WHAT'S HAPPENING

Around Campus

Joining a student council is a great way to develop leadership skills, make a positive impact on your school community, and build lasting friendships. It offers opportunities to organize events, voice student concerns, and work collaboratively with others. Being part of the council also looks impressive on college applications and helps you gain valuable experience in teamwork, communication, and problem-solving. Overall, it's a rewarding way to grow personally and contribute meaningfully to your school.

Student COUNCIL
Pinellas Technical College - Clearwater Campus
YOUR VOICE. YOUR CAMPUS. YOUR IMPACT.

PTC RISE
PINELLAS TECHNICAL COLLEGE ENTREPRENEURIAL ACADEMY

Join RISE, an entrepreneurship initiative designed to help students turn their skills into income through real-world learning, creativity and community support

"Build It, Grow It, Use It and Graduate Career Ready.

With the assistance of the Job Placement Coordinator, PTC students have access to a wealth of resources designed to ensure they attract and are prepared for high tech, high wage careers. Career Placement Services include:

Career Rocket, an online career development system that facilitates the organization, tracking, and creation of custom skills portfolios can be used to generate a stellar resume.

Dress to Impress Clothing Closets warehouse professional attire appropriate for interviews. Students also visit the Dress to impress Clothing Closets for input and guidance on what to wear so they can approach their next interview with confidence. All clothing is provided to students at no cost.

Mock Interviews are held throughout the year to prepare and guide students through real-world scenarios they may encounter when attempting to land their dream job.

Who & What is

National Technical Honor Society

Recognizing Skills. Empowering Futures.

The National Technical Honor Society (NTHS) is where talent in Career & Technical Education gets the recognition it deserves. We're here to celebrate your hard work, your skills, and your commitment to excellence in your trade or technical program.

As the honor society for CTE students, NTHS supports over 100,000 members each year. Students who have joined our ranks, become part of a powerful network of skilled professionals. NTHS doesn't just honor achievement — we help you move forward. Scholarships awarded annually and strong ties between education and industry, we're helping shape a workforce that's not just prepared, but exceptional.

NTHS is for you to make connections, and take pride in your craft

Fueling Your Future in the Skilled Trades

SkillsUSA®

SkillsUSA isn't just a club — it's a launchpad for your career. As a key part of career and technical education, we're all about helping you build the real-world skills employers are looking for. Our mission? To make sure you're not just job-ready, but life-ready.

We connect you to high-demand careers that offer stability, good pay, and long-term growth. But it's more than landing a job — it's about understanding your own value, building confidence, and learning how to show employers exactly what you bring to the table.

IT'S ALL ABOUT YOU. PTC PROUD
PINELLAS TECHNICAL COLLEGE

We love sharing our PTC accomplishments

Whether you're working on a project, showing off a certification, or just enjoying time on campus with friends - snap a selfie, photo, or video and share it with PTC.

PTC

Helping Build A Bright Future For Our Community

For decades, Pinellas Technical College has been the community's premier provider of career and technical education. It is our most critical objective to offer our students the skills and knowledge necessary for upward career mobility, to supply the local workforce with skilled employees, and to support the economy of the region. We have been able to pursue our mission with great success, but we have not achieved our goals alone.

We Hire PTC is a network of business and industry partners that have played an integral role in ensuring that our students are well-prepared for the ever-changing demands of the workforce. Their commitment to Pinellas Technical College has taken various forms, including offering scholarships, assisting with mock interviews, providing employment opportunities, attending and sponsoring events, and actively serving on our advisory boards.

For a full list of businesses that recognize "PTC Works" visit https://www.pcsb.org/domain/14435

PTC - A COMMUNITY RESOURCE

Thanks... to generous contributions from ***Feeding Tampa Bay***, the ***Baking & Pastry Arts program***, and the ***Professional Culinary Arts & Hospitality program***, the Clearwater campus operates a **Community Food Pantry**. Operated by PTC students and faculty, this resource has served as a critical lifeline for PTC students and the community after natural disasters and in times of individual need.

STILL IN HIGH SCHOOL?

Dual Enroll ... 25+ Career Training Programs to choose from while you are still in High School

What is High School Career Dual Enrollment and How does it Work? ?

High School Career Dual Enrollment (aka Dual Enrollment) is an educational option that allows qualified high school students to enroll in PTC postsecondary courses creditable toward both high school graduation and a career technical program certificate. Participating high school students earn weighted high school elective credits for High School Career Dual Enrollment.

Consult with your High School Counselor regarding eligibility requirements and to get started

dualenrollment.myptc.edu

PINELLAS TECHNICAL COLLEGE
myptc.edu

Clearwater Campus
6100 154th Ave N,
Clearwater, FL 33760
727.538.7167

Providing top-notch career and technical education at both our Clearwater and St. Petersburg campuses — *where your future takes shape.*

Since 1962, Pinellas Technical College's emphasis is on post-secondary education, focusing on over 40 exciting career areas and nearly 60 programs.

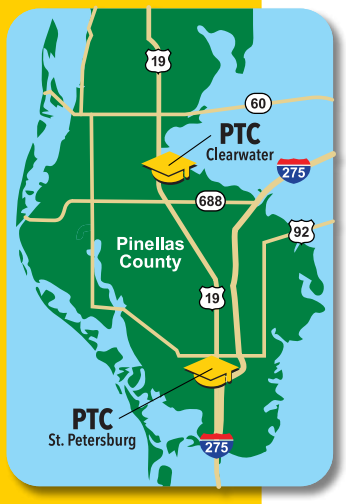
Pinellas Technical College also offers continuing education courses, life enrichment courses, and commercial training services through the Office of Workforce Innovation.

The Pinellas Technical College experience is rich with relevant, stimulating, and challenging career and technical education. Our network of more than 250 business and industry partners serve as advisors for our programs, ensuring they are preparing students for the needs of the current and future work force.

Each campus is individually accredited by the Council on Occupational Education and the Southern Association of Colleges and Schools. Pinellas Technical

College is an alliance member of the Commission of International and Trans-Regional Accreditation. Most Pinellas Technical College programs are also individually accredited or approved by one or more professional accrediting bodies and licensing and certification agencies.

PTC has been a leader in providing career and technical education via distance learning. Through first-class training and support from our highly skilled faculty and staff, graduates are prepared to compete in a global job market.



We are committed to providing quality educational opportunities to meet our students' needs and the needs of business and industry. Employers throughout the Tampa Bay area recognize our Pinellas Technical College graduates as having the qualities, skills, and knowledge necessary for success on the job now and in the future.
