT SERVICES - School Facilities Maintenance	Maintain safe and clean facilities in good repair. Includes custodial, maintenance, and other facilities support staff as well as materials and services associated with the maintenance of school sites and other district facilities. The percent of sites with a good facility rating (Metric 3.12) is one of the intended impacted areas of this action.	$133,348,494.00	No
3.23	CURRICULUM AND INSTRUCTION - Improve District and School Culture & Climate through Anti-Bias, Anti-Racist, Trauma-Informed Practices (Modified 2025-26)	Design and coordinate a comprehensive, multi-year Professional Learning Plan for classified, certificated and management staff anchored in the district's commitment High Quality Instruction and focused on the District's Culture & Climate Priorities: Anti-Bias, Anti-Racist, Trauma-Informed Principles & Practices. Professional learning for all staff includes building internal training capability; structured, ongoing professional learning sessions; job-embedded coaching; and collaborative learning and improvement opportunities. District and Site Leadership Teams will analyze summative and progress monitoring Culture & Climate data to inform decision making and resource allocation. Staff Safety Perception (Metric 3.10) is one of the intended impacted areas of this action. Suspension and Chronic Absenteeism Rate Required Action.	$935,905.00	Yes
3.24	CURRICULUM AND INSTRUCTION - Implement the District Visual and Performing Arts Strategic Arts Plan	Increase arts K-8 staffing in dance, music, theater and visual arts, and high school CTE courses, including developing arts leads at all district schools. Utilize the expertise of current experienced, credentialed teachers to support the skill set of newer teachers through mentoring and intentional collaborative sharing. Provide Adequate Facilities, Equipment, Materials/Supplies for visual and performing arts instruction. Enhance Climate and Culture Through Community Partnerships, Collaborations, and Parent and Family Engagement by developing and expanding partnerships with professional and community organizations and inviting and engaging parents and families to actively participate in school site and district arts programs. Develop strategies and platforms to increase and enhance communication within the district about arts programs and events and with	$4,207,791.00	No

Action #	Title	Description	Total Funds	Contributing
		parents/guardians and families about available arts opportunities throughout the district. Student Suspension Rate (Metric 3.1), Chronic Absenteeism (Metric 3.2), Student Connectedness Perception (Metrics 3.6 and 3.9), and Family Connectedness Perception (Metric 3.8) are some of the intended impacted areas of this action.		
3.25	CURRICULUM AND INSTRUCTION - Provide Visual and Performing Arts Opportunities in Expanded Learning Spaces	Provide equitable and consistent access to arts opportunities for all students during the school day and through Expanded Learning. Develop standards-based curriculum, methodology, and instruction in music, visual arts, dance, theater arts, and media arts (collectively known as VAPA) in TK-12, and develop an integrated arts curriculum in TK-6. Provide arts teachers with high-quality and relevant professional learning opportunities, time for cross-district collaboration, incentives for advancement, and support for teachers in accessing professional conferences and workshops in their field. Student Suspension Rate (Metrics 3.1), Chronic Absenteeism (Metrics 3.2), and Student Connectedness Perception (Metrics 3.6 and 3.9) are some of the intended impacted areas of this action.	$12,996,406.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
4	By 2027 at American Legion for each Very Low performing student group on the 2023 California School Dashboard, the • Graduation rate will improve by 5 percentage points, • College and Career Prepared rate will improve by 5 percentage points, • SBAC ELA Distance From Met will improve by 10 scale score points, • SBAC Math Distance From Met will improve by 10 scale score points, and • Suspension rate will improve by 5 percent. By 2027, for each Very Low performing student group on the 2024 California School Dashboard not previously identified as Very Low performing on the 2023 Dashboard, the: • Rate of students making progress toward English proficiency on the ELPAC will increase by 6 percent. By 2027, for each Very Low performing student group on the 2025 California School Dashboard not previously identified as Very Low Performing on the 2023 Dashboard, the • CAST Science scaled score will increase by 5 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at American Legion, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:
- Academic Indicator ELA SBAC Distance From Met: ALL and Socioeconomically Disadvantaged students
- Academic Indicator Math SBAC Distance From Met: ALL and Socioeconomically Disadvantaged students
- College/Career Indicator: ALL, Socioeconomically Disadvantaged, and Hispanic students
- Graduation Indicator: ALL, Socioeconomically Disadvantaged, and Hispanic students

- Suspension Indicator: ALL, African American, Students With Disabilities, Socioeconomically Disadvantaged, English Learner (EL), and Hispanic students
- Academic Indicator English Learner Progress Indicator: EL students and Long-Term EL students
- Academic Indicator CAST Science: ALL and Socioeconomically Disadvantaged students

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

4.1 Resource Specialist: Substantially implemented as planned.
4.2 Additional Section of English: Substantially implemented as planned.
4.3 Additional Social Worker Services: Substantially implemented as planned.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no variances between budgeted expenditures and estimated actual expenditures where the variances is both greater than $40k and 20% of the budgeted expenditures.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Success and Effectiveness

The combined impact of these efforts is most visible in the significant improvement of the Graduation Rate. All identified student groups, including Socioeconomically Disadvantaged and Hispanic students, showed substantial progress toward the goal of ensuring students complete their secondary education. This upward trend confirms that the school's targeted credit recovery and academic support systems are successfully moving students toward graduation.

Academic performance in core subjects also showed positive momentum. Both ELA and Math Distance From Met (DFM) metrics improved for the student body as a whole and for Socioeconomically Disadvantaged students compared to the baseline. Additionally, the effectiveness

of the site’s climate initiatives is evidenced by a broad and consistent decrease in the Suspension Rate across every identified student group, including African American students, Students with Disabilities, and English Learners.

The school has also seen exceptional growth in the English Learner Progress Indicator, with both English Learners and Long-Term English Learners making significant strides toward English proficiency. This indicates that language support and specialized instruction are yielding strong results for the school's diverse learner population.

The following actions represent the framework utilized during the reporting period to achieve this success:

Action 4.1 (Resource Specialist): This position was central to accelerating academic performance for students who had fallen behind in their coursework. By providing direct intervention and assisting with professional learning for teachers, this role directly contributed to the gains observed in ELA and Math DFM, as well as the improved graduation rates.

Action 4.2 (Additional Section of English): This action provided essential flexibility in the master schedule, allowing students to recover missing English credits. This direct path to credit recovery served as a primary driver in the increased graduation rates for all student groups.

Action 4.3 (Additional Social Worker Services): This role addressed students' mental health and basic needs. By providing a higher level of social-emotional support, the social worker was instrumental in the continued reduction of suspension rates and helped stabilize students so they could remain focused on their academic and graduation goals.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2025-26

Action 4.3 Additional Social Worker Services: Beginning with the 2025-26 school year, this action will be implemented to improve student outcomes.

Metrics Related to 2024 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2025-26:
English Learner Progress Indicator: English Learners.

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Metrics Related to 2025 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2026-27: Science Indicator: ALL and Socioeconomically Disadvantaged students

A report of the Total Estimated Actual Expenditures for last year’s actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year’s actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
4.1	Resource Specialist	Continue funding a Resource Specialist to help accelerate the academic performance and progress of students who have fallen behind in their course work, and assist with professional learning for those teachers who do not yet have a full and clear credential. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 61.9 percent of teachers have a full and clear credential. (Metrics 4.1 thru 4.6)	$148,899.00	No
4.2	Additional Section of English	Continue funding an Additional Section of English to the master schedule to assist students in recovering missing English credits towards graduation. (Metrics 4.1 - 4.4, 4.6)	$21,997.00	No
4.3	Additional Social Worker Services (New 2025-26)	Hire additional social worker-provided mental health services. These services will help to address the mental health and basic needs of students will lead to a higher level of academic success, and improved graduation rates and preparedness for college or careers. (Metrics 4.1 - 4.6)	$111,620.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
5	By 2027 at Bret Harte for each Very Low performing student group on the 2023 California School Dashboard, the • Percent of students improving their SBAC ELA Distance From Met will increase by 14 percent, • Percent of students improving their SBAC Math Distance From Met will increase by 28 percent, and • Suspension rate will improve by 5 percent.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

The school is not eligible for Equity Multiplier funding in 2026-27. However, the school is continuing to implement the related goal.

In consultation with the educational partners at Bret Harte, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard released in December 2023:

- Academic Indicators ELA SBAC Distance From Met: Students With Disabilities and Socioeconomically Disadvantaged students
- Academic Indicators Math SBAC Distance From Met: Students With Disabilities and Socioeconomically Disadvantaged students
- Suspension Indicator: ALL, African American, Students With Disabilities, Socioeconomically Disadvantaged, Hispanic, and White students

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

5.1 Additional Clerk Hours: Substantial implementation as planned.
5.2 Academic Coaching Support Services: Not implemented as academic conferences were not held during the school day.
5.3 Teacher Release Time: Substantial implementation as planned.
5.6 Noon Duty: Substantial implementation as planned.
5.7 Field Trips and Reverse Field Trips: Not implemented as field trips were unable to be scheduled.
5.8 Resource Specialist Intervention Support: Not implemented due to difficulties recruiting for vacant positions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below:

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to vacant positions:

5.8 Resource Specialist Intervention Support

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The expansion of Additional Clerk Hours (5.1) has played a vital role in addressing chronic absenteeism, ensuring more students are present to receive instruction, which is directly reflected in the improved ELA Distance From Met (DFM) for both Students with Disabilities and Socioeconomically Disadvantaged students. However, the overall effectiveness of the academic strategy was partially limited as Academic Coaching Support Services (5.2) and Resource Specialist Intervention Support (5.8) were not implemented. The absence of these specialized supports likely contributed to the challenges seen in the Math DFM metrics, which have not yet returned to baseline levels.

In contrast, the utilization of Teacher Release Time (5.3) provided a necessary collaborative space for data analysis, allowing staff to pivot instructional strategies that supported the positive growth in ELA. The focus on school climate was further bolstered by the implementation of Noon Duty (5.6). This action was highly effective in fostering a safer environment, as evidenced by the significant drop in suspension rates across nearly all student groups—most notably for African American and Hispanic students. While Field Trips and Reverse Field Trips (5.7) were not implemented, the combined impact of the active clerical and climate supports has established a stronger foundation for student engagement and behavioral outcomes.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Discontinued June 2025

5.4 Whiteboards and Novel Studies to Support Instruction: This action is discontinued as of June 2025 as the supplies were completely purchased and received in 2024-25, and the materials are reusable.
5.5 Student Smart Tutors: This action is discontinued as of June 2025 due to the inability to secure a contract for the service.
5.8 Resource Specialist Intervention Support: Beginning with the 2025-26 school year, this new actions will be implemented to improve student academic outcomes.

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Discontinued June 2026

5.2 Academic Coaching Support Services: This action has been removed from the Equity Multiplier plan because the Academic Coaching Support Services are not a targeted intervention exclusively serving the highest-need student group identified for Equity Multiplier.
5.3 Teacher Release Time: This action has been removed from the Equity Multiplier plan because Teacher Release Time for academic conferences and teacher collaboration meetings is a site-wide professional practice that supports all classrooms and grade levels rather than a targeted service exclusively for the highest-need student group identified for Equity Multiplier funding.
5.6 Noon Duty: This action has been removed from the Equity Multiplier plan because additional noon duty supervision is a site-wide safety and climate support that benefits all students during recess and lunch rather than a targeted intervention exclusively serving the highest-need student group identified for Equity Multiplier funding.

5.8 Resource Specialist Intervention Support: This action has been discontinued and removed from the plan. The site attempted to hire a 0.2 FTE Resource Specialist (Intervention Support) during the current year; however, recruitment efforts were unsuccessful due to ongoing staffing shortages and a limited pool of qualified candidates.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
5.1	Additional Clerk Hours	Extend Clerks hours by 2.5 (0.4375 FTE) to cover a 6 hour day. The goal for increasing the Clerk from a 3.5 hour day to a 6 hour day to decrease our school chronic absenteeism to less than 20%. If students are in school more often the more we can close the achievement gap. (Metrics 5.1 and 5.2)	$39,021.00	No
5.2	Academic Coaching Support Services (Discontinued June 2026)	Purchase Academic Coaching Support Services from the CORE in support of ELA and Math. Coaching and professional development supports will be focused on High Quality Instruction (HQI) practices, unpacking essential standards at each grade level, and improving teacher clarity in relation to instructional practices. This coaching will support each teacher, especially those teachers who do not yet have a full and clear credential, discussing student data to make informed decisions about best practices and which essential standards to focus on with each student group. Per the 2022-23 CDE Teacher Assignment Monitoring Outcomes report, 84.9 percent of teachers have a full and clear credential. (Metrics 5.1 and 5.2)		No
5.3	Teacher Release Time (Discontinued June 2026)	Teacher Release Time for three academic conference and teacher collaboration meetings to analyze student data and create academic goals for student achievement. (Metrics 5.1 and 5.2)		No
5.4	Whiteboards and Novel Studies to Support Instruction	Whiteboards and Novel Studies to Support Instruction. The whiteboards are a 3x2 fixed on trifold boards for storage. Students work in pairs on a problem presented by the teacher and students show their work on how	$0.00	No

Action #	Title	Description	Total Funds	Contributing
	(Discontinued June 2025)	they solved the problem. This is a high engaging activity learned through research based PD offered by SCOE. (Metrics 5.1 and 5.2)		
5.5	Student Smart Tutors (Discontinued June 2025)	Secure a contract with Study Smart Tutors to provide Intervention and Extended Day opportunity to students. Tutors will provide support with learning goals and to close the achievement gap for students. Tutoring services are 5 days a week with 10 hours of tutoring each day. Students may be supported in class, pulled out from class in small group, or seen during after school. (Metrics 5.1 and 5.2)	$0.00	No
5.6	Noon Duty (Discontinued June 2026)	Noon Duty to reduce Suspension rate. Additional staff will assist in securing play yard during recess and lunches will reduce the amount of student conflict as a result will lowering the school suspension rate. (Metric 5.3)		No
5.7	Field Trips and Reverse Field Trips	Field Trips and Reverse Field Trips. Teachers will be provided funding to plan field trips/reverse field trips during the school year to provide their students will a connection to learning. (Metric 5.3)	$26,966.00	No
5.8	Resource Specialist Intervention Support (Discontinued June 2026)	Hire a 0.2 FTE Resource Specialist (Intervention Support) who will support a targeted school-side intervention program coach. (Metrics 5.1 and 5.2)		No

Goals and Actions

Goal

Goal #	Description	Type of Goal
6	By 2027 at Capital City for each Very Low performing student group on the 2023 California School Dashboard, the • Graduation rate will improve by 5 percentage points, • College and Career Prepared rate will improve by 5 percentage points, • SBAC ELA Distance From Met will improve by 10 scale score points, and • SBAC Math Distance From Met will improve by 10 scale score points. By 2027, for each Very Low performing student group on the 2024 California School Dashboard not previously identified as Very Low performing on the 2023 Dashboard, the: • Chronic Absenteeism rate will improve by 5 percentage points. By 2027, for each Very Low performing student group on the 2025 California School Dashboard not previously identified as Very Low Performing on the 2023 Dashboard, the • CAST Science scaled score will increase by 5 percentage points	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 7: Course Access (Conditions of Learning)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Capital City, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:

- Academic Indicator ELA SBAC Distance From Met: ALL, Asian, Socioeconomically Disadvantaged, and Hispanic students
- Academic Indicator Math SBAC Distance From Met: ALL, English Learner, Asian, Hispanic, White students, and Socioeconomically Disadvantaged students
- English Learner Progress Indicator: English Learner students
- College/Career Indicator: ALL, Socioeconomically Disadvantaged, and Hispanic students
- Graduation Indicator: ALL, Socioeconomically Disadvantaged, and Hispanic students
- Chronic Absenteeism Indicator: ALL, Asian, Socioeconomically Disadvantaged, and Hispanic students
- Academic Indicator CAST Science: ALL and Socioeconomically Disadvantaged students

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

6.1 Implement Schools PLP: Substantially implemented as planned.
6.3 ELA Resource Specialist: Substantially implemented as planned.
6.4 Math Resource Specialist: Substantially implemented as planned.
6.5 Lexia Core5/Power Up Online Platform: Substantially implemented as planned.
6.6 i-Ready: Year-end assessment of implementation status in process.
6.7 Field Trips: Year-end assessment of implementation status in process.
6.8 Supplemental Curriculum: Year-end assessment of implementation status in process.
6.9 Site Instructional Coordinator: Not implemented due to difficulties recruiting for vacant positions.
6.10 Flexible Seating: Not implemented as a result of staff formative evaluation of the action.
6.11 Teacher Per Diems for Targeted Interventions: Substantially implemented as planned.
6.12 Teacher Per Diems for SAT/ACT Prep: Implemented, but fewer than expected students signed up for support.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below:

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to vacant positions:

6.9 Site Instructional Coordinator

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The collective implementation of the actions within this goal has demonstrated measurable success in improving student outcomes at Capital City, particularly in the areas of graduation and college readiness. When looking at the overall effectiveness, the synergy between instructional technology and specialized human resources has driven significant gains.

The graduation rate shows a clear upward trend from the baseline, with the "All Students" group increasing by nearly 10 percentage points and the Hispanic student group showing consistent progress. Similarly, the College/Career Preparedness rate has moved in a positive direction, nearly tripling for the "All Students" group compared to the baseline. While academic indicators in Math and ELA remain a

challenge, the "Distance From Met" for several student groups has shown narrowing gaps or stabilized performance, indicating that the targeted interventions are reaching those most in need.

The effectiveness of this goal was supported by the following actions:

Action 6.1 (Implement Schools PLP): This provided the foundational independent learning curriculum necessary for students to access standards-aligned content.

Action 6.3 (ELA Resource Specialist) & Action 6.4 (Math Resource Specialist): These roles provided the direct, expert intervention required to improve literacy and numeracy, which are critical for increasing the number of students eligible to graduate.

Action 6.5 (Lexia Core5/Power Up) & Action 6.6 (i-Ready): These online platforms offered supplemental, targeted support for students achieving below grade level.

Action 6.7 (Field Trips): These academic trips helped boost engagement and connectivity to the curriculum.

Action 6.8 (Supplemental Curriculum): This allowed for grade-level specific materials to enhance core instruction.

However, certain actions faced hurdles: Action 6.9 (Site Instructional Coordinator) was not implemented due to recruitment challenges, and Action 6.10 (Flexible Seating) was not implemented following a staff evaluation of its potential impact. Additionally, while Action 6.11 (Teacher Per Diems for Targeted Interventions) and Action 6.12 (Teacher Per Diems for SAT/ACT Prep) were executed, the latter saw lower-than-expected student participation. Taken together, the data suggests that while personnel and software-based interventions are highly effective, traditional after-school formats may require further refinement to fully engage the independent study student population.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Discontinued June 2025

6.2 Response to Interventions (RtI) Materials: This action is discontinued as of June 2025 as the materials were completely purchased and received in 2024-25, and the materials are reusable.

Actions Added or Modified for 2025-26

6.5 Lexia Core5/Power Up Online Platform
6.6 i-Ready
6.7 Field Trips
6.8 Supplemental Curriculum
6.9 Site Instructional Coordinator

6.10 Flexible Seating
6.11 Teacher Per Diems for Targeted Interventions
6.12 Teacher Per Diems for SAT/ACT Prep

Metrics Related to 2024 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2025-26:
Chronic Absenteeism Rate: Asian.

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Discontinued June 2026
6.5 Lexia Core5/Power Up Online Platform: Discontinued as purchase completed by June 2026.
6.6 i-Ready (New 2025-26): Discontinued as purchase completed by June 2026.
6.9 Site Instructional Coordinator: Discontinued due to inability to fill vacancy.
6.10 Flexible Seating: Discontinued as the instructional team determined implementing flexible seating was not going to be as impactful as we had previously anticipated at improving student outcomes.
6.11 Teacher Per Diems for Targeted Interventions: Discontinued. Due to the nature of the site's independent study program focus, attempted after school tutoring was not effective at attracting the targeted students to attend the Intervention sessions.
6.12 Teacher Per Diems for SAT/ACT Prep: Discontinued. Due to the nature of the site's independent study program focus, attempted after school tutoring was not effective at attracting the targeted students to attend SAT/ACT preparation sessions.

Actions Added or Modified for 2026-27
6.13 Clerk
6.14 ELPAC Testing Coordinator Stipend
6.15 Supplement CAASSP Coordinator Stipend
6.16 College & Career Readiness Intervention Incentives
6.17 Technology Support Accessories
6.18 Engagement/Participation Support
6.19 PE supplemental materials
6.20 School Safety
6.21 Family Engagement Translator

Metrics Related to 2025 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2026-27:
ELA Distance From Met: ALL, Socioeconomically Disadvantaged, Hispanic
Math Distance From Met: Socioeconomically Disadvantaged
Chronic Absenteeism Rate: ALL, Hispanic, Socioeconomically Disadvantaged
English Learner Progress: English Learners
Science Indicator: ALL and Socioeconomically Disadvantaged students

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
6.1	Implement Schools PLP	Purchase and Implement Schools PLP, an Independent Learning Technology-based K-12 curriculum uniquely designed for independent study. This curriculum includes related professional learning. (Metrics 6.1 and 6.4)	$214,200.00	No
6.2	Response to Interventions (RtI) Materials (Discontinued June 2025)	Purchase Response to Interventions (RtI) materials to assess and support students in acquiring and developing study habits and skills to improve their access and academic performance in the Common Core ELA and Math. This action includes SIPPs and planners/bullet journals to aid students in maintaining their goals and outcomes and to schedule weekly tasks to develop core life skills and exhibit good study/work habits as part of meeting the Student Learning Goals. (Metrics 6.1 and 6.4)	$0.00	No
6.3	ELA Resource Specialist	Hire a 1.0 FTE ELA Resource Specialist to provide intervention support to identified students to improve learning to read skills and to improve reading skills to access curriculum to increase mastery of the content and number of students eligible to graduate. The Resource Specialist will engage in literacy professional learning, especially for those teachers who do not yet have a full and clear credential, and strategies to support students needing additional literacy strategies to be successful. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 68.2 percent of teachers have full and clear credential. (Metrics 6.1 and 6.4)	$179,590.00	No
6.4	Math Resource Specialist	Hire a 1.0 FTE Math Resource Specialist provide intervention support to identified students with learning and improving math number sense. The Resource Specialist will engage in math professional learning and strategies to support students needing additional assistance and	$179,590.00	No

Action #	Title	Description	Total Funds	Contributing
		understanding of the standards for mathematical practices (SMPs) for students' success. (Metrics 6.1, 6.2, and 6.4)		
6.5	Lexia Core5/Power Up Online Platform (Discontinued June 2026)	Purchasing the Lexia Core5/Power Up K-12 online platform provides supplemental curriculum and support for students achieving below grade level standards in ELA and/or Math K-12. The use of this platform will provide targeted support for the identified students not achieving at grade level standards and will support increasing ELA scores. (Metrics 6.1 and 6.4)		No
6.6	i-Ready (Discontinued June 2026)	Purchasing i-Ready ELA and i-Ready Math K-8 subscription for the online platform which provides supplemental curriculum and support for students achieving below grade level standards in ELA and/or Math K-12. The use of this platform will provide targeted support for the identified students not achieving at grade level standards and will support increasing Math and/or ELA scores. (Metrics 6.1 and 6.4)		No
6.7	Field Trips (New 2025-26)	Allocate funds for academic field trips aligned with the California State Standards including Science, Math, Reading and Social Science. Teachers will be required to submit a Field Trip request form with prior approval. Trips may include but are not exclusive to Effie Yeaw coming to the site to present content to specific grade segments, River Cats Game awarding students with attendance, behavior and academic success as measured in Infinite Campus. (Metric 6.5)	$2,000.00	No
6.8	Supplemental Curriculum (New 2025-26)	Allocate funds to each grade level/content teacher to supplement the core curriculum. (Metrics 6.1 and 6.4)	$11,000.00	No
6.9	Site Instructional Coordinator	Hire a Site Instructional Coordinator to serve as a resource to design, plan, implement, monitor, and evaluate instructional programs to include the regular monitoring of classroom instruction, analyze and report student		No

Action #	Title	Description	Total Funds	Contributing
	(Discontinued June 2026)	achievement data, identify priorities, and plan for focused and targeted instruction. Engage as a team member of the Tier System to identify target students, define an assistance plan, and coordinate assessment and review of student progress. In addition, to provide support for the alignment of standards with curriculum, instruction, and assessment; identify best instructional practices, coordinate appropriate staff development training, and provide follow-up support. This action will address chronic absenteeism & graduation rates. (Metrics 6.1 and 6.4)		
6.10	Flexible Seating (Discontinued June 2026)	Purchase seating and flexible seating for 7th - 12 graders which will increase engagement in on campus learning allowing students to improve their focus and be more productive in completing assigned work. (Metric 6.5)		No
6.11	Teacher Per Diems for Targeted Interventions (Discontinued June 2026)	Per Diems for Teacher(s) to provide intervention for targeted and identified students struggling with the curriculum before/ after regular school hours (i.e.: zero or 7th period for secondary.) Intervention will provide students with additional targeted support in the areas of math and English Language Arts to improve their knowledge and mastery of the grade level curriculum. (Metrics 6.1 and 6.4)		No
6.12	Teacher Per Diems for SAT/ACT Prep (Discontinued June 2026)	SAT/ACT Prep teacher targeting 6th - 11th grade students in preparation for the SAT and College & Career. Approximately 10 of our students apply to Out-State-Colleges and In-State private schools that require the SAT/ACT each school year. A designated certificated staff member will support our school and improve college and career readiness. (Metrics 6.1 and 6.4)		No
6.13	Clerk (New 2026-27)	Provide additional clerk support and related sub cost to support the Tiered Re-Engagement process, increase student connectivity and engagement that will result in increased student attendance and decreased chronic absenteeism. (Metric 6.5)	$110,070.00	No

Action #	Title	Description	Total Funds	Contributing
6.14	ELPAC Testing Coordinator Stipend (New 2026-27)	Allocate funding for an ELPAC testing coordinator to manage the students identified as EL and the administration of the ELPAC Assessments and monitoring completion including communication with teachers, families and students. (Metric 6.6)	$1,558.00	No
6.15	Supplement CAASSP Coordinator Stipend (New 2026-27)	Supplement the district funding for a CAASPP testing coordinator to manage the students identified to take the CAASPP Assessments, the facilitation of the CAASPP Assessments and monitoring completion including communication with teachers, families and students. (Metrics 6.3 and 6.4)	$943.00	No
6.16	College & Career Readiness Intervention Incentives (New 2026-27)	Provide snacks and/or drinks to incentivize students' participation in receiving information from community college counselors at Capital City to help students plan for their future college courses an how to earn an AA degree. (Metric 6.2)	$3,000.00	No
6.17	Technology Support Accessories (New 2026-27)	Buy extra chargers for chromebooks: students chargers are breaking, students need replacement chargers for their chromebooks. Purchase additional chromebooks as our current chromebooks are coming up on 5 or more years old and students needing chromebook replacements. (Metrics 6.3 and 6.4)	$7,500.00	No
6.18	Engagement/Participation Support (New 2026-27)	Per Diem for staff to provide Tier 1 supports for students at risk of not meeting attendance and/or participation or engagement criteria. (Metric 6.5)	$13,600.00	No
6.19	PE supplemental materials (New 2026-27)	Funds for weights and yoga blocks for the PE class. . Of the 83 juniors and seniors, 24 need PE to graduate before the end of this year or next. That is 29% of our juniors and seniors are currently in danger of not graduating	$5,000.00	No

Action #	Title	Description	Total Funds	Contributing
		without the classes offered and having the equipment to offer them. (Metric 6.1)		
6.20	School Safety (New 2026-27)	Campus Monitor (6 hours): Additional staff will assist in securing the campus between passing periods, ensuring that all students are attending class during times of instruction. The Campus Monitor will assist with before school, study hall and lunch duty, check in with students who are on attendance radar, wandering students, and connect students to counselors, social workers, or administrators and reinforce attendance expectations in a supportive, non-punitive manner. (Metric 6.5)	$100,808.00	No
6.21	Family Engagement Translator (New 2026-27)	Per Diem for staff to provide language interpretation to assist during our enrollment paperwork process, introduction/orientation for interested families, tiered re-engagement meetings, parent conferences, and other events as needed to improve the family communication for families that speak another language other than English. Reduce chronic absenteeism. (Metric 6.5)	$10,000.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
7	By 2027 at Caroline Wenzel for each Very Low performing student group on the 2023 California School Dashboard, the • Percent of students improving their SBAC ELA Distance From Met will increase by 30 percentage points, • Percent of students improving their SBAC Math Distance From Met will increase by 30 percentage points, and • Suspension rate will improve by 2 percentage points. By 2027, for each Very Low performing student group on the 2024 California School Dashboard not previously identified as Very Low performing on the 2023 Dashboard, the: • Percent of students improving their SBAC ELA Distance From Met will increase by 20 percentage points, • Suspension rate will improve by 2 percentage points, and • Chronic Absenteeism rate will improve by 10 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Caroline Wenzel, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:
- Academic Indicator ELA SBAC Distance From Met: All, African American, Hispanic, and Socioeconomically Disadvantaged students
- Academic Indicator Math SBAC Distance From Met: African American students
- Suspension Indicator: All, African American, English Learner, Hispanic, and Socioeconomically Disadvantaged, and Students With Disabilities
- Chronic Absenteeism Indicator: English Learner, Hispanic, and Students With Disabilities

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

7.3 FTE Instructional Aides: Implemented, but several vacant positions are not yet filled.
7.4 Campus Monitor: Implemented, but several vacant positions are not yet filled.
7.5 Social Worker: Not implemented due to difficulties recruiting for vacant positions.
7.6 Library Media Tech: Substantially implemented as planned.
7.7 Yard Duty: Substantially implemented as planned.
7.8 Play Works: Substantially implemented as planned.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below:

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to vacant positions:

7.3 FTE Instructional Aides

7.4 Campus Monitor
7.5 Social Worker

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The collective impact of the school's academic and climate-based actions has yielded positive results. Instructional Aides (7.3) were utilized to provide targeted support in primary classrooms, contributing to the academic growth seen in English Language Arts. This instructional foundation was complemented by the work of the Library Media Tech (7.6), which provided students with essential access to reading and research materials, further driving literacy outcomes.

