Volunteer Hour Guidelines

- The service is performed without material or monetary reward.
- Commercial businesses may not legally use minors as unpaid volunteers. Minors cannot volunteer for a “for-profit” business.
- The activity cannot advance, nor can it inhibit religion (i.e. teaching religious classes, participating in a worship service, working for a religious-based camp, etc. are not acceptable forms of volunteer service for these purposes)
- Students cannot use court-referred hours.
- Hours can be granted for fundraising activities for worthy community causes, but fundraising for Green Bay high school clubs/organizations will not be approved.
- Entertainment or performance activities that are an extension of a class or a co-curricular requirement will not be approved.
