

CHABOYA MIDDLE SCHOOL SPORTS CONTRACT

IMPORTANT: This form must be read and agreed to before a student can practice or compete with any Chaboya Middle School team. Checking the "Read and Agree" box next to Sports Contract on the online form indicates that you and your child will abide by the athletic rules and responsibility standards of Chaboya Middle School.

Competitive Program Overview & Selection Policy

Chaboya Middle School sponsors competitive, interscholastic athletic teams (including Basketball, Football, Volleyball, Soccer, and other seasonal sports). Because team rosters are subject to size limits, a limited number of students will be selected to represent the school. Final rosters are determined through a rigorous tryout designed to identify the best fit for each team. The coaching staff evaluates each athlete objectively. While we encourage every interested student to try out, submitting a registration form or attending tryouts does not guarantee selection or playing time. Final rosters and playing time are coaches discretion and not subject to debate.

Assumption of Risk & Medical Responsibility

As a parent/guardian of a Chaboya Middle School athlete, I/we understand the existence of potential dangers associated with athletic participation, including injuries ranging from minor muscle strains and sprains to more serious injuries to ligaments, bones, and tendons, as well as catastrophic injuries to the head, neck, and spinal cord. We also understand it is our responsibility to carry adequate insurance coverage, and that Chaboya Middle School is not responsible for the cost of medical care associated with such injuries.

Equipment, Uniforms & Transportation

As a parent/guardian of a Chaboya Middle School athlete, I/we understand that it is the responsibility of the student-athlete named above to return all equipment and uniforms in the condition they were received or pay the cost of replacement. Additionally, I/we understand that transportation to and from off-campus games and practices is our sole responsibility as parent(s) unless required school transportation is explicitly provided.

Student-Athlete Expectations & Conduct

Participation in school athletics is a privilege, not a right. As an athlete at Chaboya Middle School, I agree to abide by all school policies as stated below.

- **Academic & Behavioral Standards:** Maintain at least a 2.0 GPA with no "F" grades, and avoid behavior that would result in a referral, detention, or suspension.
- **School Rules & "Choice, Chance, Change" Alignment:** Student-athletes must uphold all school rules and embody Chaboya Middle School's "Choice, Chance, Change" philosophy. Athletes are expected to consistently demonstrate strong character, a positive attitude, and full effort in their classrooms, PE and around school. Discipline issues, poor attitude, or behavioral concerns during the school day directly impact an athlete's standing on the team and will result in reduced playing time or loss of roster position.
- **School Attendance Requirement:** Students must attend school if they are to participate in practice or a game/meet. If a student needs to miss part of the school day, they must talk to the coach at practice or send an email ahead of time informing them of the missed school time. Failure to do so can result in loss of playing time or roster status.
- **Sportsmanship & Respect:** Demonstrate exemplary conduct on and off the field/court, in the classroom, and in any public place. Always represent my school and team in a positive manner.
- **Fair Play & Self-Control:** Always respect the rights, feelings, and authority of fellow teammates, coaches, opponents, and game officials. Refrain from taunting, foul language, or unsportsmanlike behavior.

- **Attendance & Communication Responsibility:** Student-athletes must inform their coach ahead of time if they cannot attend a practice or game. Failure to comply may affect playing time or roster status.
- **Playing Time Acknowledgment:** Understand that there is no guarantee of any specific amount of playing time. I agree to accept and support the coach's decisions.

Parent & Guardian Code of Conduct

As a parent/guardian of a Chaboya Middle School athlete, I/we understand that adult behavior models expectations for our student-athletes. I/we agree to hold ourselves accountable to the following standards:

- **Positive Support & Sportsmanship:** Support the coach's decisions and show exemplary sportsmanship to all players, coaches, fans, and officials of both schools.
- **Coaching from the sidelines: Refrain from yelling instructions, criticizing officials, or harassing coaches, players, or opponents during practices, meets, or games. Violating this rule will result in your removal from the sidelines, event, or campus.**
- **Social Media & Privacy Notice:** To protect the privacy rights of our students, at no time should pictures or videos of children—except your own—be posted to any website or social media platform without express permission from the child's parent or legal guardian.

Parent Permission & Acknowledgment

The parent/guardian signature or online registration agreement serves as permission for the student to participate on Chaboya Middle School athletic teams. Your agreement acknowledges awareness of athletic injury risks and authorizes student health information to be shared with Chaboya Middle School for injury evaluation. Checking the box next to Sports Contract on the online registration form indicates you understand and agree to all rules, expectations, and consequences outlined above.