The school also realized significant effectiveness in improving campus culture. The presence of the Campus Monitor (7.4) and Yard Duty (7.7) staff ensured greater supervision and conflict resolution during non-instructional times. This proactive approach to student safety was bolstered by the implementation of Play Works (7.8), which equipped staff with the de-escalation skills necessary to promote peaceful play. These combined efforts are directly reflected in the improved suspension outcomes for most student populations.

It is important to note that the Social Worker (7.5) action was not implemented due to recruitment challenges. Despite this missing component, the existing actions worked in tandem to provide a comprehensive support system that addressed both the academic and behavioral needs of the student body.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Discontinued June 2025

7.1 Resource Specialist (Intervention Lead): This action is discontinued as of June 2025 as the district will be providing reading intervention teacher services across the district.
7.2 Resource Specialist (Intervention Support): This action is discontinued as of June 2025 as the district will be providing reading intervention teacher services across the district.

Actions Added or Modified for 2025-26

7.3 Instructional Aides - This action will be modified as part of the school's efforts to improve the retention of teachers by providing additional instructional aide support.
7.4 Campus Monitor
7.5 Social Worker
7.6 Library Media Tech
7.7 Yard Duty
7.8 Play Works

Metrics Related to 2024 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2025-26:

Percent of Students Improving ELA DFM: ALL and Hispanic
Suspension Rate: ALL, English Learner, Hispanic, and Students with Disabilities
Chronic Absenteeism Rate: Students with Disabilities

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Added or Modified for 2026-27

7.3 Instructional Aides: This action is modified to reflect the change from three instructional aides to two.

Actions Discontinued June 2026

7.5 Social Worker: School made several attempts, but was unable to fill vacancy.
7.6 Library Media Tech: Will cover remaining cost (approx $5000) with $24,439 carry-over not budgeted for next year.
7.7 Yard Duty: Will cover remaining cost (approx $5000) with $24,439 carry-over not budgeted for next year.
7.8 Play Works: Action completed by June 2026.

Metrics Related to 2025 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2026-27:

Chronic Absenteeism Rate: English Learners, Hispanic

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
7.1	Resource Specialist (Intervention Lead) (Discontinued June 2025)	Hire 1.0 FTE Resource Specialist (Intervention Lead) who will facilitate and implement a targeted and systematic school-wide intervention program for the 2024-25 school year. Resource Specialist will provide small group pull-out and lead staff, especially those who do not yet have a full and clear credential, in professional learning. Per the 2021-22 CDE Teacher Assignment Monitoring Outcomes report, 71.4 percent of teachers have full and clear credential. (Metrics 7.1 and 7.2)		No

Action #	Title	Description	Total Funds	Contributing
7.2	Resource Specialist (Intervention Support) (Discontinued June 2025)	Hire a 0.2 FTE Resource Specialist (Intervention Support) who will support a targeted school-wide intervention program coach for the 2024-25 school year. The Resource Specialist will support targeted small group instruction in ELA and Math.		No
7.3	Instructional Aides (Modified 2026-27)	Hire two 0.375 FTE Instructional Aides to Support Primary Classes with academic content and target students who need additional support. This should improve the retention of teachers and help increase the percentage of fully credentialed staff at the school. Per the 2022-23 CDE Teacher Assignment Monitoring Outcomes report, 83.6 percent of teachers have a full and clear credential. This support will be provided for both 2024-25 and 2025-26 school years. (Metrics 7.1 and 7.2)	$60,000.00	No
7.4	Campus Monitor (New 2025-26)	Hire a Campus Monitor to reduce suspension rate. Additional staff will assist in securing the campus between recesses and ensuring that all students are attending class during times of instruction. The Campus Monitor will assist with recess and lunch yard duty to reduce the amount of student conflict and as a result, will reduce the school suspension rate. (Metric 7.3)	$350,000.00	No
7.5	Social Worker (Discontinued June 2026)	Hire additional School Social Worker services to support students with their Social Emotional Learning to reduce Suspension Rate. Additional staff will provide additional support for students to work through their emotions and solve problems with other students without resorting to physicality. (Metrics 7.3 and 7.4)		No
7.6	Library Media Tech (Discontinued June 2026)	Hire a Library Media Tech to support student learning and increase achievement in ELA. The Library Media Tech will provide students with the opportunity to utilize the library and access the books for reading and research on different topics. (Metrics 7.1)		No

Action #	Title	Description	Total Funds	Contributing
7.7	Yard Duty (Discontinued June 2026)	Hire a Noon Duty to reduce Suspension Rate. Additional staff will assist in securing play yard during recess and lunches to reduce the amount of student conflict and as a result, will result in reducing the school suspension rate. (Metrics 7.3)		No
7.8	Play Works (Discontinued June 2026)	Fund and implement Play Works to reduce suspension rate. This program will train our yard duty and campus monitor to effectively de-escalate student situations and lead to students participating in peaceful play during recess and lunch times. (Metric 7.3)		No
7.9	7.9 AVID (New 2026-27)	Fund and implement AVID to “close the opportunity gap by preparing all students for college readiness and success in a global society”. This program will offer professional learning for our teachers to support implementation of AVID across our school with fidelity. (Metrics 7.1 thru 7.4)	$50,000.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
8	By 2027 at Isador Cohen for each Very Low performing student group on the 2023 California School Dashboard, the • Percent of students improving their SBAC ELA Distance From Met will increase by 16 percentage points, • Percent of students improving their SBAC Math Distance From Met will increase by 24 percentage points, • English Learner Progress rate will improve by 5 percentage points, • Suspension rate will improve by 2 percentage points, and • Chronic Absenteeism rate will improve by 10 percentage points. By 2027, for each Very Low performing student group on the 2024 California School Dashboard not previously identified as Very Low performing on the 2023 Dashboard, the: • Chronic Absenteeism rate will improve by 10 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Isador Cohen, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:

- Academic Indicator ELA SBAC Distance From Met: ALL, English Learner, Students With Disabilities, Socioeconomically Disadvantaged, and Hispanic students
- Academic Indicator Math SBAC Distance From Met: ALL, Students With Disabilities, Socioeconomically Disadvantaged, English Learner, Hispanic, and White students
- English Learner Progress Indicator: English Learner students
- Suspension Indicator: ALL, African American, and Socioeconomically Disadvantaged students
- Chronic Absenteeism Indicator: ALL, African American, Students With Disabilities, Socioeconomically Disadvantaged, English Learner, Asian, Hispanic, and White students

Measuring and Reporting Results

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

8.2 Instructional Aide: Not implemented due to difficulties recruiting for vacant positions.
8.3 Social Worker: Implemented, but not all funded positions filled.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below:

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to vacant positions:

8.2 Instructional Aide
8.3 Social Worker

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The collective impact of the active actions has been essential in driving these positive outcomes. Action 8.3 (Social Worker) served as a primary catalyst for the improvements seen in school climate and student engagement; by addressing mental health and social-emotional needs, this support directly contributed to the decline in suspension rates and the notable gains in attendance. Furthermore, although the Instructional Aide (8.2) action was not implemented due to recruitment challenges, the overall strategic focus remained effective in moving students toward proficiency, particularly in Math where nearly all identified groups showed performance growth compared to the baseline.

While English Language Arts results have shown some year-over-year fluctuations, the current support system is effectively establishing a foundation for academic growth.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Discontinued June 2025
8.1 Resource Specialist: Beginning with the 2025-26 school year, this action is being discontinued as the district will be ensuring that reading specialist positions are provided at all schools across the district to improve literacy.

Actions Added or Modified for 2025-26
8.3 Instructional Aide: Beginning with the 2025-26 school year, this new action is added to provide 0.5 FTE social worker-provided mental health services.

Metrics Related to 2024 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2025-26:
Chronic Absenteeism Rate: African American

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Added or Modified for 2026-27
8.2 Instructional Aide: Change from part-time to full-time aide due to the lack of interest in part-time aide positions.
8.4 Attendance Clerk
8.5 ELD Program
8.6 Bilingual Aide
8.7 CABE Conference / Teacher Training

Metrics Related to 2025 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2026-27:
Percent of Students Improving ELA DFM: English Learners
Percent of Students Improving Math DFM: White
Chronic Absenteeism Rate: Hispanic

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
8.1	Resource Specialist (Discontinued June 2025)	Hire a 1.0 FTE Resource Specialist to Support Identified Students' Improvement in learning to read and in using reading skills to access the core curriculum. The intervention support will include the coach assisting teachers and instructional aides in the grouping of students for intervention. The coach will also assist teachers, especially those who do not yet have a full and clear credential, and other instructional aides with the implementation of reading assessments, like DIBELS, SIPPs and i-Ready. The coach will provide support to staff with literacy professional learning and strategies to support students needing additional literacy strategies to be successful. Per the 2021-22 CDE Teacher Assignment Monitoring Outcomes report, 82.6 percent of teachers have full and clear credential. (Metrics 8.1 - 8.3)		No
8.2	Instructional Aide (Modified 2026-27)	Hire two (2) Full-time FTE Instructional Aides to provide support with core reading or math content and target students who need additional support. The support will also assist teachers, especially those who do not yet have a full and clear credential, and other staff with the implementation of the academic program. (Metrics 8.1 - 8.3)	$200,000.00	No
8.3	Social Worker (New 2025-26)	Hire a 0.5 FTE Social Worker to Support Identified Students' Improvement in social emotional and academic outcomes. The improved school climate and culture resulting from this additional mental health support will also assist teachers, especially those who do not yet have a full and clear credential, and other staff with the implementation of the academic program. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes	$120,000.00	No

Action #	Title	Description	Total Funds	Contributing
		report, 80.0 percent of teachers have a full and clear credential. (Actions 8.1 - 8.5)		
8.4	Attendance Clerk (New 2026-27)	Extend the hours of attendance clerk by 2.5 hours a day to a total of 6 hours per day. Increasing the hours of clerk with aide with efforts to decrease chronic absenteeism and increase attendance. (Metric 8.5)	$80,000.00	No
8.5	ELD Program (New 2026-27)	Use Write Brain Writing and Language Program to supplement core for English Language Learners and students who struggle with academic language to strengthen student oral and written expression scores on ELPAC. (Metric 8.3)	$80,000.00	No
8.6	Bilingual Aide (New 2026-27)	Extend the hours of one bilingual position by 2.5 hours a day to a total of 6 hours per day. Increasing the hours of bilingual aide with efforts to increase ELPAC and CAASPP scores. (Metrics 8.1, 8.2, and 8.3)	$85,000.00	No
8.7	CABE Conference / Teacher Training (New 2026-27)	CABE conference attendance for teachers and support staff. Training in understanding how to work better with parents and students to reduce chronic absenteeism and teacher training to raise ELPAC and CAASPP scores. (Metrics 8.1, 8.2, and 8.3)	$24,331.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
9	By 2027 at John Morse for each Very Low performing student group on the 2023 California School Dashboard, the • Suspension rate will improve by 5 percentage points, and • Chronic Absenteeism rate will improve by 5 percentage points. Although the school received additional Equity Multiplier funds for the 2025-26 school year, the site will continue implementing its original goals as the school did not receive any 2024 California School Dashboard color ratings due to its enrollment size.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at John Morse, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard released in December 2023:
- Suspension Indicator: ALL, Students With Disabilities, and Socioeconomically Disadvantaged students
- Chronic Absenteeism Indicator: ALL, Students With Disabilities, and Socioeconomically Disadvantaged students

Measuring and Reporting Results

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

9.1 Develop a School-wide Behavior Management Plan (SBMP): Not implemented as a result of staff's formative evaluation efforts and decision to shift from broad planning and training activities to more targeted activities.
9.2 Teacher Per-Diem - Curriculum Development: Not implemented as a result of staff's formative evaluation efforts and decision to shift from broad planning and training activities to more targeted activities.
9.3 School-wide Behavior Management Plan (SBMP) Implementation & Training: Not implemented as a result of staff's formative evaluation efforts and decision to shift from broad planning and training activities to more targeted activities.

9.4 Restorative Justice & Trauma-Informed Practices Training: Not implemented as a result of staff's formative evaluation efforts and decision to shift from broad planning and training activities to more targeted activities.
9.5 Trauma-Safe/Wellness Room Implementation: Substantially implemented as planned.
9.6 Crisis Communication and Relationship Building Between Staff and Students: Not implemented as a result of staff's formative evaluation efforts and decision to shift from broad planning and training activities to more targeted activities.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no variances between budgeted expenditures and estimated actual expenditures where the variances is both greater than $40k and 20% of the budgeted expenditures.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The effectiveness of this goal was primarily driven by the Trauma-Safe/Wellness Room Implementation (9.5). This action provided a critical therapeutic space for students to de-escalate and receive emotional support, which served as a direct alternative to punitive measures and fostered a safer campus environment. The positive trends in both attendance and behavioral metrics suggest that providing students with the tools for emotional regulation is a high-impact strategy for this community.

While the wellness room was central to recent progress, several other planned actions were not implemented as staff shifted toward more targeted activities. Specifically, Develop a School-wide Behavior Management Plan (SBMP) (9.1), Teacher Per-Diem - Curriculum Development (9.2), School-wide Behavior Management Plan (SBMP) Implementation & Training (9.3), Restorative Justice & Trauma-Informed Practices Training (9.4), and Crisis Communication and Relationship Building Between Staff and Students (9.6) were not implemented during this cycle.

Although many components were not active, the success achieved through the implemented wellness supports highlights a strong foundation for future growth. The school has successfully reversed negative trends in suspension and absenteeism, establishing a more inclusive environment that supports the specialized needs of students with disabilities and socioeconomically disadvantaged populations.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2025-26

Beginning with the 2025-26 school year, these new actions will be implemented to improve student outcomes:
9.3 School-wide Behavior Management Plan (SBMP) Implementation & Training
9.4 Restorative Justice & Trauma-Informed Practices Training
9.5 Trauma-Safe/Wellness Room Implementation

9.6 Crisis Communication and Relationship Building Between Staff and Students

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Discontinued June 2026

9.1 Develop a School- wide Behavior Management Plan (SBMP)
9.2 Teacher Per-Diem - Curriculum Development
9.3 School-wide Behavior Management Plan (SBMP) Development & Training
9.4 Restorative Justice & Trauma-Informed Practices Training
9.5 Trauma-Safe/Wellness Room Implementation
9.6 Crisis Communication and Relationship Building Between Staff and Students

Actions Added or Modified for 2026-27

9.7 Wellness Room
9.8 Student Elective Club
9.9 Sensory Room
9.10 Building Staff Skills to Support Students Disabilities
9.11 Behavior Advantage Program

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
9.1	Develop a School-wide Behavior Management Plan (SBMP) (Discontinued June 2026)	Develop a School-wide Behavior Management Plan (SBMP), including Multi-tiered Systems of Support (MTSS) like Positive Behavior Intervention Strategies (PBIS), to specifically target students showing lagging skill development, disabilities, trauma, or any combination of the three, causing severe behavior and/or emotional concerns that manifest in absenteeism and disciplinary concerns. This action includes teacher per-diem for SBMP development, PBIS training for all staff (especially for teachers who have not yet received their full credential), Restorative Justice Training and Trauma Informed Practices Training, Trauma-Safe/Wellness Room. Per the 2022-23 CDE Teacher Assignment Monitoring Outcomes Report, 83.4% of teachers have a full and clear credential. (Metrics 9.1 and 9.2)		No

Action #	Title	Description	Total Funds	Contributing
9.2	Teacher Per-Diem - Curriculum Development (Discontinued June 2026)	Provide teacher per-diem for curriculum and development and start-up implementation. Develop a comprehensive short-term independent study program that increases student access to coursework while absent from school and decreases chronic absenteeism by counting those days as ADA-generating independent study days when the absent student completes the work. (Metrics 9.1 and 9.2)		No
9.3	School-wide Behavior Management Plan (SBMP) Implementation & Training (Discontinued June 2026)	Implement a School-wide Behavior Management Plan (SBMP) grounded in Multi-Tiered Systems of Support (MTSS), including Positive Behavior Intervention Strategies (PBIS), to specifically address the needs of students exhibiting lagging skill development, disabilities, trauma, or a combination of these factors. This action will include: per-diem compensation for certificated and classified staff for SBMP development and PBIS training for all staff, with a priority focus on teachers who have not yet received their full credential (Per the 2022-23 CDE Teacher Assignment Monitoring Outcomes Report, 83.4% of teachers have a full and clear credential). (Metrics 9.1 and 9.2)		No
9.4	Restorative Justice & Trauma-Informed Practices Training (Discontinued June 2026)	Provide comprehensive training for all staff in Restorative Justice Practices and Trauma-Informed Approaches to foster a safe, inclusive, and supportive school culture. This action includes Restorative Justice training to equip staff with non-punitive strategies for conflict resolution and relationship-building. Related activities include Trauma-Informed Practices training to support students struggling with the effects of chronic stress, trauma, and emotional dysregulation and ongoing coaching and support to ensure fidelity of implementation across all classrooms and school settings. (Metrics 9.1 and 9.2)		No
9.5	Trauma-Safe/Wellness Room Implementation	Create and maintain a Trauma-Safe/Wellness Room as a regulated, therapeutic space where students can de-escalate, process emotions, and receive targeted interventions to reduce the impact of trauma and		No

Action #	Title	Description	Total Funds	Contributing
	(Discontinued June 2026)	emotional distress on their academic success. This action will integrate the Trauma-Safe/Wellness Room into the broader PBIS framework to ensure alignment with school-wide behavioral expectations and interventions. Costs for staffing the space with trained professionals to provide immediate support and crisis intervention and for the implementation of structured wellness activities, mindfulness exercises, sensory supports, and de-escalation techniques, and related activities are included in this action. (Metrics 9.1 and 9.2)		
9.6	Crisis Communication and Relationship Building Between Staff and Students (Discontinued June 2026)	To continue reducing the suspension rate and increasing attendance, we will implement trauma-informed communication strategies aligned with the schools' other Equity Multiplier funded actions. This includes ongoing professional development for staff on active listening, de-escalation, and restorative conversations to foster trust and reduce re-traumatization. Clear, predictable communication practices will create a sense of safety, while a strength-based approach will affirm student resilience. Encouraging student voice through multiple avenues and collaborating with families through resources and workshops will further support emotional and academic needs. Lastly, we will use data-driven feedback to continuously refine our strategies. (Metrics 9.1 and 9.2)		No
9.7	Wellness Room (New 2026-27)	Implement and maintain a Trauma/Wellness Room to support students in managing emotions and remaining engaged in learning. Classified staff may be provided additional per diem hours to support the use of the Wellness Room and related student support activities. The space will serve as an intervention and alternative to suspension, helping reduce behavioral incidents and lost instructional time. Staff will collect and review data to ensure alignment to monitor student progress and inform decision-making. Follow-up meetings will be held with staff from other schools to support student transitions back to comprehensive school sites and to assist in the development of programs that better support student needs. This action will support the reduction of suspensions and chronic absenteeism while increasing students' access to instruction. (Metrics 9.1 and 9.2)	$40,000.00	No

Action #	Title	Description	Total Funds	Contributing
9.8	Student Elective Club (New 2026-27)	Support student clubs that give students fun, hands-on ways to connect, learn, and build positive relationships. Clubs such as Gardening, Science, Kindness, Come Fly With Me, and Chess will help students explore interests, practice teamwork, and develop problem-solving skills. Funds may be used for items like gardening tools, science kits, kindness project supplies, aviation-themed materials, and chess sets. By helping students feel engaged and connected to school, these clubs will improve attendance, reduce behavior issues and suspensions, and help close learning gaps. This action will support the reduction of suspensions and chronic absenteeism. (Metrics 9.1 and 9.2)	$21,771.00	No
9.9	Sensory Room (New 2026-27)	Create a Sensory Room to help students calm their bodies, manage emotions, and return to learning more quickly. The room will include sensory tools such as flexible seating, weighted items, calming visuals, movement equipment, and hands-on sensory materials. This space will be used by counselors and support staff to help students reset before behaviors escalate, reducing suspensions and time out of class. By helping students stay regulated and engaged in instruction, the Sensory Room will reduce learning gaps and support student success. This action will support the reduction of suspensions and chronic absenteeism. (Metrics 9.1 and 9.2)	$32,765.00	No
9.10	Building Staff Skills to Support Students With Disabilities (New 2026-27)	Professional development for all staff to strengthen effective practices for supporting students with disabilities, (to include by not limited to Emotional Disturbance (ED), Autism, Other Health Impairments (OHI), Specific Learning Disabilities (SLD), and Intellectual Disabilities (ID)). Training will focus on strategies that promote self-regulation, positive behavior, consistent attendance, and increased academic engagement. This goal will support the reduction of suspensions and chronic absenteeism. (Metrics 9.1 and 9.2)	$20,000.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
10	By 2027 at Martin Luther King, Jr. for each Very Low performing student group on the 2023 California School Dashboard, the • Percent of students improving their SBAC ELA Distance From Met will increase by 30 percent, and • Suspension rate will improve by 2 percent.	Equity Multiplier Focus Goal

Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

The school is not eligible for Equity Multiplier funding in 2026-27. However, the school is continuing to implement the related goal.

In consultation with the educational partners at Martin Luther King, Jr., this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard released in December 2023:

- Academic Indicators ELA SBAC Distance From Met: African American students and Students With Disabilities
- Suspension Indicator: ALL, African American, and Socioeconomically Disadvantaged students

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
10.1	Percent of Students Improving ELA Distance From Met (DFM)	2022-23 Percent of Students Improving ELA DFM African American (AA): 36.0 Students With Disabilities (SWD): 47.8	2023-24 Percent of Students Improving ELA DFM AA: 50.0 SWD: 56.3	2024-25 Percent of Students Improving ELA DFM AA: 42.9 SWD: 51.3	2025-26 Percent of Students Improving ELA DFM AA: 66.0 SWD: 77.8	AA: 6.9 SWD: 3.5

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

10.2 Teacher Release Time: Implemented, but not all teacher release time used.
10.3 i-Ready: Not implemented staff elected alternative strategies to improve student academic outcomes.
10.4 Positive Behavior and Intervention Support (PBIS) Professional Learning: Not implemented as staff were unable to attend the PBIS conference.
10.6 Provide Additional Social Worker Services: Substantially implemented as planned.
10.7 Curriculum and Materials: Implemented, but not all materials purchased.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no variances between budgeted expenditures and estimated actual expenditures where the variances is both greater than $40k and 20% of the budgeted expenditures.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The implementation of Teacher Release Time (10.2) provided staff with the necessary capacity to conduct ELA assessments and deliver small-group instruction, which directly supported the positive trends observed in literacy growth. This was further bolstered by the procurement of Curriculum and Materials (10.7), ensuring that students had access to the instructional tools required for intervention. On the behavioral front, the inclusion of Additional Social Worker Services (10.6) proved highly effective; by providing conflict mediation and social-emotional monitoring, this role was a key driver in the significant decrease in suspensions and the improvement of the overall school culture.

However, certain components of the plan were not realized during this cycle. Both i-Ready (10.3) and Positive Behavior and Intervention Support (PBIS) Professional Learning (10.4) were not implemented, as staff pivoted to alternative academic strategies and were unable to attend planned training sessions.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Discontinued June 2025

10.1 Resource Specialist
10.5 California Association for Bilingual Education (CABE) Professional Learning

Actions Added or Modified for 2025-26

10.2 Teacher Release Time
10.6 Provide Additional Social Worker Services
10.7 Curriculum and Materials

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Discontinued June 2026

10.2 Teacher Release Time
10.3 i-Ready

10.4 Positive Behavior and Intervention Support (PBIS) Professional Learning
10.7 Curriculum and Materials

Actions Added or Modified for 2026-27

10.6 Provide Additional Social Worker Services

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
10.1	Resource Specialist (Discontinue June 2025)	Hire a 1.0 FTE Resource Specialist to facilitate and implement a targeted and systematic school-wide intervention program approach to ELA, including providing small group pull-out and serve as a lead in professional learning in 2024-25 and 2025-26. There is a current tenured and fully credentialed veteran teacher interested in the position. All teachers on staff are fully credentialed. If a position arises that we must hire a new teacher, support will be provided for the staff in clearing his/her credential if needed with on-site Induction Support Provider. Per the 2021-22 CDE Teacher Assignment Monitoring Outcomes report, 92.8 percent of teachers have full and clear credential. (Metric 10.1)		No
10.2	Teacher Release Time (Discontinued June 2026)	Provide Teacher Release Time and substitutes to assist teachers and the Resource Specialist with ELA assessments and small group instruction. Substitutes will take classes while teachers/specialist pull students for assessments and assist with small group interventions. This should improve the retention of teachers and help increase the percentage of fully credentialed staff at the school. Per the 2022-23 CDE Teacher Assignment Monitoring Outcomes report, 92.8 percent of teachers have a full and clear credential. The approximate release time will be 90 days during 2025-26 and 60 days during 2026-27. (Metric 10.1)		No

Action #	Title	Description	Total Funds	Contributing
10.3	i-Ready (Discontinued June 2026)	Purchase i-Ready for ELA and Math to monitor student progress and assist in targeted intervention. (Metric 10.1)		No
10.4	Positive Behavior and Intervention Support (PBIS) Professional Learning (Discontinued June 2026)	Positive Behavior and Intervention Support (PBIS) Professional Learning at the annual three-day PBIS conferences to continue growing a robust PBIS system and creating and environment of inclusion, safety, and connectedness to reduce student suspensions in 2024-25 and 2025-26. (Metric 10.2)		No
10.5	California Association for Bilingual Education (CABE) Professional Learning (Discontinued June 2025)	California Association for Bilingual Education (CABE) Professional Learning at CABE for site instructional leadership and Bilingual Aide/Family Liaison staff to accelerate English Learner progress in 2024-25. (Metric 10.1)		No
10.6	Provide Additional Social Worker Services (New 2025-26)	Provide 50% of the funding for a 1.0 FTE Social Worker to assist with facilitating and implementing social emotional supports through small groups, conflict mediation, individual counseling and monitoring and assisting with the site's PBIS program. The social worker also is a community liaison and assists with providing MLK families with food, clothes and other resources as needed. This position will support student mentoring, social skills groups, family support programs, mental health services, and to address chronic absenteeism and suspensions. (Metrics 10.1 and 10.2)	$106,000.00	No
10.7	Curriculum and Materials (Discontinued June 2026)	Allocate funds to purchase instructional materials and intervention curriculum during 2025-06. (Metric 10.1)		No

Goals and Actions

Goal

Goal #	Description	Type of Goal
11	By 2027 at Success Academy for each Very Low performing student group on the 2023 California School Dashboard, the • Suspension rate will improve by 5 percentage points. By 2027, for each Very Low performing student group on the 2024 California School Dashboard not previously identified as Very Low performing on the 2023 Dashboard, the: • Chronic Absenteeism rate will improve by 35 percentage points. As a small school with 3.5 FTE, the school continues to look for innovative solutions to address its staffing challenges.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Success Academy, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:
- Suspension Indicator: ALL and Socioeconomically Disadvantaged students
- Chronic Absenteeism: Socioeconomically Disadvantaged students

Measuring and Reporting Results

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

11.1 Instructional Aide: Not implemented due to difficulties recruiting for vacant positions.
11.2 Teacher Collaboration: Not implemented as planned as the site opted to reimagine teacher collaboration during the regular work day.
11.3 Student and Family Assemblies: Not substantially implemented as planned as the site opted to dedicate more time to core educational instruction.
11.4 Professional Development - Release Time: Substantially implemented as planned.
11.5 Positive Behavior Intervention and Support (PBIS) Materials and Incentives: Not implemented as planned as the purchase materials was delayed.
11.6 School Intervention Staff Assistant: Implemented, but not all FTE filled during the current year.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no variances between budgeted expenditures and estimated actual expenditures where the variances is both greater than $40k and 20% of the budgeted expenditures.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The school's strategy relied heavily on reinforcing professional capacity and behavioral support systems. Professional Development - Release Time (11.4) was a key driver in this progress, as it allowed staff to engage in essential collaboration and peer observation of other community day school programs, resulting in more refined trauma-informed practices. The addition of the School Intervention Staff Assistant (11.6) further bolstered these efforts by providing direct behavioral support and helping to implement restorative practices on campus. Together, these actions created a more responsive environment that effectively addressed the underlying causes of student absenteeism and exclusionary discipline.

However, the overall effectiveness of the goal was impacted by the non-implementation of several planned components. Instructional Aide (11.1) was not implemented due to recruitment difficulties for limited-hour positions, and Teacher Collaboration (11.2) was not implemented as planned because the site chose to restructure collaborative time within the existing work day. Furthermore, Student and Family Assemblies (11.3) were not implemented as the site prioritized core instruction, and Positive Behavior Intervention and Support (PBIS) Materials and Incentives (11.5) was not implemented due to procurement delays. While these specific actions were not active, the personnel-based supports that were in place successfully moved the school toward its targets for a safer and more engaged learning community.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2025-26

11.1 Instructional Aide
11.6 School Intervention Staff Assistant

Metrics Related to 2024 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2025-26:

Chronic Absenteeism Rate: Socioeconomically Disadvantaged

Additionally, for the 2025-26 LCAP, every action in the LCAP was clarified to identify the primary metric(s) they are intended to impact.

Actions Discontinued June 2026

11.1 Instructional Aide
11.2 Teacher Collaboration

Actions Added or Modified for 2026-27

11.3 Student and Family Assemblies
11.4 Professional Development - Release Time

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
11.1	Instructional Aide (Discontinued June 2026)	Hire 0.14 FTE Instructional Aide to Support Data Literacy around ABC data collection and behavior plan implementation. Beginning with the 2025-26 school year, this number of hours of FTE support is flexible based on funds available. (Metric 11.1)		No
11.2	Teacher Collaboration (Discontinued June 2026)	Provide additional teacher pay (per diem) for additional time worked for 30 extra minutes of teacher collaboration every 3rd Thursday to allow for sufficient time for behavior data analysis and planning, as well as professional development for staff focused on trauma informed practices, SEL, restorative practices, and PBIS with a focus on teachers who do not yet have a full and clear credential. Per the 2022-23 CDE Teacher Assignment Monitoring Outcomes report, 33.2 percent of teachers have full and clear credential. (Metrics 11.1 and 11.2)		No
11.3	Student and Family Assemblies (Modified 2026-27)	Implement five (5) student and family engagement assemblies throughout the year to focus on effective communication, growth mindset, self-efficacy, and student voice. (Metrics 11.1 and 11.2)	$500.00	No

Action #	Title	Description	Total Funds	Contributing
11.4	Professional Development - Release Time (Modified 2026-27)	Provide professional development for classified and certificated staff, especially for those teachers who do not yet have a full and clear credential, focused on school-wide SEL implementation, PBIS, restorative practices, trauma informed practice and anti-bias/anti-racism. Provide substitution days for staff to use for collaboration or for visiting other community day school programs to improve our practice and systems. (Metrics 11.1 and 11.2)	$2,864.00	No
11.5	Positive Behavior Intervention and Support (PBIS) Materials and Incentives	Purchase books/materials for staff professional development. Purchase positive behavior intervention and support (PBIS) incentives. (Metrics 11.1 and 11.2)	$500.00	No
11.6	School Intervention Staff Assistant (New 2025-26)	Hire part-time (approximately 6.5 hour) FTE School Intervention Staff Assistant position to provide behavioral support and implementation of restorative practices and PBIS. (Metrics 11.1 and 11.2)	$80,000.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
12	By 2027 at Woodbine for each Very Low performing student group on the 2023 California School Dashboard, the • Percent of students improving their SBAC ELA Distance From Met will increase by 30 percentage points, • Percent of students improving their SBAC Math Distance From Met will increase by 30 percentage points, • English Learner Progress rate will improve by 5 percentage points, and • Suspension rate will improve by 4 percentage points. By 2027, for each Very Low performing student group on the 2024 California School Dashboard not previously identified as Very Low performing on the 2023 Dashboard, the: • Percent of students improving their SBAC ELA Distance From Met will increase by 20 percentage points, • Percent of students improving their SBAC Math Distance From Met will increase by 20 percentage points, • English Learner Progress rate will improve by 5 percentage points, • Suspension rate will improve by 4 percentage points, and • Chronic Absenteeism rate will improve by 20 percentage points. By 2027, for each Very Low performing student group on the 2025 California School Dashboard not previously identified as Very Low performing on the 2023 and 2024 Dashboards, the: • Chronic Absenteeism rate will improve by 5 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 6: School Climate (Engagement)
Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Woodbine, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:
- Academic Indicator ELA SBAC Distance From Met: ALL, Asian, English Learner, Hispanic, Students With Disabilities, and Socioeconomically Disadvantaged students

- Academic Indicator Math SBAC Distance From Met: ALL, African American, English Learner, Hispanic, Students With Disabilities, and Socioeconomically Disadvantaged students
- English Learner Progress Indicator: ALL
- Suspension Indicator: ALL, African American, Students With Disabilities, and Socioeconomically Disadvantaged students
- Chronic Absenteeism: African American, English Learner, Homeless Youth, Hispanic

Measuring and Reporting Results

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

12.1 Resource Specialist: Not implemented due to difficulties recruiting for vacant position.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below:

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to vacant positions:

12.1 Resource Specialist

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The site was unable to implement the intended action due to difficulties in filling the Resource Specialist vacancy (Action 12.1).

However, the school also experienced substantial success in Math achievement, with nearly all groups showing progress in their DFM improvement. Additionally, the English Learner Progress Indicator saw a robust increase, moving well above the baseline to reflect a greater percentage of students making progress toward English proficiency. While the Suspension Rate remains an area for focused monitoring due to some fluctuations, the efforts to combat Chronic Absenteeism have been highly effective, particularly for African American students, who showed a dramatic decrease in absenteeism compared to the baseline.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Discontinued June 2025

12.2 - Supplemental Intervention Materials

Actions Added or Modified for 2025-26

12.1 - Resource Specialist

Metrics Related to 2024 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2025-26

Actions

Action #	Title	Description	Total Funds	Contributing
12.1	Resource Specialist (Discontinued June 2026)	Hire a Resource Specialist to provide intervention support to identified students to improve learning to read skills and to improve reading skills to access curriculum to increase mastery of the content and number of students to be at grade level in reading and lead in professional learning efforts for those teachers without a full and clear credential. Per the 2022-23 CDE Teacher Assignment Monitoring Outcomes report, 85.5 percent of teachers have full and clear credential. The Resource Specialist will provide support to students that prepares and/or organizes appropriate individualized instructional resources and materials for children's learning needs and strategies to support students needing additional literacy strategies to be successful. Beginning with the 2025-26 school year, Resource Specialist-provided services will primarily focus on improving literacy in both Math and ELA. (Metrics 12.1 - 12.3)		No
12.2	Supplemental Intervention Materials (Discontinued June 2025)	Purchase SIPPs materials assess and support students in acquiring and developing study habits and skills to improve their access and academic performance in the Common Core ELA and Math. (Metrics 12.1 - 12.3)		No
12.3	Site Instruction Coordinator (New 2026-27)	Hire a Site Instruction Coordinator to directly reverse "Red" and "Orange" performance trends in ELA and Mathematics. The Site Instruction Coordinator will conduct evidence-based coaching cycles, modeling high-leverage Tier 1 instructional strategies, and facilitating data-driven Professional Learning Communities (PLCs) to bridge the achievement gap for Woodbine's English Learner and Hispanic/Latino youth in English Language Arts and All subgroups (African American, Asian, and Students	$365,000.00	No

		with Disabilities. This action is for the 2026-27 and 2027-28 school years. (Metric 12.1 and 12.3)		
12.4	Additional Clerical Support (New 2026-27)	Purchase additional clerical support to manage a comprehensive attendance review system using Infinite Campus and ABC reports, specifically targeting Black/African American, Students with Disabilities, and English Learner groups at risk of chronic absenteeism. The Clerk will facilitate 'Restorative Outreach'—including the coordination of SART (Student Attendance Review Team) meetings and the development of Attendance Engagement Support Plans—to identify and remove barriers to school stability. This action is for the 2026-27 and 2027-28 school years. (Metric 12.5)	$104,040.00	No
12.5	Teacher Assistant Bilingual-Hmong (New 2026-27)	Hire a Hmong Teacher Bilingual Assistant to provide targeted, small-group (Tier 2) math intervention and in-class linguistic scaffolding for Hmong-speaking English Learners. Utilizing Strategic Native Language Support, the Assistant will assist students in deconstructing complex Math word problems and mastering academic vocabulary in both Hmong and English. This role will also facilitate bi-weekly progress-monitoring and parent outreach to increase school-home alignment. This action is for the 2026-27 and 2027-28 school years. (Metrics 12.3)	$217,450.00	No
12.6	Academic Instruction Professional Development (New 2026-27)	Build Systemic Instructional and Behavioral Capacity through a comprehensive professional development for certificated and classified staff. Professional development will focus on English Language Arts, Mathematics, Tier 1 instruction, and Social Emotional Learning to improve proficiency levels and stabilize school climate for Black/African American students, English Learners, and Students with Disabilities, ensuring a measurable reduction in 'Distance from Standard' and an increase in daily attendance as reported on the California School Dashboard. (Metrics 12.1 - 12.3)	$20,000.00	No

Action #	Title	Description	Total Funds	Contributing
12.7	Additional Technology for Students (New 2026-27)	Acquire specialized instructional technology and adaptive peripherals—including headphones, mice, laptops,—specifically to facilitate High-Dosage Tutoring and Tier 2/3 Digital Interventions in ELA, Math, and ELD. These tools are essential to provide Students with Disabilities (SWD) and English Learners (ELs) with equitable access to assistive technology and adaptive software, ensuring students can engage in distraction-free, personalized learning paths designed to reduce the 'Distance from Standard' as identified on the California School Dashboard. (Mettrics 12.1 - 12.3)	$22,140.00	No
12.8	SBMP Professional Development (New 2026-27)	Establish a data-driven School-wide Behavior Management Plan (SBMP) rooted in a Multi-Tiered System of Supports (MTSS) to mitigate the impact of trauma on student achievement. This initiative provides compensated pre-service time and other professional development throughout the year for certificated and classified staff to collaborate on the design and rehearsal of consistent school-wide instructional routines and behavioral procedures. Targeted professional development will include Restorative Justice, Trauma-Informed Practices, and PBIS. (Metrics 12.4 and 12.5)	$20,000.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
13	By 2027 at Fr Keith B Kenny for each Very Low performing student group on the 2024 California School Dashboard, the • Percent of students improving their SBAC ELA Distance From Met will increase by 20 percentage points, • Suspension rate will improve by 4 percentage points. • Chronic Absenteeism rate will improve by 10 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Fr Keith B Kenny, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:
- Academic Indicator ELA SBAC Distance From Met: ALL, African American, English Learner, and Students With Disabilities
- Suspension Indicator: Students With Disabilities
- Chronic Absenteeism: English Learner

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

13.1 Professional Development - Coaching and Literacy Consulting: Substantially implemented as planned.
13.2 Professional Development - Instructional Strategies/CORE Elementary Reading Academy: Substantially implemented as planned.
13.3 Teacher Release Time: Partially implemented as fewer professional development opportunities were offered than originally planned.
13.4 Library Books: Not implemented as the site elected alternative strategies to help students improve literacy.
13.5 Classroom Novel Sets: Not implemented as the site elected alternative strategies to help students improve literacy.
13.6 Attendance Incentives: Not implemented as the site elected alternative strategies to incentivize student attendance.
13.7 Field Trips and Reverse Field Trips: Not implemented as the site elected alternative strategies to incentivize student attendance.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below.

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to reduced substitute and per diem costs:

13.3 Teacher Release Time

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The strategic emphasis on teacher capacity was a primary driver of academic progress. Professional Development - Coaching and Literacy Consulting (13.1) and Professional Development - Instructional Strategies/CORE Elementary Reading Academy (13.2) were utilized to strengthen instructional practices, resulting in significant gains in ELA for all student groups, particularly for African American and English Learner populations. While Teacher Release Time (13.3) was only partially implemented due to fewer professional development opportunities being offered than originally planned, the time that was utilized successfully supported data-driven instructional shifts.

Conversely, several planned actions were not implemented as the site elected to pivot toward alternative strategies to meet their goals. Library Books (13.4) and Classroom Novel Sets (13.5) were not implemented as the site chose different methods to improve student literacy. Similarly, Attendance Incentives (13.6) and Field Trips and Reverse Field Trips (13.7) were not implemented because the site identified other ways to incentivize student attendance and engagement.

Despite these non-implemented actions, the concentrated efforts in professional coaching and reading instruction have proved highly effective. The reduction in suspension rates and the broad-based growth in ELA demonstrate that the school’s core interventions are successfully addressing the needs of its most vulnerable student groups.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2025-26

This goal and all of its actions are new for this school that is newly identified to begin expending Equity Multiplier funds during the 2025-26 school year:
13.1 Professional Development - Coaching and Literacy Consulting
13.2 Professional Development - Instructional Strategies/CORE Elementary Reading Academy
13.3 Teacher Release Time

13.4 Library Books
13.5 Classroom Novel Sets
13.6 Attendance Incentives
13.7 Field Trips and Reverse Field Trips

Metrics Related to 2024 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2025-26

As a recipient of Equity Multiplier funding in February 2025, baseline and target data were added for metrics in which the school demonstrated very low performance on the 2024 Dashboard:
Percent of Students Improving ELA DFM: ALL, African American, English Learners, and Socioeconomically Disadvantaged
Suspension Rate: Students With Disabilities
Chronic Absenteeism Rate: English Learners

Actions Discontinued June 2026

13.2 Professional Development - Instructional Strategies/CORE Elementary Reading Academy
13.6 Attendance Incentives
13.7 Field Trips and Reverse Field Trips

Actions Added or Modified for 2026-27

13.1 Professional Coaching for Teachers
13.3 Teacher Release Time
13.8 Additional Attendance Clerk Support
13.9 Additional Social Worker Support
13.10 Additional Campus Monitor Support
13.11 Additional Assistant Principal Support
13.12 Additional Yard Monitor Supervision
13.13 Community Liaison

Metrics Related to 2025 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2026-27

Percent of Students Improving Math DFM: English Learners, Hispanic
English Learner Progress: English Learners
Suspension Rate: African American
Chronic Absenteeism Rate: ALL, African American, Socioeconomically Disadvantaged, Students With Disabilities, Hispanic

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
13.1	Professional Development - Coaching and Literacy Consulting (Modified 2026-27)	Provide 24+ full days of coaching support and academic consulting throughout the year to strengthen instructional practices, support data-driven decision-making, and build teacher capacity. Through ongoing coaching cycles, classroom observations, and collaborative planning, teachers will receive targeted feedback and strategies aligned to student needs. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 72.2 percent of teachers have a full and clear credential. (Metrics 13.1 and 13.2)	$27,745.00	No
13.2	Professional Development - Instructional Strategies/CORE Elementary Reading Academy (Discontinued June 2026)	Provide 7 days of professional learning for an Elementary Reading Academy. This academy also includes our Teaching Reading Sourcebook and our Assessing Reading: Multiple Measures. (Metrics 13.1 and 13.2)		No
13.3	Teacher Release Time (New 2025-26) (Modified 2026-27)	Provide Teacher Release Time (substitutes or per diems) for coaching and literacy professional development. (Metrics 13.1 and 13.2)	$10,000.00	No
13.4	Library Books (New 2025-26) (Discontinued June 2026)	Purchase culturally relevant, high interest, informational and narrative books for the library in order to engage students with reading. (Metric 13.1)		No
13.5	Classroom Novel Sets (Discontinued June 2026)	Purchase high-interest, culturally relevant classroom novel sets for novel studies that will increase student engagement with reading. (Metric 13.1)		No

Action #	Title	Description	Total Funds	Contributing
13.6	Attendance Incentives (Discontinued June 2026)	Studies show that the best incentives for attendance are frequent and involve parents as well as students, particularly in low income neighborhoods. In addition to competition for the monthly attendance trophy, as well as charts measuring improvement, the school will include the following incentives that have been shown to support improvement: Monthly student incentives, such as Bragtags; Monthly parent incentives, such as $100 monthly grocery gift cards, bus passes, gift cards, etc.; and end-of-year prizes, such as 6 bikes for each trimester. (Metric 13.3)		No
13.7	Field Trips and Reverse Field Trips (Discontinued June 2026)	Teachers will be provided funding to plan field trips/reverse field trips during the school year to provide their students will a connection to learning and reduce suspensions. (Metric 13.3)		No
13.8	Additional Attendance Clerk Support (New 2026-27)	To ensure consistent monitoring and implementation of attendance strategies, provide additional hours for attendance clerk position. Expanding this role will allow the clerk to manage daily attendance tracking, coordinate outreach to families, support incentive programs, and assist with early intervention for students with chronic absenteeism. Strengthening this position will help improve student attendance, which is directly linked to increased instructional time, stronger engagement, and improved student achievement. (Metric 13.3)	$37,895.00	No
13.9	Additional Social Worker Support (New 2026-27)	Increase current 0.5 FTE social worker position by an additional 0.5 FTE and adding one additional full-time (1.0 FTE) social worker will significantly strengthen our ability to address chronic absenteeism and support alternatives to suspension through targeted interventions for students and families to help identify and address barriers to attendance through family outreach, regular check-ins, and individualized support plans that re-engage students in school. In addition, they will support restorative practices, conflict resolution, and social-emotional interventions that help students remain connected to learning rather than being removed through suspension. (Metrics 13.2 and 13.3)	$255,386.00	No

Action #	Title	Description	Total Funds	Contributing
13.10	Additional Campus Monitor Support (New 2026-27)	Add two campus monitor positions to help improve student safety, supervision, and overall school climate by increasing adult presence during high-traffic times of the school day. Campus monitors can assist with supervising common areas, supporting positive student behavior, and helping address minor incidents before they escalate. (Metric 13.2)	$80,000.00	No
13.11	Additional Assistant Principal Support (New 2026-27)	Add 0.2 FTE for the Assistant Principal to support key improvement priorities. The additional time will allow the Assistant Principal to help lead efforts around reducing suspensions, improving student attendance, driving growth in ELA and Math, and progress for English Learners. This added capacity will strengthen monitoring of student data, coordination of interventions, and consistent support for teachers and students. (Metrics 13.1 - 13.5)	$25,833.00	No
13.12	Additional Yard Monitor Supervision (New 2026-27)	Provide additional Yard Monitor hours. This will strengthen positive student behavior by ensuring more consistent adult supervision during key unstructured times, such as recess and transitions. Increased supervision allows for earlier intervention in minor conflicts before they escalate, reinforces schoolwide expectations in real time, and provides students with immediate feedback on appropriate behavior. (Metric 13.2)	$7,500.00	No
13.13	Community Liaison (New 2026-27)	A Community Liaison position at 2.5 hours per day (0.3125 FTE) will support improved student attendance and help lower suspension rates by building positive relationships with students and families, addressing barriers to regular attendance, and providing early intervention and communication. The liaison will connect families with resources, promote engagement, and work collaboratively with staff to support student success and positive behavior. (Metric 13.2)	$12,882.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
14	By 2027 at Nicholas for each Very Low performing student group on the 2024 California School Dashboard, the • Percent of students improving their SBAC ELA Distance From Met will increase by 20 percentage points, • Percent of students improving their SBAC Met Distance From Met will increase by 20 percentage points, • English Learner Progress rate will improve by 10 percentage points, and • Suspension rate will improve by 5 percentage points. By 2027, for each Very Low performing student group on the 2025 California School Dashboard not previously identified as Very Low performing on the 2023 and 2024 Dashboards, the: • Percent of students improving their SBAC ELA Distance From Met will increase by 10 percentage points • CAST Science scaled score will increase by 5 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Nicholas, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:

- Academic Indicator ELA SBAC Distance From Met: ALL, English Learner, Socioeconomically Disadvantaged, and Hispanic students
- Academic Indicator Math SBAC Distance From Met: ALL, English Learner, and Socioeconomically Disadvantaged students
- English Learner Progress Indicator: English Learner
- Suspension Indicator: Students With Disabilities
- CAST Science scaled score will increase by 5 percentage points

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

14.1 Resource Specialist: Not implemented due to difficulties recruiting for vacant positions.
14.2 Leveled Library: Substantially implemented as planned.
14.3 Teacher Release Time: Substantially implemented as planned.
14.4 Professional Learning: Partially implemented as the attendance at the conference was lower than originally planned.
14.5 Teacher Intervention: Not implemented as interventions school provided interventions during the course of the school day.
14.6 Recess Organized Student Activities: Partially implemented as difficulty in procuring contracted services and equipment.
14.7 Field Trips: Not implemented as staff were unable to schedule field trips.
14.8 Supplemental Materials and Supplies: Partially implemented as more materials have yet to be purchased.
14.9 Supplemental Technology: Substantially implemented as planned.
14.10 ELD Curriculum: Substantially implemented as planned.
14.11 Fingerprinting Costs: Not implemented as fingerprinting services were not needed this year.
14.12 PBIS: Partially implemented as more uniforms have yet to be purchased.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below.

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to fewer contract and equipment costs than estimated:

14.6 Recess Organized Student Activities

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The overall effectiveness of the goal was driven by a combination of instructional and behavioral supports. The Leveled Library (14.2), Supplemental Technology (14.9), and ELD Curriculum (14.10) provided essential resources that allowed for more differentiated instruction and targeted support for language development. These academic efforts were reinforced by Teacher Release Time (14.3), which facilitated collaborative data review and instructional planning. To improve campus culture, Professional Learning (14.4) focused on restorative practices, while PBIS (14.12) and Recess Organized Student Activities (14.6) provided the incentives and structured engagement necessary to reduce student conflict, though these three actions were only partially implemented due to lower-than-planned attendance and procurement delays. Supplemental Materials and Supplies (14.8) were also partially implemented as additional purchases are still pending.

The goal's impact was somewhat mitigated by the fact that several key personnel and engagement strategies were not realized. Resource Specialist (14.1) was not implemented due to recruitment challenges, and Teacher Intervention (14.5) was not implemented as the site utilized different intervention models during the school day. Additionally, Field Trips (14.7) were not implemented because they could not be scheduled, and Fingerprinting Costs (14.11) was not implemented as the service was not required this year. Despite these gaps, the actions that were put into place successfully moved the school closer to its targets for student engagement and safety.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

This goal and all of its actions are new for this school that is newly identified to begin expending Equity Multiplier funds during the 2025-26 school year.

Actions Added or Modified for 2025-26
14.1 Resource Specialist
14.2 Leveled Library
14.3 Teacher Release Time
14.4 Professional Learning
14.5 Teacher Intervention
14.6 Recess Organized Student Activities
14.7 Field Trips
14.8 Supplemental Materials and Supplies
14.9 Supplemental Technology
14.10 ELD Curriculum
14.11 Fingerprinting Costs
14.12 PBIS

Actions

Action #	Title	Description	Total Funds	Contributing
14.1	Resource Specialist (New 2025-26)	Hire 1.0 FTE Resource Specialist who will facilitate and implement a targeted and systematic school-wide support for English Language Learners and newcomers. Resource Specialist will provide small group instruction for ELL students needing support in ELA/Math to improve scores in ELA, Math, and ELPAC reclassification. This should improve the retention of teachers and help increase the percentage of fully credentialed staff at the school. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 93.4 percent of teachers have a full and clear credential. This position will be for 2025-26 and 2026-27. (Metrics 14.1 - 14.3)	$340,000.00	No
14.2	Leveled Library (New 2025-26)	Purchase books to provide teachers the ability to differentiate instruction based on a student's reading level and allows teachers to target specific reading strategies at each level. The library will also increase student	$27,000.00	No

Action #	Title	Description	Total Funds	Contributing
		engagement because the books will be at students' independent reading level that will motivate a student to read and improve their fluency and comprehension. (Metric 14.1)		
14.3	Teacher Release Time (New 2025-26)	Hire substitute teachers to provide Teacher Release Time for planning small group instruction and assessments. Teachers will collaborate to strategically plan and review data to inform instruction. (Metrics 14.1 - 14.3)	$15,000.00	No
14.4	Professional Learning (New 2025-26)	Professional Learning at conferences to continue growing a robust PBIS system and restorative practices to create an environment of inclusion, safety, and connectedness to reduce student suspensions. Academic training to support Language Arts, ELD and Math instruction. (Metric 14.4)	$27,500.00	No
14.5	Teacher Intervention (New 2025-26)	Teachers will provide Intervention and Extended Day opportunities for students that need extra support in Math and ELA. Tutors will provide support with learning goals and to close the achievement gap in ELA, ELD and Math for students. Tutoring services are 2-4 days a week. (Metrics 14.1 - 14.3)	$10,000.00	No
14.6	Recess Organized Student Activities (New 2025-26)	Hire Organization and purchase equipment to support students during recess time. Students will learn how to play organized activities and have leadership roles Additional staff will assist in securing playground and yard during recess and lunches will reduce the amount of student conflict as a result will lower the school suspension rate. (Metric 14.4)	$20,000.00	No
14.7	Field Trips (New 2025-26)	Teachers will be provided funding to have field trips and on-site field trips during the school year to provide their students with a connection to learning, increase students' background knowledge related to a unit of study, and reduce student suspensions. (Metric 14.4)	$25,000.00	No

Action #	Title	Description	Total Funds	Contributing
14.8	Supplemental Materials and Supplies (New 2025-26)	Purchase additional materials and school supplies to support students academically in all subject areas. Purchase supplemental curriculum to support ELA and ELD including, but not limited to UFLI, Heggerty Phonemic Awareness, Reading A to Z, Step up to writing and Learning without Tears. (Metrics 14.1 and 14.3)	$20,000.00	No
14.9	Supplemental Technology (New 2025-26)	Purchase additional materials like headphones, Chromebooks, and laptops to support students and teachers in order to provide interventions to improve academic performance in English Language Arts, ELD and Math. (Metrics 14.1 - 14.3)	$30,000.00	No
14.10	ELD Curriculum (Modified 2026-27)	Provide teachers with a curriculum that targets the needs of English Learners in the areas of listening, speaking, reading, and writing to enable English Language Learners to develop the skills necessary for academic achievement. (Metric 14.3)	$10,000.00	No
14.11	Fingerprinting Costs (New 2025-26)	Pay for parent fingerprinting fees to increase parental engagement by having parents volunteer in the classrooms/field trips. Parent volunteers can improve the school climate to help reduce student suspensions. (Metric 14.4)	$1,500.00	No
14.12	PBIS (New 2025-26)	School uniforms to provide to students to help foster a sense of community, reduce distractions, and reduce feelings of exclusion, bullying incidents and peer pressure. Assist families with clothing when experiencing hardships. Purchase incentives and recognition items to foster a positive school culture to reduce the number of incidents that lead to suspensions. (Metric 14.4)	$35,000.00	No
14.13	Assistant Principal (New 2026-27)	Hire 1.0 FTE Assistant Principal to provide supports for students and focus on Social Emotional Learning. This person would also provide ongoing	$360,000.00	No

Action #	Title	Description	Total Funds	Contributing
		support for teachers around restorative practices and PBIS. This individual would also work with individual students that are struggling socially and make sure that they are able to stay in school. This individual would do peer mediation. This person would support in the reduction of suspensions by having a comprehensive plan to addressing students social emotional needs. This would keep students in the classroom and focused on academics. (Metric 14.3)		
14.14	Summer Teacher Planning (New 2026-27)	Provide several days of academic planning for teachers to focus on essential standards in both mathematics and language arts. Teachers will also have the opportunity to receive professional developments in specific academic areas to support struggling students. Teachers will have the opportunity to analyze student data to target students' specific academic needs. (Metrics 14.1 and 14.2)	$20,000.00	No
14.15	Kinder Orientation (New 2026-27)	In order to provide a strong start for kindergarten students, teachers would have the opportunity to provide orientation for those students to put them on a path to success. This would be an opportunity to go over expectations with parents as well as the academic areas that they would be focusing on for the year. This would build a strong partnership ensuring academic success for all students. We would buy materials and supplies for students and pay for teacher time. (Metrics14.1 and 14.2)	$10,000.00	No
14.16	Library Technician (New 2026-27)	Hire a 4-hour Library technician that would provide opportunities for students to check out books at their individualized reading level. This will promote more reading. This person will also be reading to individual classes to motivate students and inspire them to read more in order to improve their reading skills. (Metric 14.1)	$70,000.00	No
14.17	Additional Supervision (New 2026-27)	Hire two 3-hr supervisors that would support supervising students to help with building stronger relationships with students, provide peer mediation	$65,000.00	No

Action #	Title	Description	Total Funds	Contributing
		and problem solving. This would help in minimizing suspensions and therefore keeping students focused on learning. (Metric 14.4)		

Goals and Actions

Goal

Goal #	Description	Type of Goal
15	By 2027 at Pacific for each Very Low performing student group on the 2024 California School Dashboard, the • Percent of students improving their SBAC ELA Distance From Met will increase by 20 percentage points, • Percent of students improving their SBAC Math Distance From Met will increase by 20 percentage points, • Suspension rate will improve by 10 percentage points, and • Chronic Absenteeism rate will improve by 15 percentage points. By 2027, for each Very Low performing student group on the 2025 California School Dashboard not previously identified as Very Low performing on the 2023 and 2024 Dashboards, the: • Percent of students improving their SBAC ELA Distance From Met will increase by 10 percentage points, • Percent of students improving their SBAC Math Distance From Met will increase by 10 percentage points, • Suspension rate will improve by 2 percentage points, and • English Learner Progress rate will improve by 5 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Pacific, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:

- Academic Indicator ELA SBAC Distance From Met: ALL, Asian, English Learner, Socioeconomically Disadvantaged, and Hispanic students
- Academic Indicator Math SBAC Distance From Met: ALL, English Learner, Socioeconomically Disadvantaged, Hispanic, and White students
- Suspension Indicator: African American, Two or More students
- Chronic Absenteeism Indicator: African American, Asian, and Students With Disabilities
- English Learner Progress: English Learner students

Measuring and Reporting Results

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

15.1 Site Instructional Coordinator (Intervention Lead): Partially implemented as some funded positions not yet filled.
15.2 PlayWorks Intervention: Not implemented due to difficulties in procuring contract.
15.3 Additional Nursing Services: Not implemented due to difficulties recruiting for vacant positions.
15.4 Instructional Aides: Not substantially implemented due to difficulties recruiting for vacant positions.
15.5 Teacher Release Time: Not implemented as the site elected alternative strategies to provide small group instruction.
15.6 Positive Behavior and Intervention Support (PBIS) Professional Learning: Substantially implemented as planned.
15.7 California Association for Bilingual Education (CABE) Professional Learning: Not implemented as staff were unable to attend the CABE conference.
15.8 Additional Clerk Hours: Substantially implemented as planned.
15.9 Yard Monitor: Not substantially implemented due to difficulties recruiting for positions.
15.10 Field Trips and Reverse Field Trips: Not substantially implemented as staff were unable to schedule field trips.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material variances between budgeted expenditures and estimated actual expenditures that are both greater than $40k and 20% of the budgeted expenditures are included below.

Expenditures were less than budgeted due to the estimated salaries and benefits being higher than the actual costs incurred due to vacant positions:

15.1 Site Instructional Coordinator (Intervention Lead)
15.3 Additional Nursing Services: Not implemented due to difficulties recruiting for vacant positions.
15.4 Instructional Aides: Not substantially implemented due to difficulties recruiting for vacant positions.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Overall Successes and Effectiveness

The school's ability to lower chronic absenteeism is largely attributed to the implementation of Additional Clerk Hours (15.8), which allowed for more consistent family outreach and attendance monitoring. This improvement in student presence provided a foundation for the academic growth observed in ELA. While Action 15.1 (Site Instructional Coordinator) was only partially implemented due to vacancies, the leadership provided was essential in interpreting student data to guide instructional shifts. Furthermore, the school successfully maintained its inclusive environment through Action 15.6 (PBIS Professional Learning), which equipped staff with the strategies necessary to foster a safer campus and directly contribute to the improved suspension metrics.

Several actions were not implemented during this cycle due to recruitment, procurement, or scheduling challenges. Action 15.2 (PlayWorks Intervention) and Action 15.3 (Additional Nursing Services) were not implemented, nor were Action 15.5 (Teacher Release Time) or Action 15.7 (CABE Professional Learning). Additionally, because of hiring and logistical difficulties, Action 15.4 (Instructional Aides), Action 15.9 (Yard Monitor), and Action 15.10 (Field Trips and Reverse Field Trips) were not substantially implemented.

Despite these gaps in implementation, the actions that were active proved highly effective in addressing the most critical barriers to student success. The combined impact of increased clerical support and professional learning in positive behavior systems has successfully moved the school toward a more engaged and supportive learning community.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2025-26

This goal and all of its actions are new for this school that is newly identified to begin expending Equity Multiplier funds during the 2025-26 school year:
15.1 Site Instructional Coordinator (Intervention Lead)
15.2 PlayWorks Intervention
15.3 Additional Nursing Services
15.4 Instructional Aides
15.5 Teacher Release Time
15.6 Positive Behavior and Intervention Support (PBIS) Professional Learning
15.7 California Association for Bilingual Education (CABE) Professional Learning
15.8 Additional Clerk Hours
15.9 Yard Monitor
15.10 Field Trips and Reverse Field Trips

Metrics Related to 2024 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2025-26

Percent of Students Improving ELA DFM: ALL, Asian, English Learners, and Socioeconomically Disadvantaged
Percent of Students Improving Math DFM: ALL, Asian, English Learners, and Socioeconomically Disadvantaged
Suspension Rate: African American
Chronic Absenteeism Rate: African American, Asian, Students With Disabilities

Actions Added or Modified for 2026-27

15.11: Structured Literacy Intensification Block
15.12: Math Acceleration System

15.13 Math Acceleration and Project based learning System
15.14: Teacher Professional Development Resources
15.15: Tier 2 Behavior Intervention System

Metrics Related to 2025 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2026-27

Percent of Students Improving ELA DFM: Hispanic
Percent of Students Improving Math DFM: Hispanic, White
Suspension Rate: Two or More

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
15.1	Site Instructional Coordinator (Intervention Lead) (New 2025-26)	Hire 0.5 FTE Site Instructional Coordinator (Intervention Lead) to strengthen academic program and work with site leadership, instructional staff, and other support personnel to improve student outcomes in ELA and Math. This position will assist in the interpretation of data, development of instructional strategies, and evaluation of effective practices. This position will also lead ELA and Math improvement efforts through Step Up Academy/Data works intervention program. This action will be implemented over the 2025-26 and 2026-27 school years. (Metrics 15.1 and 15.2)	$110,000.00	No
15.2	PlayWorks Intervention (New 2025-26)	Implement PlayWorks to support a targeted school-wide intervention for suspension rate and chronic absenteeism. Suspension data and student surveys show that 42% of suspend-able incidents happen before school and at recesses. PlayWorks teaches staff and students on conflict resolution and increases positive engagement at recesses which leads to more participation and attendance in the classroom. (Metrics 15.3 and 15.4)	$50,687.00	No

Action #	Title	Description	Total Funds	Contributing
15.3	Additional Nursing Services (New 2025-26)	Provide one (1) day of additional nursing to improve student attendance and reduce chronic absenteeism by supporting student needs related to health related issues. This action will be implemented over the 2025-26 and 2026-27 school years. (Metric 15.4)	$55,000.00	No
15.4	Instructional Aides (New 2025-26)	Hire three 0.375 FTE Instructional Aides to Support Primary Classes with Math and ELA content and target students who need additional support. This support will be provided for both 2025-26 and 2026-27 school years. (Metrics 15.1 and 15.2)	$175,000.00	No
15.5	Teacher Release Time (New 2025-26)	Provide Teacher Release Time and substitutes to assist teachers and the Resource Specialist with ELA assessments and small group instruction. Substitutes would take classes while teachers/specialist pulled students for assessments, assist with small group interventions, and assist with professional learning for teachers who do not have a full and clear credential. Release time would be 30 days in 2025-26 and 30 days in 2026-27. (Metric 15.1)	$45,000.00	No
15.6	Positive Behavior and Intervention Support (PBIS) Professional Learning (New 2025-26)	Positive Behavior and Intervention Support (PBIS) Professional Learning at the annual three-day PBIS conferences to continue growing a robust PBIS system and creating and environment of inclusion, safety, and connectedness to reduce student suspensions in 2025-26 and 2026-27. This should improve the retention of teachers and help maintain the percentage of fully credentialed staff at the school. Per the 2022-23 CDE Teacher Assignment Monitoring Outcomes report, 100 percent of teachers have a full and clear credential. (Metric 15.3)	$25,000.00	No
15.7	California Association for Bilingual Education (CABE) Professional	California Association for Bilingual Education (CABE) Professional Learning at CABE for site instructional leadership and Bilingual Aide/Family Liaison staff to accelerate English Learner progress and academic subjects. (Metric 15.1 and 15.2)	$20,000.00	No

Action #	Title	Description	Total Funds	Contributing
	Learning (New 2025-26)			
15.8	Additional Clerk Hours (New 2025-26)	Extend Clerks hours by 2.5 (0.4375 FTE) to cover a 6 hour day. The goal for increasing the Clerk from a 3.5 hour day to a 6 hour day to decrease our school chronic absenteeism to less than 20%. If students are in school more often the more we can close the achievement gap. (Metric 15.4)	$65,000.00	No
15.9	Yard Monitor (New 2025-26)	Hire Yard Monitors (two 0.375 FTEs) to reduce Suspension rate. Additional staff will assist in securing play yard during recess and lunches will reduce the amount of student conflict as a result will lowering the school suspension rate. (Metric 15.3)	$85,000.00	No
15.10	Field Trips and Reverse Field Trips (New 2025-26)	Field Trips and Reverse Field Trips. Teachers will be provided funding to plan field trips/reverse field trips during the school year to provide their students with a connection to learning and reduce suspensions. (Metric 15.3)	$95,000.00	No
15.11	Structured Literacy Intensification Block (New 2026-27)	Equity Multiplier funds will support a comprehensive literacy acceleration model designed to improve reading outcomes for students requiring additional academic support in grades K–6. Funding will support a Reading Intervention Teacher to provide targeted intervention for students performing below grade-level expectations, a dedicated fluency intervention period supported by an EasyCBM Oral Reading Fluency (ORF) progress monitoring dashboard, 6-week regrouping cycles, and substitute release days for literacy planning and data analysis. In grades K–2, daily structured literacy and small-group intervention will strengthen foundational reading skills, while grades 3–6 will receive targeted fluency, vocabulary, and comprehension intervention aligned to grade-level standards and informational text analysis. Measurable outcomes include 100% of intervention groups progress monitored every two weeks, reduced group sizes of 3–5 students for the lowest 15% of readers, and accelerated progress toward grade-level proficiency across all grade spans. (Metric 15.1)	$215,000.00	No

Action #	Title	Description	Total Funds	Contributing
15.12	Math Acceleration System (New 2026-27)	Integrated Math, Science, and Wellness Learning Initiative. Support an integrated academic initiative designed to accelerate student achievement in mathematics and strengthen engagement in science and health-related learning. Funds will support the purchase of intervention materials aligned to the Concrete–Representational–Abstract (CRA) instructional model, teacher release time for structured math data cycles, and targeted professional learning focused on error analysis, mathematical discourse, and evidence-based instructional strategies. Instructional non-negotiables will include a protected 60–75 minute math block, daily structured student math talk, and ongoing progress monitoring to guide skill-based intervention groups for students requiring additional academic support. The Bridges Math Intervention Rotational Model builds teacher capacity by rotating grade-level teachers each semester to lead targeted small-group math intervention using CRA-based strategies and Bridges resources. Instructional aides support classroom instruction during intervention periods to ensure continuity of Tier 1 learning while students identified through data receive focused, skill-based math support. (Metric 15.2)	$200,000.00	No
15.13	Math Acceleration and Project based learning System (New 2026-27)	The garden residency and STEAM program will provide hands-on learning experiences aligned to science and mathematics standards. Funding will support stipends for Sacramento State interns assisting with garden-based instruction and the purchase of healthy foods and materials used in nutrition and science lessons. These experiences will help students connect mathematical concepts, scientific inquiry, and healthy lifestyle practices while increasing engagement and access to experiential learning opportunities. This action is designed to expand equitable access to rigorous instruction, strengthen foundational mathematics skills, and provide engaging, real-world learning experiences that support improved academic outcomes for students. (Metric 15.2)	$50,000.00	No
15.14	Teacher Professional Development	Equity Multiplier funds will support targeted professional development to strengthen and refine mathematics instructional practices across grade	$125,000.00	No

Action #	Title	Description	Total Funds	Contributing
	Resources (New 2026-27)	levels. Professional learning will focus on evidence-based strategies such as explicit modeling, the Concrete–Representational–Abstract progression, error analysis, and structured student discourse. Ongoing coaching and implementation support will ensure strategies are consistently applied to improve student conceptual understanding and math growth outcomes. (Metrics 15.1, 15.2, and 15.5)		
15.15	Tier 2 Behavior Intervention System (New 2026-27)	Pacific Elementary will implement a structured Tier 2 behavior support system to reduce suspensions and increase student connectedness. The system will include Check-In/Check-Out with designated adult mentors for identified students, restorative circles to repair harm and strengthen relationships, and daily progress monitoring to reinforce positive behaviors. Students receiving Tier 2 support will have clearly defined behavioral goals and consistent adult feedback throughout the school day. A behavior data dashboard will be reviewed biweekly to analyze trends and ensure timely adjustments to interventions, promoting measurable reductions in repeat referrals and exclusionary discipline. (Metric 15.3)	$45,000.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
16	By 2027 at Hiram Johnson for each Very Low performing student group on the 2025 California School Dashboard, the • College and Career Prepared rate will improve by 3 percentage points, • SBAC ELA Distance From Met will improve by 10 scale score points, • SBAC Math Distance From Met will improve by 10 scale score points, • Suspension rate will improve by 2 percent, and • CAST Science scaled score will increase by 5 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Hiram Johnson, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:

- College/Career Indicator: African American and Students With Disabilities
- Academic Indicator ELA SBAC Distance From Met: ALL, Socioeconomically Disadvantaged, Long Term English Learners, and Hispanic students
- Academic Indicator Math SBAC Distance From Met: African American students
- Suspension Indicator: ALL, African American, Socioeconomically Disadvantaged, Long Term English Learners, Hispanic, and Two or More students
- Academic Indicator CAST Science: Students with Disabilities

Metrics Related to 2025 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2026-27
This goal's metrics are new for this school that is newly identified to begin expending Equity Multiplier funds during the 2026-27 school year.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
16.1	Training Specialist – High School (New 2026-27)	Fund a full-time Training Specialist to lead professional development aligned to the site's instructional model and math and English improvement efforts. This role will support essential standards alignment, instructional coaching, and data-driven cycles to improve Tier 1 instruction and college and career readiness outcomes. This should also improve the retention of teachers and help maintain the percentage of fully credentialed staff at the school. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 79.2 percent of teachers have a full and clear credential. (Metrics 16.1 - 16.3)	$345,360.00	No

Action #	Title	Description	Total Funds	Contributing
16.2	Resource Teacher – Secondary (Literacy) (New 2026-27)	Fund a full-time Literacy Resource Teacher to accelerate reading growth across content areas. This position will support literacy intervention, English Learner development, and progress monitoring to improve Lexile growth, CAASPP ELA performance, and course pass rates. (Metrics 16.2 and 16.3)	$345,360.00	No
16.3	Site Instructional Coordinator (New 2026-27)	Fund a full-time Site Instructional Coordinator to oversee implementation of the instructional model and coordinate math, English, EL development, and college and career readiness priorities. This role ensures instructional coherence and monitors key academic performance indicators. (Metrics 16.1 - 16.3)	$268,578.00	No
16.4	Youth & Family Mental Health Advocate (New 2026-27)	Fund a full-time Youth & Family Mental Health Advocate to support students through the F1 Support Center by addressing social-emotional barriers, improving attendance, increasing engagement, and reducing suspension rates. (Metric 16.4)	$224,352.00	No
16.5	Parent Advisor (New 2026-27)	Fund a full-time Parent Advisor to strengthen family engagement and improve communication between school and home. This role will assist families with graduation planning, attendance support, and access to college and career resources. (Metric 16.1)	$237,166.00	No
16.6	Professional Development (New 2026-27)	Provide sustained professional development aligned to the instructional model, literacy and math priorities, English Learner development, and college and career readiness initiatives. Funding supports structured training cycles and collaboration time to ensure implementation fidelity. (Metrics 16.1 - 16.3)	$208,000.00	No
16.7	Mentorship for African American	Fund targeted mentorship programming to provide academic guidance, leadership development, and social-emotional support for African	$95,216.00	No

Action #	Title	Description	Total Funds	Contributing
	Students (New 2026-27)	American students. The initiative focuses on improving attendance, increasing credit attainment, strengthening college and career readiness, and reducing disciplinary disproportionality. (Metrics 16.1 and 16.4)		
16.8	Campus Monitor (New 2026-27)	Fund additional campus supervision to increase student safety, improve school climate, reduce suspension rates through proactive supervision and early intervention, and maximize instructional time. (Metric 16.4)	$201,616.00	No
16.9	Clerk III (New 2026-27)	Fund a Clerk III position to support counseling, student services coordination, attendance documentation, and data tracking related to academic progress and intervention systems. This role strengthens operational capacity to support equity-focused student interventions. (Metric 16.4)	$224,352.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
17	By 2027 at John Bidwell for each Very Low performing student group on the 2025 California School Dashboard, the • Chronic Absenteeism rate will improve by 5 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 5: Pupil Engagement (Engagement)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at John Bidwell, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:
- Chronic Absenteeism Indicator: ALL, English Learner, Socioeconomically Disadvantaged, Students With Disabilities, and Hispanic students

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
17.1	Chronic Absenteeism Rate	2024-25 Chronic Absenteeism Rate ALL: 27.5 English Learner (EL): 21.0 Socioeconomically Disadvantaged (SED): 30.7 Students With Disabilities (SWD): 31.0 Hispanic (H): 31.7 Source: Chronic Absenteeism Indicator		2024-25 Chronic Absenteeism Rate ALL, EL, SED, SWD, and H Outcomes not available. New metric added 2026-27.	2025-26 Chronic Absenteeism Rate ALL: 22.5 EL: 16.0 SED: 25.7 SWD: 26.0 H: 26.7 Source: Chronic Absenteeism Indicator in California School Dashboard	ALL, EL, SED, SWD, and H Outcomes not available. New metric added 2026-27.

Actions

Action #	Title	Description	Total Funds	Contributing
17.1	Additional Social Worker Services (New 2026-27)	Hire additional social worker services to connect with families and students around attendance. This action will provide resources and support to students who are chronically absent. This support should also improve the retention of teachers and help maintain the percentage of fully credentialed staff at the school. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 82.0 percent of teachers have a full and clear credential. (Metric 17.1)	$338,553.00	No
17.2	School-wide Field Trips (New 2026-27)	Provide educationally rich field trips to engage students in school and encourage them to attend school on a more regular basis. (Metric 17.1)	$10,000.00	No
17.3	Extend the Attendance Clerk's hours (New 2026-27)	Extend the attendance clerk's hours by one each day so that she can have extra time to contact parents, hold attendance meetings, and work on attendance incentives for students. (Metric 17.1)	$7,300.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
18	By 2027 at John Cabrillo for each Very Low performing student group on the 2025 California School Dashboard, the • Chronic Absenteeism rate will improve by 5 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 5: Pupil Engagement (Engagement)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at John Cabrillo, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:

Actions

Action #	Title	Description	Total Funds	Contributing
18.1	Additional Clerk Hours (New 2026-27)	Extend clerk hours to cover a 6 hour day. The goal is to decrease the chronic absenteeism to less than 25%. The more students are at school, the more we can close the achievement gap. (Metric 18.1)	$160,000.00	No

Action #	Title	Description	Total Funds	Contributing
18.2	Additional Noon Duty Hours (New 2026-27)	Extend the noon duty hours to reduce suspensions and therefore improve attendance. Additional noon duty hours will reduce student conflict on the yard, also allow for student check ins, home visits, and provide mentoring for our most chronic students. (Metric 18.1)	$140,000.00	No
18.3	Field Trips & Reverse Field Trips (New 2026-27)	Field Trips and Reverse Field Trips will increase student attendance by creating connections to learning and by providing high interest activities. (Metric 18.1)	$50,000.00	No
18.4	Teacher Release Time (New 2026-27)	Teacher Release Time to run community building days 1 time per month with buddy classes. Teachers will focus on social emotional skills to build connections to school and increase students desire to attend. This support should also improve the retention of teachers and help maintain the percentage of fully credentialed staff at the school. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 75.0 percent of teachers have a full and clear credential. (Metric 18.1)	$30,000.00	No
18.5	Staff Per Diem (New 2026-27)	Provide Per Diem to staff to teach enrichment classes both before and after school. Classes will be free for students and create high interest activities to engage students and help get them to school on time every day. (Metric 18.1)	$70,000.00	No
18.6	Leader in Me Curriculum (New 2026-27)	Purchase Leader in Me. This is a school wide social emotional program to develop leadership skills, goal setting, and to monitor progress. This program will help students practice successful school skills with an emphasis on attendance and meeting attendance goals. Teachers will also participate in PD to implement the program and monitor data. (Metric 18.1)	$40,000.00	No

Action #	Title	Description	Total Funds	Contributing
18.7	Attendance Incentives (New 2026-27)	Studies show that the best incentives for attendance are frequent and involve parents as well as students, particularly in low-income neighborhoods. The school will include the following incentives that have been shown to support improvement: Monthly attendance trophy, monthly student incentives, monthly parent incentives, such as $100 monthly grocery gift cards, bus passes, gift cards, etc.; and end-of-year prizes, such as 6 bikes or scooters for each trimester. (Metric 18.1)	$34,883.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
19	By 2027 at Leataata Floyd for each Very Low performing student group on the 2025 California School Dashboard, the • Suspension rate will improve by 2 percentage points, and • Chronic Absenteeism rate will improve by 5 percentage points.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

In consultation with the educational partners at Leataata Floyd, this Equity Multiplier goal was created to improve the outcomes for student groups at the school with Very Low performance as indicated on the California School Dashboard:
- Suspension Rate Indicator: African American
- Chronic Absenteeism Indicator: ALL, African American, Socioeconomically Disadvantaged, and Students With Disabilities

Measuring and Reporting Results

Actions

Action #	Title	Description	Total Funds	Contributing
19.1	Additional Clerk Hours (New 2026-27)	Clerks' hours will be extended by 2.5 hours per day to strengthen student and family engagement through improved attendance monitoring and communication. The additional support will allow staff to follow up with families, address attendance concerns promptly, and support school-wide attendance initiatives. These efforts are expected to increase overall student attendance and reduce chronic absenteeism. (Metric 19.2)	$60,000.00	No
19.2	Noon Duty (New 2026-27)	Yard monitors' work hours will be extended by 30 minutes using per diem funding to increase supervision during recess and lunch periods. The additional staff presence will help ensure the playground remains safe and structured, reduce student conflicts, and support positive student behavior. This increased supervision is expected to contribute to lower suspension rates and improved student attendance. (Metrics 19.1 and19.2)	$40,000.00	No
19.3	Field Trips (New 2026-27)	Teachers will be provided funding to plan field trips or reverse field trips during the school year. These experiences will connect classroom learning to real-world applications, increase student engagement, improve attendance, and help reduce suspensions by providing positive and enriching educational opportunities. (Metrics 19.1 and19.2)	$80,000.00	No
19.4	Instructional Aides Support (New 2026-27)	Hire two part-time Instructional Aides to Support Primary Classes with English Language Arts, Mathematics, and other academic content, targeting students who need additional support. This should improve the retention of teachers and help increase the percentage of fully credentialed	$92,450.00	No

Action #	Title	Description	Total Funds	Contributing
		staff at the school. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 81.8 percent of teachers have a full and clear credential. This support will be provided for both 2026-27. (Metrics 19.1 and19.2)

Goal Analysis [2025-26]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

N/A

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

N/A

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

N/A

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Actions Added or Modified for 2026-27
This goal and all of its actions are new for this school that is newly identified to begin expending Equity Multiplier funds during the 2026-27 school year.

Metrics Related to 2025 Dashboard Red Areas Added as a Recipient of Equity Multiplier funding for 2026-27
This goal's metrics are new for this school that is newly identified to begin expending Equity Multiplier funds during the 2026-27 school year.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
21.1	Specialist II, Student Support Center (New 2026-27)	Support and facilitate the student support center. Basic needs of students will support attendance, major support of student behavior, restorative justice, PBIS, mental health, and academic support. This role will lead to increased student attendance, reduced student disciplinary rates, and higher levels of academic success. (Metrics 21.4 and 21.5)	$175,952.00	No
21.2	School Intervention Staff Assistant (New 2026-27)	Provide targeted behavioral supervision and student support through the Student Support Center and in-class and out of class interventions-in a reset/restorative room. Responsibilities include supporting restorative justice practices, supervising reflection spaces, assisting with behavior contracts, facilitating restorative conversations, providing structured supervision for students requiring additional support, and reinforcing PBIS expectations. The position will also support students in school as an alternative to suspension. Also assist students in maintaining engagement in instruction. (Metrics 21.4 and 21.5)	$112,176.00	No
21.3	Campus Monitor (New 2026-27)	Hire a Campus Monitor. Additional staff will assist in securing the campus between recesses and ensuring that all students are attending class during times of instruction. The Campus Monitor will assist with recess and lunch	$100,808.00	No

Action #	Title	Description	Total Funds	Contributing
		yard duty and be trained in restorative conversations to reduce the amount of student conflict and as a result, will reduce the school suspension rate and improve student attendance. (Metrics 21.4 and 21.5)		
21.4	Walking School Bus Staff (New 2026-27)	Increase yard duty hours to cover before school, morning, lunch and afternoon recesses. Also, provide compensation for staff to create a walking school bus for students. Staff will walk through the neighborhood to a designated stop and will walk back the students to school. (Metric 21.5)	$18,800.00	No
21.5	Additional Yard Duty Positions (New 2026-27)	Hire additional yard duty and provide per diems for a walking school. Additional staff will assist in the securing yard and campus during recess and lunches will reduce the amount of student conflict as a result will lower the school suspension rate and improve student attendance (3.5 hrs each). (Metrics 21.4 and 21.5)	$25,000.00	No
21.6	Additional Clerk Support (New 2026-27)	Extend Clerk hours by 2.5 per 3-4 days per week to increase student connectivity, direct and specific work around improving attendance and decreasing chronic absenteeism–calls, home visits, and attendance meetings. (Metric 21.5)	$20,000.00	No
21.7	PBL Academic Planning Days (New 2026-27)	Provide teacher collaboration and release days (two per teacher per trimester) to observe PBL that is working at other sites, collaborate, design, refine, and analyze Project Based Learning instruction aligned to California standards in English language arts, mathematics, and science. During planning sessions, teachers will analyze student data, design differentiated supports for English Learners, and create instructional strategies that increase engagement for historically underserved student groups, including socioeconomically disadvantaged students and students with disabilities. Teachers will also collaborate to embed language supports, academic discourse strategies, and culturally relevant learning experiences within PBL units. (Metrics 21.1 - 21.5)	$64,800.00	No

Action #	Title	Description	Total Funds	Contributing
21.8	PBL Professional Development (New 2026-27)	Teachers will participate in the PBL workshops and grade team leads will participate in specific training and PD to learn the Project Based Learning model and design standards-aligned PBL units focused on English language arts, mathematics, and science. Professional development will include strategies for supporting English Learners through language scaffolds, collaborative learning, academic discourse, and culturally responsive instruction. Teachers will develop projects that increase engagement for historically underserved student groups, including African American students, students experiencing homelessness, students with disabilities, socioeconomically disadvantaged students, Pacific Islander students, and students of two or more races. These instructional strategies will increase access to rigorous academic content while strengthening language development, problem-solving skills, and student engagement. (Metrics 21.1 - 21.5)	$16,000.00	No
21.9	PBL Professional Development Curriculum Resources (New 2026-27)	Purchase a schoolwide subscription to TEACH's Project Based Learning curriculum library, providing teachers with access to standards-aligned PBL units in English language arts, mathematics, and science. The curriculum includes scaffolds for English Learners such as language development supports, structured academic discourse, collaborative learning strategies, and differentiated instructional supports. These ready-to-use PBL units will allow teachers to implement engaging and culturally responsive instruction designed to improve academic outcomes for English Learners in English language arts and mathematics and for socioeconomically disadvantaged students in science. (Metrics 21.1 - 21.5)	$5,000.00	No
21.10	PBIS, Restorative Practices, PBL, and Student Engagement Materials (New 2026-27)	Provide materials and supplies to support PBIS implementation, restorative justice practices, Project Based Learning instruction, and English Learner supports across the campus. Materials may include PBIS recognition systems, student incentives for attendance and positive behavior, restorative justice circle materials, calm corner supplies, supplies for the Student Support Center, supplies and books for the Restoration and reset	$15,198.00	No

Action #	Title	Description	Total Funds	Contributing
		room, and instructional materials that support project-based learning and English Learner engagement. (Metrics 21.1 - 21.5)		
21.11	PBIS Professional Development and Release / Collaboration Time (New 2026-27)	Provide professional development, release time, and collaboration opportunities for staff to strengthen the implementation of Positive Behavioral Interventions and Supports (PBIS). Training will focus on teaching and reinforcing schoolwide behavioral expectations, using restorative practices, analyzing discipline data, and implementing targeted behavioral supports for students who require additional intervention. Staff will collaborate to implement proactive strategies that support positive behavior, reduce classroom disruptions, and improve student engagement. This support should also improve the retention of teachers and help maintain the percentage of fully credentialed staff at the school. Per the 2023-24 CDE Teacher Assignment Monitoring Outcomes report, 77.8 percent of teachers have a full and clear credential. (Metrics 21.1 - 21.5)	$10,800.00	No
21.12	PBIS Rewards Voyage Training (New 2026-27)	Provide staff training in PBIS Rewards Voyage, a digital platform that supports the implementation of Positive Behavioral Interventions and Supports (PBIS). The training will help staff consistently teach schoolwide behavior expectations, track behavioral data, recognize positive student behavior, and implement targeted interventions for students requiring additional behavioral support. (Metrics 21.1 - 21.5)	$3,300.00	No
21.13	Equity Book Audit (New 2026-27)	Teachers will conduct an equity-focused classroom library audit to evaluate current reading materials and ensure access to culturally responsive and leveled texts that support English Learners and diverse student populations. Funding will support teacher release time for reviewing classroom libraries, identifying gaps in representation and reading levels, and selecting texts that support literacy development and language acquisition. Each class will be allocated 1,000 to specifically create and replenish their classroom libraries. (Metric 21.3)	$33,600.00	No

Action #	Title	Description	Total Funds	Contributing
21.14	Newsletter communication subscription (New 2026-27)	Yearly subscription to the S'More multilingual newsletter platform. The platform provides translation in over 100 languages to ensure school communication is accessible to families of English Learners. The newsletter will communicate academic expectations, literacy and math strategies families can support at home, attendance expectations, behavioral supports, and information about student services. (Metric 21.3)	$180.00	No

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2026-27]

The Budgeted Expenditures for Actions identified as Contributing may be found in the Contributing Actions Table.

Required Descriptions

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.1	**Action:** COUNSELING, COLLEGE, AND CAREER READINESS - Improve Career and Technical Education (CTE) Pathways and Programs **Need:** Ensure that a greater number of students graduate with Career and Technical Education	Provide CTE pathways and programs with rigorous coursework to prepare students for post-secondary education and careers through aligned pathway experiences that provide work-based learning opportunities. Improvement efforts will include the implementation of Linked Learning at high schools with a focus on the implementation	CTE Completer %, College/Career Prepared Rate

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	(CTE) skills. The district's baseline data indicates achievement gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, Student Advisory Council. **Scope:** LEA-wide	integrated projects aligned to cross-curricular standards within CTE pathways.	
1.2	**Action:** COUNSELING, COLLEGE, AND CAREER READINESS - Provide Academic and Career Counseling **Need:** On-Track Graduation Status, On-Track A-G Status, College/Career Prepared Rate, Graduation Rate, A-G Rate, and A-G and CTE Completer Combined Rate are some of the intended impacted areas of this action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee, Community Advisory Committee, Student Advisory Council. **Scope:** LEA-wide	Provide college and career exploration, inclusive of all college segments (Community College, CSU, UC, and Private universities) and utilizing the California College Guidance Initiative (CCGI) lessons. Staff are continuing to collaborate with the technology department to develop an electronic student-facing four-year plan. This tool will be interactive and provide students and families the opportunity to see their course plan and co-construct goals with their academic counselor. Youth Development College Mentors are specifically targeting efforts for at-risk student populations and providing supplemental supports with the college application and financial aid (e.g. FAFSA) application processes.	On-Track Graduation Status, On-Track A-G Status, College/Career Prepared Rate, Graduation Rate, A-G Rate, and A-G and CTE Completer Combined Rate

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.3	**Action:** COUNSELING, COLLEGE, AND CAREER READINESS – Provide Supplemental / Enrichment College and Career Supports **Need:** On-Track Graduation Status, On-Track A-G Status, College/Career Prepared Rate, Graduation Rate, A-G Rate, and A-G and CTE Completer Combined Rate are some of the intended impacted areas of this action. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee, Community Advisory Committee. **Scope:** LEA-wide	Provide additional counseling supports, including at-risk conferencing, campus visits, college and career awareness activities, summer school registration, college matriculation support, and scholarship assistance. Collaboration with the Urban College Action Network (U-CAN) is focusing efforts on Black/African American students across all high schools to address credit recovery needs.	On-Track Graduation Status, On-Track A-G Status, College/Career Prepared Rate, Graduation Rate, A-G Rate, and A-G and CTE Completer Combined Rate
1.4	**Action:** COUNSELING, COLLEGE, AND CAREER READINESS - Central Support for Aligned Master Scheduling **Need:** Increase percentage of students graduating from high school college and career ready. The district's baseline data indicates achievement gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP	Coordinate districtwide master scheduling and direct support to school sites to determine appropriate staffing needs, eliminate unnecessary course titles that lead to tracking, support pre-registration, support with building the infrastructure to provide in-classroom academic interventions, and maximize overall scheduling efficiency. Coordinate professional learning related to master scheduling policies and procedures for site instructional leaders and counselors.	On-Track Graduation Status, On-Track A-G Status, College/Career Prepared Rate, Graduation Rate, A-G Rate, and A-G and CTE Completer Combined Rate

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Parent Advisory Committee, Community Advisory Committee. **Scope:** LEA-wide		
1.5	**Action:** COUNSELING, COLLEGE, AND CAREER READINESS - Accelerate Progress Toward Graduation Through Credit Recovery **Need:** Increase percentage of students graduating from high school college and career ready. The district's baseline data indicates achievement gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, Student Advisory Council. **Scope:** LEA-wide	Provide students who are off-track for graduation access and support to program options that accelerate their progress toward on-track status. Programs include targeted access at individual high school sites as well as the central Sacramento Accelerated Academy (SAA) credit recovery site. Housed within the district's enrollment center, SAA provides students with assistance from teachers both on-site and remotely to complete coursework. Staff have and will continue to collaborate with Homeless Youth Services, Foster Youth Services, and staff supporting English Learners to monitor progress and prioritize these student groups in providing credit recovery options.	On-Track Graduation Status, On-Track A-G Status, Graduation Rate, A-G Rate
1.8	**Action:** INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - Eliminate Financial Barriers for College Pathways **Need:**	Provide students access to Advanced Placement (AP), International Baccalaureate (IB), and SAT Suite of Assessments, removing financial barriers for participation.	Graduation Rate, College/Career Prepared Rate

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Increase the percent of students who graduate college and career ready. **Scope:** LEA-wide		
2.9	**Action:** INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - School Site Council-determined, SPSA-based actions to improve English Language Arts and Mathematics results **Need:** Increase the percent of students making progress in ELA and Math. The district's baseline data indicates achievement gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, Student Advisory Council. **Scope:** LEA-wide	School Site Council-determined, SPSA-based actions to improve English Language Arts and Mathematics results, especially the performance of Socioeconomically Disadvantaged, English Learner and Foster Youth. Specific actions are identified in each school's SPSA and approved by each school site council. These actions are then reviewed for alignment with the LCAP to ensure they address the needs of Unduplicated Pupils by each site's Instructional Assistant Superintendent and the District State and Federal Programs Department.	TK-6 ELA Grades of 3 or Higher, TK-6 Math Grades of 3 or Higher, 7-12 ELA Grades of C or Higher, 7-12 Math Grades of C or Higher, i-Ready Reading Spring Annual Typical Growth Results, i-Ready Math Spring Annual Typical Growth Results, SBAC ELA Distance From Met, SBAC Math Distance From Met, Reclassification Rate, English Learner Progress
2.14	**Action:** HUMAN RESOURCES - Base and Supplemental Staffing in Support of Core Curriculum (Modified 2025-26) **Need:**	Provide certificated and classified staffing at a level sufficient to provide the core curriculum to all students. This action also provide additionals staffing to high-needs sites where the percentage of students who are English Learner, Foster Youth, and/or Low Income comprise more than 55% of the student enrollment. Funds are used to	TK-6 ELA Grades of 3 or Higher, TK-6 Math Grades of 3 or Higher, 7-12 ELA Grades of C or Higher, 7-12 Math Grades of C or Higher, i-Ready Reading Spring Annual Typical

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Improve percent of teachers with full credentials and literacy results across the district. **Scope:** LEA-wide	maintain higher staffing levels for these schools to ensure lower class sizes and increase academic engagement and targeted intervention services. Additionally, provide Supplemental and Concentration funding for Reading Intervention Teachers Specialists at all school sites.	Growth Results, i-Ready Math Spring Annual Typical Growth Results, SBAC ELA Distance From Met, SBAC Math Distance From Met,
2.16	**Action:** CURRICULUM AND INSTRUCTION - Design & Implement a Multi-year Professional Learning Plan for Literacy & Numeracy (Modified 2025-26) **Need:** Increase State Standards Survey Results and the percent of students making progress in ELA and Math. The district's baseline data indicates achievement gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee. **Scope:** LEA-wide	Design and coordinate a comprehensive, multi-year Professional Learning Plan for classified, certificated and management staff anchored in the district's commitment High Quality Instruction and focused on the District's Academic Literacy & Numeracy Priorities: Foundational Reading Skills, Integrated ELD Across Disciplines and Mathematical Number Sense. This action includes coordinating and delivering professional learning and site-based, ongoing support to implement the California English Language Arts Standards and Mathematical Content and Practice Standards.	State Standards Survey Results, TK-6 ELA Grades of 3 or Higher, TK-6 Math Grades of 3 or Higher, 7-12 ELA Grades of C or Higher, 7-12 Math Grades of C or Higher, i-Ready Reading Spring Annual Typical Growth Results, i-Ready Math Spring Annual Typical Growth Results, SBAC ELA Distance From Met, SBAC Math Distance From Met, Reclassification Rate, English Learner Progress
2.22	**Action:** LCAP Office - Evaluation, Assessment, and Data Literacy Support (Modified 2025-26) **Need:**	District leadership will use data to identify where schools are identifying low student achievement to focus the goals of school single plans for student achievement. Deepen data literacy across the district, including integrating the goals and actions within the LCAP and school SPSAs.	TK-6 ELA Grades of 3 or Higher, TK-6 Math Grades of 3 or Higher, 7-12 ELA Grades of C or Higher, 7-12 Math Grades of C or Higher, i-Ready Reading

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	TK-6 ELA Grades of 3 or Higher, TK-6 Math Grades of 3 or Higher, 7-12 ELA Grades of C or Higher, 7-12 Math Grades of C or Higher, i-Ready Reading Spring Scale Scores, i-Ready Math Spring Scale Scores, SBAC ELA Distance From Met, SBAC Math Distance From Met, Reclassification Rate.The district's academic baseline data indicates achievement gaps across the district, which indicates the need for this supporting action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee. **Scope:** LEA-wide		Spring Annual Typical Growth Results, i-Ready Math Spring Annual Typical Growth Results, SBAC ELA Distance From Met, SBAC Math Distance From Met, Reclassification Rate, English Learner Progress
3.2	**Action:** STUDENT SUPPORT AND HEALTH SERVICES - Provide Student Support Services (including use of LREBG funds) (Modified 2026-27) **Need:** Improve students' perception regarding their belongingness and connectedness to their school community. The district's baseline data indicates social and emotional outcome gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following	Provide targeted services that address a wide range of needs: social emotional, health, mental health, behavioral, attendance, and basic needs that can impact student outcomes through site-based Student Support Centers and the centralized Connect Center. Services are developed to be culturally-responsive and prioritize the needs of unduplicated student groups.	Student Connectedness Perception

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	educational partner(s): Community Advisory Committee. **Scope:** LEA-wide		
3.4	**Action:** STUDENT SUPPORT AND HEALTH SERVICES - School Nurses and Immunization Clinic **Need:** Reduce students' rates of chronic absenteeism and increase students' rates of attendance. The district's baseline data indicates social and emotional outcome gaps across the district, which indicates the need for this action district-wide. **Scope:** LEA-wide	Unvaccinated students cannot attend school thus missing important instruction and increasing absenteeism. Providing necessary immunizations for unduplicated students with no health insurance or medical home removes the barrier of being excluded from attending school and increases students attendance rates. Increased access to school nurses also supports their health and wellness and promotes school engagement. Student illnesses are identified early and nurses connect students and families with medical resources.	Chronic Absenteeism, Attendance Rate
3.14	**Action:** STATE AND FEDERAL - Family and Community Empowerment (FACE) **Need:** Improve families' perception regarding their belongingness and connectedness to their school community. The district's baseline data indicates social and emotional outcome gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations	Provide a range of capacity-building opportunities to families and guardians specifically designed to support the families of unduplicated students, including District Parent Resource Center, Parent Empowerment Pathway (PEP) Program, and Parent Information Exchange (PIE). The PEP engages parents/caregivers in a full schedule of workshops. Parents and guardians build their skills in supporting their child's education and their capacity to take on leadership roles at the site and district levels. Other capacity-building topics include Infinite Campus-Parent Portal, ELPAC	Family Connectedness Perception

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee. **Scope:** LEA-wide	Parent Workshops, and School Site Council training and support, and constituent services. The PIE is a quarterly meeting that brings together key representatives from school parent groups, district staff, community organizations, city and county agencies, and business partners to discuss their programs and services for families.	
3.15	**Action:** STATE AND FEDERAL - Parent Teacher Home Visits (Modified 2026-27) **Need:** Improve families' perception regarding their belongingness and connectedness to their school community. The district's baseline data indicates social and emotional outcome gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee. **Scope:** LEA-wide	The PTHV program facilitates home visit experiences that engage families, educators, and students as a team. Protocols help educators and families to build trust, communication, and common goals. PTHV services have expanded and will continue to include access to online visits implemented during the COVID pandemic in addition to in-person home visits.	Student Suspension Rate, Chronic Absenteeism, Student Connectedness Perception, Family Connectedness Perception
3.18	**Action:** SAFETY - Re-imagine School Safety (Modified 2025-26) **Need:** The student Suspension Rate is one of the intended impacted areas of this action. The	Unduplicated pupils experience barriers to consistent attendance, school connection, communication with staff, and access to supportive services when safety or behavioral concerns arise. The actions carried out by Safe Schools provides trauma-informed, relationship-centered, and restorative supports to address the underlying	Suspension Rate, Expulsion Rate, Middle School Dropout Rate, High School Dropout Rate, Family Safety Perception

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	district's baseline data indicates social and emotional outcome gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee. **Scope:** LEA-wide	causation factors rather than relying on exclusionary discipline. By using structured services like conflict mediation, case management, brief intervention model, the process stays consistent to a designed process. Other services that are relationship-based, like family engagement, create accessibility to formal systems, creating a bridge for students and families to build trust with school staff. Referrals to community-based and grassroots organizations allow schools to extend care into the wider ecosystem that influence the wellbeing of students. Overall, this comprehensive approach contains specific services intended to strengthen students' connection to school, promote positive behavior, reduce suspensions and expulsions, and support improved attendance, engagement and graduation outcomes. Providing these services on a LEA-wide basis allows the district to coordinate safety, prevention, intervention, and community-based resources efficiently, establish consistent practices across schools, and direct specialized support to students and sites with the greatest identified need. Safety concerns, disproportionality in discipline, and barriers to access to support can occur across all school sites and student groups. By using a districtwide approach, we use a targeted data-informed strategy, ensuring that unduplicated students have access to these services and supports regardless of the school they attend. It also allows us to address equity concerns associated with the school-to-prison pipeline,	

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		which disproportionately impacts Black and Brown Students.	
3.21	**Action:** INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - School Site Council-Determined, SPSA-Based School Climate Actions **Need:** Reduce students' rates of chronic absenteeism, increase students' rates of attendance, and reduce the percent of students suspended. The district's baseline data indicates social and emotional outcome gaps across the district, which indicates the need for this action district-wide. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee. **Scope:** LEA-wide	Supplemental and Concentration Grant funding allocated to school sites based on their number of low-income students and English Learners to implement actions/strategies in their School Plan for Student Achievement (SPSA) to improve student group low performance (Red and Orange ratings) in Chronic Absenteeism and Suspensions as indicated on the California Dashboard. Specific actions are identified in each school's SPSA and approved by each school site council. These actions are then reviewed for alignment with the LCAP to ensure they address the needs of Unduplicated Pupils by each site's Instructional Assistant Superintendent and the District State and Federal Programs Department.	Chronic Absenteeism, Attendance Rate, Suspension Rate
3.23	**Action:** CURRICULUM AND INSTRUCTION - Improve District and School Culture & Climate through Anti-Bias, Anti-Racist, Trauma-Informed Practices (Modified 2025-26) **Need:** Staff Safety Perception is one of the intended impacted areas of this action. The district's	Professional learning for all staff includes building internal training capability; structured, ongoing professional learning sessions; job-embedded coaching; and collaborative learning and improvement opportunities. District and Site Leadership Teams will analyze summative and progress monitoring Culture & Climate data to inform decision making and resource allocation.	Staff Safety Perception

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	baseline data indicates social and emotional outcome gaps across the district, which indicates the need for this action district-wide. **Scope:** LEA-wide		

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
1.6	**Action:** CURRICULUM AND INSTRUCTION - Pathways to Multiliteracy (Modified 2025-26) **Need:** Increase the percent of English Learner students who graduate. **Scope:** Limited to Unduplicated Student Group(s)	Provide the Avant and ALTA World Language Placement Exam to eligible incoming 9th grade students (who speak a language other than English at home) in order to ensure appropriate placement. The exam will also be offered to newly enrolled high school students who completed 6th grade in a country whose instruction was in a language other than English to waive the state and district world language graduation requirement.	Graduation rate, college/career prepared rate
2.4	**Action:** MULTILINGUAL EDUCATION - Professional Learning specific to instruction for English Learners (Modified 2025-26) **Need:**	The professional learning provided is designed to strengthen the capacity of educators to meet the unique academic and language-development needs of unduplicated pupils, particularly English Learners. Training focused on the implementation of Designated and Integrated English Language Development (ELD), foundational literacy skills,	English Learner Progress Indicator, Reclassification Rate

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
	Increase the percent of English Learner students progressing in English Language Development. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee. **Scope:** Limited to Unduplicated Student Group(s)	and the use of cycles of improvement to inform coaching and instructional practices. Professional learning also supported the implementation of academic conferences, which provide opportunities for educators to monitor student progress, identify areas of need, and develop targeted supports for English Learners. In addition, the evaluation of EL services helps ensure that programs and instructional practices are effectively meeting the language and academic needs of students. These actions are provided on an LEA-wide basis because English Learners are enrolled across schools and grade levels, and consistent implementation of effective ELD practices is necessary to ensure equitable access to rigorous instruction and language-development opportunities. Providing professional learning across the LEA establishes a common understanding and consistent expectations for Designated and Integrated ELD, strengthens educator capacity, and supports continuous improvement in services for unduplicated pupils regardless of the school they attend.	
2.5	**Action:** MULTILINGUAL EDUCATION - Implement English Learner Master Plan (Modified 2026-27) **Need:** Increase the percent of English Learner students progressing in English Language Development and improve the English Learner Reclassification Rate. The activities in this action are consistent with recommendations	This action will support the successful implementation of revisions to the English Learner (EL) Master Plan and ensure that multilingual learners, including English Learners, receive consistent, equitable, and effective language-development and academic supports across the district. Collaboration with school sites will provide opportunities to communicate and clarify the implications of the revised plan, identify site-specific needs and implementation considerations, and provide guidance, resources, and ongoing	English Learner Progress, English Learner Reclassification Rate

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
	and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee, Student Advisory Council. **Scope:** Limited to Unduplicated Student Group(s)	support to staff as they align practices with the updated expectations. The action will also support schools in translating the EL Master Plan into effective site-level practices, including the identification and implementation of appropriate Designated and Integrated ELD services, progress monitoring, family engagement, and other supports identified in the plan. By working collaboratively with school sites, the district can identify implementation gaps, address barriers, and provide targeted assistance to ensure that services for multilingual learners are implemented with fidelity. This action is provided on a district-wide basis because the EL Master Plan establishes a common framework for serving multilingual learners throughout the district. A consistent district-wide approach ensures that students have equitable access to high-quality language-development services and supports regardless of the school they attend. At the same time, collaboration with individual school sites allows implementation support to be responsive to the unique needs, student populations, and circumstances of each school. This combination of district-wide guidance and site-level collaboration will promote consistent implementation, continuous improvement, and improved outcomes for unduplicated pupils.	
2.6	**Action:** MULTILINGUAL EDUCATION - Intervention and Supports specific to English Learners (Modified 2026-27) **Need:**	The district will provide targeted tutoring and intervention services, including in-person, online, and technology-based programs, to support English Learner, migrant, and long-term English Learner students, with priority given to secondary newcomer students.	English Learner progress and English Learner Reclassification Rate

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
	Increase English Learner progress in ELD and improve the English Learner Reclassification Rate **Scope:** Limited to Unduplicated Student Group(s)		
2.12	**Action:** INSTRUCTIONAL ASSISTANT SUPERINTENDENTS - English Language Development (Modified 2025-26) **Need:** Increase the percent of students making progress in English Language Development. The activities in this action are consistent with recommendations and feedback received from the following educational partner(s): LCAP Parent Advisory Committee, District English Learner Advisory Committee. **Scope:** Limited to Unduplicated Student Group(s)	School Site Council-determined, SPSA-based actions to improve English Language Development performance and progress. Specific actions are identified in each school's SPSA and approved by each school site council. These actions are then reviewed for alignment with the LCAP to ensure they address the needs of Unduplicated Pupils by each site's Instructional Assistant Superintendent and the District State and Federal Programs Department.	English Learner Progress Indicator, Reclassification Rate
3.1	**Action:** STUDENT SUPPORT AND HEALTH SERVICES - Services and Support for Foster Youth **Need:** Improve student perception regarding their belongingness and connectedness to their school community **Scope:**	Foster Youth Services (FYS) staff provide an array of supports for Foster Youth and families through a case management model. Support includes regular check-ins in students, connection to academic supports including tutoring, monitoring of attendance/engagement, referral to social, emotional, and other health services, and empowerment of student voice. The activities in this action are consistent with recommendations and feedback received from the following	Student Connectedness Perception

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
	Limited to Unduplicated Student Group(s)	educational partner(s): LCAP Parent Advisory Committee.	

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

N/A

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

In SCUSD, 14 schools have an Unduplicated Pupil Percentage (UPP) equal to or below 55%, and 54 schools have an Unduplicated Pupil Percentage (UPP) above 55% as of spring 2025, excluding charter schools. The additional concentration grant add-on funding will be used to provide additional staffing support to high-needs schools (those with Unduplicated Pupil Percentages above 55%). The funds will primarily be used to provide Reading Intervention Teachers across the district to improve literacy results, additional certificated staffing (salaries/benefits), including maintenance of positions and additional staffing support as needs are identified. These funds have been aligned to LCAP Action 2.14 and are reflected in the projected expenditures for that action.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students	1 to 58.8	1 to 38.2
Staff-to-student ratio of certificated staff providing direct services to students	1 to 20.1	1 to 16.7

Local Control and Accountability Plan Instructions

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California Education Code [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.

- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.

- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:

    - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).

    - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).

        - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (EC Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (EC sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in EC sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023 and Senate Bill 153, Chapter 38, Statues of 2024.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

> Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- LEAs may also provide information about their strategic plan, vision, etc.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

EC Section 52064.4 requires that an LEA that has unexpended Learning Recovery Emergency Block Grant (LREBG) funds must include one or more actions funded with LREBG funds within the 2026-27, 2026-27 and 2027-28 LCAPs, as applicable to the LEA. To implement the requirements of *EC* Section 52064.4, all LEAs must do the following:

- For the 2025–26, 2026–27, and 2027–28 LCAP years, identify whether or not the LEA has unexpended LREBG funds for the applicable LCAP year.
    - If the LEA has unexpended LREBG funds the LEA must provide the following:
        - The goal and action number for each action that will be funded, either in whole or in part, with LREBG funds; and
        - An explanation of the rationale for selecting each action funded with LREBG funds. This explanation must include:
            - An explanation of how the action is aligned with the allowable uses of funds identified in *EC* Section 32526(c)(2); and
            - An explanation of how the action is expected to address the area(s) of need of students and schools identified in the needs assessment required by *EC* Section 32526(d).
                - For information related to the allowable uses of funds and the required needs assessment, please see the Program Information tab on the LREBG Program Information web page.
            - Actions may be grouped together for purposes of these explanations.
            - The LEA may provide these explanations as part of the action description rather than as part of the Reflections: Annual Performance.
    - If the LEA does not have unexpended LREBG funds, the LEA is not required to conduct the needs assessment required by *EC* Section 32526(d), to provide the information identified above or to include actions funded with LREBG funds within the 2026-27, 2026-27 and 2027-28 LCAPs.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement
An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

Requirements

School districts and COEs: *EC* Section 52060(g) and *EC* Section 52066(g) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section 47606.5(d) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the CDE's LCAP webpage.

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see *Education Code* Section 52062;
    - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).
- For COEs, see *Education Code* Section 52068; and

- For charter schools, see *Education Code* Section 47606.5.
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.

- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.

- For the purposes of this prompt, this may also include, but is not necessarily limited to:
    - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
    - Inclusion of metrics other than the statutorily required metrics
    - Determination of the target outcome on one or more metrics
    - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
    - Inclusion of action(s) or a group of actions
    - Elimination of action(s) or group of actions
    - Changes to the level of proposed expenditures for one or more actions
    - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
    - Analysis of effectiveness of the specific actions to achieve the goal
    - Analysis of material differences in expenditures
    - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
    - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
    - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The *LCFF State Priorities Summary* provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)

Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

(A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and

(B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.

- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
    - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,

- The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
  - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: *EC* Section 42238.024(b)(1) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal

Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.

- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.

- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.

    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

- **Required metrics for Equity Multiplier goals**: For each Equity Multiplier goal, the LEA must identify:

    - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or

    - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

- **Required metrics for actions supported by LREBG funds**: To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include at least one metric to monitor the impact of each action funded with LREBG funds included in the goal.

- The metrics being used to monitor the impact of each action funded with LREBG funds are not required to be new metrics; they may be metrics that are already being used to measure progress towards goals and actions included in the LCAP.

Complete the table as follows:

Metric #

- Enter the metric number.

Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

Baseline

- Enter the baseline when completing the LCAP for 2024–25.
  - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
  - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
  - Indicate the school year to which the baseline data applies.
  - The baseline data must remain unchanged throughout the three-year LCAP.
    - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.
    - If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
    - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
    - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the "**Measuring and Reporting Results**" part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2025–26**. Leave blank until then.	Enter information in this box when completing the LCAP for **2026–27**. Leave blank until then.	Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2025–26** and **2026–27**. Leave blank until then.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. "Effective" means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as "Not Applicable."

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
    - Include a discussion of relevant challenges and successes experienced with the implementation process.
    - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
    - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
    - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
    - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
    - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
        - The reasons for the ineffectiveness, and
        - How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.
    - For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
    - As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
    - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496 in the Increased or Improved Services section of the LCAP.

***Actions for Foster Youth*:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

For English Learners and Long-Term English Learners

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
    - Language acquisition programs, as defined in *EC* Section 306, provided to students, and

- Professional development for teachers.
- If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.

For Technical Assistance

- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

For Lowest Performing Dashboard Indicators

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
  - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
  - These required actions will be effective for the three-year LCAP cycle.

For LEAs With Unexpended LREBG Funds

- To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include one or more actions supported with LREBG funds within the 2025–26, 2026–27, and 2027–28 LCAPs, as applicable to the LEA. Actions funded with LREBG funds must remain in the LCAP until the LEA has expended the remainder of its LREBG funds, after which time the actions may be removed from the LCAP.
  - Prior to identifying the actions included in the LCAP the LEA is required to conduct a needs assessment pursuant to *EC* Section 32526(d). For information related to the required needs assessment please see the Program Information tab on the LREBG Program Information web page. Additional information about the needs assessment and evidence-based resources for the LREBG may be found on the California Statewide System of Support LREBG Resources web page. The required LREBG needs assessment may be part of the LEAs regular needs assessment for the LCAP if it meets the requirements of *EC* Section 32526(d).
  - School districts receiving technical assistance and COEs providing technical assistance are encouraged to use the technical assistance process to support the school district in conducting the required needs assessment, the selection of actions funded by the LREBG and/or the evaluation of implementation of the actions required as part of the LCAP annual update process.
  - As a reminder, LREBG funds must be used to implement one or more of the purposes articulated in *EC* Section 32526(c)(2).

- LEAs with unexpended LREBG funds must include one or more actions supported by LREBG funds within the LCAP. For each action supported by LREBG funding the action description must:
    - Identify the action as an LREBG action;
    - Include an explanation of how research supports the selected action;
    - Identify the metric(s) being used to monitor the impact of the action; and
    - Identify the amount of LREBG funds being used to support the action.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the "minimum proportionality percentage" or "MPP." The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero ($0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.

- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
    - The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
    - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)

- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year**: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

  See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 *CCR* Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***

- **Goal #**: Enter the LCAP Goal number for the action.
- **Action #**: Enter the action's number as indicated in the LCAP Goal.
- **Action Title**: Provide a title of the action.
- **Student Group(s)**: Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
    - **Scope**: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
    - **Unduplicated Student Group(s)**: Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
    - **Location**: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel**: Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- **LCFF Funds**: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
    - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.
    - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds**: Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds**: Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds**: This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services**: For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.
    - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

      For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would

divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures**: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions**: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
    - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been $169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of $169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant**: Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
    - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
    - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**
    - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater

than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
    - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
    - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
    - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
    - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
    - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
    - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
    - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**
    - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.

- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
    - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
    - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

      The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
    - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

Ms. Tara Jeane, President
Sacramento City Unified School District Board of Education
5735 47th Avenue
Sacramento, CA 95824

Dear President Jeane:

In accordance with California Education Code (EC) Section 52070, our office has completed its initial review of the 2026–27 Local Control and Accountability Plan (LCAP) submitted by Sacramento City Unified School District (SCUSD).

Pursuant to EC § 52070(d), the County Superintendent shall approve an LCAP if it adheres to the State Board of Education (SBE) template, includes sufficient expenditures to implement planned actions, and complies with expenditure regulations for Supplemental and Concentration grant funding.

Our office requires formal written clarification and/or technical adjustments on the following items prior to plan approval:

Adherence to SBE LCAP Template & Requirements

- Equity Multiplier Focus Goals 4, 6, 14, 16, 20 & 21 must be revised to include updated goal descriptions and required metrics.
- Goal 3, Action 2 (Learning Recovery Emergency Block Grant): Please ensure funds are correctly designated in the Action Tables.
- Required Actions described in tables on pages 12-14 must be updated to reflect certain schools and student groups within indicators.

Alignment with Adopted Budget

- Please reconcile differences from Planned Expenditure Table and SACS Form 01 and LCFF Calculator in the LCFF Base Grant and percent to Increase or Improve services.
- With the 2026-27 year beginning with a negative fund balance, and the planned expenditures exceeding the LCFF and Local funds budgeted to be received, it appears the district is unlikely to be able to fund the actions as described in the LCAP.

Increased or Improved Services

- Specific Actions are not sufficiently justified to indicate the needs of unduplicated students and also do not sufficiently describe how the action(s) are principally directed toward meeting the goals of unduplicated pupils. Please expand the narratives.

The table enclosed outlines in more detail the clarifications highlighted by our LCAP Review team.

Next Steps and Statutory Timeline per EC § 52070(b) - (d)

The District Governing Board must respond in writing to this clarification letter within 15 days of receipt. We ask that you agendize the LCAP revisions and resubmit the updated LCAP for Board adoption at a regularly scheduled meeting no later than September 30, 2026.

Our Fiscal Services and Planning and Improvement teams are available to provide technical assistance to support staff in addressing these items.

Please let me know if you have any questions.

Sincerely,

David W. Gordon
Sacramento County Superintendent of Schools

Link to LCAP Review Matrix emailed to E. Findley July 14, 2026

Please find a list of items requiring clarification below:

Pages	Section / Item Description	Clarification Needed
89, 102, 165, 185, 202, 206	Goals and Actions: Equity Multiplier Focus Goals 4, 6, 14, 16, 20 & 21	In the description of the goal, please include student groups that received the lowest performance level in Science. Please include a metric that reflects the student groups that received the lowest performance level in Science.
12-16	Goals and Actions: Required Actions Table Corrections to the Table identifying Student Groups receiving the Lowest Performance Level on the 2023 Dashboard	Chronic Absenteeism: • Please add Capital City Students with Disabilities, Two or More Races, and White Suspension: • Please add Abraham Lincoln Pacific Islanders and Students with Disabilities • Please add Leataata Floyd Socioeconomically Disadvantaged • Please add Martin Luther King K-8 Socioeconomically Disadvantaged • Please remove Martin Luther King K-8 Students with Disabilities
217 - 228	Increased or Improved Services: Identified Need	Please revise the Identified Need for these actions to be included as an increase or improvement that addresses the needs of unduplicated students: Action 1.7 International Baccalaureate: needs should relate to the identified schools Action 2.15 - Employee Pipelines: The need is to recruit more fully credentialed teachers. Is this need more acute in schools with more unduplicated students? Action 3.19 - Review need: is it to improve recruitment and retention or address socio-emotional outcome differences? Action 3.22 - Facilities Maintenance: are unduplicated students disproportionately affected by sites with lower facilities ratings?

Pages	Section / Item Description	Clarification Needed
219 - 228	Increased or Improved Services: How the Action(s) Address Needs	Please consider strengthening the explanation of how these actions are designed to address the unique needs of unduplicated students: Actions 2.10 and 2.13 - Both discuss intervention. 2.10 is the data based decision making and 2.13 is an action. Who is providing the intervention? How are the UPP prioritized? Action 2.19 - The narrative has a sentence fragment (grades 2 - ? at the end). If the COGAT is a universal screening, how are the needs of UPP prioritized? Actions 3.2, 3.4, 3.11 - Expand narrative to include how UPP prioritized by these services. Actions 3.14 - Parent education - which parents are prioritized with the workshops and meetings? Actions 3.16 and 3.18 - Which students or schools are prioritized for anti-bullying programs and safety? Action 3.22 - Does not describe how action will address needs of unduplicated students Actions 2.9 and 3.21 - How is the district ensuring that the SPSA-related actions are selected in accordance with LCAP requirements?
230 - 232	Increased or Improved Services / Limited Actions How the Action(s) Address Needs	Please consider strengthening the explanation of how these actions are designed to address the unique needs of the unduplicated students being served: Action 2.3 - Action is about training for parents, but description of how it addresses needs speaks about ELD training specialists Actions 2.4, 2.5, & 2.12 - Descriptions do not address "How action is designed to address need." Action 2.12 – How is the district ensuring that the SPSA-related actions are selected in accordance with LCAP requirements?

Pages	Section / Item Description	Clarification Needed
235	Total Planned Expenditures Table (Heading)	Differences from Planned Expenditure Table and SACS Form 01 and LCFF Calculator in LCFF Base Grant, % to Increase or Improve services **Total Projected LCFF Base Grant** shows 404,210,077, FCMAT LCFF Calculator shows 404,318,413. **Projected Percentage** shows 22.857%, Calculator shows 21.05%. **Total LCFF Funds** in actions exceed budget. Planned Expenditures show 506,517,317 and SACS Form 01 LCFF shows 496,600,640. **Total Local Funds** in actions exceed budget. Planned expenditures show 26,764,751 and SACS Form 01 Local Revenues show 13,387,417.
79, 239, 258	Learning Recovery Emergency Block Grant (LREBG) Action Total Planned Expenditures Table Contributing Actions Table	Action 3.2 LREBG Action needs to be updated so that LREBG $ are reported in Other state funds, remaining can come from LCFF. If all $ are from LREBG funds, then action must be marked NO for Contributing. LCFF amount of $10,599,858 likely includes LREBG of $7.95M, and would decrease the total spent toward Contributing Actions by that amount.
N/A	Sufficient Expenditures in Budget to Implement LCAP	Concerns about the ability to implement the LCAP as presented. With the 2026-27 year beginning with a negative fund balance, and the planned expenditures exceeding the LCFF and Local funds budgeted to be received in the 2026-27 year, unlikely to be able to fund the actions as described in the LCAP.

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

Agenda Item# 11.2

Meeting Date: September 17, 2026

Subject: **Approve Resolution No. 3605 Re: Geographic Usage Restrictions for RDA Pass-Troughs to District per AB 1290**

- ☐ Information Item Only
- ☐ Approval on Consent Agenda
- ☐ Conference (for discussion only)
- ☐ Conference/First Reading (Action Anticipated: _____)
- ☐ Conference/Action
- ☒ Action
- ☐ Public Hearing

Division: Business Services

Recommendation: It is recommended that the Board approve Resolution No. 3605 Re: Geographic Usage Restrictions for RDA Pass-Throughs to District per AB 1290

Background/Rationale: This is the first of two resolutions needed to utilize restricted "Facilities Pass-Throughs" from former redevelopment agencies (RDAs) to reimburse the unrestricted General Fund for expenditures for the Restricted Maintenance Account (RMA).

Former RDAs were dissolved on February 1, 2012 pursuant to the provisions of ABX1 26 (RDA Dissolution Law). However, per the District's redevelopment consultant, Public Economics, Inc. (PEI), District is entitled to continue to receive Facilities Pass-Throughs from the County Auditor-Controller (A-C) for 15 redevelopment project areas (Project Areas) in increasing annual amounts for FY 2026-27 and a projected 10 to 14 future years thereafter through FYs 2035-36 to 2039-40.

These include, in addition to contractual (Agreement) Pass-Throughs for two Project Areas, statutory Pass-Throughs per AB 1290 (AB 1290 Pass-Throughs) from 13 Project Areas of the former RDAs of the County of Sacramento and City of Sacramento, 56.7% (Facilities Share) of which are functionally restricted to educational facilities (Object 8625), including facilities funded, directly or indirectly, from the Restricted Maintenance Account. (43.3% of AB 1290 Pass-Throughs (Object 8047) are unrestricted but reported to the State for offset against State Aid.)

The Facilities Share of AB 1290 Pass-Throughs (Object 8625) is also geographically restricted based on Health and Safety Code (HSC) Section 33607.5(a)(5), which requires certain determinations by the District's Board of Trustees in order to be used for educational facilities located outside the 13 Project Areas of the former Sacramento County and City RDAs.

PEI has advised that geographic usage restrictions in HSC Section 33607.5(a)(5) may be satisfied by a determination by the Board that the Facilities Share of AB 1290 Pass-Throughs for a given Project Area of a former RDA are "of benefit to the Project" even if used for educational facilities outside the given Project Area. Because District has had a comprehensive facilities master plan (currently being updated), such a determination may be made on a one-time basis so that the future Facilities Share from each of the 13 Project Areas may be used for educational facilities located anywhere within District, as set forth in Resolution 3605, which also ratifies use of the Facilities Share of past AB 1290 Pass-Throughs to be in compliance with HSC Section 33607.5(a)(5). Based on this Resolution 3605, in combination with a forthcoming RMA Funding Resolution, District will also be able to use the Facilities Share of AB 1290 Pass-Throughs to reimburse the unrestricted General Fund for RMA expenditures anywhere within District.

Financial Considerations: Of total Object 8625 Pass-Throughs of $4.262 M District received in FY 2025-26, $0.509 M (preliminary estimate) was received pursuant to two Agreement Pass-Throughs (100% Object 8625), leaving $3.753 M (preliminary estimate) as the 56.7% Facilities Share of AB 1290 Pass-Throughs subject to this Resolution 3605. (Final determination of Agreement Pass-Throughs and the Facilities Share of AB 1290 Pass-Throughs for FY 2025-26 and prior years back to FY 2018-19, and rigorous projections of increasing future Facilities Pass-Throughs from both Agreements and from AB 1290 Pass-Throughs, are part of Phase 2 of PEI's Scope of Work). LCAP Goal(s):

LCAP Goals: Goal 1 – Graduation Outcomes; Goal 2 – Academic Outcomes; Goal 3 – Welcoming and Safety Outcomes

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

RESOLUTION No. 3605

Regarding Geographic Usage Restrictions

Applicable to RDA Pass-Throughs to District per AB 1290

WHEREAS, former redevelopment agencies ("RDAs") were dissolved on February 1, 2012 pursuant to the provisions of ABX1 26 and subsequent clean-up legislation ("RDA Dissolution Law" or "RDL") and replaced by corresponding successor agencies ("SAs") charged with the wind-down of former RDA activities; and

WHEREAS, notwithstanding the dissolution of RDAs, the RDL requires that pass-through payments ("Pass-Throughs") previously owed from redevelopment project areas ("Project Areas") of the former RDAs continue to be paid to affected taxing entities ("ATEs") by the County Auditor-Controller ("A-C") from the Redevelopment Property Tax Trust Funds ("RPTTFs") of the corresponding SAs, until the SAs themselves terminate pursuant to the RDL; and

WHEREAS, prior to the RDL, as shown in Exhibit A, the former RDAs of the County of Sacramento, the City of Sacramento, and the City of Rancho Cordova adopted and/or amended redevelopment plans for 16 Project Areas in a manner that required annual (i) contractual ("Agreement") Pass-Throughs to District pursuant to former Health and Safety Code ("HSC") 33401 for two Project Areas; and (ii) statutory Pass-Throughs to District and other ATEs per AB 1290 ("AB 1290 Pass-Throughs") pursuant to HSC Sections 33607.5 and/or 33607.7 for 14 Project Areas, including one Project Area of the former County RDA, one Project Area of the former County and Sacramento City RDAs acting jointly, 11 Project Areas of the former Sacramento City RDA, and one Project Area of the former Rancho Cordova RDA; and

WHEREAS, as also shown in Exhibit A, subsequent to the RDL, the SA to the former Rancho Cordova RDA was itself dissolved, ending the corresponding RPTTF and AB 1290 Pass-Throughs and leaving 13 Project Areas that continue to generate AB 1290 Pass-Throughs to District; and

WHEREAS, as also shown in Exhibit A, pursuant to the RDL, AB 1290 Pass-Throughs from the 13 Project Areas are projected to continue from FY 2026-27 for (i) 12 to 14 future years for the one Project Area of the former County RDA; (ii) 10 to 11 future years for the 11 Project Areas of the former Sacramento City RDA; and (iii) 10 to 14 future years (TBD) for the one joint County/City Project Area; and

WHEREAS, pursuant to HSC Section 33607.5(a)(4)(A), 43.3 percent ("Taxes Share") of AB 1290 Pass-Throughs to District "shall be considered to be property taxes" and 56.7 percent ("Facilities Share") of AB 1290 Pass-Throughs to District (compared to 100% for Agreement Pass-Throughs) "shall be available to be used for educational facilities, including, land acquisition, facility construction, reconstruction, remodeling, *maintenance*, or deferred maintenance" (*emphasis* added); and

WHEREAS, pursuant to the California School Accounting Manual ("CSAM"), the Facilities Shares of all Pass-Throughs to K-12 Districts shall be posted to District's General Ledger using Object 8625; and

WHEREAS, pursuant to Education Code ("EC") Sections 42238(h)(6), 42238.02(j)(6), and 42238.03(c)(6), District is not required to report as property taxes any amount of Pass-Throughs "received pursuant to Section 33401 or 33676 that is used for land acquisition, facility construction, reconstruction, remodeling, *maintenance*, or deferred maintenance, and that is not [the Facilities Share] received pursuant to . . . *paragraph (4) of subdivision (a) of Section 33607.5, or Section 33607.7*. . ." (*emphasis added*); and

WHEREAS, District is advised that Object 8625 Pass-Throughs are *functionally* restricted (except as may be otherwise be restricted in Pass-Through Agreements) to capital outlay and other facilities costs, including specifically: site acquisition costs; hard costs of new construction, reconstruction, modernization, or deferred maintenance; soft costs (including facilities planning, design and engineering, consultant, legal, and related advocacy costs); costs of fixtures, furnishings, and equipment; related lease, lease purchase, or debt service payments; and/or costs *funded, directly or indirectly, from the restricted maintenance account ("RMA");* and

WHEREAS, District is further advised that Object 8625 Pass-Throughs are also *geographically* restricted (except as may be otherwise be restricted in Pass-Through Agreements) pursuant to HSC Section 33607.5(a)(5), which states that "local education agencies shall spend [the Facilities Share of AB 1290 Pass-Throughs] at schools that are: (A) within the Project area, (B) attended by students from the Project area, (C) attended by students generated by projects that are assisted directly by the redevelopment agency, *or (D) determined by the governing board of a local education agency to be of benefit to the Project area" (emphasis added);* and

WHEREAS, the geographic restrictions in HSC Section 33607.5(a)(5) (i) apply to the Facilities Share of AB 1290 Pass-Throughs to District from *each* of the 13 Project Areas; and (ii) constitute *alternative requirements*, including (D) in the previous recital, i.e., determination by the governing board that *AB 1290 Pass-Throughs from a given Project Area used for school facilities are of benefit to the Project Area*, even in the absence of compliance with (A), (B), or (C) in the previous recital; and

WHEREAS, District's existing educational facilities ("Existing District Sites") serve students and/or residents who live, work, or live and work, throughout District, not just in the 13 Project Areas; and

WHEREAS, in the future District may, lease, acquire, construct, and/or reopen additional educational facilities ("Future District Sites"), which will serve students and/or residents who live, work, or live and work throughout District, not just in the 13 Project Areas; and

WHEREAS, Existing District Sites, plus any Future District Sites, are part of an integrated District master plan for educational facilities (currently being updated), and attendance and/or improvements at Existing District Sites or Future District Sites will impact, directly or indirectly, all students and residents who live, work, or live and work throughout District, not just in the 13 Project Areas; and

WHEREAS, District is advised that geographic restrictions in HSC Section 33607.5(a)(5) apply to educational facilities that are school facilities attended by students, and may also apply to educational facilities that are not attended by students; and

WHEREAS, per the current California Public School Directory, District operates 82 schools attended by students (13 of which are charter schools—15 per District web site) all of which have City of Sacramento ZIP codes: 45 grade K-6 elementary schools; 11 grade TK-8 or K-8 schools; eight grade 7-8 middle schools; 12 comprehensive grade 9-12 high schools (including one continuation high school); three

alternative schools; and two adult schools (one per District website); as well as District Office and other support facilities not attended by students; and

WHEREAS, District wishes to comply with the geographic usage restrictions in HSC Section 33607.5(a)(5) with respect to AB 1290 Pass-Throughs paid to District for the Project Area (i) for all past years and future years, and (ii) for all the educational facilities of District, not just those attended by students.

NOW, THEREFORE BE IT RESOLVED as follows:

Section 1. Recitals. The foregoing recitals are true and correct, and the Board so finds and determines.

Section 2. Pass-Throughs of Benefit to Each Project Area. It is hereby determined that that the Facilities Share of AB 1290 Pass-Throughs District is entitled to receive from each of the 13 Project Areas, which is used to pay the cost of educational facilities as set forth above, is of benefit to each of the 13 Project Areas regardless of the location of the educational facilities, consistent with the requirements of HSC Section 33607.5(a)(5).

Section 3. Permitted Use of Pass-Throughs. It is hereby further determined that that the Facilities Share of AB 1290 Pass-Throughs District is entitled to receive from each of the 13 Project Areas, may to be used to pay the cost of educational facilities, including costs funded from the RMA, at Existing District Sites or Future District Sites located anywhere within District, whether or not attended by students, consistent with the requirements of EC Sections 42238(h)(6), 42238.02(j)(6), and 42238.03(c)(6).

Section 4. Applicability. It is hereby further determined that the preceding determinations are intended to ratify all prior decisions by District regarding use of the Facilities Share of AB 1290 Pass-Throughs as being in compliance with this AB 1290 Compliance Resolution, as well as govern all current and future decisions regarding use of the Facilities Share of AB 1290 Pass-Throughs.

Section 5. Effective Date. It is hereby further determined that this AB 1290 Compliance Resolution shall take effect immediately.

PASSED AND ADOPTED this 17th day of September, 2026.

EXHIBIT A
SCOPE OF WORK
Sacramento City Unified School District
Consulting Services Regarding
Former Redevelopment Agencies
FY 2026-27

BACKGROUND

Redevelopment Agencies ("RDAs") established by Cities and Counties were (i) dissolved by the Legislature on February 1, 2012 pursuant to ABX1 26, AB 1484, SB 107 *et al* ("RDA Dissolution Law" or "RDL" set forth in the Health and Safety Code ("HSC")), which transferred all former RDA assets and obligations to Successor Agencies ("SAs") (typically, the City), which are only authorized to "wind-down" the affairs of the former RDAs. However, the obligation to make so-called "Pass-Throughs" to affected taxing entities ("ATEs"), including the District, were transferred to the County Auditor-Controller ("A-C").

Under the RDL, Pass-Throughs have continued to be paid in January and June, and will continue to be paid, for many years until, among other things, all the obligations (e.g., bonds) of the former RDAs have been paid off. Since Pass-Throughs are based on increases in assessed value ("AV") and tax increment ("TI") within redevelopment project areas ("Project Areas"), *Pass-Throughs increase over time*. For K-12 districts, *Pass-Throughs are largely if not wholly restricted to facilities* (Object 8625)—unlike new "Other RDA Revenues" (Object 8047—Residual Distributions also paid in January and June, and one-time Asset Liquidation Revenues) the District receives per the RDL, which are unrestricted and reported as property taxes for benefit of the State.

SUMMARY OF CURRENT SITUATION

Based on work done for the County Office of Education shortly after RDA Dissolution, as of FY 2025-26 District should have 16 continuing Pass-Through entitlements with three SAs:

- Two ***contractual (Agreement) Pass-Throughs*** per former HSC 33401—one each with Sacramento County SA and Sacramento City SA
- 14 ***statutory (AB 1290 Pass-Throughs)***—12 with Sacramento City SA, two jointly with Sacramento City SA and County SA, and one with Rancho Mirage SA

These 16 Pass-Throughs are largely if not totally restricted to educational facilities (100% for Agreement Pass-Throughs, 56.7% for AB 1290 Pass-Throughs), including (since FY 2015-16) "maintenance," per:

- Education Code ("EC") 42238(h)(6), 42238.02(j)6), and 42238.03(c)(6)
- HSC 33607.5(a)(4)—AB 1290 Pass-Throughs only

including as "other financing uses" to help fund the 3% Restricted Maintenance Account ("RMA"), including both normal (routine) capital (major) maintenance. However, Consultant has determined that both Agreement Pass-Throughs are *further restricted* to "Capital Projects," meaning they may ***not*** be used to fund RMA for normal maintenance but ***may*** be used to fund RMA for capital maintenance.

While these 16 "Facilities Pass-Throughs" may be used to fund "land acquisition, facility construction, reconstruction, remodeling, maintenance, or deferred maintenance," at this time, Consultant is advised that ***District has acute need to use most if not all its Facilities Pass-Throughs as "other financing uses" to help fund 3% RMA expenditures.*** Unrestricted General Fund revenues freed up by reliance on restricted Facilities Pass-Throughs may be used on a ***one-time or limited basis to accommodate declining enrollment, assist with AB 218 insurance premiums or payment claims in excess of existing coverage, and or provide District with additional time to make necessary structural changes in its general fund budget in order to reduce or avoid general fund deficits.***

Consultant is advised that Facilities Pass-Throughs are posted to Fund 25 of District's general ledger, which postings should use Object 8625. Consultant has determined on preliminary basis that Facilities Pass-Throughs should continue in increasing annual amounts from FY 2026-27 for another:

- 12 to 14 future years for the three Sacramento County and Sacramento County/City joint Pass-Throughs
- 10 to 11 future years for the 12 Sacramento City Pass-Throughs
- TBD future years for the Rancho Cordova Pass-Throughs

SCOPE OF WORK

The Scope of Work includes the following:

PRIORITY TASKS:

1. **Assess Needs and Objectives**

   Analyze and evaluate District needs and objectives regarding use of Pass-Throughs paid to District, based in part on evaluation and availability of previous (i) work product prepared for Client and/or District, and (ii) communications with Client and/or District.

2. **Provide Background Information**

   Prepare and provide information and materials to District staff, other District consultants, and Board of Education.

3. **Obtain, Process, and Evaluate Updated RDA-Related Data**

   - Compile Object 8625 Pass-Throughs reported by County A-C as paid to District in FY 2025-26 and three past FYs 2021-22 through 2023-24
   - Compile and evaluate unpublished data from County A-C for each Project Area, including (but not limited to):
     - Base year assessed value ("AV")
     - Adjusted base year AV (where applicable)
     - Current year AVs for FY 2025-26
     - Property tax shares (District, ERAF, and City/County) for FY 2025-26
   - Compile and evaluate most recent Recognized Obligation Payment Schedules ("ROPS") approved by Countywide Oversight Board and State Department of Finance ("DOF") for Sacramento County, Sacramento City, and Rancho Mirage SAs to determine longest-running bond and non-bond enforceable obligations, hence, duration of future Facilities Pass-Throughs
   - Contact all three SAs to confirm status of each of three conditions affecting duration of future Pass-Throughs to District: projected ROPS payoff dates, status of any remaining real property shown in SA's Long Range Property Management Plan ("LRPMP"), and status of any remaining litigation involving RDA or SA

4. **Usage Restrictions**

- Provide District staff and/or other District consultants with contractual functional and geographic usage restrictions set forth in two contractual Pass-Through agreements
- Assist District staff in vetting District processes for using Pass-Throughs, while complying with different functional and geographic restrictions for Agreement vs. AB 1290 Pass-Throughs, and how those restrictions may be met, reduced, or eliminated
- Inform District about alternative potential uses of Pass-Through amounts, including uses that benefit the General Fund, including paying for other lease purchase financings for qualified facilities projects; and/or reimbursing the General Fund from AB 1290 and Agreement Pass-Throughs for some or all the 3% annual funding requirement for RMA to facilitate AB 1200 compliance and/or minimize disruption in transitioning to lower student enrollment/ADA in the future

5. Prepare AB 1290 Compliance Resolution to Eliminate Geographical Usage Restrictions

- Prepare AB 1290 compliance resolution for adoption by Board of Education, including findings of fact needed to support determinations needed to comply with requirements of HSC 33607.5(a)(4)(A) (and validate all previous uses) while still allowing object 8625 AB 1290 Pass-Throughs to be used for facilities, including RMA, anywhere within District boundaries and not just within Project Areas or other sub-areas of former RDAs
- Prepare draft agenda item/report to accompany AB 1290 Compliance Resolution

6. **Prepare RMA Funding Resolution to Reimburse District General Fund with Facilities Pass-Throughs**

Prepare draft RMA Funding Resolution for adoption by Board of Education containing essential findings of fact and determinations needed to authorize using portion of past and/or current and/or projected future restricted Facilities Pass-Throughs as "other financing uses" to fund, directly or indirectly, part of 3% annual RMA expenditures, thereby *freeing up unrestricted general fund revenues to help reduce general fund deficits* and provide District with additional time to make necessary structural changes in its general fund budget, facilitate AB 1200 compliance, and/or minimize disruption in transitioning to lower student enrollment/ADA.

Findings of fact include, *inter alia*, those required to support determinations to allow:

- 56.7% Object 8625 portion of AB 1290 Pass-Throughs to be used for RMA, whether for capital maintenance or normal/recurring maintenance, consistent with:
  - AB 1290 Compliance Resolution approved by the Board of Education and
  - Statutory provisions governing RMA as set forth in Education Code Sections 17014(c) and 17070.75(b)(1) and Public Contract Code Sections 20014 and 20015
- 100% of Agreement Pass-Throughs to also be used, as needed, for RMA, consistent with:
  - *Additional functional and/or geographic usage restrictions contained in each contract*, albeit further restricted, as may be necessary, to *capital maintenance* and not *normal or recurring maintenance*

- Same statutory provisions governing RMA set forth above

- Use of Facilities Pass-Throughs to help fund RMA on a *one-time basis* for a *limited period of time*, e.g., for as one year up to three years, without requiring a separate, future RMA Funding Resolution making similar findings of fact and determinations for a different time period
- *Validation* of previous uses, if any, Facilities Pass-Throughs to help fund RMA, either directly or indirectly by reimbursing general fund

7. <u>Prepare and Present Findings for Priority Tasks</u>

Prepare summary exhibits and tables showing updated findings from Tasks 1 through 4, and present in virtual meeting with District staff and other members of District's facilities financing team

OTHER TASKS:

8. **<u>Communications with Successor Agencies and Others</u>**

- Evaluate individual *subordination requests* ("Requests") from SAs for subordination of District Pass-Throughs to SA refunding bonds, including (among other things):
  - Determine, based on rigorous quantitative analysis, whether Request provides, "substantial evidence" required by RDL that County A-C will be able to pay both refunding bonds and subordinated Pass-Throughs under reasonable assumptions
  - Determine whether Request also provides additional information needed by District (including Board, staff and future successors) and County A-C to implement subordination if required in future
  - Prepare acknowledgement accepting or rejecting Request
- Evaluate individual *cooperation agreements* provided by SAs as required by RDL to govern one-time distribution of net proceeds from disposition of specific real properties previously designated in SA's approved Long Range Property Management Plan ("LRPMP") for future (re)development by City or County, including (among other things):
  - Ensure compliance with provisions of the RDL
  - Estimate District's share of net proceeds to be distributed to District as one-time asset liquidation revenues ("ALRs") under the RDL, which District share will provide cash flow benefits to District
- Evaluate and/or respond to (i) requests for RDA/SA-related information by the County Office of Education, agencies of the State, or Statewide associations, or (ii) requests for technical support by District legal counsel

9. **<u>Other Communications with District</u>**

- Provide District with information regarding proposed or new legislation or litigation of precedential effect regarding Pass-Throughs, Residual Distributions, or Asset Liquidation

Revenues, which change RDA Dissolution Law or create new RDAs, and assist District in implementing requirements of any such new legislation or litigation

- Provide technical and policy information and advice to, and technical support for advocates for, District as part of work performed jointly for all Consultant's LEA clients in State or in Sacramento County
- Prepare and/or conduct electronic, telephone, or virtual or in-person presentations or meetings regarding findings from completion of Other Tasks, including related policy issues and recommendations

OPTIONAL TASKS:

10. <u>Estimate Past Pass-Throughs Owed to District and Project Future Pass-Throughs Owed</u>

Prepare (i) Exhibits showing annual estimates of past Pass-Throughs owed to District for last three FYs 2022-23 through FY 2024-25 plus FY 2025-26; estimated past Pass-Throughs owed compared to past Pass-Throughs paid; and estimated County A-C payment compliance rates; and (ii) Tables showing projections of future Pass-Throughs owed from FY 2026-27 based on:

- Rigorous computer modeling of contractual and statutory Pass-Through formulas for each of estimated 16 Pass-Through entitlements currently paid to District by County A-C, including for AB 1290 Pass-Throughs, implementation of *Los Angeles Unified School District v. County of Los Angeles et al (2010), 181 Cal. App. 4th 414 ("LAUSD I")*, and *Los Angeles Unified School District v. County of Los Angeles et al (2013), 217 Cal. App. 4th 597* ("LAUSD II"--collectively, "LAUSD Decision")
- Alternative future AV growth and RDL implementation scenarios, including termination of future Pass-Throughs based on last enforceable obligation ("EO") shown on the ROPS of each SA, for both bond and non-bond EOs

11. <u>Evaluate Accuracy of Past Pass-Throughs Paid to District by County A-C</u>

- Compare actual past amounts **paid** to District by County A-C beginning in FY 2022-23 with estimated annual amounts **owed** to District from Task 10 for each of District's estimated 16 Pass-Through entitlements; if comparison identifies estimated annual underpayments by County A-C for any year, *if such underpayments are deemed significant* by Consultant and District
  - Evaluate Pass-Through calculation methodology and assumptions *currently* employed by County A-C for each Pass-Through entitlement paid to District for three prior FYs 2022-23 through 2024-25
  - Identify methodology or data issues, if any, and work with County A-C to correct and/or reconcile potential payment errors if possible
  - If County A-C is unwilling to correct Pass-Through underpayments, advise District regarding potential administrative remedies and work with District legal counsel if needed

12. <u>Prepare and Present Findings for Optional Tasks</u>

Prepare summary Exhibits and Tables showing findings from Tasks 10 and 11, and present findings in virtual meeting with District staff.

Time Frame

Consultant understands the ***time is of the essence*** in completing the seven Priority Tasks, including specifically the AB 1290 Compliance Resolution and RMA Funding Resolution (and corresponding agenda reports/items). ***Hence, Consultant will make every effort to complete Priority Tasks in the time frame required by District.***

Limitations

Authorization to complete this Scope of Work is currently limited to Priority Tasks 1 through 7 only. *It does not currently include Other Tasks or Optional Tasks*. If Other Tasks and/or Optional Tasks are requested by District in the future, Consultant will provide an amendment to Agreement detailing Additional Scope of Work and Additional Budget for Other Tasks and/or Optional Tasks requested.

In addition, if other tasks or services are required or requested which are not included in the Scope of Work, or if tasks take more time and resources that anticipated due to unexpected actions of other parties that are beyond Consultant's control, then such tasks may also be defined as Additional Work. Additional Work may also include preparation of PowerPoint or other formal reports to District's Board of Education, or meetings with or presentations to Board of Education.

Additional Work will be performed only with the express consent of District. Additional Work will be clearly identified in each monthly invoice and will be charged on a time and materials basis at the hourly rates shown in Exhibit B.

EXHIBIT B
BUDGET
Sacramento City Unified School District
Consulting Services Regarding
Former Redevelopment Agencies
FY 2026-27

The not-to-exceed Total Budget for Priority Tasks 1 through 7 shown in Exhibit A shall not exceed $25,000, including out-of-pocket expenses (if any).

Consistent with the "Limitations" section of Exhibit A, only Priority Tasks are authorized at this time, and no Budget is provided for Other Tasks and/or Optional Tasks. If Other Tasks or Optional Tasks are required or requested by District, Consultant will provide an amendment to the Agreement with Additional Budget amounts, depending in part on the findings from completion of Priority Tasks 1 through 7.

Tasks which are unique to District will be performed using PEI's current hourly rates:

Principal	$350
Consultant*	$300
Research Assistant	$145

* Depending on the experience and expertise of the individual consultant providing the work

In contrast, services provided jointly to District and Other Districts will be duly identified and billed using *reduced multi-client rates*, which will reduce District's hourly rates significantly. *This could also substantially reduce required billings relative to the Total Budget.*

As set forth in the Agreement, costs to Consultant of incidental expenses pertaining to the Scope of Work are included in the Budget and will be charged on a cost recovery basis.

If Priority Tasks can be completed for less than the Budget, District will be charged only for services actually provided. In addition, the entire cost of services rendered under the Scope of Work can be paid from the facilities portion of pass-through payments (i.e., without imposing any burden on District's General Fund).

In addition to fees for services, out-of-pocket expenses such as travel, large-scale photocopying, data and database services will be charged on a cost recovery basis, as set forth in the Agreement. Monthly progress payments will be made as set forth in the Agreement.

CONSULTING AGREEMENT

Sacramento City Unified School District
Consulting Services Regarding
Former Redevelopment Agencies
FY 2026-27

THIS AGREEMENT is made and entered into this _____ day of _____, 2026, by and between **Public Economics, Inc**., hereinafter referred to as "Consultant," and **Sacramento City Unified School District**, hereinafter referred to as "District."

WHEREAS, District is in need of special services and advice in financial, economic, facilities, or administrative matters regarding payments to District from former Redevelopment Agencies ("RDAs") pursuant to ABX1 26, AB 1484, SB 107, and AB 104 ("RDA Dissolution Law"); and

WHEREAS, such services and advice are not available at no cost from public agencies; and

WHEREAS, Consultant may provide similar services to other K-14 districts in Sacramento County and elsewhere ("Other Districts"); and

WHEREAS, Consultant is specially trained, experienced, and competent to provide the special services and advice required; and

WHEREAS, such services are needed on a limited basis.

NOW, THEREFORE, Consultant and District agree as follows:

1. Consultant will provide the special services and advice to District as described in the Scope of Work attached hereto as Exhibit A, beginning on July 1, 2026.

2. Consultant will perform said services as an independent contractor and not as an employee of District. Consultant shall be under the control of District as to the result to be accomplished and not as to the means or manner by which such result is to be accomplished. This Agreement will continue in effect until the contracted services have been performed or until otherwise terminated by either party.

3. District will prepare and furnish to Consultant upon request such information as is reasonably necessary for the performance of Consultant under this Agreement.

4. District shall pay Consultant for services rendered to District pursuant to this Agreement in accordance with the Budget, attached hereto as Exhibit B. Hourly billing rates will not exceed the hourly amounts shown in Exhibit B but are subject to *potential* increase effective July 1, 2027. However, hourly rates may be less than such amounts depending on extent of services already provided to Other Districts and/or provided to District alone or jointly to District and Other Districts.

5. In addition to payment of fees, District shall reimburse Consultant at cost within the final Budget for reasonable out-of-pocket expenses, including, but not limited to, travel, administrative support costs (at $45 per hour), photocopying, courier services, database services or materials, and other reasonable out-of-pocket expenses.

6. Consultant shall submit invoices to District on a monthly basis showing specific services provided and expenses incurred. Such invoices are due and payable upon receipt.

7. Except for services (if any) for which a fixed fee has been identified, all services shall be subject to application of the hourly fee schedule set forth in Exhibit B, unless such schedule has been superseded by another fee schedule acceptable to District which modifies such hourly rates.

8. District may at any time for any reason terminate this Agreement and compensate Consultant only for services rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of services by Consultant. The notice shall be deemed given when received in writing by Consultant. Notwithstanding the above, Consultant shall also be compensated for time subsequently spent on District's behalf in court appearances, testimony, deposition, or discovery proceedings.

9. Consultant agrees to and shall hold harmless, defend and indemnify District, its officers, agents, and employees from every claim or demand and every liability or loss, damage or expense which may be incurred by reason of Consultant's negligent performance pursuant to this Agreement except for liability for damages referred to above which result from negligent or willful misconduct of District, its officers, employees or agents. Except to the extent covered by insurance ($1 million per occurrence for errors and omissions, $1 million per occurrence for workers compensation, and $2 million per occurrence for general liability), the liability of Consultant for any and all claims related to this Agreement, including any cause of action in contract, tort, or strict liability, and including an obligation to indemnify District, shall not exceed the total amount of payments made to Consultant under this Agreement.

10. This Agreement is not assignable without written consent of the parties hereto.

11. Consultant shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances including workers' compensation.

12. If any employee of Consultant is an employee of another public agency, Consultant certifies that such employee of Consultant will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which services are actually being performed pursuant to this Agreement.

13. District acknowledges that Consultant may at various times perform services for other public agencies with jurisdiction over the same territory as District and for certain private parties interested in development projects within the boundaries of District. Consultant agrees to make appropriate disclosure of such relationships and the parties agree that nothing in this Agreement is intended to imply that Consultant is a "public official," "participating in a governmental decision" or has a "financial interest" as such terms are used in California Government Code Section 87100.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed:

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

Agenda Item# 11.3

Meeting Date: September 17, 2026

Subject: **Approve Resolution No. 3606: Authorizing Use of Restricted Object 8625 RDA Pass-Throughs as "Other Financing Uses" to Reimburse Unrestricted General Fund for Portion of Past Annual 3% Deposits into Restricted Maintenance Account**

- ☐ Information Item Only
- ☐ Approval on Consent Agenda
- ☐ Conference (for discussion only)
- ☐ Conference/First Reading (Action Anticipated: _____)
- ☐ Conference/Action
- ☐ Action
- ☐ Public Hearing

Division: Business Services

Recommendation: It is recommended that the Board approve Resolution No. 3606 Authorizing Use of Restricted Object 8625 RDA Pass-Throughs as "Other Financing Uses" to Reimburse Unrestricted General Fund for Portion of Past Annual 3% Deposits into Restricted Maintenance Account

Background/Rationale: This is the second of two resolutions needed to utilize restricted "Facilities Pass-Throughs" from former redevelopment agencies (RDAs) to reimburse the unrestricted General Fund for expenditures for the Restricted Maintenance Account (RMA).

Reductions and deferrals in State funding, accompanied by ongoing decreases in District student enrollment and ADA since FY 2021-22, have caused the District to experience significant general fund deficits in FYs 2021-22, 2024-25, and 2025-26, and to project even larger general fund deficits in FYs 2026-27 through 2028-29. As a result, District is forced to rely on "other financing uses" to accommodate decreasing student enrollment and ADA and to help reduce projected general fund deficits, including use of otherwise restricted revenues to reimburse District's unrestricted general fund for a portion of required deposits in past years—3% of general fund expenditures—in the Restricted Maintenance Account ("RMA").

"Other financing uses" available for this purpose include two contractual (Agreement) "Pass-Throughs" and 56.7% of 13 statutory "AB 1290 Pass-Throughs" received annually from the County Auditor-Controller ("A-C") for 15 redevelopment project areas ("Project Areas") of successor agencies ("SAs") to the former Sacramento County and

Sacramento City RDAs, which payments are (i) functionally restricted to "educational facilities" per statute, and for the two Agreement Pass-Throughs, per additional contractual provisions; and (ii) geographically restricted as follows 56.7% of AB 1290 Pass-Throughs per statute, and the two Agreement Pass-Throughs per contract.

These "Facilities Pass-Throughs" (Object 8625 on the general ledger) have continued despite dissolution of RDAs on February 1, 2012 pursuant to the provisions of ABX1 26 ("RDA Dissolution Law" or "RDL"), and consistent with the RDL are projected to continue in increasing annual amounts for the next 10 to 14 years, depending on the individual Pass-Through. And these restricted Object 8625 Pass-Throughs may be used to reimburse the unrestricted general fund for a portion of past RMA deposits from the general fund, but only in a manner consistent with the Health and Safety Code, Education Code, and the terms of the two Agreement Pass-Throughs.

Financial Considerations: The attached resolution authorizes up to (i) $31.72 M in Object 8625 Pass-Throughs (including interest) available as of June 30, 2026; and (ii) $14.170 million in Object 8625 Pass-Throughs conservatively projected to be available over the next three FYs 2026-27 through 2028-29, to be used, respectively, in FY 2026-27 and in FYs 2026-27 through 2028-29, to reimburse the unrestricted general fund for a portion of the $104.944 million deposited to the RMA from the general fund for past FYs 2018-19 through 2025-26.

Of the Object 8625 Pass-Throughs available as of June 30, 2026, a preliminary estimate of 88.51% for the facilities share of AB 1290 Pass-Throughs, may be used for normal (ongoing or routine) and/or major (capital) maintenance. However, the remaining 11.59% is attributable to District's two Pass-Through Agreements—6.46% for Richards Boulevard (now River District), and 5.49% for Franklin Boulevard (updated percentages TBD), which per additional contractual restrictions, may be used for RMA, but only (i) for capital (i.e., major) maintenance, not for normal (ongoing or routine) maintenance; and (ii) only at District facilities that "serve the needs of the Project area and the surrounding community" for the Richards Boulevard (now River District) and Franklin Boulevard Project Areas.

Note that the authorizations in this Resolution do not continue on an automatic or indefinite basis but only provide District with time needed to make necessary structural changes in its general fund budget required to reduce or avoid future budget deficits. Additional reimbursements to the unrestricted general fund in excess of those stipulated above; and/or for future years after FY 2028-29, will require a separate Resolution by the Board of Education with similar findings of fact and determinations as those made in the attached Resolution.

LCAP Goal(s): Goal 1 – Graduation Outcomes; Goal 2 – Academic Outcomes; Goal 3 – Welcoming and Safety Outcomes

BOARD OF EDUCATION

RESOLUTION No. 3606

RMA Funding Resolution Authorizing Use of Restricted Object 8625 RDA Pass-Throughs as "Other Financing Uses" to Reimburse Unrestricted General Fund for Portion of Past Annual 3% Deposits into Restricted Maintenance Account

WHEREAS, the State of California has experienced general fund budget deficits for FYs 2023-24, 2024-25, and 2025-26, and despite a projected balanced budget for FY 2026-27, projects a return to budget deficits for FYs 2027-28 and 2028-29, all of which have posed significant financial challenges for State-funded programs and services; and

WHEREAS, Proposition 98 ("Prop 98"), approved by voters in 1988, guarantees a minimum level of funding for K-14 education (kindergarten through community college) based on a formula that adjusts annually for changes in State revenues, student enrollment, and other factors; and

WHEREAS, State general fund budget deficits have led to suspension of the Prop 98 funding guarantee for FY 2023-24, followed by restoral of the Prop 98 guarantee (i) for FY 2024-25 after an initial projected decrease in funding from FY 2023-24; (ii) for FY 2025-26, but with a K-12 payment deferral of $1.9 billion to FY 2026-27, and for FY 2026-27, but with other one-time measures to ensure meeting the minimum constitutional guarantee; and

WHEREAS, these State funding suspensions, deferrals, and other one-time measures threaten to decrease the financial resources available to public schools and community colleges Statewide, adversely impacting educational programs, staffing, and student services; and

WHEREAS, accompanying these State funding suspensions, deferrals, etc. have been Statewide decreases in post-COVID 19 student enrollment and ADA since FY2021-22, which are projected to continue for FYs 2026-27 and 2027-28, further exacerbating the financial impacts of State funding suspensions and deferrals in Prop 98 funding; and

WHEREAS, student enrollment and ADA at District have also decreased since FY 2021-22, by -1,828 students (-1.22% per year) and -179 ADA (-0.13% per year), and District projects continued decreases from FY 2025-26 in annual enrollment of -0.72% per year and in ADA of -0.99% per year for FYs 2026-27 through 2028-29; and

WHEREAS, State funding suspensions, deferrals, etc. combined with declining District enrollment and ADA, have caused District to experience general fund deficits in FYs 2021-22, 2024-25, and 2025-26, and to project even larger general fund deficits in FYs 2026-27 through 2028-29; and

WHEREAS, despite the foregoing, District must maintain a 3% required Reserve for Economic Uncertainties per the California Code of Regulations, Title 5, Section 15450(a), to file a positive certification for the next budget year and two subsequent years, ensuring the District's ability to achieve a positive, unappropriated fund balance; and

WHEREAS, in addition, Education Code ("EC") Section 17014(a)-(b) requires school districts to keep their facilities in "good repair, working order, and condition [and to] establish a restricted account within the general fund . . . for regular maintenance and routine repair of school buildings," commonly known as the Restricted Maintenance Account ("RMA"); and

WHEREAS, EC Section 17070.75(b)(1)-(2) requires school districts that participate in the 1998 School Facility Program to deposit into the RMA "a minimum amount equal to or greater than 3 percent of . . . total general fund expenditures . . . including *other financing uses*, for that fiscal year . . for the exclusive purpose of providing moneys for ongoing and major maintenance of school buildings" (*emphasis* added); and

WHEREAS, these RMA funds may be used for maintenance and upkeep of any District facilities, not just facilities constructed or modernized under the 1998 SFP or previous State School Building Lease-Purchase Program; and

WHEREAS, in FYs 2021-22 through 2025-26, District was required to deposit a total of **$104,983,848** into RMA from District's unrestricted general fund, and District projects required future RMA deposits from the unrestricted general fund of **$79,735,854** for FYs 2026-27 through 2028-29; and

WHEREAS, portions of past RMA deposits may be reimbursed to the general fund from "other financing uses" to help reduce projected future deficits; and

WHEREAS, notwithstanding the dissolution of former Redevelopment Agencies ("RDAs") on February 1, 2012, pursuant to the provisions of ABX1 26 and subsequent clean-up legislation ("RDA Dissolution Law" or "RDL"), contractual and statutory "Pass-Throughs" owed to affected taxing entities pursuant to the Health and Safety Code ("HSC") for project areas ("Project Areas") of successor agencies ("SA") to former RDAs continue to be paid in January and June of each year by the County Auditor-Controller ("A-C") pursuant to the RDL; and

WHEREAS, since FY 2021-22 District has continued to receive Pass-Through payments for 15 Project Areas pursuant to (i) pre-1994 "Pass-Through Agreements" for two Project Areas per former HSC Section 33401; and (ii) statutory "AB 1290 Pass-Throughs" per HSC 33607.5 and/or 33607.7 for 13 Project Areas; and

WHEREAS, from FY 2026-27 Pass-Throughs for the 15 Project Areas are projected to continue in increasing annual amounts for the next (i) 10 to 11 years up through FY 2036-37 for nine Project Areas of the City of Sacramento SA; (ii) 10 to 14 years up through FY 2039-40 for two joint Project Areas of the County and City of Sacramento SAs; and (iii) 12 to 14 years up through FY 2039-40 for one Project Area of the County SA, after which all Pass-Throughs to District will terminate pursuant to the RDL; and

WHEREAS, in the last eight FYs 2018-19 through 2025-26, District received **$29,627,991.86** in "Facilities Pass-Throughs," including **$4,261,722.84** received in FY 2025-26, that are *functionally restricted* by statute to "educational facilities," including per EC 42238(h)(6) *et al,* "land acquisition, facility construction, reconstruction, remodeling, *maintenance*, or deferred maintenance" (*emphasis* added), all of which was assigned Object 8625 on District's general ledger; and

WHEREAS, as of June 30, 2026, this entire Object 8625 Facilities Pass-Through amount was unexpended and had accrued interest in the amount of **$2,091,083.48**, increasing the total amount of Object 8625 Pass-Throughs available including interest to **$31,716,075.34**, which includes preliminary estimates of **$3.790 Million** in Agreement Pass-Throughs (11.95%—6.46% for Richards Boulevard (now River District) and 5.49% for Franklin Boulevard), and **$27.929 Million** in AB 1290 Pass-Throughs (88.05%); and

WHEREAS, District conservatively projects to receive total Object 8625 Facilities Pass-Throughs of **$14.170 M** over the next three FYs 2026-27 through 2028-29; and

WHEREAS, District's two Agreement Pass-Throughs are (i) *functionally* restricted to facilities by statute (as noted above) and further restricted *by contract* to "Capital Projects," including "land, improvements, rehabilitation, reconstruction, remodeling, and related costs including, but not limited to, legal assistance and facilities planning related to Capital Projects"; and (ii) and also *geographically* restricted by contract to "serve the needs of the Project area and the surrounding community" (Sections 3.5 of Franklin Boulevard Agreement and Section 3.6 of Richards Boulevard (now River District) Agreement); and

WHEREAS, 56.7% of District's AB 1290 Pass-Throughs from 13 Project Areas are restricted to facilities by statute (as noted above)—43.3% are unrestricted (Object 8047) but reported to the State as property taxes for offset against State Aid and are excluded from the amount of Object 8625 AB 1290 Facilities Pass-Throughs shown above, 100% of the Facilities Share of AB 1290 Pass-Throughs are also *geographically* restricted by statute per HSC 33607.5(a)(5) to each Project Area or other restricted subareas, which restrictions, however, may be satisfied by an "AB 1290 Compliance Resolution" containing certain required findings and determinations; and

WHEREAS, pursuant to HSC 33607.5(a)(5), an AB 1290 Compliance Resolution (Resolution 3606) was adopted by the Board of Trustees on September 17, 2026 which (i) allows the Object 8625 Facilities Share of AB 1290 Pass-Throughs to be used to pay the cost of educational facilities, *including maintenance,* located anywhere within the District, whether or not attended by students; and (ii) also ratifies "all prior decisions by the District regarding use of AB 1290 Pass-Throughs as being in compliance with this [AB 1290 Compliance] Resolution . . ."; and

WHEREAS, "maintenance" is understood to include expenditures from RMA, which includes both *major* (i.e., capital) maintenance and *ongoing* (i.e., normal, routine, or preventative) maintenance; and

WHEREAS, the Object 8625 Facilities Share of AB 1290 Pass-Throughs may be used for both capital maintenance and ongoing maintenance, the additional contractual restrictions for District's Agreement Pass-Throughs presumably *exclude ongoing maintenance* but *include major maintenance* (i.e., "repair and

replacement [of] roofing, siding, painting, floor and window coverings, fixtures, cabinets, heating and cooling systems, landscaping, fences, and other items . . .” pursuant to EC Section 17014(c); and

WHEREAS, of the 82 schools listed on both District’s website and the California Public School Directory maintained by the California Department of Education, 57 schools (69.51%) are shown as having opened more than 46 years ago (before 7/1/1980) making it a reasonable conclusion that at least 11.95% of Object 8625 Pass-Throughs that may help fund RMA will be used for major (capital) maintenance as described above, but not ongoing (normal) maintenance, consistent with the preliminary estimate of District’s Pass-Through Agreement share of 11.95% of total Object 8625 Pass-Throughs received by District for last eight fiscal years as shown above; and

WHEREAS, District’s Board of Education wishes to expressly authorize, pursuant to the findings of fact and other determinations in this RMA Funding Resolution, the use of Object 8625 Pass-Throughs as “other financing uses” to *reimburse the unrestricted general fund* (i) in FY 2026-27 for up to **$31.716 million** of total deposits to the RMA from the general fund of **$104.944 million** for past FYs 2021-22 through 2025-26; and (ii) in the next three FYs 2026-27 through 2028-29, for up to **$14.170 million** plus interest of remaining deposits to the RMA from the general fund for past FYs 2021-22 through 2025-26—consistent with the need to also use Object 8625 Pass-Throughs from FY 2026-27 for *alternative facilities needs*—thereby providing the District with three years to make necessary structural changes in its general fund budget required to reduce or avoid budget deficits; and

WHEREAS, District’s Board of Education also wishes to expressly acknowledge and commit to using at least (i) 11.95% of Object 8625 Pass-Throughs for major (capital) maintenance, consistent with the additional functional restrictions in District’s two Pass-Through Agreements; and (ii) 6.46% and 5.49% of Object 8625 Pass-Throughs, respectively, to “serve the needs of the Project area and the surrounding community” for the Richards Boulevard (now River District) and Franklin Boulevard Project Areas (percentages are preliminary estimates subject to future updates).

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

Section 1. The foregoing recitals are true and correct.

Section 2. That up to **$31,716,075.34** in Object 8625 Pass-Throughs, or any portion thereof, may be used in FY 2026-27; and up to **$14.170 million** or any portion thereof, may be used in the next three FYs 2026-27 through 2028-29—consistent with the alternative facilities needs of District—as “other financing uses” to *reimburse the unrestricted general fund* for a portion of RMA deposits from the general fund of **$104.944 million** for past FYs 2018-19 through 2025-26.

Section 3. That at least 11.95% of total Object 8625 Pass-Throughs received by District for the last eight fiscal years that may be used to reimburse the unrestricted general fund for past deposits to the RMA from the general fund shall be used for *major* (i.e., capital) maintenance, consistent with the additional functional restrictions in District’s two Pass-Through Agreements and the estimated 11.95% Pass-Through

Agreement share (or updated percentage TBD) of total Object 8625 Pass-Throughs paid to District over previous eight fiscal years.

Section 4. That at least 6.46% and 5.49%, respectively, of total Object 8625 Pass-Throughs received by District for the last eight fiscal years that may be used to reimburse the unrestricted general fund for past deposits to the RMA from the general fund shall be used to "serve the needs of the Project area and the surrounding community" for the Richards Boulevard (now River District) and Franklin Boulevard Project Areas, respectively, consistent with the additional geographical restrictions in District's two Pass-Through Agreements and the estimated 6.46% and 5.49% Pass-Through Agreement shares (or updated percentages TBD) of total Object 8625 Pass-Throughs paid to District over the past eight fiscal years.

Section 5. That the above determinations are limited to RMA funding for FYs 2026-27, 2027-28, and 2028-29 only. Additional use of Object 8625 Pass-Throughs to reimburse the unrestricted general fund for past RMA funding for amounts in excess of those stipulated above; and/or for future years after FY 2028-29, will require a separate Resolution by the Board of Education with similar findings of fact and determinations as those made above.

Section 6. This RMA Funding Resolution shall take effect immediately.

PASSED AND ADOPTED this 17th day of September, 2026.

- ☐ Public Hearing

Division: Office of the Superintendent

Recommendation: The Superintendent recommends the Board receive an update on the Fiscal Accountability Plan and approve any changes that enhance the district's fiscal outlook.

Background/Rationale: On July 30, 2026, the Board of Education passed a $158.6 million fiscal accountability plan that would keep the district from going insolvent by the end of the fiscal year.

This plan is a mix of one-time opportunities, and other, ongoing reductions to address the structural budget deficiencies, and aligning our district programs in the future that meet our educational needs with our fiscal responsibilities.

Each month, at the second board meeting, staff will provide an update on the plan, adjustments that are made due to success/failure of action items, and an updated cash status.

Financial Considerations: The plan is to close an estimated $158 million (unrestricted and restricted) gap between budgeted expenditures reductions and revenue increase. These changes must be on-going to avoid insolvency in the future; however, one-time actions support a short-term cash flow need. It is estimated the district will go insolvent in February 2027 with no changes to the current district budget that was adopted in June 2026 for the fiscal year 2026-2027.

As the plan becomes more defined and savings are realized, it will extend the district's opportunity to finish the fiscal year with enough cash to pay expenses.

Right now, the current need of $82.2 million in ongoing Unrestricted General Fund budget reductions as soon as possible will provide the fastest path to relief and allow for a new multi-year projection report to reflect the work of the action plan. On-going savings are needed in all General Fund categories, both unrestricted and restricted.

LCAP Goal(s): Operational Excellence

Agenda Item# 11.5

Meeting Date: September 17, 2026

Subject: Approve 2026-27 Budget Revisions and Updated Cash Flow Projections

☐ Information Item Only
☐ Approval on Consent Agenda
☐ Conference (for discussion only)
☐ Conference/First Reading (Action Anticipated: _____)
☐ Conference/Action
☒ Action
☐ Public Hearing

Division: Business Services

Recommendation: Approve the 2026-27 Budget Revisions and Updated Cash Flow Projections.

Background/Rationale: As presented at the September 10 Board meeting, the District reviewed the adopted 2026–27 budget as part of its ongoing fiscal planning and budget monitoring efforts. This review identified additional revenues, expenditure reductions, and other adjustments that warrant incorporation into the current fiscal year budget.

The proposed revisions are intended to strengthen the District's fiscal position and align budgeted expenditures with current operational needs and projected funding sources. The adjustments include revenue enhancements, expenditure reductions previously approved through the Fiscal Stabilization Plan (FSP), and revised Special Education expenditure projections.

The proposed revisions substantially reduce the District's projected deficit. However, the District remains below the minimum reserve requirement and must continue implementing recurring fiscal solutions to achieve long-term financial stability.

The revised cash flow projections provide an updated view of the District's anticipated cash position throughout the fiscal year and support ongoing financial monitoring, expenditure management, and fiscal decision-making.

Financial Considerations: The $208.3 million represents a gross estimate of potential fiscal improvement. All revenue and expenditure adjustments remain subject to verification, implementation, and reconciliation. The final net fiscal impact will be reported in the District's 2026–27 First Interim Report.

LCAP Goal(s): Goal I – Graduation Outcomes, Goal 2 – Academic Outcomes, and Goal 3 – Welcoming and Safety Outcomes

Board of Education Executive Summary

Business Services

Fiscal Year 2026-27 Budget Revisions and Cash Flow Update

September 17, 2026

At the September 10, 2026 Board meeting, the Administration presented the proposed FY 2026-27 Budget Revision Process and the supporting analysis for Board review and discussion. No approval of the budget revisions was requested at that meeting. The September 17, 2026 Board meeting is the action item at which the Administration recommends that the Board approve the budget revisions summarized below and authorize their incorporation into the District's FY 2026-27 budget and multi-year projection.

The proposed revisions result in a net improvement of $208,321,046 in the District's projected financial position. After the revisions, the adopted operating deficit decreases to approximately $424,342. The revised projection remains below the required reserve level and therefore requires continued implementation, validation, and monthly monitoring.

Reconciled Budget Impact

Adjustment category	Increase in sources	Expenditure reduction	Net improvement
Revenue adjustments	$35,688,040		$35,688,040
Other financing sources	$35,119,075		$35,119,075
Expenditure reductions		$137,513,931	$137,513,931
Total budget improvement	**$70,807,115**	**$137,513,931**	**$208,321,046**

The combined $70,807,115 increase in sources consists of $35,688,040 in revenue adjustments and $35,119,075 in other financing sources.

Revenue and Other Financing Sources

The revenue adjustment totals $35,688,040. It includes $7,000,000 in federal Medi-Cal reimbursements, $30,861,969 in other state revenue, $23,613,421 in retiree-benefit cost reimbursements, and a $25,787,350 reduction to STRS on-behalf revenue. The separate $35,119,075 redevelopment transfer is recorded as another financing source, including approximately $31.7 million in one-time funding and $3.4 million identified as ongoing.

The STRS on-behalf revenue reduction is paired with an equal $25,787,350 reduction in expenditures. The matching entries correct the budgeted pass-through amount and have no net effect on fund balance. Revenue and financing sources will be recognized after staff confirms entitlement, collectability, fiscal-year availability, restrictions, Board authorization, and accounting classification.

Expenditure Revisions

The expenditure adjustment column totals $137,513,931. This amount includes the $66,850,000 Fiscal Stabilization Plan approved on July 30, 2026; a $34,303,409 Special Education reduction based on a 2.5 percent growth target over 2025-26 actual expenditures; a $4,000,000 MTSS

funding alignment using Title I carryover; the $25,787,350 STRS on-behalf expenditure adjustment; and $6,573,172 of additional reductions included in the multi-year projection.
Upon Board approval, the Fiscal Stabilization Plan and related reductions will be posted by department, position or vendor, resource, purchase order, and exact SACS expenditure object. Savings will be recognized as the formal budget reductions are posted and staff confirms that the underlying spending has been eliminated, reduced, or avoided.

Special Education and MTSS

The Special Education revision reduces the current $297,651,750 budget to approximately $263,348,341, a reduction of $34,303,409. Implementation will be validated against position control, negotiated compensation, executed contracts, encumbrances, transportation obligations, indirect-cost calculations, and all services required by students' individualized education programs. No reduction may interfere with the District's obligation to provide a free appropriate public education.

The $4,000,000 MTSS adjustment consists of $2,880,000 in certificated salaries and $1,120,000 in employee benefits supported with Title I carryover. Staff will confirm that the carryover is available and allowable and that the realignment releases unrestricted resources without duplicating another reduction.

Fund Balance and Reserve Position

The $208,321,046 net improvement reduces the projected FY 2026-27 operating deficit to approximately $424,342. Due to the closing of the 2025-26 fiscal year, the beginning fund balance adjustment increases the projected beginning balance from negative $20,126,296 to $586,199. After applying the revised operating result, the projected ending fund balance is approximately $161,857. Although the revisions materially improve the District's position, the projection does not meet the minimum reserve requirement.

Cash Flow Projection

While the proposed budget revisions materially improve the District’s budgeted financial position, an improvement to the budget does not necessarily result in an immediate improvement to cash flow. Budget revisions recognize anticipated revenues, other financing sources, expenditure reductions, and accounting adjustments; however, cash flow is affected by the actual timing of cash receipts and disbursements. Certain revenues may not be received until later in the fiscal year, and some expenditure reductions may improve the projected ending fund balance without generating immediate cash savings. In addition, accounting adjustments such as the STRS on-behalf entries have no cash impact. Accordingly, the District must continue to separately monitor cash balances and monthly cash-flow projections to ensure sufficient liquidity to meet payroll and other obligations as they become due.

Based on the estimated timing of cash receipts and disbursements, the District projects an ending cash balance of approximately $1,741,086 as of June 30, representing only 0.21% of the District’s $828,505,427 total budget. This projection assumes that all underlying assumptions materialize as

anticipated, including the timing and amount of state, federal, and local receipts and planned expenditures.

Because the projected cash balance provides virtually no margin for timing differences, delayed revenues, unanticipated expenditures, or other forecast variances, the District remains in an extremely high-risk cash position. Even a relatively minor deviation from the assumptions could result in a cash shortfall, even with borrowing limit "overdraft protection" of $111.1 million. As of September 14, 2026, the district has used $56.5 million.

Recommended Board Action

1. Approve the FY 2026-27 Budget Revisions presented and analyzed at the September 10, 2026 Board meeting, resulting in a net budget improvement of $208,321,046.
2. Approve $35,688,040 in revenue adjustments and $35,119,075 in other financing sources, subject to verification of entitlement, collectability, fiscal-year recognition, restrictions, Board authorization, and accounting classification.
3. Authorize $137,513,931 in expenditure reductions and accounting adjustments, with each entry posted to the applicable SACS account string and supported by specific operational or accounting documentation.
4. Confirm the Special Education expenditure target of approximately $263,348,341 and require continued compliance with program, bargaining, and legal obligations.
5. Direct staff to incorporate the approved revisions into the FY 2026-27 budget and multi-year projection and continue monthly reporting that distinguishes approved targets, posted budget revisions, collected revenue, realized savings, one-time and ongoing amounts, implementation delays, replacement costs, fiscal risks, and corrective actions.

Board approval on September 17 authorizes the District to implement and post the proposed budget revisions reviewed on September 10. The approved amounts will be incorporated into the FY 2026-27 budget and the multi-year projection and reported through the District's interim financial reporting process. Continued monitoring remains necessary because the revised projection does not yet meet the minimum reserve requirement.

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

Agenda Item# 11.7

Meeting Date: September 17, 2026

Subject: Approve 2026-27 Special Education Contracts

- ☐ Information Item Only
- ☐ Approval on Consent Agenda
- ☐ Conference (for discussion only)
- ☐ Conference/First Reading
- ☐ Conference/Action
- ☒ Action
- Public Hearing

Division: Special Education

Recommendation:

Approve 2026-27 Special Education Contracts

Background/Rationale:

Under the federal Individuals with Disabilities Education Act (IDEA), school districts must provide a Free Appropriate Public Education (FAPE) by implementing student IEPs without delay. To resolve critical compliance risks caused by nationwide shortages of special education staff, districts must utilize certified Non-Public Agencies (NPAs) to fill vacancies and provide Non-Public School (NPS) placements for students whose medical, emotional or behavioral needs are so intensive that they cannot be safely or appropriately met in District schools. This presentation seeks to secure approval from the Board for outstanding 2026-27 Special Education contracts.

Financial Considerations:

The use of NPAs does not increase the number of special education providers in the District but rather serves to fill positions that would be otherwise vacant.

The use of NPSs allows the District to offer FAPE to students whose needs exceed what is available in a District special education program. These programs vary in cost, but do outweigh the cost of providing services internally.

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

Agenda Item# 11.8

Meeting Date: September 17, 2026

Subject: Approve Proposed School Site Renaming Process for Cesar Chavez Elementary

- ☐ Information Item Only
- ☐ Approval on Consent Agenda
- ☐ Conference (for discussion only)
- ☐ Conference/First Reading (Action Anticipated: _____)
- ☐ Conference/Action
- ☒ Action
- ☐ Public Hearing

Division: Facilities Support Services

Recommendation: Approve the proposed renaming process for Cesar Chavez Elementary School, including formation of a Community Advisory Committee, authorization to conduct community and student surveys, and confirmation that the new school name shall not be the name of any individual, living or deceased.

Background/Rationale: Sacramento City Unified School District is committed to ensuring that the names of its facilities reflect the District's vision, mission, and values, and that all school environments are welcoming and inclusive for students, staff, and community members. Recent information has come to light regarding the personal conduct of Cesar Chavez that is inconsistent with the values and model of character the District holds up for its students and community.

Board Policy 7310, Naming of Facility, grants the Board of Education discretion to change a facility's name at any time if deemed appropriate for the benefit of the District. The Board's action tonight initiates a formal, community-led renaming process consistent with that policy.

Financial Considerations: An estimated budget of $10,000 to $12,000 for renaming and rebranding of Cesar Chavez Elementary. The budget would be covered by Facilities restricted funds.

LCAP Goal(s): Goal 1 – Graduation Outcomes, Goal 2 – Academic Outcomes, and Goal 3 – Welcoming and Safety Outcomes
